

It's good to take a hot bath after a hard day..

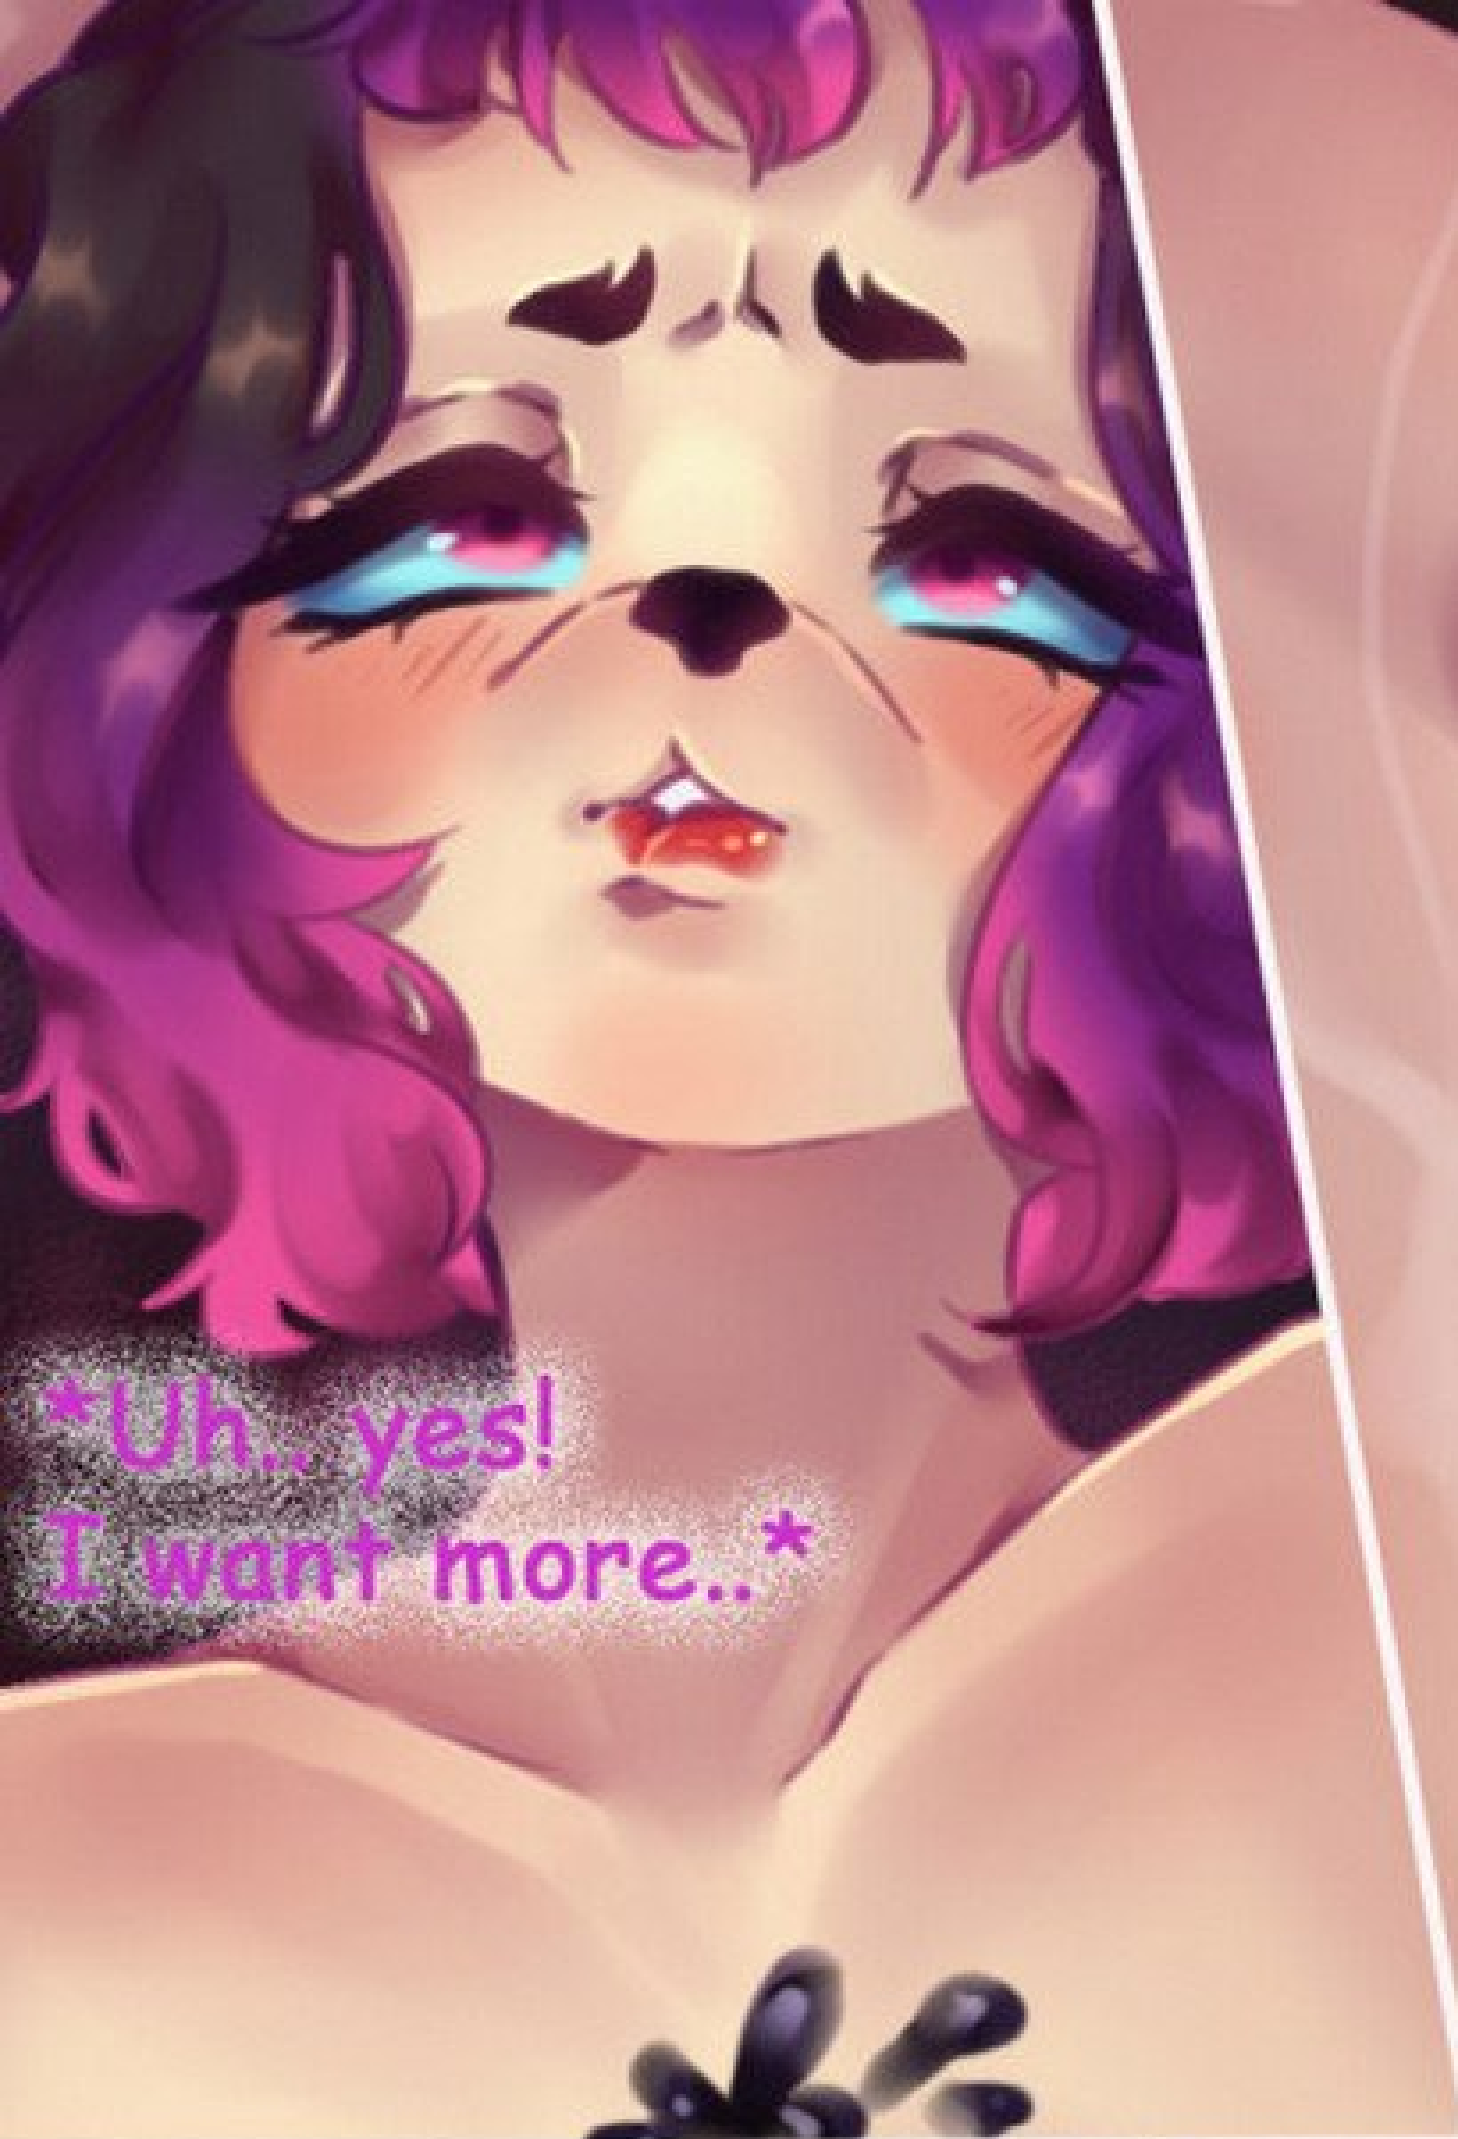

But.. It's too hot somehow.. Inside!

Maybe ...
I should..

