
Princess Cerys: Your grace is most kind...
Prince Roan: Please, my lady, call me Roan. If we are to be man and wife, we should be more... at ease with honorifics.
Commission #85 -
Pre-Wedding Jitters...

Princess Cerys: If that is my lord's wish... Roan.
Prince Roan: Excellent! I'm really glad we've finally met... I've been thinking about what you might look like during our long 3-week journey here.

Princess Cerys: And do I impress...?
Prince Roan: Oh, beyond what I expected... Mentions of your beauty do not do the real thing any justice!

Princess Cerys: Ah, you're too kind...
Prince Roan: I really mean it, I could stare at you for hours on end...

Prince Roan: So, what is it that you li-
Elven Knight: My prince! My sincere apologies for interrupting. Your highness requires your presence, immediately.
Prince Roan: Now...? What does my father want...? Ugh, right. Give me a moment.

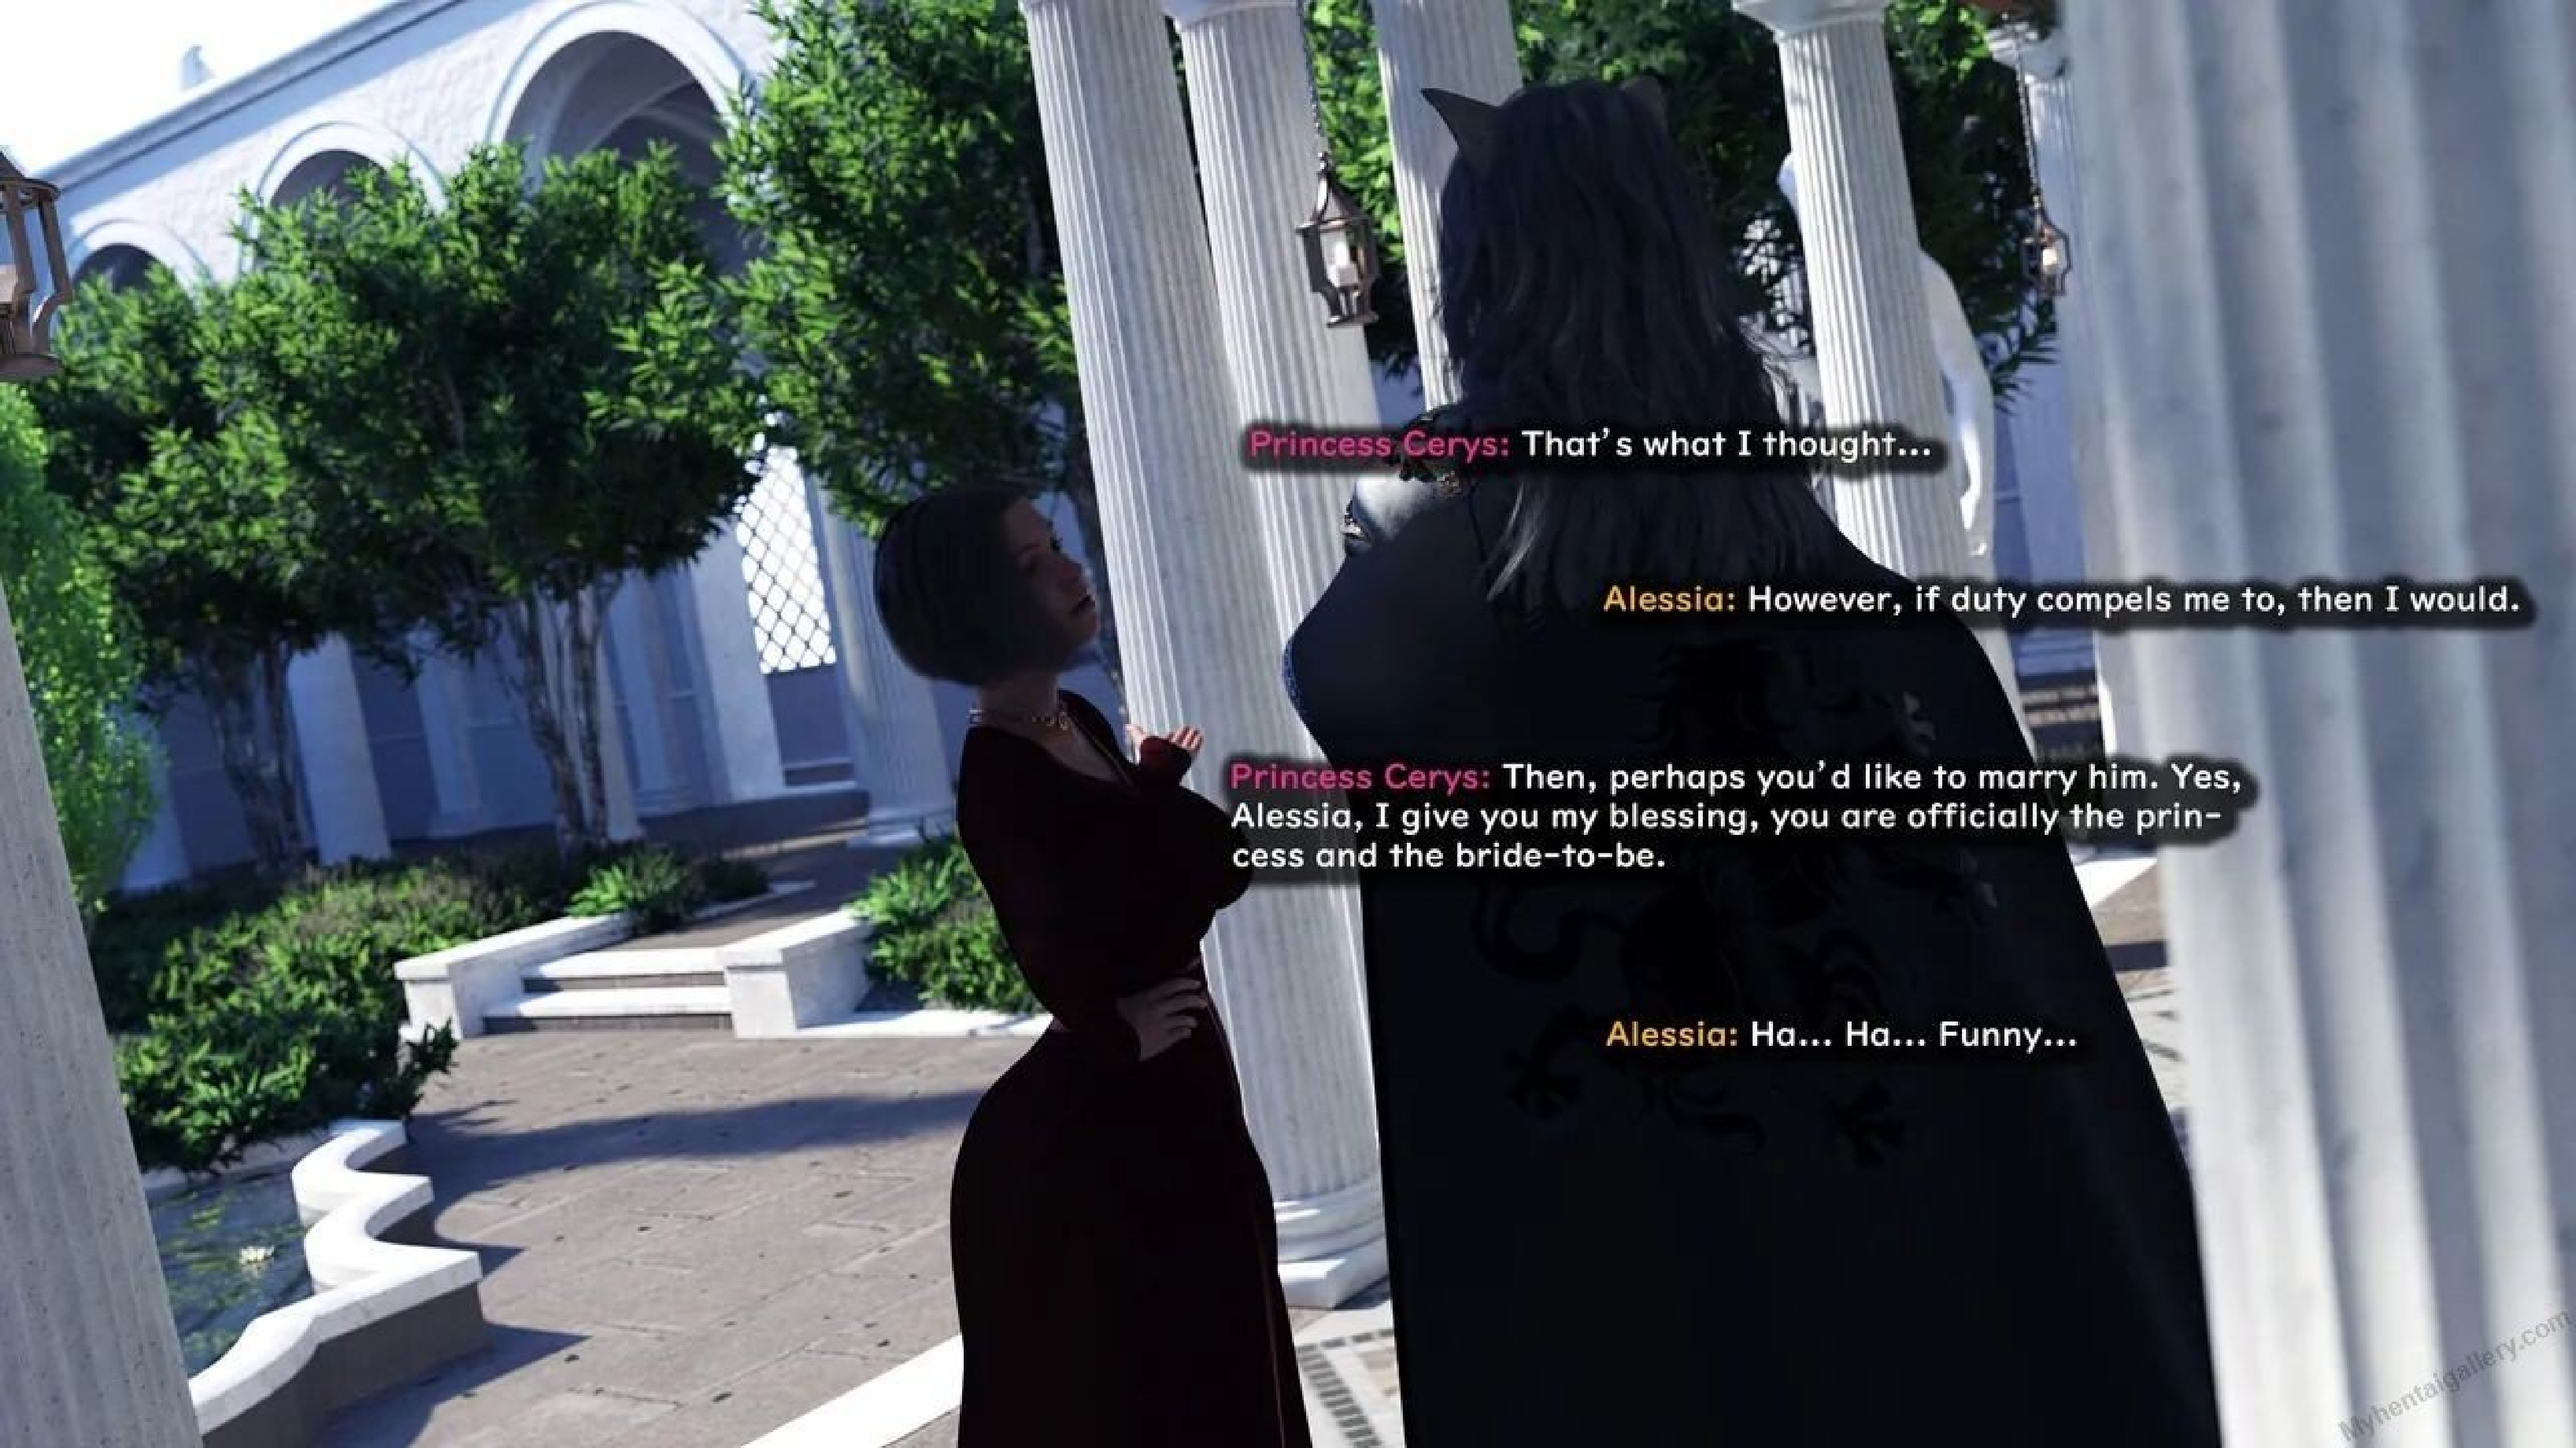

Prince Roan: My humble apologies, my lady. It seems that fate has separated us once more...
Princess Cerys: R-Right... Duty must come first...
Prince Roan: I look forward to our dinner tomorrow evening.

Princess Cerys: ...

Princess Cerys: *Sigh*
Alessia: Something troubles you, princess?

Princess Cerys: He's... boring.
Alessia: I'm... sorry to hear that.

Princess Cerys: Alessia, if you had to spend the rest of your life with someone who feels crazy about you, but you don't feel the same, who is also as boring as watching grass grow... Would you drop the sword and commit to that path...?
Alessia: Well, when you put it like that... No. I wouldn't.

Princess Cerys: Nothing's going to change the fact that I'm marrying him... but...
Alessia: Princess...?
Princess Cerys: ...Nobody said anything about not having a little fun before we cross that path, right...?

