Oh. Can't forget this guy.
Who know if little Irwin

action today, Yo!!

I can't believe she finally say yes
A picnic just me and my Fair Mandy!!

I can finally feel it in the air
The air of a winner, Yo!!

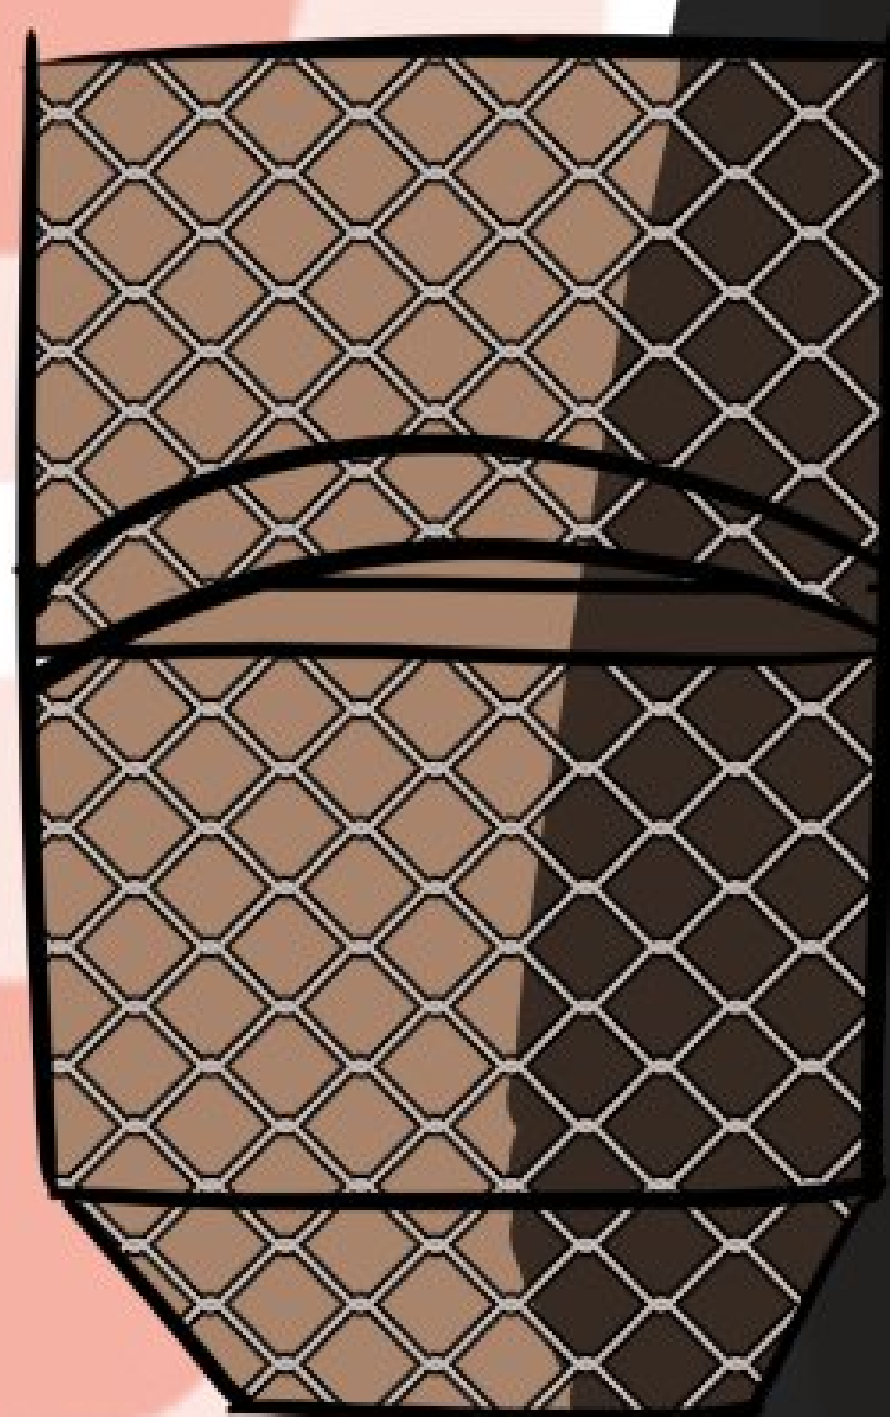

All I did was asking her
if she would like to taste
my cooking at picnic party
by the park with only
just us two.
At first I thought
she's going to
refuse me as usual.
But then she simply say
"Yes"!!
A little bit too short but
it mean I still have a chance, Yo!