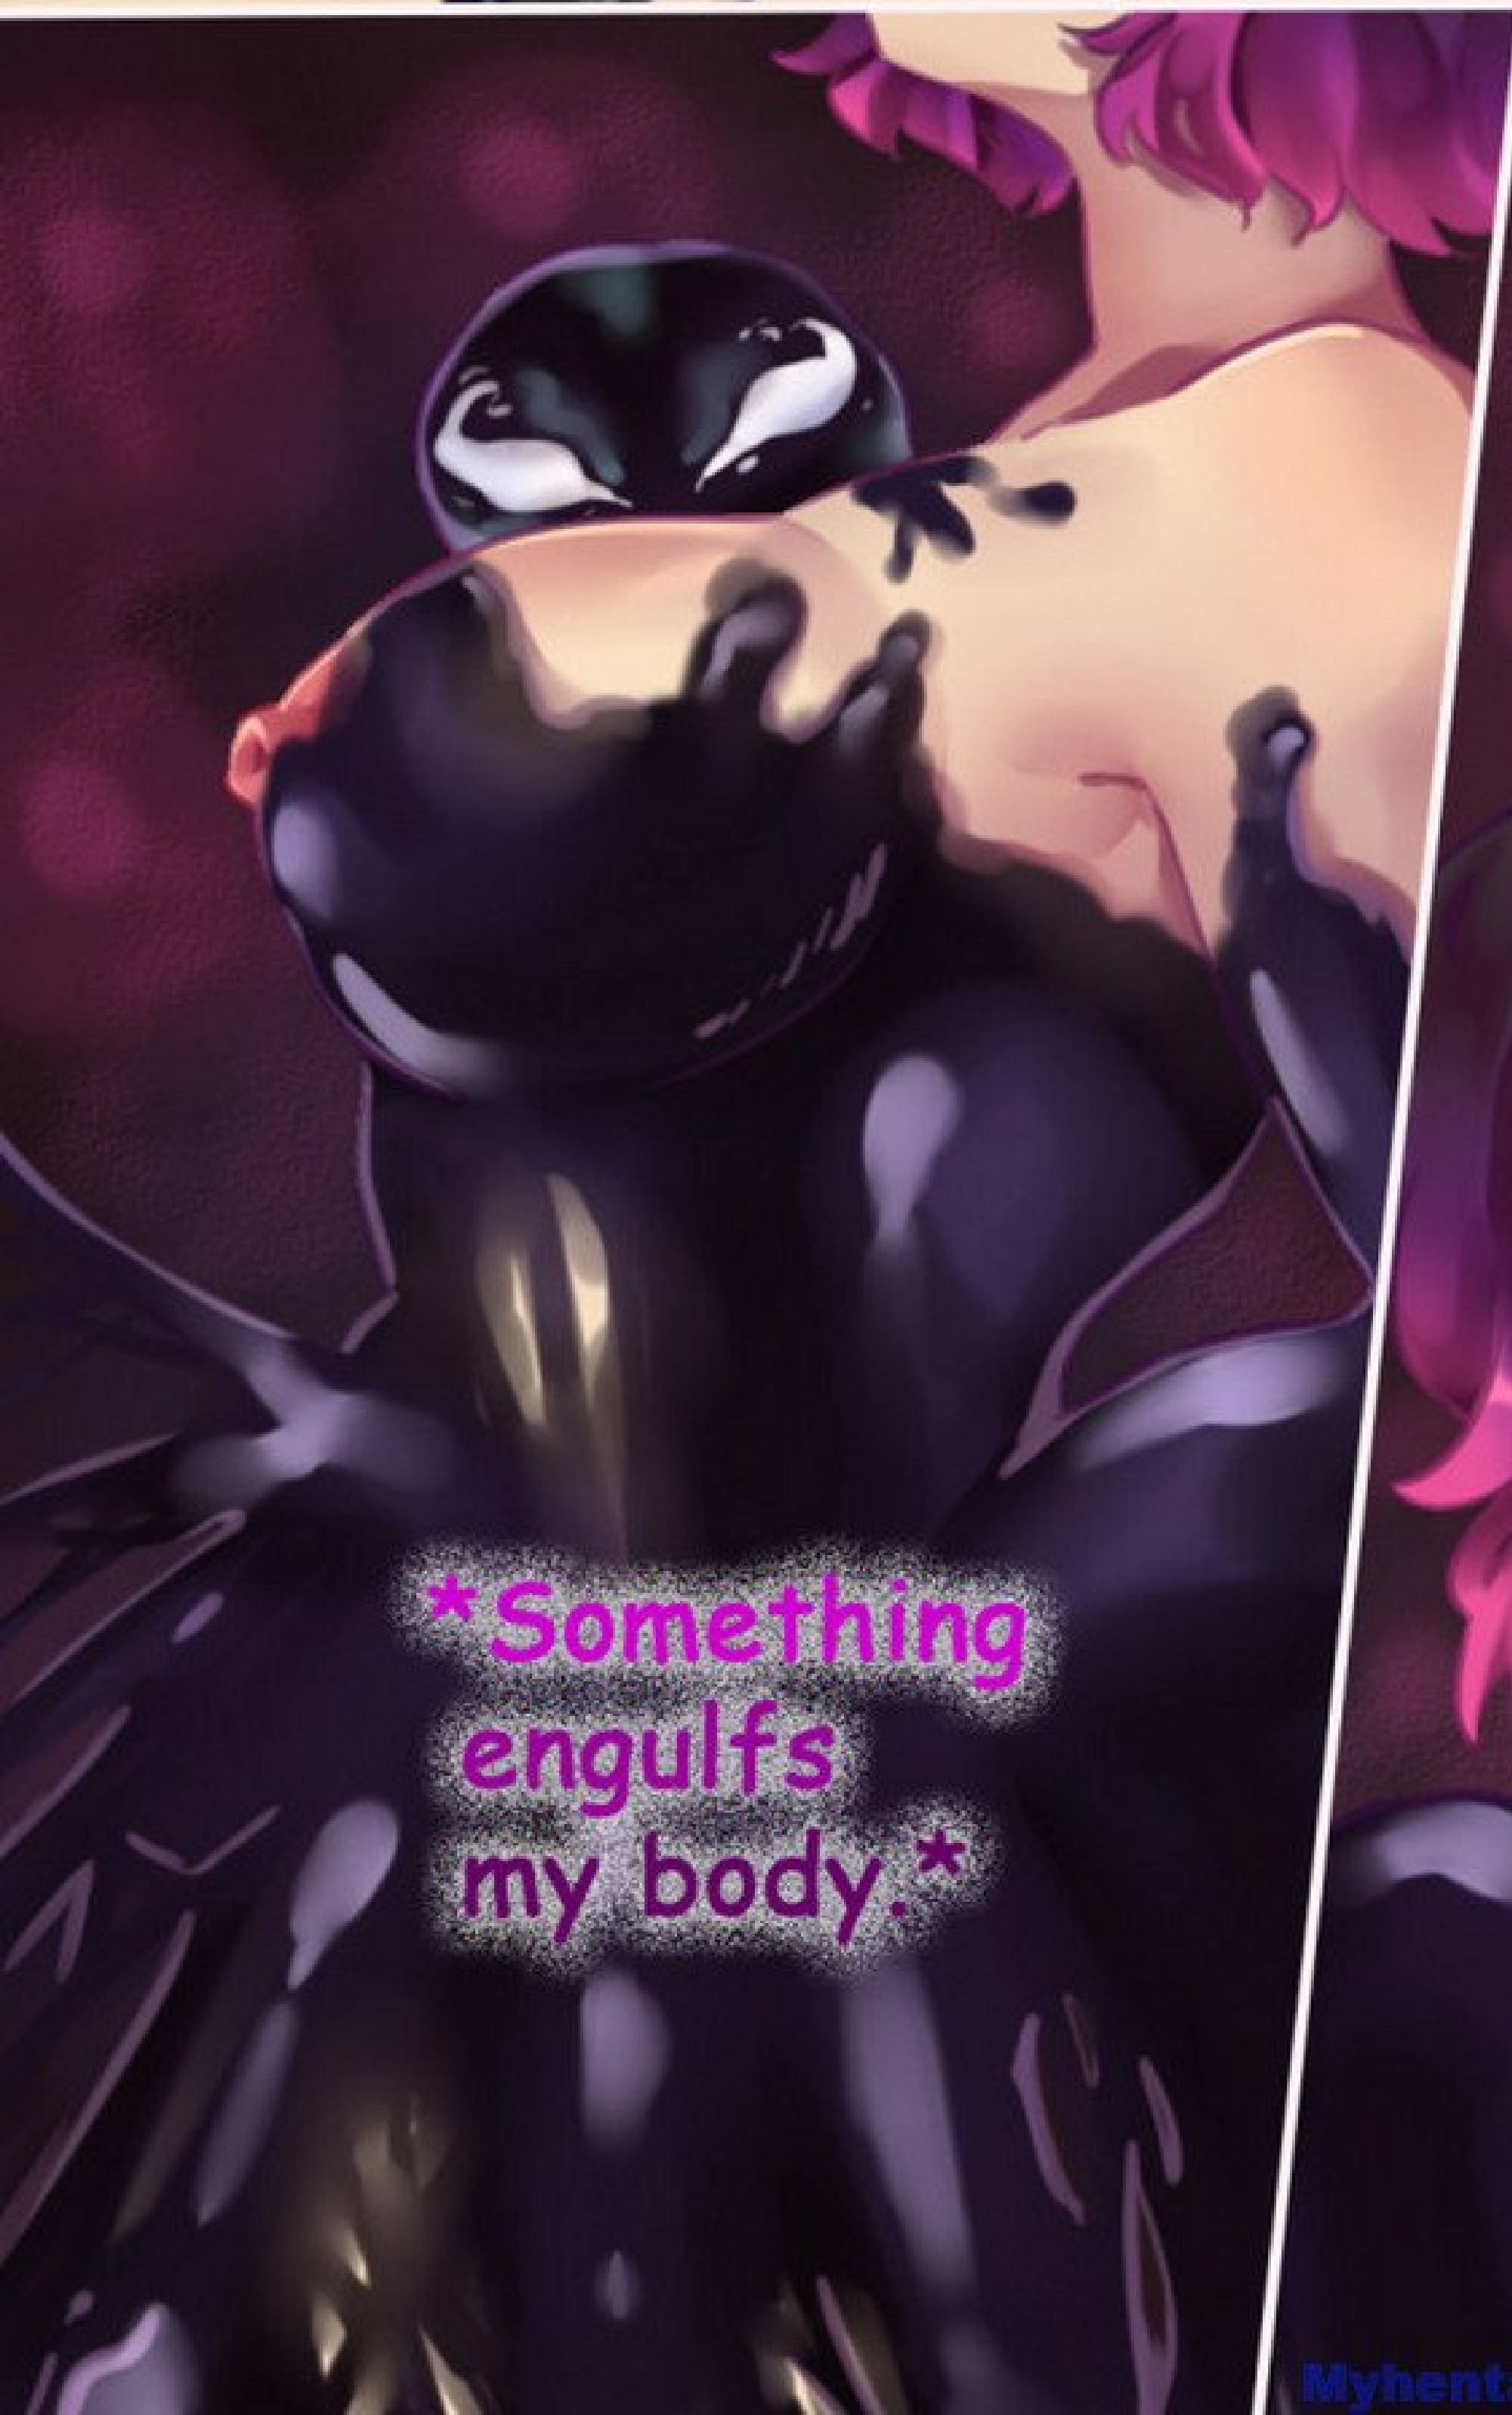

Ah!

*Uh... yes!
I want more..*

*more!
Even more!*

*Something
engulfs
my body.*

*What's it?
I want it to be
inside of me..*

*How good.. It's so deep.
My vagina is very wet,
I like it, damn it!*

AH!

