

SUBSPACE

a pwp extra story :P

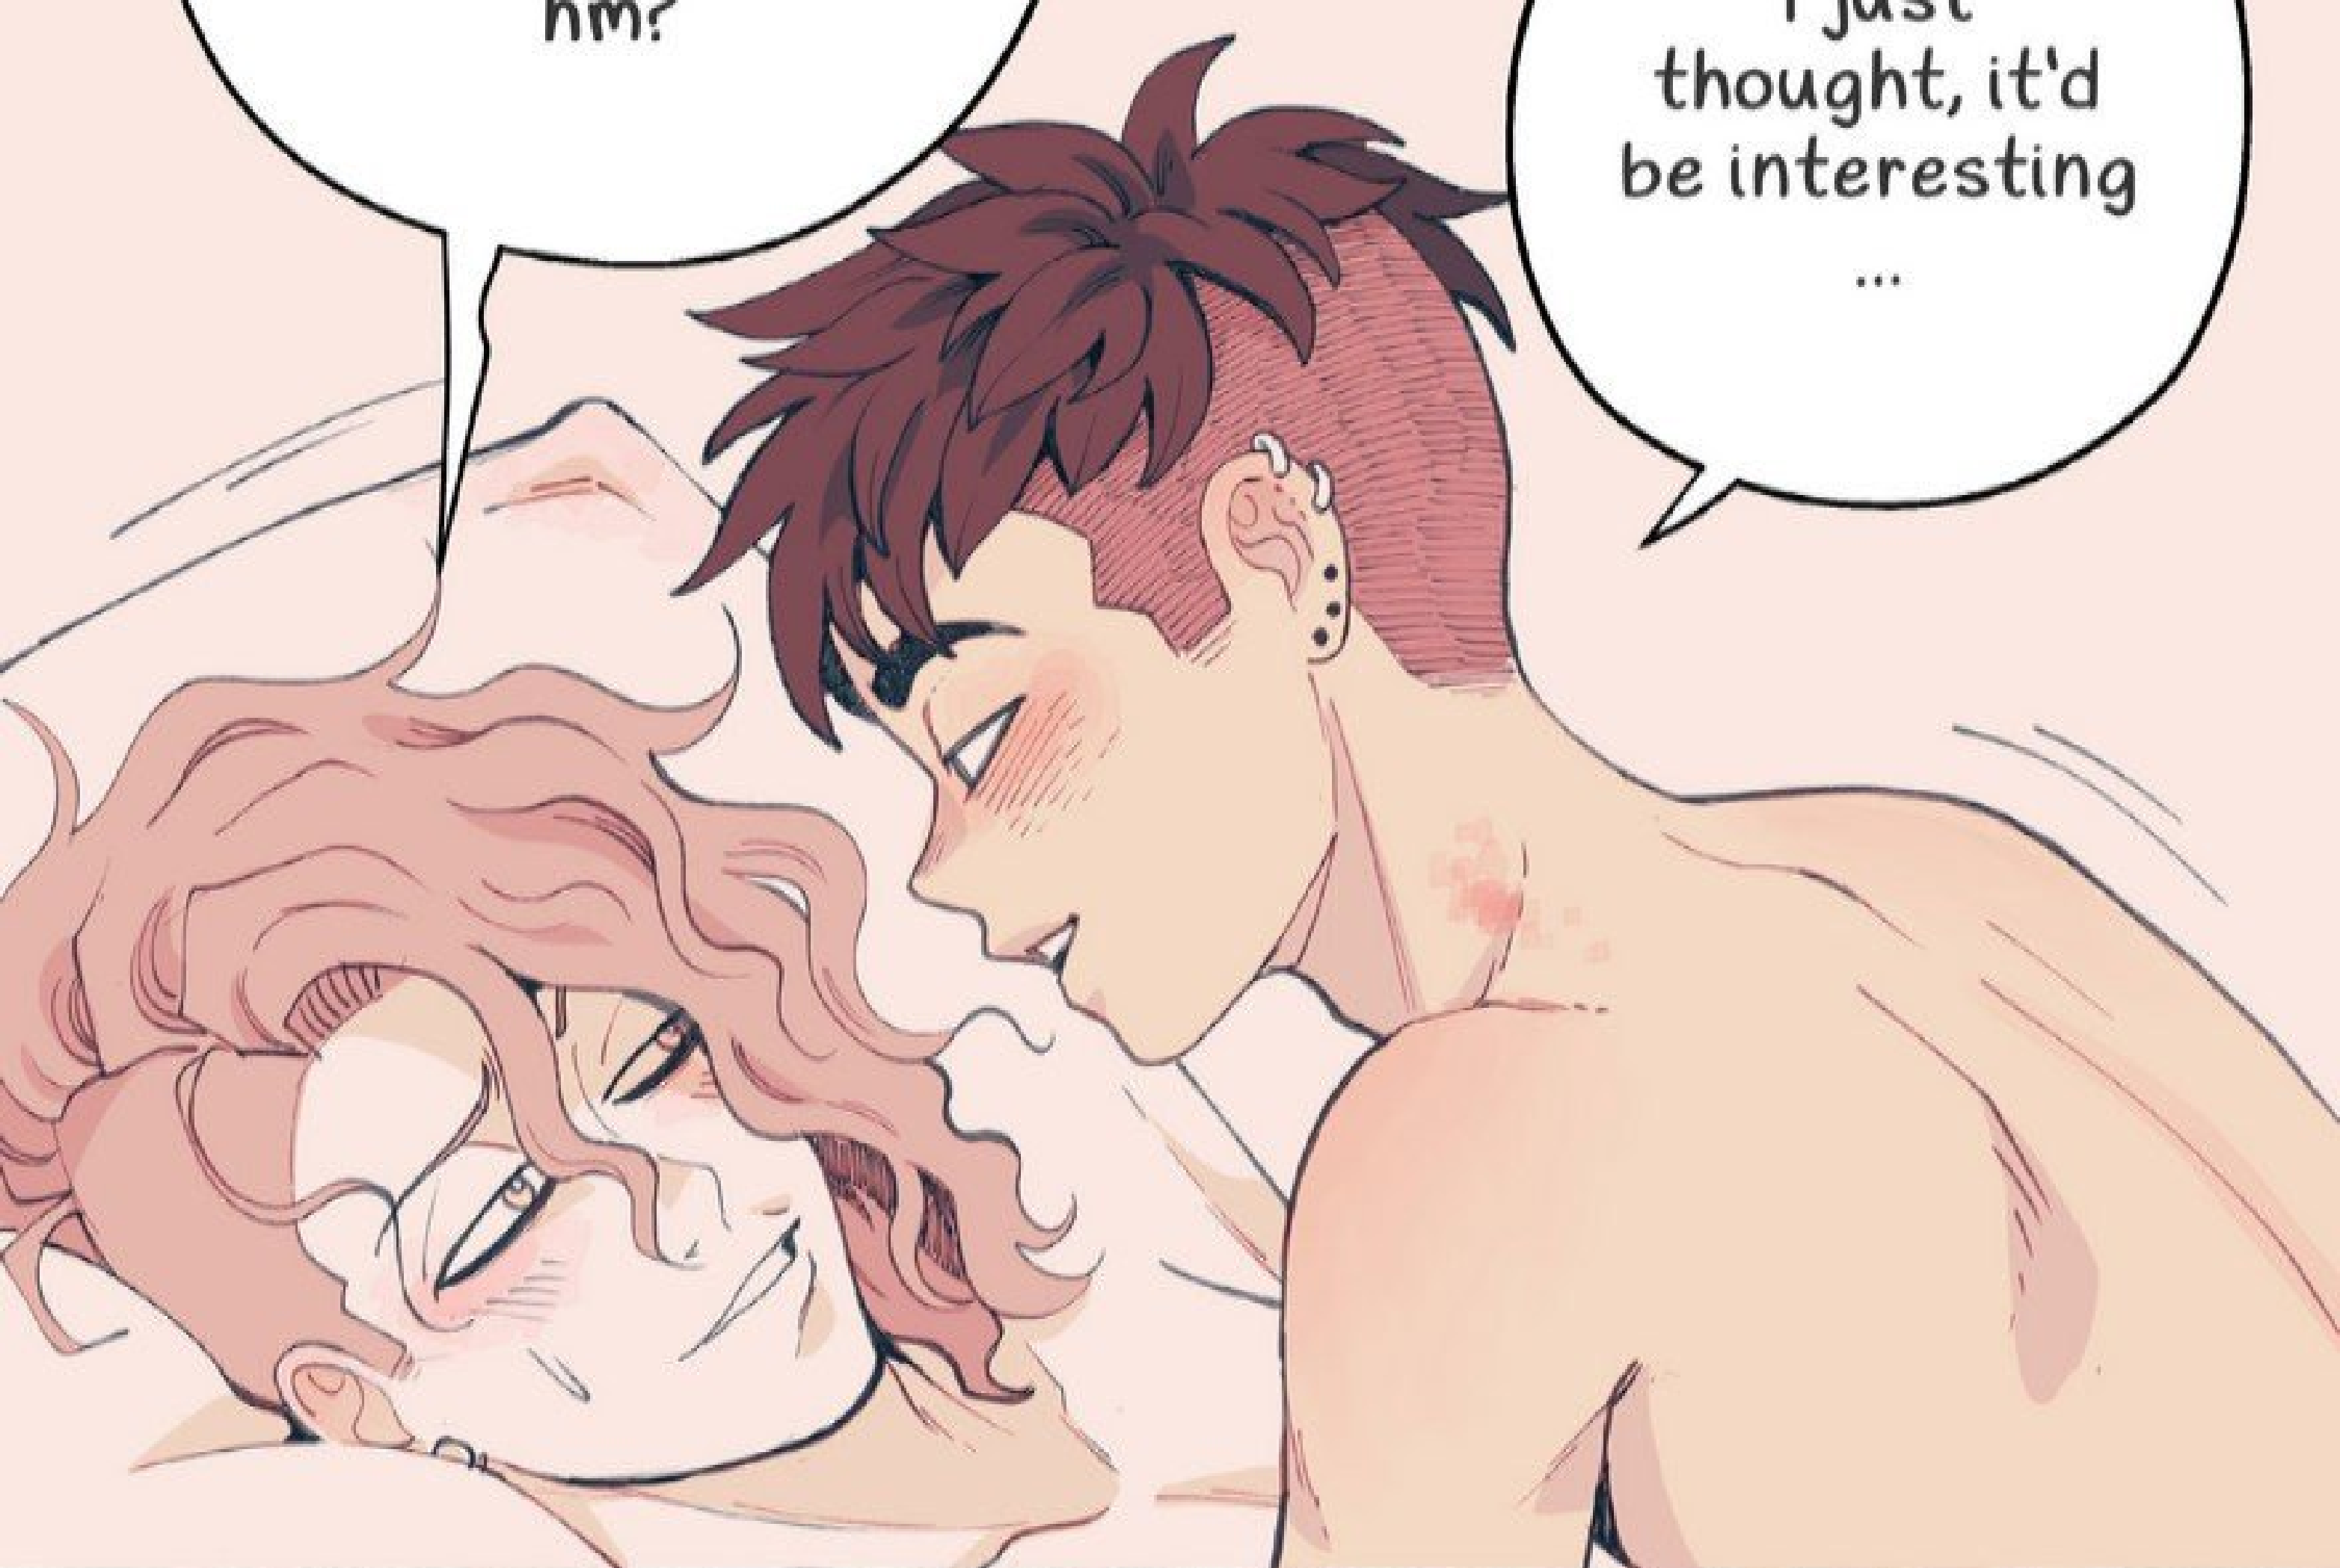

Good morning.

Explain to me:
Is there a special
reason for ... ME ...
being tied up,
hm?

I just
thought, it'd
be interesting
...

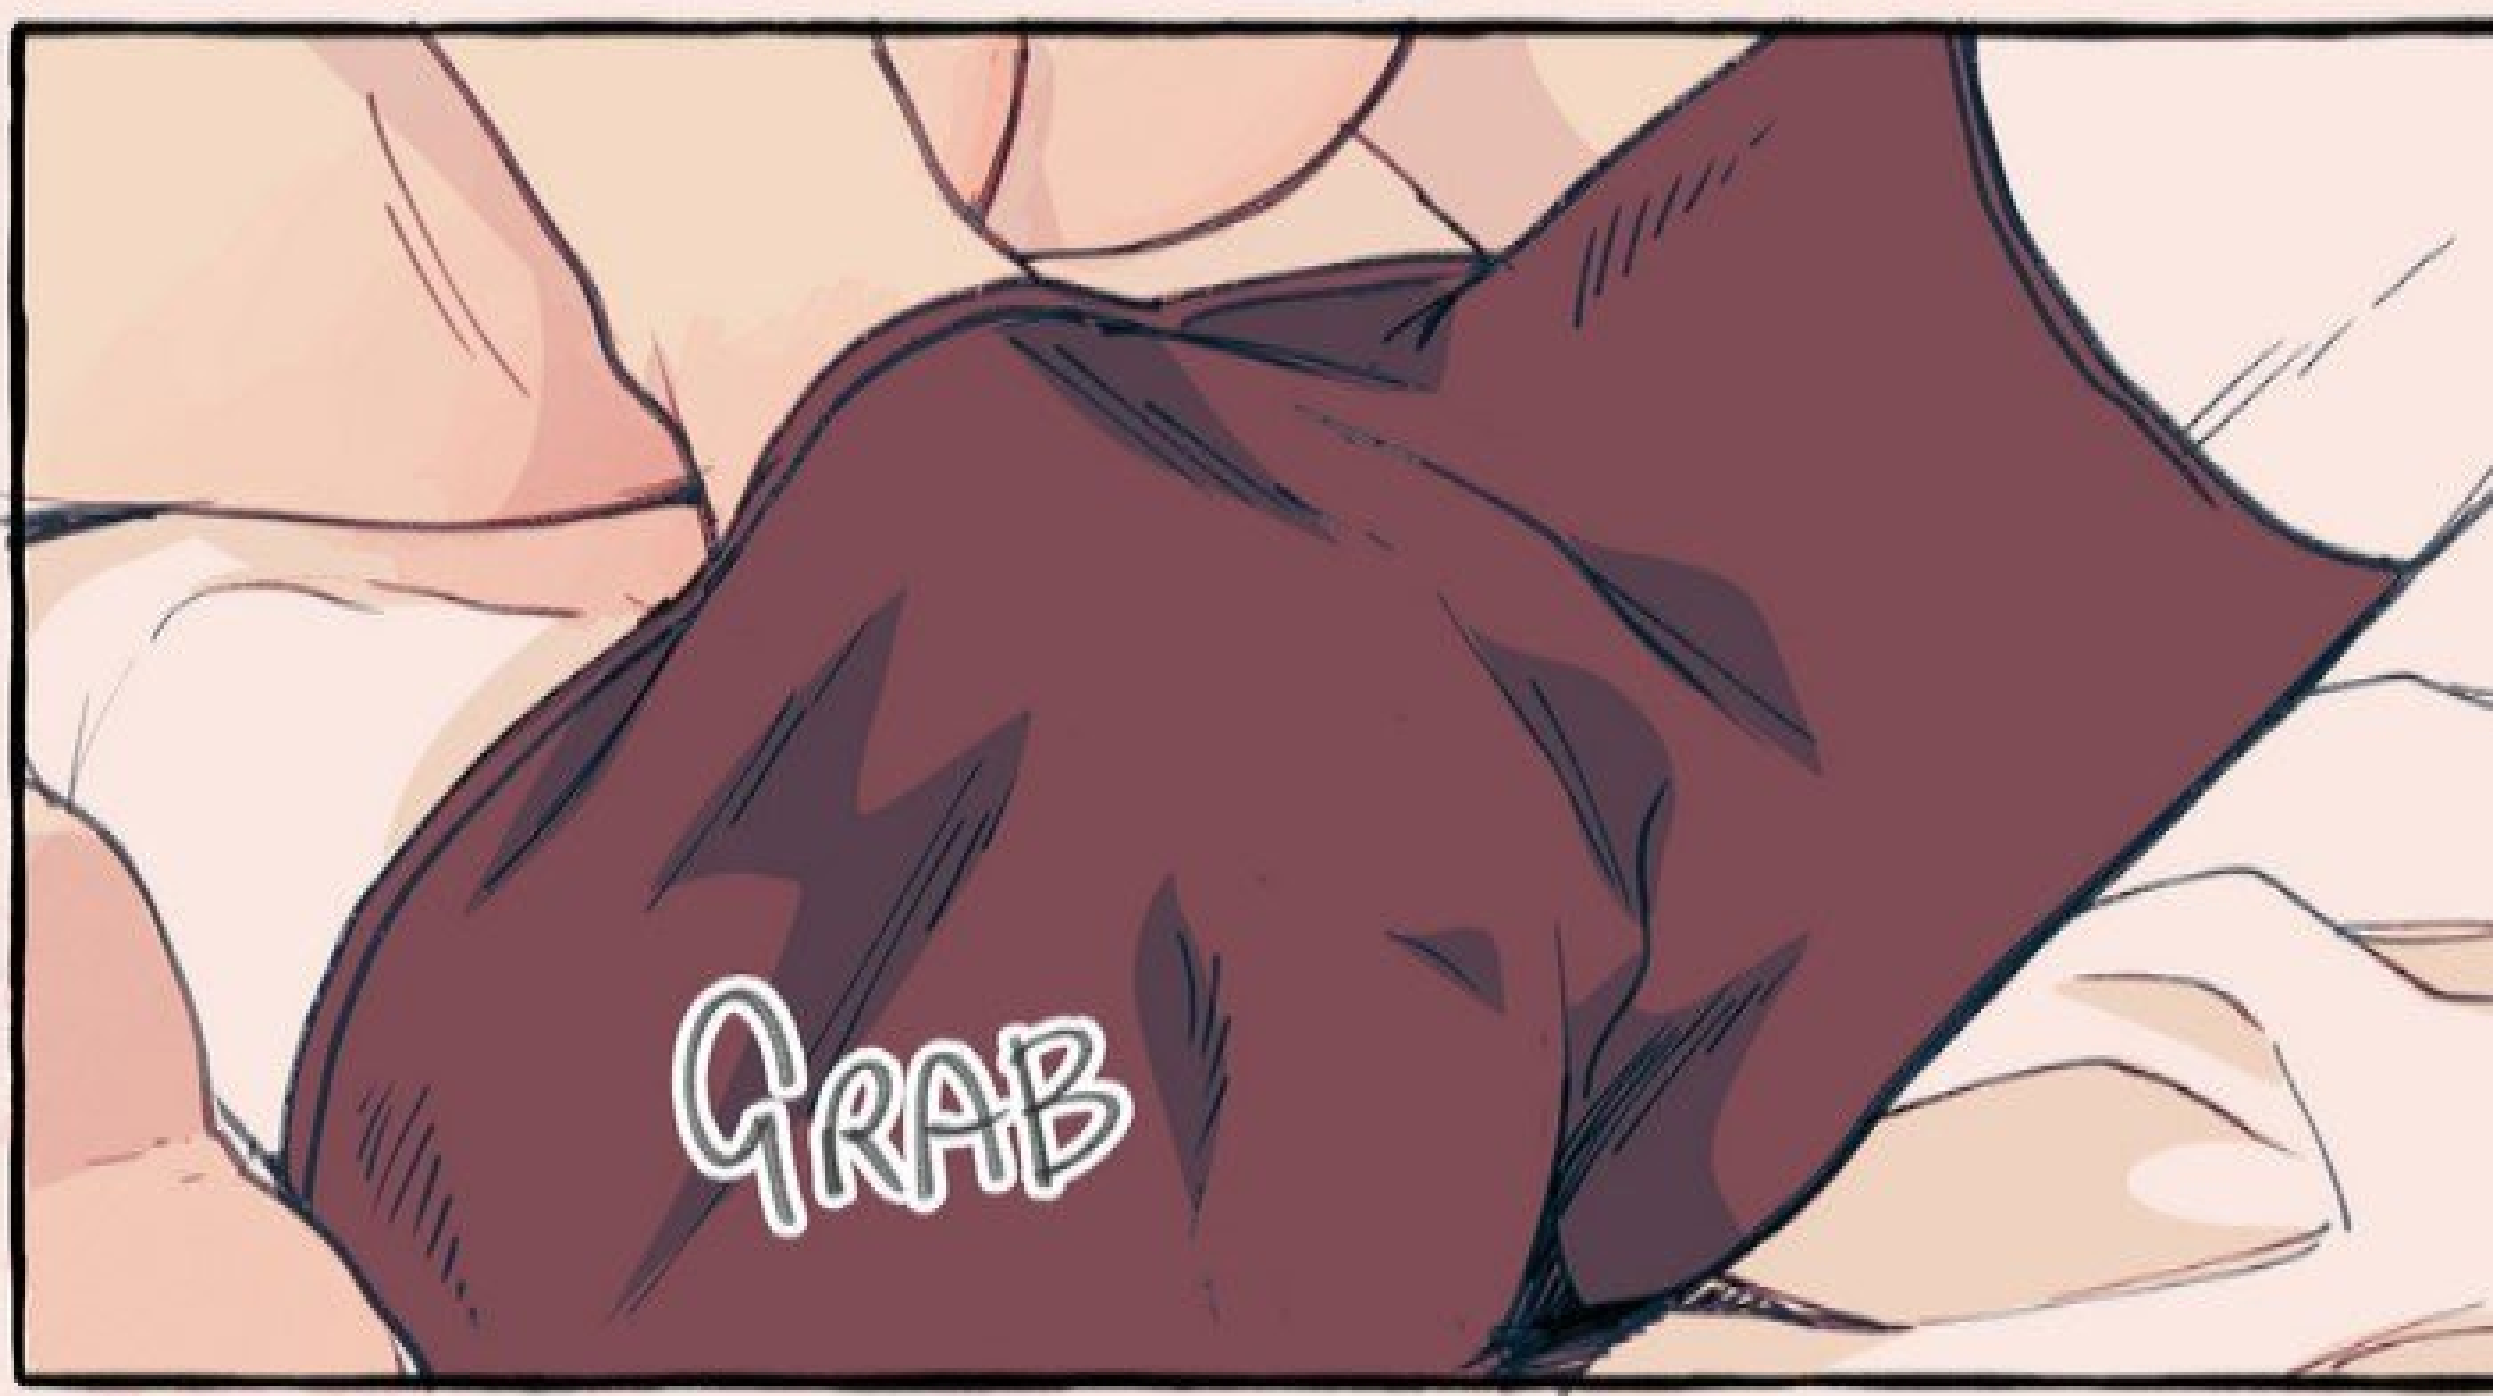

... to change
things up for
once ...

