"Our story begins with a young boy,
destined to be a hero - but he has a lot of
growing to do!"

Ahh...Yes!!!
That's great.
Keep doing
whatever your
doing.

Oh Din, Yes! I
am **blowing** my
load.

What
in Din's name
are
you...doing?

You were
supposed to meet
me to pick fruit
for **your** party, and
I find you **screwing**
around
with **Pixies!!**

Chill Soria and
follow me.

Where
are we
going...and
don't tell me
to
chill!!

See!! I told the
pixies they could
play with my **dick**
if they got us the
fruit we needed.

Blink, as much trouble
as your cock gets you
in...it gets you out
of more.
Blink,
that's a
lot of
fruit.

Ha!
I guess I
showed them
a real good
time.

Oh yeah,
I almost forgot.
I don't think the
Pixies are the
only ones you
showed a real **good**
time...take a
look in those
bushes.

What?!

Uh oh!
Mido...looks like
we're caught.

Hey **Blink**!
Hope you
don't mind us
catching the
show.

No I don't mind...
But, whoo-
What are you
doing **dude**?

Kokiri,
look he is getting
hard again, and he
just nuttet. This is
awesome.

Ah guys you don't
really have to- Oh
Din..I mean me and
Soria have to...He's
right there,
faster...We
really...Screw it,
someone suck my
dick fast!

No problem Blink.

Yea man-
Suck my thick
cock!
suck,
slurp

Wow,
am I glad we took
that short cut
through the forest.

Yea,
that was my idea,
and so is this
position. I
think I'm on
a role. Ride that
cock Blink!

Oh Blink!!
Keep sucking
my dick, your
mouth is so
fucking hot

Ya don't
have to
ask me
twice!

Ah YES! I gotta say fellas this is
so much better than jacking around
with Pixies. Wow your dick is so
hard and smooth. Ram it up my hole
...harder man...
faster...
YES!

Hey Blink.
Do you think
you could
wrap this
up? I mean
we do have
other things
to do
today...ya
know.

Oh yeah,
Sorry...we're almost
done. Just
one minute!

Alright guys, are
you ready to blow
your hot loads?

Din
yes!

I'm cumming!

Finally they're finished boneing...what? What do you mean you forgot to tell me something?

Man Blink, that was an awesome cumshot! Haha!

I thought it was pretty good too, especially since it was my seventh one this morning.

Blink, You're the man!

Oh Din! I can't believe you. You forgot to tell me when we're supposed to...Oh Din we're screwed. You're a bad Bond Fairy, a very bad Bond Fairy

We gotta go...like now!
We are so freaking
screwed.

Hey
it was fun **fucking**
you dudes. We
should do it
again...maybe
in like
an hour!!

Man
those two were
great **bangs**.
Did you happen to
get their **names** by
any
chance Soria?

Blink
we have bigger problems.
P.S. you're a **man whore**.
You were supposed to be
presented to **Dicku Tree**!!

First
thing this
morning!

Wow
we are screwed.
You think I can
get out of
trouble if I tell
him he can play
with my dick?