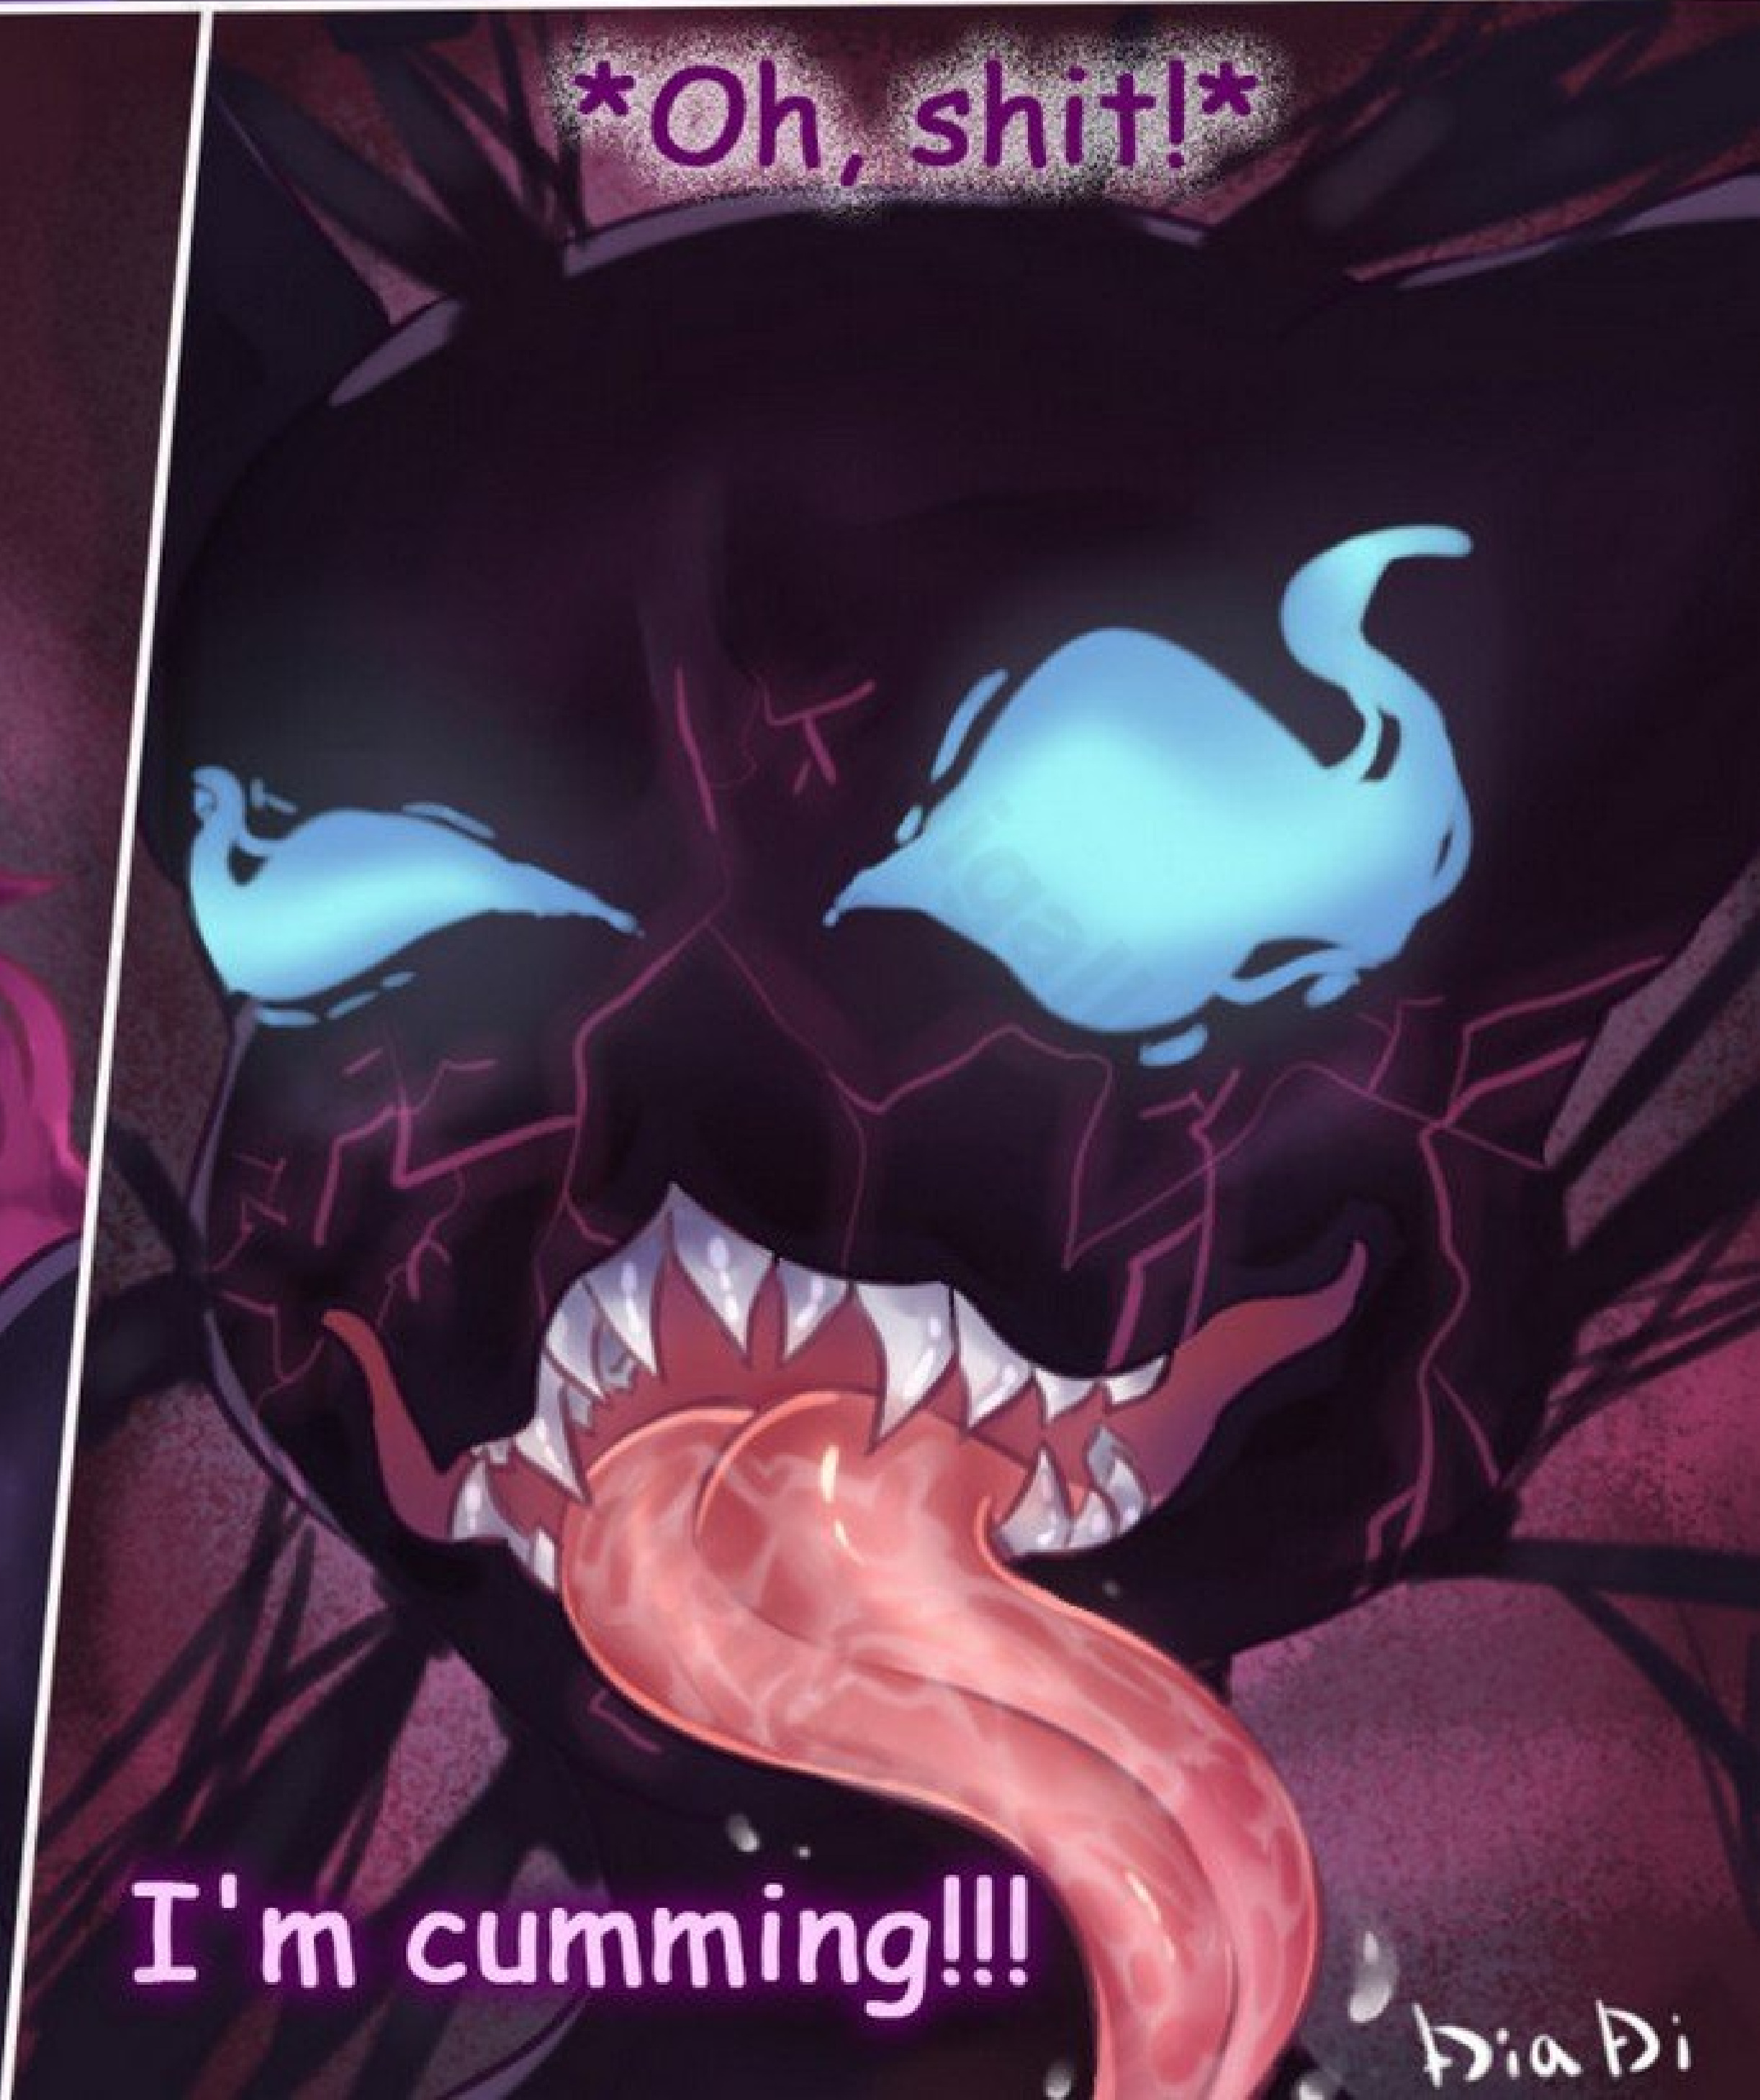

AH!

AH!

*A little more and I will..
Orgasm, I need it!*

AH-AH-AH

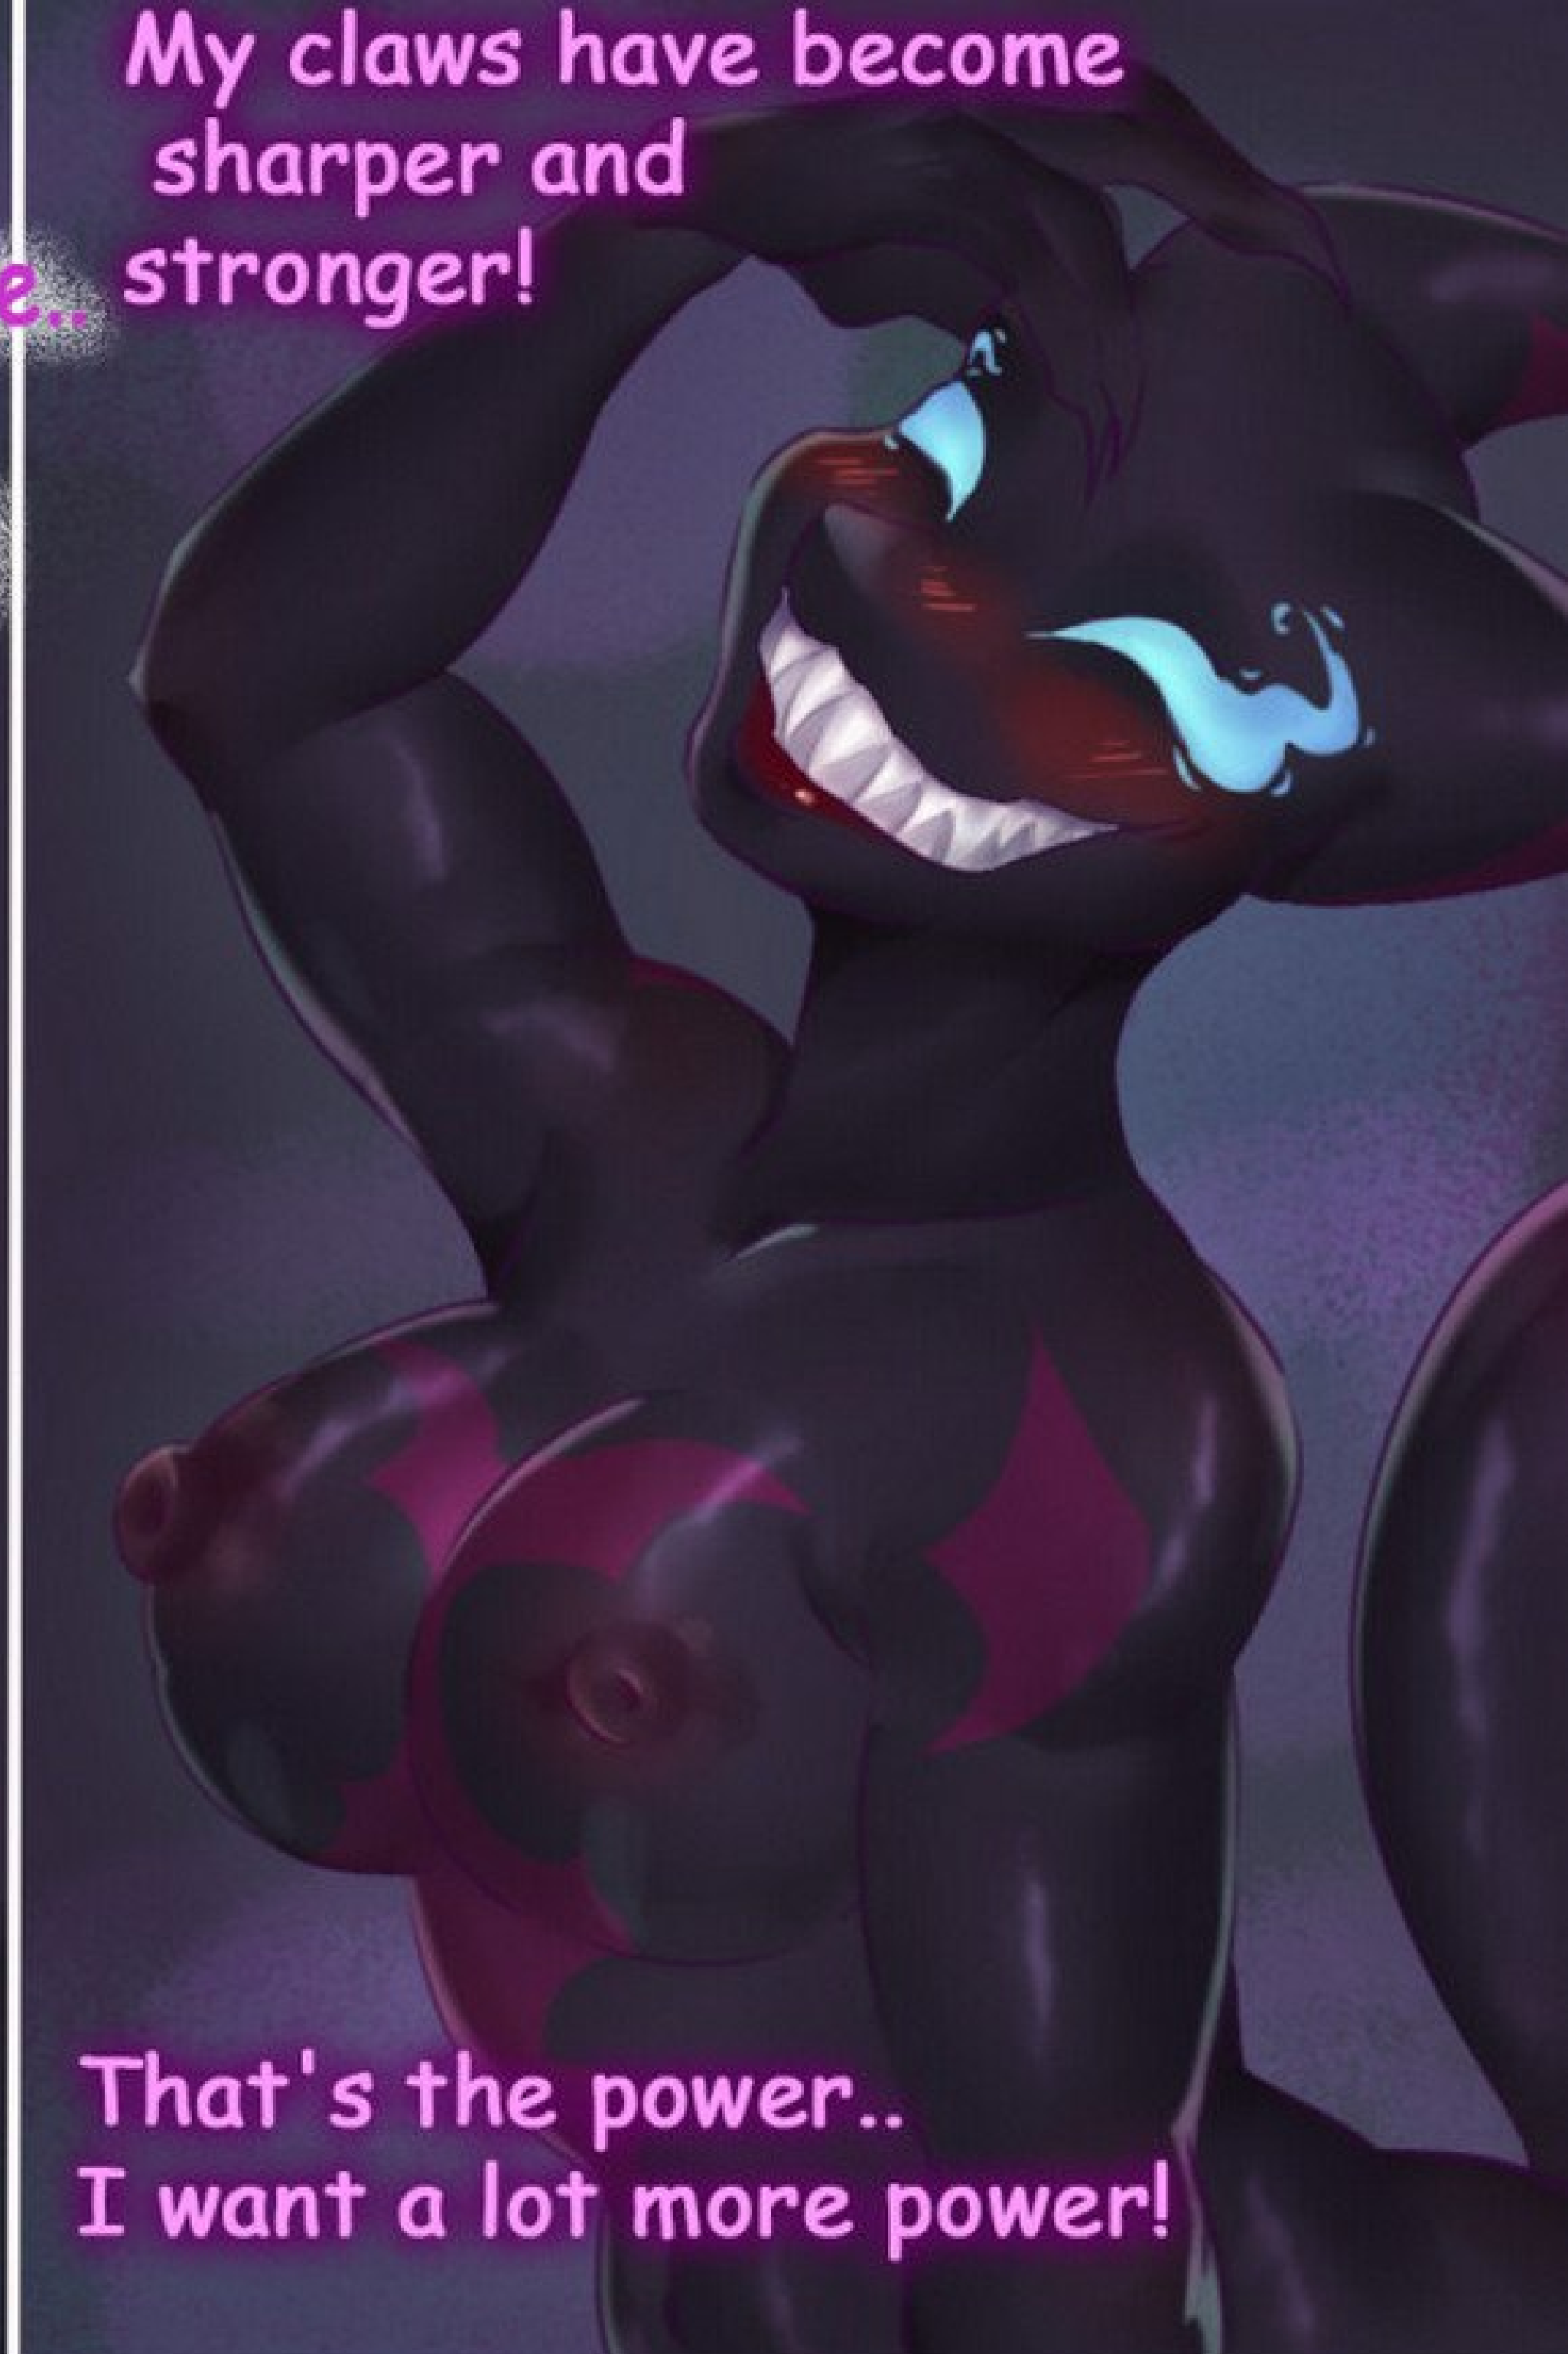

Oh, shit!