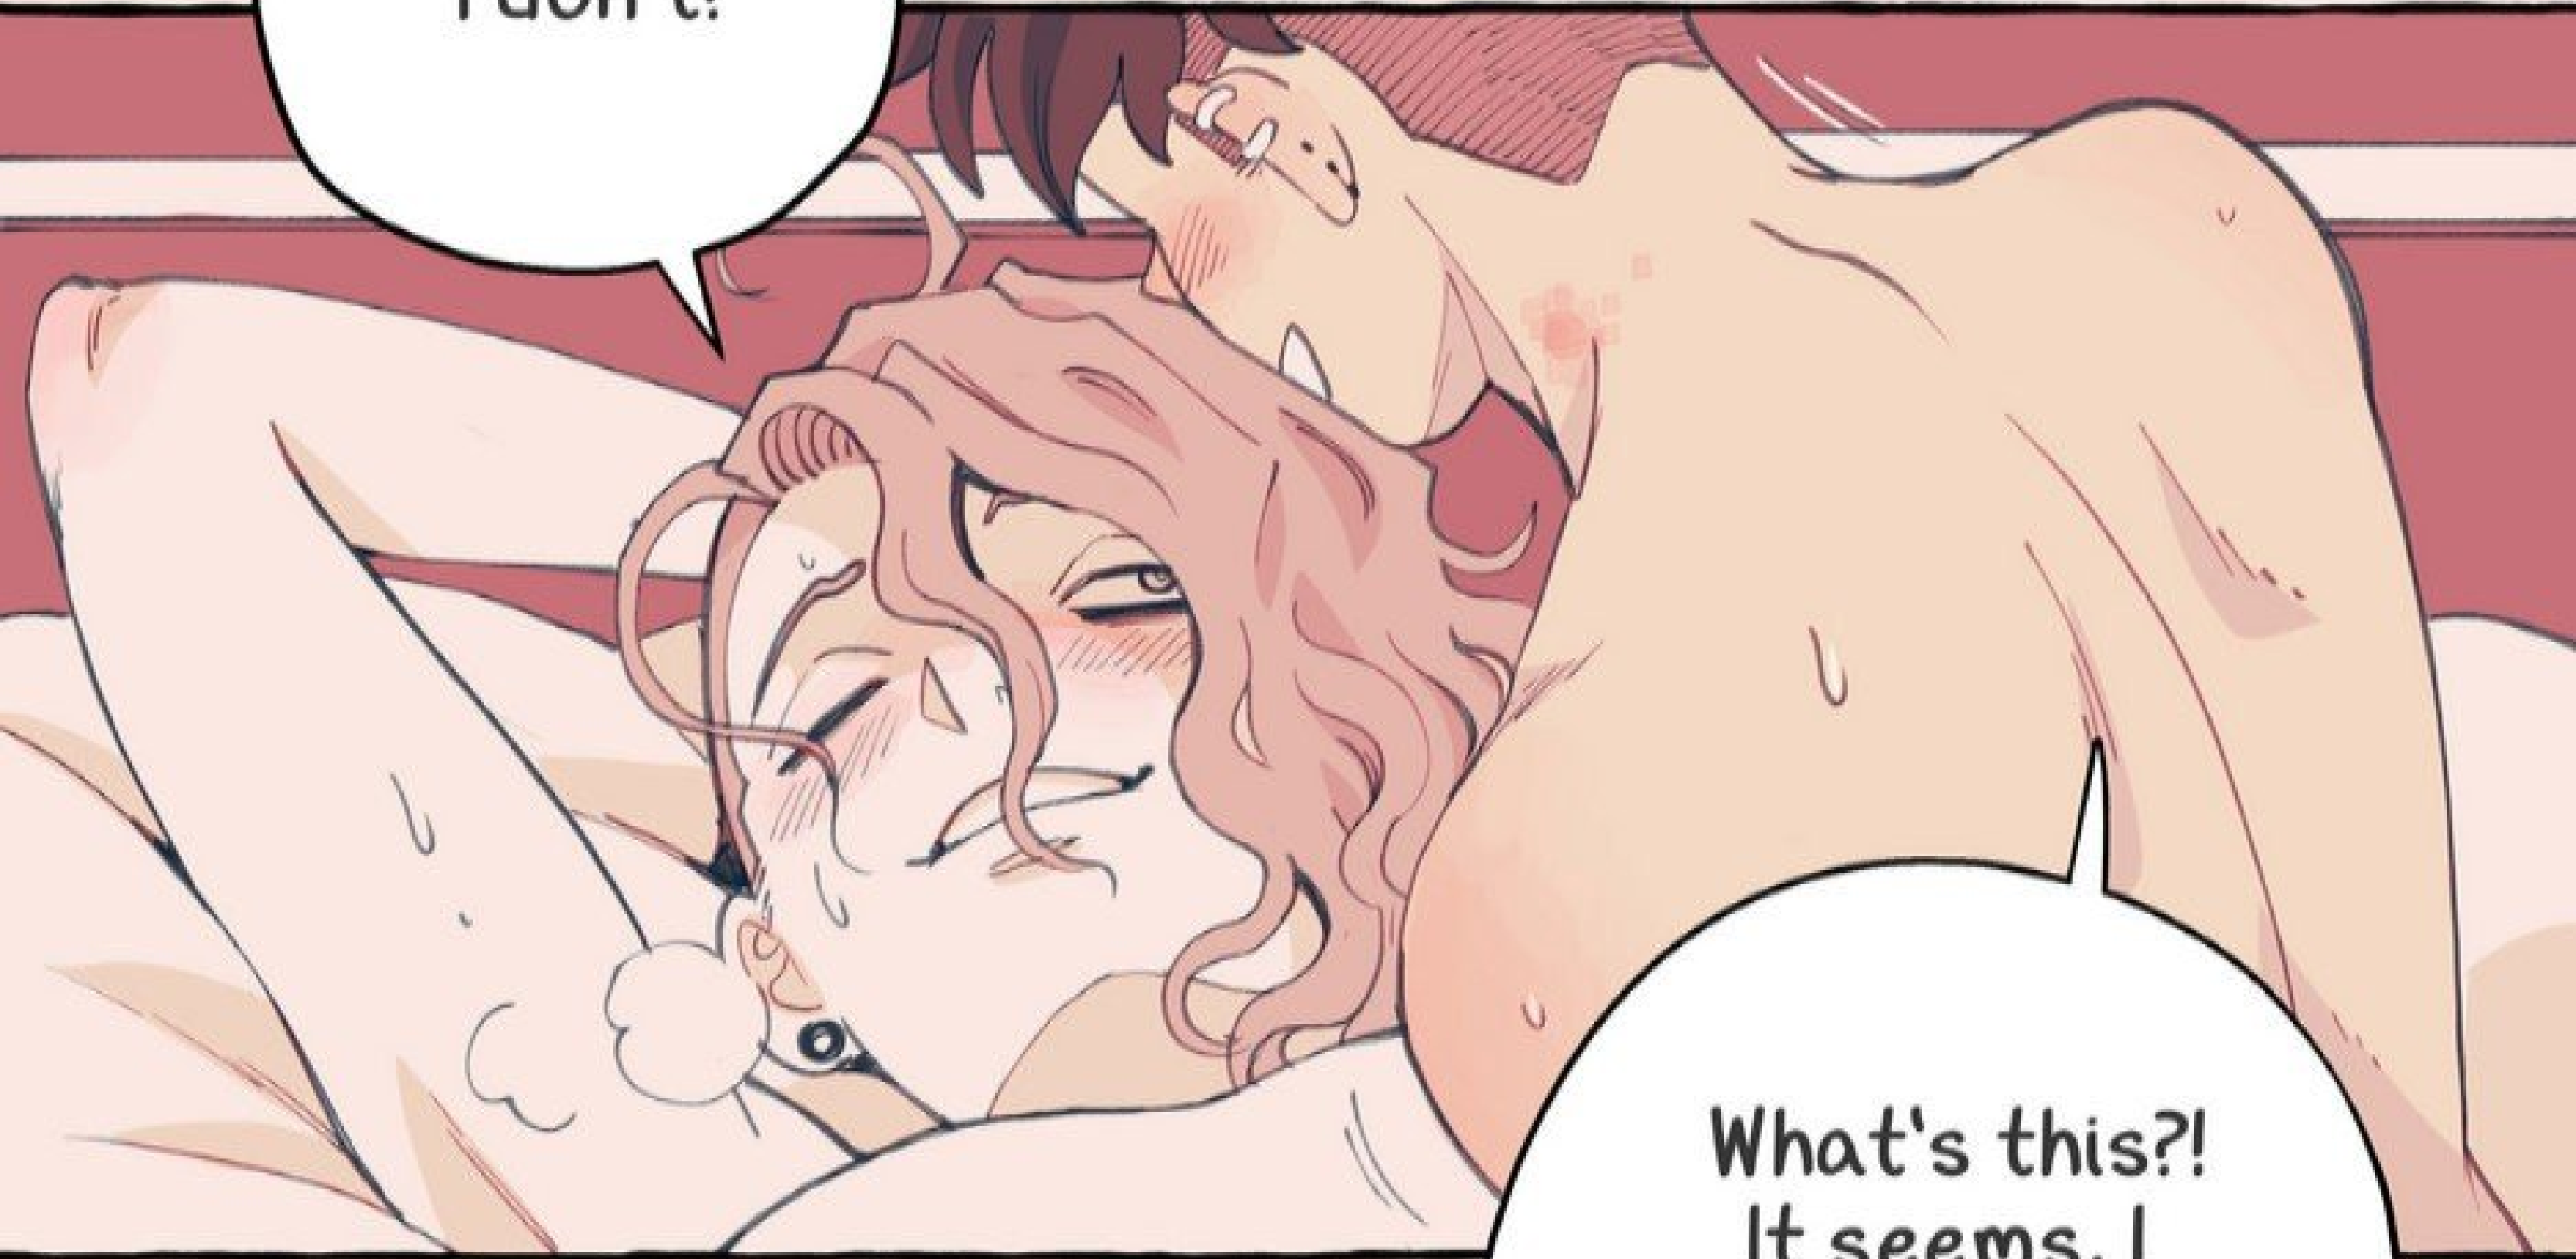

I thought,
maybe ...
you'd enjoy
that too?

What if
I don't?

What's this?!
It seems, I
discovered your
submissive side
for REAL?!

You're so horny
already, you totally
forgot SAFEWORDS
exist?!

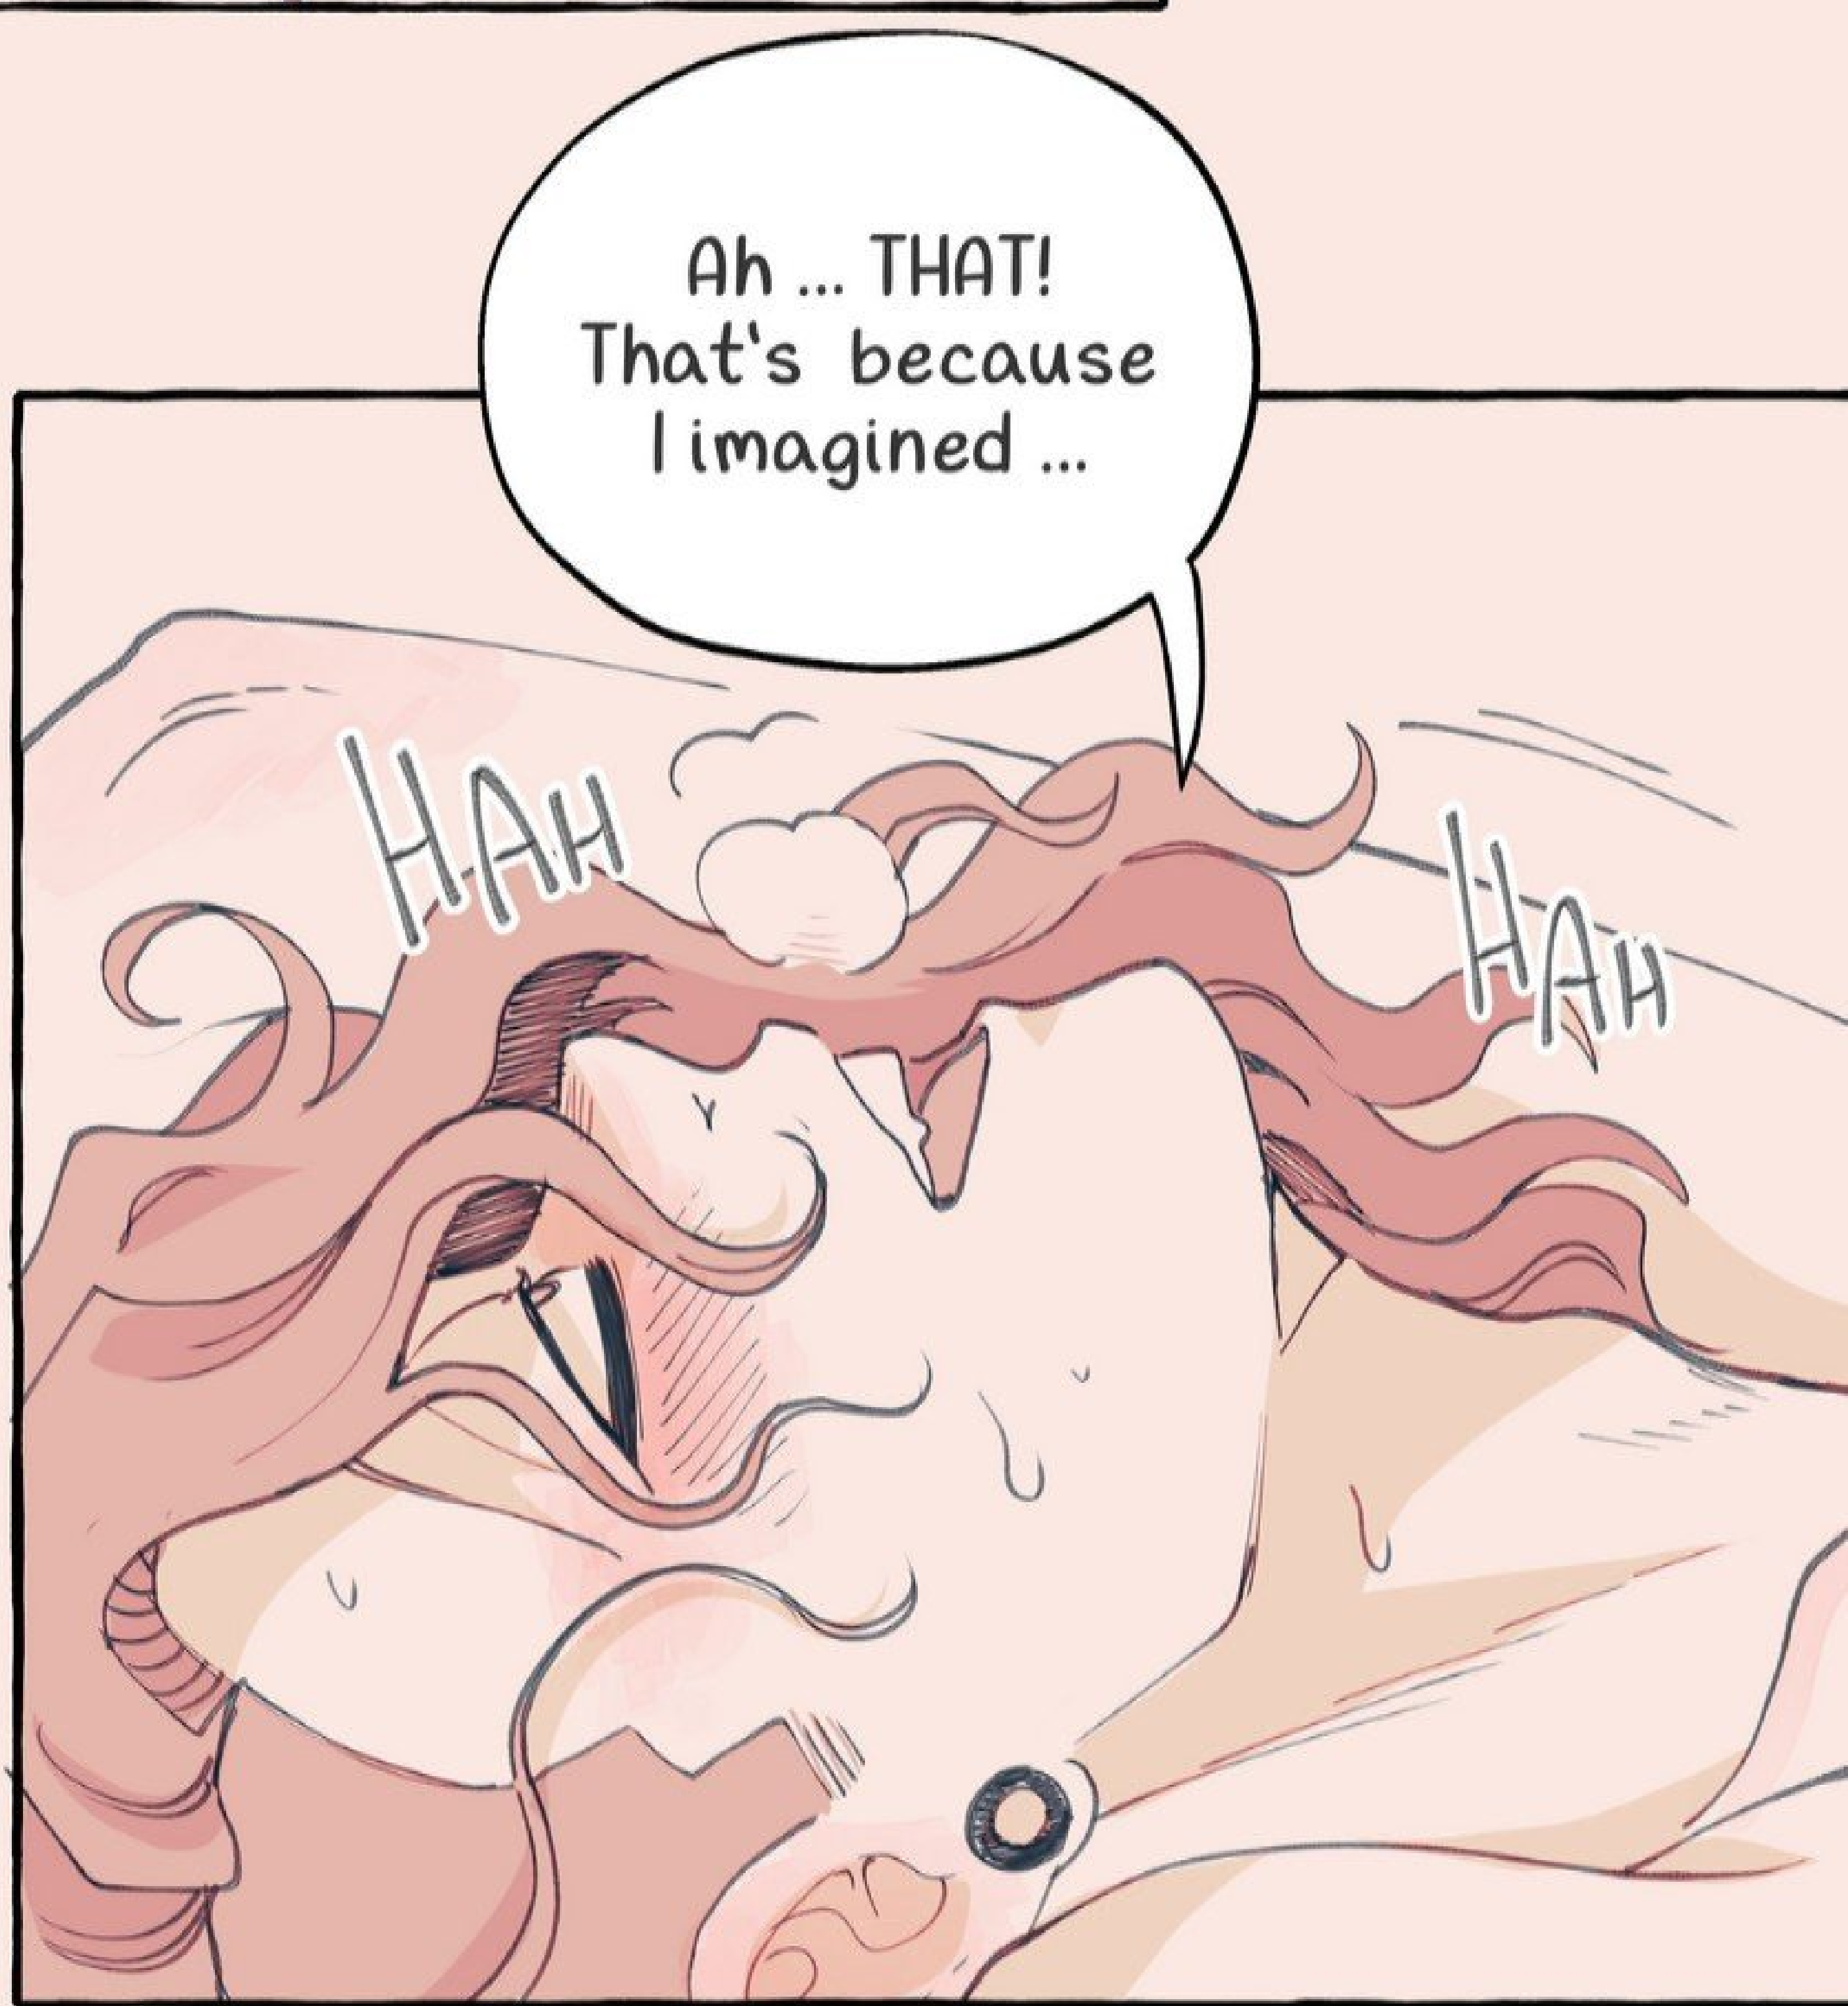

And how
do you explain
...

... that massive, stone-hard, throbbing erection?

SQUEEEZEEE

Ah ... THAT!
That's because I imagined ...

HAH

HAH

I'm going to fuck
you up ...

SHIVER

SHIVER

... for this
outrageous
case of
misbehavior.

Uuuunnnggh ...
H-how did you ...

