

CHAPTER II

END OF A RUBBER WALLET

Alright my love! Now that the little
shit is dry on cash....
Time to END this!

Is the "THING" ready?

Yep. Just finished it last night! My finest
work so far. I'll bring it over!

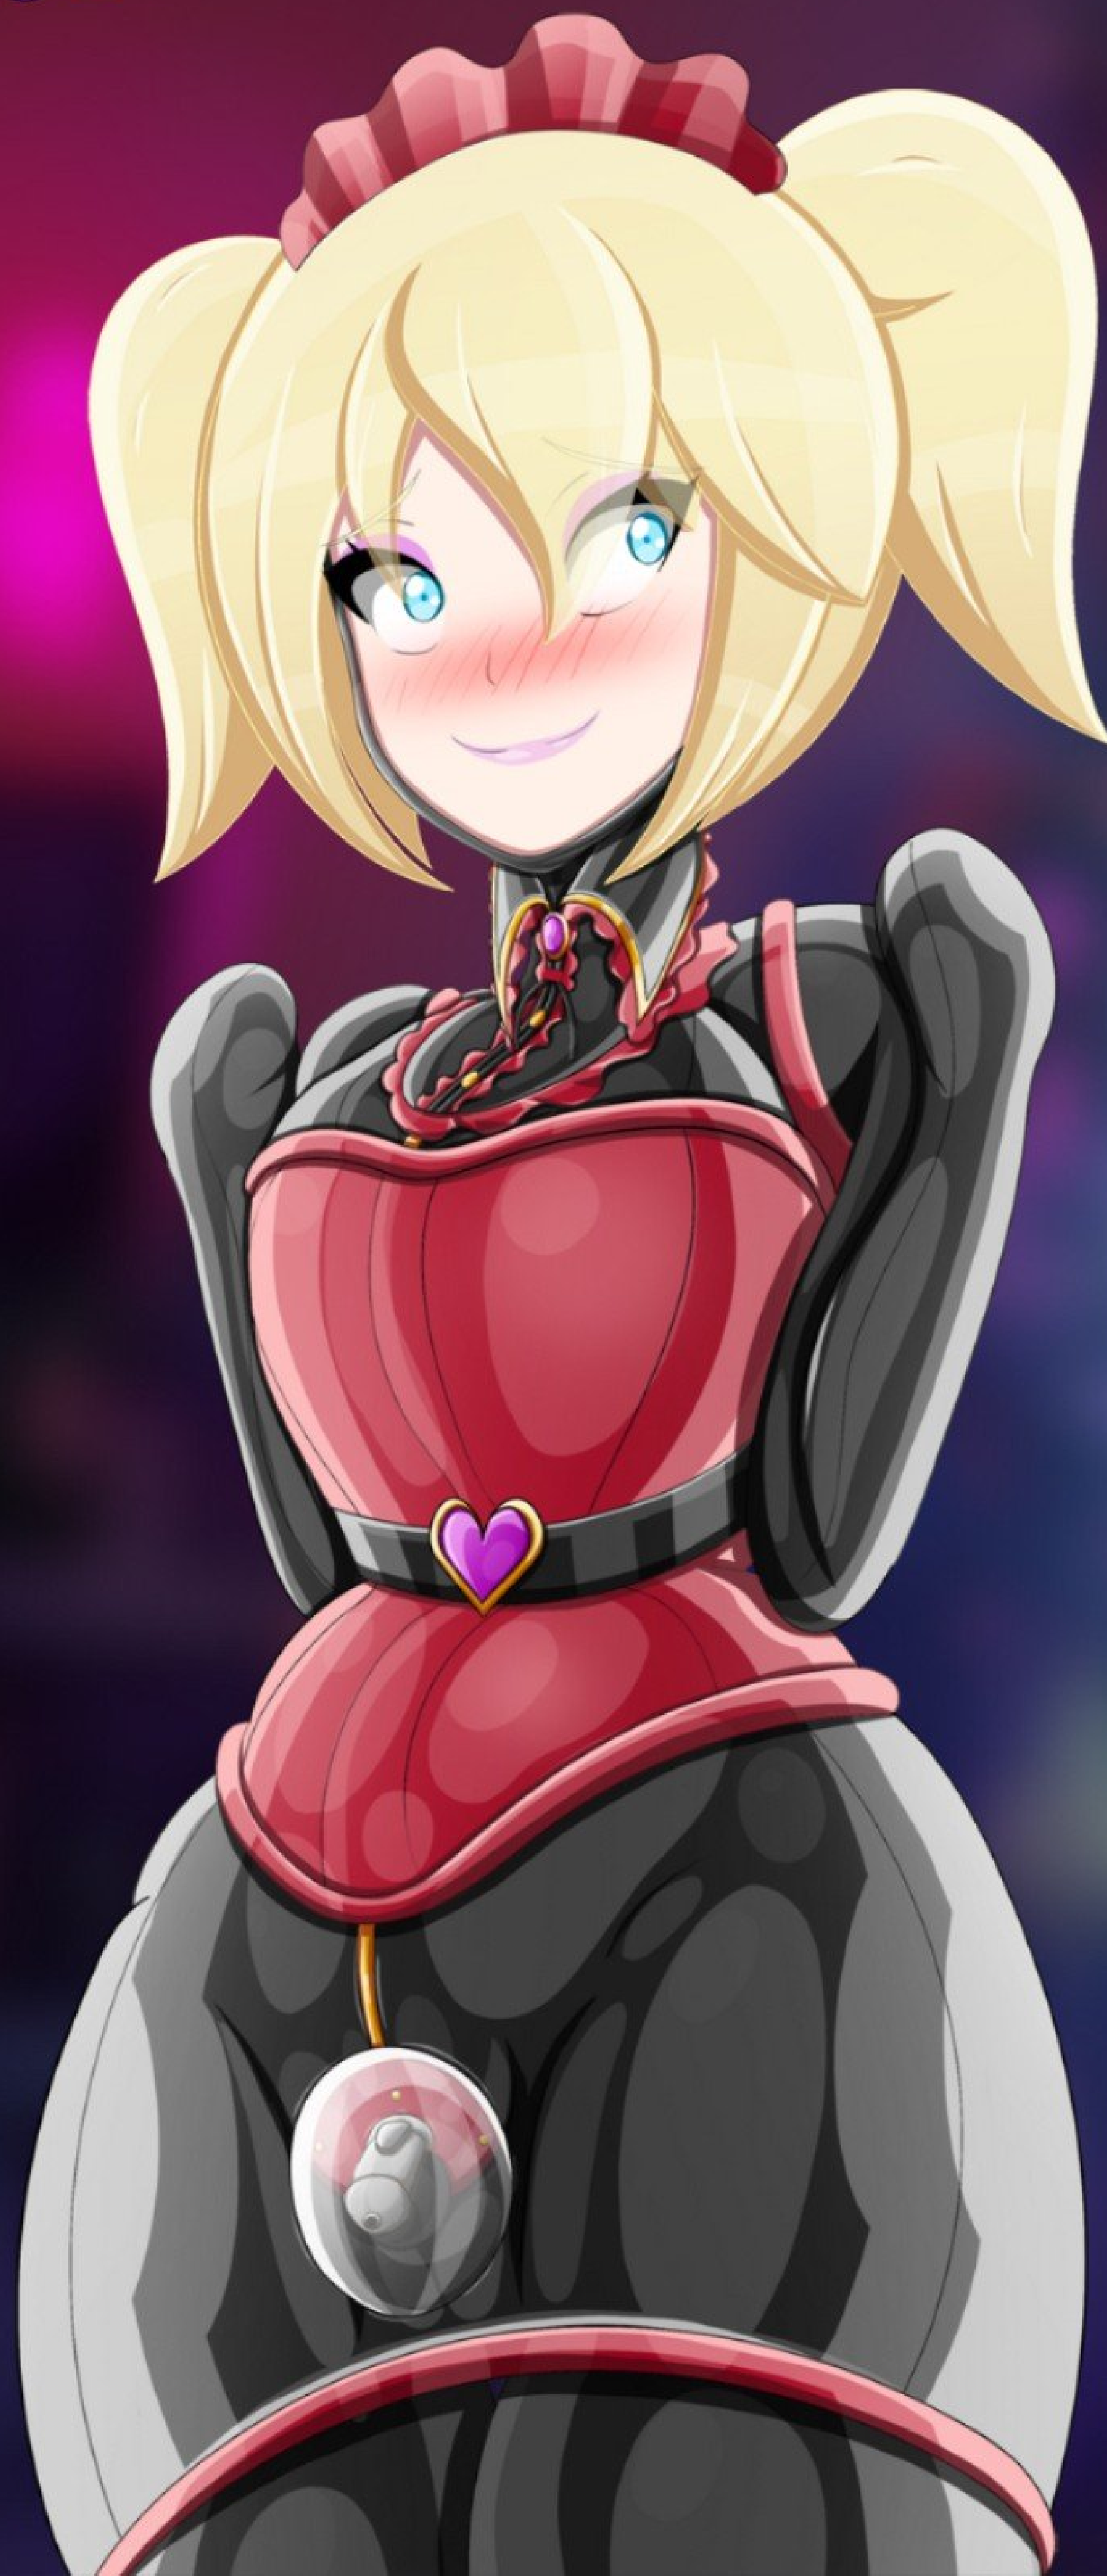

Ah.... That felt...
so.... good!

PERFECT!
Thanks love!

Enjoying yourself LOSER PIG?

y... Yes Goddess! 
I still can't believe it!
I got...

...TOTALLY DRAINED! ♥♥♥

And that makes you hard TRASH?

YESS!!! YESSSS.
My loser cock is so
hard right now
GODDESS! ♥

Fufufu! Pathetic piece
of shit! Of course it
does!

That's your only
reason to live!

Or at least...

It was!

I don't need an empty wallet!
It's time to honor your
contract and get rid off
you TRASH!

Oh!!!

I Guess! I'll have to pack my things then!

???

I knew the day you
you would release me
was inevitable... But...

I still held hoped that
I could still be your
piece of shit Moth...

... Goddess.