10

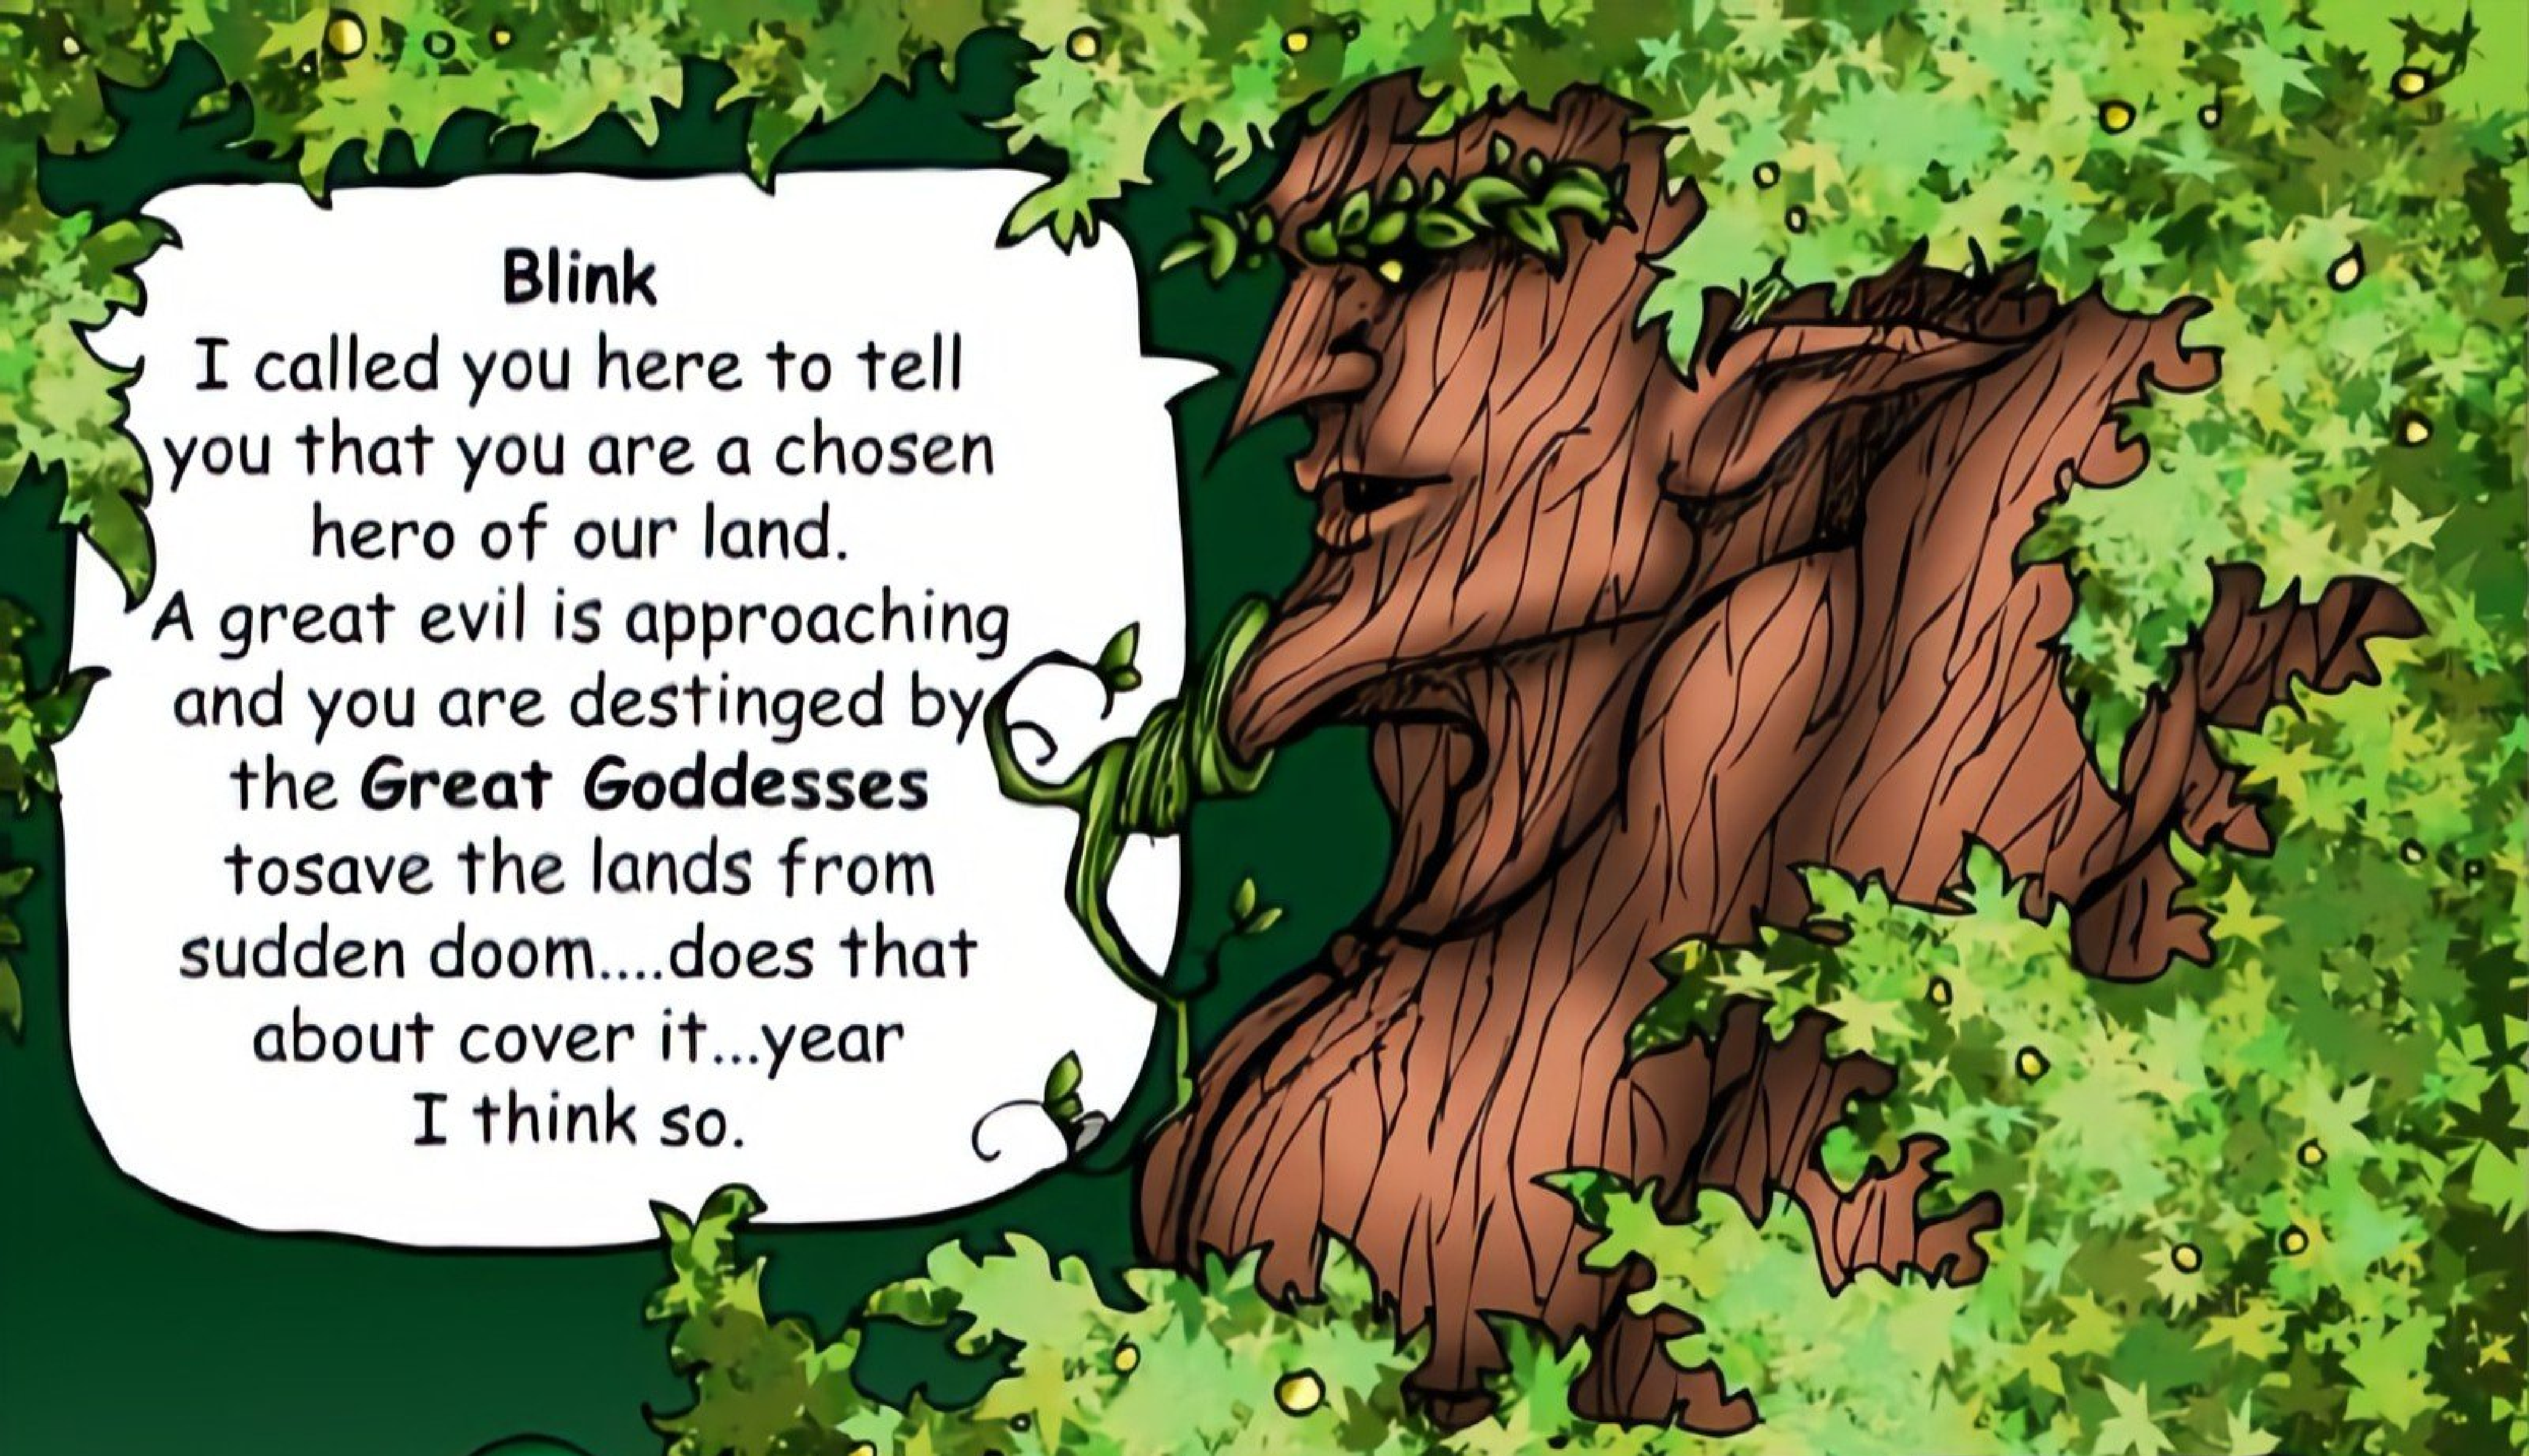

So begins the adventures of our young stud and what a beginning it was.
What could the Great Dicku Tree want with Blink? We'll see-

End of Chapter 1

No I don't want to play with you cock, Blink. Its okay tjat you're extremely late!

Oh really!
Okay well if you want to just play with it for fun that would be okay.

Blink...shut up. We are really sorry, communication issues I guess.