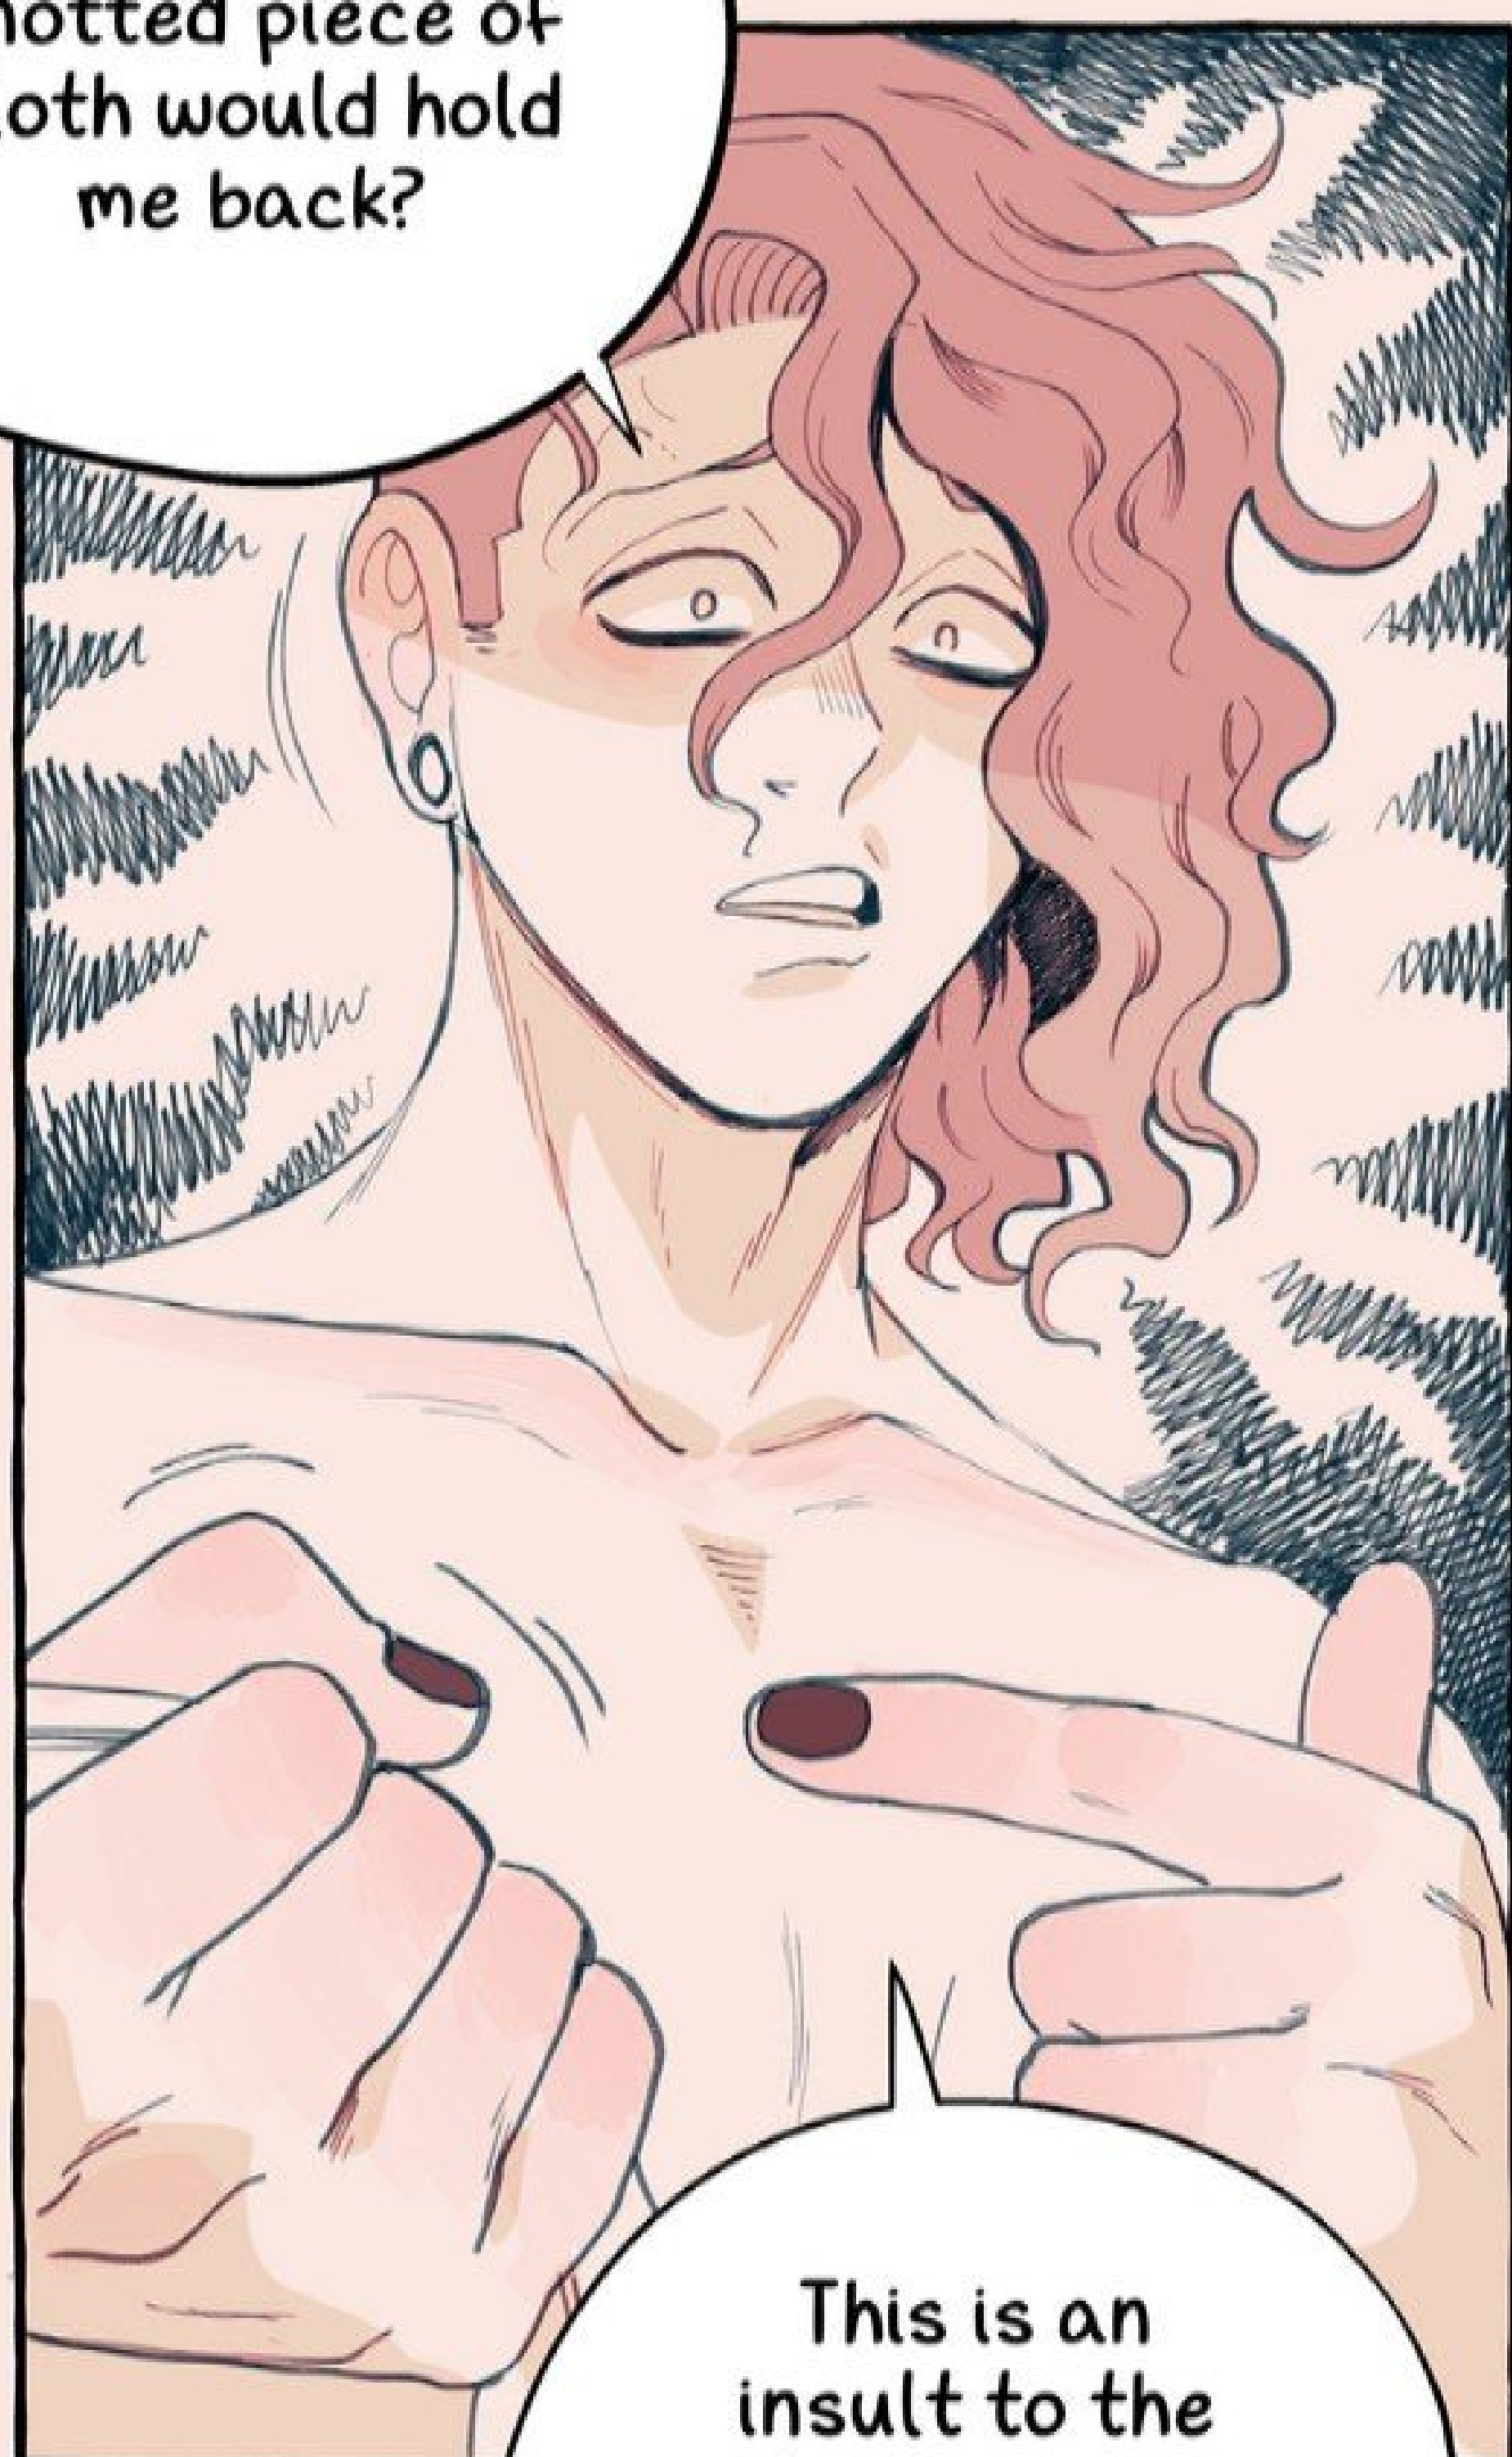

Pull

SLAP

You kiddin' me?

Did you really believe that sloppily knotted piece of cloth would hold me back?

This is an insult to the art of bondage. And to me personally, of course. I feel mocked.

Uuuuh ...
Sorry, master?

That won't do it.

Position two. Now.

Uuugh, fuck!
Y-yes, master!
<3

Am I doing it right, master?

Yeah.
That suits you so much better!

Myhentaigallery.com

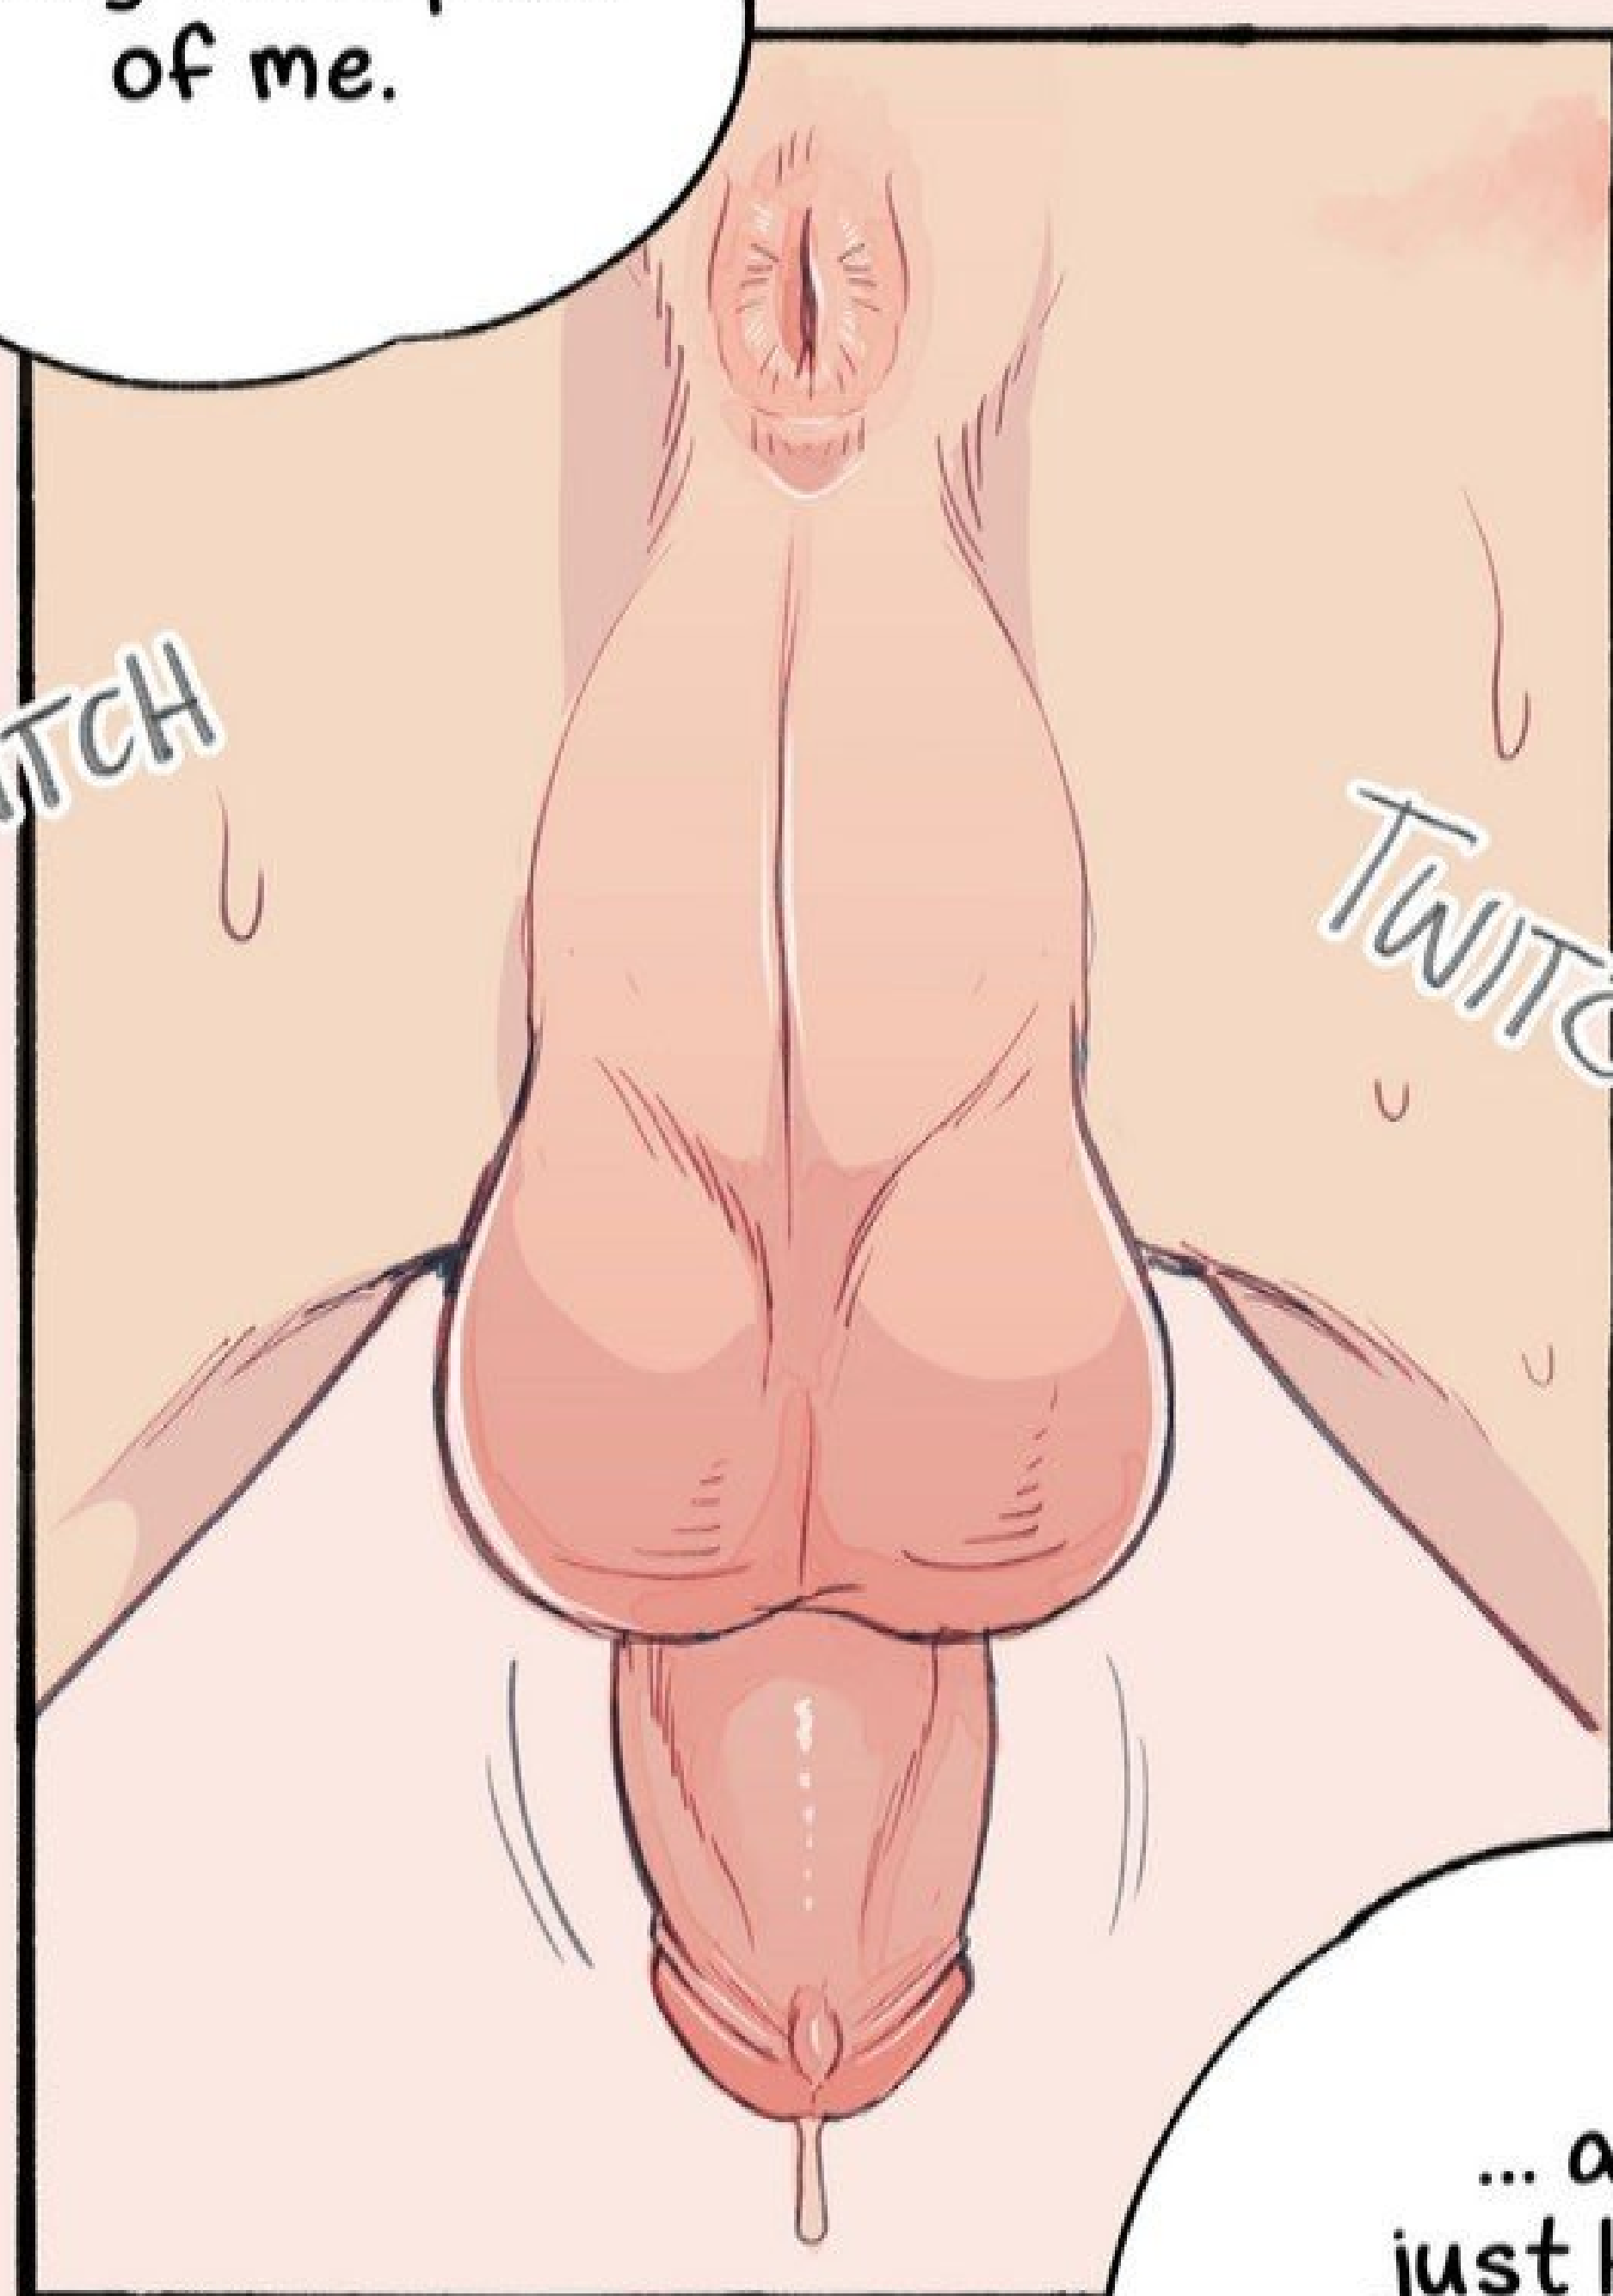

Uuuurgh,
I HATE this
position as
much ...

... as I
LOVE
it.

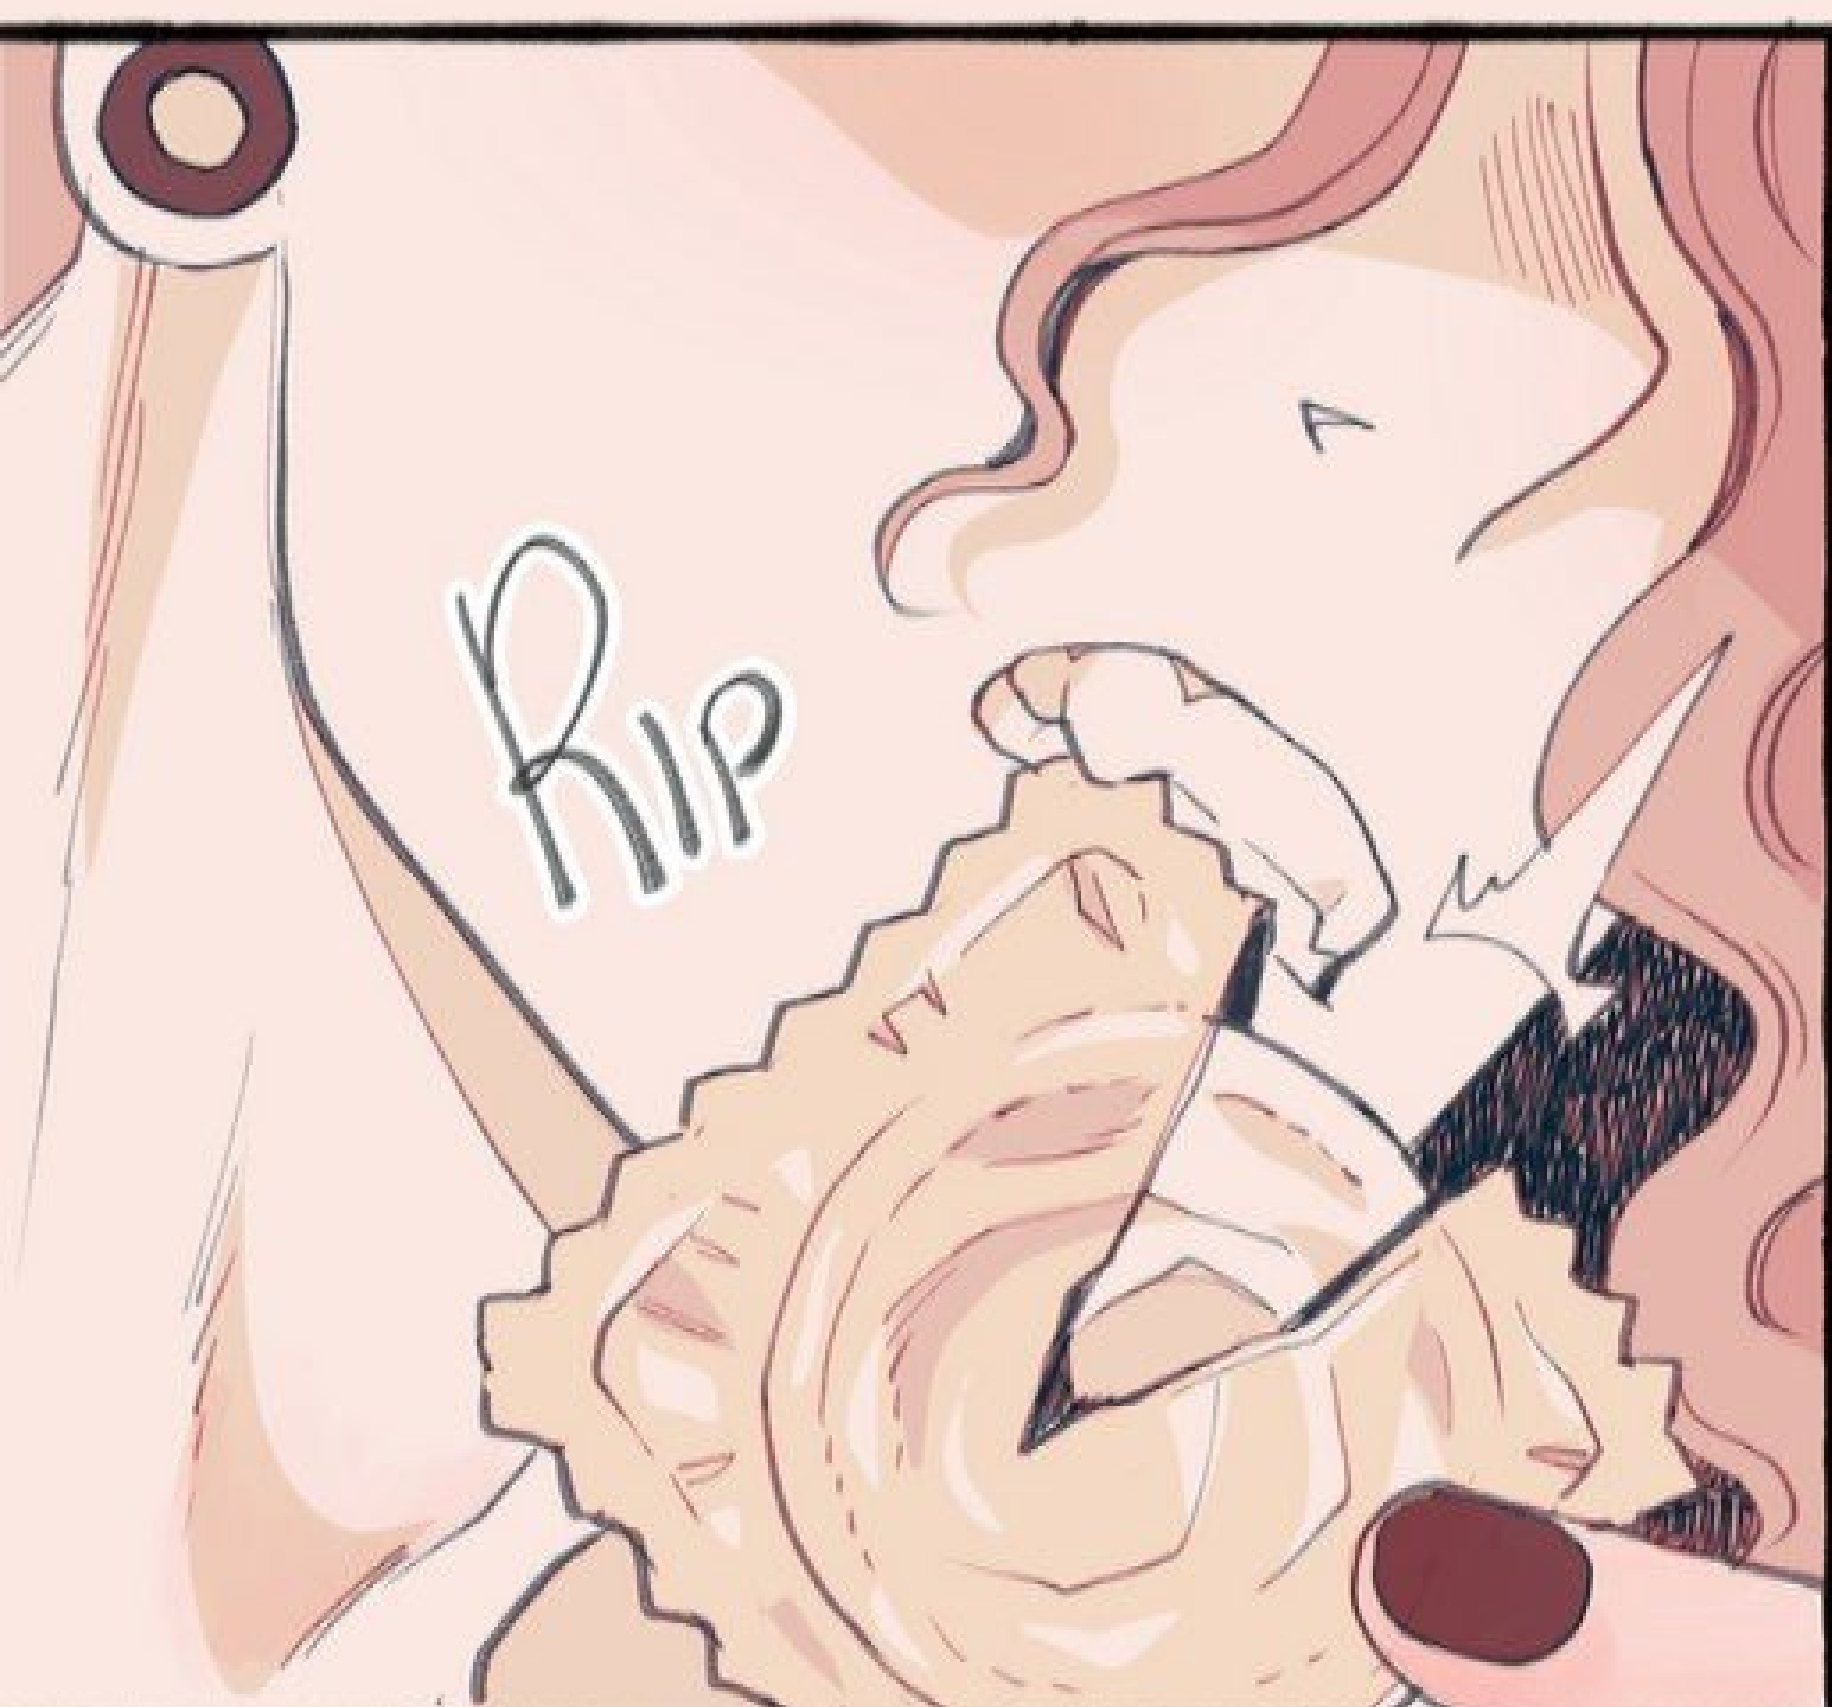

He can see
every lewd part
of me.