Alessia: Yes, I did. Now, can we return to the castle, princess...?
30 Minutes Later...

Princess Cerys: Say, do you think you can take him on in a fight?
Alessia: Princess...
Princess Cerys: What? We're having fun, aren't we...? Oooh? What's down this way?
Alessia: W-Wait, princess, that's...?!

Alessia: Princess, wait! We most definitely cannot be here...!
It's not safe!
Princess Cerys: Why? What's down there...?

Princess Cerys: Wait, worse than what we just saw...? Can't be that bad...
Alessia: The lowest of the low reside within these parts of the kingdom...
Alessia: I'm afraid it is... This is the entrance to the famed Red Light District...

Princess Cerys: 'Red Light District'...?
Alessia: Yes, it's not a place for a princess... Or anyone with morals in fact.
Princess Cerys: Interesting...

Alessia: P-PRINCESS...?!
Princess Cerys: That sounds like FUN! Come on, keep up!

Princess Cerys: Huh...?

Princess Cerys: Gods... Are the people you fuck still alive by the end of it...? You look... b-big...

Princess Cerys: (S-She is... terrifyingly large...
Like a beastly animal... Are all orcs like her...?)
Nargi: Well...? Fuck, or no fuck...?

Princess Cerys: Hmmmm...
Alessia: (I-Is she seriously CONSIDERING IT...?! This thing is HUGE...! IT WOULD KILL HER...! S-She's supposed to be married in a couple days...?!)
Princess Cerys: Hmmmmmmm...
Nargi: Hmmmmm...?
Alessia: (P-Princess...?)
Princess Cerys: Right. How much do you charge?

Princess Cerys (Bedroom): A-ARGGHHHH....! FUUUCK!
Alessia: ... (T-They're so... loud... W-Why the fuck... am I letting this happen...? I'm so screwed when I get back... The personal guard who took the person they're protecting to a brothel to be screwed by an ENORMOUS Orc...)
30 Minutes Later...

Princess Cerys: S-SO FUCKING GOOD...!
Nargi: *GRUNT!*

Nargi: *GRUNT!* Small body... But THICK...!

Alessia: (A-All of them...?! T-They're all waiting in line to fuck the princess...?!)