So, Carpe Diem Baby!!
Today is the day Irwin gonna
get some Yo!!!
I'm gonna totally surprising
her with my mad skill at cooking, Yo!!

Then why is it only just me and Grimm here, Yo?!!

Just a moment ago. My Mandy just heare and the next when I am going to show her my brew she's just gone!!

I must say I am quite against this at first.
But after tasting your tea I think I'll just have to change my mind!!

And I thought its only going to be just me and Mandy today. Yo!!

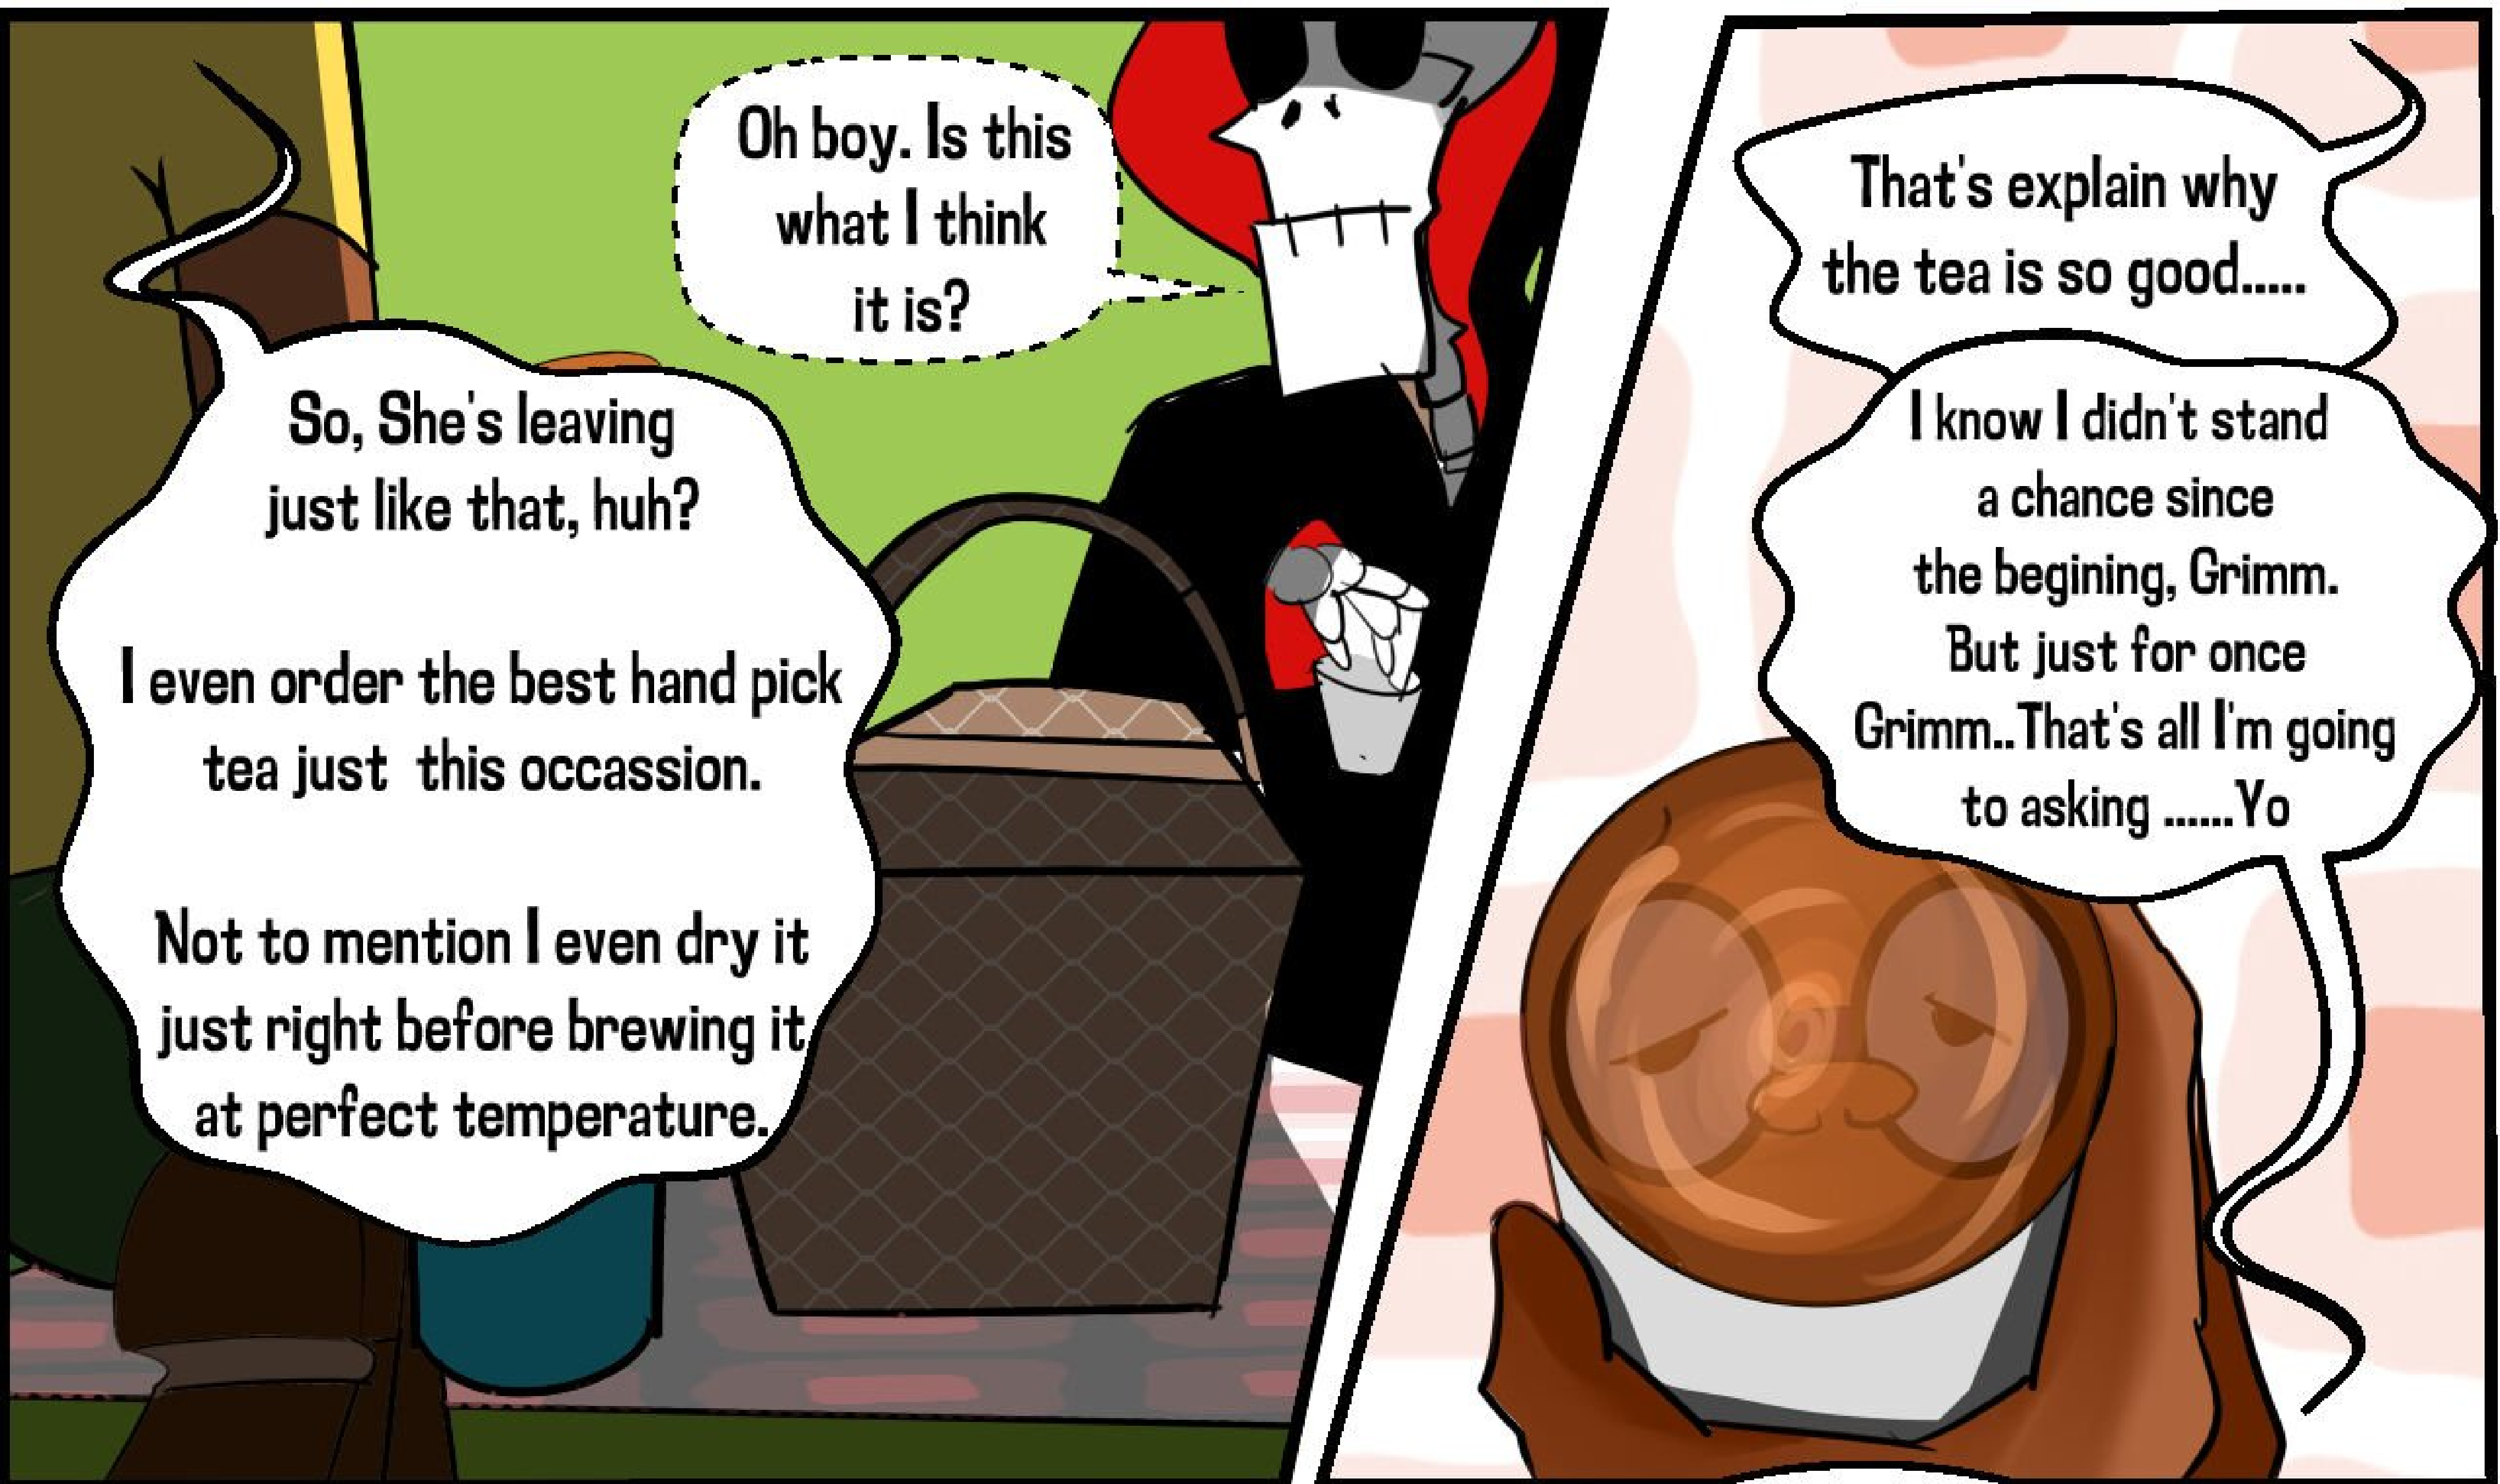

Have I said something that might got her misunderstood?
Or maybe she's worry about being alone with me?

I thought today is going to be THAT day!!!

This is very excellence brewed Irwin!!

Second from Grandma Kali anyway.

Oh boy. Is this
what I think
it is?