TWITCH

TWITCH

... and also
just HOW much
I enjoy being
treated like
this.

I hope,
you still
remember
your safeword
handsigns?

Uhm,
yeah. Of
course.
Why?

You'll
find out
soon enough.

LICK

SLITCH

Ah, nice!
Just as
expected ...

SHIVER

SHIVER

HNNNGH!!!

You're
still kinda
relaxed down
there from
yesterdays
session.

But given the
fact how much you
struggled to take
me in everytime ...

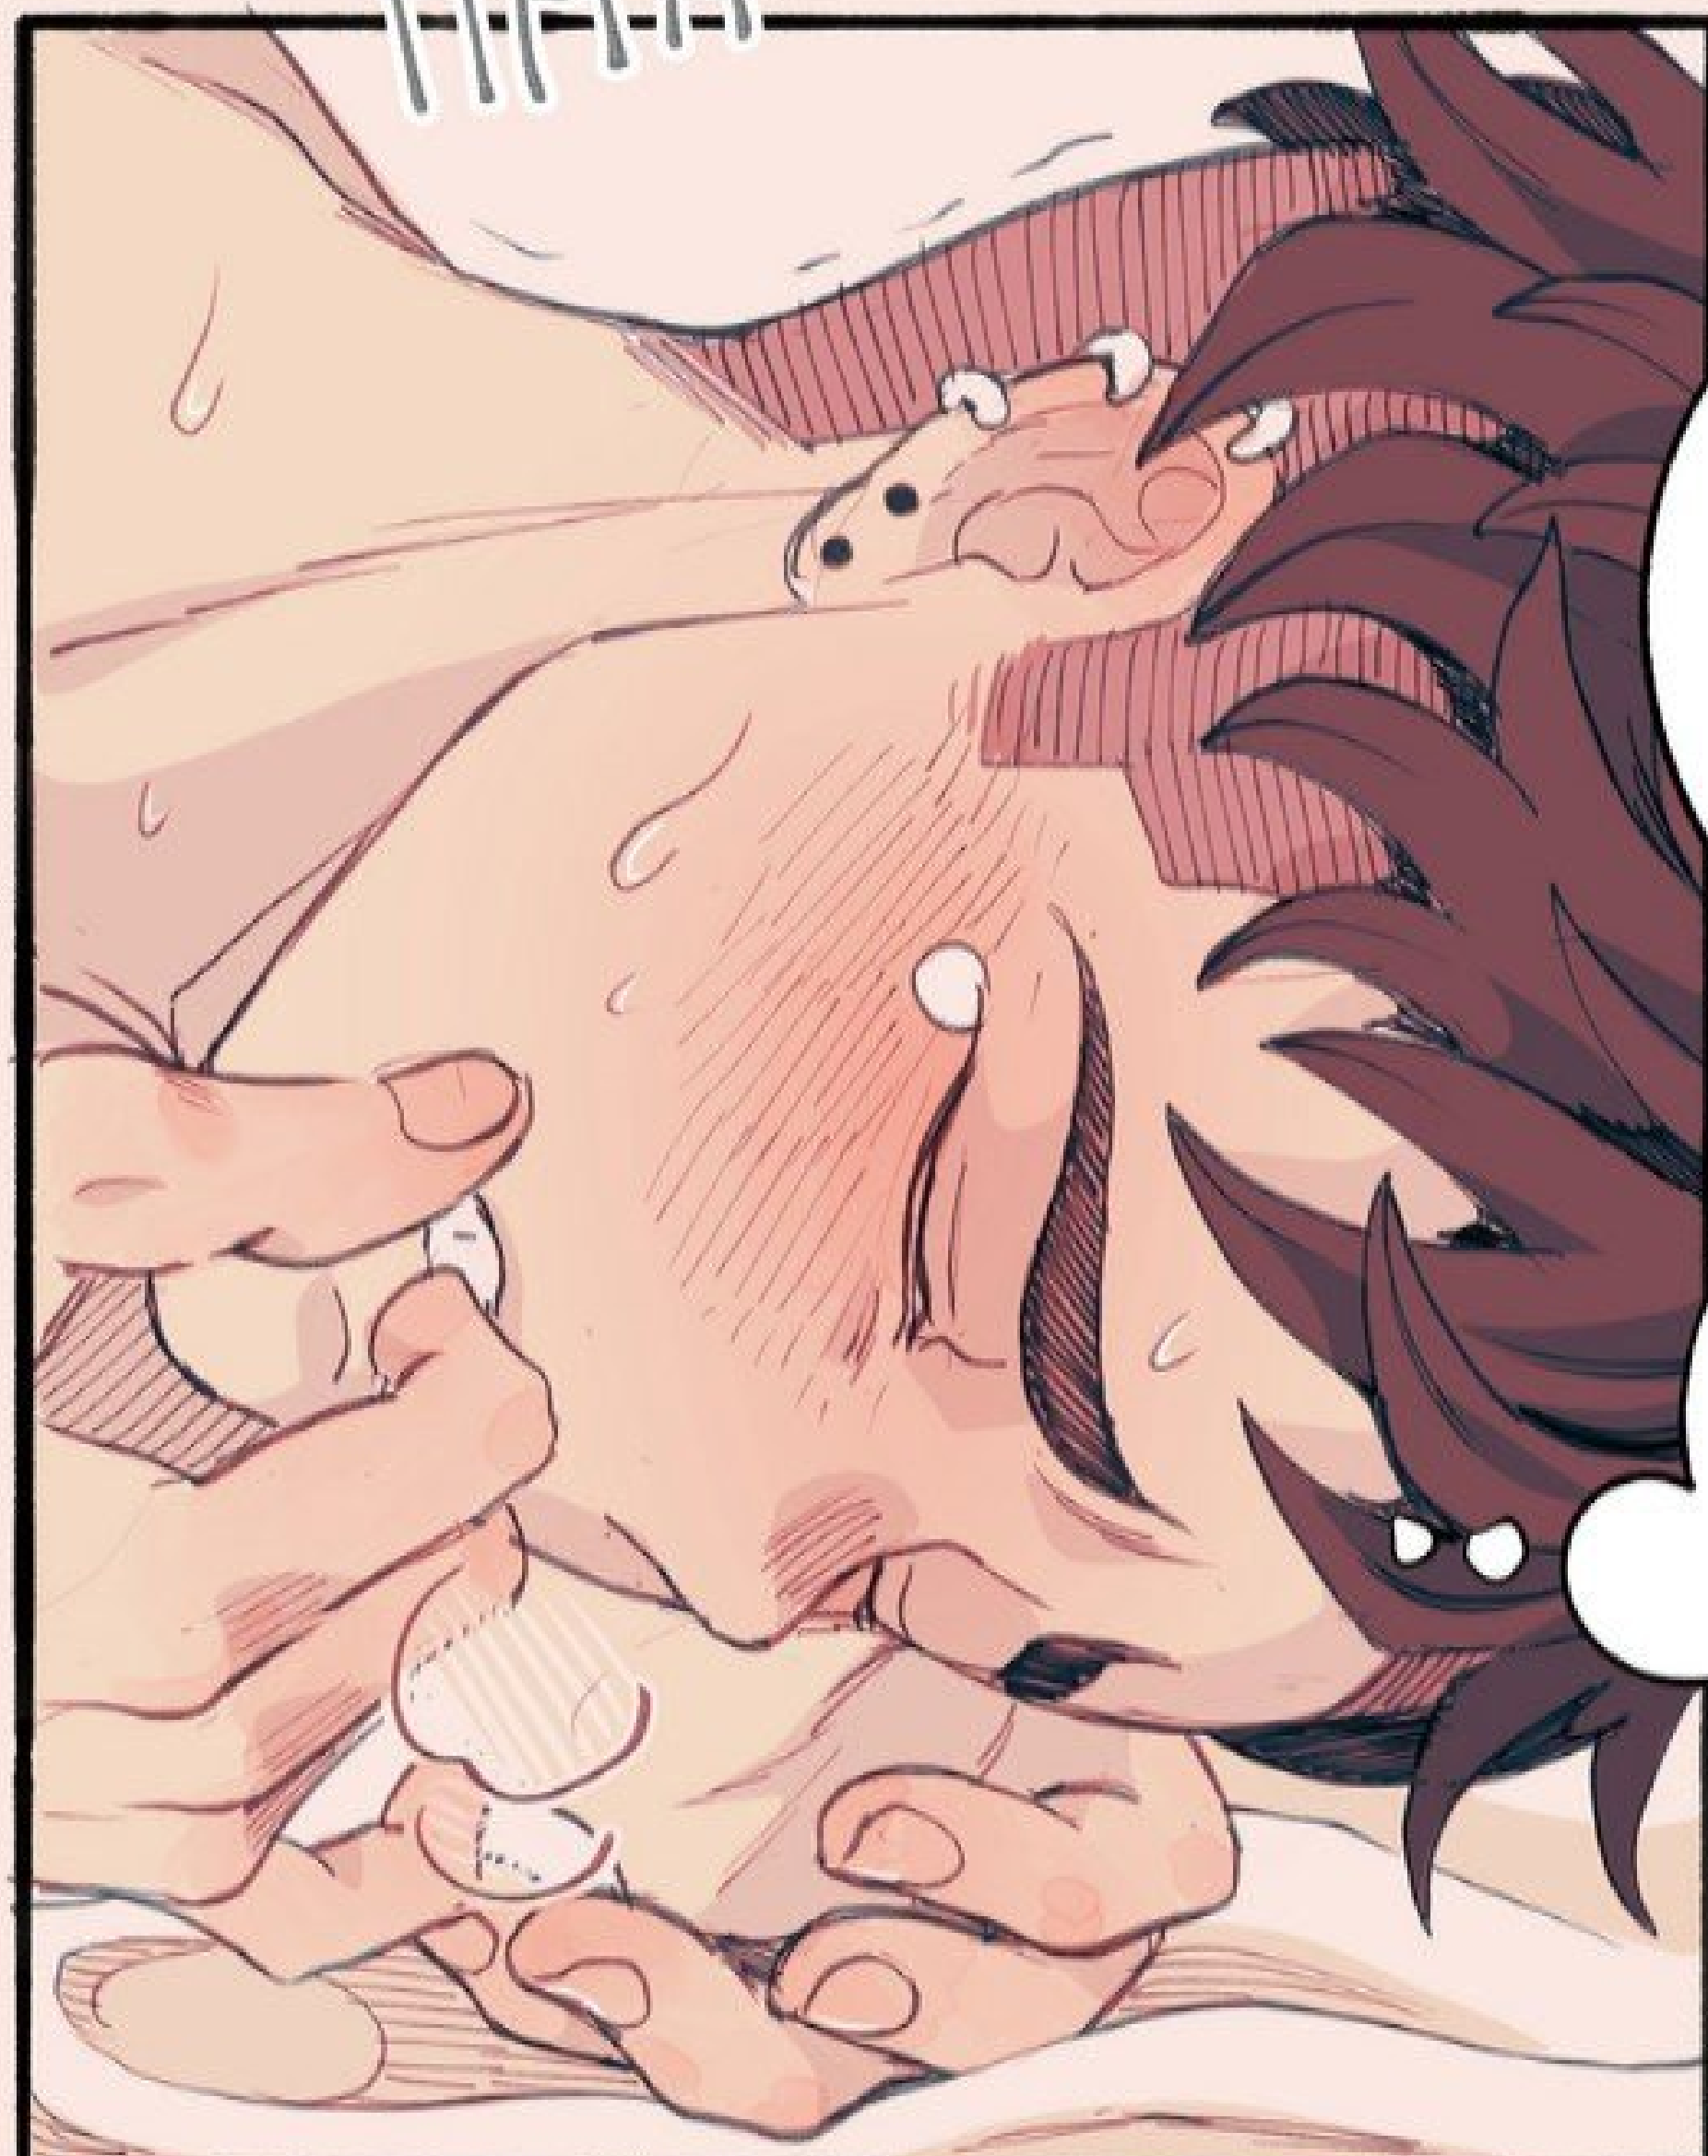

RUB

... this will
hurt. A LOT.

Damn, I
love it when he
talks in that
super deep
voice.

Rip
me apart with
your giant cock!
Shove it in
REALLY
deep.