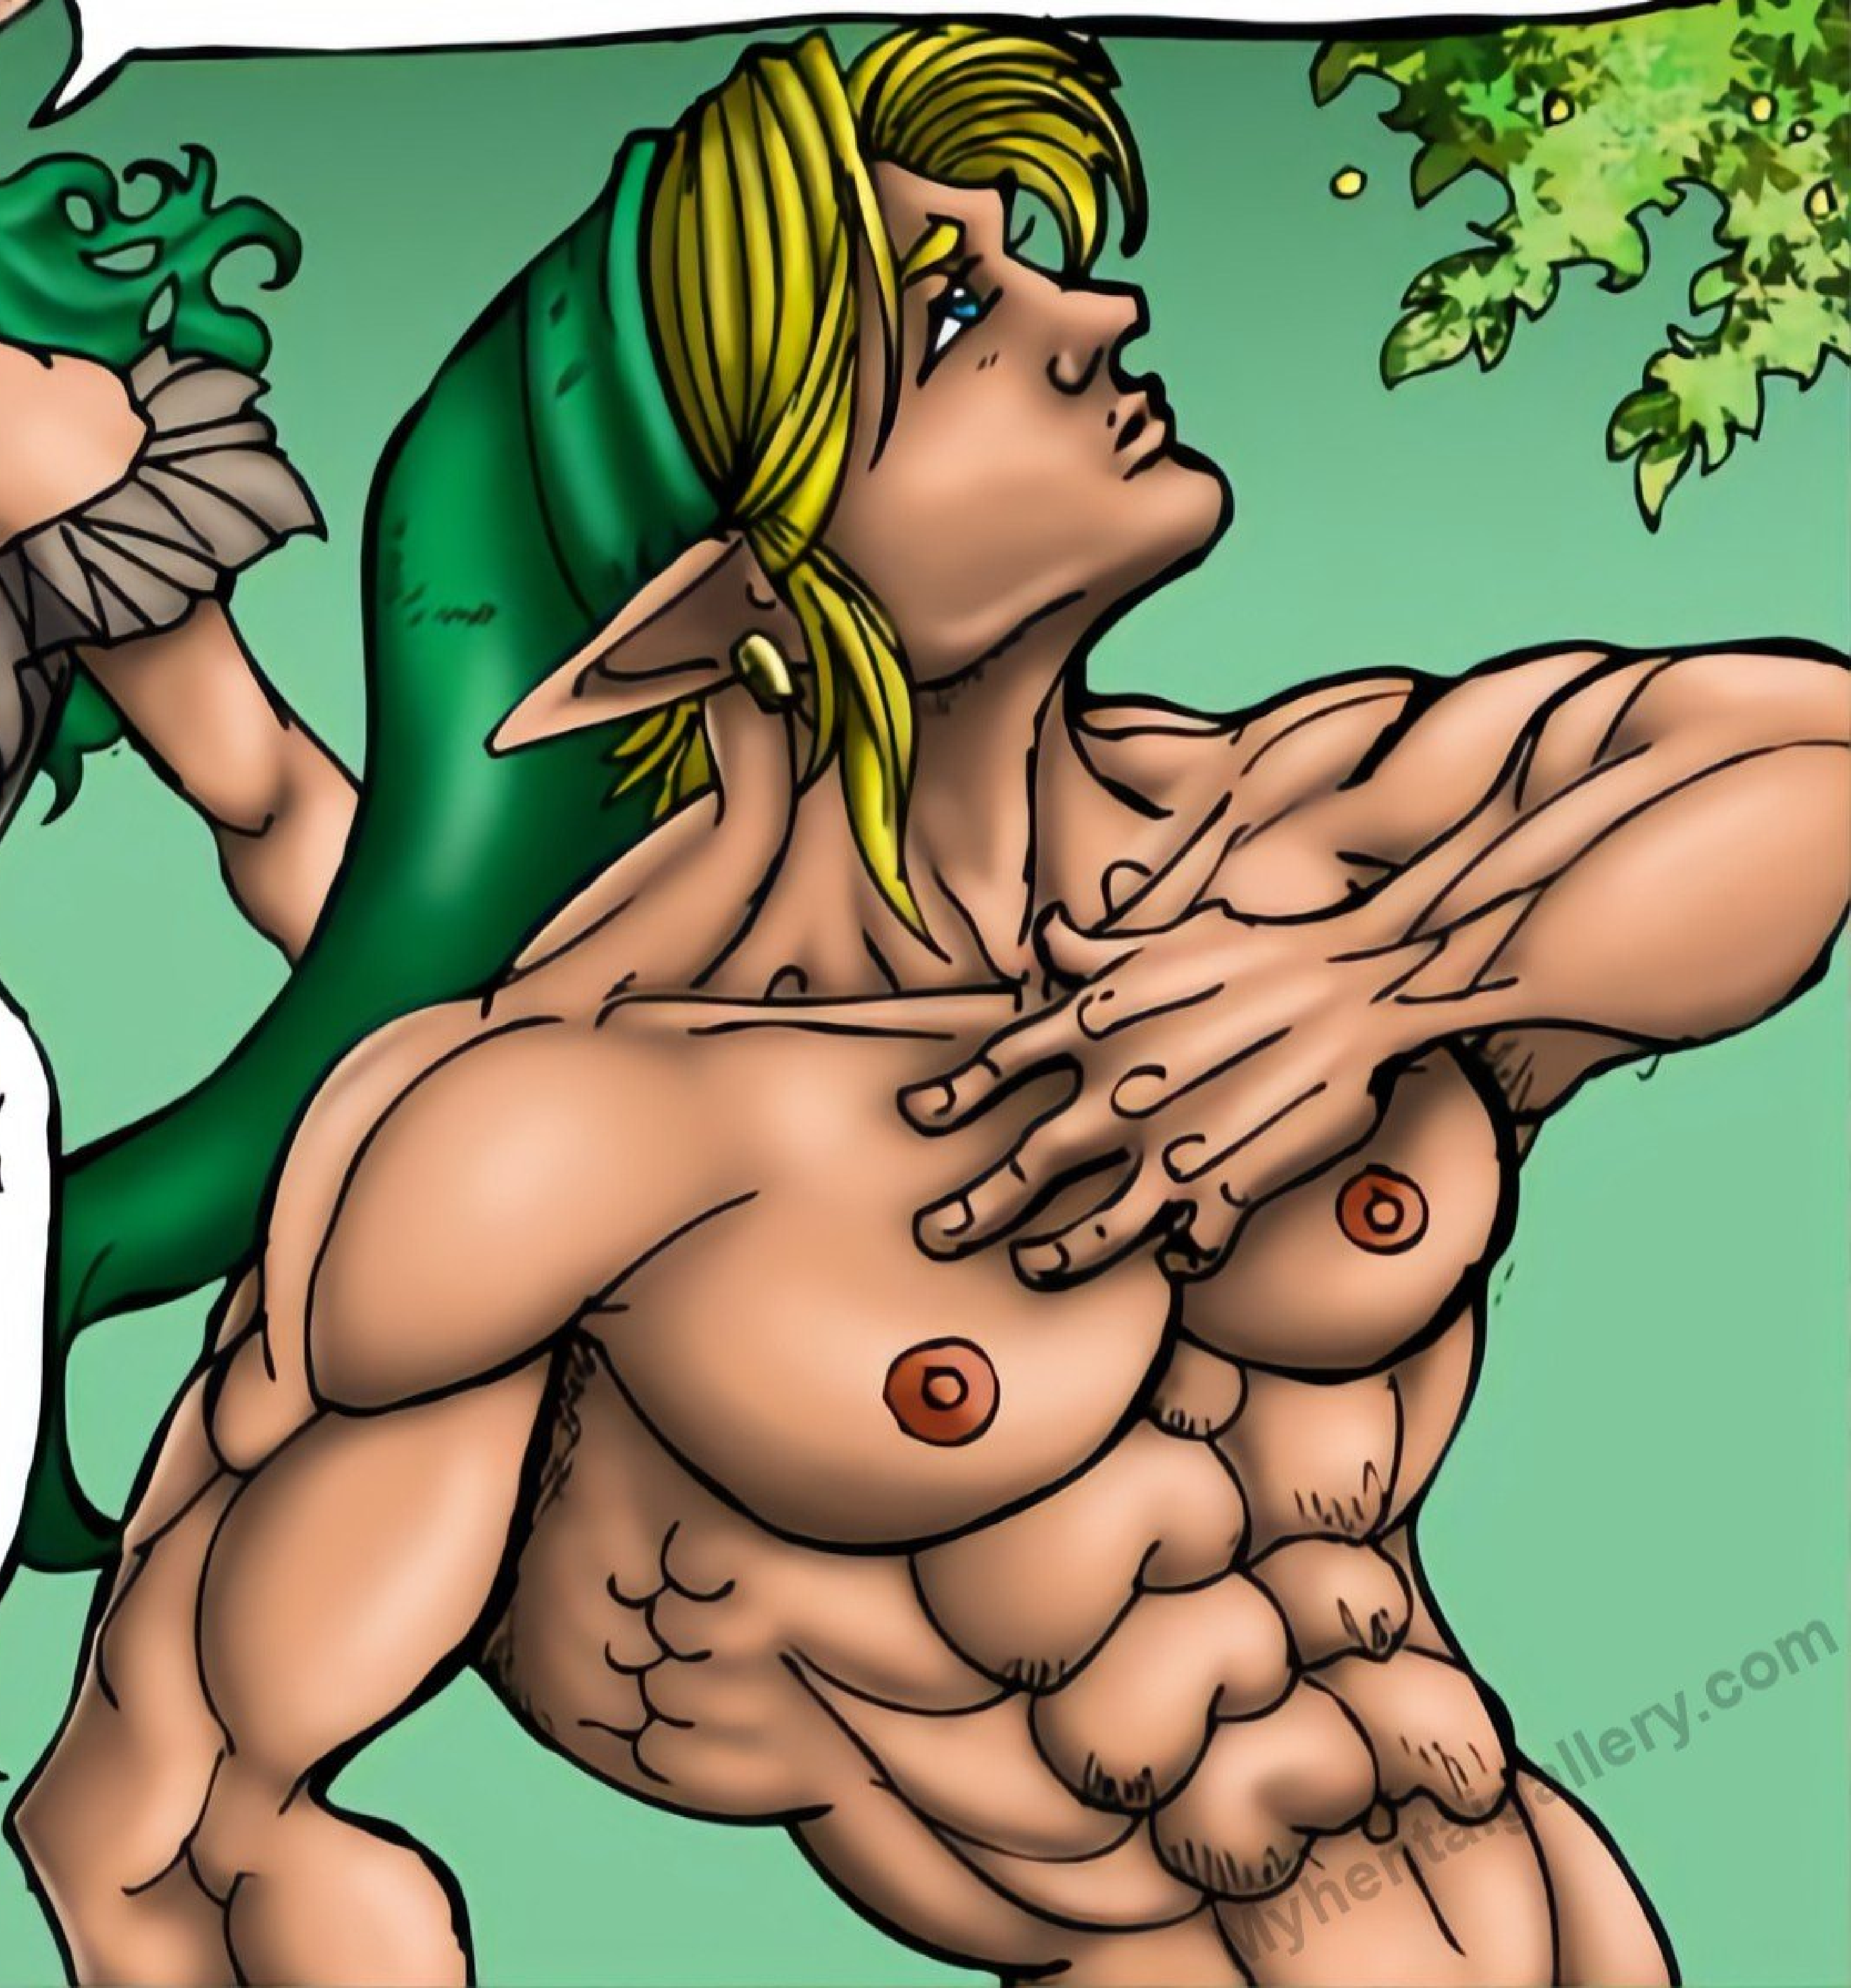

Blink

I called you here to tell you that you are a chosen hero of our land. A great evil is approaching and you are destined by the **Great Goddesses** to save the lands from sudden doom....does that about cover it...year I think so.

What...are you serious? I love you **Blink**, but you can barely get through the day without letting someone suck your dick to get out of trouble.

I feel you **Soria**. I mean, I can't be a **hero**...I got a huge cock and all but I don't even have a **Bond Fairy**. I think I'm the only **Forest Kid** who doesn't have one.

Speaking
of **Bond Faries**...I have
someone you need
to meet.

His
name is **Manvi**
and he is your
Bond Fairy.
He will be
your buddy on
your quest to save
the land. As you
see he has the
biggest **weiner**
in all of
the **Fairy Kingdom**,
his **huge dick** makes
him very
powerful...
and very **horny**.

