Well, you have been a bad boy

You left a mess.

Why don't you convince me otherwise?

Otherwise, I will have to train you.

That's it, at least you are obedient.

And a very greedy boy.

My doggie didn't give you enough?

Come on, Feña.
It's bad manners
to keep looking.

You can't
deny his
offer.

That's it,
good boy.

Hey hey,
where are you
looking at?

I am the
one you should
look at.

Don't make
your master
jealous.

Ok, hold on a moment, you have been a really good boy today.

So come here

And let me take this off

mhh-AH!~
PANT PANT

Let's give you the prize that you need.

You really liked it, didn't you?

Now then...

Why don't you
make your friend
work again?

Be a good boy,
don't leave our
guest waiting.

It's a shame that
you can't touch me with
your bound hands.

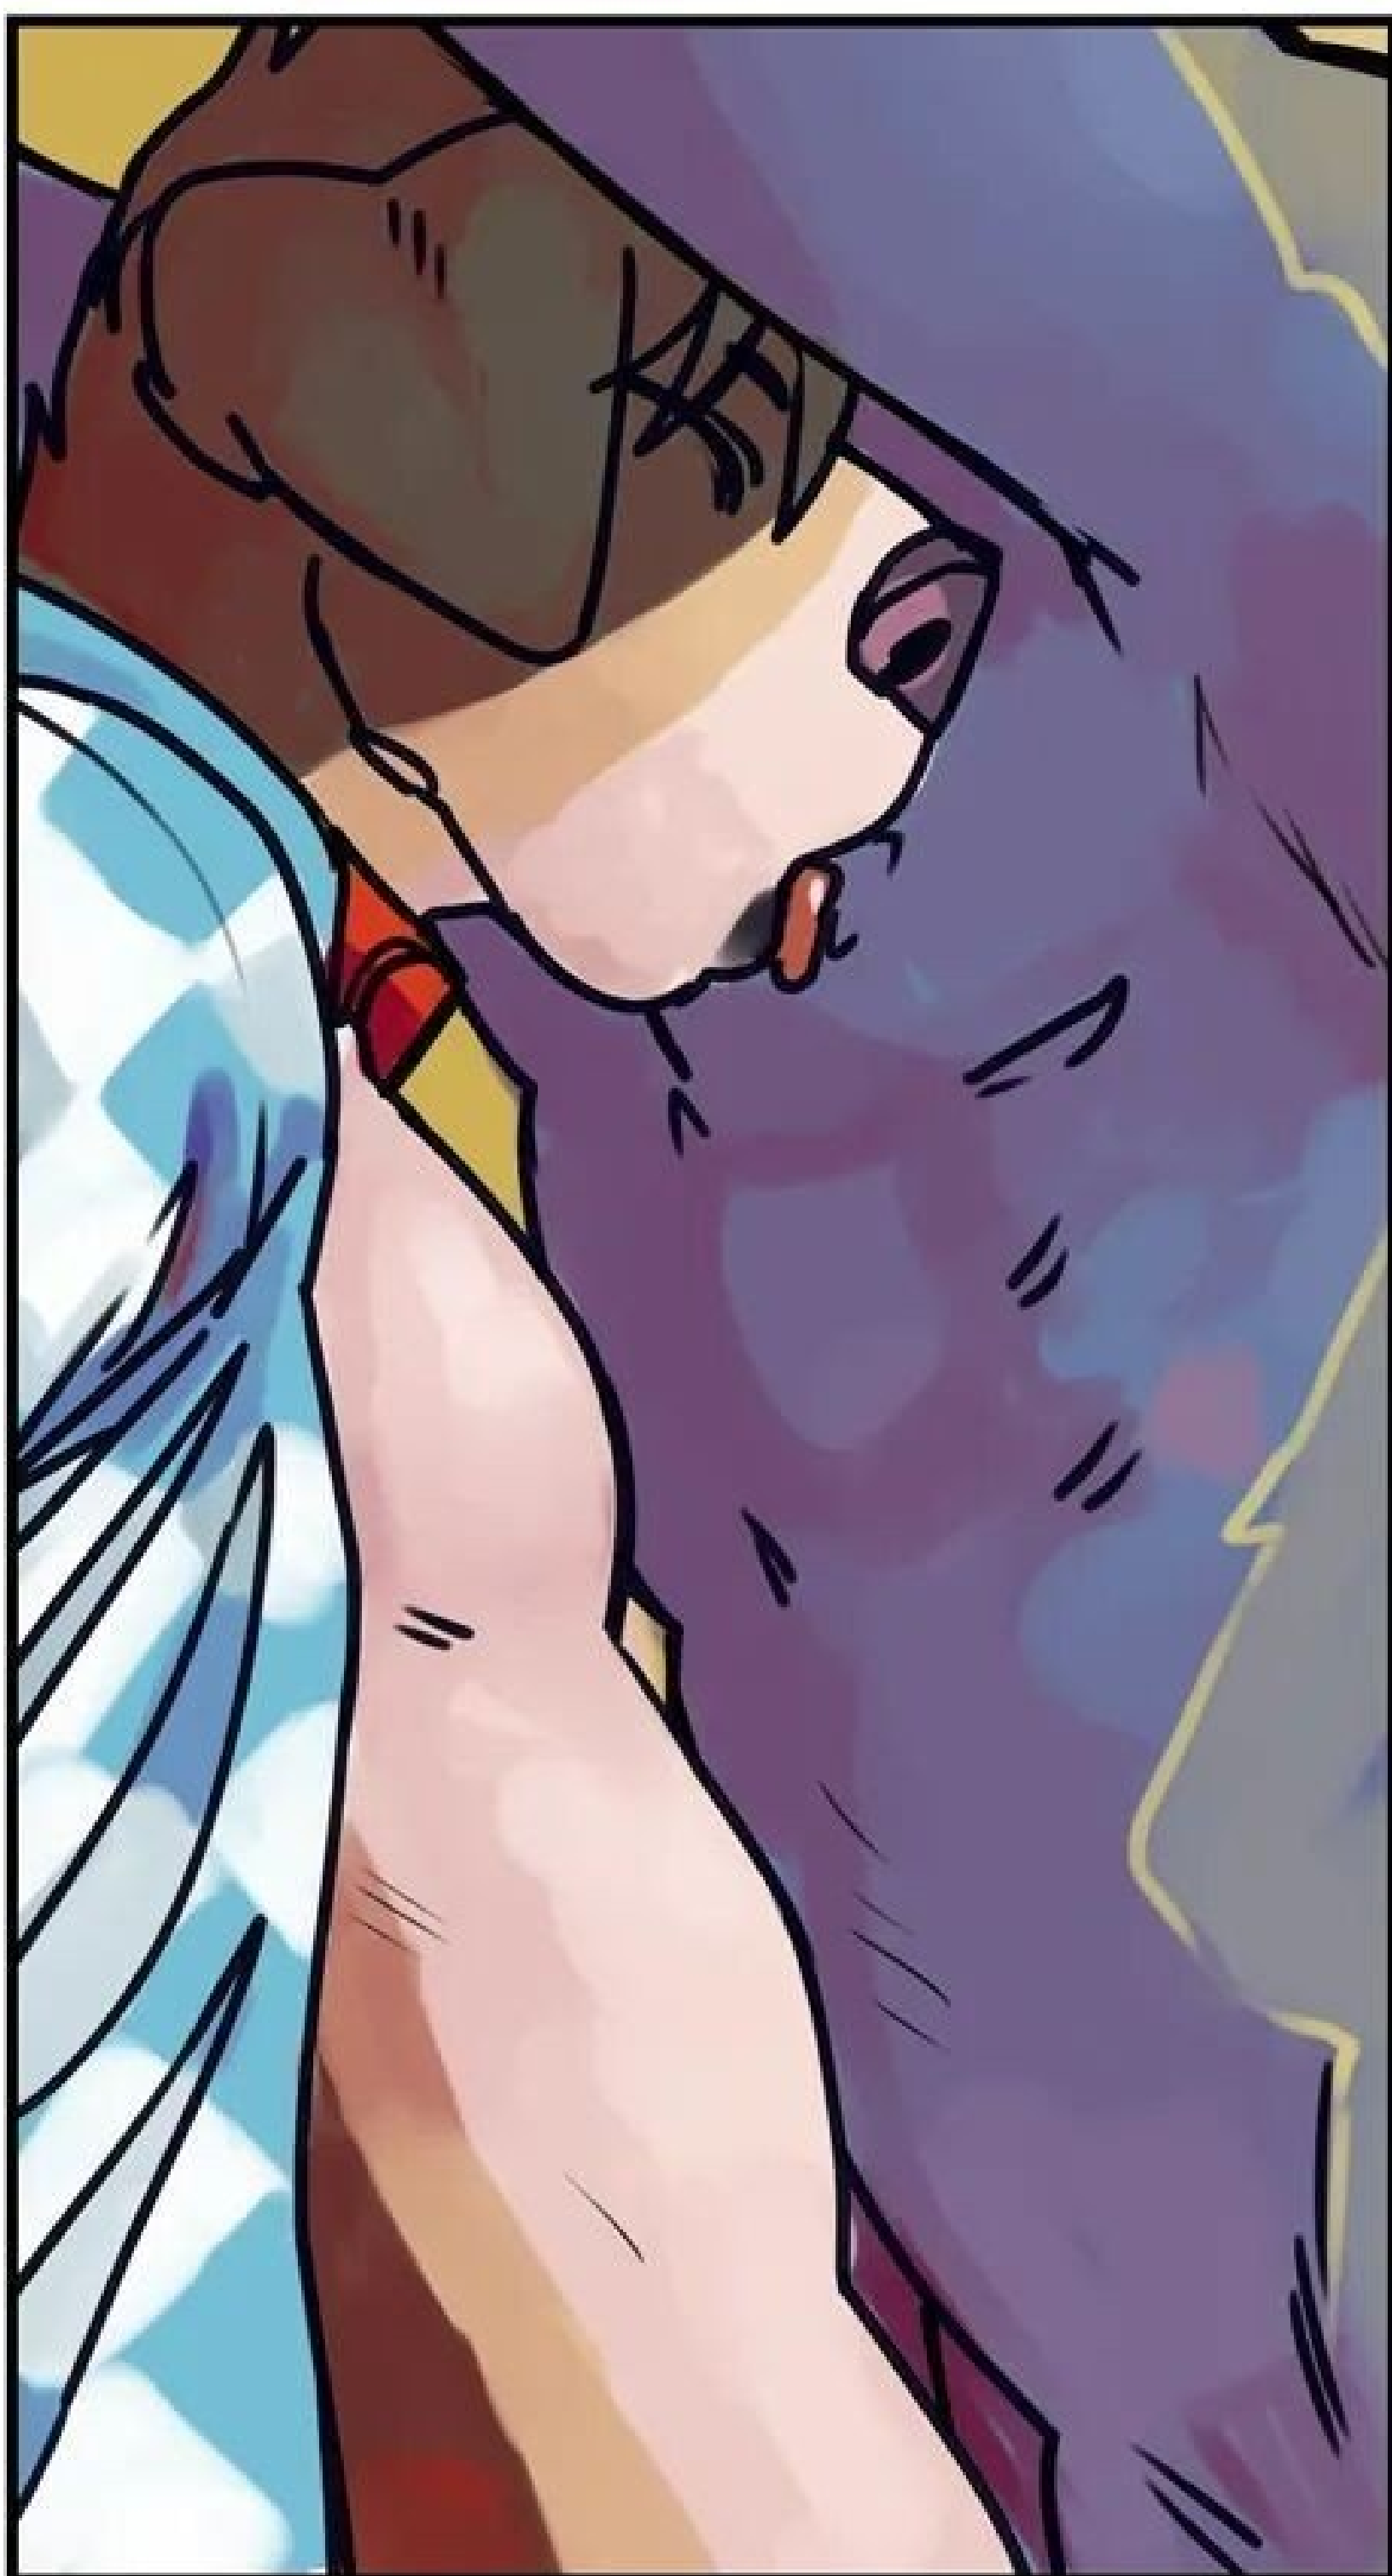

I know you'd
love to touch me.

But I know
something else
you love.

And you
don't need hands
for that.