I'm cumming!!!

Dia Di

*I became..
someone
powerfull!
Hehe*

My claws have become
sharper and
stronger!

That's the power..
I want a lot more power!

Ugh!

I know who
I can have fun
with hehe

Hmm...

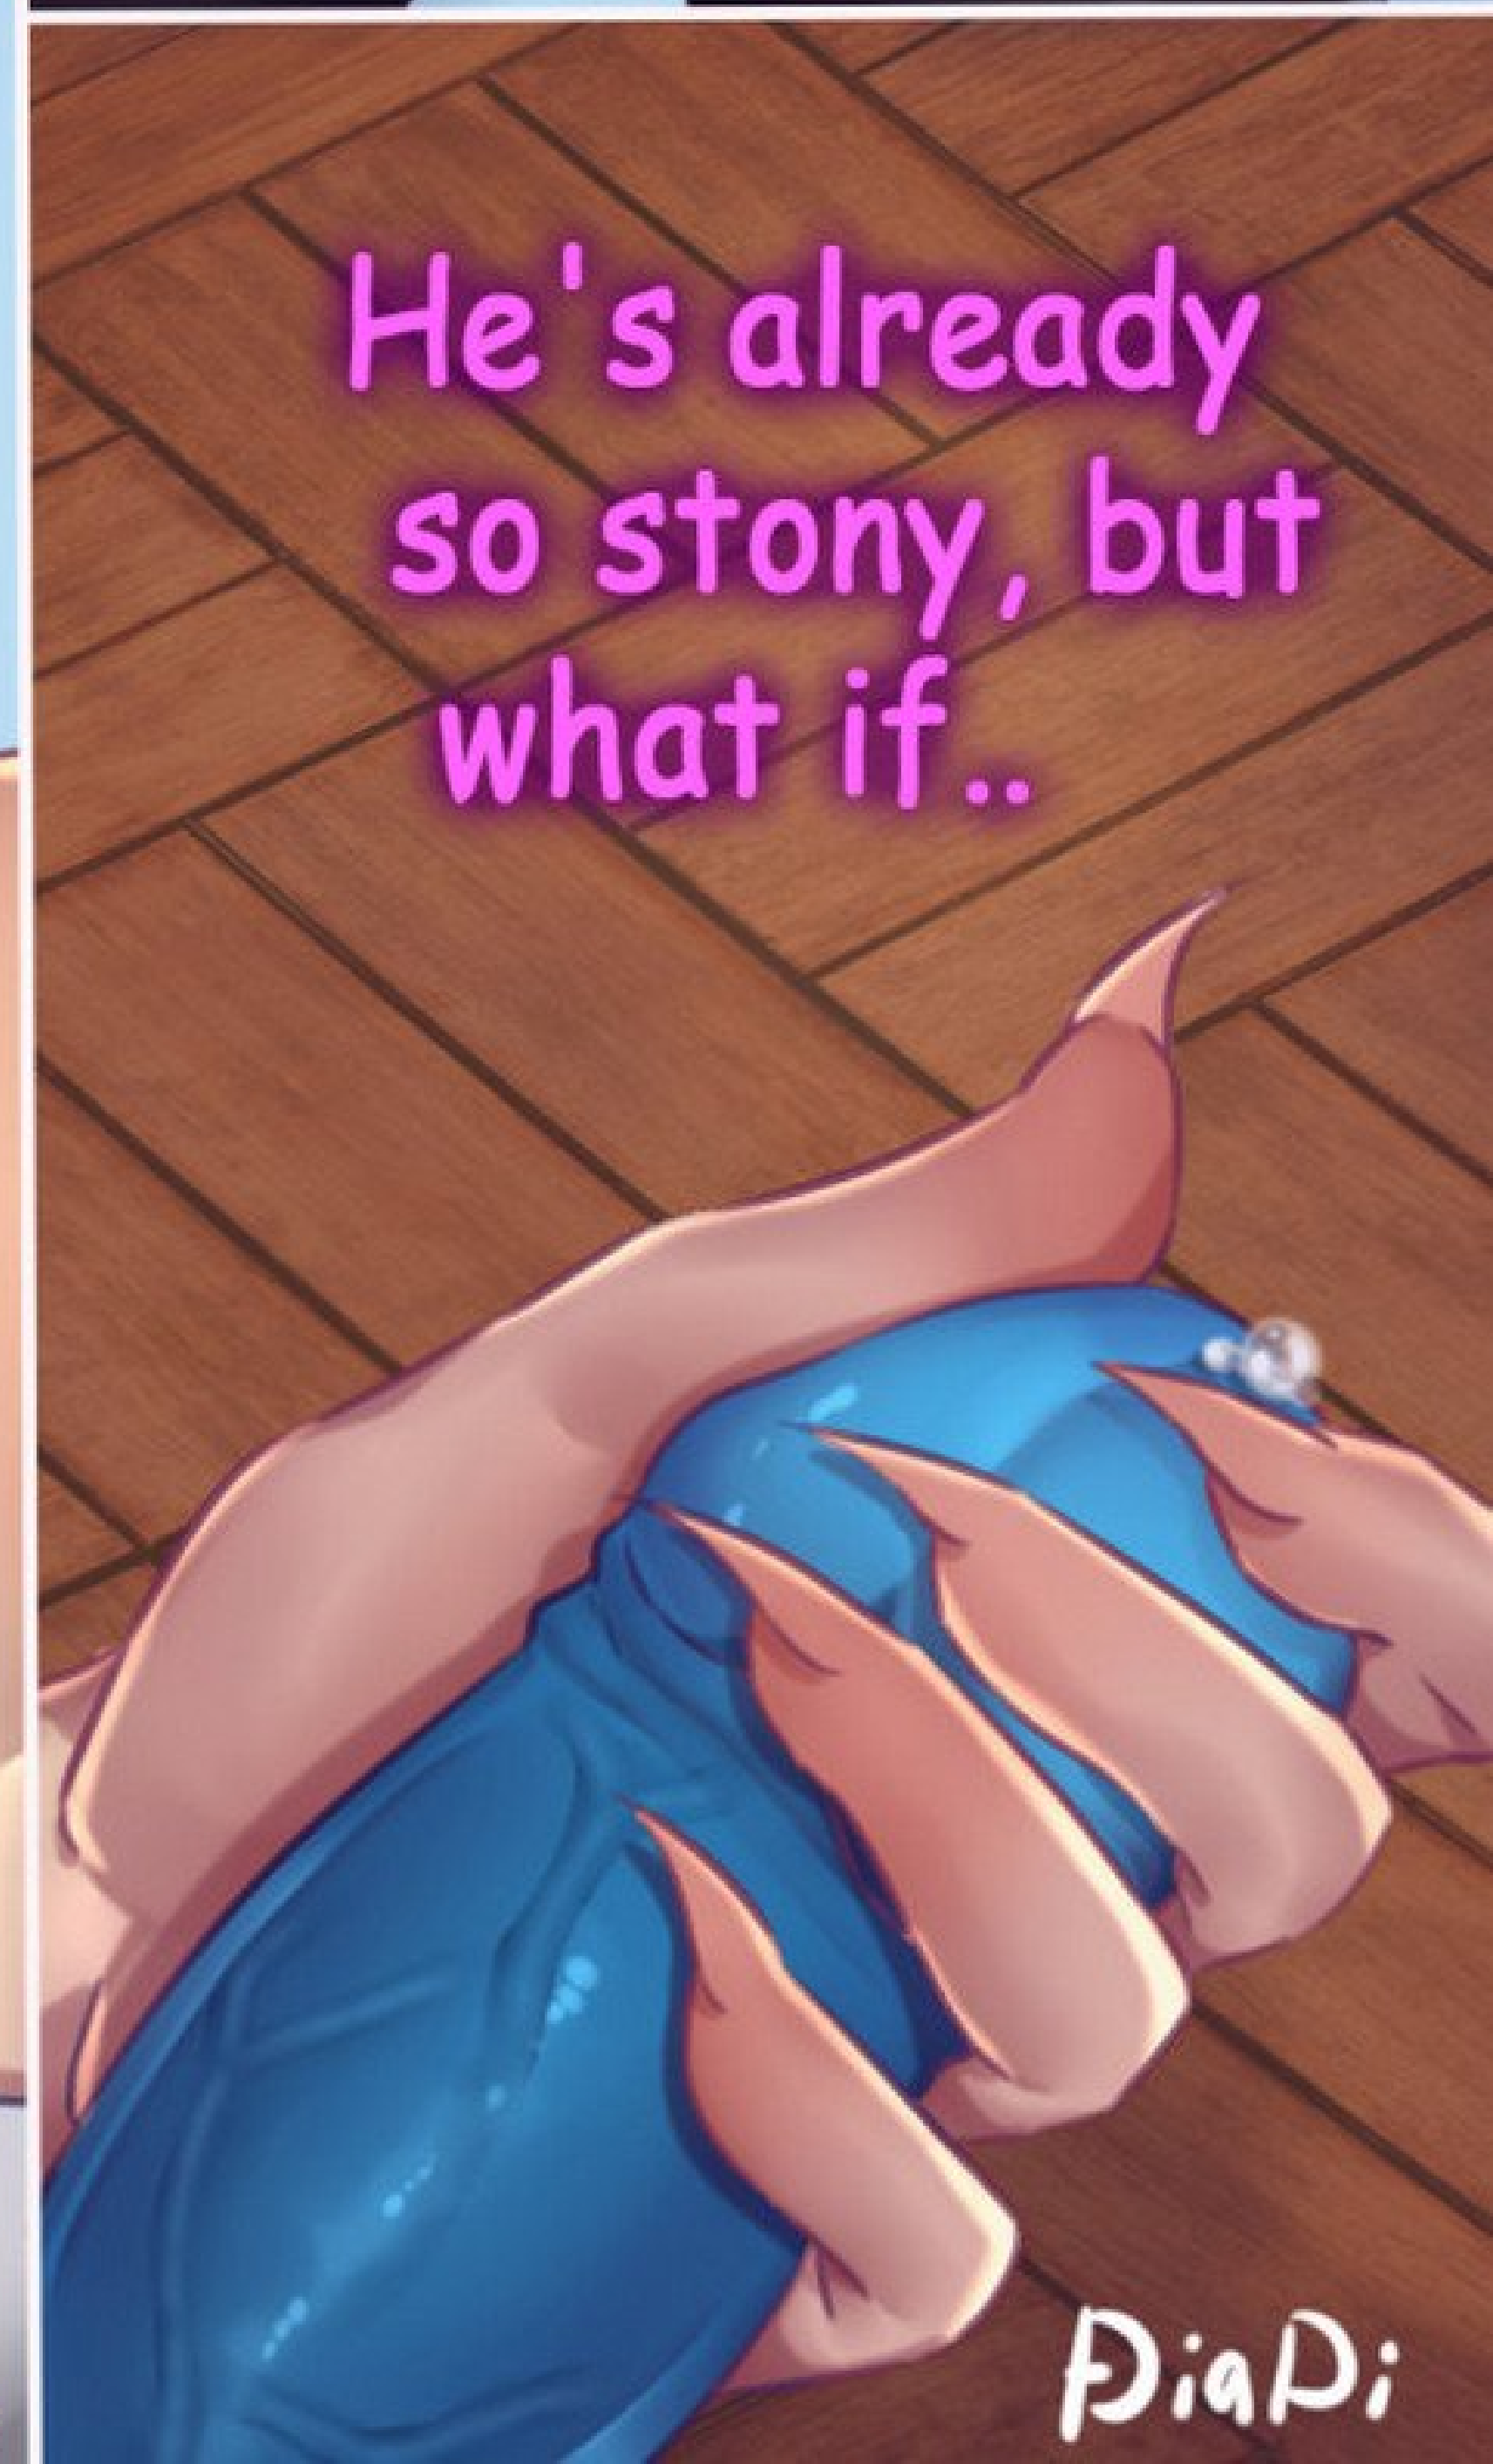

your dick
doesn't look
very convincing

Aah..!

Maybe I
should help
you with that,
honey?

He's already
so stony, but
what if..

DiaPi

He's so
sweet!
Come on,
relax!

