Chapter 7

"Next morning, gnomes were to go to their hole to bring Snow White their treasure as a present. Meantime, Snow White stayed alone in the house."

WOW!

- Damn it, it's so boring.
Nobody is here yet
to fuck.

PFLCH!

- My pussy is so beautiful.
How will it live without
caress?

YUM!

- Somebody could
stay. We would fuck
for mutual pleasure.

"Snow White decided to play with her pussy for having fun."

- My tender pussy
had been created for
pleasure, no doubt.

- Ahhh!
How it's great –
to fuck! I like it.

SLP!
SLPP!

- Ough! Why did
nobody stay with me?
I so want to fuck. Ohh!

- I wanna something
hard. I wanna a thick
cock. AAAA!

WPS!

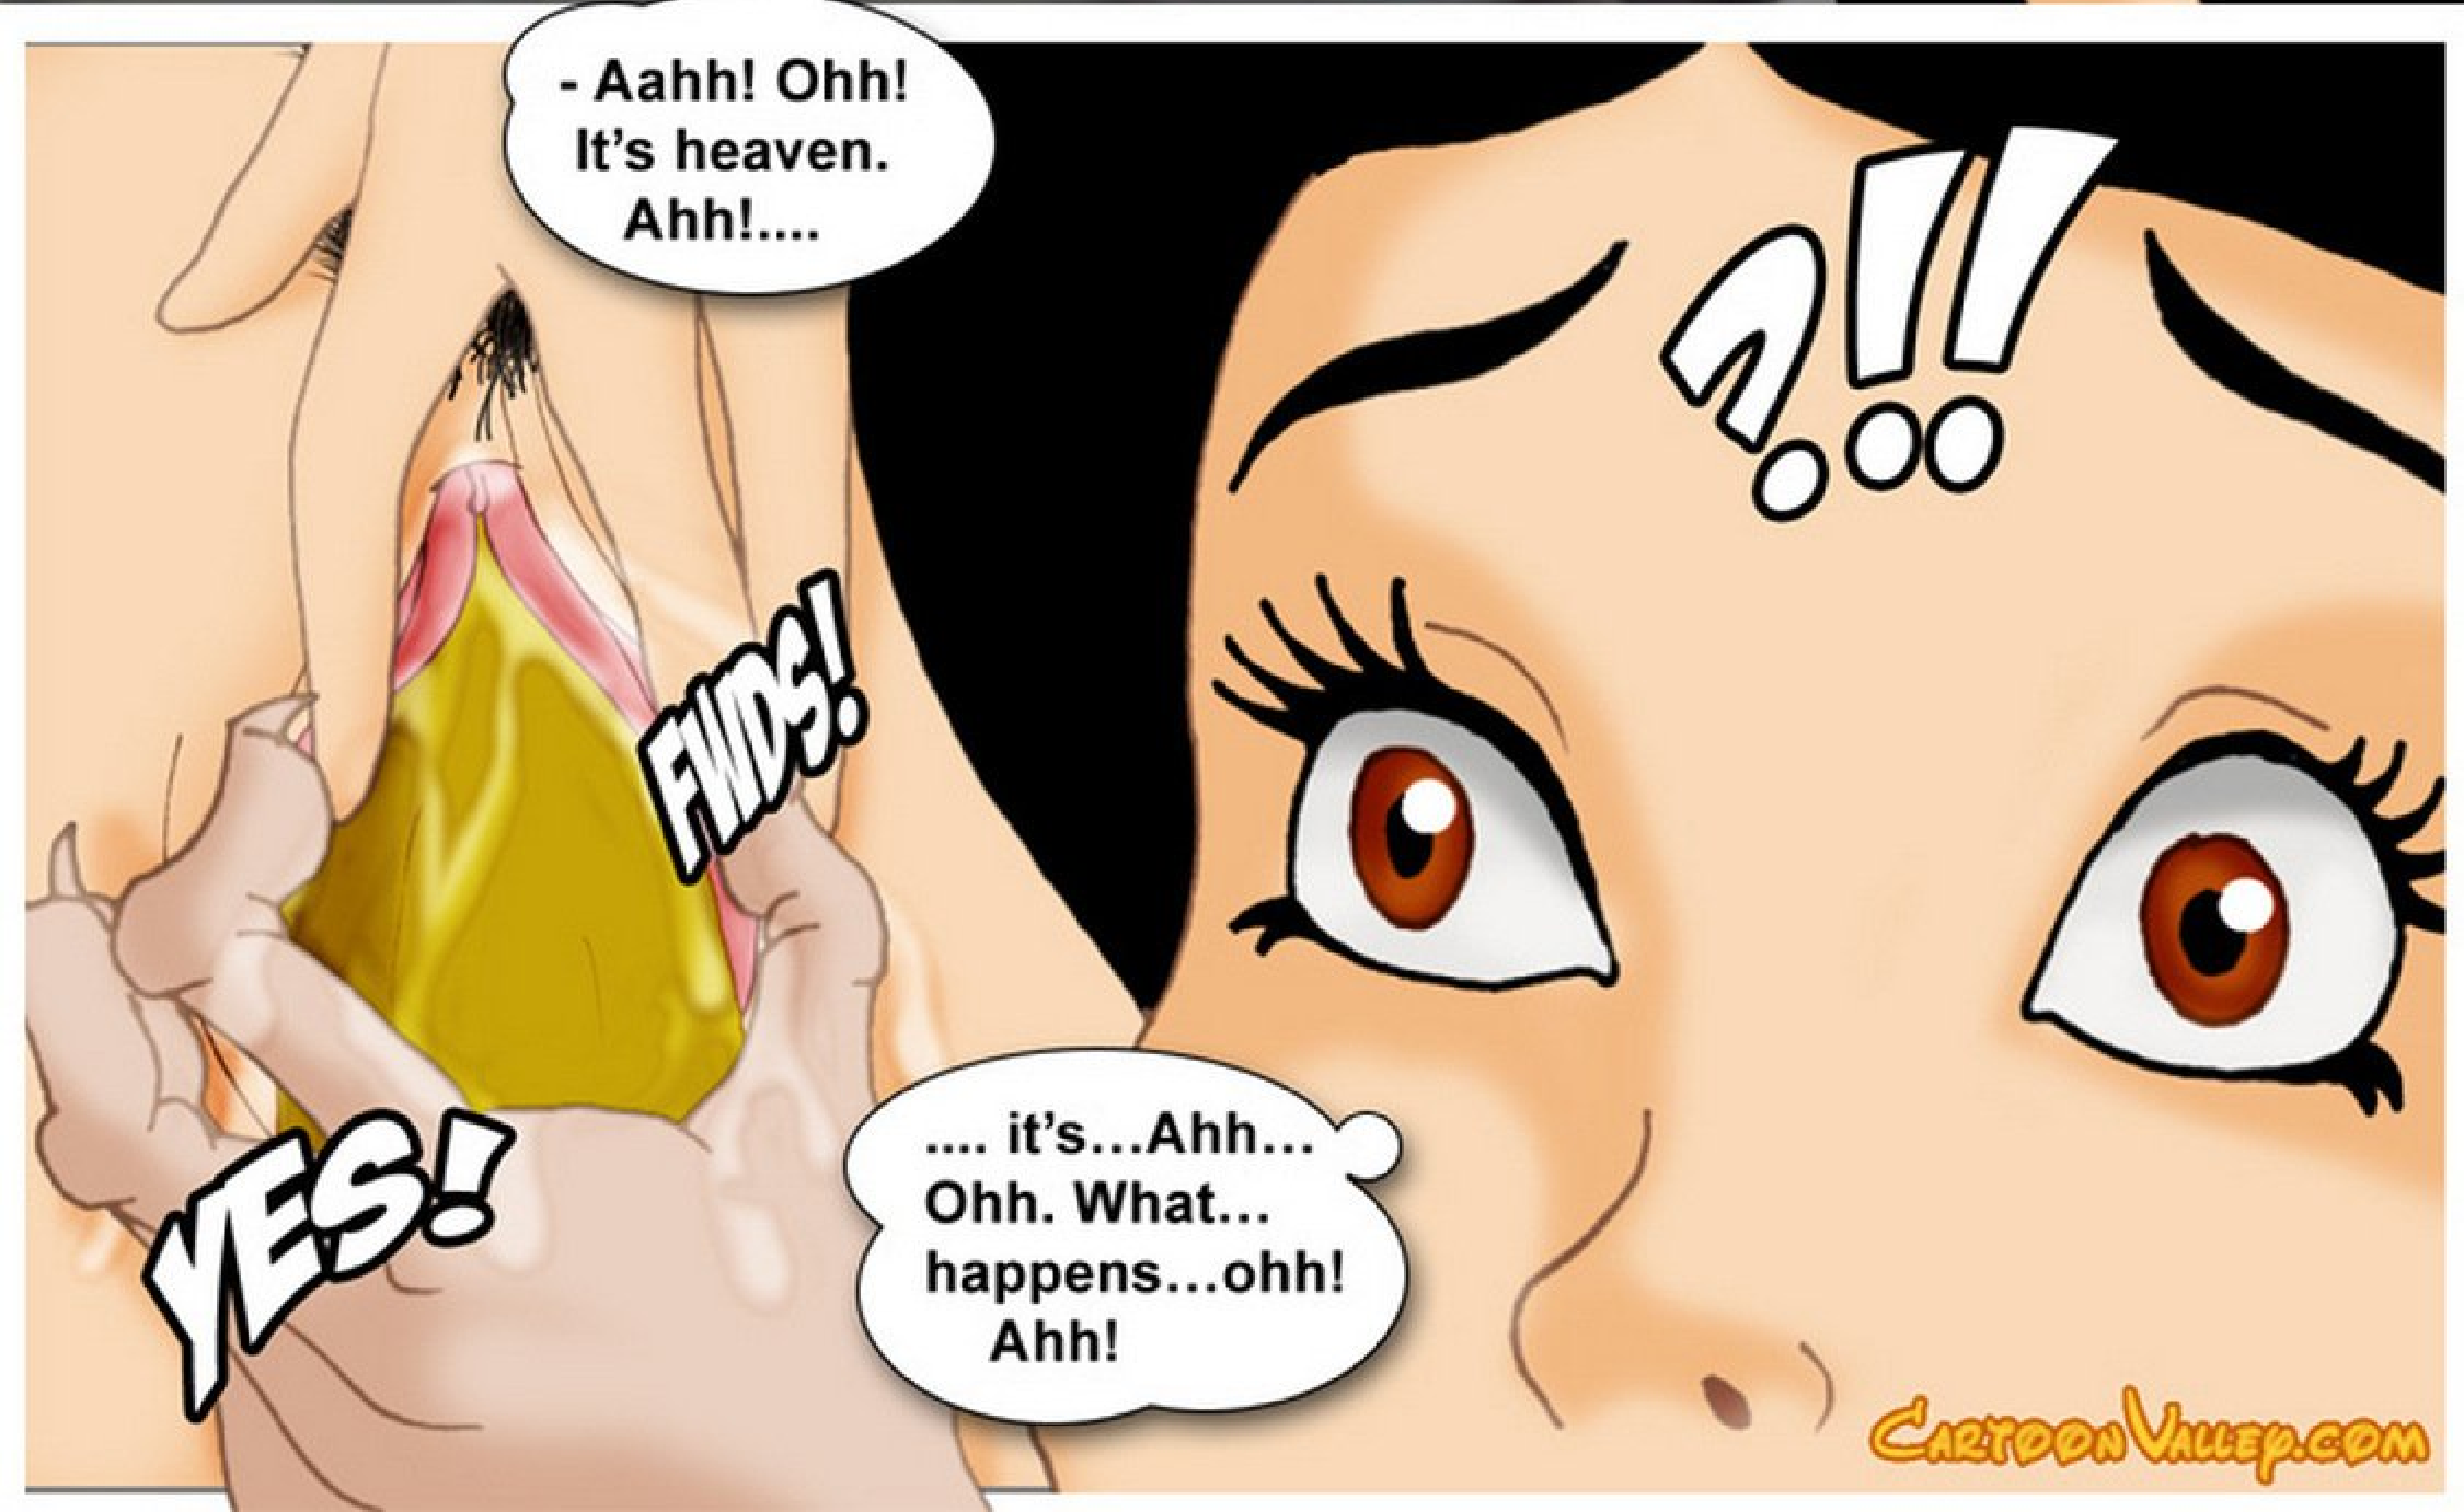

- Oh! Who
are you?

- Will I help you,
beautiful girl?