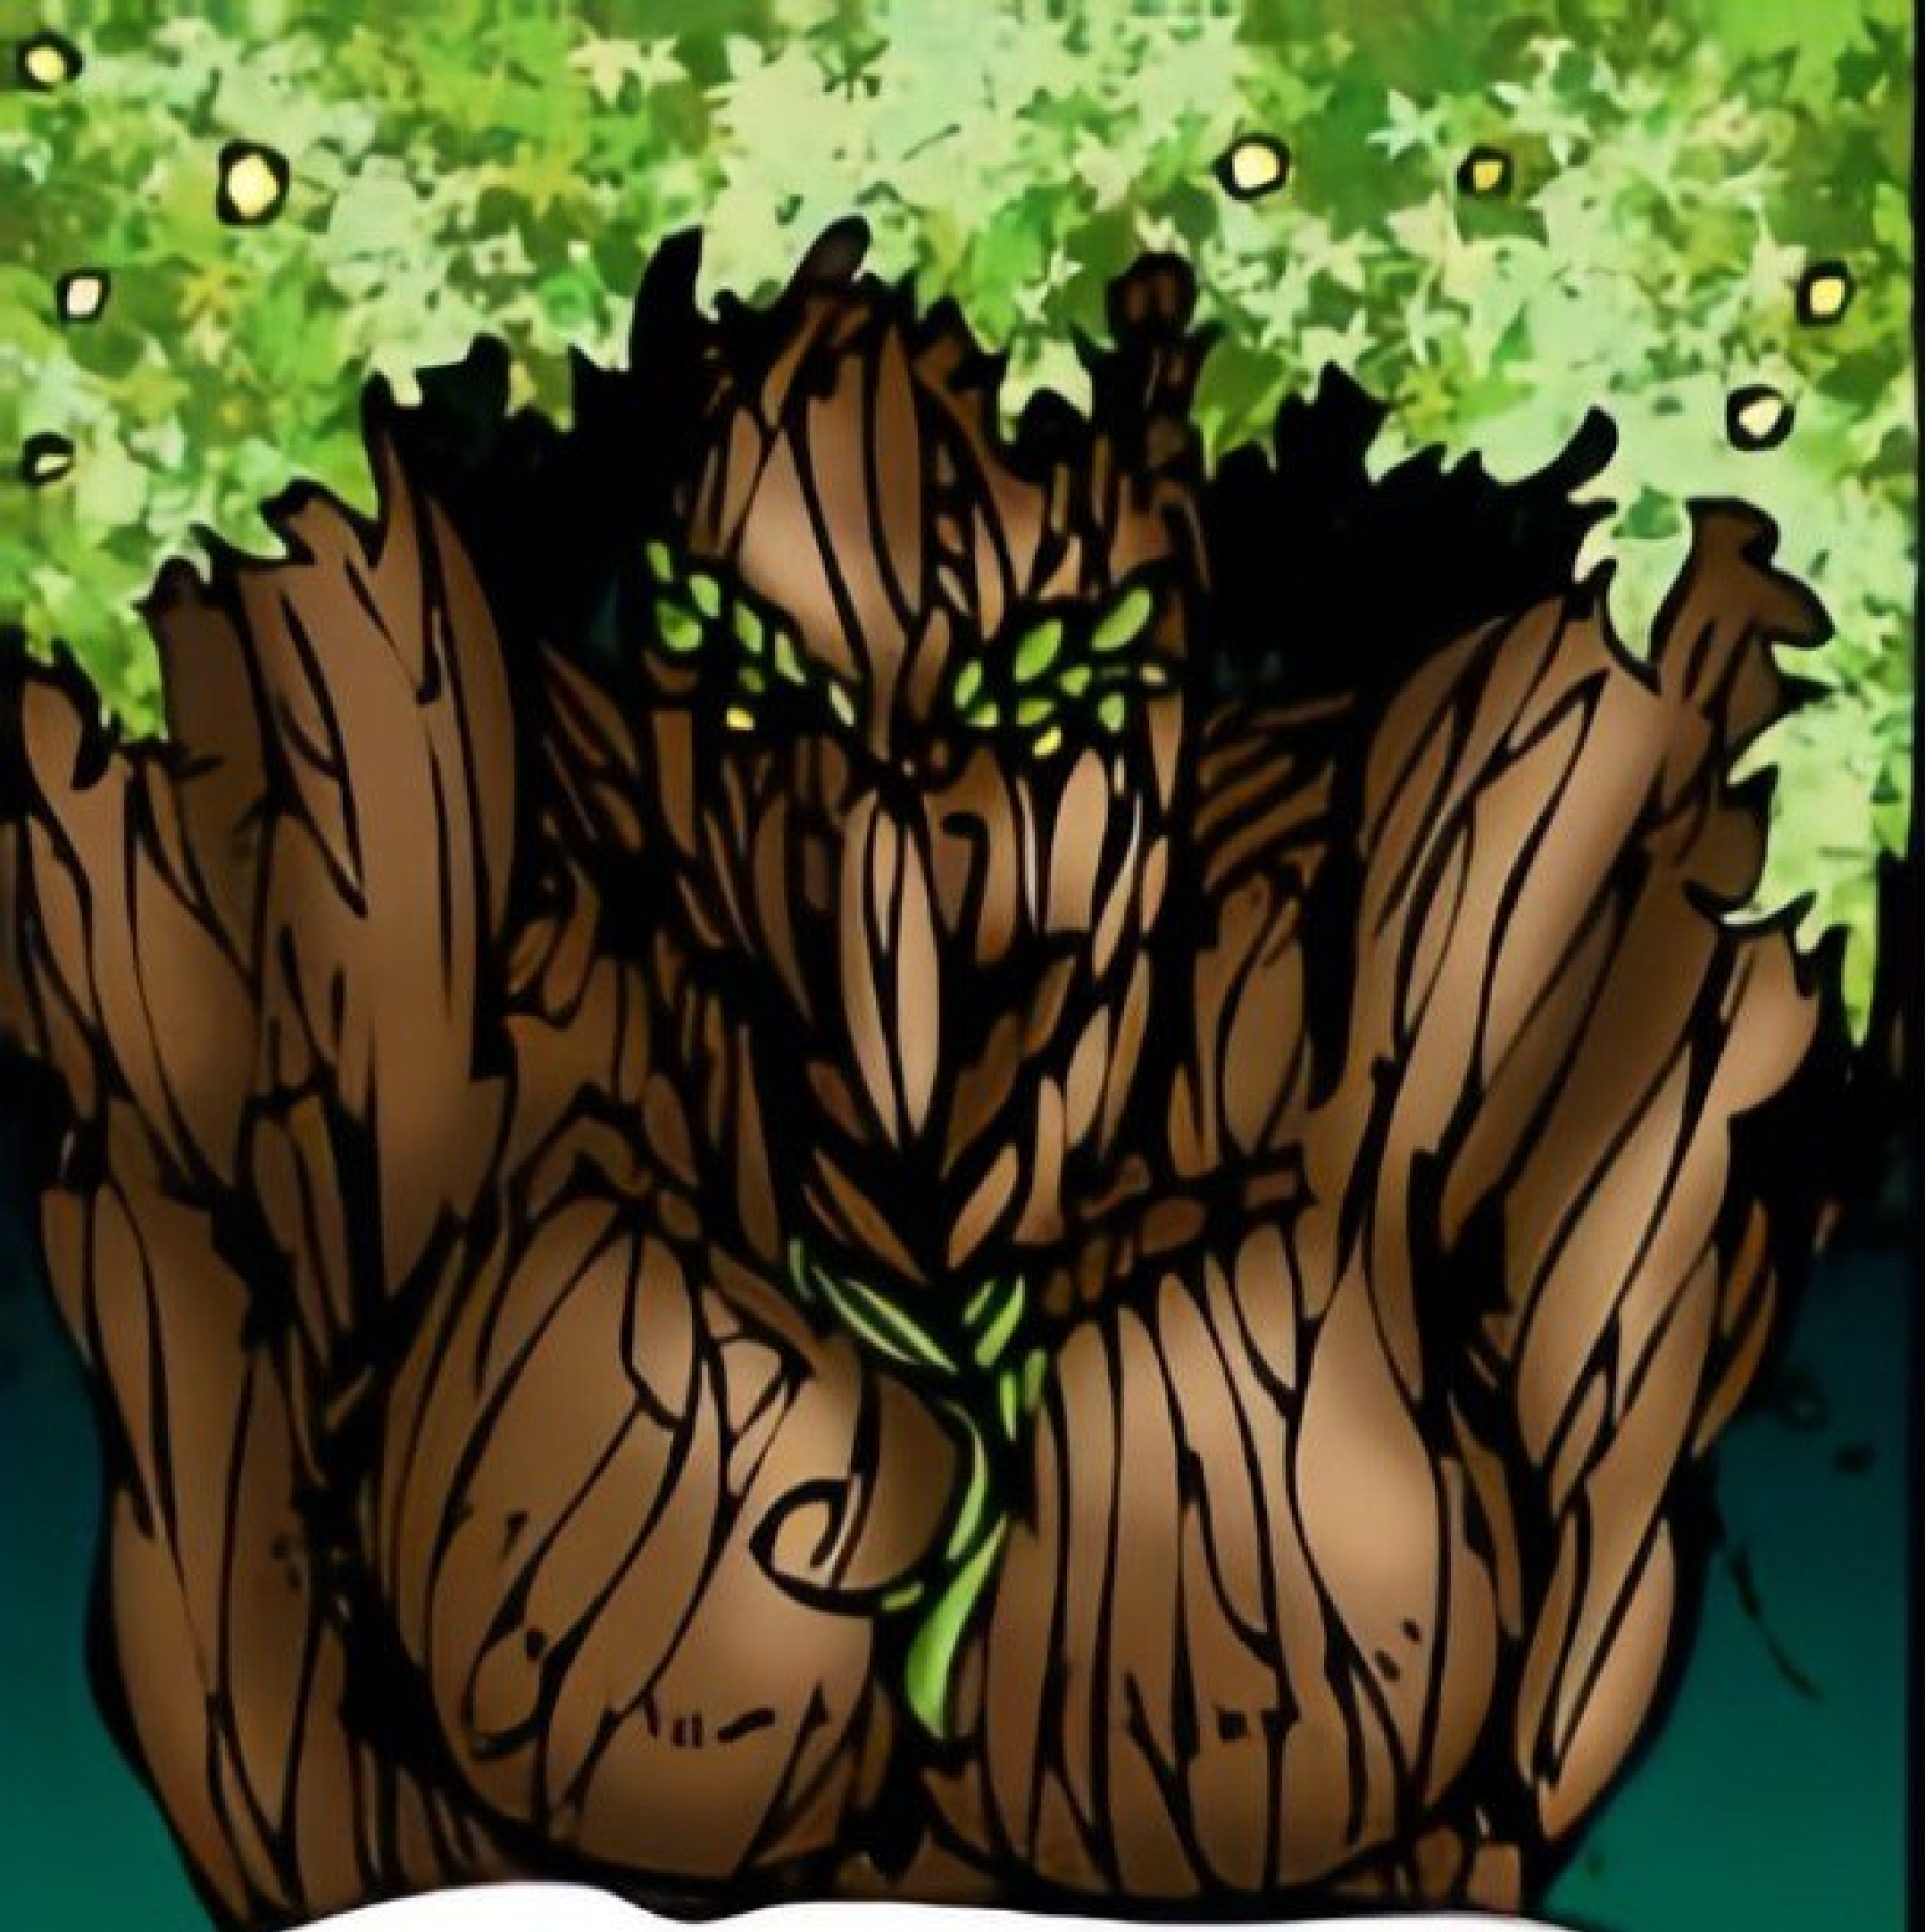

What's up dude?
That's a nice piece you're
packing there. My name is...

...okay your
cock's in my mouth.
Wha, what's...Din!