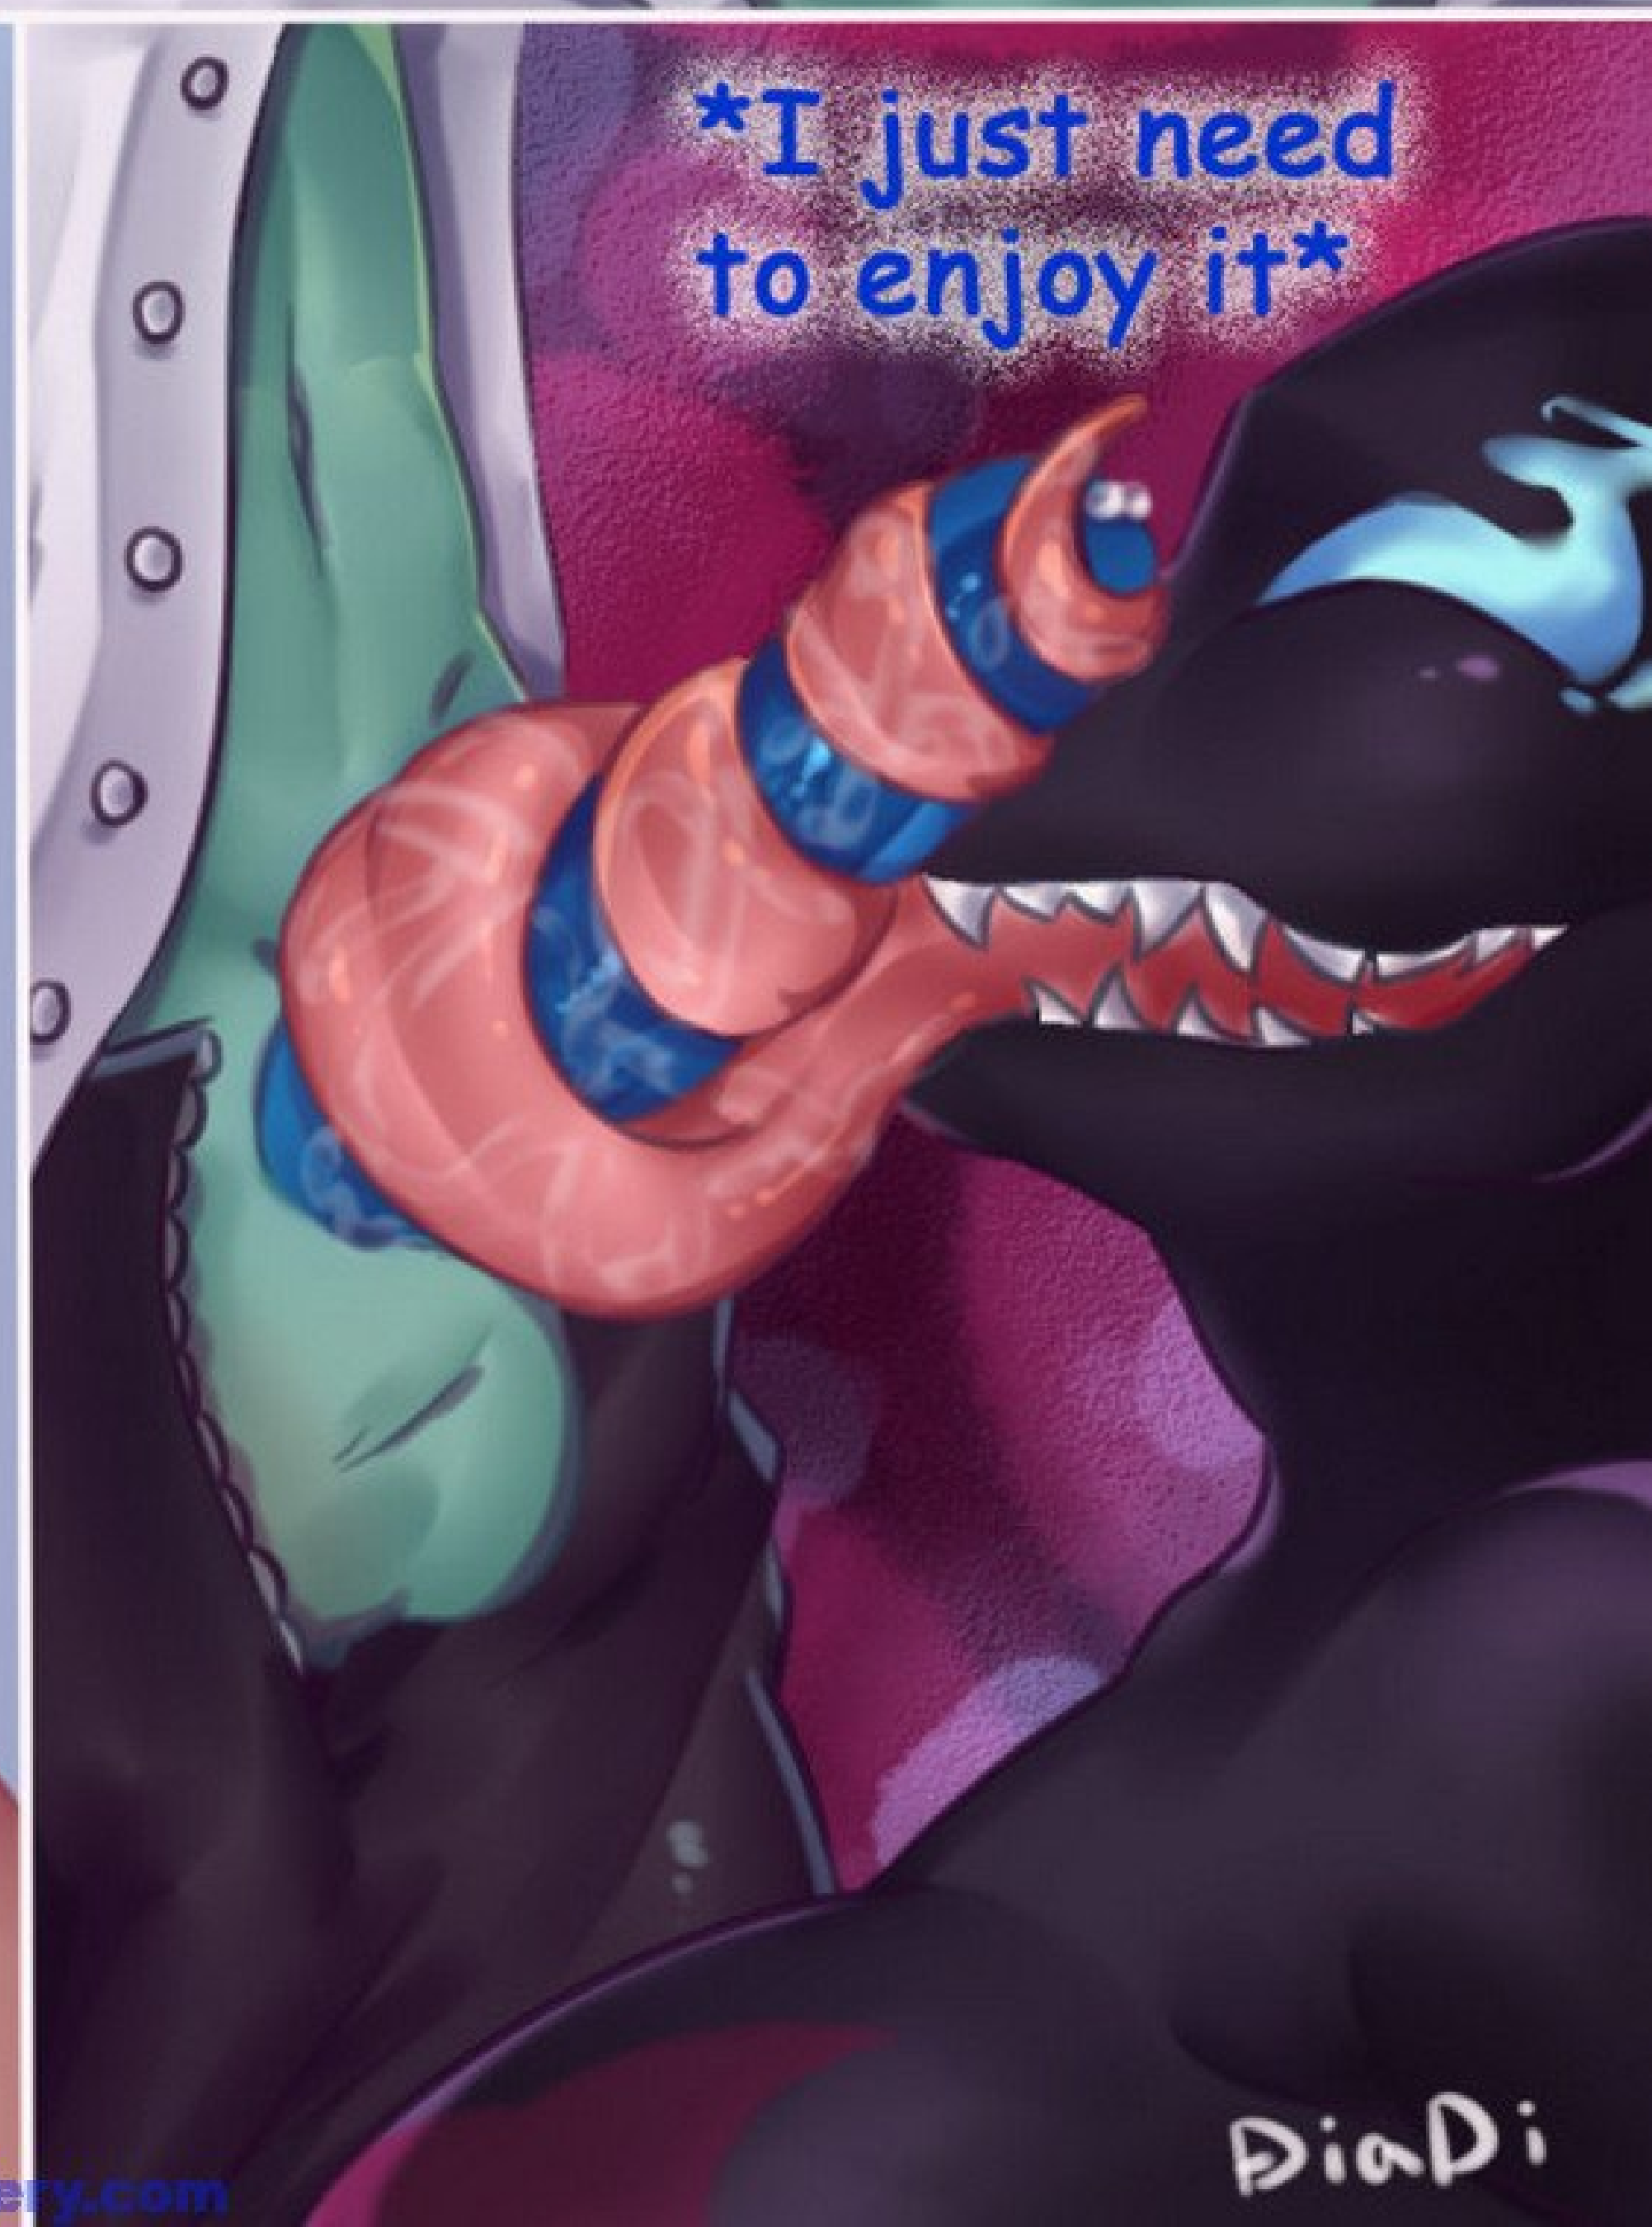

* Fuck..
It's impossible
to relax
here!*

*What's
gotten into
her?*

*She sucks my cock
so nice and hot*

*I just need
to enjoy it*

*Oh, yes!
My cum
is about
to spill
down her
throat!*

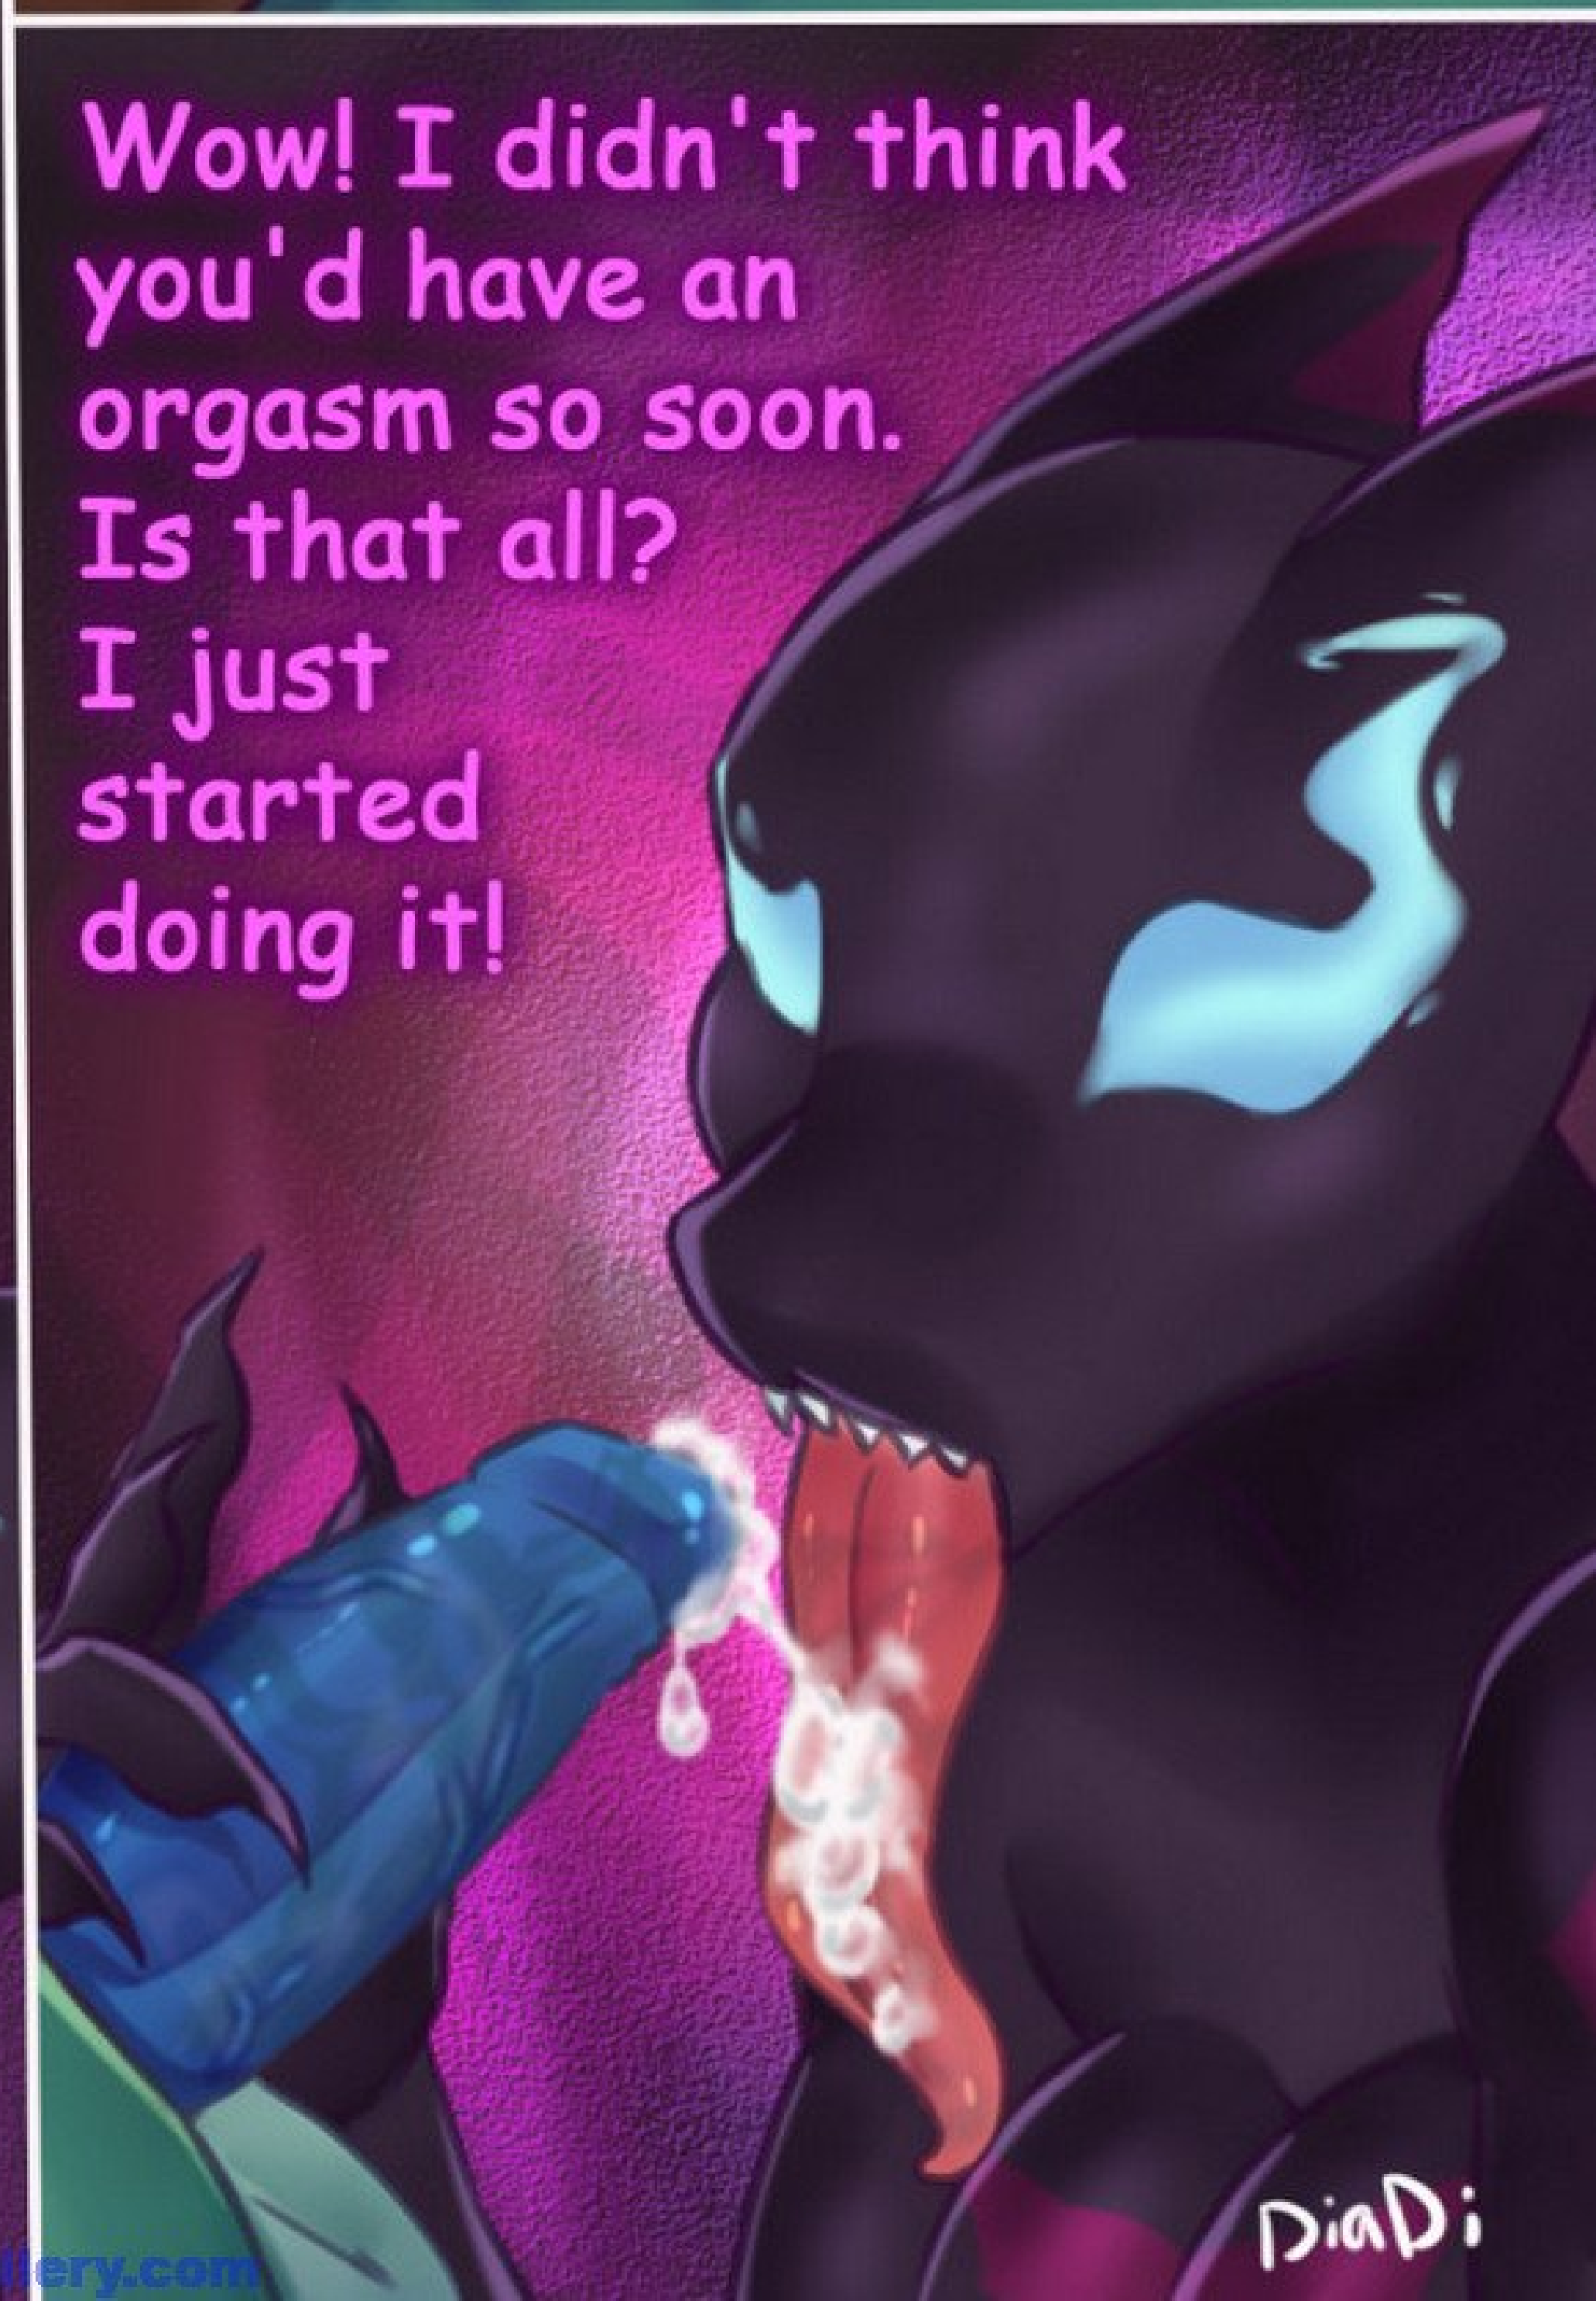

Stop!
W-what..?!

