

OW  
OW  
OW  
OW...

Hm?  
What's wrong?

My stomach  
hurts, can you  
climb inside and  
fix it?

Eh?

I don't think that's  
going to work.  
Wouldn't it hurt more?

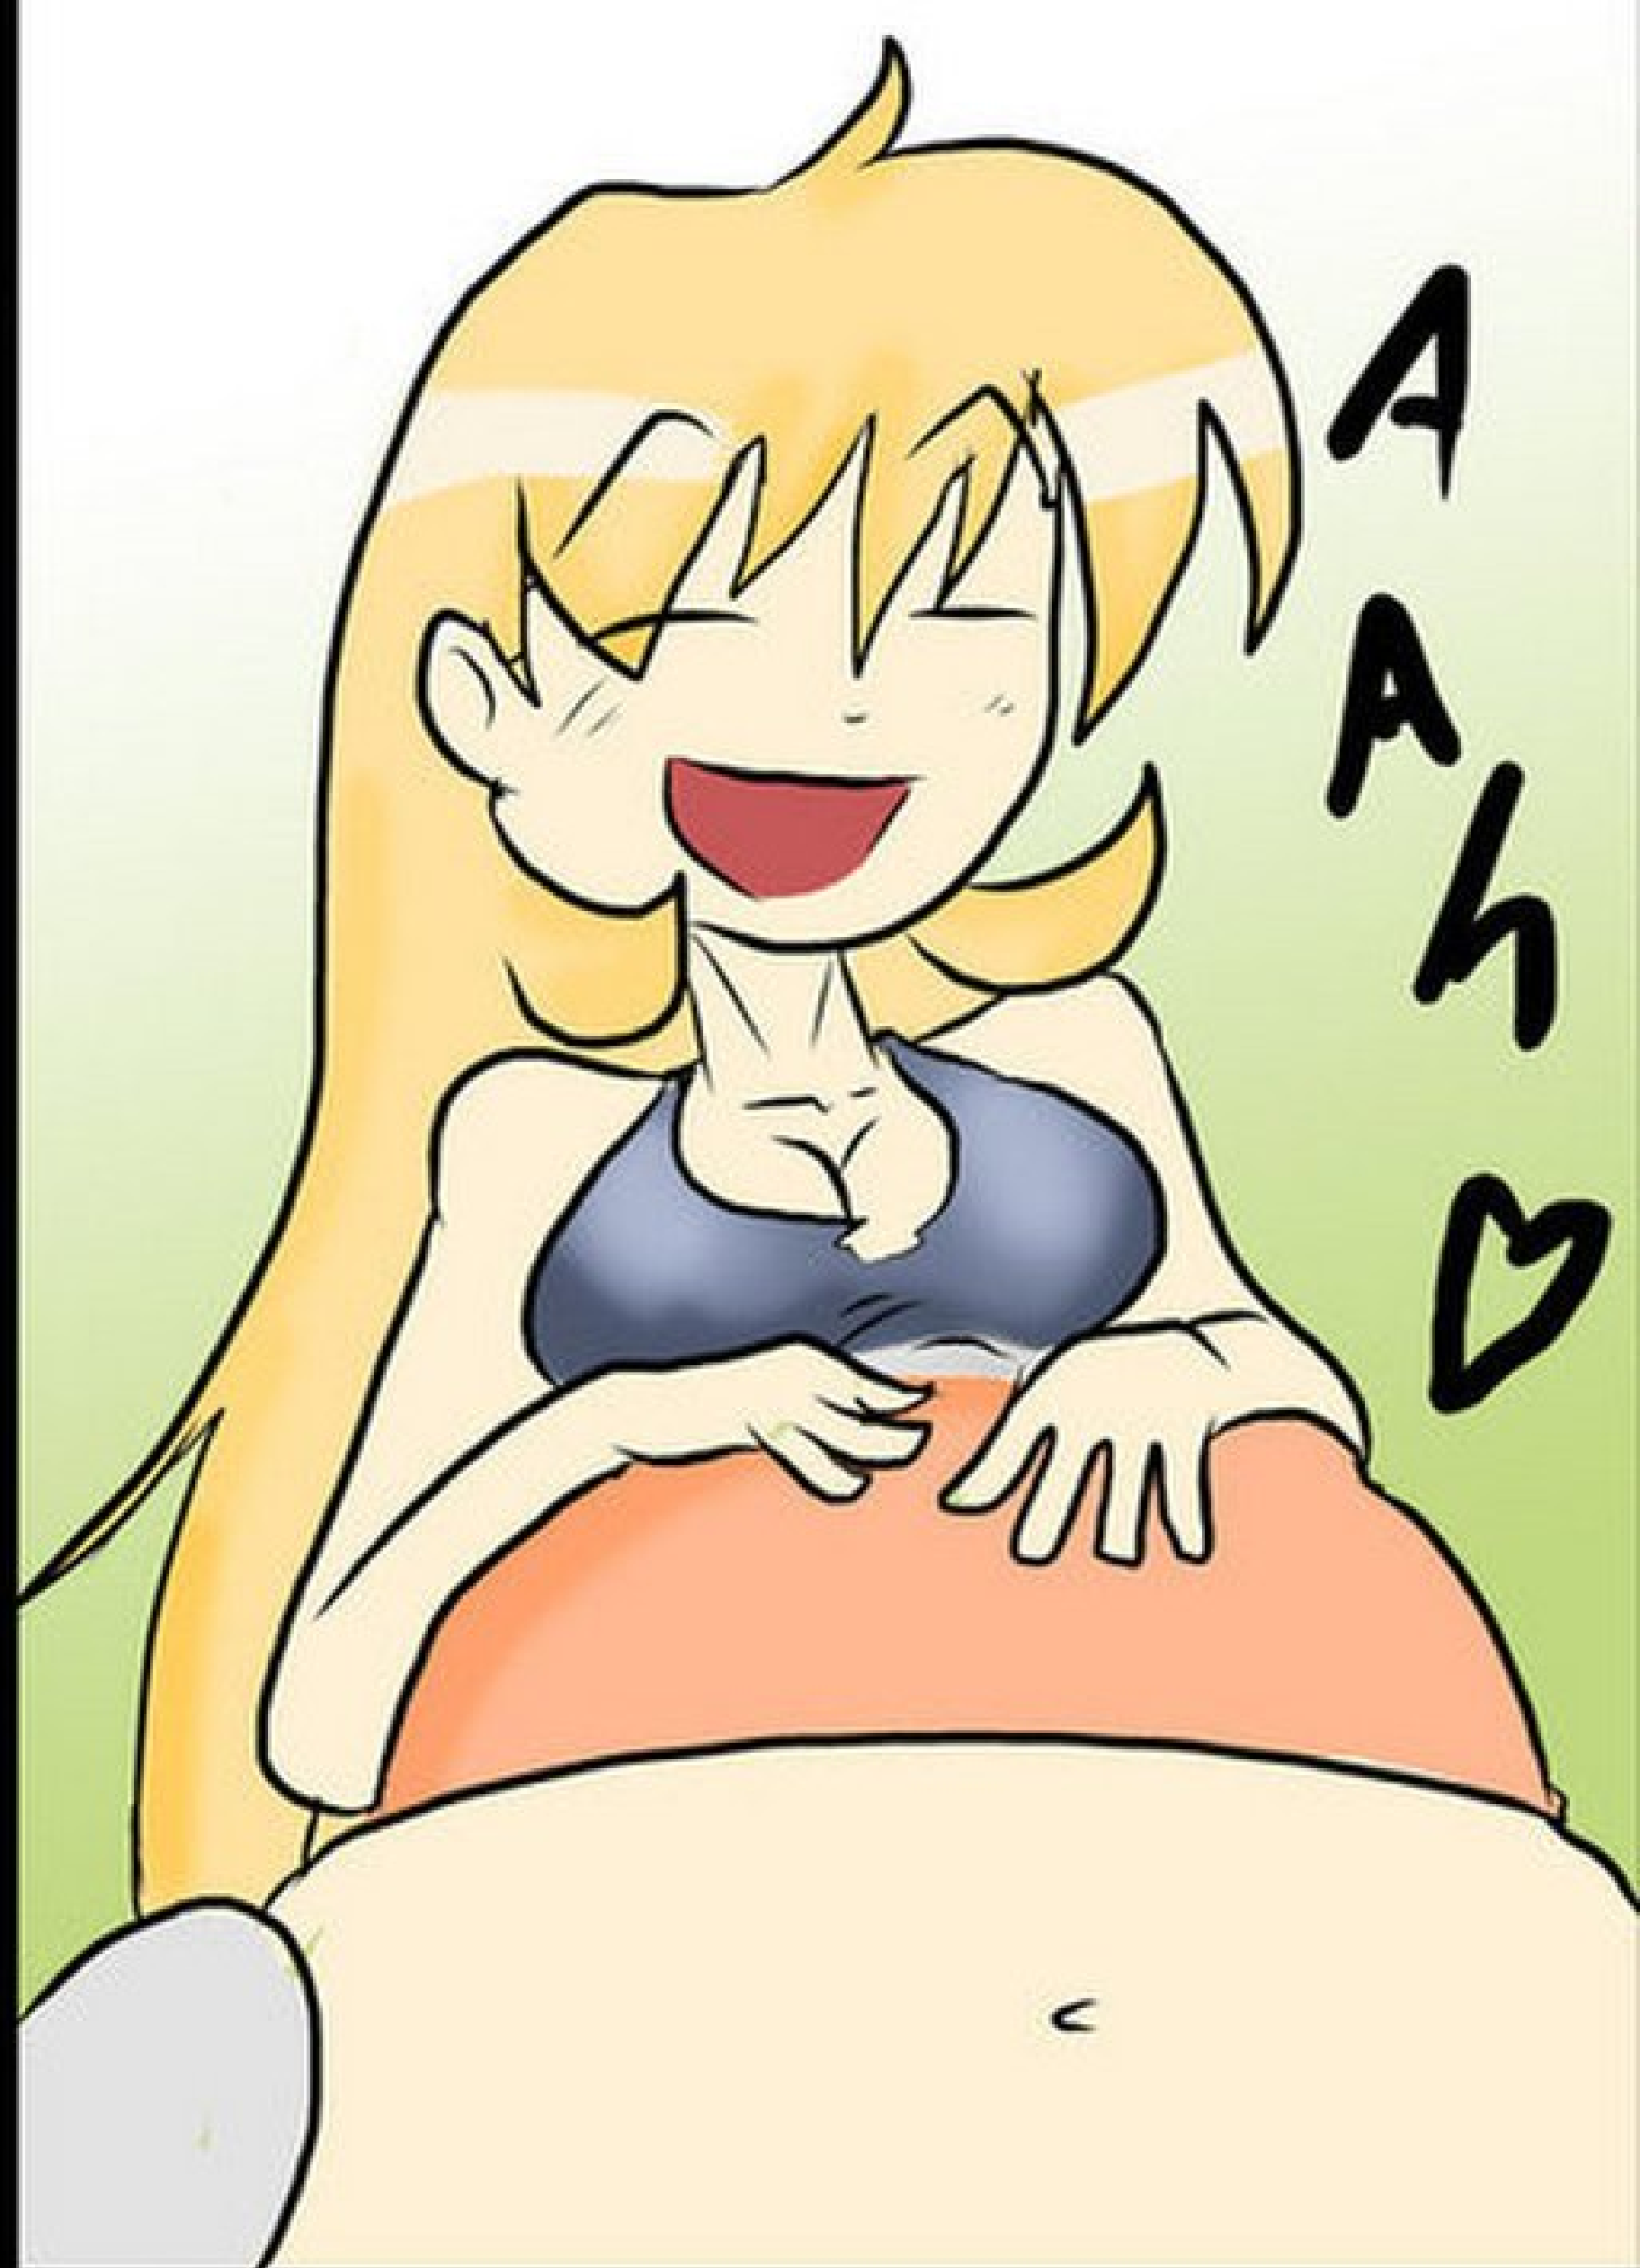

Nonesense,  
please will you try?  
It really hurts.