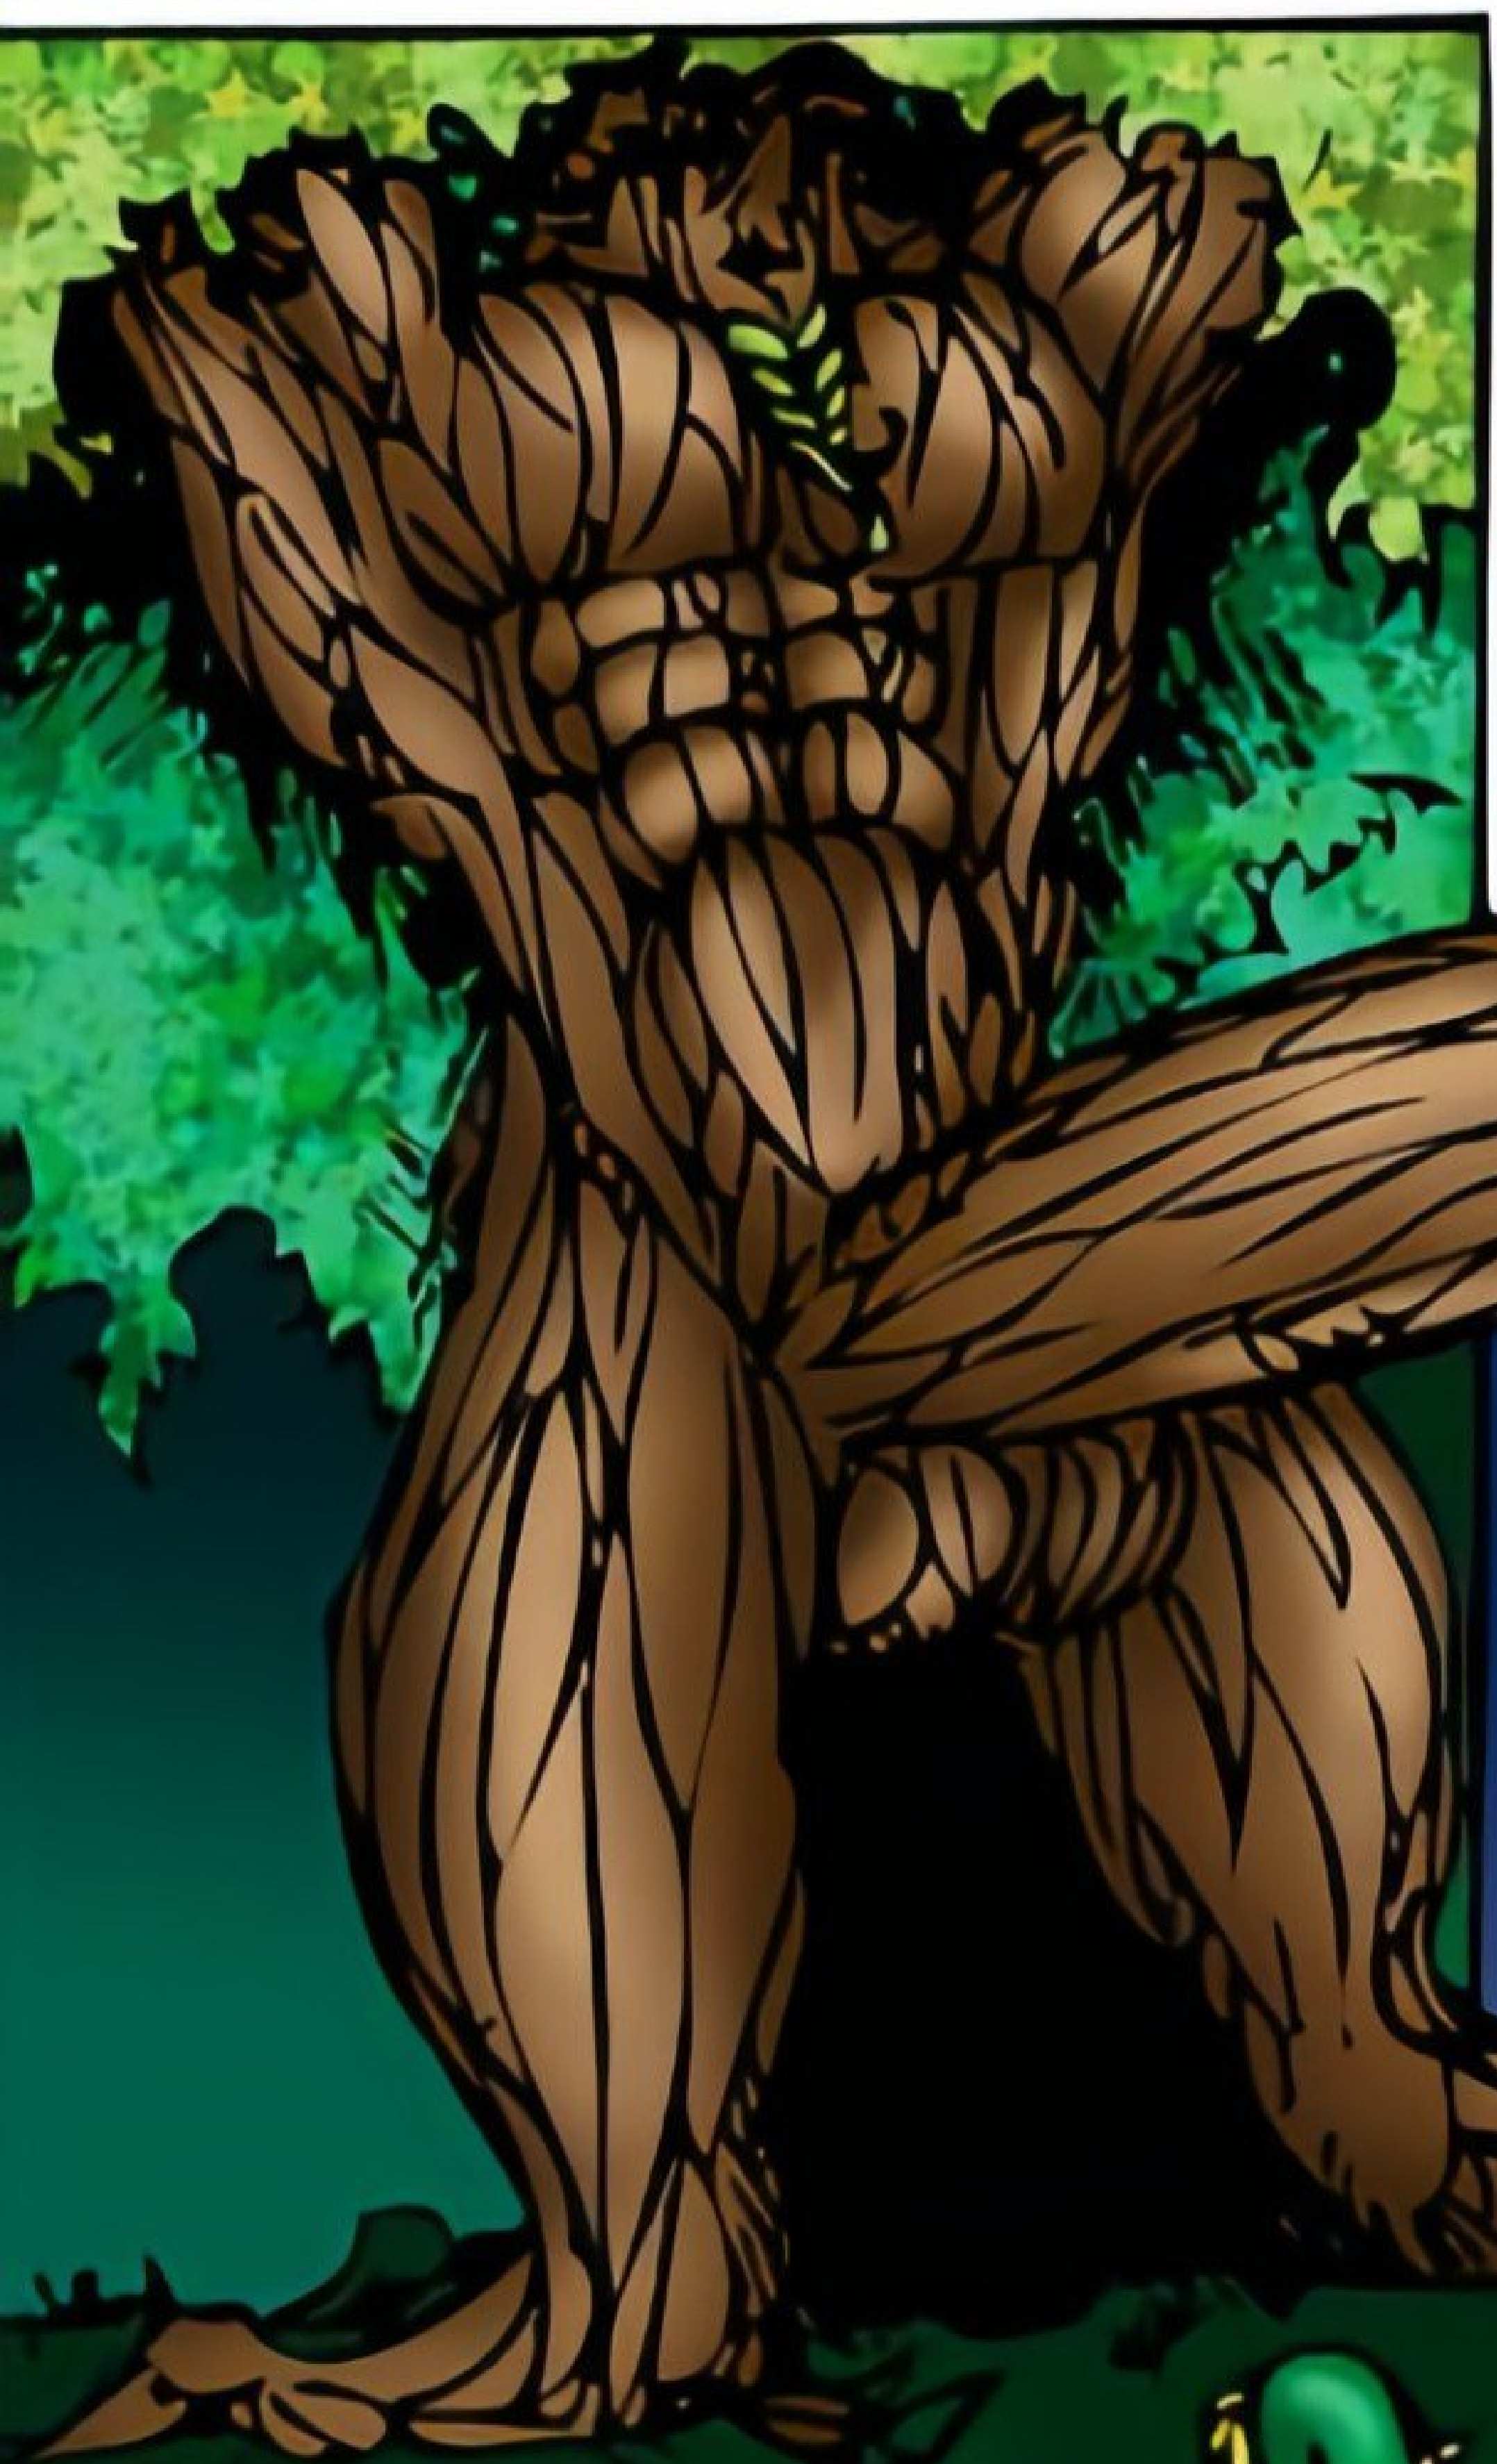

Wow!
I feel so horny.
What's
happening to me?
Shit! I'm cumming!

Blink you are transformed into the Hero of Time. You must now save our world.

Man,
I got a freaking
huge **weapon**...
and this sword is
awesome too...
I could work this.

Now Blink for your first job as **Hero of Time**, you must enter into my depths and destroy the evil that is killing me. You much save me..

Now that's one heck of a woody!

Just have to adjust a few roots. Ahhh now! Enter me **Blink!**

Ummm I...I appreciate the sword, the shield and everything, but ther is no way in hell that I'm going in the dark cave. I'm really...sorry! I just can't.

You didn't just say that.

What!
Blink what is the matter with
you? This is what you always
wanted. A life full of...of danger,
adventure and a different hunk
every day of the week!

Soria, I'm..I'm scared!

Blink, you big dork...you
aren't scared of anything. I
have faith in you. You are
destined to change the
world, and I know you have
the...courage to do anyt-

SORIA!!

Ahhhhheeee

Damn!
Soria I'm coming.
Crap. Manvi, I can't
see anything in here. I
need some light...
thanks man.

Do you hear that?
It's close, I smell it.

What? Soria, what
is that stuff...spider
webs?

Don't worry Soria,
I'm gonna cut you down, then I'm
gonna find the bastard that
did this to you, then I'm gonna
freaking...
kill it!