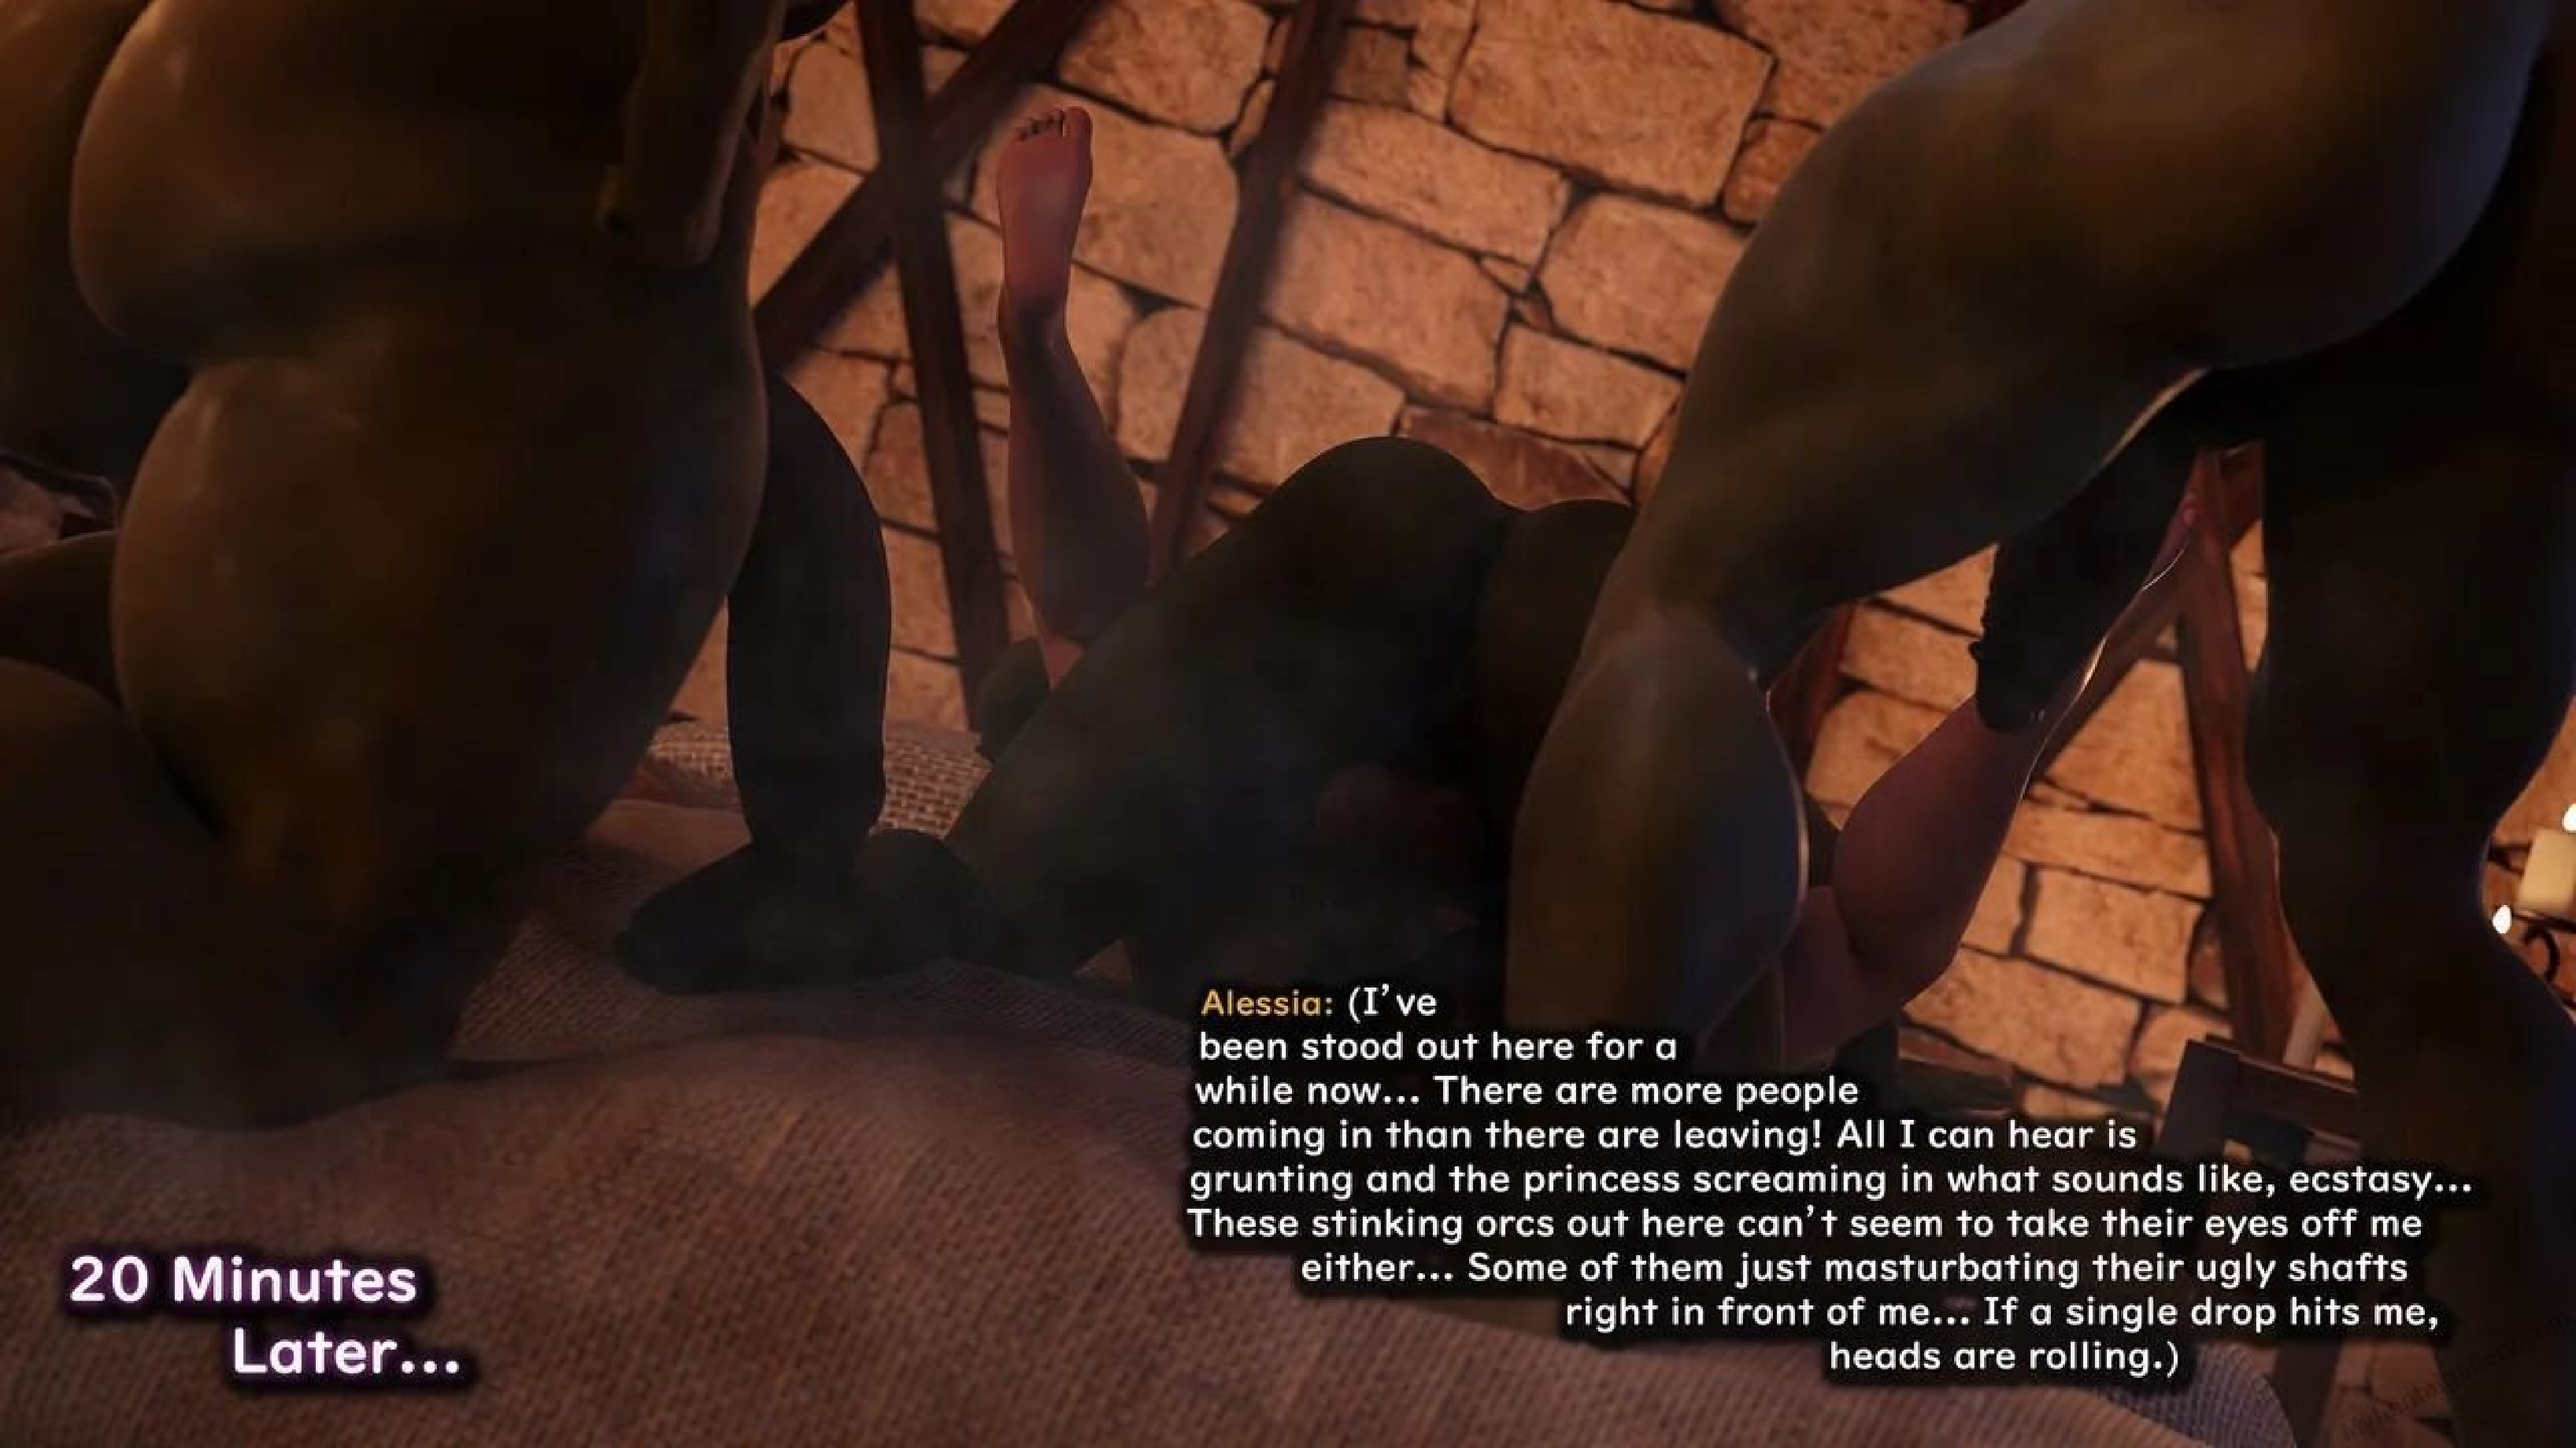

Alessia: (T-This is... INSANE...?!)