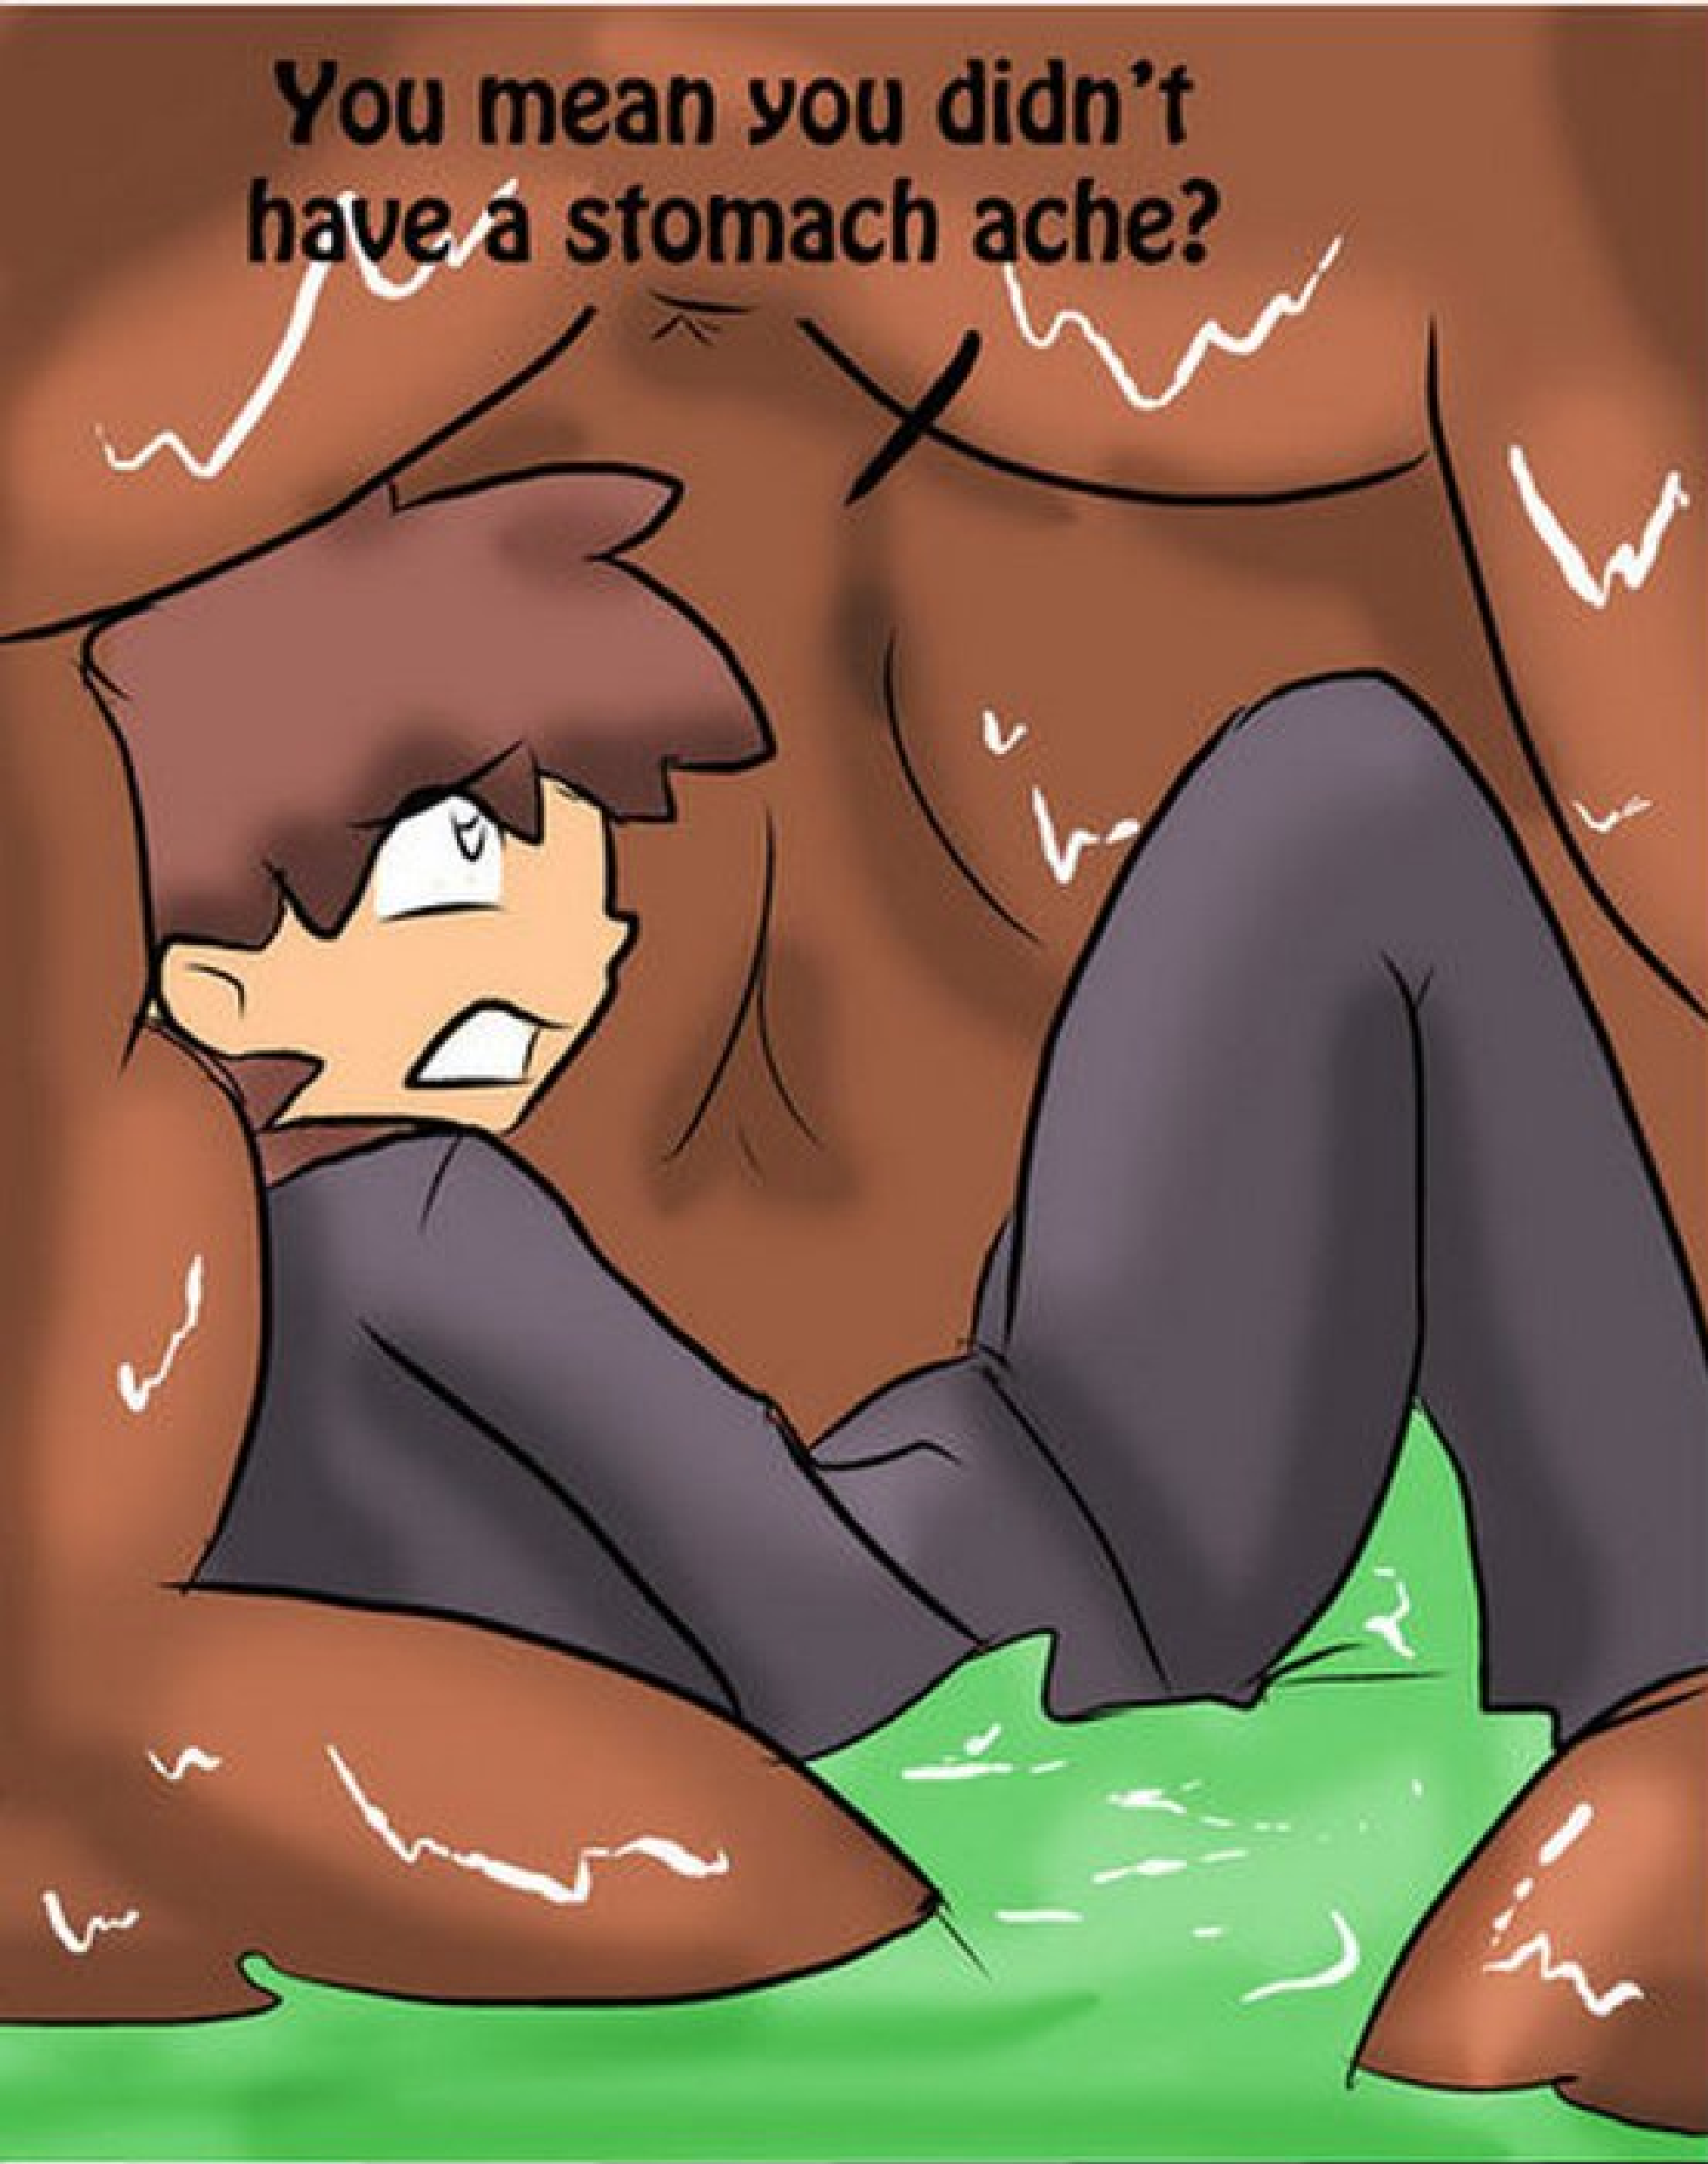

I have a bad  
feeling about  
this...

You mean you didn't  
have a stomach ache?

Nah,  
I was just really hungry.

You better make  
yourself comfortable,  
cuz' you'll be in there  
for a long time.

Oh, that felt soo good.  
Should do that more  
often.

Several hours later

Wow!  
They're huge!  
Amazing!

Hmpf.  
got a little  
pugy...  
oh well.

Hmm...

This feels pretty good actually.

Aw,  
that was my favorite  
dress.

Oh well,  
time to do some  
shopping!
