HULK **REKT CONTROL**

THE AVENGERS HEADQUARTERS

The New Avengers Facility is the primary base of the Avengers after the defeat of Ultron, the destruction of the Avengers Tower and the establishment of the team's new roster.

During a brief, undisclosed period, the facility served as a residence for almost the entire team, including Bruce Banner (Hulk), Natasha Romanoff (Black Widow), Wanda Maximoff (Scarlet Witch), even Nick Fury and Maria Hill.

At that time, Peter Parker (Spider-Man) started receiving frequent training lessons from the team's seniors, once his aunt May got more used and approving of his alternate, heroic life.

But when super-powered people spend so much time together, some tensions may arise and, if not dealt with appropriately, can explode in powerful bursts of anger...

**MEANWHILE,
SOMEWHERE NEARBY...**

Panel 1: Spider-Man and a woman in a white shirt and black skirt are talking. Spider-Man says, "I'm so glad you're cool with me being Spider-Man and all, May." The woman replies, "Mr. Stark and Mr. Rogers should return soon, so we can meet the others while we wait." Spider-Man says, "I just want to make sure they won't get you killed, Peter."

Panel 2: Spider-Man and the woman are walking. Spider-Man says, "Wait, this hole wasn't here yesterday."

Panel 3: Spider-Man and the woman are looking at a large hole in the ground. Spider-Man says, "Oh-oh... This definitely won't help with getting your permission, will it?" The woman replies, "Is that... the Hulk?"

Panel 4: Spider-Man is looking at the Hulk, who is standing over two unconscious women. Spider-Man says, "What? No... He will smash you." The Hulk says, "MNNUGH!"

Panel 5: Spider-Man is looking at the woman, who is pointing at him. Spider-Man says, "Go get help, Pete! I'll distract him."

Panel 6: Spider-Man is running away from the woman, who is shouting, "Yoo-hoo... Mr. Green?" Spider-Man says, "Alright. Don't do anything crazy!"

Panel 7: Spider-Man is running away from the woman, who is shouting, "WHO IS YOU? HULK CURIOUS!"

Panel 8: Spider-Man is running away from the woman, who is shouting, "I don't know this place. Listen to your aunt and just go! Quick! I can handle this..."

WHY WEAK
HUMAN WOMAN
WANT HULK
BIG COCK?

HULK
CONFUSED!

Why?
You think just
because I'm not
one of your
Disney Princess
Avengers I
can't handle a
big cock?

You'd be
impressed by the
adult toys in my
eBay purchase
history.

But let's
start with that
big, green tongue
you've got
there.

HULK CAN
DO THAT!

THERE
YOU GO!

That's
a good,
big boy!

Now let's get
you hard again
so I can show
you how to--

HULK
NEVER FUCK
BOOBIES!

DAFUCK!?

HULK
CAN'T HOLD!
TOO GOOD
FUCK BOOB!

Parker
luck strikes
again...

Can't get a
proper fuck
even from the
FUCKING HULK!

HULK
PLASTER
CRAZY
WOMAN!

MEANWHILE...

Hellooo!!!

WHERE THE HELL IS EVERYONE!?

I NEED HELP!
WE'VE GOT A
NAKED HULK
AT LARGE!

MR. FURY?

MS. HILL?