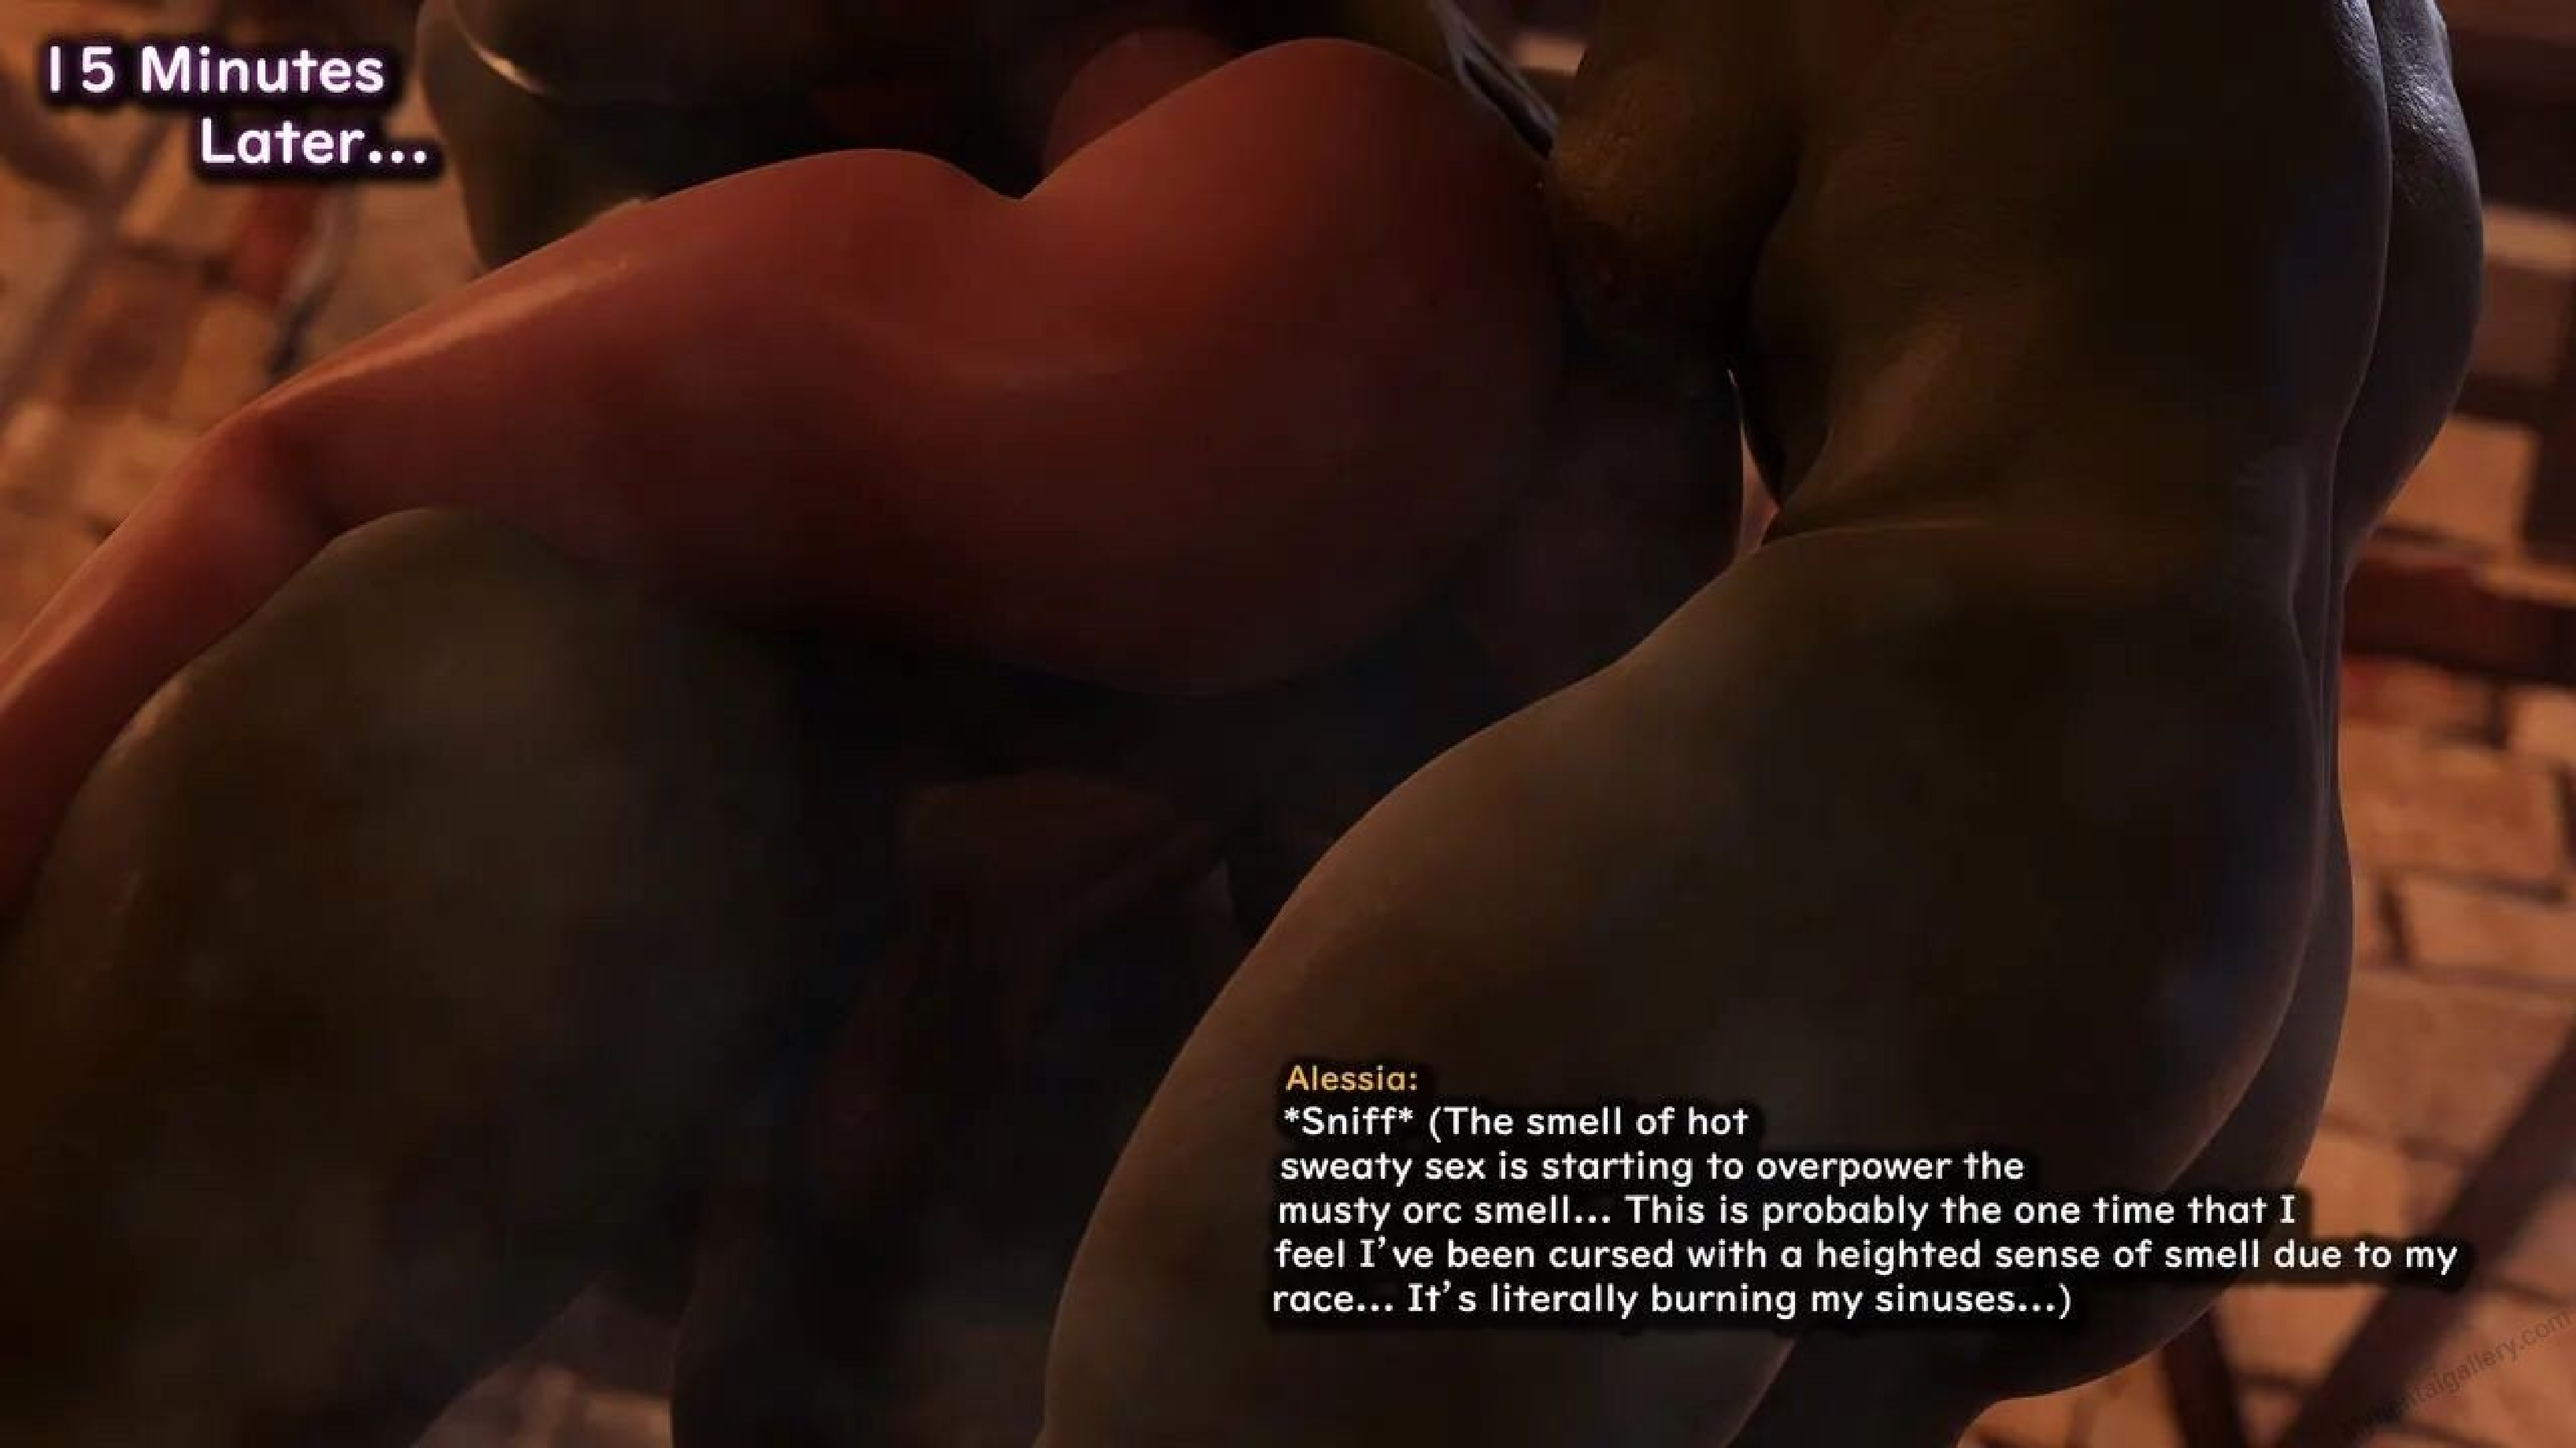

15 Minutes Later...
Alessia: (Eventually, she started taking in more than one at a time...?)

Alessia: (Or it was more the fact that the orcs who were waiting in line had enough of... well, waiting...)
8 Minutes Later...

Alessia: (She calls me by my name or I hear a cry for help, I’m in there as swift as lightning... And so help me god, I will decapitate every single one of them...)

Alessia: (I could swear this line
is getting no shorter... Are more people joining the

REJOIN?!) HEY, YOU! GET OUTTA HERE...!
12 Minutes
Later...

20 Minutes
Later...
Alessia: (I've
been stood out here for a
while now... There are more people
coming in than there are leaving! All I can hear is
grunting and the princess screaming in what sounds like, ecstasy...
These stinking orcs out here can't seem to take their eyes off me
either... Some of them just masturbating their ugly shafts
right in front of me... If a single drop hits me,
heads are rolling.)