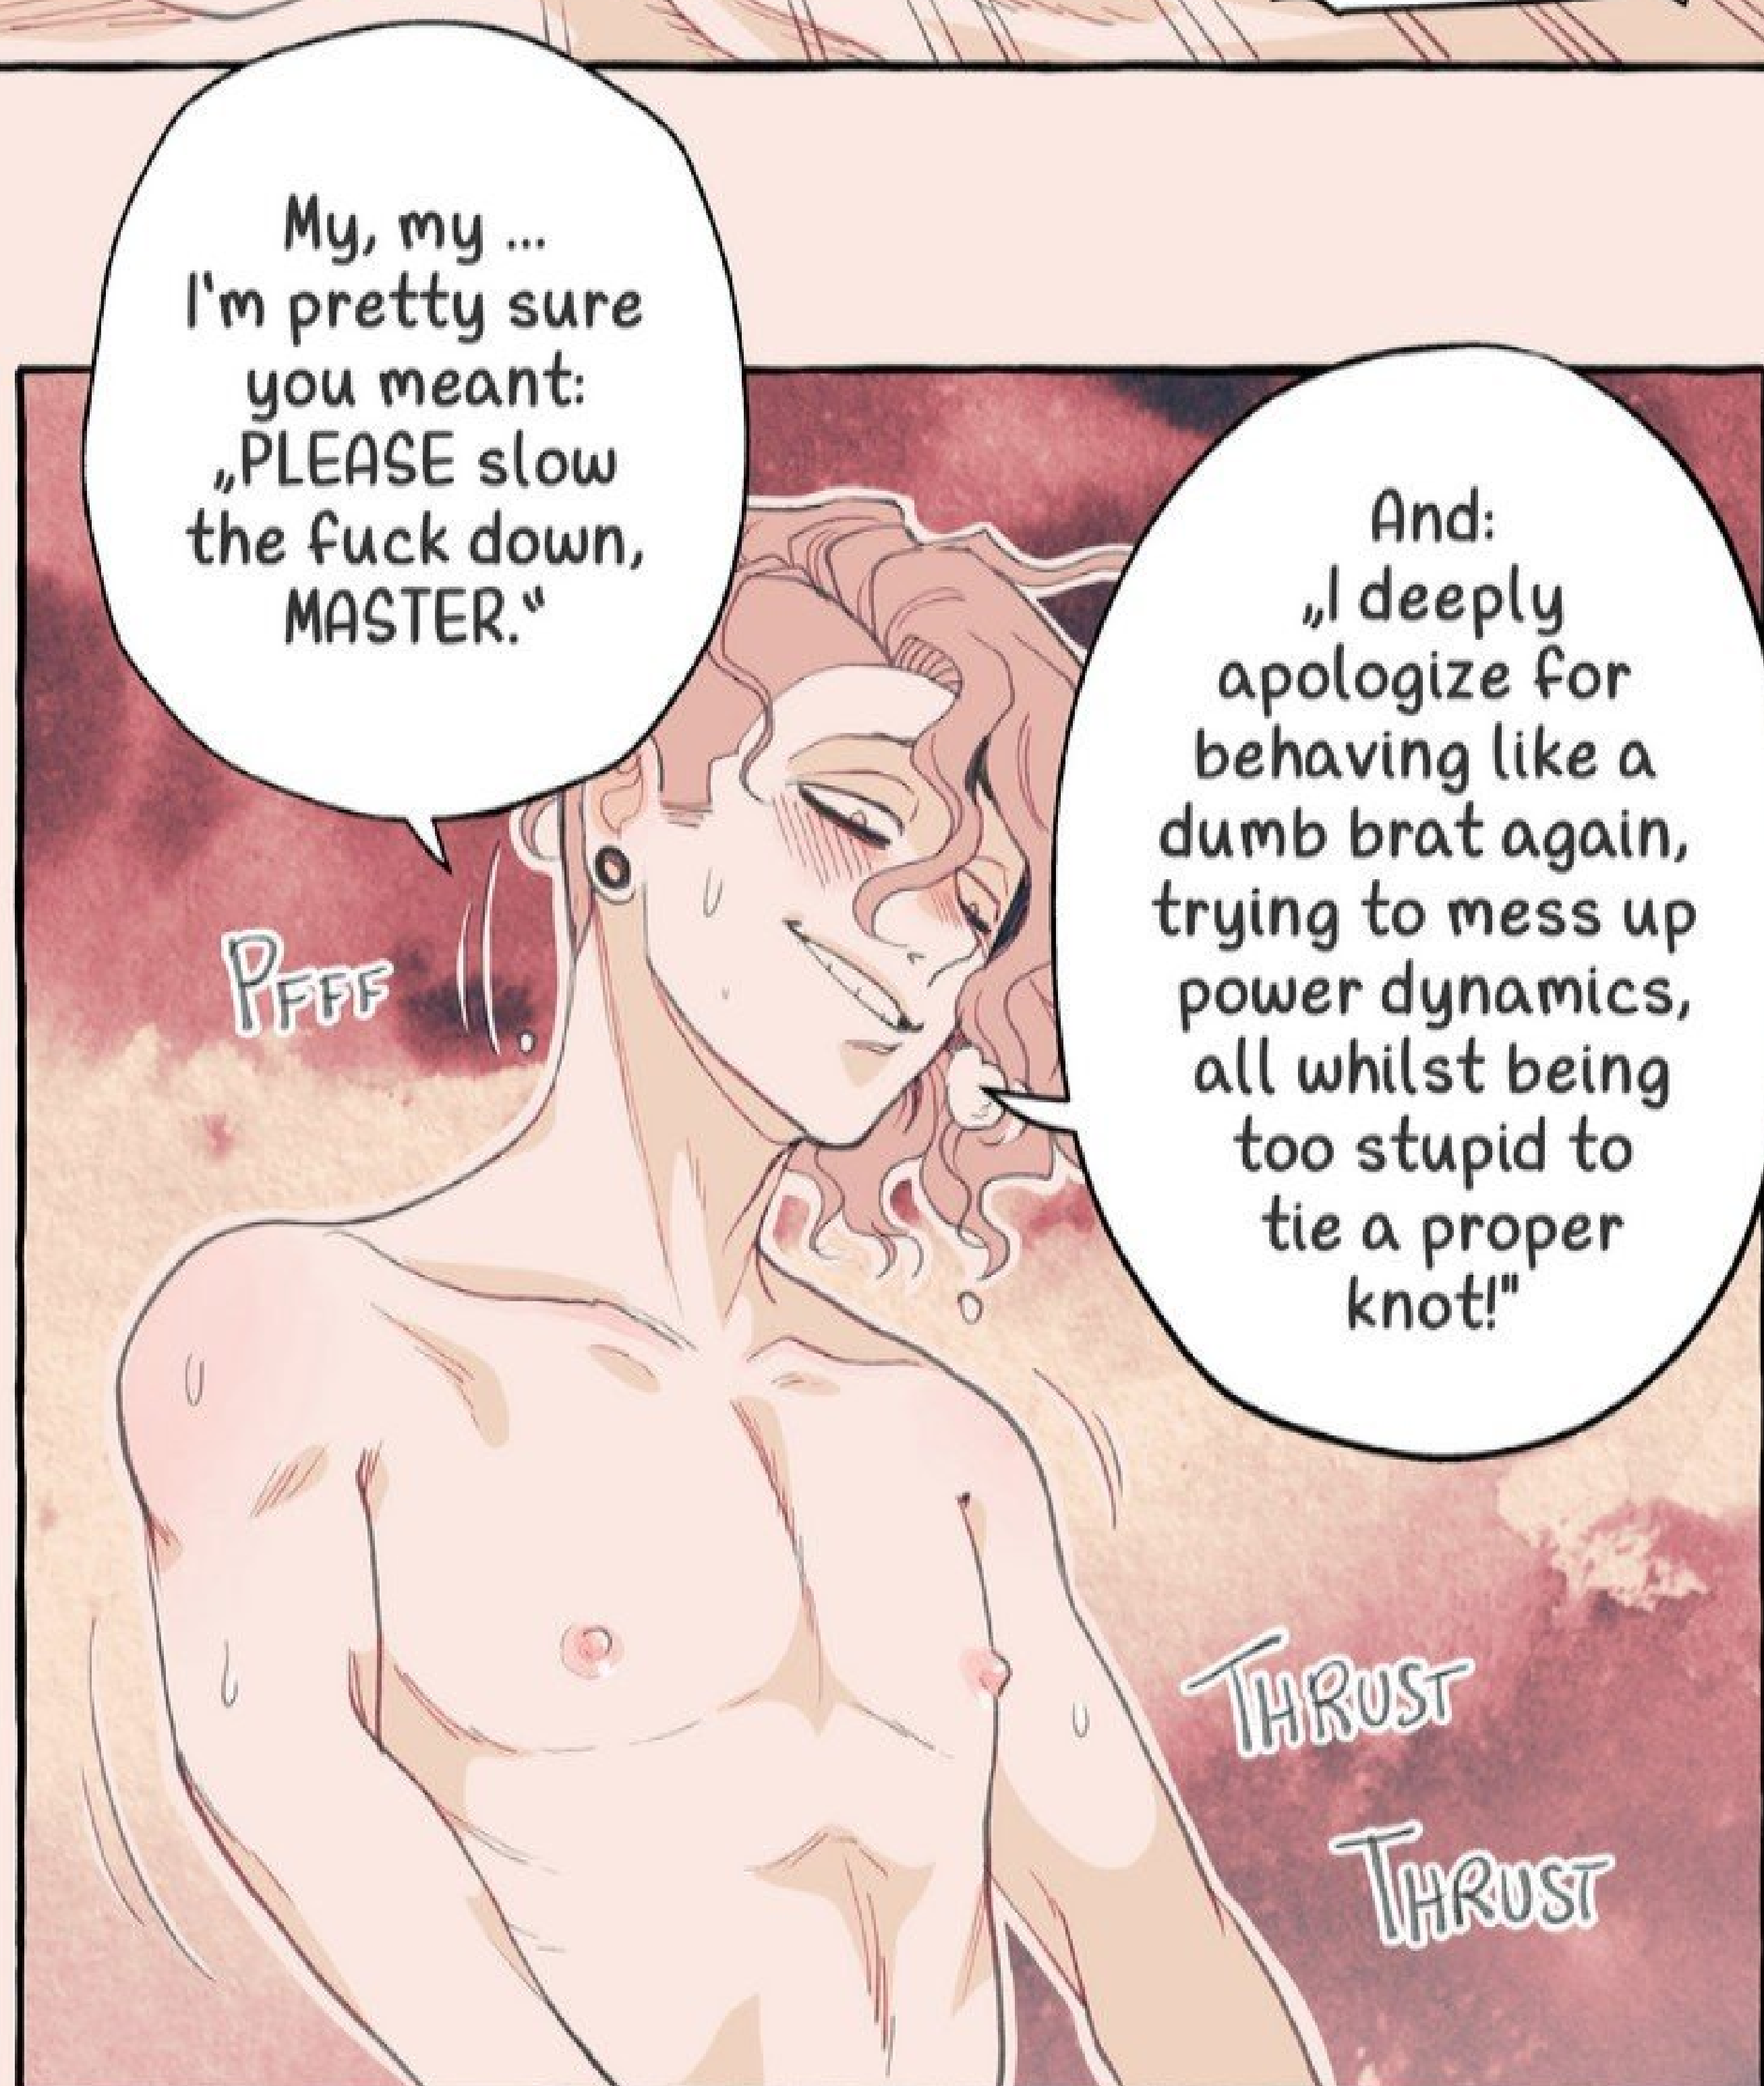

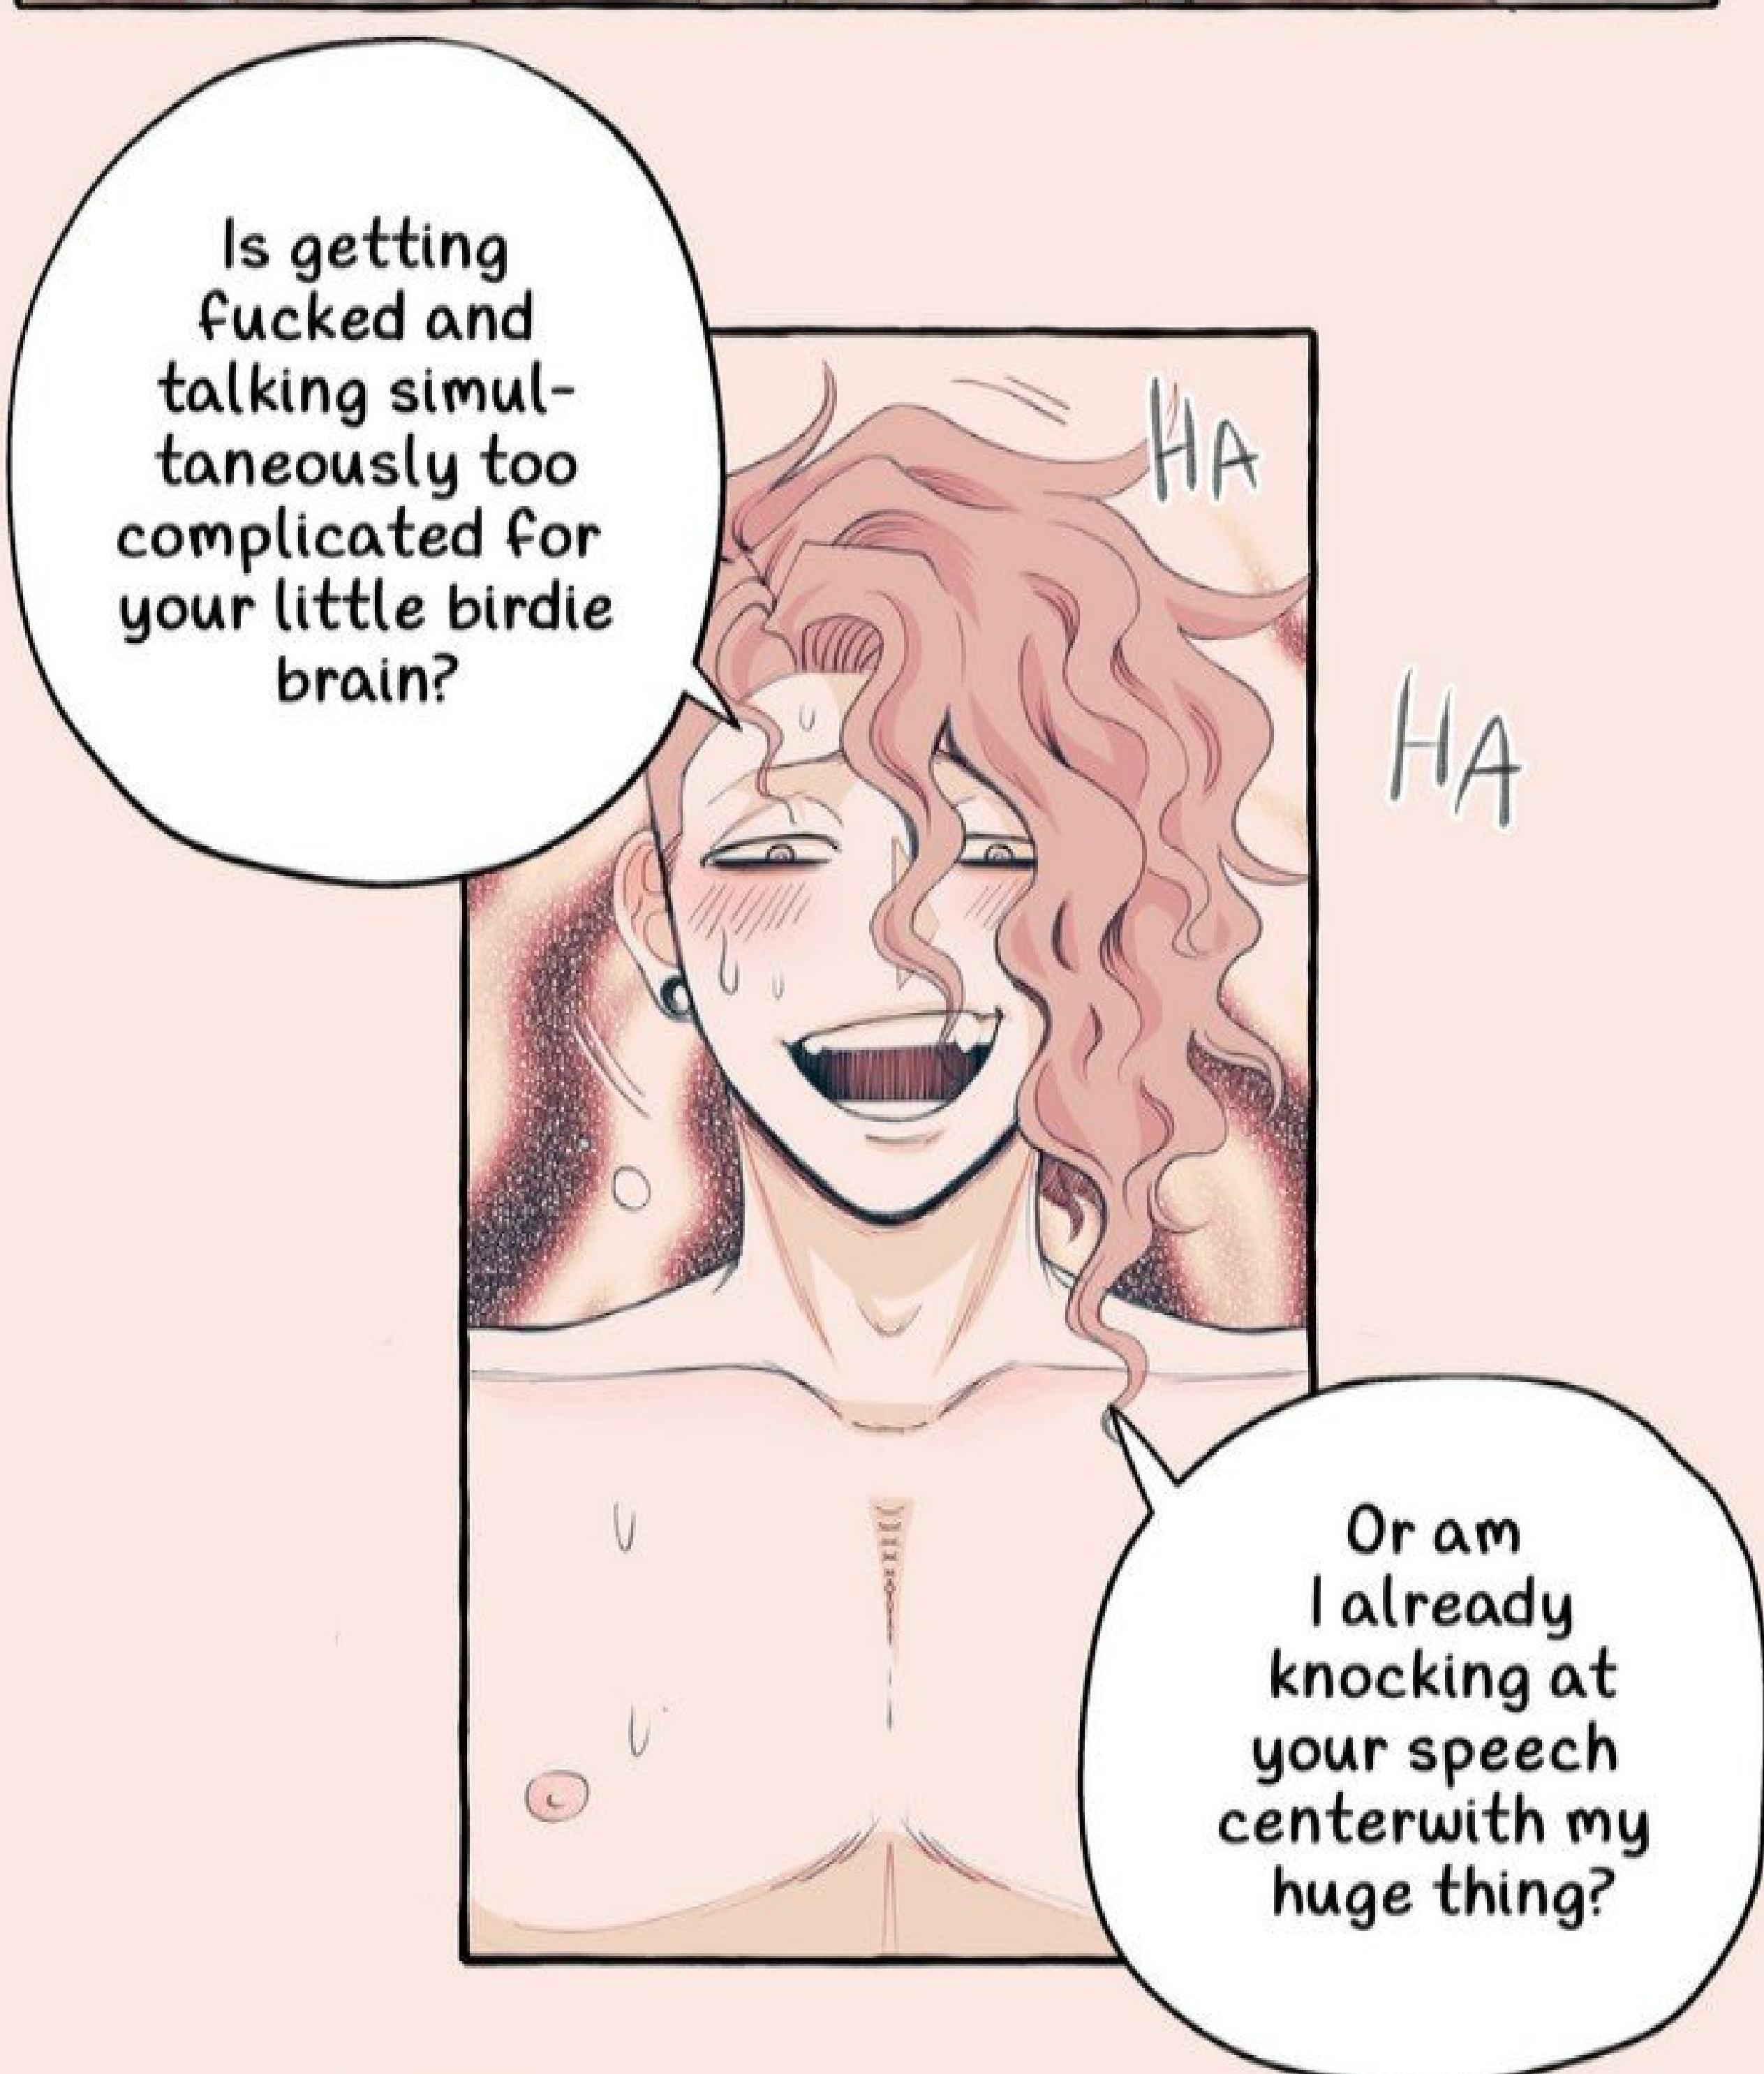

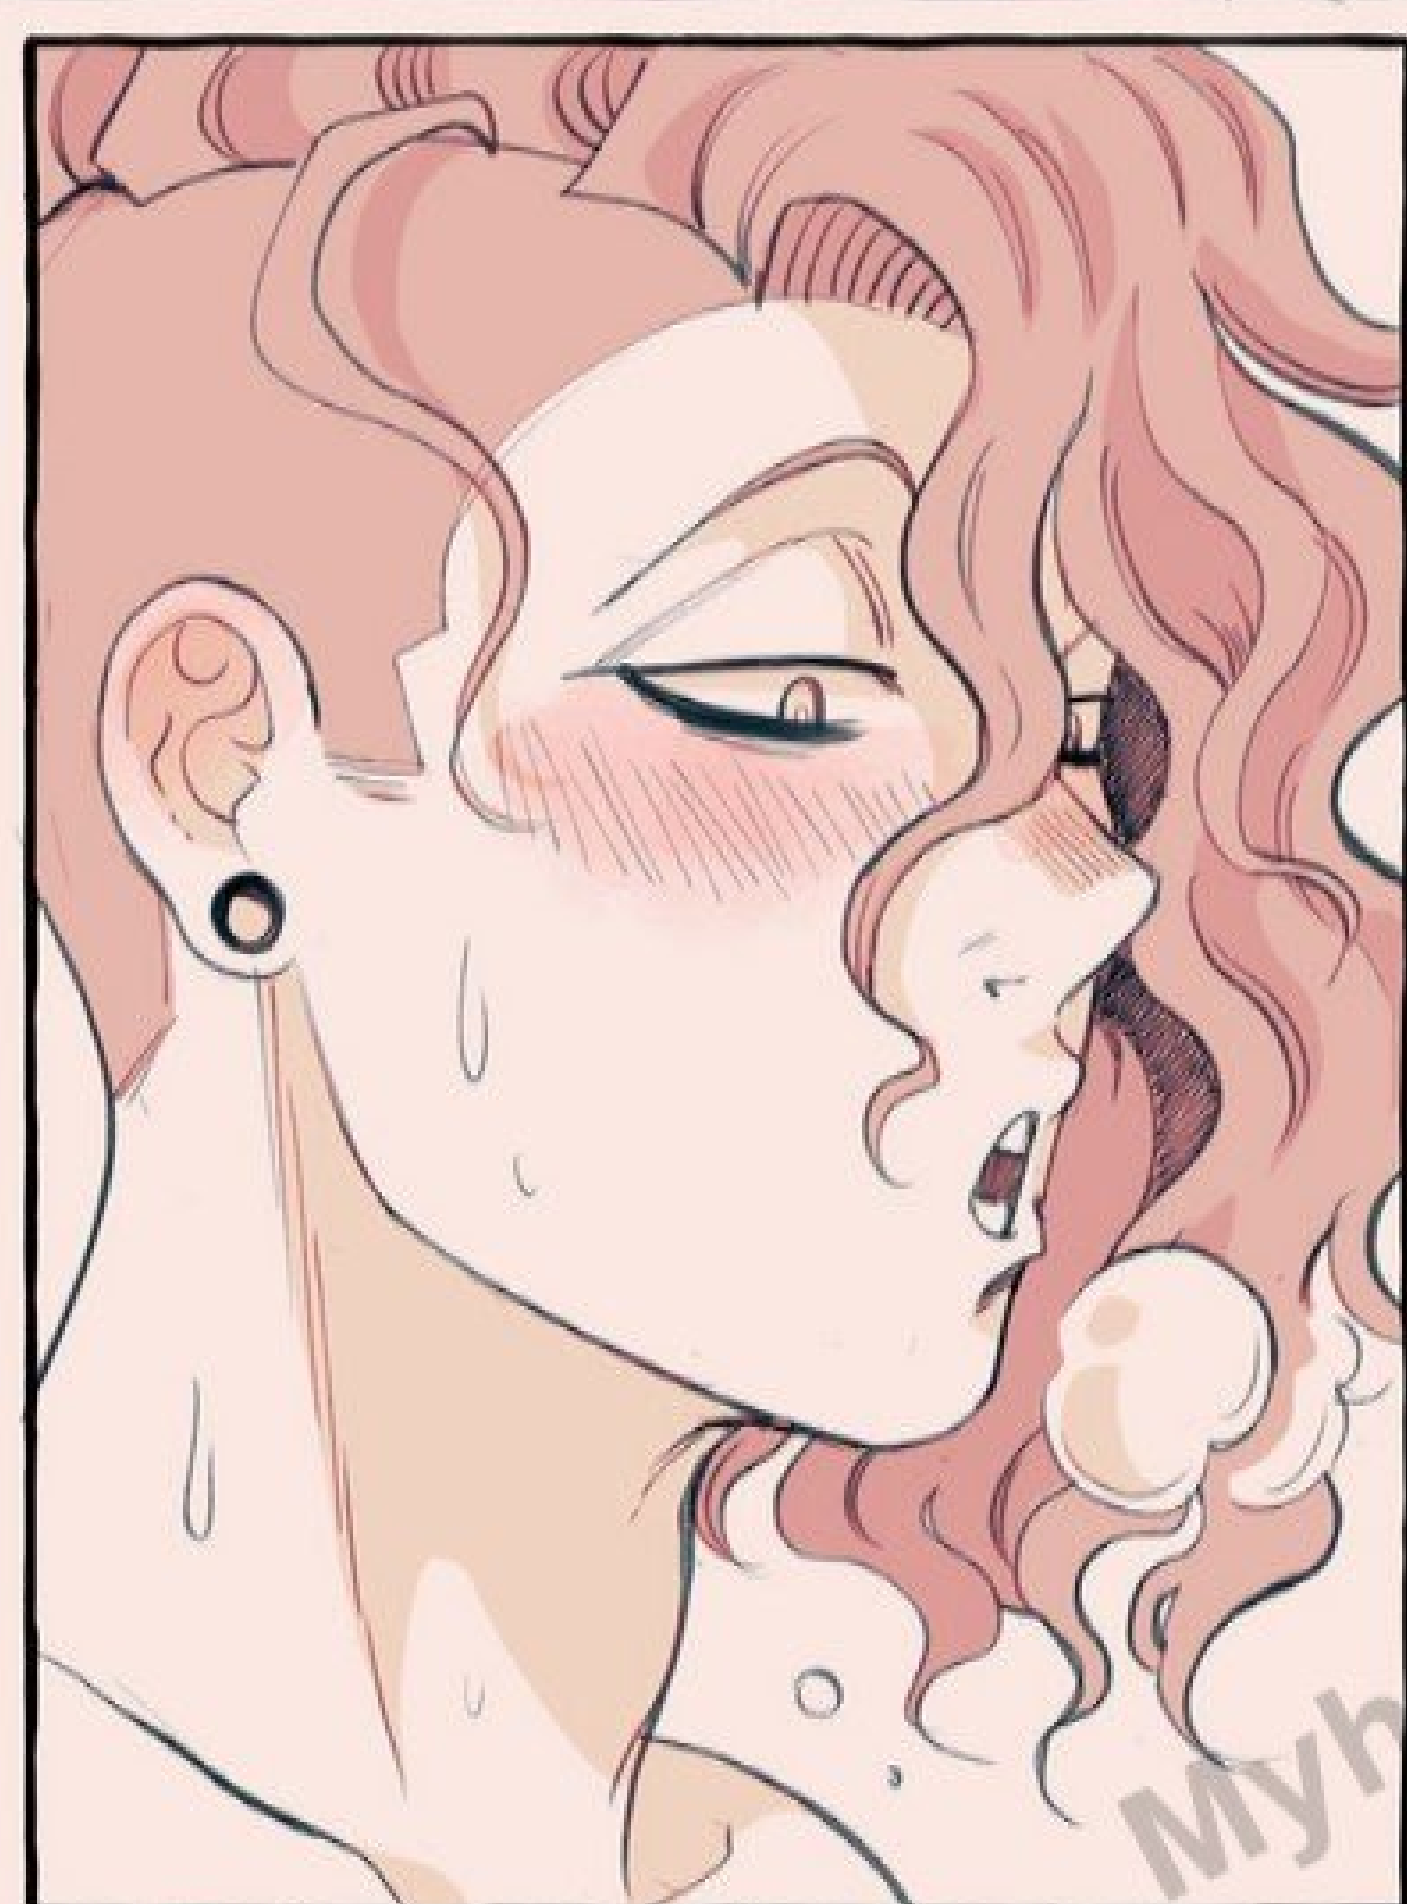