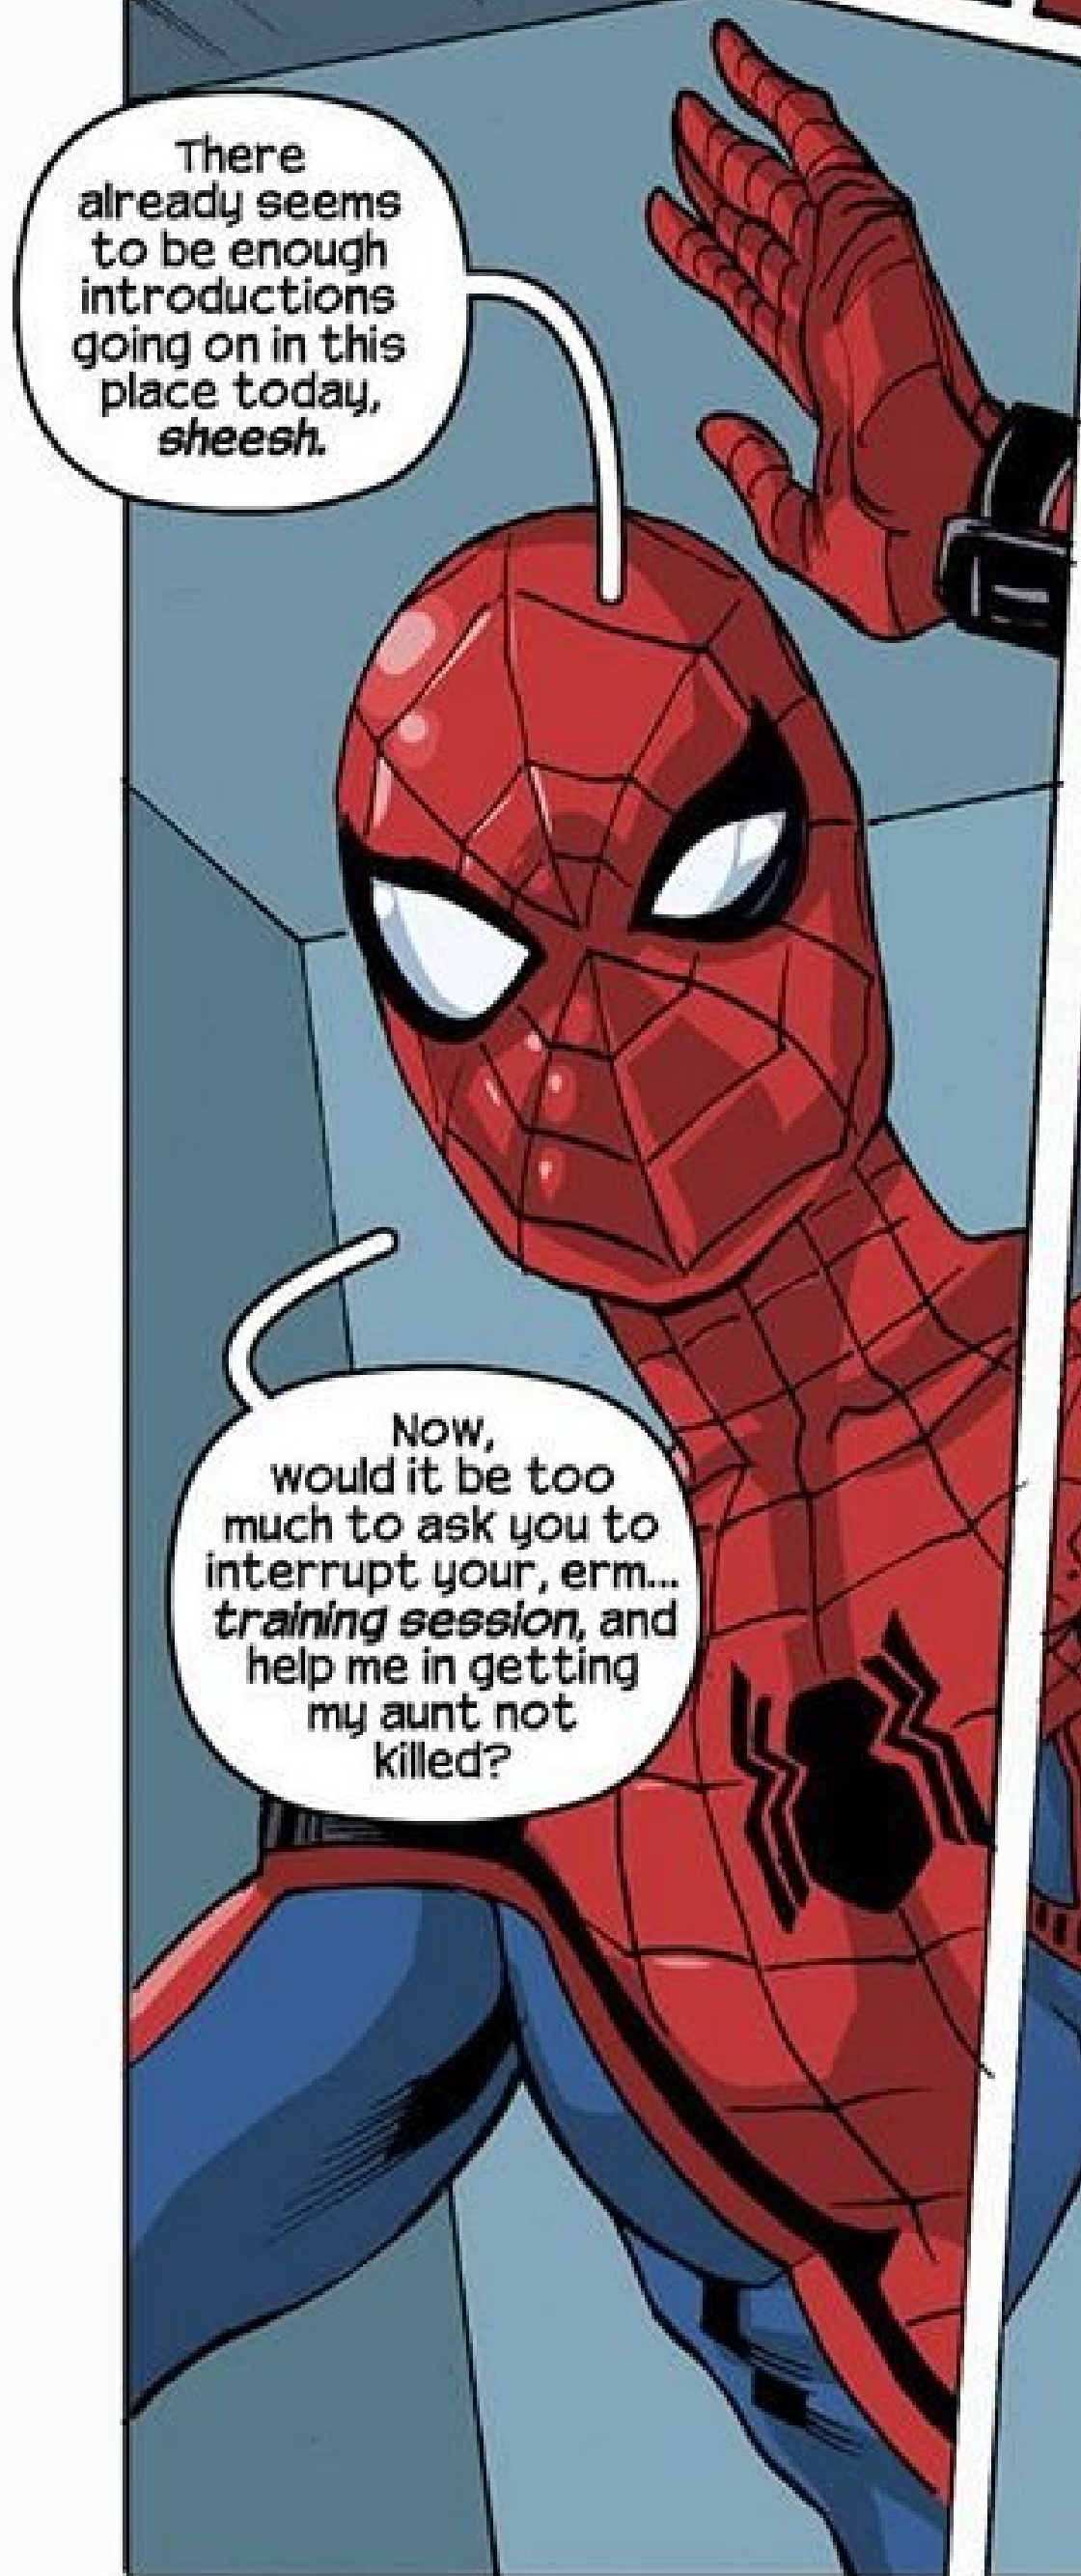

Goddamn,
Maria! Why do you
keep leaving the
fucking doors
unlocked?

I'm starting
to think you're
doing it on
purpose after
the *seventh*
time!

Shhh, Nick!
Hey, kid...
It's Parker,
right?

We
haven't been
introduced
yet.

But
that can be
arranged right
now, if you
want.

There
already seems
to be enough
introductions
going on in this
place today,
sheesh.

Now,
would it be too
much to ask you to
interrupt your, erm...
training session, and
help me in getting
my aunt not
killed?

What a pity...
Anyway, take this.
It should solve
whatever *Hulk*
problems you
might be having.

What the--
A pager?

Are we in the
90's or something?
I thought the
Avengers had state
of the art tech, not
vintage electronic
equipment.

Just press
the fucking
button!

Okay, then...
Here goes
nothing...

THEN...

BRUCE BANNER!
What the fuck
do you think
you're doing?

Let that
fragile, helpless
woman go and
I'll drain all that
anger right
of you.

FWAAP
ANOTHER
WOMAN?

TIGHTEST
ASSHOLE
EVER FUCK!

That's right,
Big Guy! And you
won't find
anything tighter
than that in this
side of the
galaxy.

You'll have
to fuck that
as hard as you
can, Greenie!

Not fragile,
you bitch, but
you're right
about being
helpless.

The way
things are
going, I'll end
up having to
convince
Peter to
fuck me.

HULK
SECRET,
ALWAYS
HORNY!

MINUTES
LATER...

Hmm...
It appears the
decision to have
more women in
the team was
the right one.

What
about
my aunt?

Oh, she has
proven herself
worthy of being
an honorary
member.

Probably
worthy enough
to even handle
Thor's Hammer,
if you ask me.

HULK HEAR,
HULK DO!

HOLY SHIT!
No wonder
they call you
INCREDIBLE!

THE END.