15 Minutes
Later...
Alessia:
Sniff (The smell of hot
sweaty sex is starting to overpower the
musty orc smell... This is probably the one time that I
feel I've been cursed with a heighted sense of smell due to my
race... It's literally burning my sinuses...)

Alessia: (She does
seem to be screaming a lot more now...?
Perhaps, I should go in...?)

Alessia:
(Great, there's no
line now. Oh yeah, that's right...
THAT'S BECAUSE EVERY SINGLE ONE
OF THEM IS IN THERE, ALL AT ONCE!)
25 Minutes
Later...

1 Hour Later...
Princess Cerys: *Mumbling* H-H-How many... m-more... I-left...? (I can scarcely feel my legs yet, gods save me, I want more...)

Alessia: W-What have I done...?
Alessia: What?
Nargi: Fuck...?
Nargi: Fuck will make you feel better, right?

Din:
Right.

Din: Fuck.
Nargi: Fuck.
Alessia: (If I hear the word ‘fuck’ one more time...)

Priest: I now pronounce you, man and wife...
Couple Days Later...

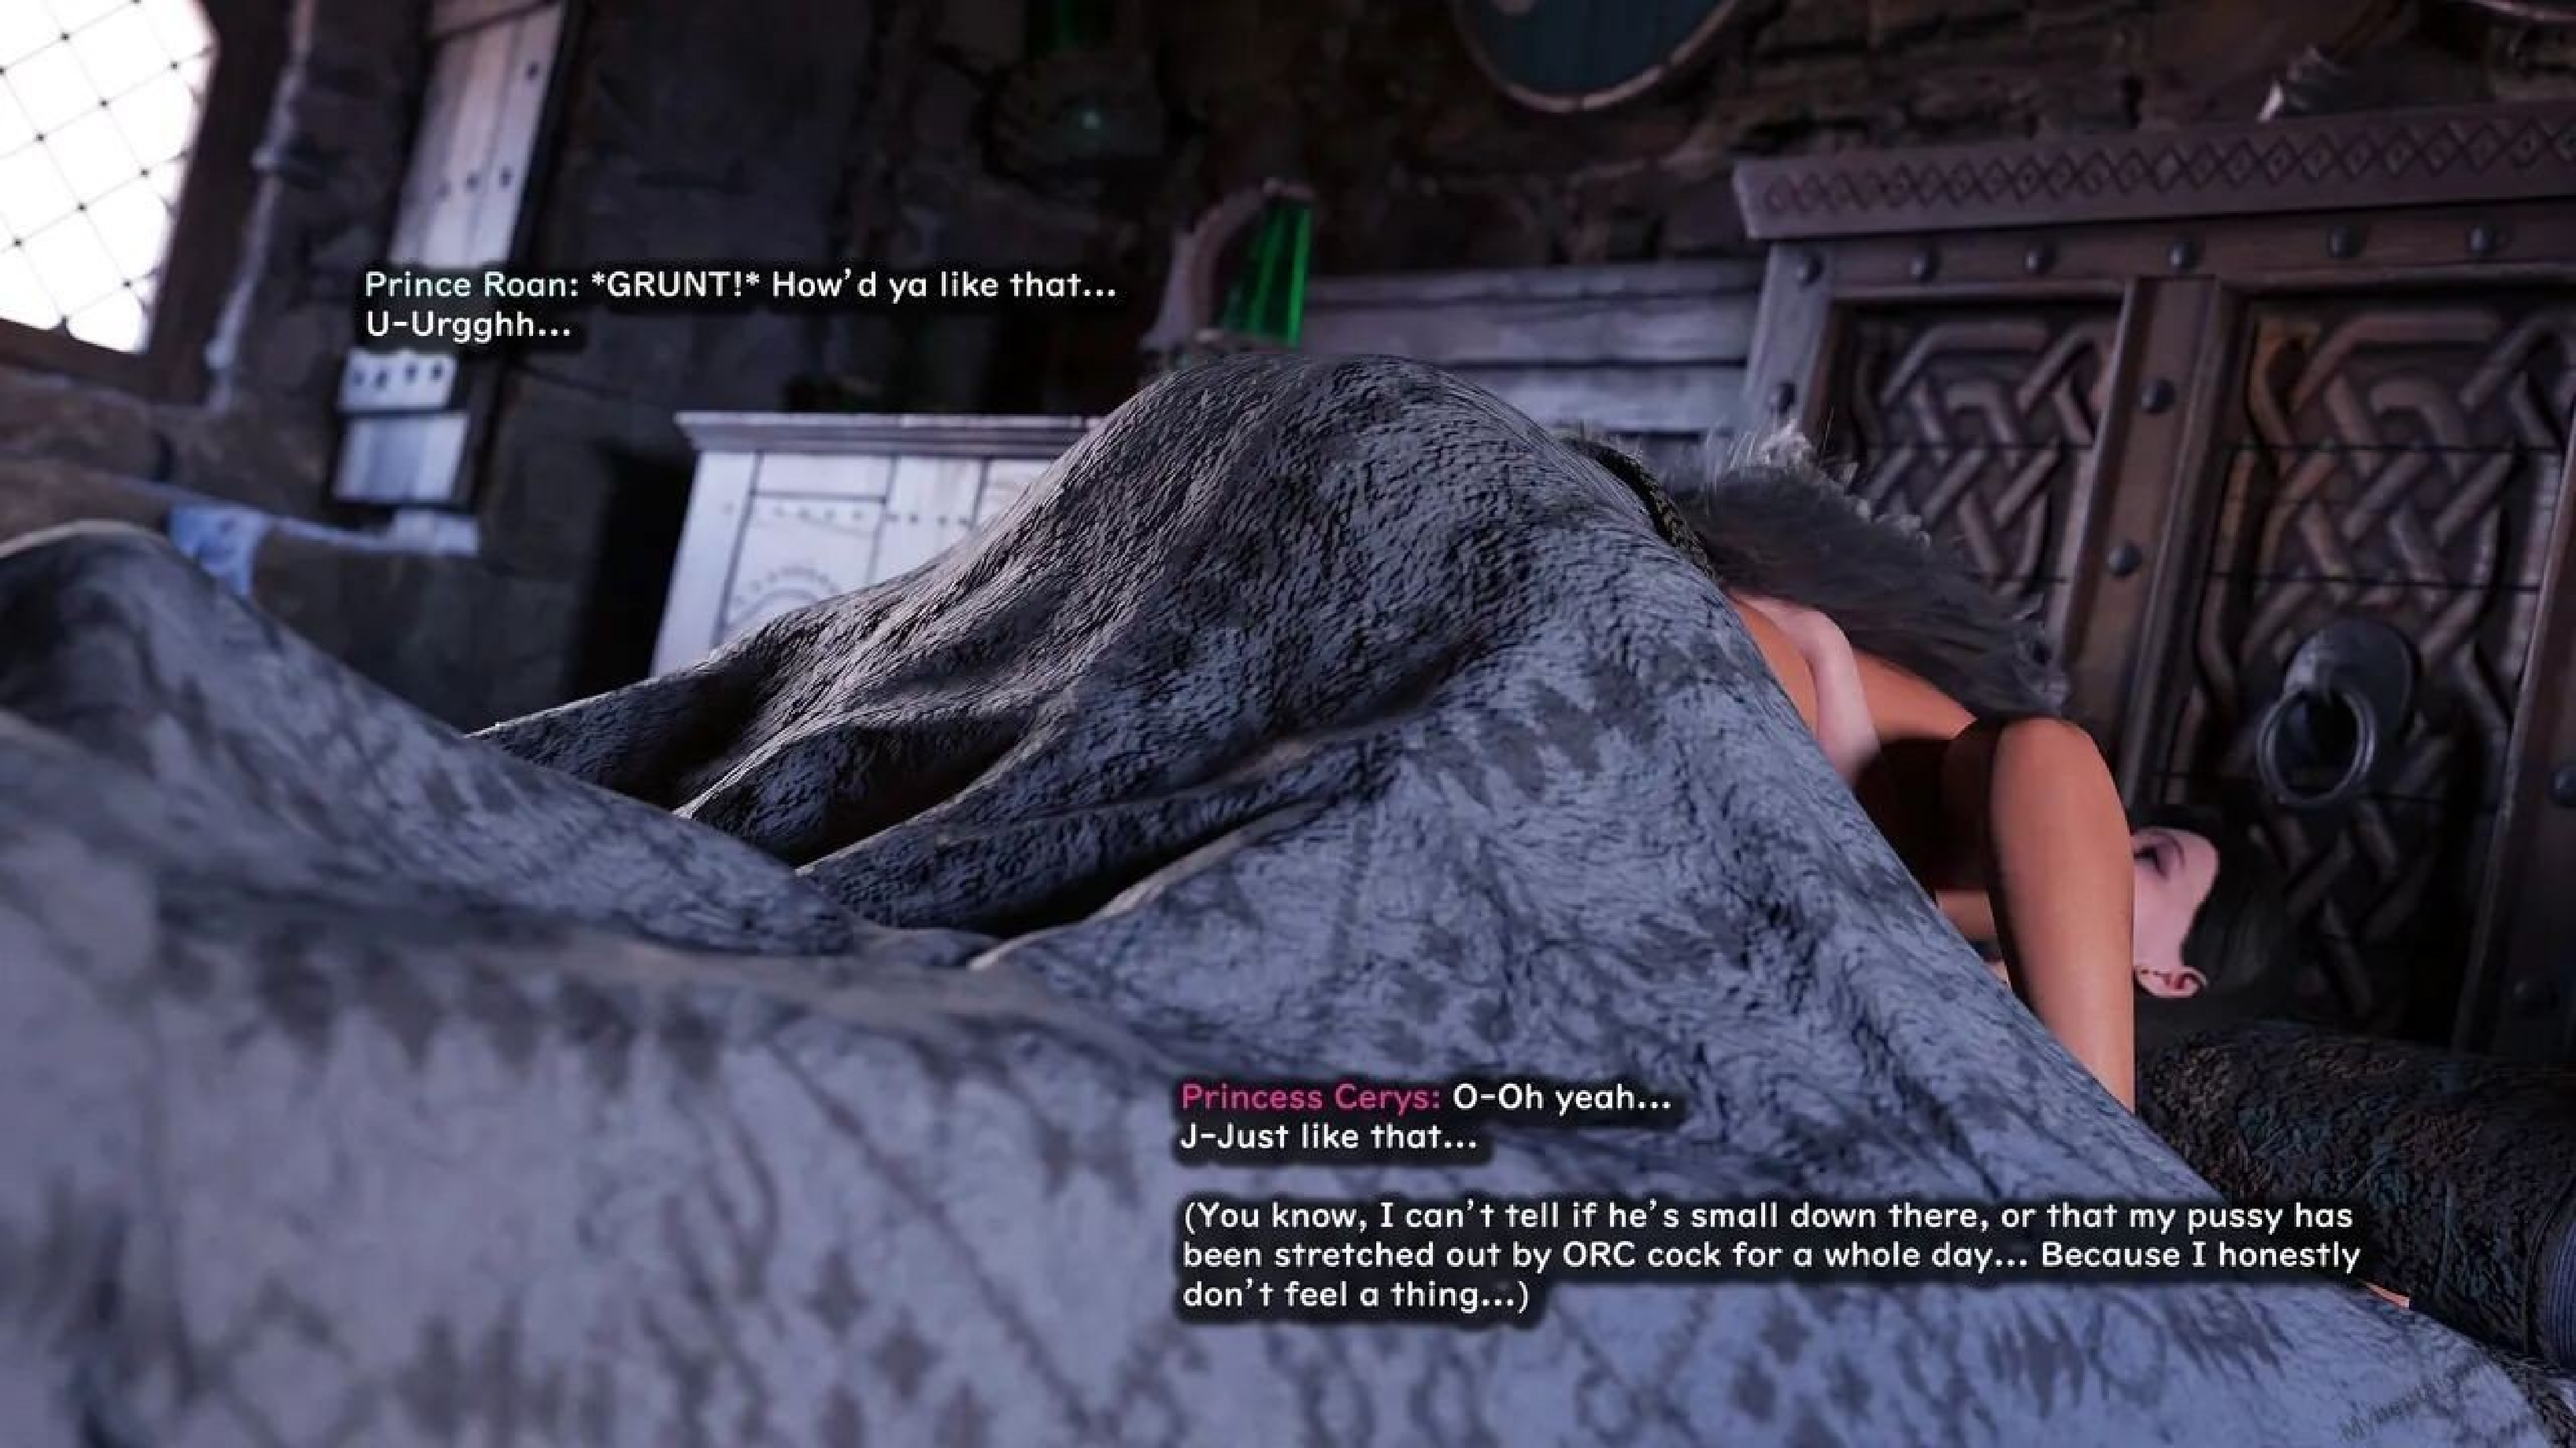

Priest: You may now kiss the bride.

Priest: Now, you will consummate the marriage by taking your new wife to your quarters to ensure a new future heir for the kingdom of Elf and Man.

U-Urgghh...
Princess Cerys: O-Oh yeah...
J-Just like that...
(You know, I can't tell if he's small down there, or that my pussy has been stretched out by ORC cock for a whole day... Because I honestly don't feel a thing...)

Prince Roan: *Groan* I-I'M CUMMING!
Princess Cerys: A-Already...? I mean, w-well done... H-Hopefully that was enough for an heir...? My prince.

Prince Roan: Amazing! So, the physician believes that you are carrying twins...?!
Princess Cerys: R-Right... So he says...