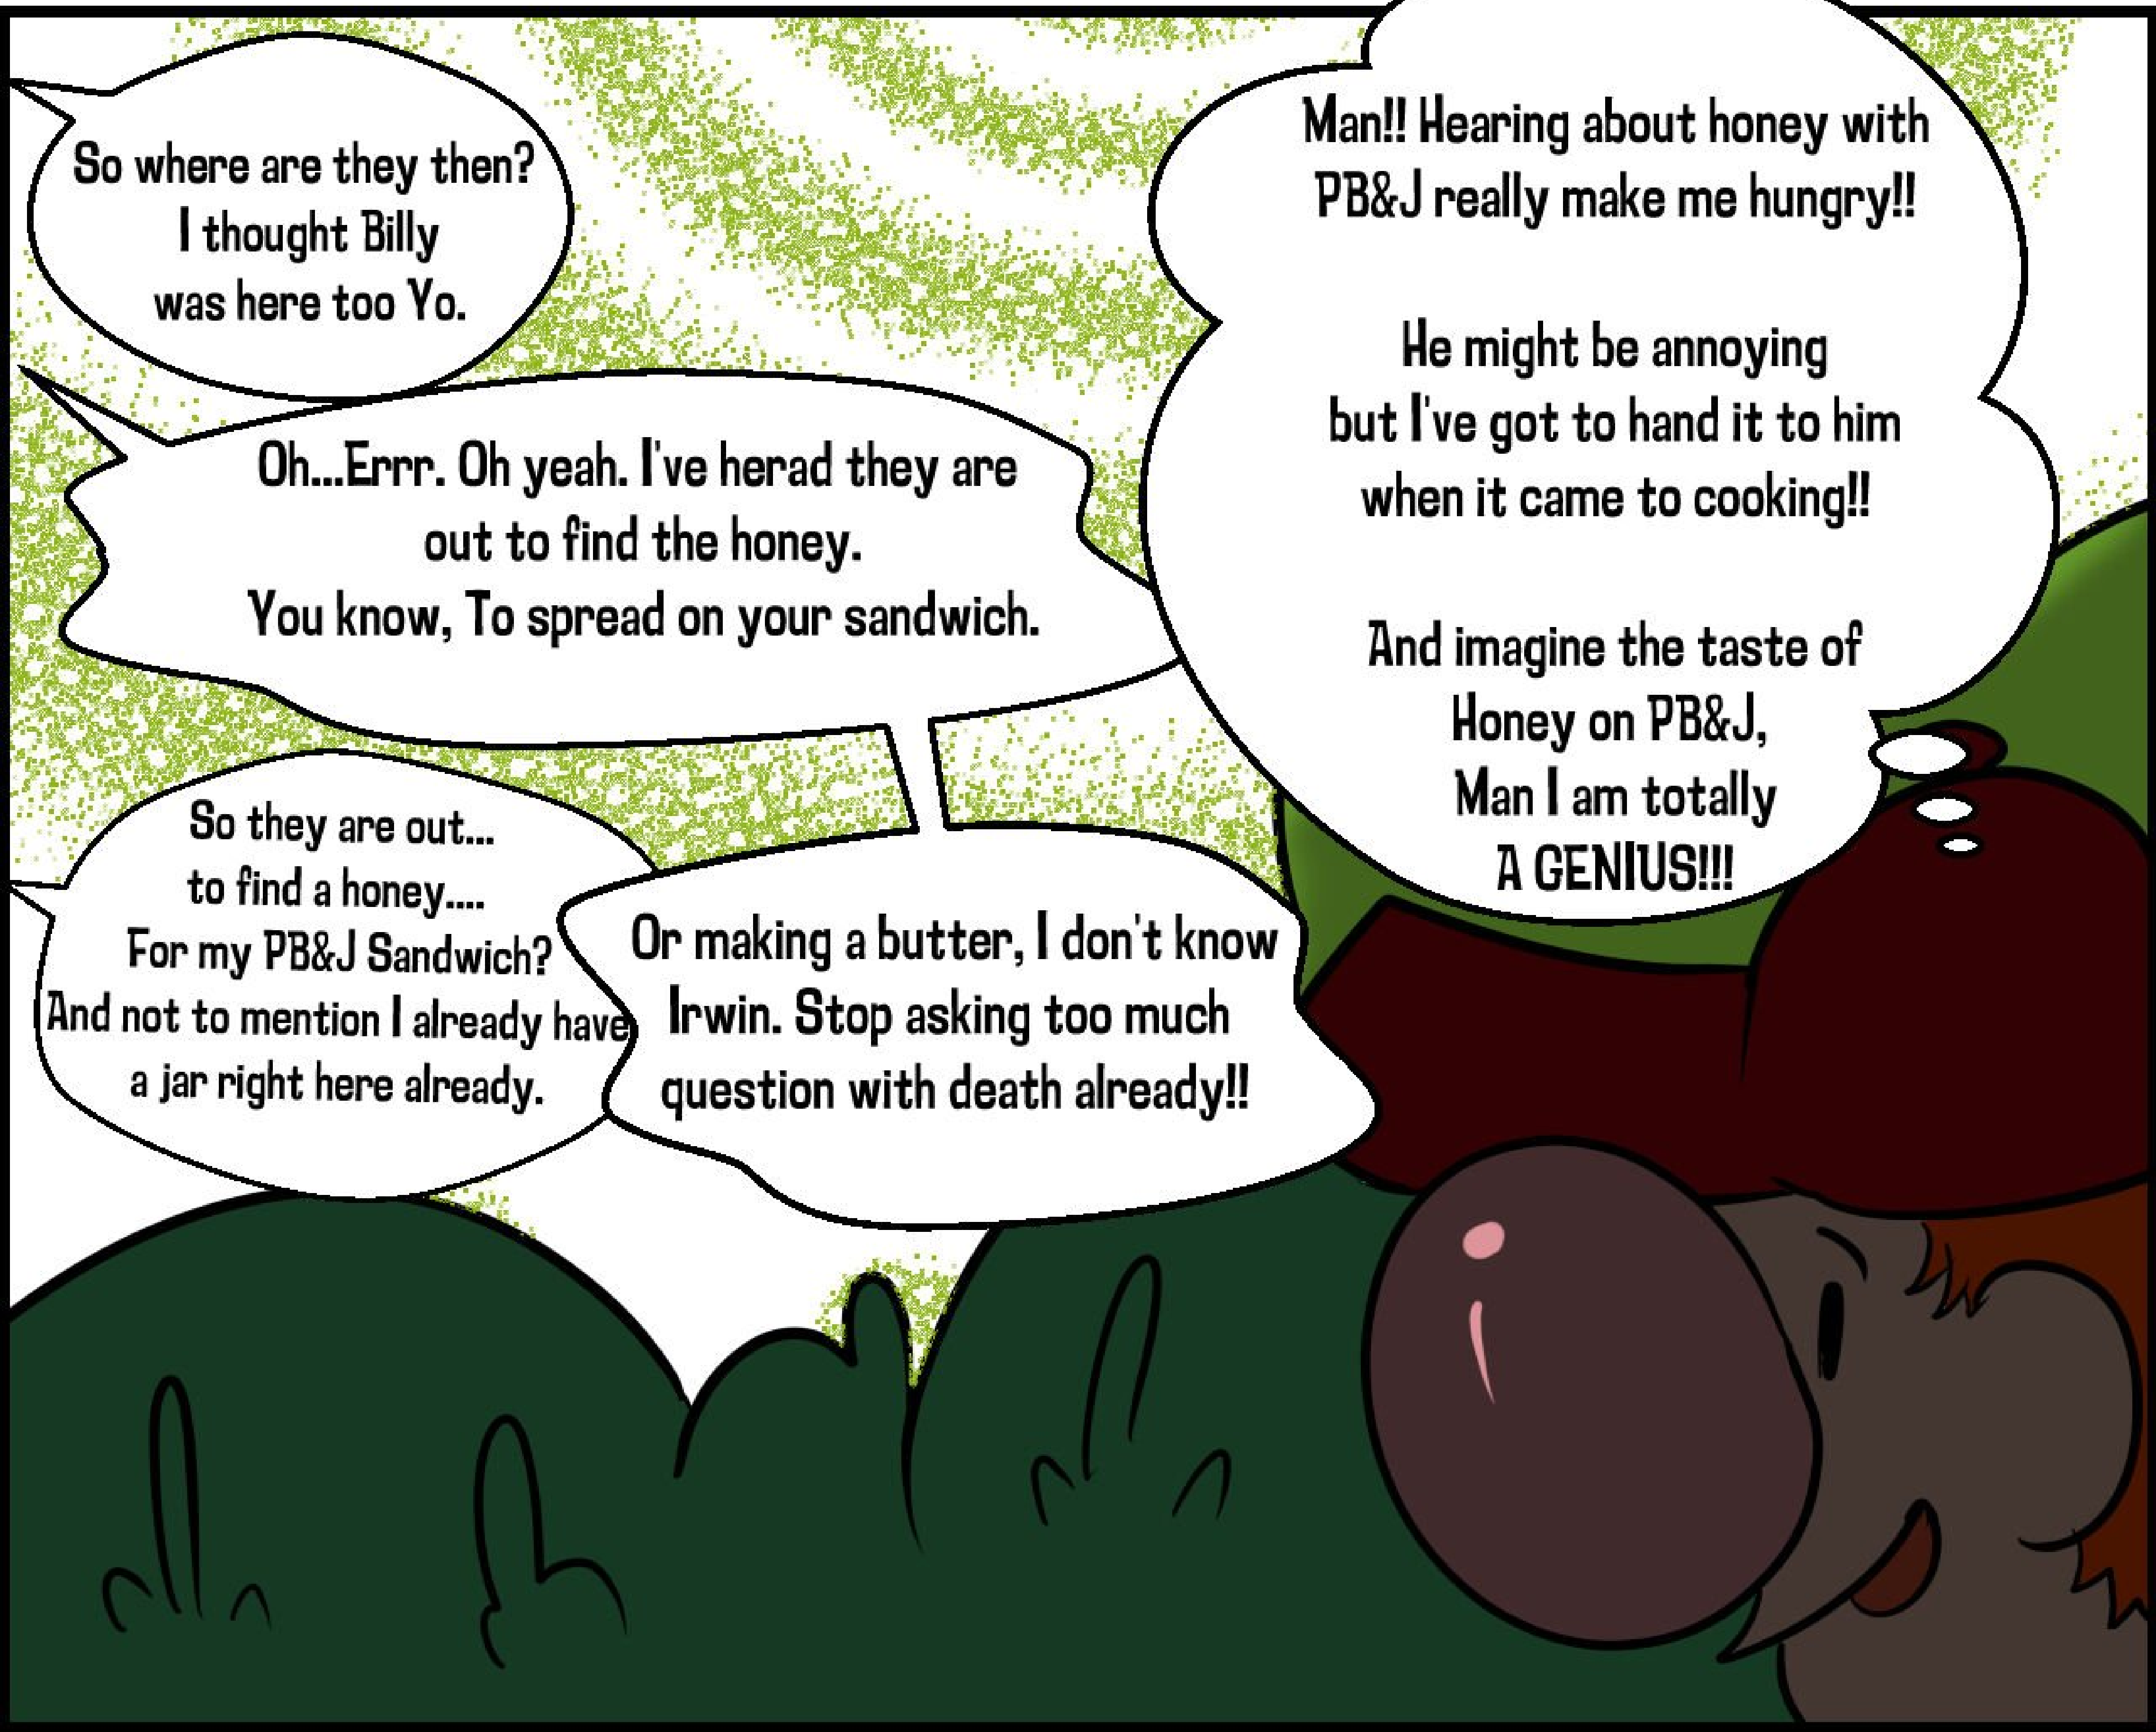

So, She's leaving
just like that, huh?

I even order the best hand pick
tea just this occassion.

Not to mention I even dry it
just right before brewing it
at perfect temperature.

That's explain why
the tea is so good.....

I know I didn't stand
a chance since
the begining, Grimm.
But just for once
Grimm..That's all I'm going
to askingYo

So where are they then?
I thought Billy
was here too Yo.

Oh...Errr. Oh yeah. I've herad they are
out to find the honey.
You know, To spread on your sandwich.

So they are out...
to find a honey....
For my PB&J Sandwich?
And not to mention I already have
a jar right here already.

Or making a butter, I don't know
Irwin. Stop asking too much
question with death already!!

Man!! Hearing about honey with
PB&J really make me hungry!!

He might be annoying
but I've got to hand it to him
when it came to cooking!!

And imagine the taste of
Honey on PB&J,
Man I am totally
A GENIUS!!!

A cartoon illustration of a character with a large, rounded brown nose, a small red cap with a red pom-pom, and a wide, toothy grin. The character has orange hair and is wearing a grey shirt with a blue collar. The background is a solid green color.

Did I just said I'm a Genius?
Oh by!! Does that mean
I can doing anything
I want?!

Being Genius is totally
so Great!!!

Since I am a Genius. Mean that
I am a smartest person on earth.
Everyone, Even Sperg going to
respecting me.

First I am going to run for a class prez