No need to look Hero!
I'm right **here**. Now I'm looking for the forest jewel, and I think that you have it. Guess I'm gonna have to search every **hole** on your body until I find it. **HAHAHA!**

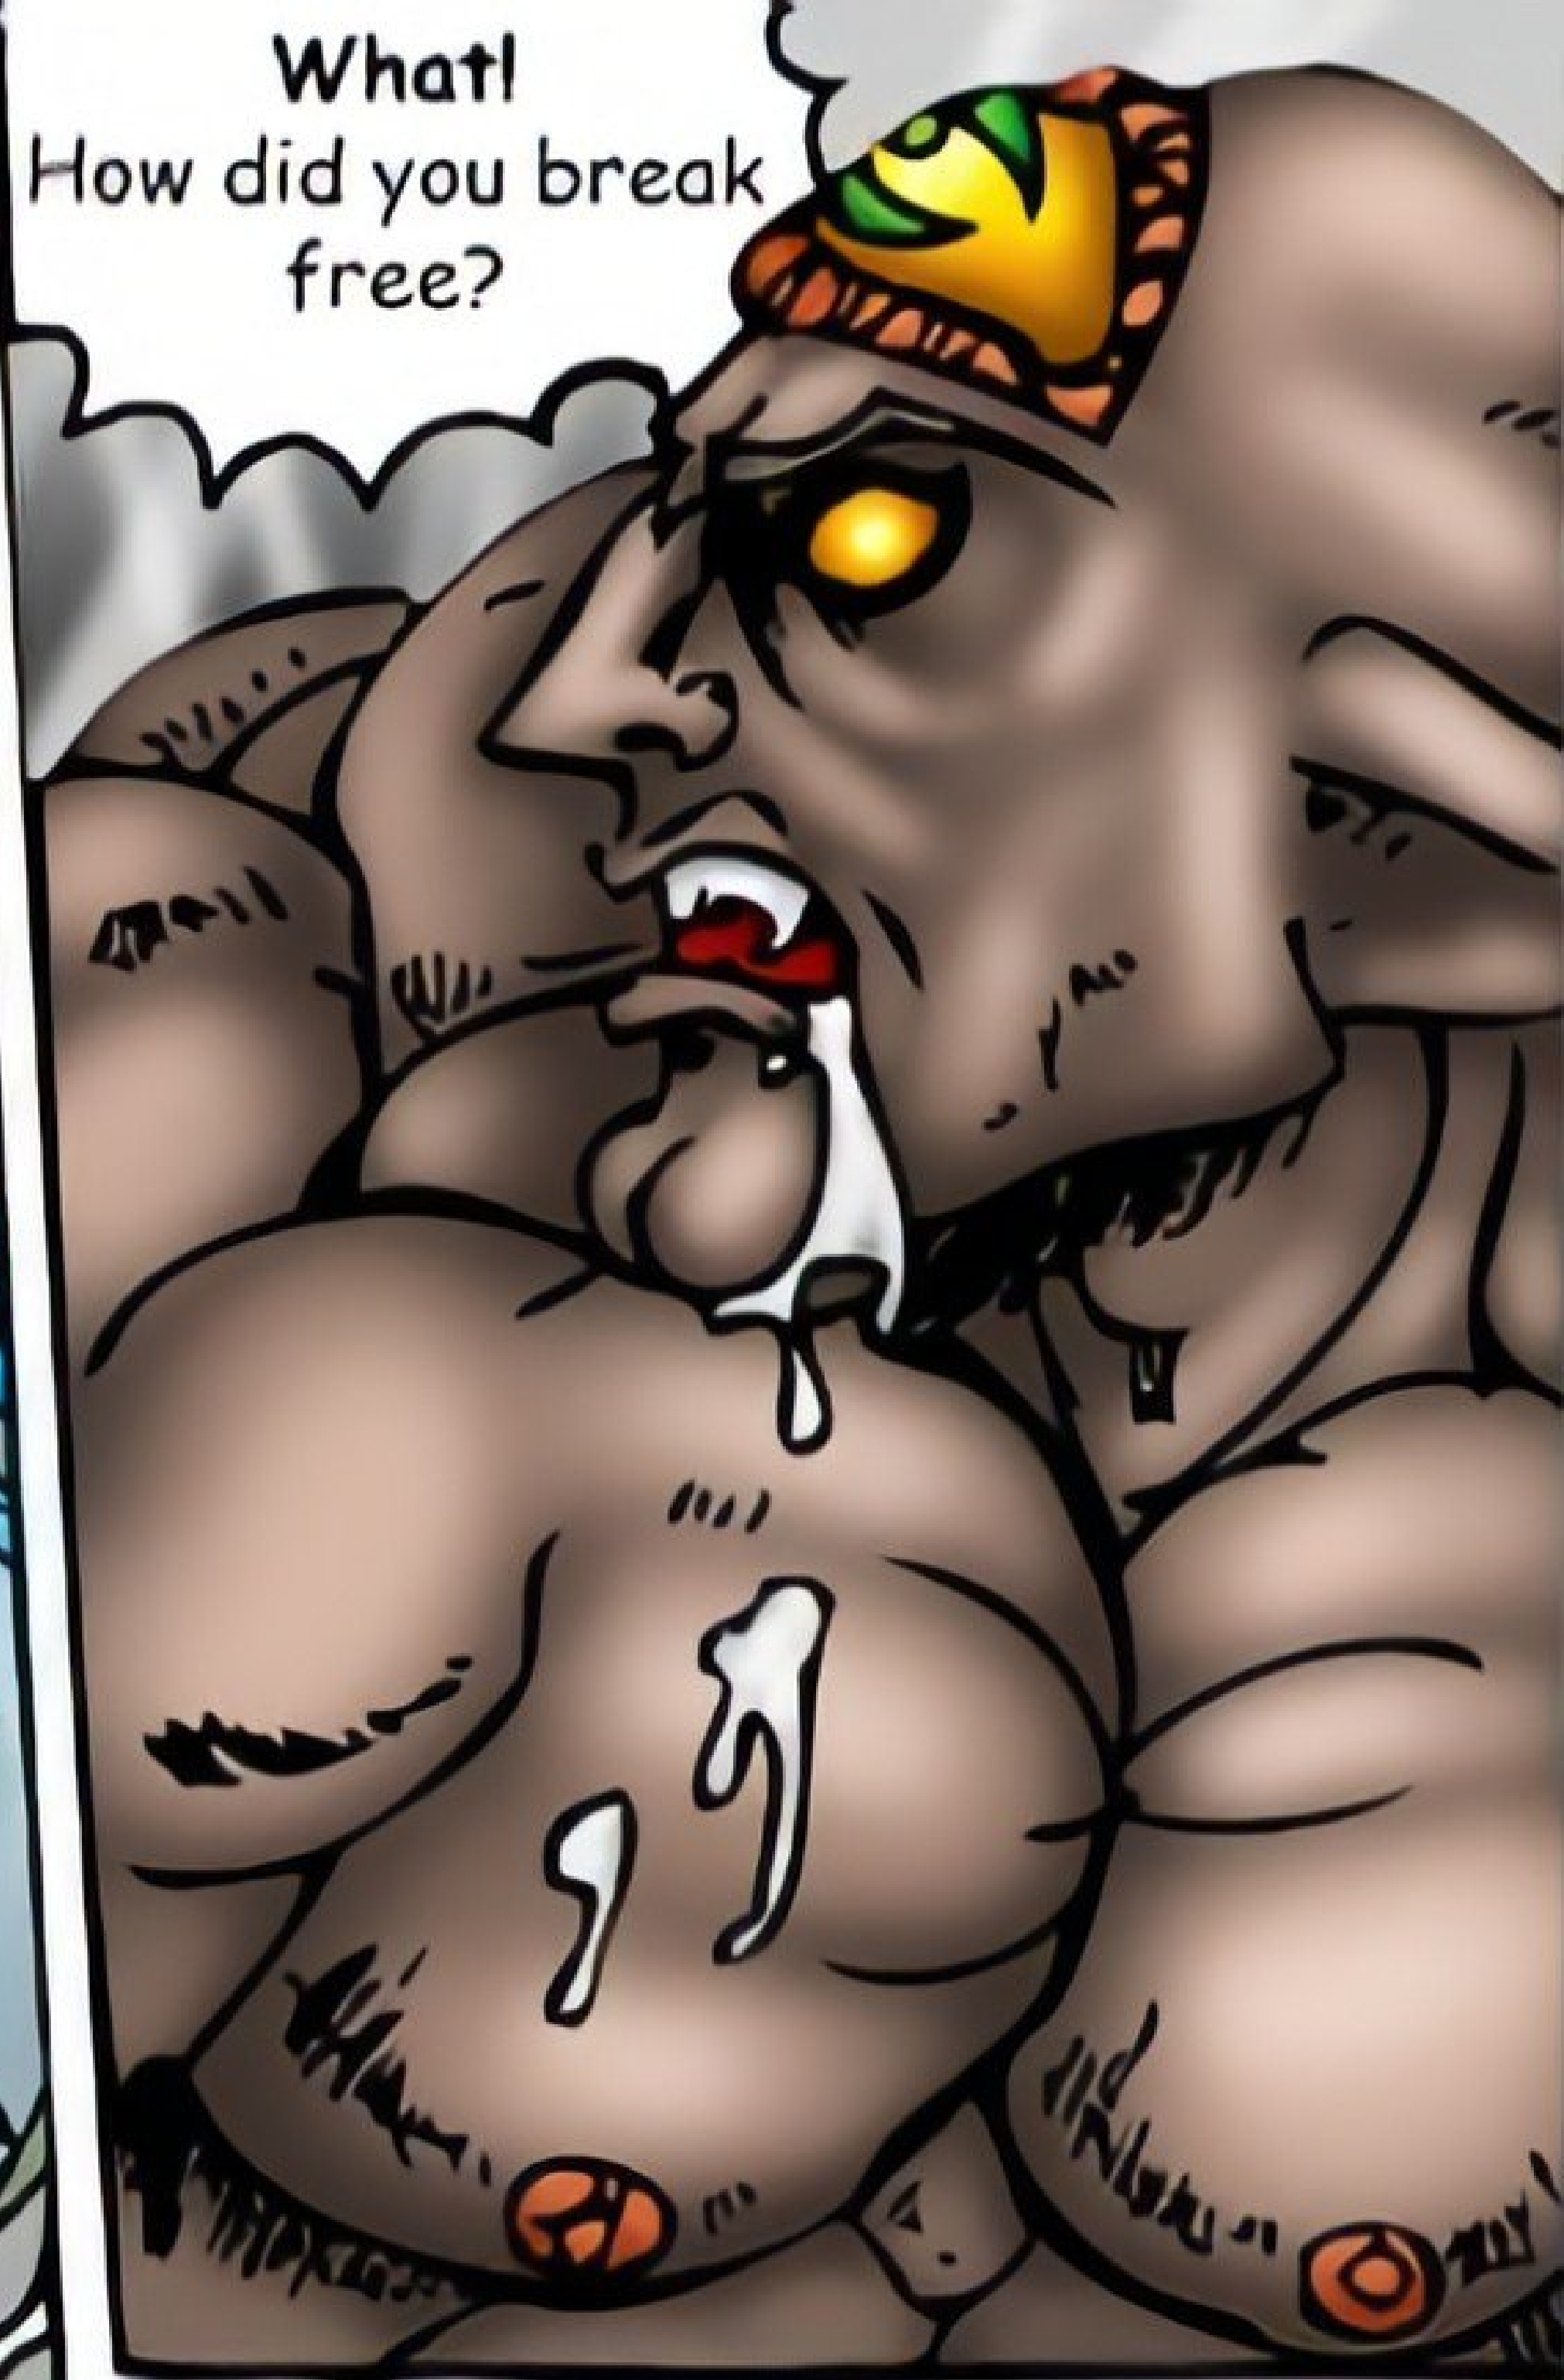

Seriously dude. You shot **web** out your **dick!**

Gross!