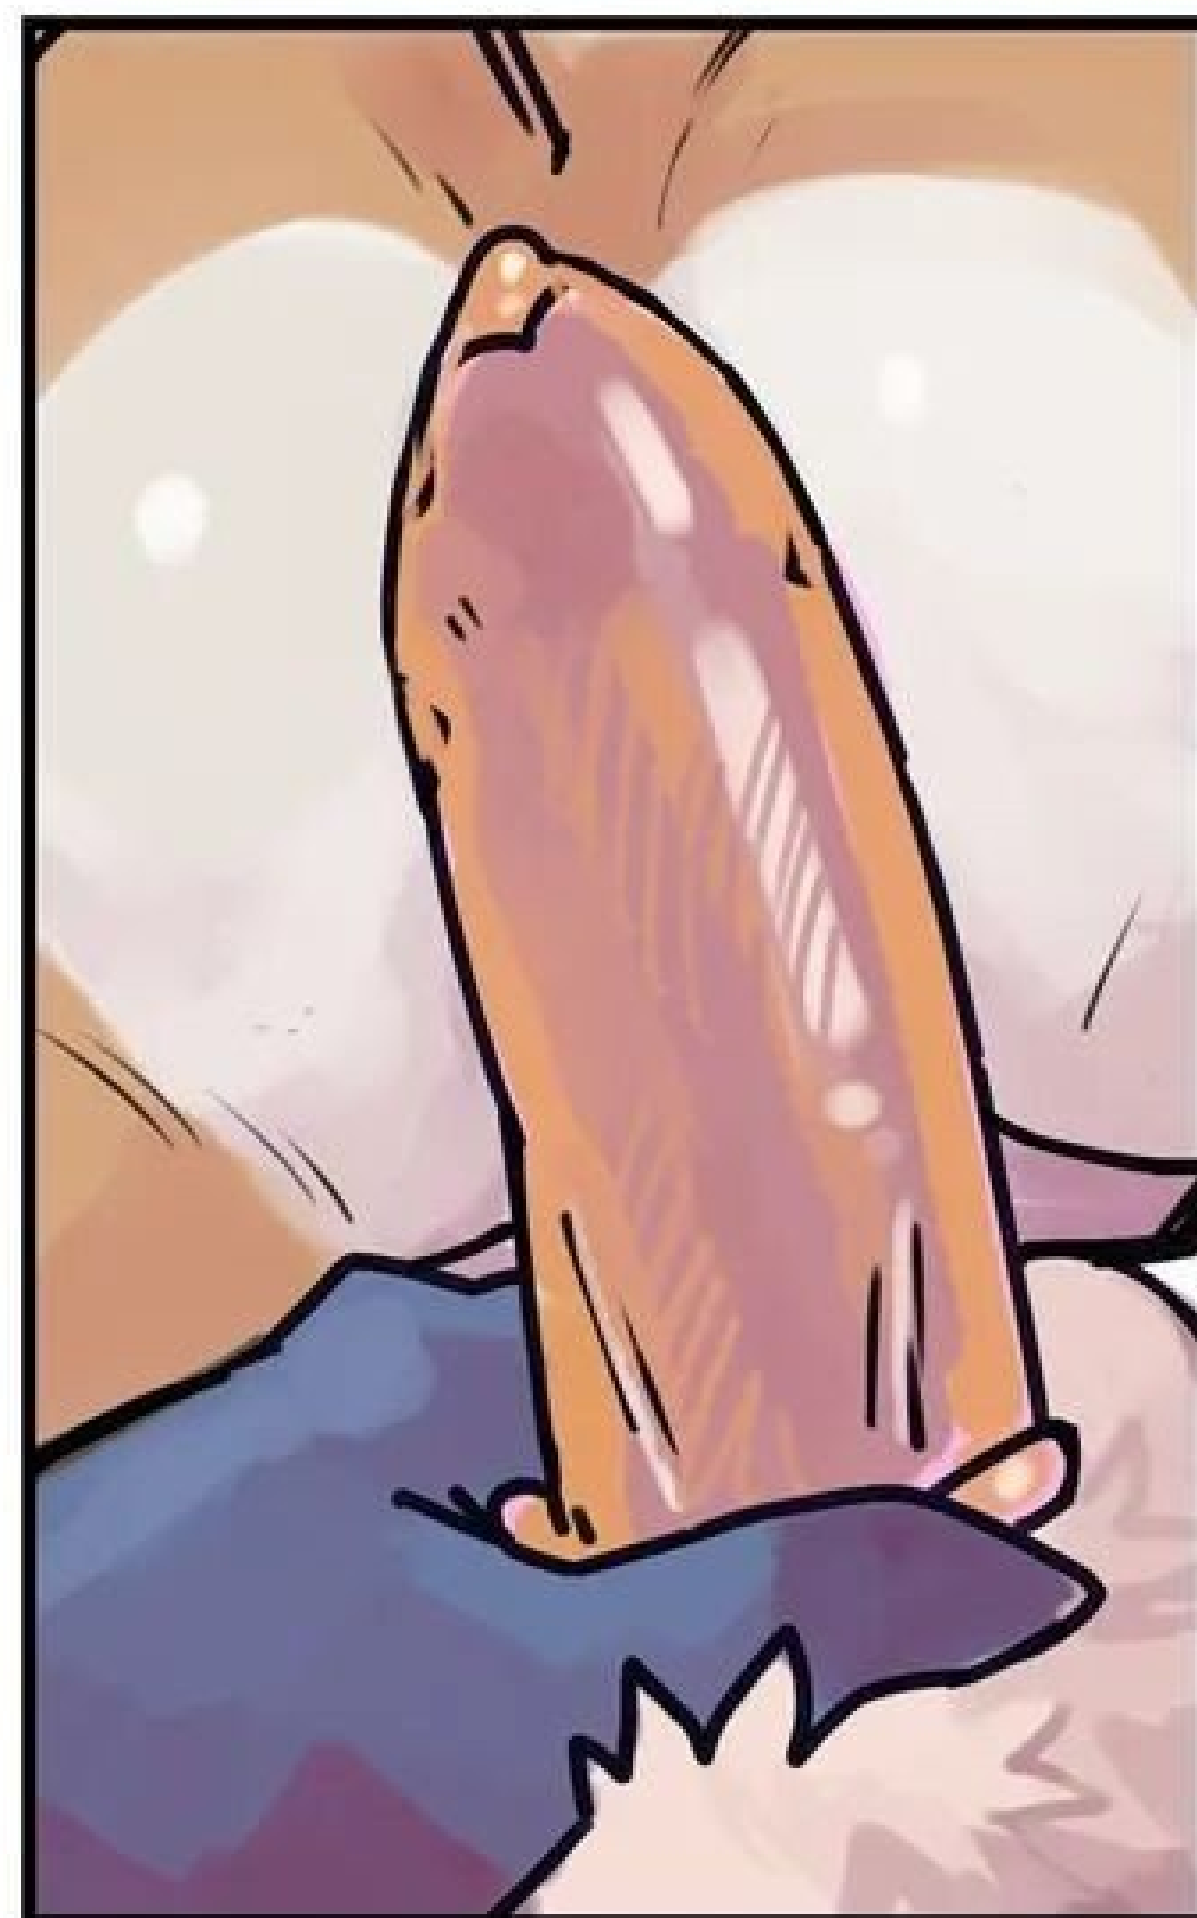

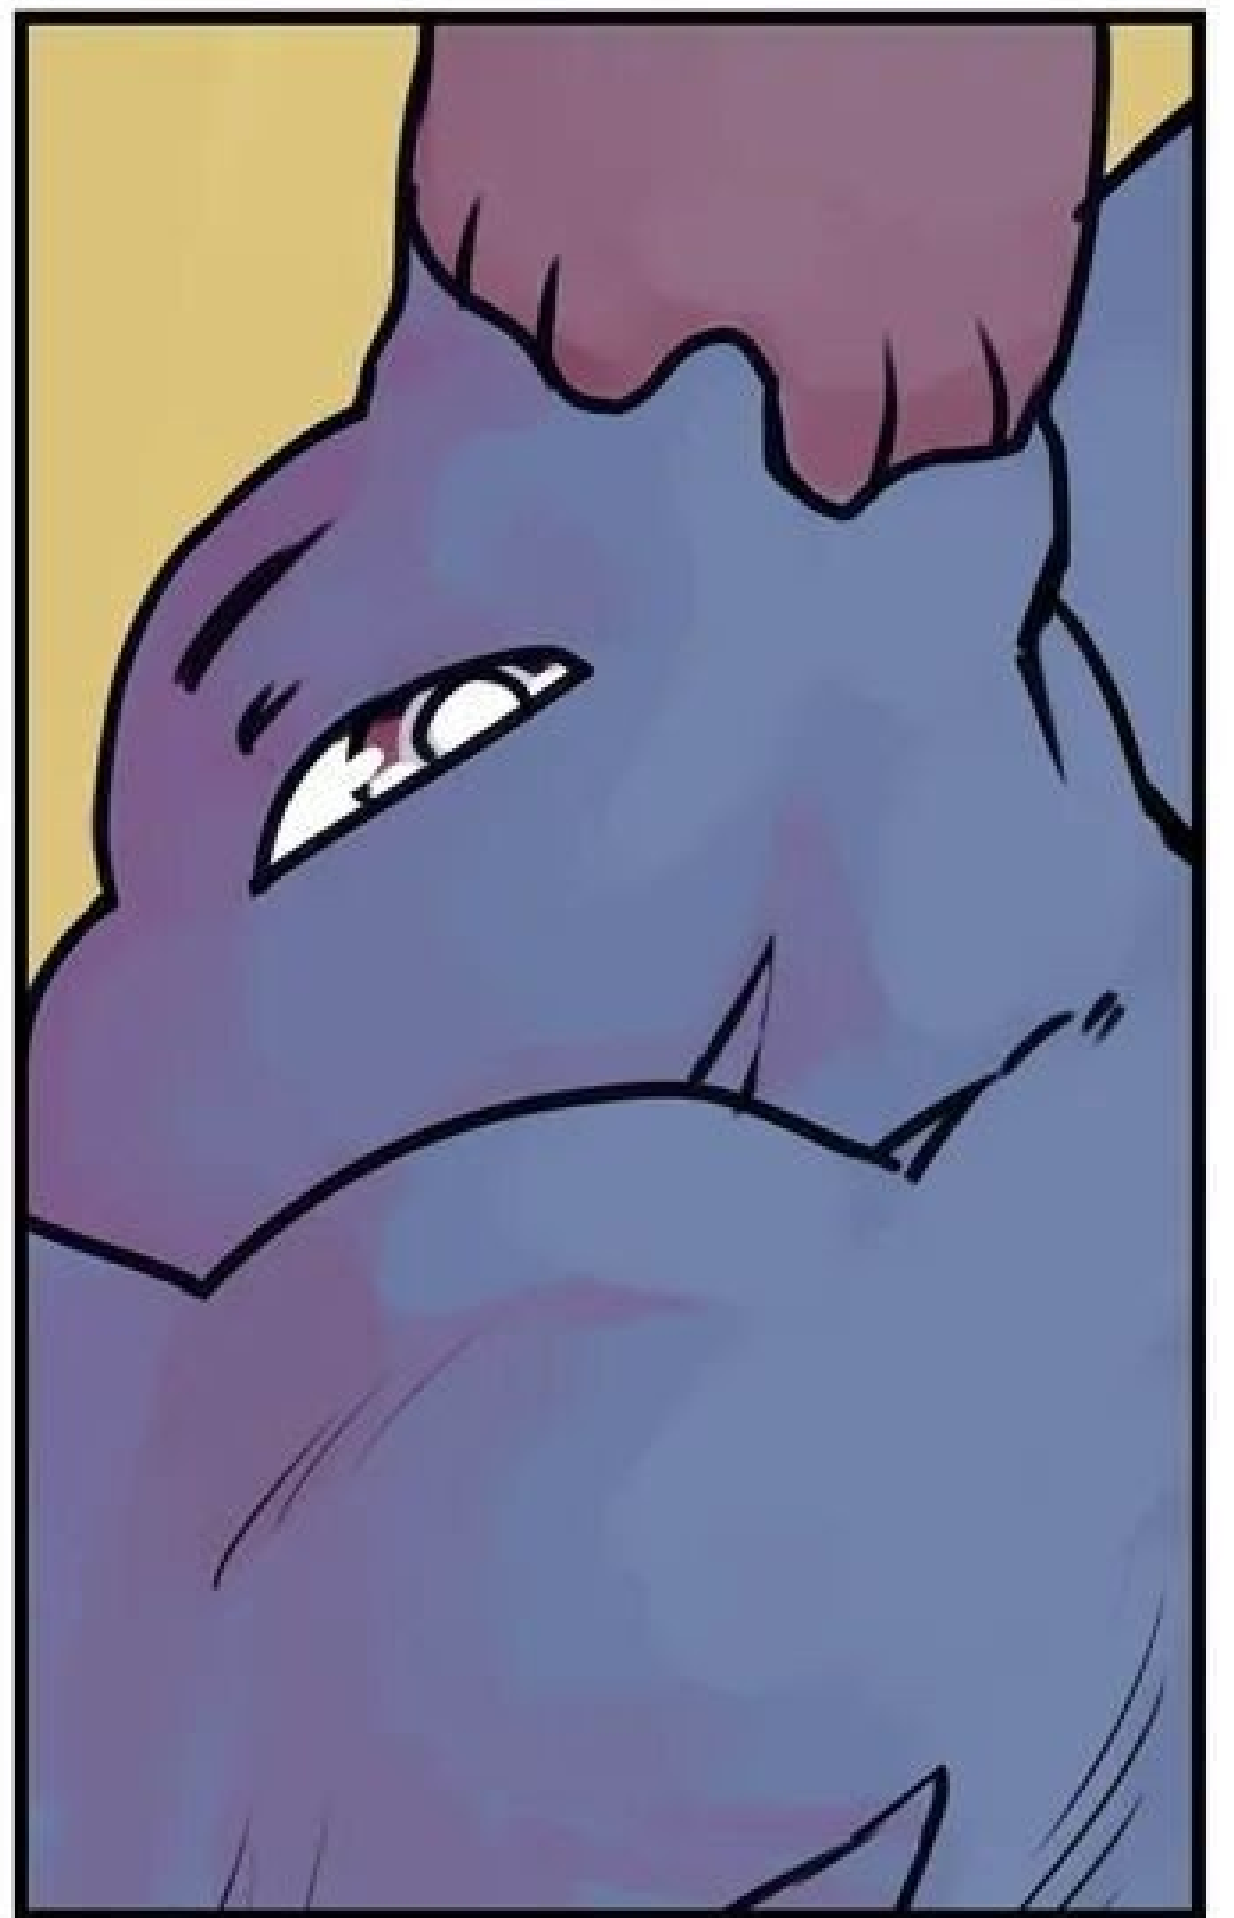

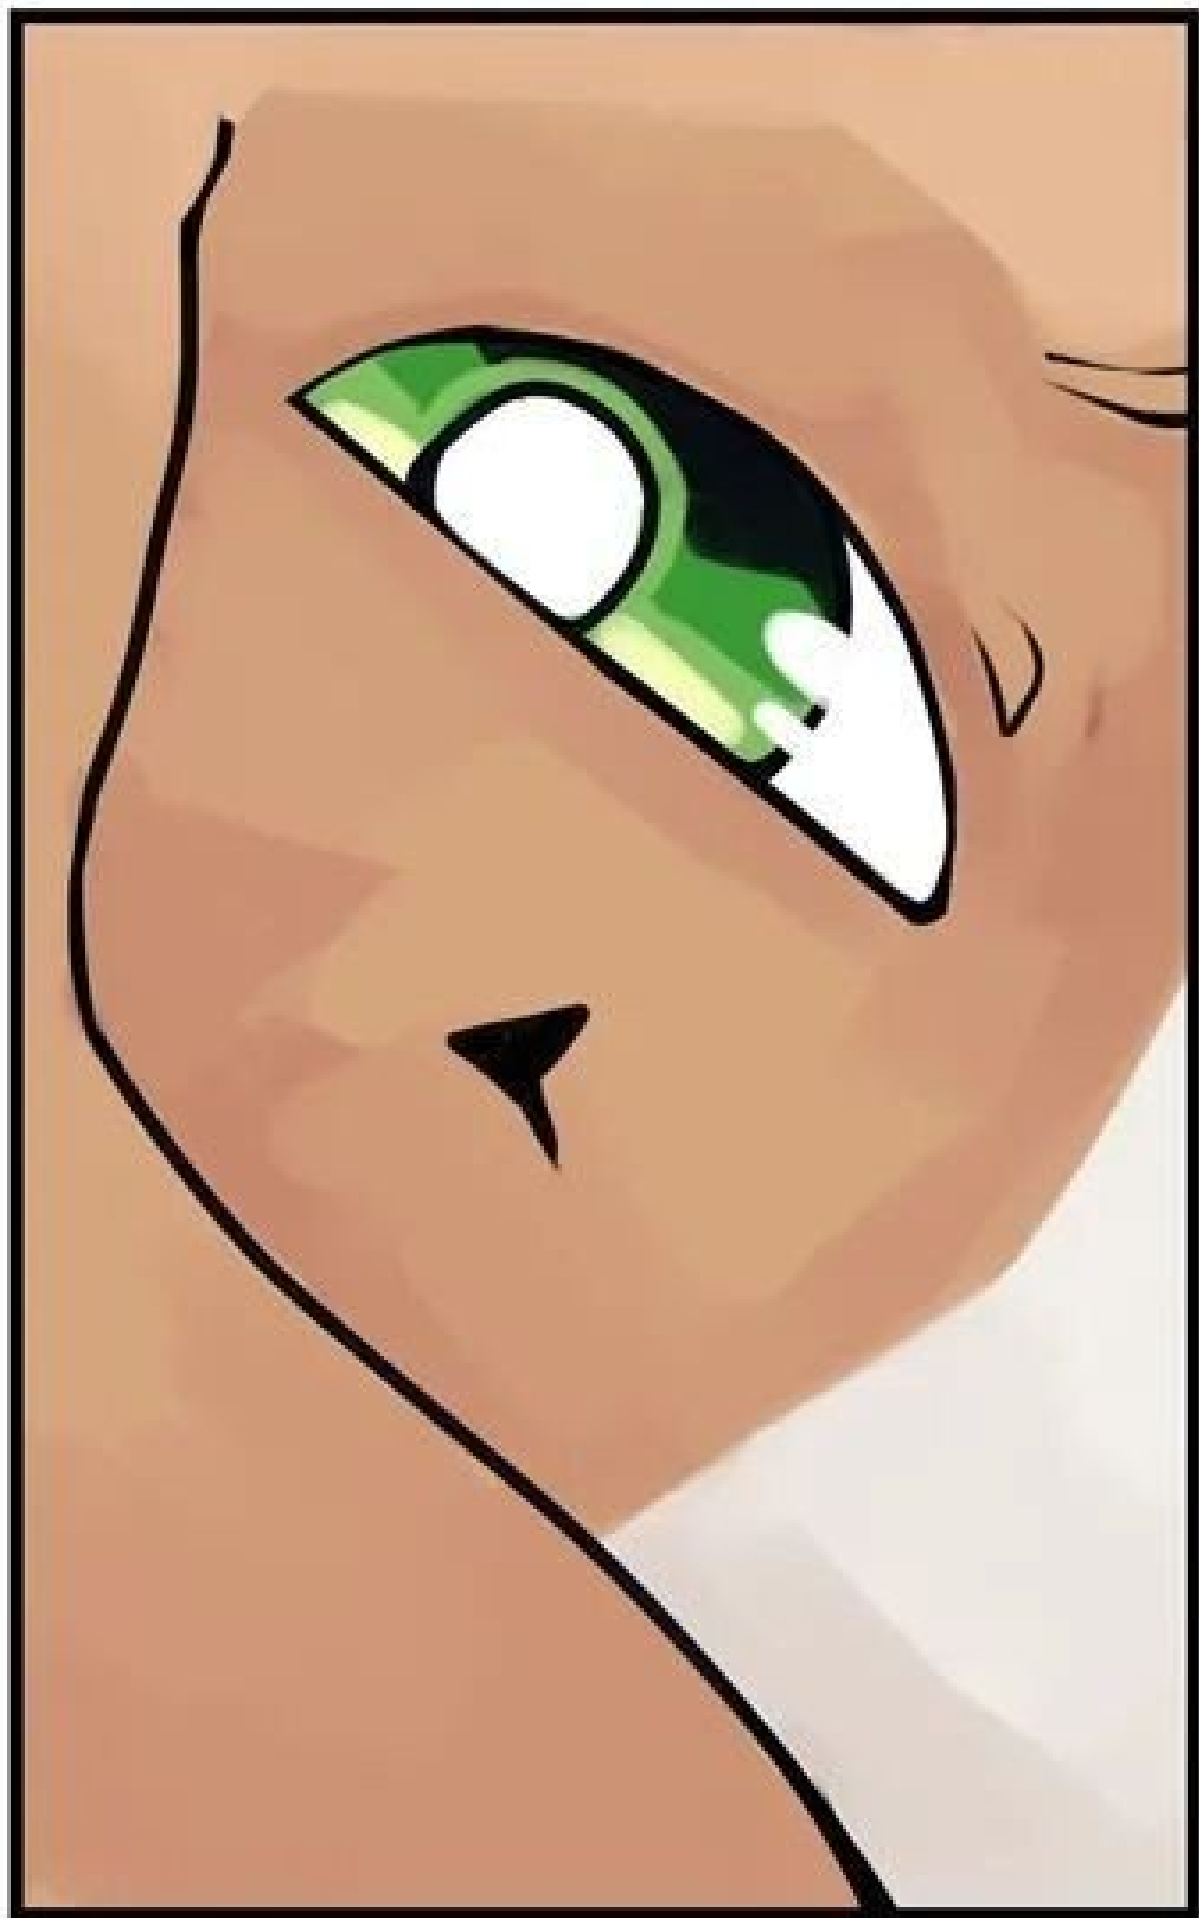

Let's see if we
accomplish something
with it.

Look at you, ready
for action again.

You like
it, huh?

More than
mine?

I-I-

What a
good boy.

Come on,
go faster.

It seems he didn't last as long as I thought.

I am a bit disappointed.

Plap!
Slhhh Slkh
Smack!
Plap plap

Oh? Is that all?

You seem exhausted.

Had enough?

If you'd like, you can take a break.

After all, I have another puppy willing to continue.

Hey, I have a better idea, why don't you use your mouths?

I know both of you know how to use it well.

Come here boy

I can only imagine how you'll make me feel