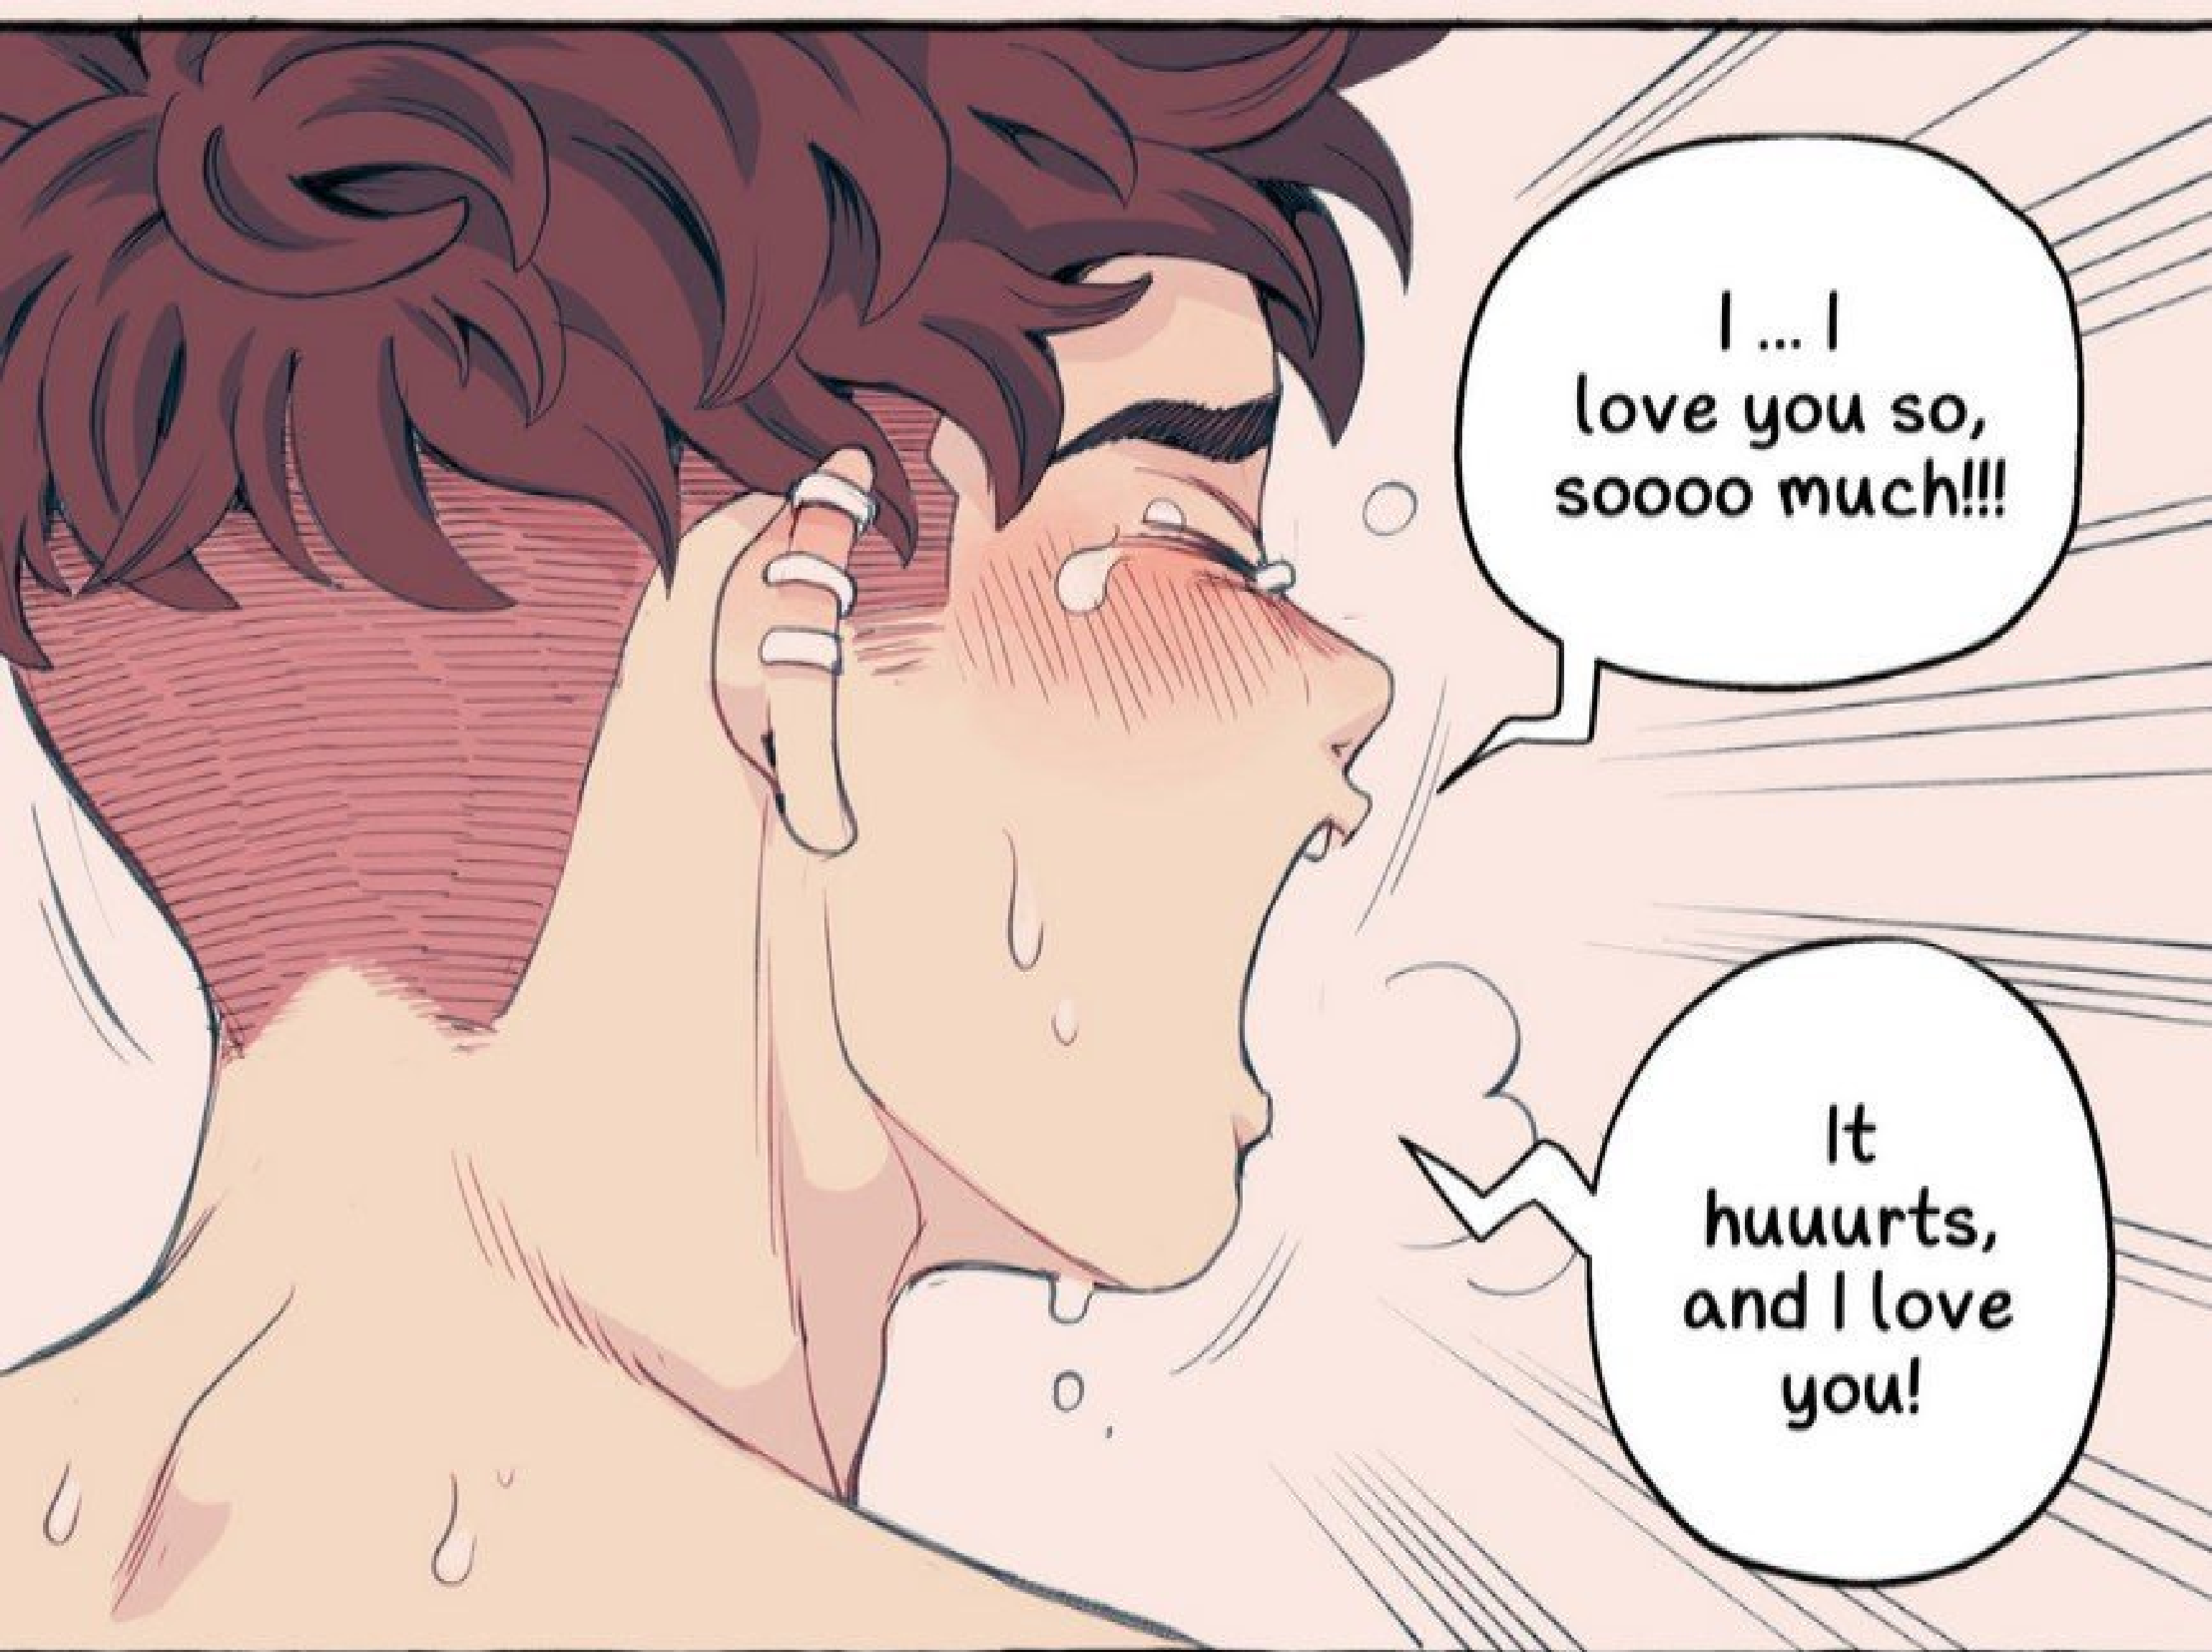

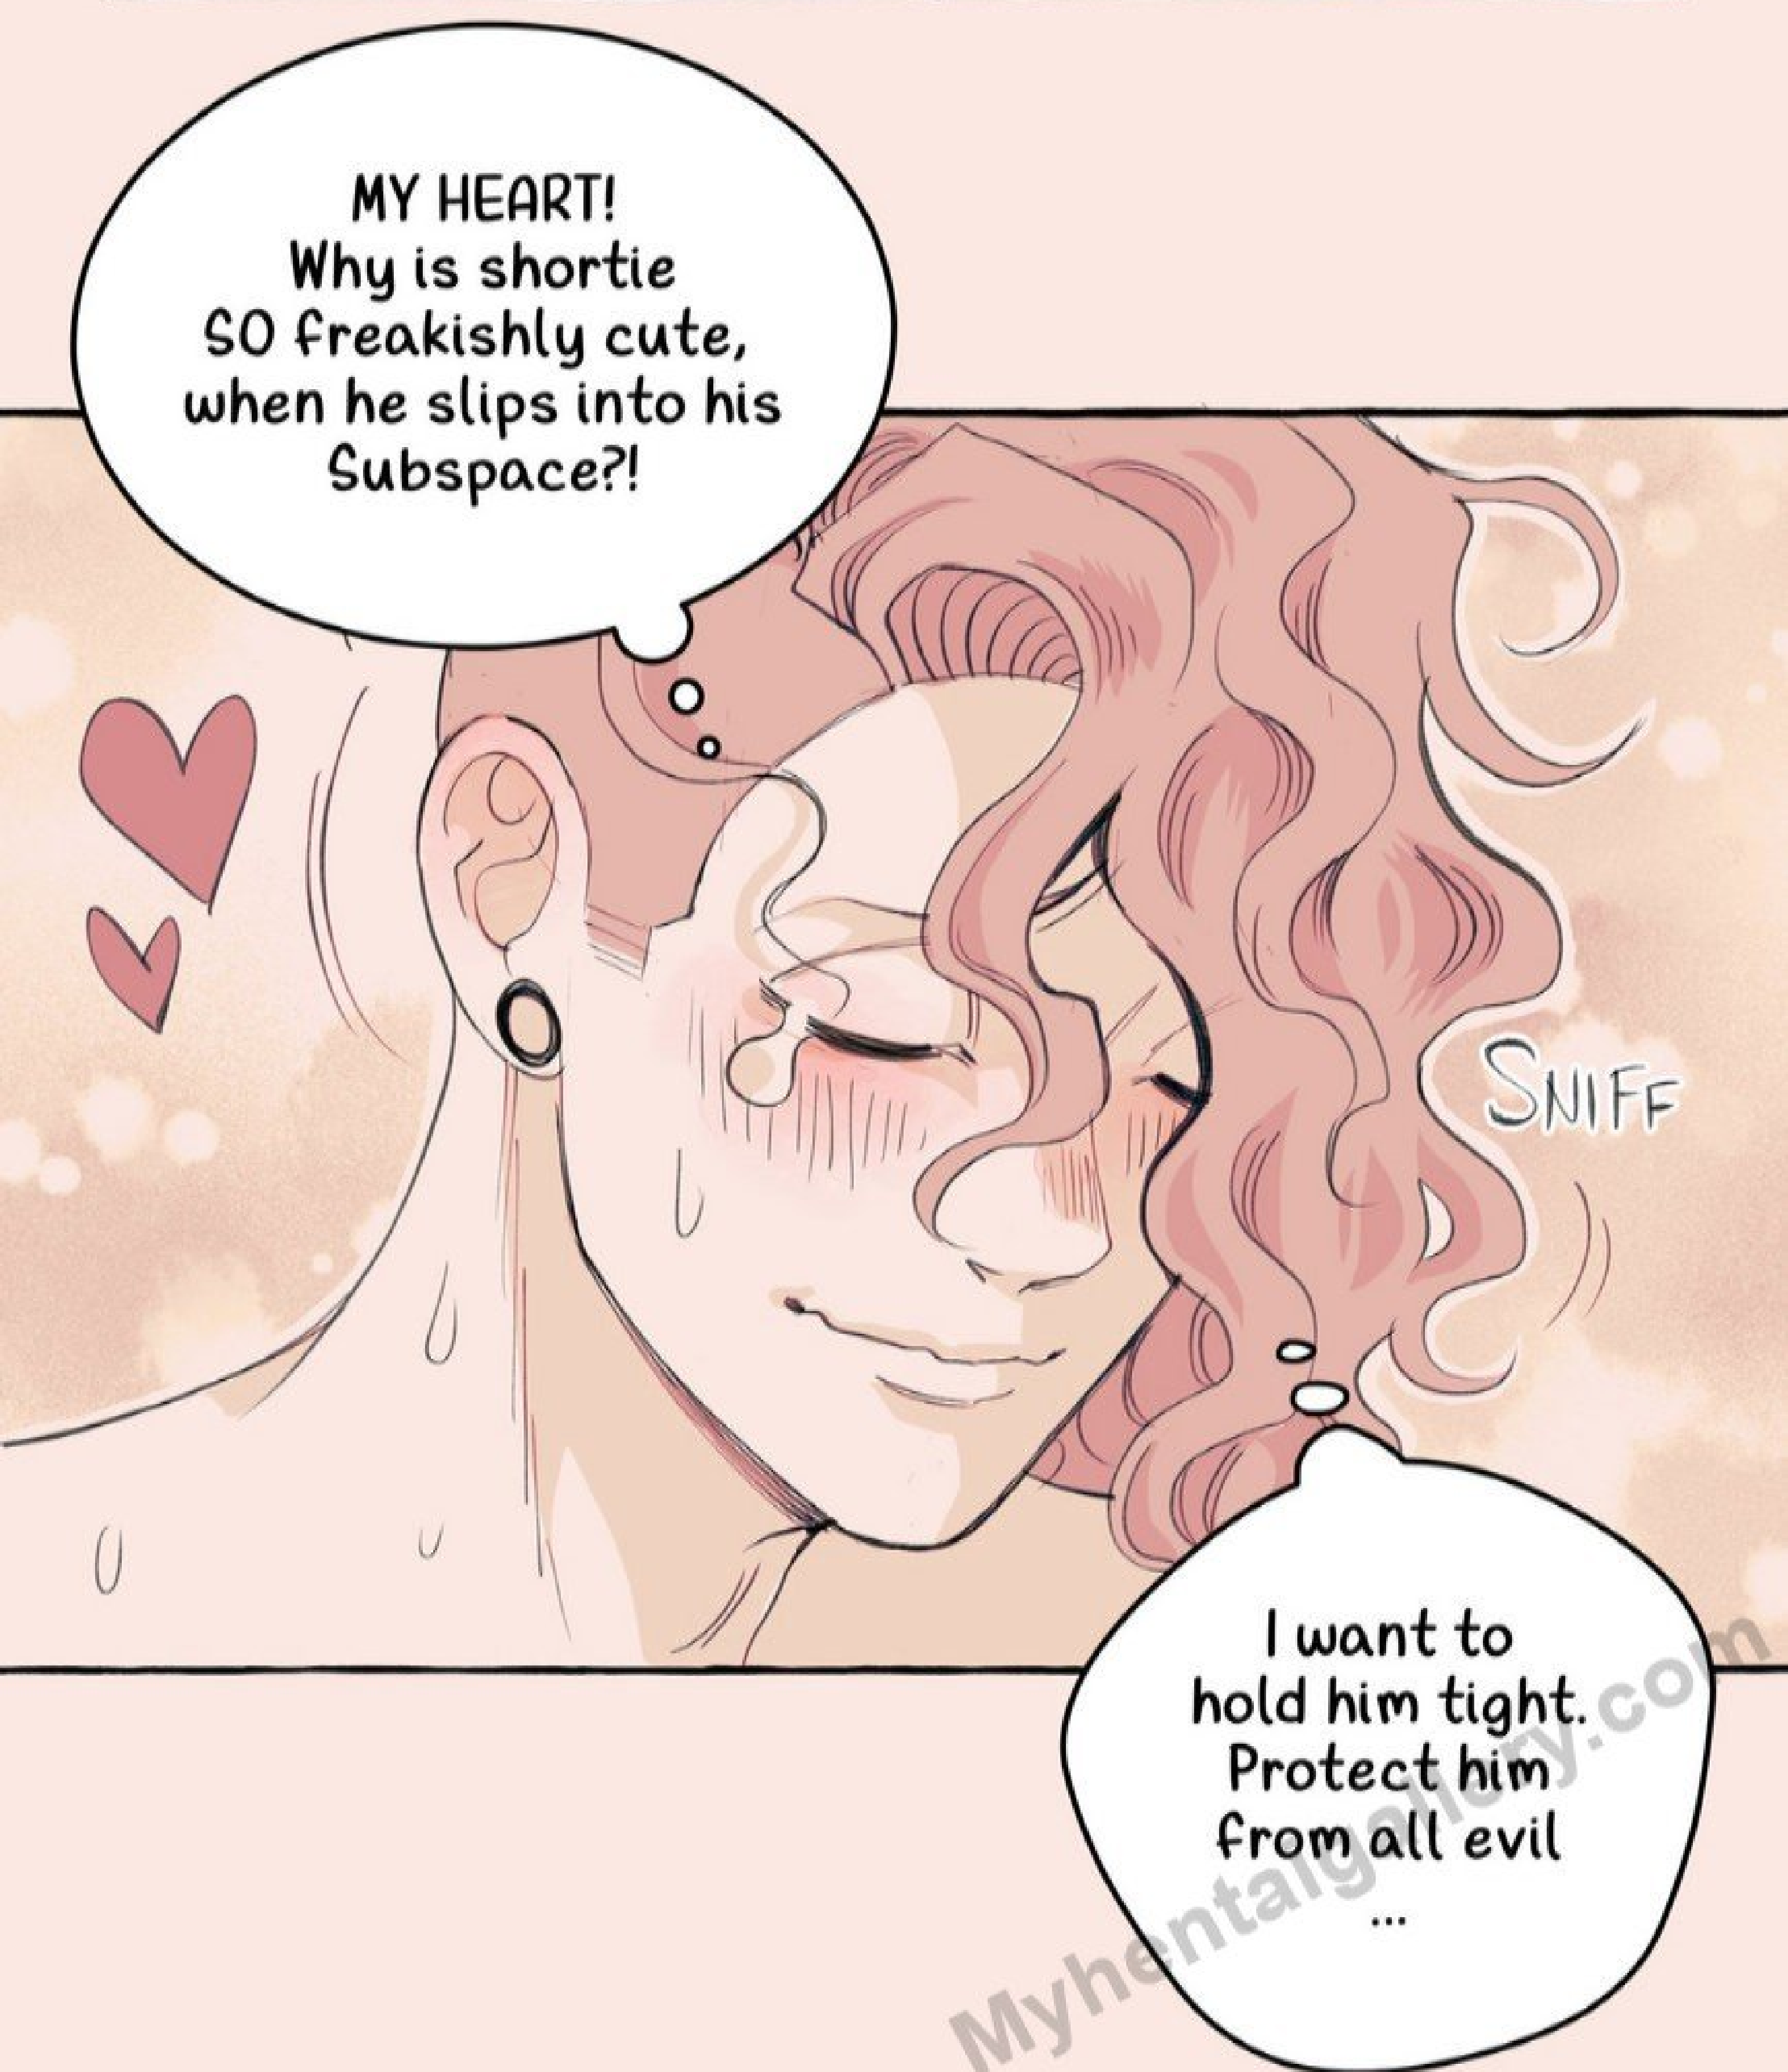

WTF???
Did he
just ...?!