Dammit! I can't reach my sword. Freaking web.

Since always, I was hoping you would be able to do this on your own... I can admit when I'm wrong.

What! How did you break free?

Man. Blink I got to say you aren't doing so hot. Here is your sword, and from now on pretend its a slippery cock and keep a hard grip on it. Please!

Alright you spider-man reject. Time to fight me man to...well, ugly web dripping muscle beast.

Thanks dude...since when can you talk man?

Okay Blink, huddle. You see how he protects his cock when you broake free? I'm betting that is his weak point. Concentrate on that and you should be able to take him out of the game, got it?
Alright man, BREAK!

Got it!
Chop off his dick.

K...no chopping his cock... got it.

Don't be sick!

Okay, well let's try this again. This thing is made of magic. Magic is basically controlled and chnnedled through the fuckpole, A.K.A. the dick. if you can get him to...blow his hot, gooey seed, A.K.A. cum, you can release the evil magic and defeat the monster. Now I know you can do this. Really I've seen you do it a hundred times a week!

A hundred?
Hmm...must
have been a
slow week.

Hey you.
Bald ass, three-eyed steroid
pumping, puss faced fugly,
douchebag, cum guzzeling,
snake-tongued, mammasfucker,
TINY DICKED, shit sniffer. You
ready to rumble...
bitch?

