Dammit!

I packed my brothers swimsuit instead of mine

You did what!?

It was too dark at home

Can I borrow your cap?

Myhentaigallery.com

That should do

You know you can wear a shirt?

Come on, it's so hot today

Nothing wrong with a guy wearing shorts

Is there something I didn't know about you?

Bruh

You sure you're ok being topless around me?

After all we are just friends

Exactly

Time to fix that

Ugh, okay

I trust you enough. Also, acting natural lets me blend in.

So much space in there

Tie them already

Nah, they have a form to cling to

...

Water is quite cold

Oh

Are you...

... staring at my chest?

Finally he's showing some signs

Get in the water before anyone sees you!

Sorry

Can you please take your swimsuit next time?

I'll try

But I actually have a history of forgetting it

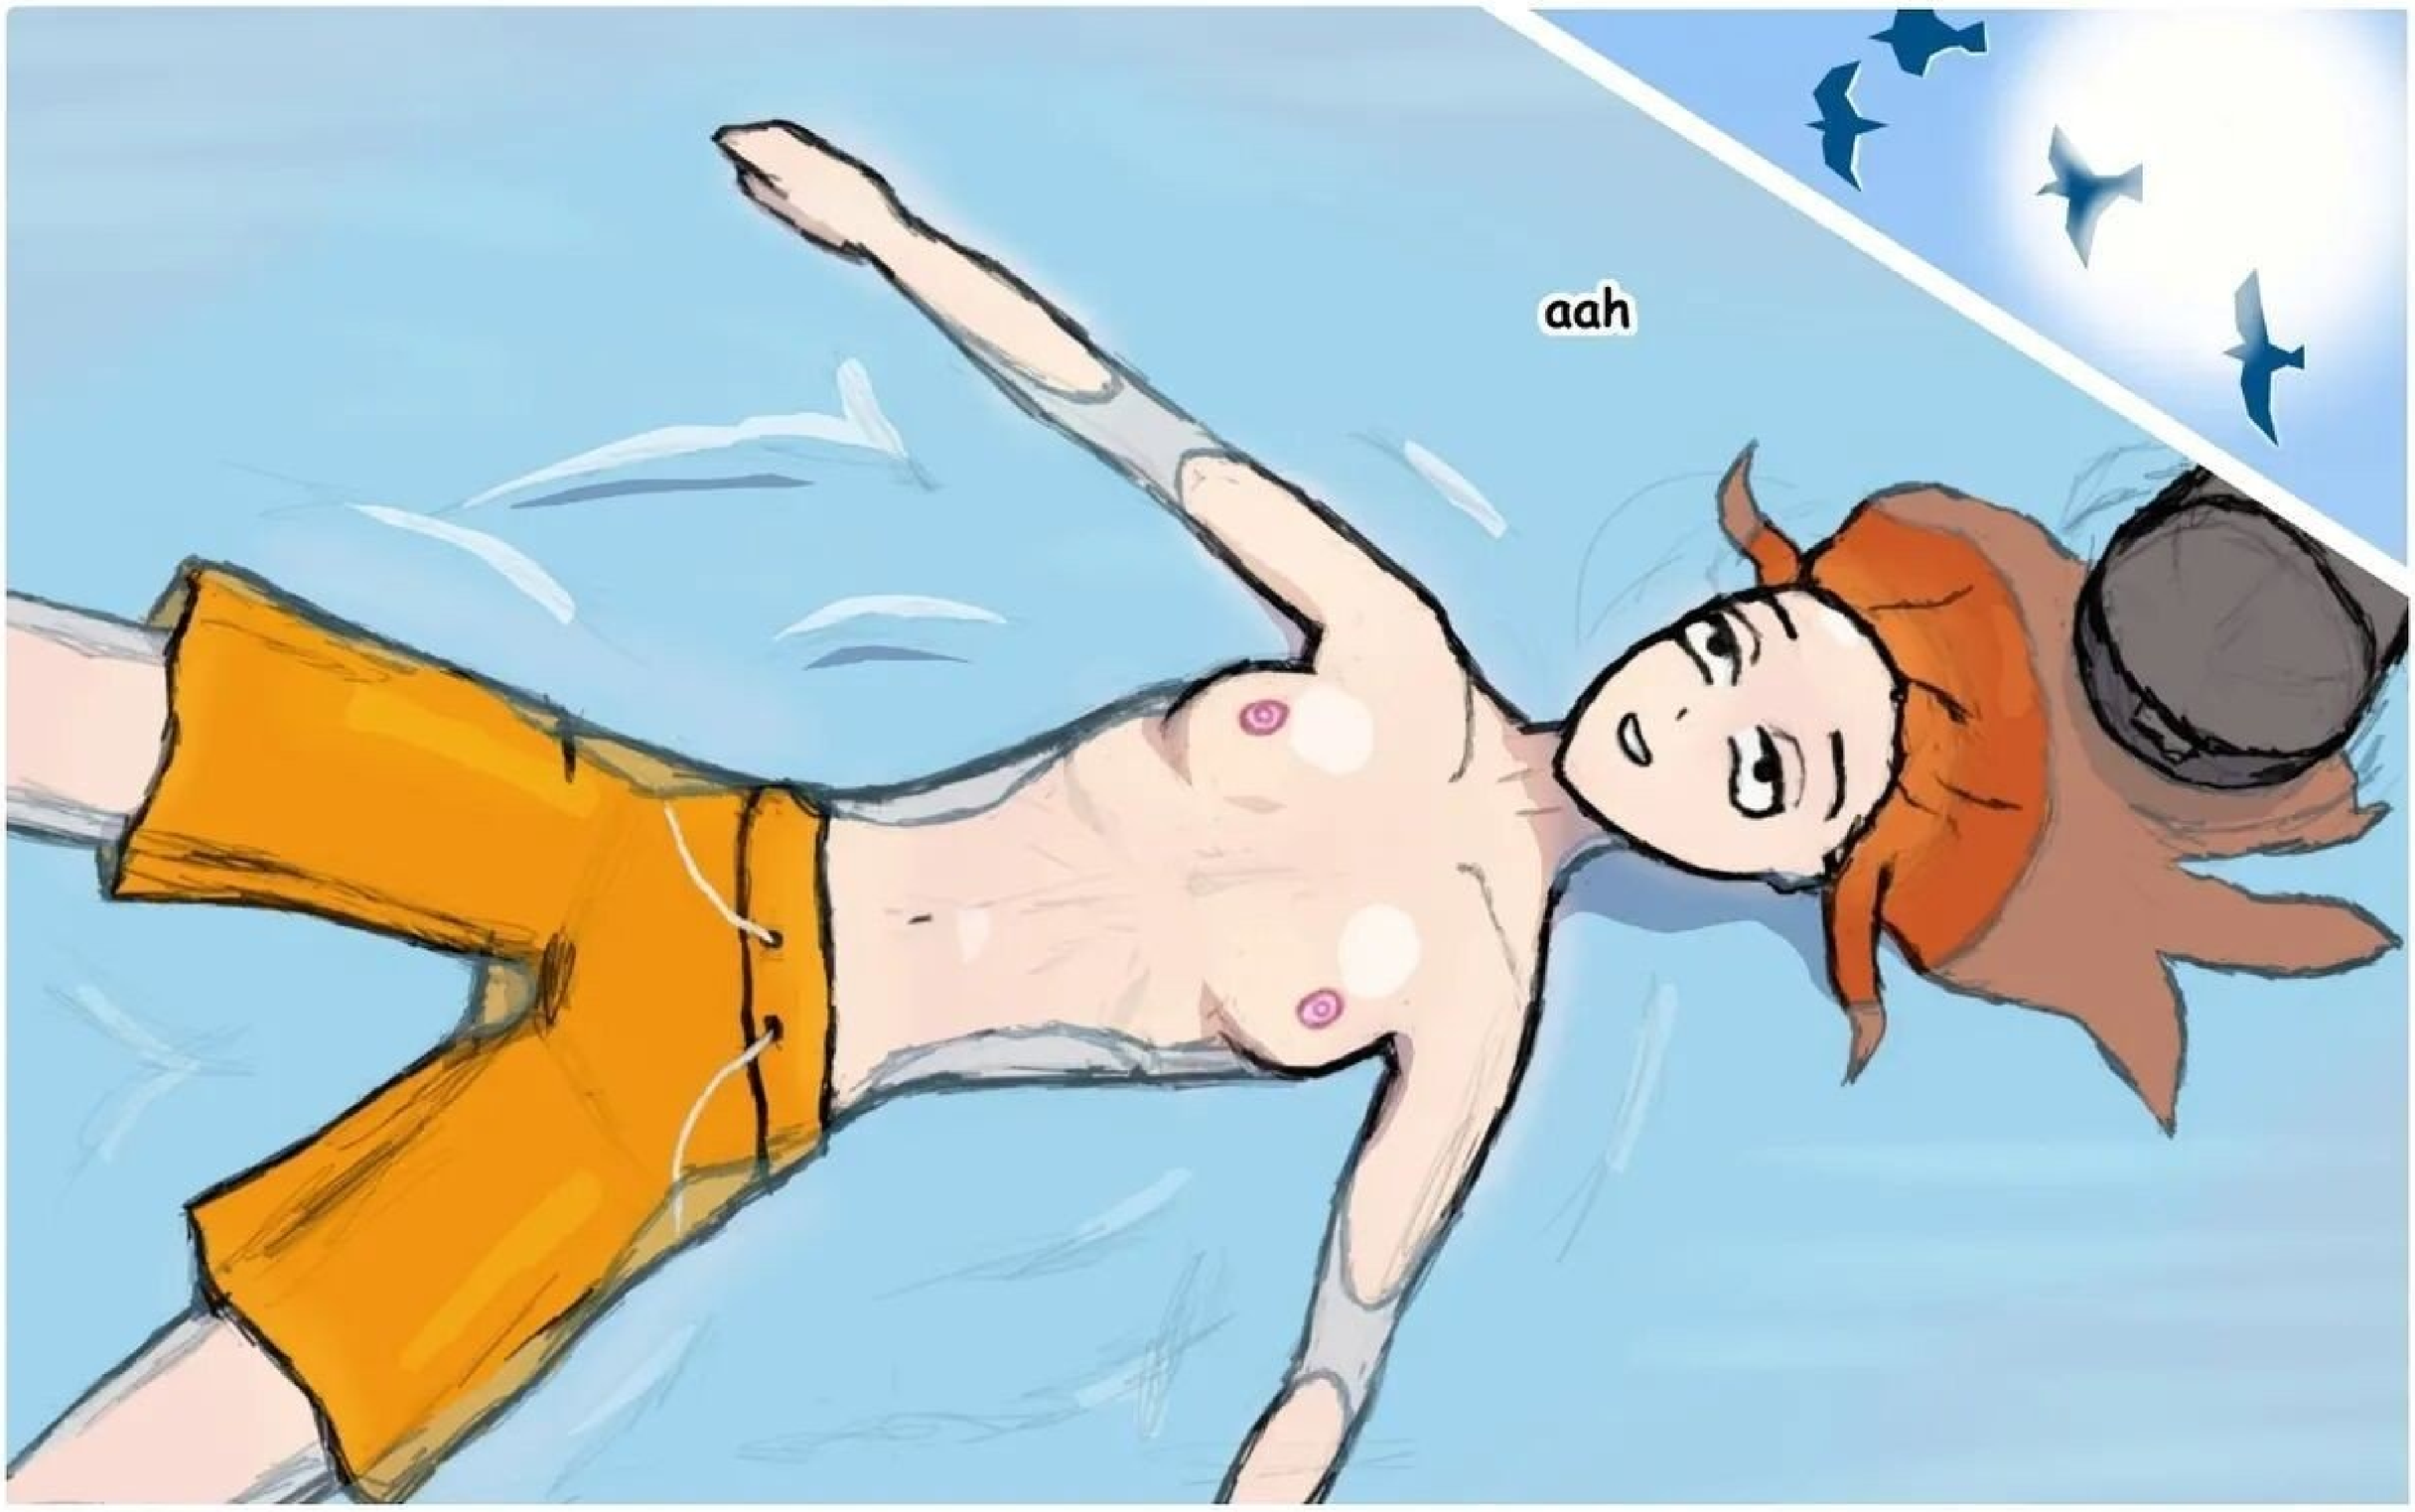

Of course you do

Told 'ya

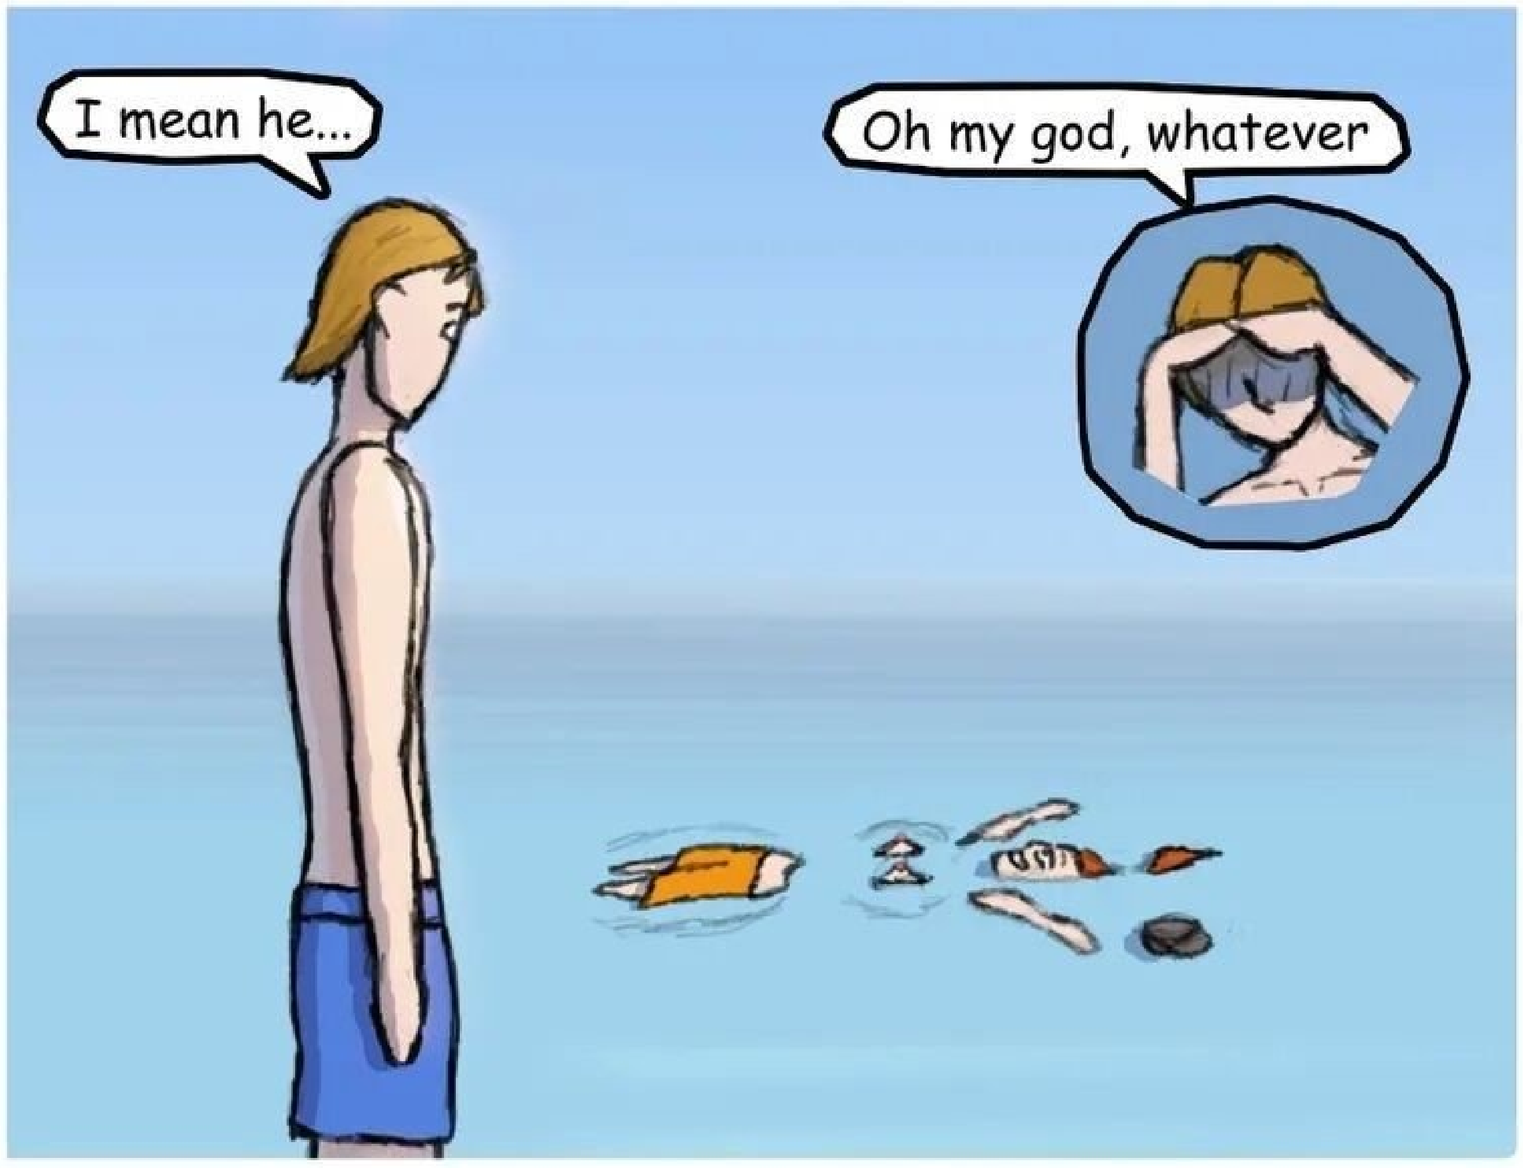

People might believe you're a guy, since you behave like this

Hello. This was supposed to be just one image, but I guess I'm doing comics now.
If you think it was okay, consider following me on Pixiv or commenting something, idk.
There's an extra page there, but it's tame.

All characters depicted are fictional and older than 21 years.

Back to boxers

This was so embarracing!

But you weren't even the one underdressed

You know it affected me too

Seemed like to you enjoyed it

Not in front of everyone!

No, I'm not implying I would want to see you naked otherwise

Pheh, keep lying to yourself

But it was a fun day, wasn't it?

Well... it was