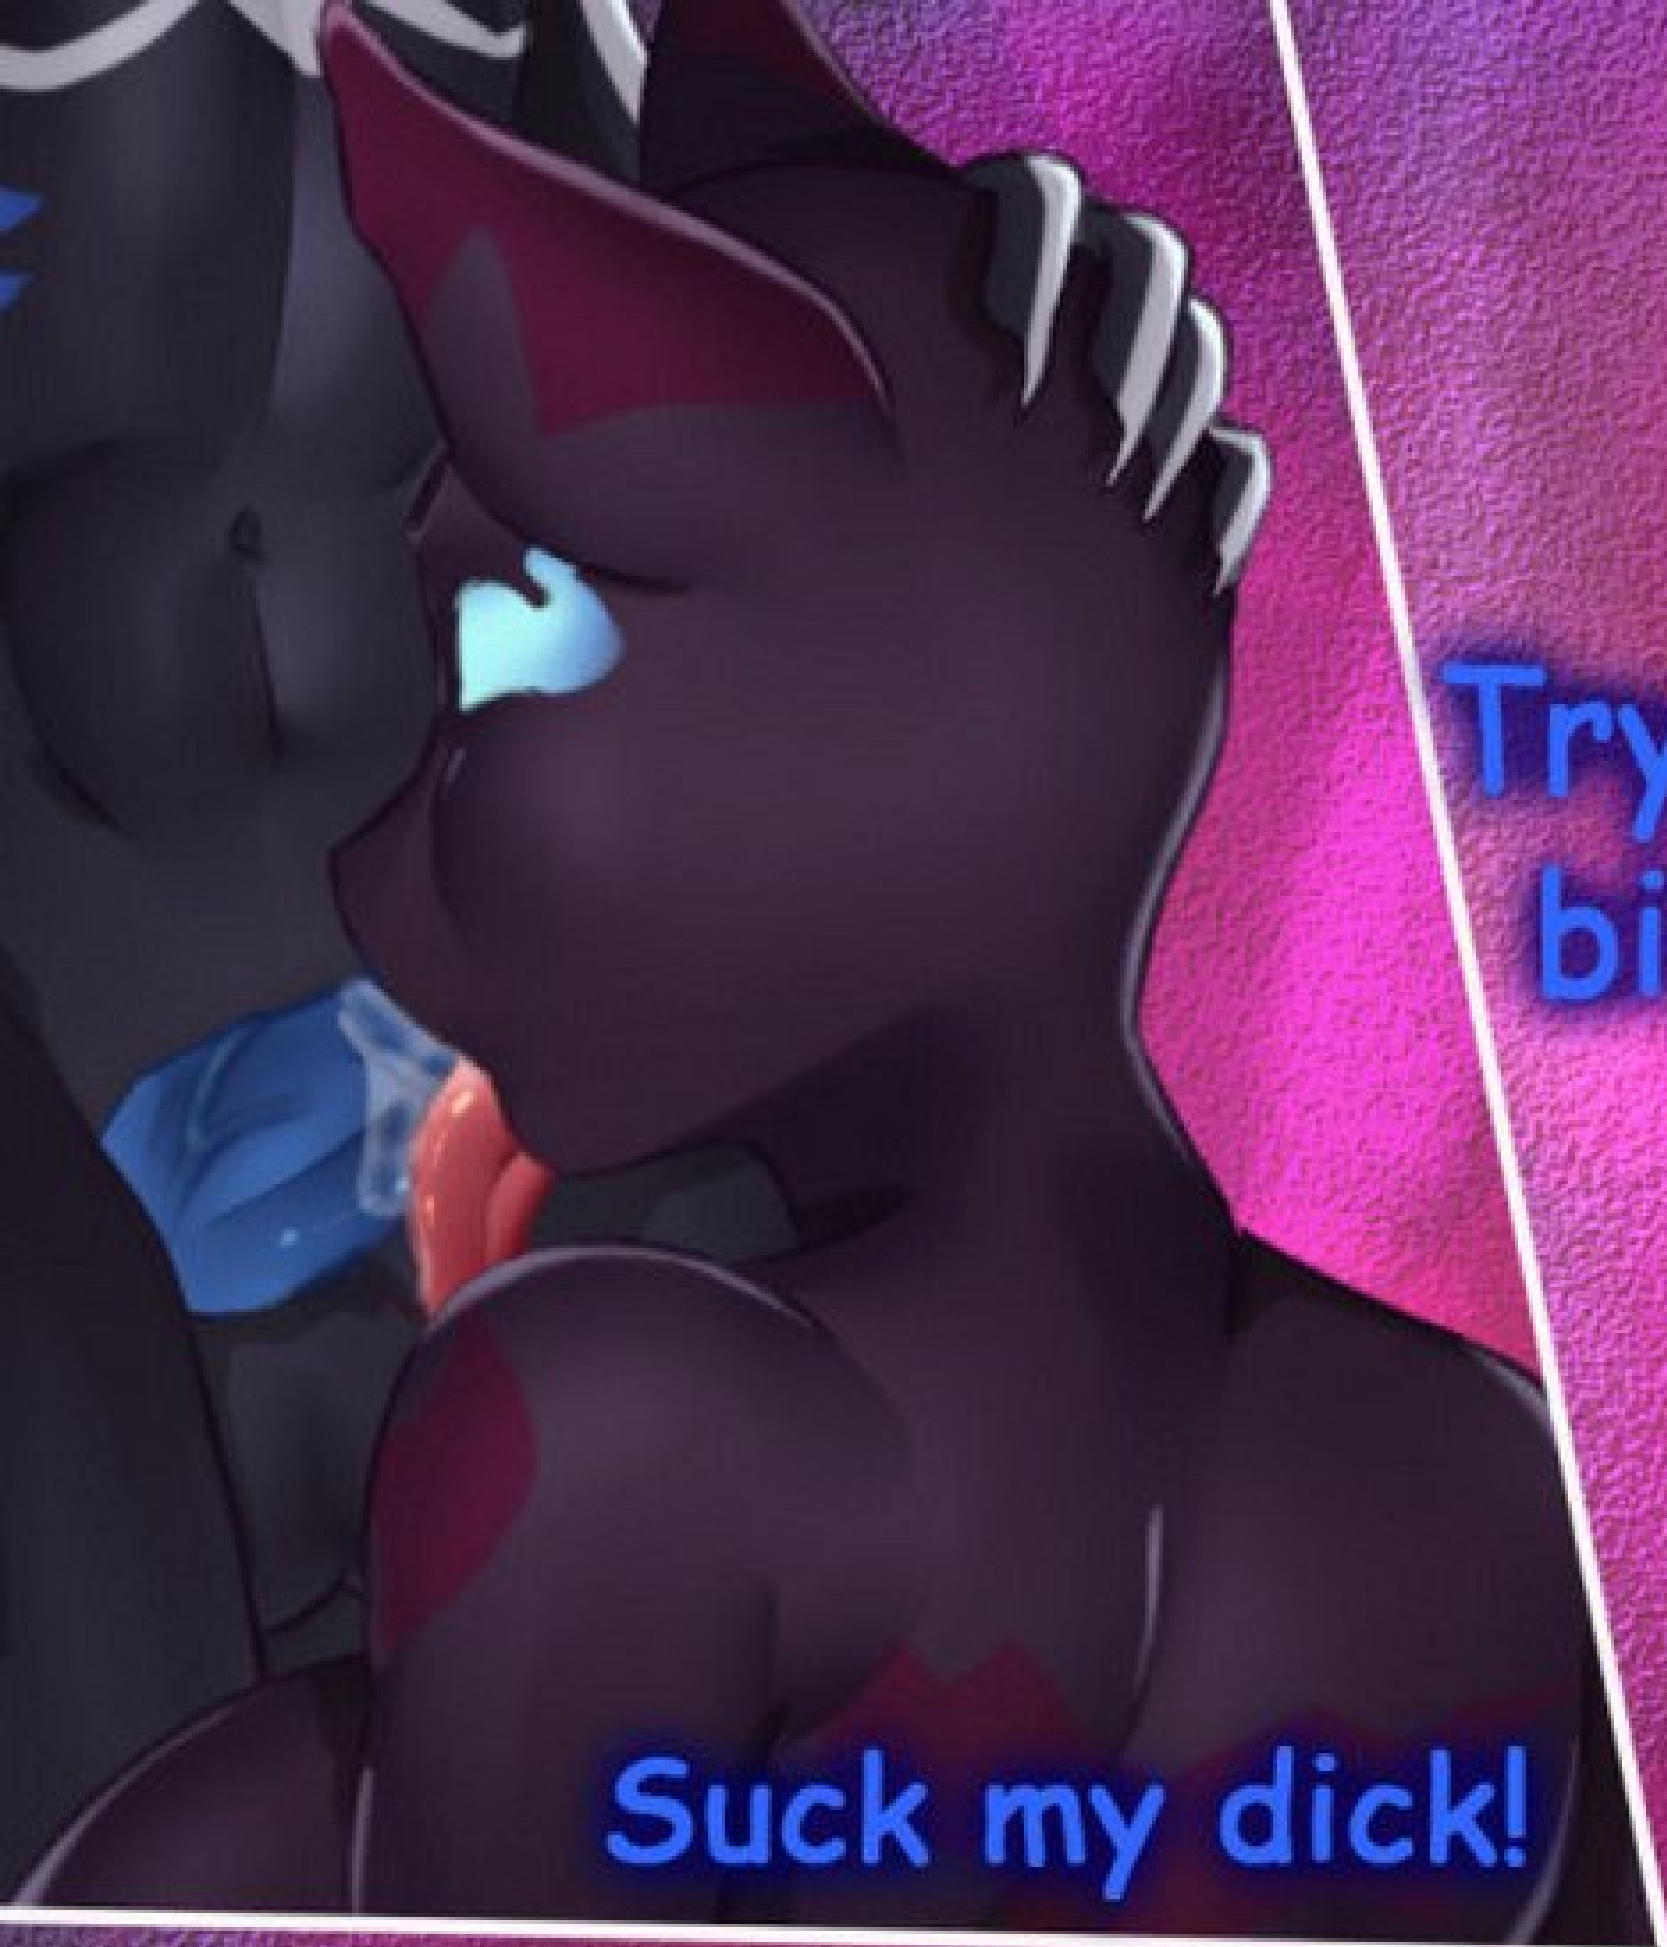

Why is something
covering my body?!

Bridgette?!
What the fuck
is going on here?!
What is this
black slime?

Wow! I didn't think
you'd have an
orgasm so soon.
Is that all?
I just
started
doing it!

Suck my dick!

Try harder,
bitch!

Make him
get up
again!

Well.. Maybe
this is how I
can excite your dick?

Spread
your legs
and take
my cock.

Ah! Fuck,
more! I want
more!

Yes! Jerk
off my clitoris,
your hands
are so strong,
I feel this power!

Ah

Ah!

