

WHO'S
IN CHARGE
HERE?

Nurse Alex Wheeler has a secret. Within her body lies the power of *STELLAR* the Amazonian superheroine!

Sigh
A Killer shift today, and a killer
DOUBLE shift tomorrow. Who'd be a
nurse? I need some 'me' time.

Or
maybe even some 'me
and a fit guy' time...

I've
been feeling so
horny at work! I
keep sneaking off at
break to slip my
hand down my
knickers...

Mmm...
Dr Hendry...

'He drives
me wild!
I want him
inside me so
badly...

OOHH!

Oohhh
THIS badly?
My pussy's
THROBBING!
I-I think I'm
gonna **CUM!**

No... this feeling,
it's not an orgasm... it's
something else! Ohh God
It **CAN'T** be!

It is!
My muscles are
growing, my tits are
getting bigger - I'm
changing! There's no
mistaking it!

Can't control myself

Can't **STOP**
myself!

aahh

OOOARRGGHH!

YES!

YES!

Alex?! What's all that noise? Who've you got in there with you!

Nobody Hon! Just sat down on a bedspring too quick, that's all!

Bedspring my ARSE! Dirty cow...

Sorry Jasmine! Got a bit carried away there. God, that felt so fucking HORNY! I-

Wait... Ooohh...

Body's Tingling.

I'm changing back

But I didn't want it to happen!

What's going on with me?

Who's in charge here?