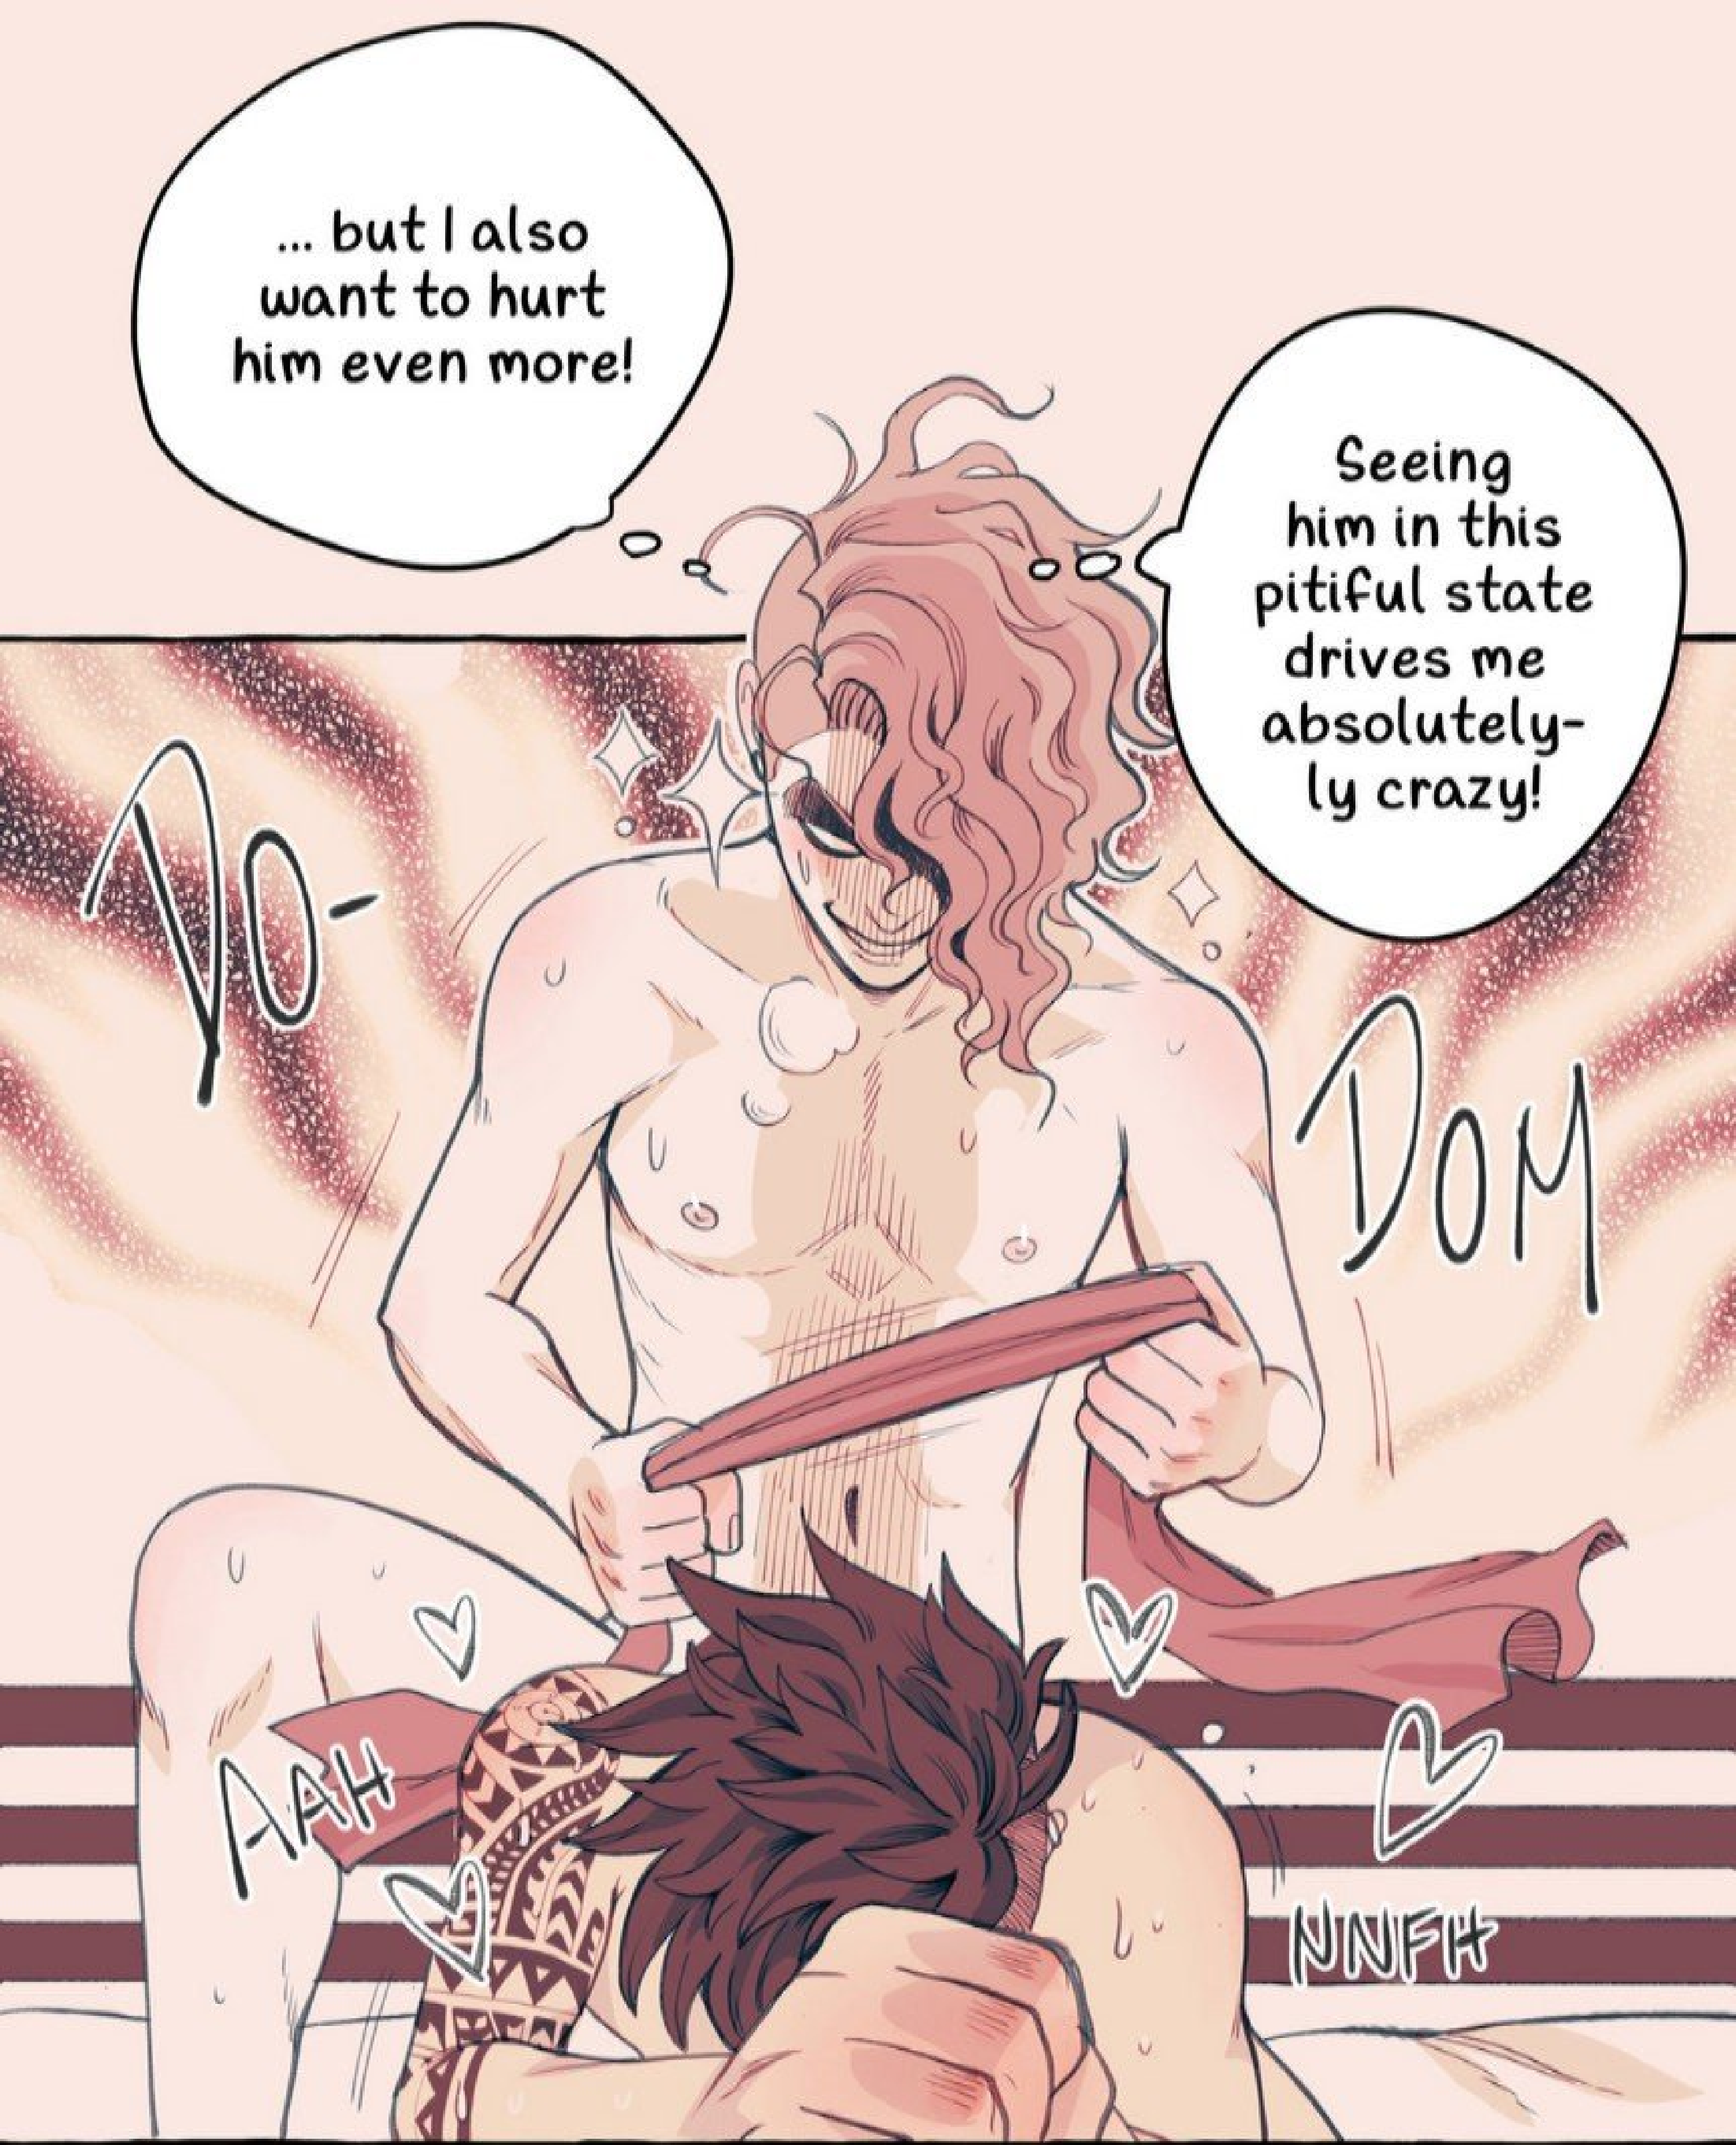

HURRAY!
BALLSdeep in
one go!

