LONG, LONG AGO, MANY CENTURIES AGO

THE DEMON QUEEN REIGNED

SHE RULED WITH AN IRON FIST, BRINGING HORDES OF DEMONS UNDER HER COMMAND. SHE CONQUERED HALF THE WORLD.

A PROPHECY WAS GIVEN TO THE PEOPLE THAT HER REIGN WOULD SOON COME TO AN END

FOR THE PROPHECY DECLARED THAT A WORTHY HERO,

POSSESSING GREAT POWER OF "PERSUASION," WOULD SOON APPEAR

So you're that great hero foretold in the prophecy? I was expecting to see a warrior with a legendary weapon, not some pathetic little rat with a board.

Are you really that "great demon queen"? Because compared to the ones before you, you look like a wimp. I guess I'll have to keep going after I win...

You insolent wretch. You have the honor of dying by my hand, you rat!

You all say that... And then Dodge has to go take on the next one.

Does everyone know how to do it this way?

I haven't even stepped down from the throne yet, Rat. And you're already dead.

Looks like I'll have to find some new generals,
since even the weakest of them couldn't defeat that trash
who died from a single blow...

Rejoice, people. Today we celebrate the day when the most despicable threat to our world will vanish from it forever.

Look how pitiful the once-feared ruler of the world looks now!

As the hero carries out the "farewell" sentence.

HEY, KING!!

YOU SAID THIS WAS JUST A SHOW FOR YOUR PEOPLE!!

YOU PROMISED THE HERO WOULDN'T TOUCH ME!!!

IF HE SAYS EVEN ONE MORE SWEAR WORD AT ME, I'LL CAUSE AN ABSOLUTE CHAOS HERE, AND I DON'T GIVE A DAMN ABOUT THE HERO...

I GUESS WE'LL NEVER SEE EACH OTHER AGAIN.

We won't be seeing each other again. So here's a farewell gift.

RAT!!!

All in all, things aren't so bad. I won't have to see that dangerous Rat anymore. And soon my butt will stop hurting.

Now I'm going to rest for a bit, figure out where this portal has taken me, and start taking over the world again.

Are you going to take over the world? So you're the new girl Dodge promised to send?

I see he's already started the re-education program.

Well then, my friend, let me introduce myself—I'm Isabel.

And starting today, I'll be re-educating you. I know how to subdue demons.