Ah

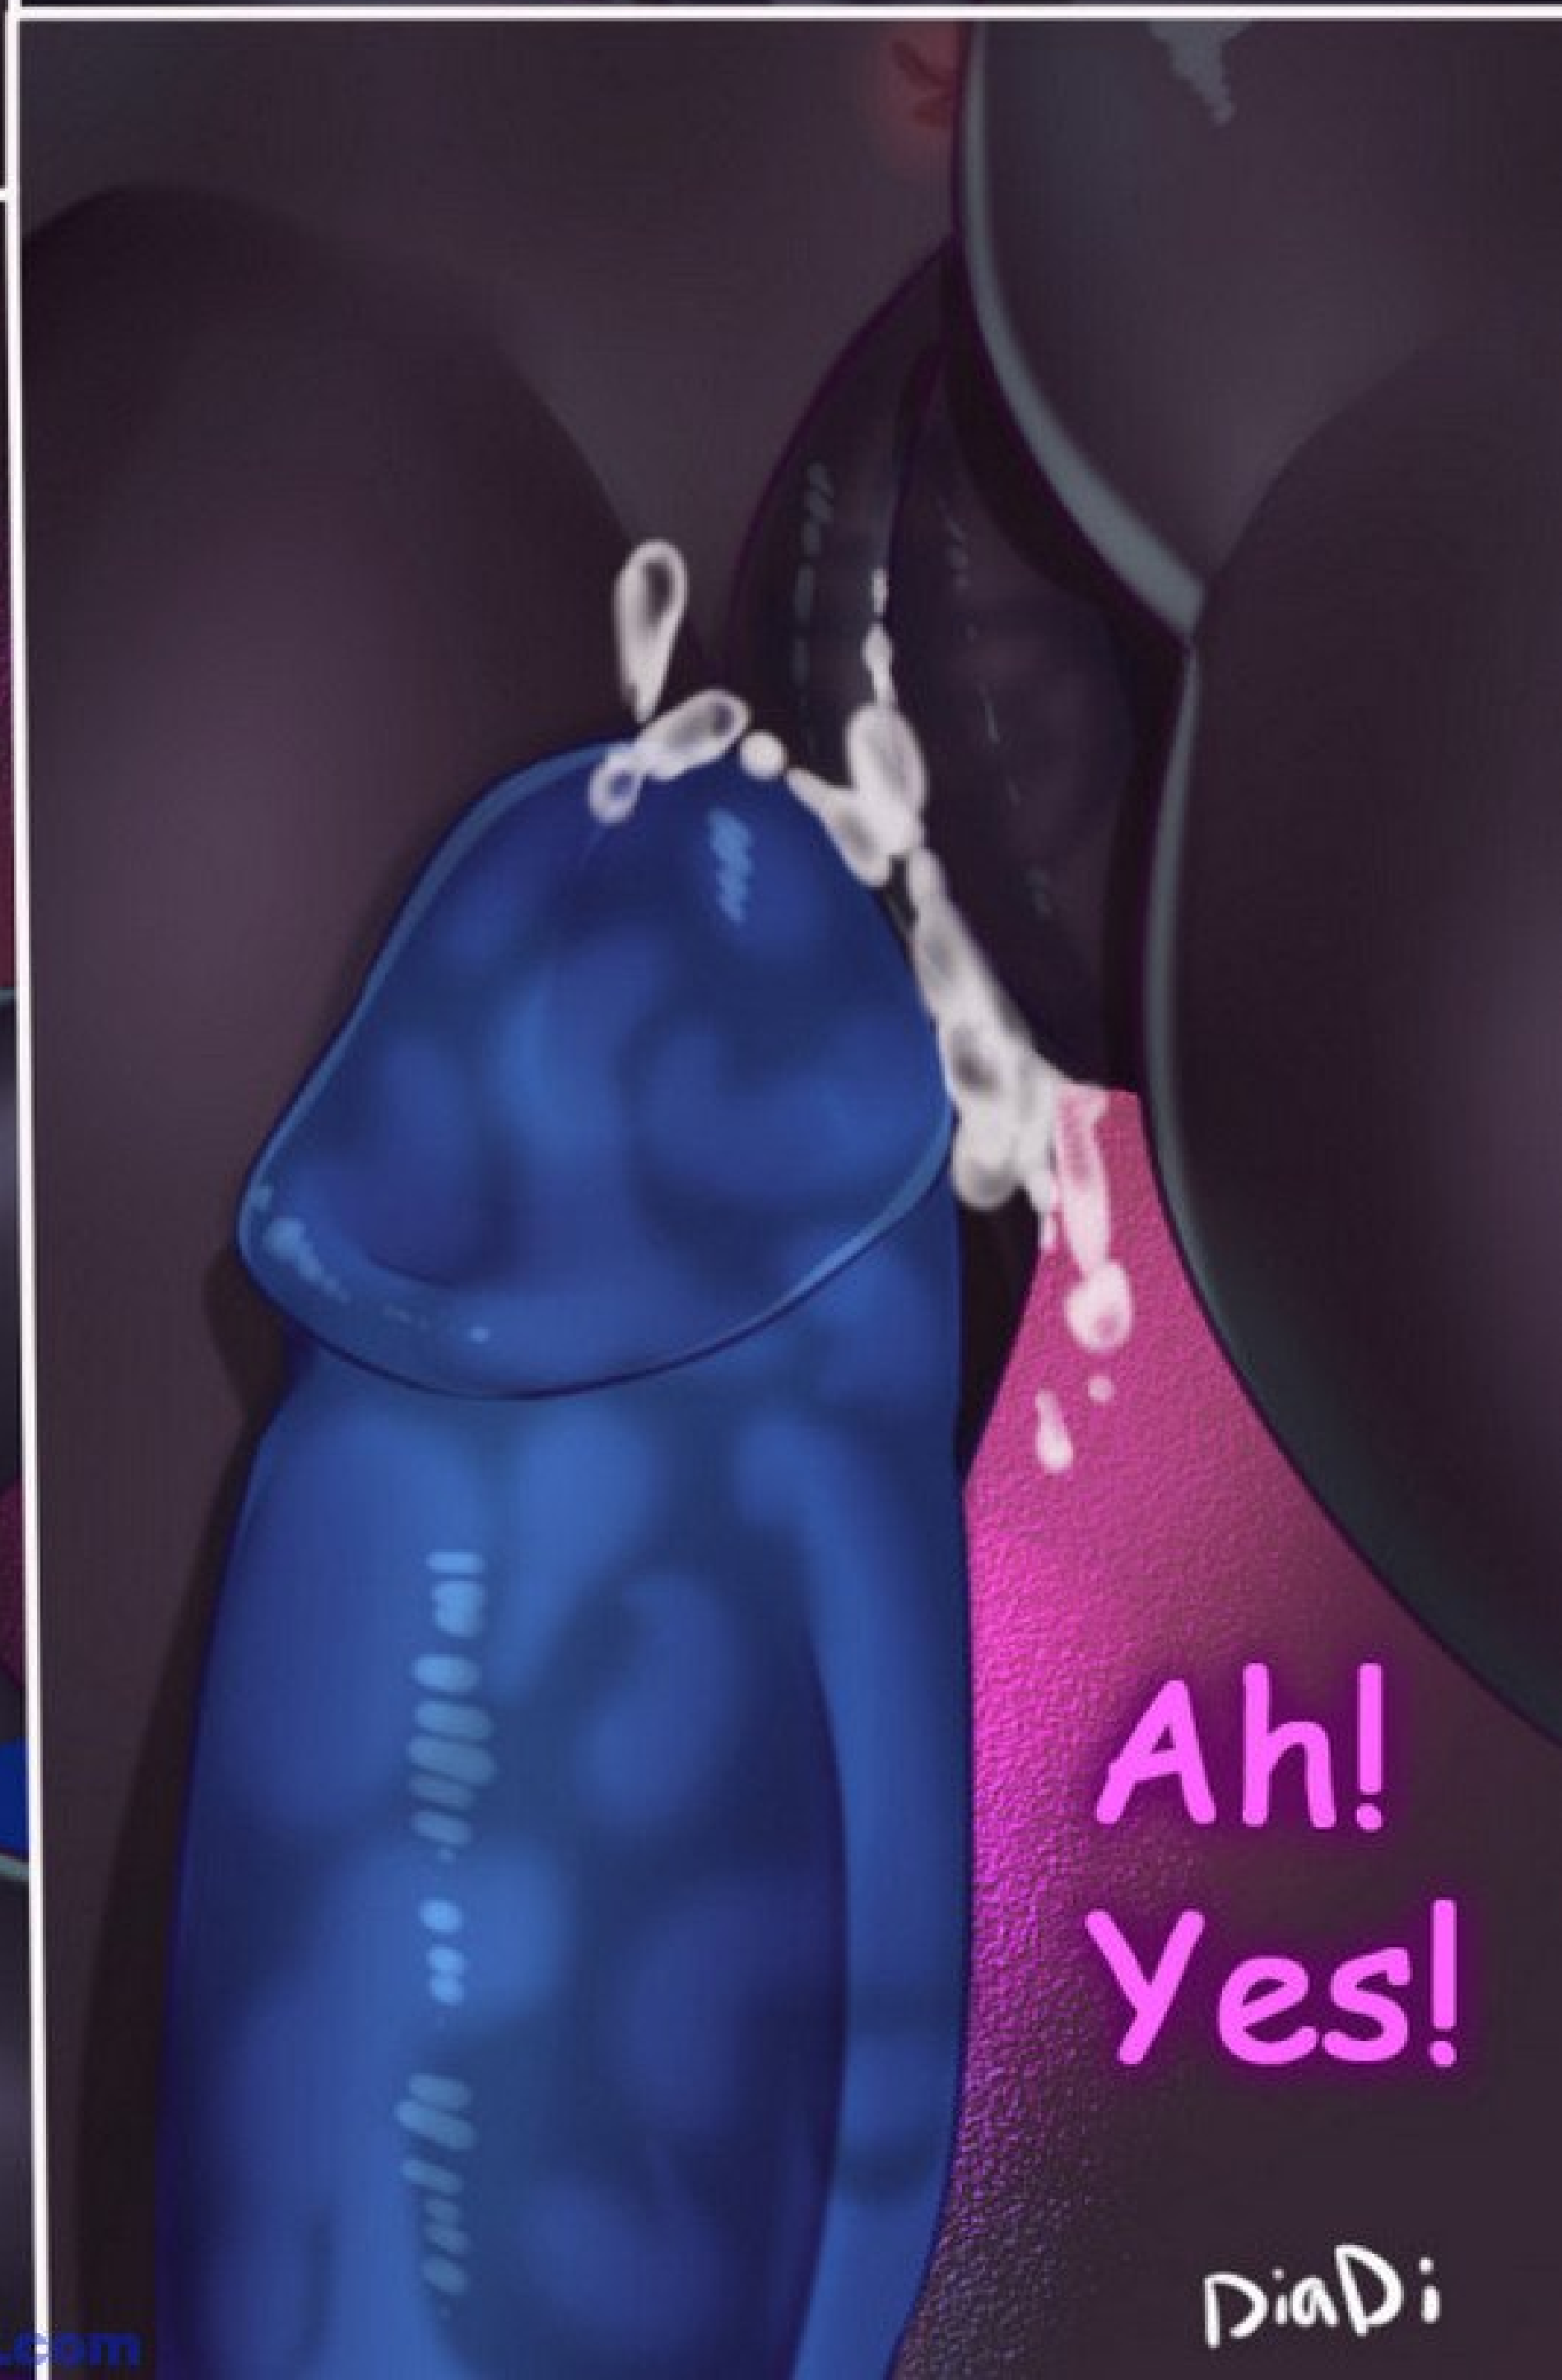

Ah!

Ah!

You're making me
cum again, Bree!
Your moans turn me
on so much and what's
inside of me..

Aaah!

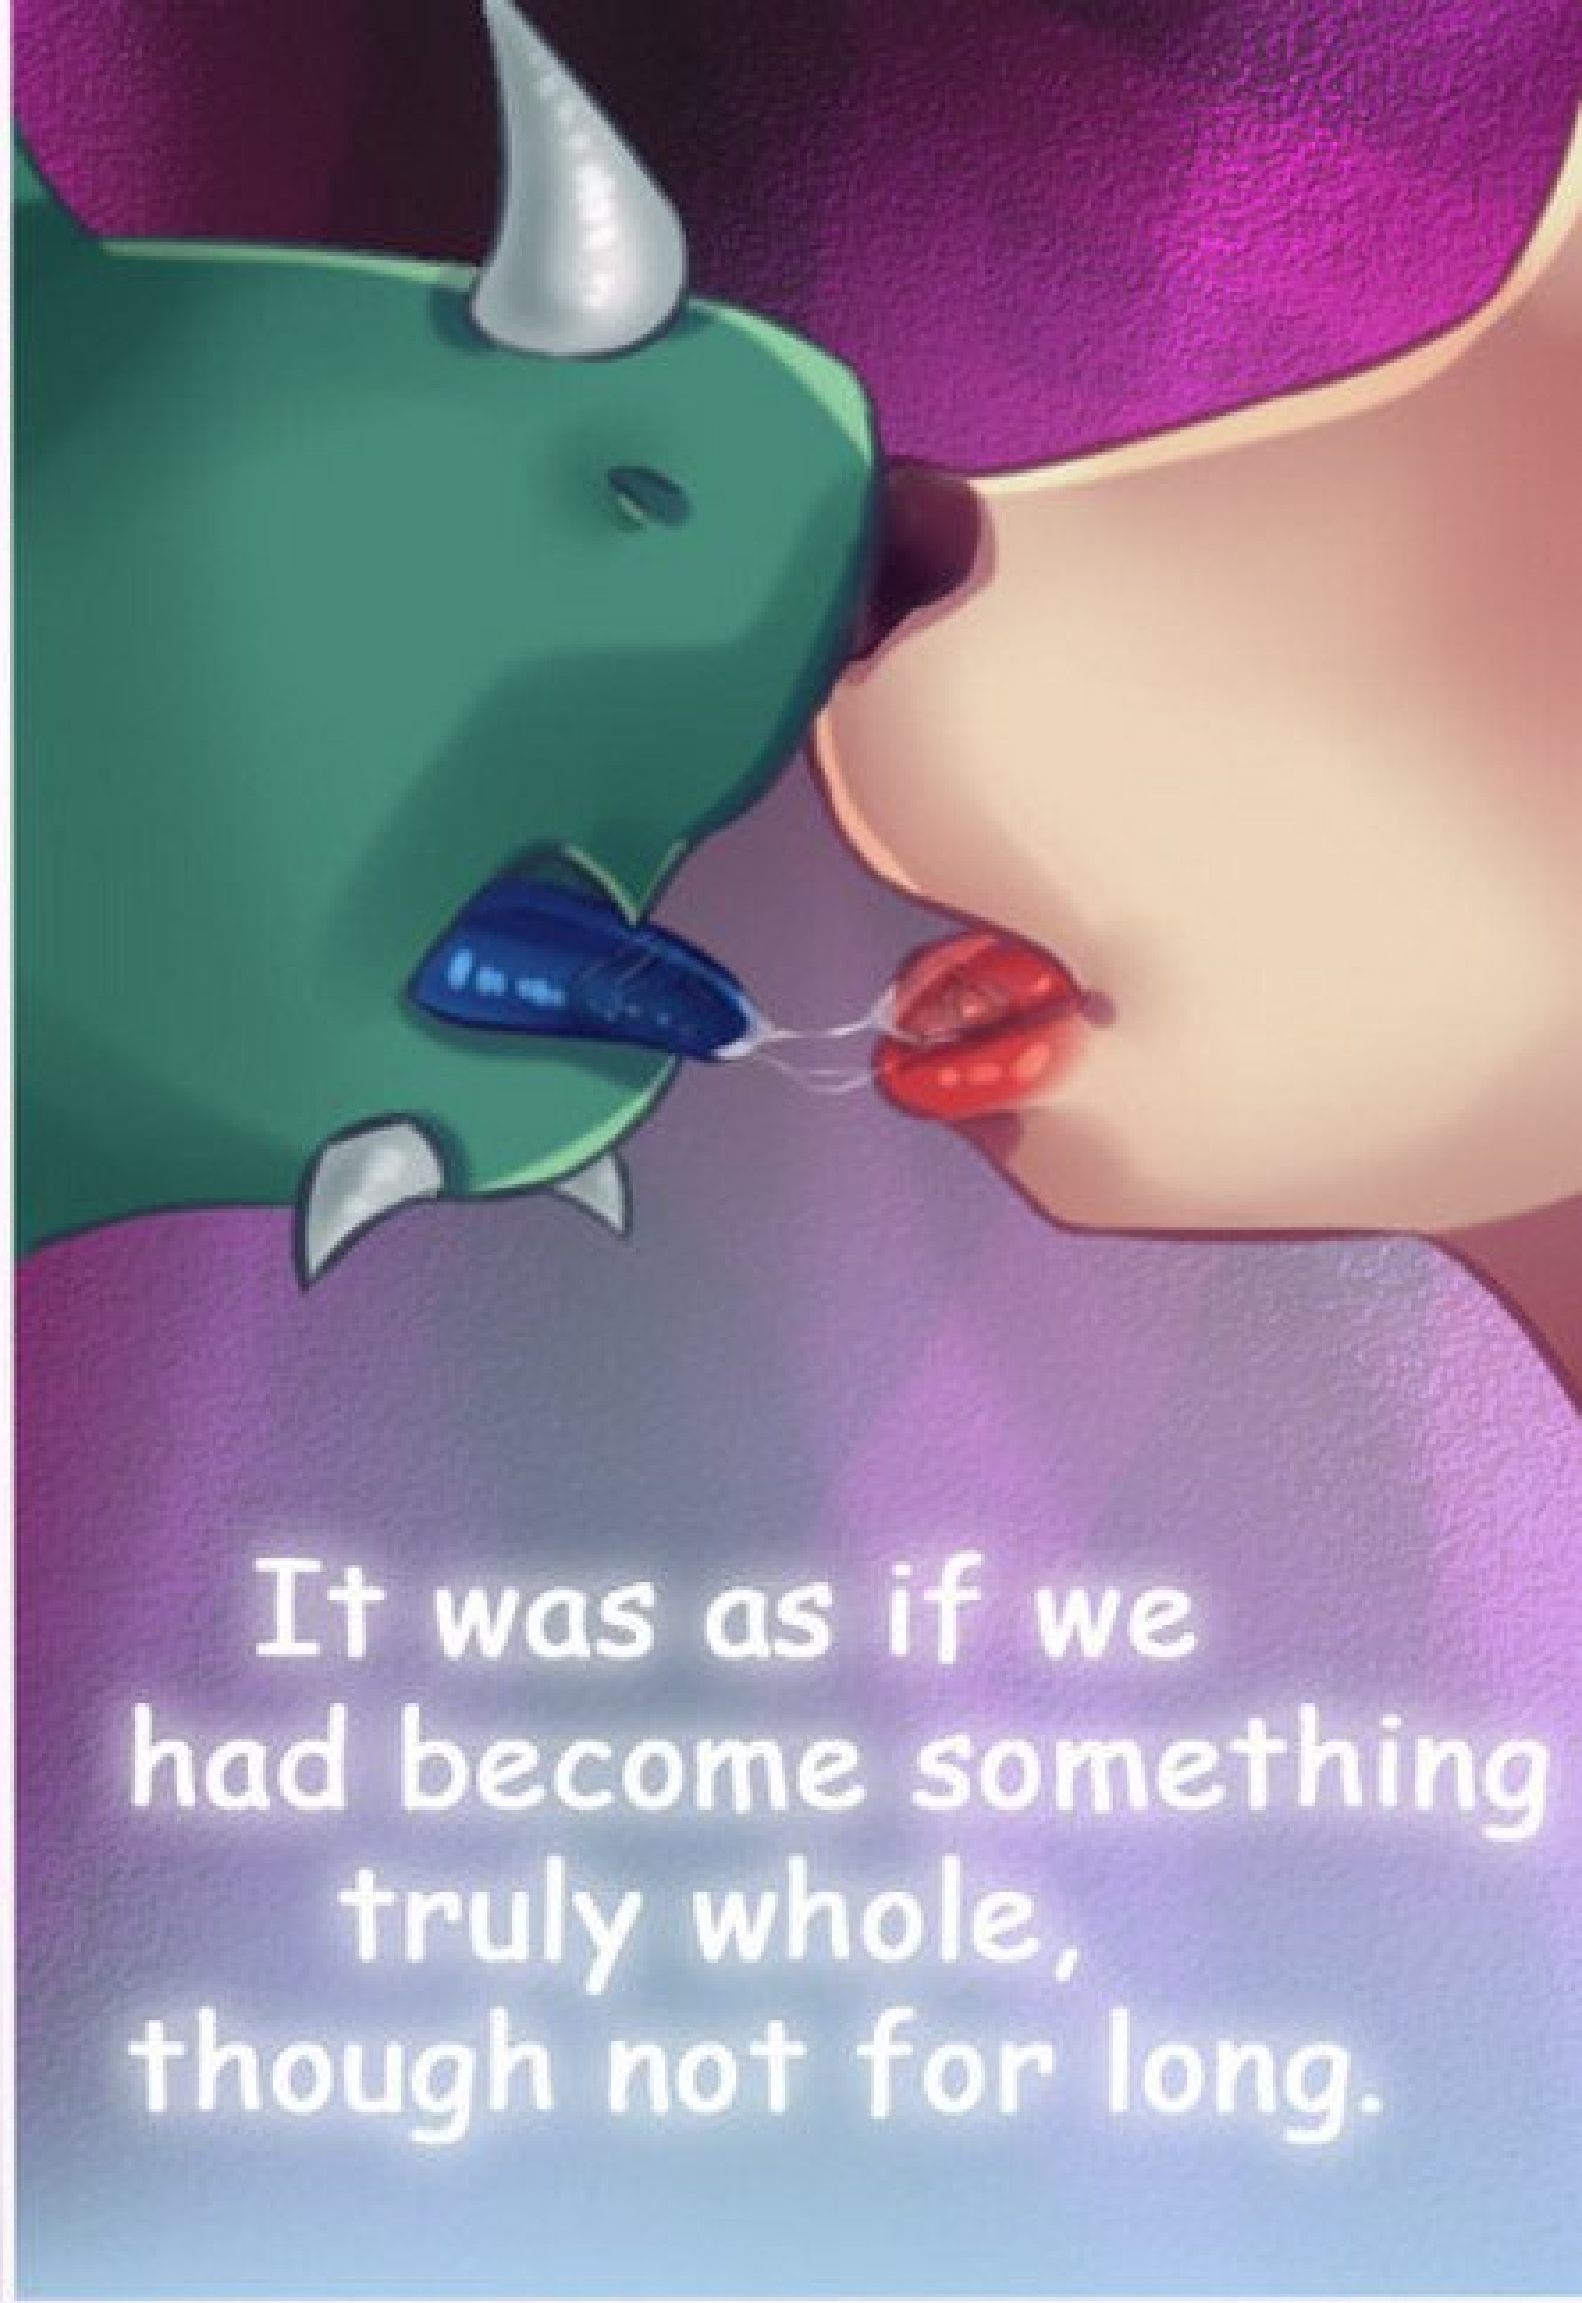

Ah!
Yes!

DiaDi

This power is leaving us,
but we are ... completely
satisfied with what we have now.
The fog and sweet poison
leave the mind.

It was as if we
had become something
truly whole,
though not for long.

We still have everything
ahead of us!

End~