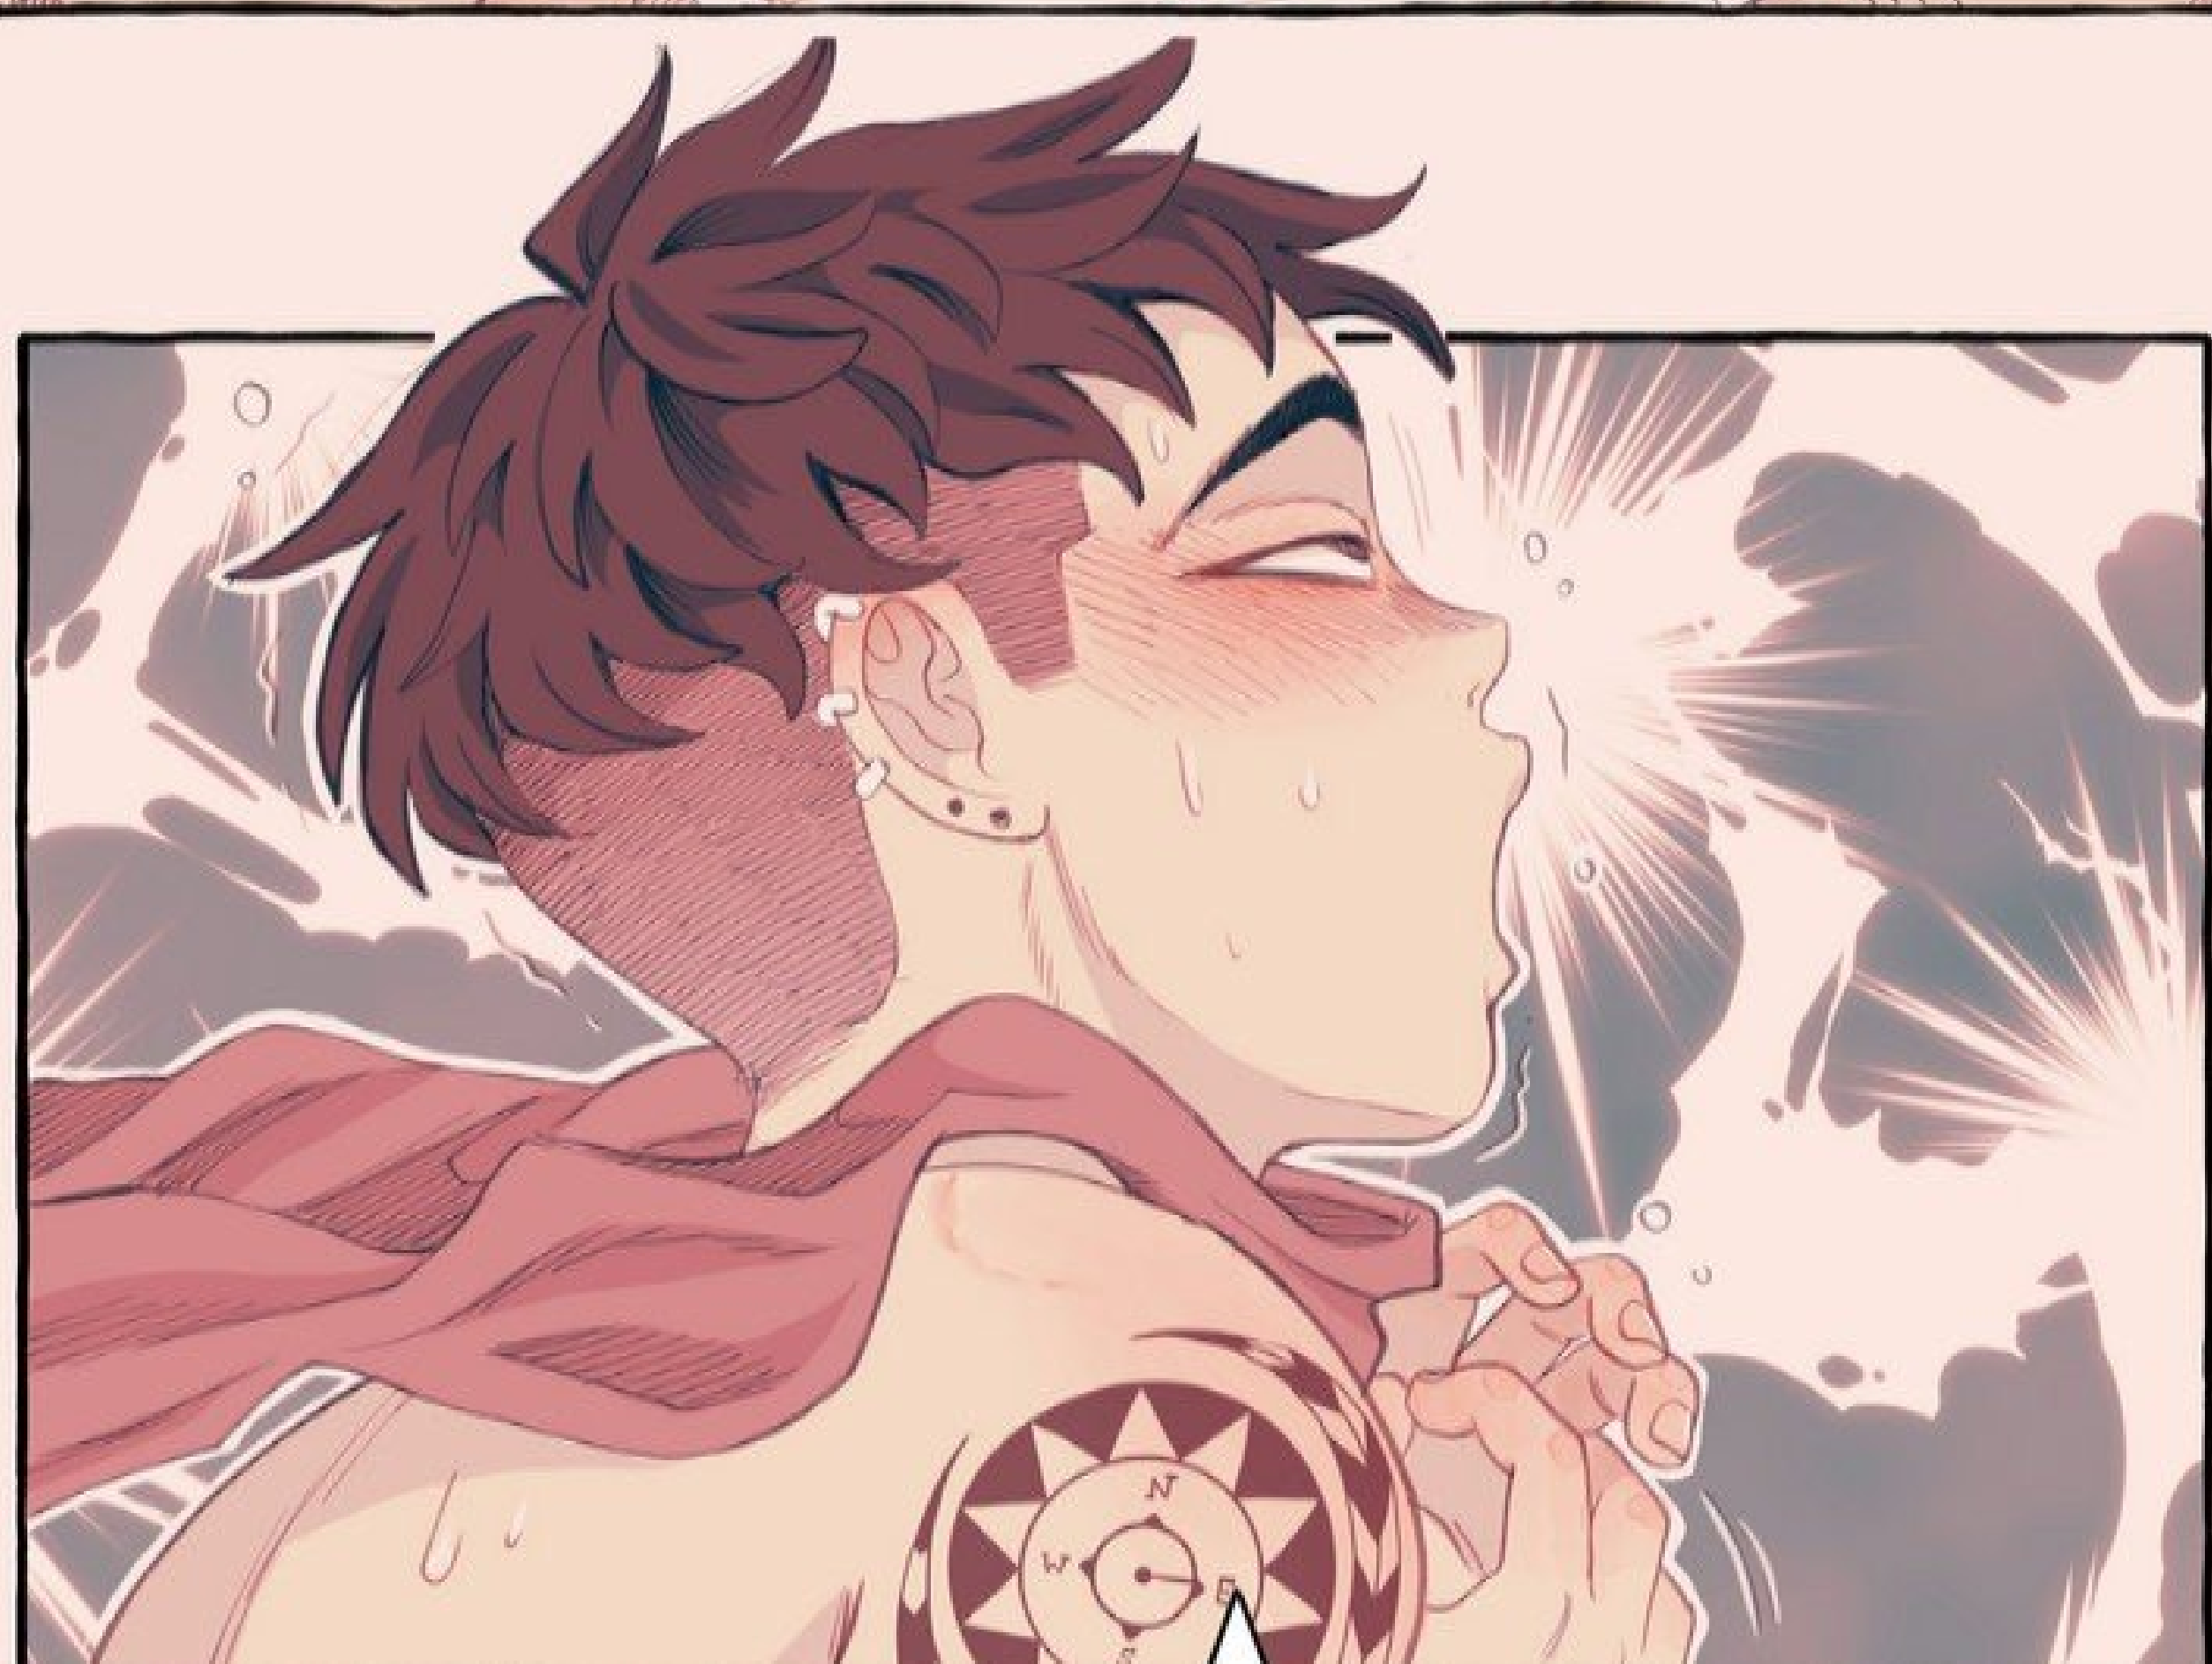

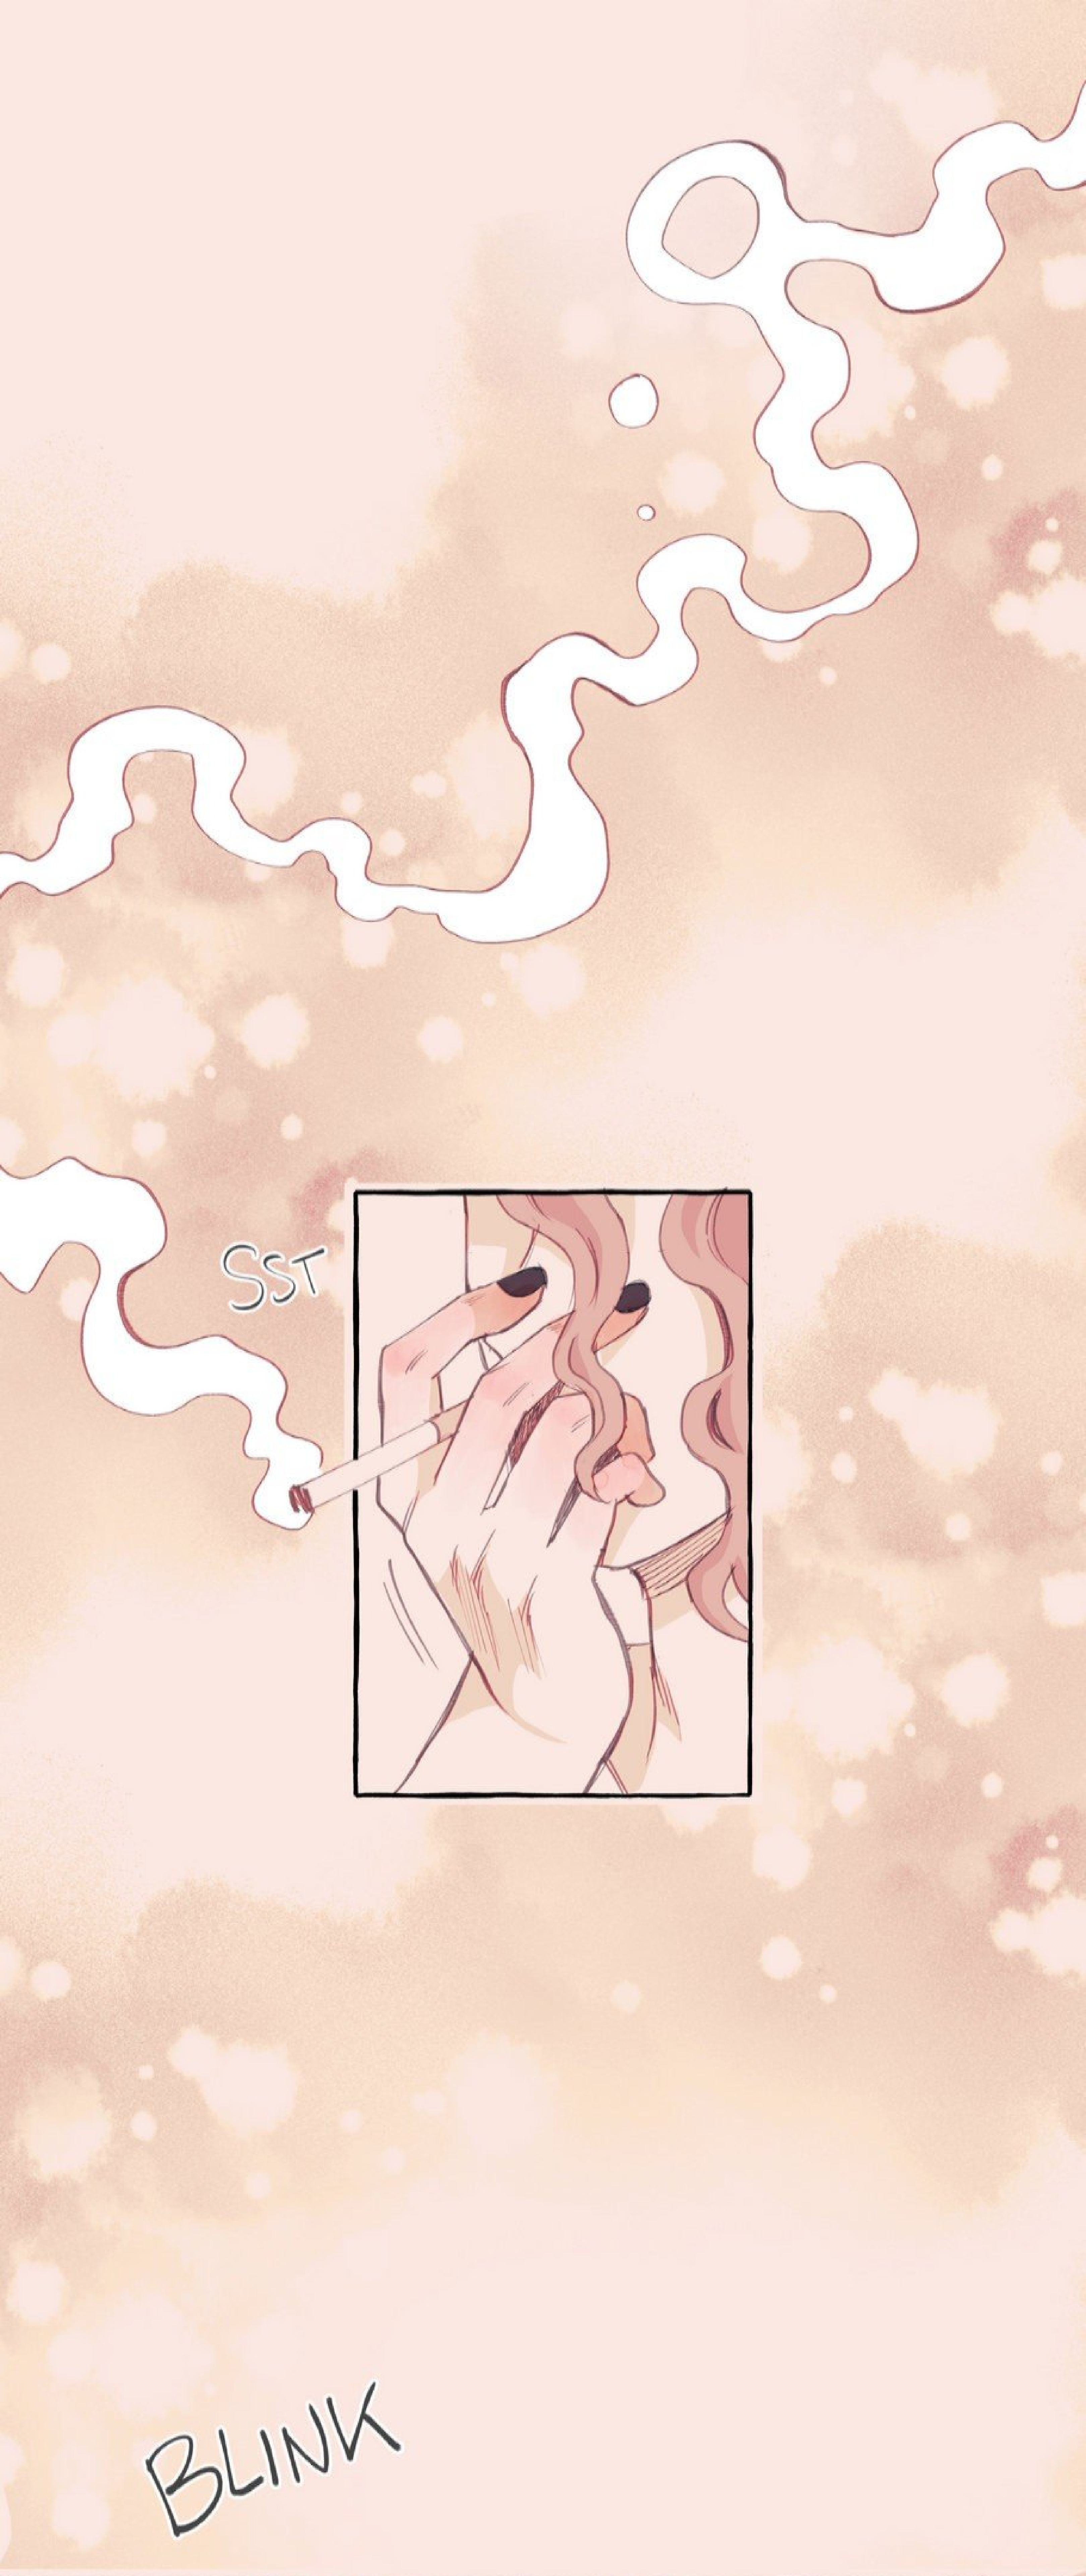

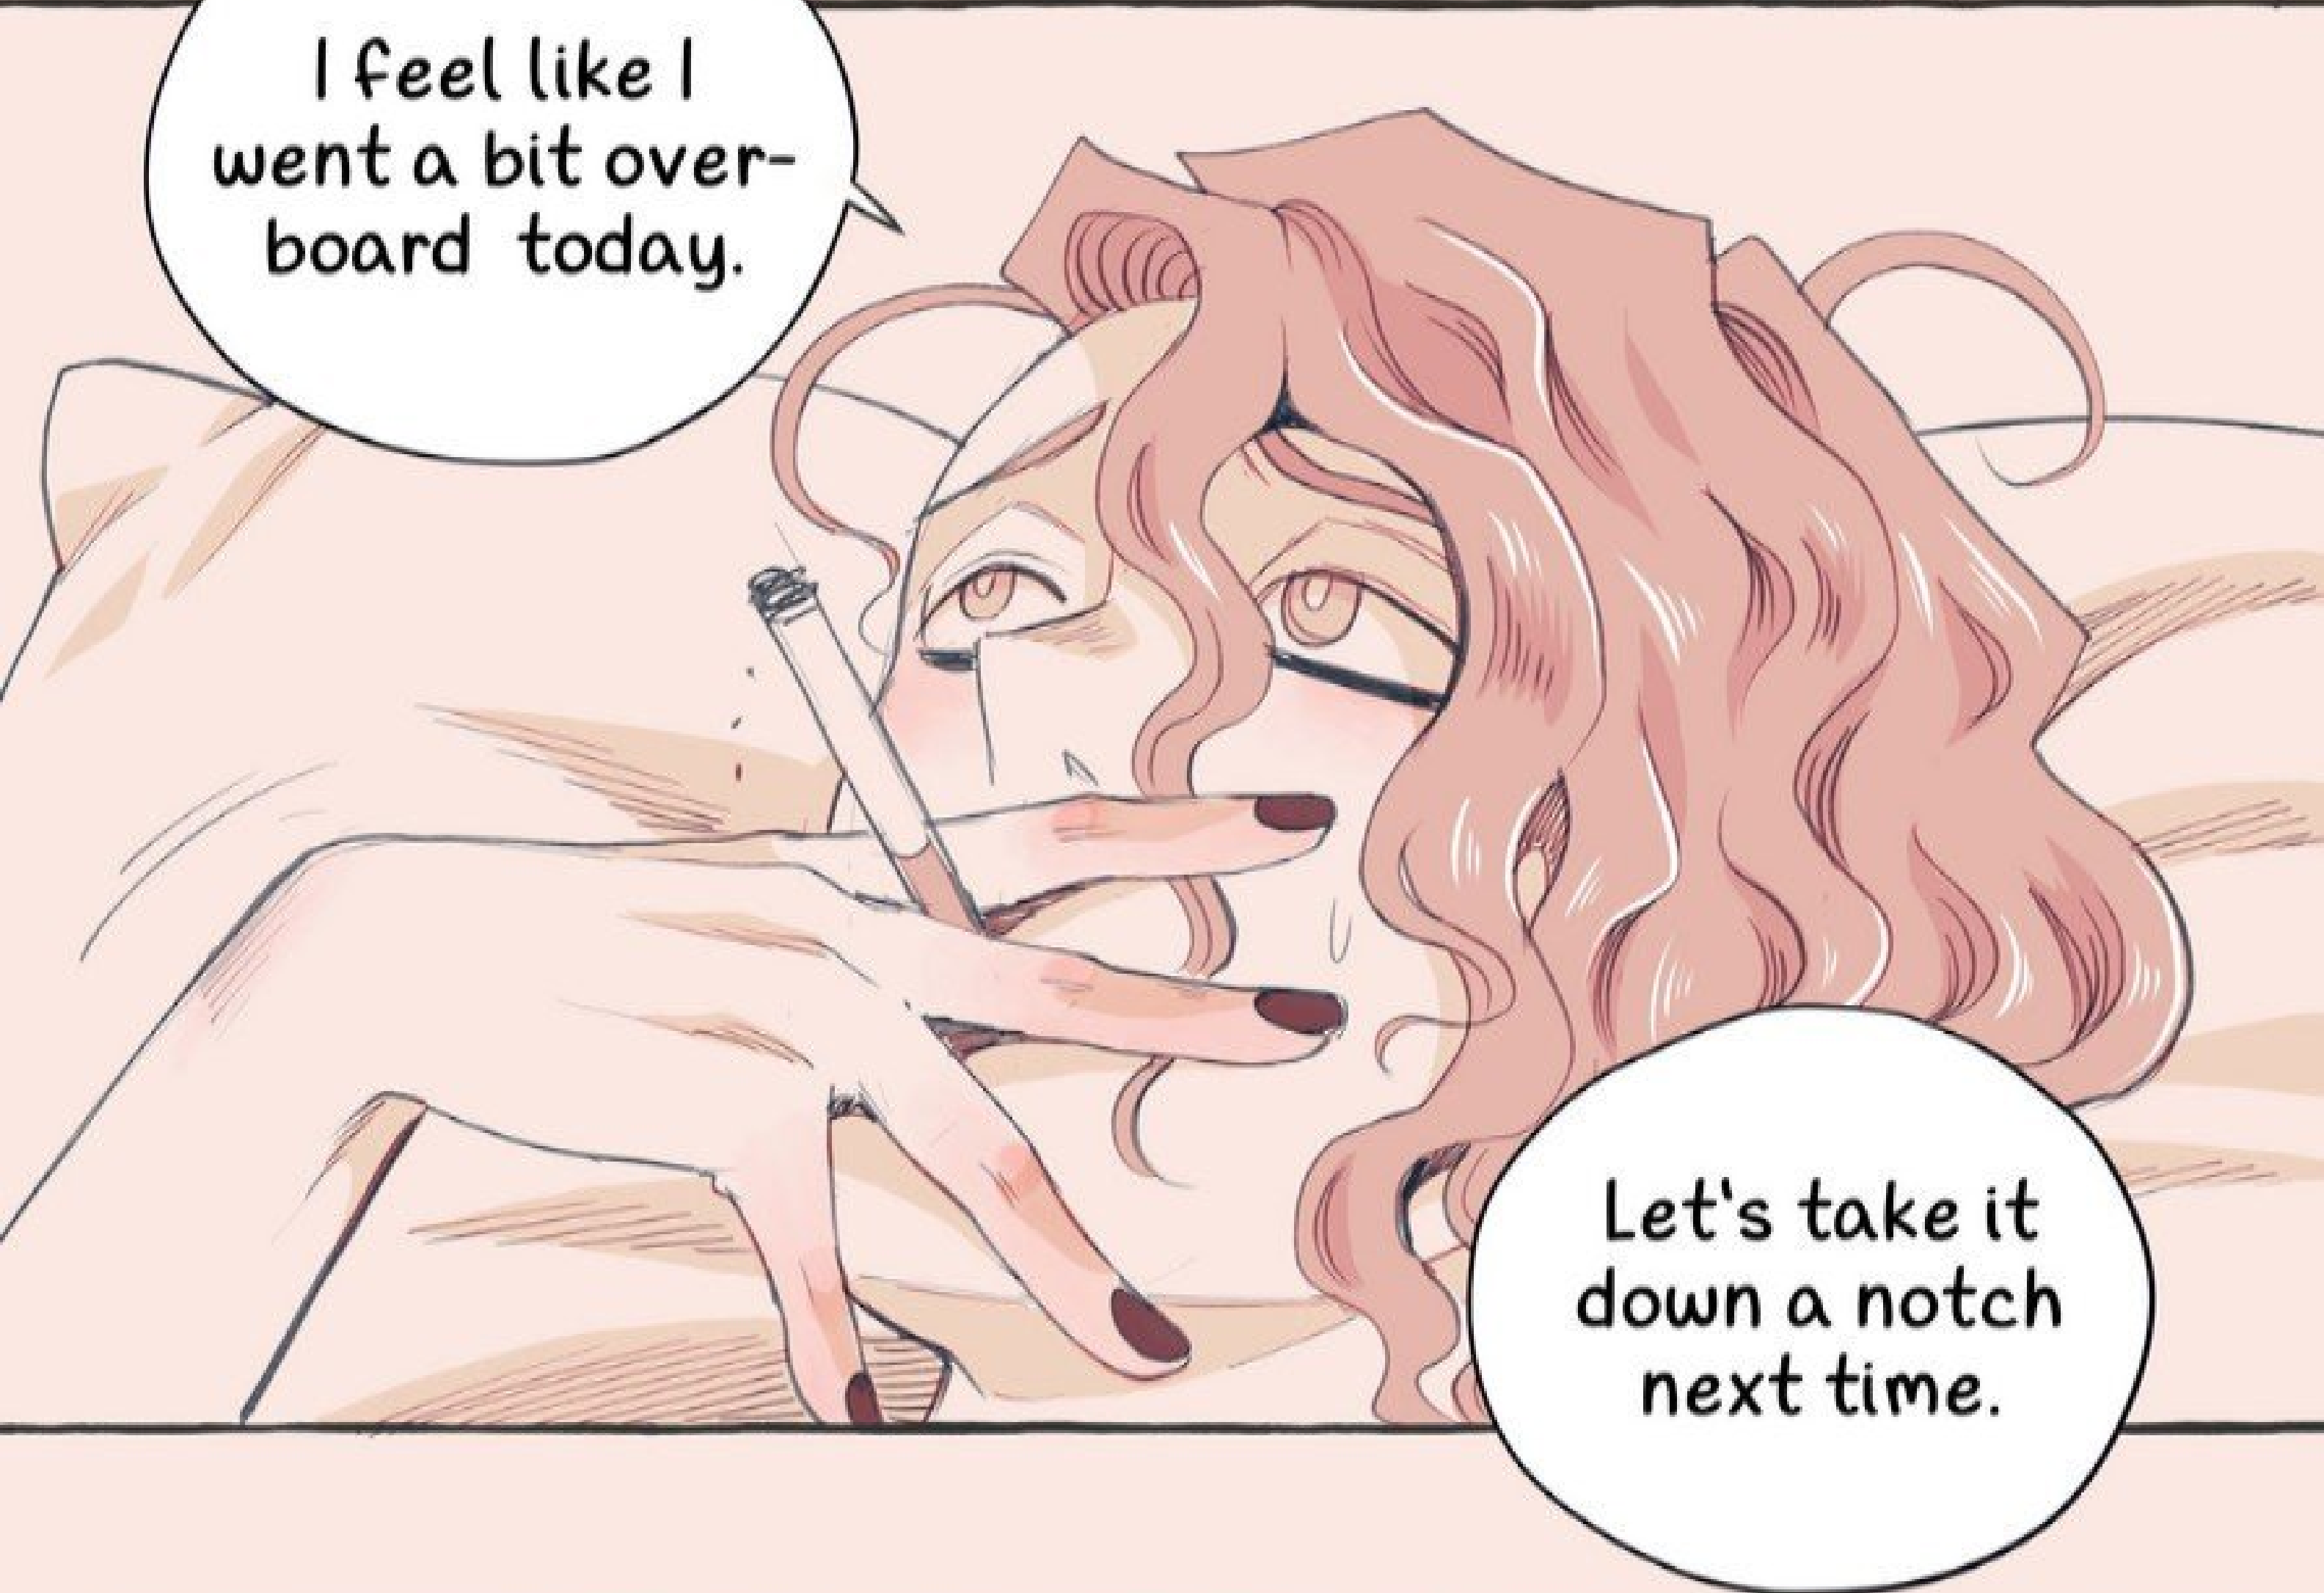

BLINK

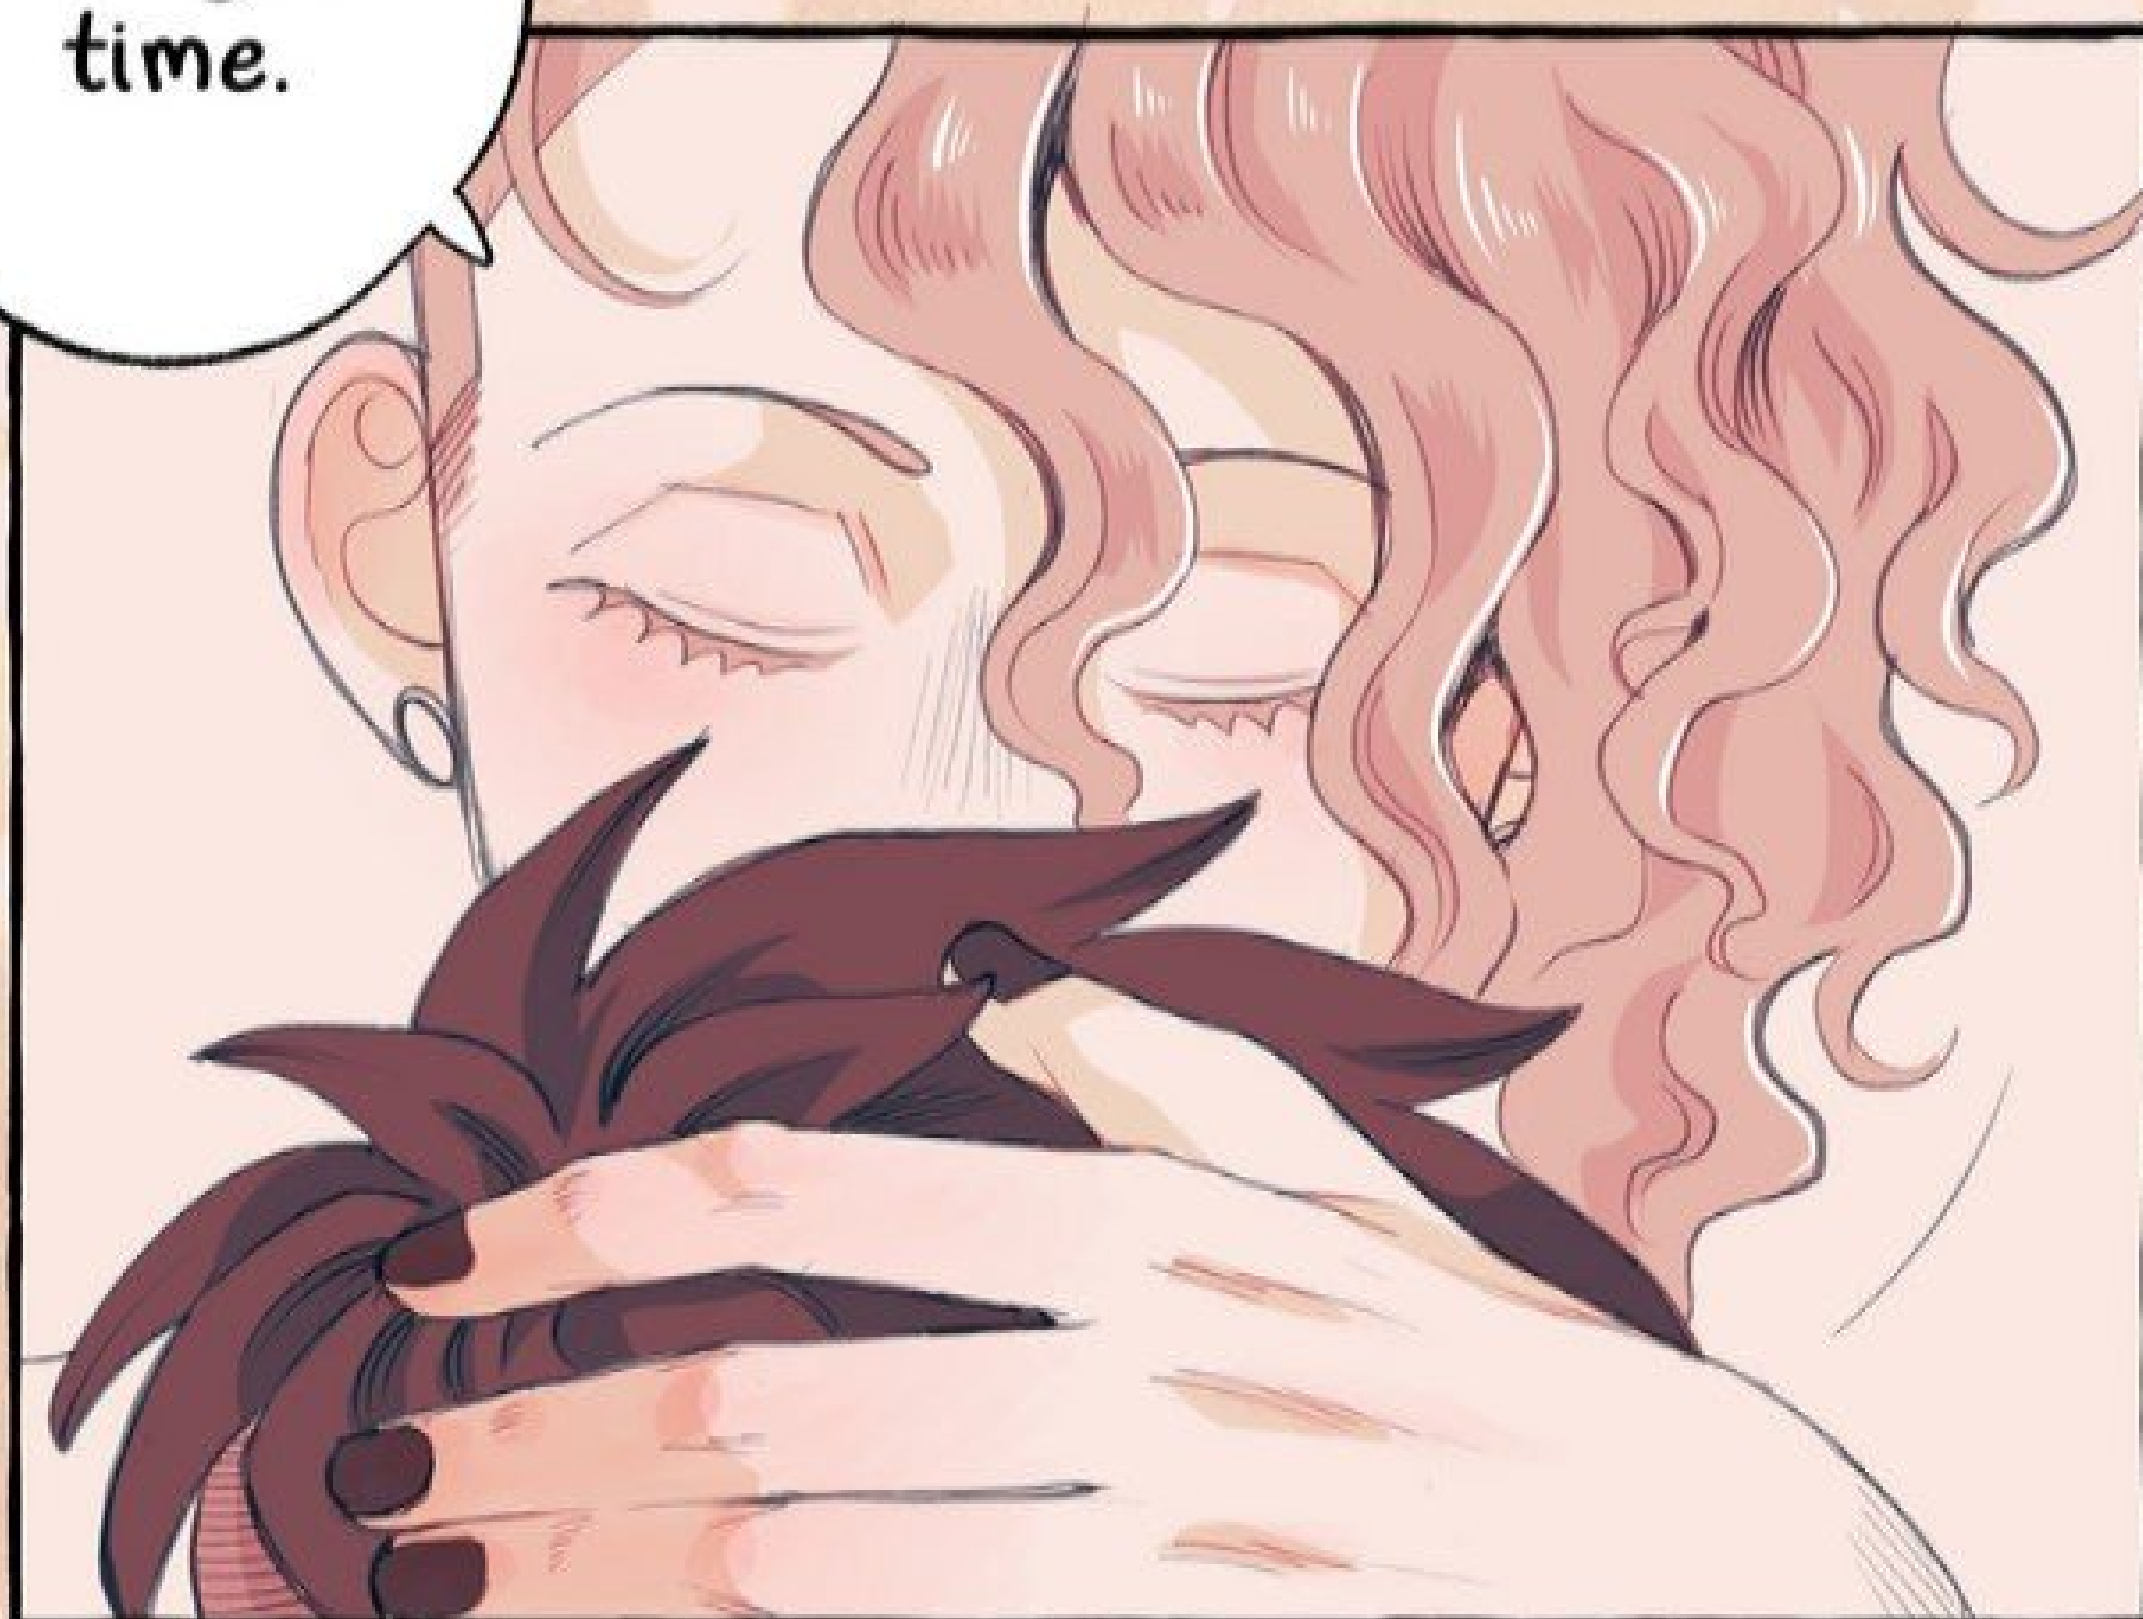

Please don't
tone it down,
Sir... please ...

Are you
crying, Go?

You're
not all there,
are you?

It's okay.
Take your
time.

I'm
very proud
of you.
