

"There Can't be any harm in using the teachers shower" Jake said to himself. "Since the student's shower still being renovated and that...". "After all" he thought to himself, "it's not like anyone uses it, and I don't wanna smell like a skunk when I head to my part-time job". Just as he entered the shower a soft voice behind him said "I think you got the wrong shower". He turned around to see the curvy figure of miss White, the math teacher. Her eyes wandered down and focused on his throbbing cock. "I'll just go, s-sorry" Jake managed to squeeze out. "It's okay" she said, "I don't mind".

"Just stand still for a sec" said Miss White. "Let me get my phone, I need a picture of that big gun you carry around". Jake could feel his blood rushing to his face, the blush spreading like a wildfire. "I- eh-w-well..." he stuttered. "P-pict-- waow...". It was difficult to concentrate on anything else when roundest and biggest ass ever to walk the school's corridors was bouncing up and down in front of you. Jake felt his cock stand to attention. "A-am I dreaming this" he said quietly. "Haha, no, but I'll take that as a compliment" Miss white replied.

A soft hand grabbed his cock. "Hold still while I take the picture". Jake felt confused, it all happened so fast. "Erhm sure" he mumbled. He thought for moment, then... "W-wanna do it?!!". The words rushed out with a slight tremble in his voice. "Why did I just say that?" he thought to himself blushing even worse. "I wouldn't mind trying it" a voice said and giggled slightly.

"I can't I turn down such a GIANT offer" she said with a big smile and walked up to the door leading to the gymnasium. "Are you coming?" "Y-you wan't to do it in there?" Jake said almost choking on his words. "There's no more class here today" Miss White said and shrugged "Besides I bet you need some space swinging that fat sausage around"

Jack hesitated "I should be heading to work and what if someones catches us?" He looked up at Miss White posing against the wall on the opposite side of him. "And then again,who cares!" he thought. He started to walk towards the round and busty teacher. His cock swung side to side. He noticed she was taking more pictures of his 'fat sausage' as he approached her. "I think someone has been a bad girl" he said. "Perhaps a good spanking with that big meat whip would teach me a lesson" she replied, her eyes not leaving his member. Jake walked up to her, grabbed his dick, and slammed it against her fat ass. The huge butt jiggled like jelly as he continued to spank it. "Oh I have been so bad" she cried out. "Make me pay for it!" Jack looked at her with a big grin on his face "You could start by deepthroating my cock Miss White"

Miss White slowly bent down putting the tip of Jack's cock in her mouth. "Oh god, M-miss White, it feels amazing!" Jack said while breathing heavy. "C-Careful or I'm gonna cum"  
He thought he saw what looked like a smile on her face "Well, as much a girl can smile with a big cock in her mouth" he thought to himself.  
Suddenly she grabbed his dick with both hands and started jerking it rapidly while sucking his oversized manhood.

"W-wait! I'm cuming!" Jack shouted. He could feel his dick throbbing, suddenly he exploded, pumping cum into Miss White's mouth. To his surprise and delight she just continued blowing him, using his cock like a giant straw swallowing load after load. "You swallowed 5-6 mouthfuls!" he said looking surprised.  
"Let's get you hard again, You wanna fuck me don't you?" she said while licking some cum of the tip of his dick.  
"Hell yeah" he yelled! "Especially that fat ass" he thought to himself with a smile reaching from ear to ear.

Miss White took his half flaccid cock and forced over half of the monster down her throat. He could feel it slowly getting hard again. He snapped a couple of pictures with Miss White's phone and felt a great urge to give her ass a good pounding.  
"So Miss White" he said, feeling slightly nervous about the question he was about to ask. "Wanna put that ass to good use?"

She stoped sucking his dick and gave his fat cock a stare.  
 "You want to fuck my ass?" Miss white said with a hesitant voice.  
 "I'll be gentle" Jack said walking up behind her starting to rub his massive dick against her big soft ass.  
 "F-fine" she said "But I'll be on top setting the pace"  
 "Sure Miss White"  
 Jack sat down on the floor and let the plump ass of the math teacher slowly swallow the tip of his cock. Once she had about a third of it in she started moving slowly up and down.  
 "See Miss White, if fits perfectly, just slide down a little lower" Jack said "Your fat ass can surley take it!"  
 "You are so freakishly big, I-I can't fit anymore" she moaned

"Let me try Miss White" he said and pushed her forward so she ended up on all four.  
 Jack leaned forwards leting the weight if his body push his thick pole deeper in Miss White's jiggly ass.  
 "Oh god, FUCK!" Miss White screamed out making the words echo in the big gymnasium.  
 "Y-you are the first one taking almost my entire cock Miss White, I'm so fucking hard, I think I could fuck for hours!" Jack said and started laughing. "This is the greatest schoolday ever!"  
 "T-then fuck my ass, I can take it!"  
 Jack started bouncing up and down slamming his cock down hard making the curvy teacher scream and moan so loud that the windows vibrated.

As Emma walked down the corridor next to the gymnasium she thought she heard a scream. She quietly opened the door to the showers and snuck in. Suddenly she heard a female voice shouting "Fuck me harder Jack, I have been a bad girl, pound my ass!" Shocked she froze in her step. "That's Jack and Miss White!" she thought to herself. "And look how big h-he is!" Emma had always had a crush on Jack. "I could do that just as well as that stupid teacher" She wanted to just run out, grab his big dick and start doing things to him. Her face went all red just from the thought. She stood quietly and for a lack of better word spied on the pair going at it for almost ten minutes. Suddenly he shouted "I'm gonna cum!" "Fill my ass Jack!"

Emma then realised she had her cellphone in her hand. She quickly started taking pictures of Jack and Miss White. "I'm not going to be left out of this, I'm going to get me some of that fat dick, I'll confront him with these pictures" she said quietly to herself with a big smile on her face. Her thoughts were interrupted by Miss White's moaning filling the hall "Oh god Jack!" Emma had always been a shy girl, but the lust she felt now made her forget about all those times she just stood quiet as Jack walked by and all the times she started, without reason to blush in his presence.