"Snow White had no noticed an old woman, who came
up to house, and so she got frightened a little."

"Old bag was happy because of Snow White's death. She burst out laughing and turned stepmother queen."

AAAAAA...OOOOO...HMMM...

FLOK...

- He-he-he!
Dirty slut! You're
dead finally!

- Nobody will be on my
way now. All of the
fuckers will be mine.
He-he-he!

- That's all. I must
go away while the
dirty FAGS are
out.

HA-HA!

- Good queen is the fucked up queen!

OH! NOO!

- I hold her!

STPS!

PLOPS!

- Let me fuck her.
Let's fuck her to death.

FWD!

FWDs!

FRISHH!

AHHH! NOOO!

"Gnomes caught the wicked queen. As they were as angry as all get-out, so they were fucking her forcedly until she's dead."

"Then gnomes put Snow White in the crystal coffin and carried to a mountain to bury."

KHEH...

- Shit! I didn't fuck Snow White. Why did not I listen to you?

- Yes, Grumpy. And you'll never fuck her anymore.

"Meantime, a handsome prince was going by this place. He was seeking for Snow White everywhere, and now he'd seen her dead asleep and surrounded by crying gnomes."

OH! FUCK!

- Is Snow White dead?

- Yes! And only who had broken her cherry could revive her. But it were not we.

- Oh. It was me, I broke her cherry.

- What are you waiting for, prince?
Fuck her and she'll wake up.

Yeah!
Fuck her!

- Oh! How long I was sleeping.

PLCHS!

WOW!

- You could sleep much longer, Snow White, if I didn't arouse you.

E-HEY!!

WDS!

- Really?
Then fuck me stronger. I'm not going to fall asleep again.

"And they start fucking surrounded by dancing gnomes."