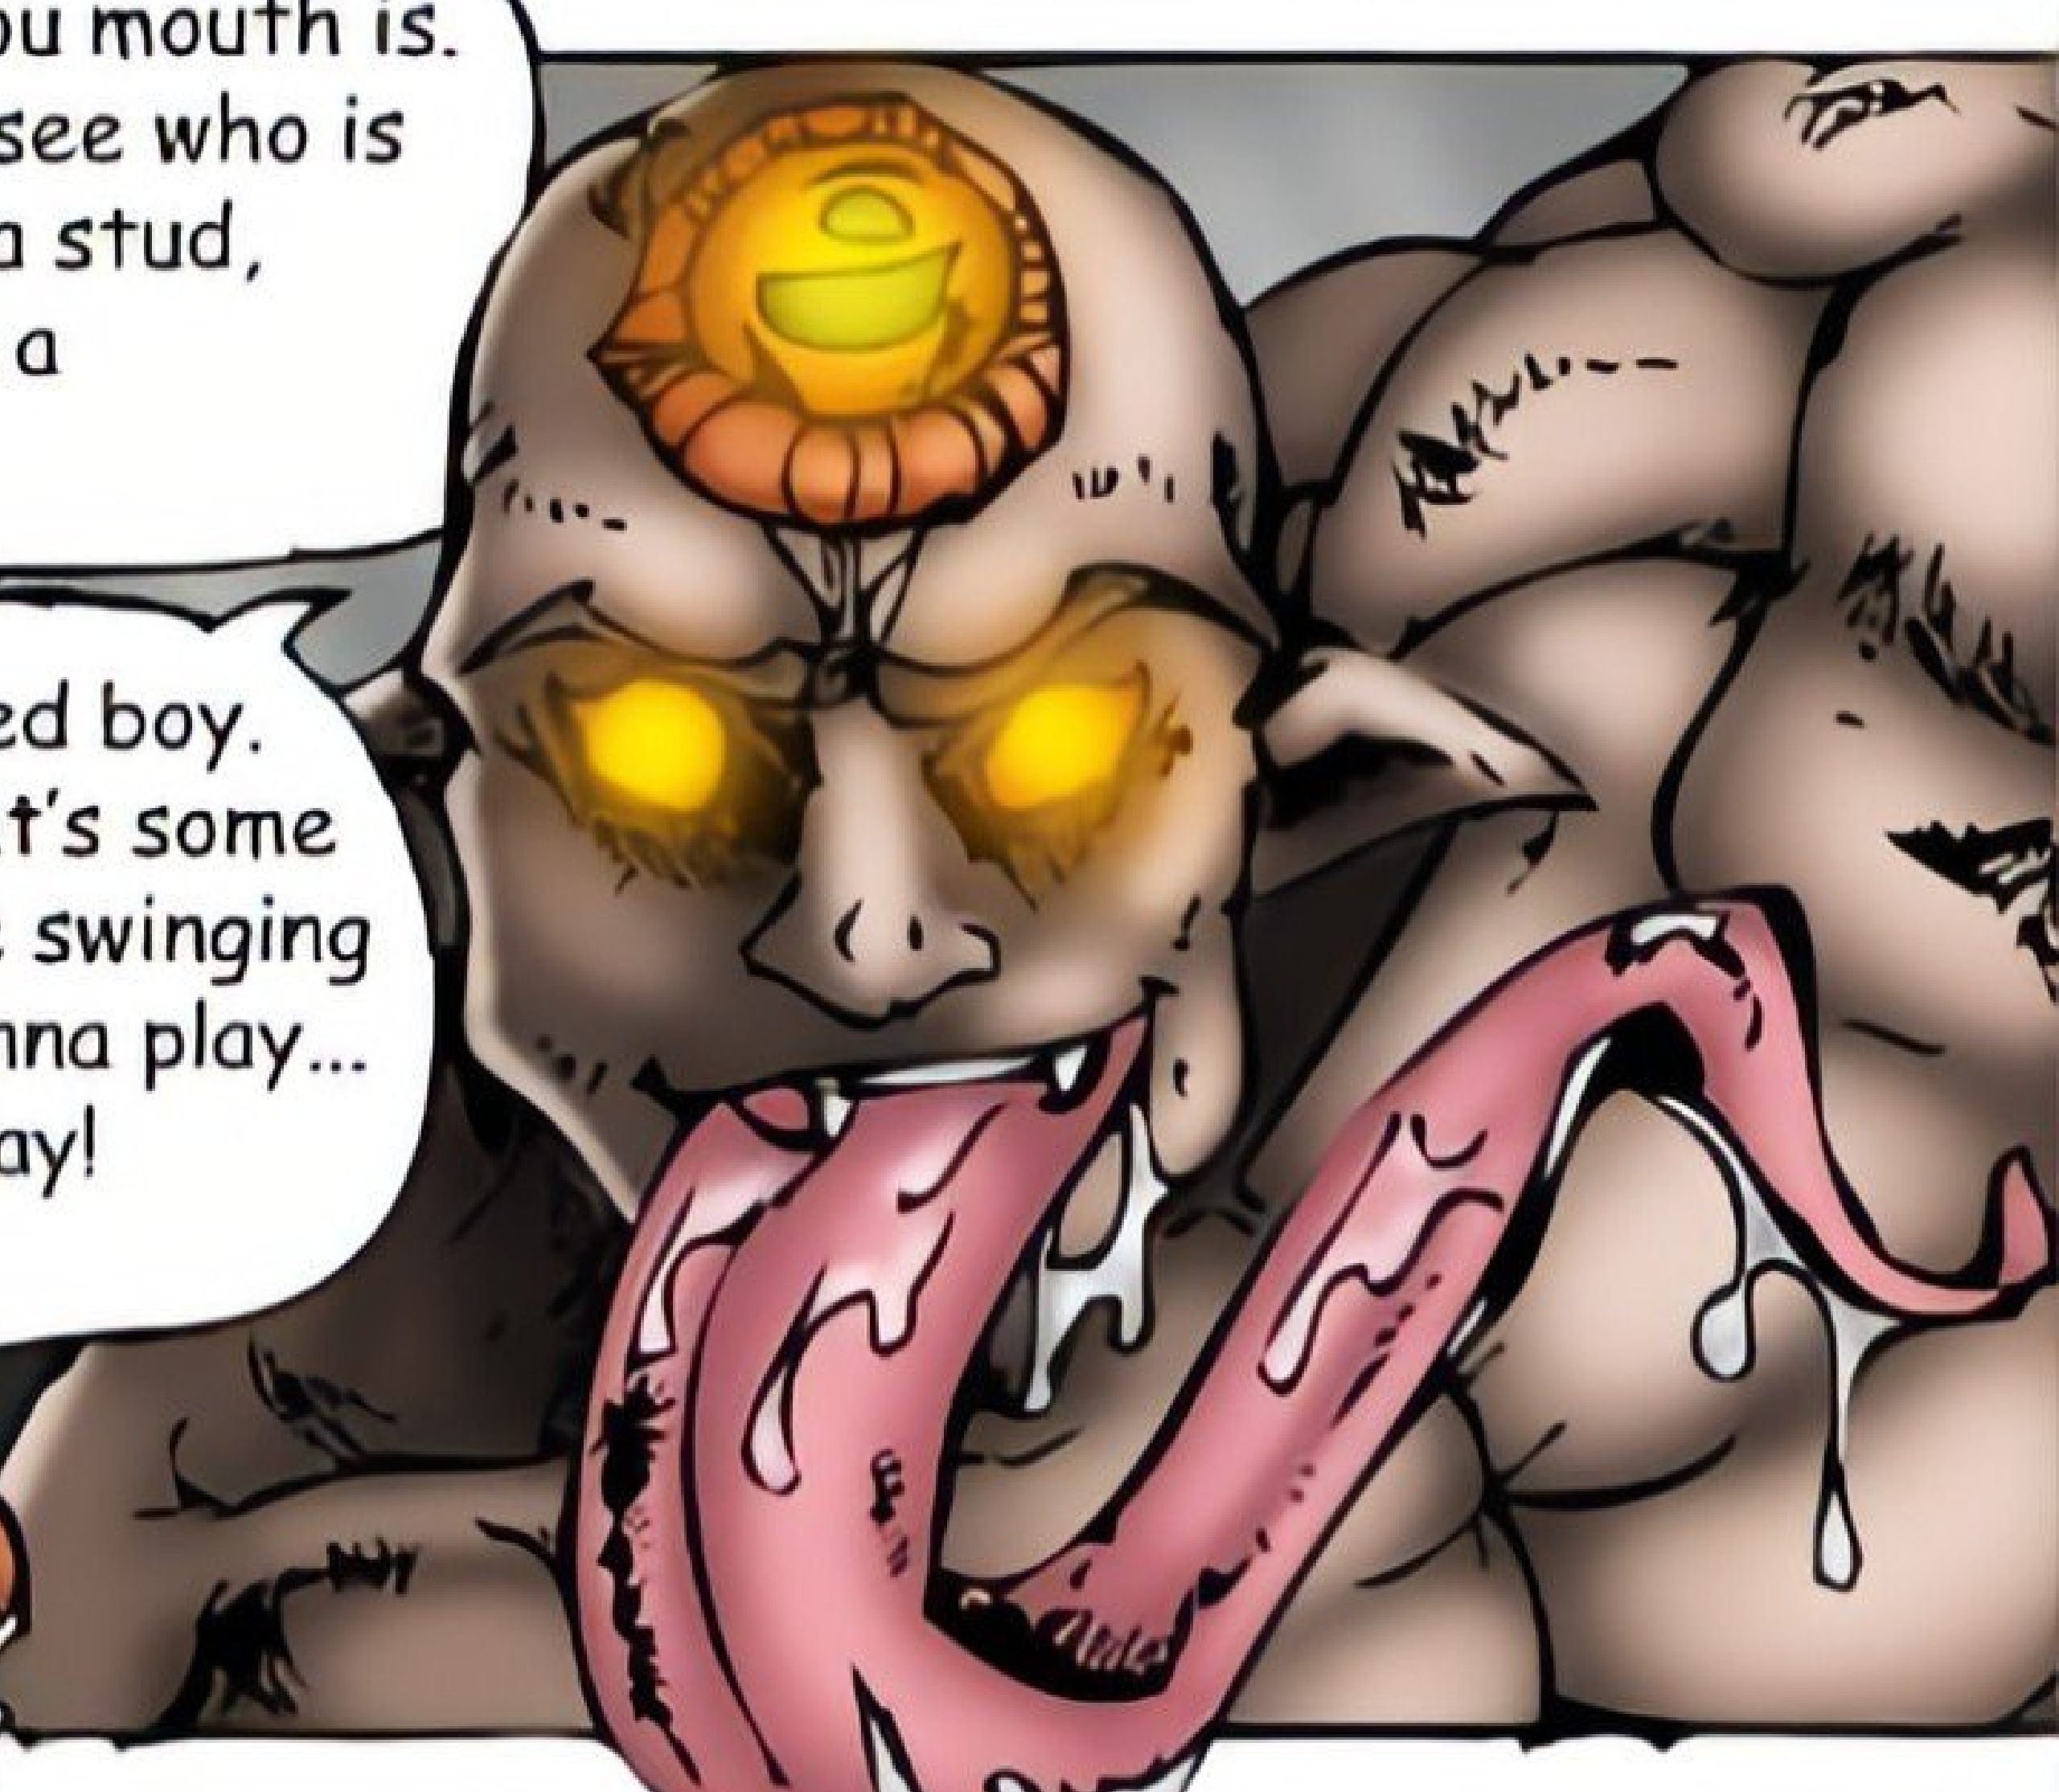

Did you just say I have a small dick?
My cock is **fuck thick** and it's huge. It's
probably ten times bigger than what
you're packing, **hero!**

Is that a challeng dude?
Put your cock where you mouth is.
Whip it out and we'll see who is
fucking hung like a stud,
unless you're a
pussy...!

Haha I ain't scared boy.
But I gotta say that's some
grade A meat you're swinging
around. But you wanna play...
I'll fucking play!

Fuck yeah man,
and if we're gonna do this,
we gonna do it right.
We gotta get out man rods as thick
and throbbing and
swollen as they canget...
or else it don't count.

Yeah I'm getting my dick freaking huge. There is no way you're beating this rock hard, throbbing, cum dripping stud dick.

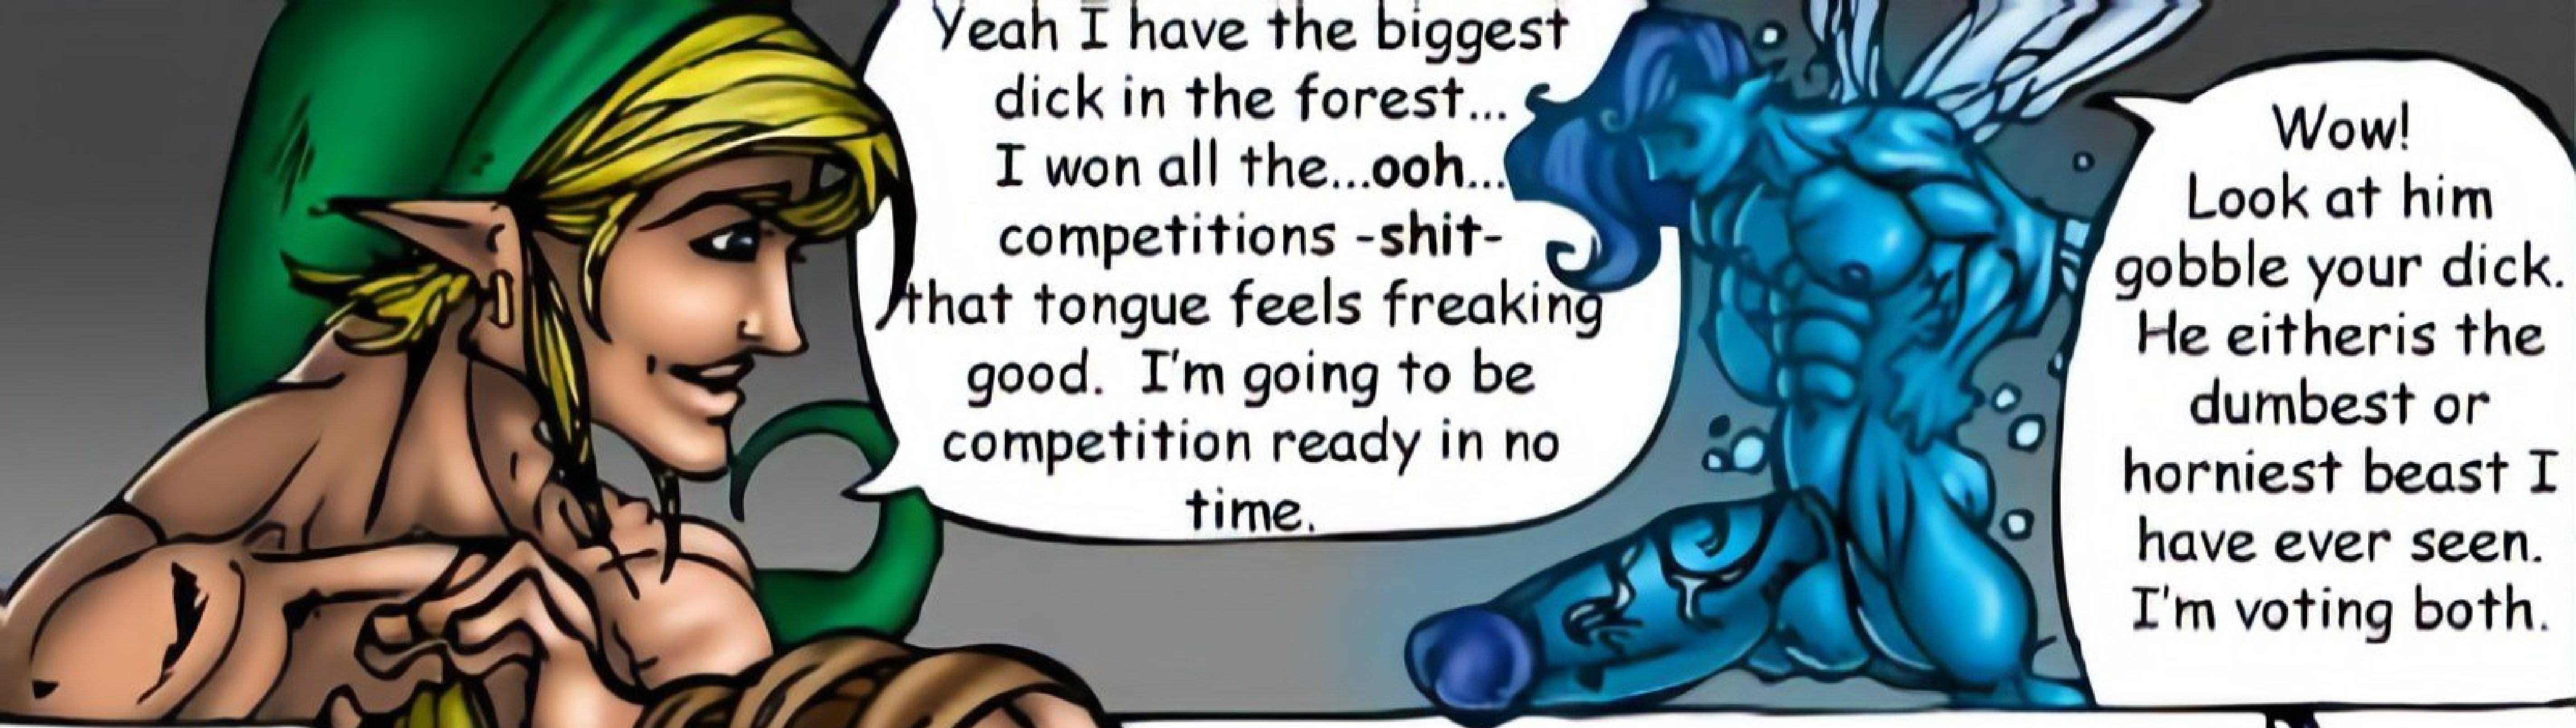

Damn!
Hero you're getting bigger
-pant-
looka all that
-swallow-
dripping pre-cum, oozing out
-pant-
yeah keep pumping that man dick!

Hey...ah...
dude I'm kinda having a little trouble getting it up. You mind giving me a hand...or a mouth.
I want the competition to be fair. Just a little suck off should do it for me!

Sure dude.
I never pass up a chance to wrap my tongue around the plump head of a **throat rammer** like yours -slurp-

Wow! Look at him gobble your dick. He either is the dumbest or horniest beast I have ever seen. I'm voting both.

I can't believe him. Like I would ever be able to not get my cock hard. Doesn't he know my dick is fuck ready at any minute of the day... hahaha!

Fuck -slurp- it has been so long since -suck- -slurp- I have tatest such sweet -suck- -lick- jizz, yeah it keeps oozing!!

ramming my cock in
asses is my speciality.

Be prepared,
because I'm about to
blow you away.

Ah yesss!
Your **cock** feels so good in my
butthole!
It seems you have figured out my
weakness, but you should know,
no man has ever been able to
make me blow my load.
You can try, but you'll never
find my...
