

Finn,
I can
sense your
stupid grin
beyond the
wall.

What
posessed
you to
even do
this?

You
were going
to fix these
holes today.

I thought
it would
be funny
to prank
you.

Fine
Fine, it
is a
little
funny.

Get
out of
there
already.

Yeah
...

A-about
that.

I'm
stuck
here.

Dude,
wtf.

The
evening
classes are
ending
soon.

I
FUCKING
KNOW,
ANO!

Ano
Tasked to patch up holes

If you weren't hard, I could slide it back in the wall and you can shimmy out.

I would be flattered, if I didn't have to stay here until the hall's empty.

Dumbass...

YOU touching my cock?

No way it would stay soft.

If I climaxed, it will be soft long enough for it to be slid back in the wall.

Finn
Got stuck while pranking Ano

Sex through a hole in public?

No way people actually like that.

HEY, there was a really good comic about that.

Fine.

Just cum quickly!

Feels good!!

H-hey,
Ano.

You

key on
you?

N-no!

It's in
my bag
that I left
in the
resident's
office.

Aw
shucks.

Finn's
in
there?

Yeah,
you've been
picking up
on these
situations
quick.

Tell me
about it.

He pulled
something
like this
after my
surgery.

What's
with the
towel?

Forgot
my key
when I
used the
shower.

Bog
could've
opened
the
door for
you.

They
were
participating
in the quad
flash mob.

Flash
mob
in 20XX?

Yeah,
right?

Finished
that English
paper?

Narr,
I was
procrastinating
last night
playing
TBOGT

HEY!!!
STOP TALKING
AND HELP
ME OUT OF
HERE!!!

Did you girls sandwich my cock with your asses?

Yup.

Cumming!

Finally.

Fuck, this position's too tiring!

TAP TAP

TREMBLE

Okay,
Finn. You're
almost to
the hole
in the supply
closet.

Now that
Finn's cock
is soft, he
is moving
his way to
the hole he
entered
from.

GOOD!
The after-
noon classes
just ended
and students
are coming
back any
time now!