How stupid of me to
believe that I could
belong to you for
the rest of my
worthless
existence!

Wait! What the fuck !?
You ACTUALLY thought I
would let you go? LOL

FUCK.... NO! LOSER!
We're not done...yet!

Eh? But....
You said that once you
took everything
away from me...

YOU DUMB CUNT!
You haven't given me
everything yet!

I don't understand...

There are things you can't
give to me on your own.

Such as the MANSION,
the ART collection,
and your LIFE INSURANCE!

Fine! You DUMBASS! I'll explain!

A LOSER PIG like you
deserves NOTHING!
I will take...

EVERYTHING!

Ah!!! ♥

But Goddess... As
you just said...
I can't just hand
these to you...

Correct! Not while
you're alive anyways!

Why do you think we made you cut all social ties? Hmmm?

Goddess?

Why did I delete all your social account?

Because...
Oh! OHHH!!

You get it
now I see!

Why were you not allowed to ever leave the mansion?

That's right! We planned to kill you from the start trash!

Really?! ♡♡

Now that you are dry out of cash...

Yes!
You leaving
this place?
Never on
the table!

... It's time to get RID of you... That is to say....

I want you to **DIE** you piece of trash!

Ah!!! Yes Goddess!

It makes...mmm. TOTAL SENSE!

FUFUFU!

Fuck me!
This actually
turns you on!
LOL!

You're trully
DISGUSTING!

Ironically. This disgusting behavior of yours
that I absolutely hate...

...Is what
made me
reconsider
just bagging
you!

Goddess?

I'm not going
to kill you pig!

I'm going
to BREAK
you!

But I ALSO need you
GONE forever!
Erased from
this earth!

Erased...
Goddess?

Oh yes!
Natiri and I
have been
preparing this
for MONTHS
now!

Speaking of the devil!
Took you long enough!

Just had to make some
final adjustments!
But it's ready!

Good!
Let's do the switch
then!

Eh?
A chastity cage?

Ok, let's start by removing this transparent cover!

Fufufu!

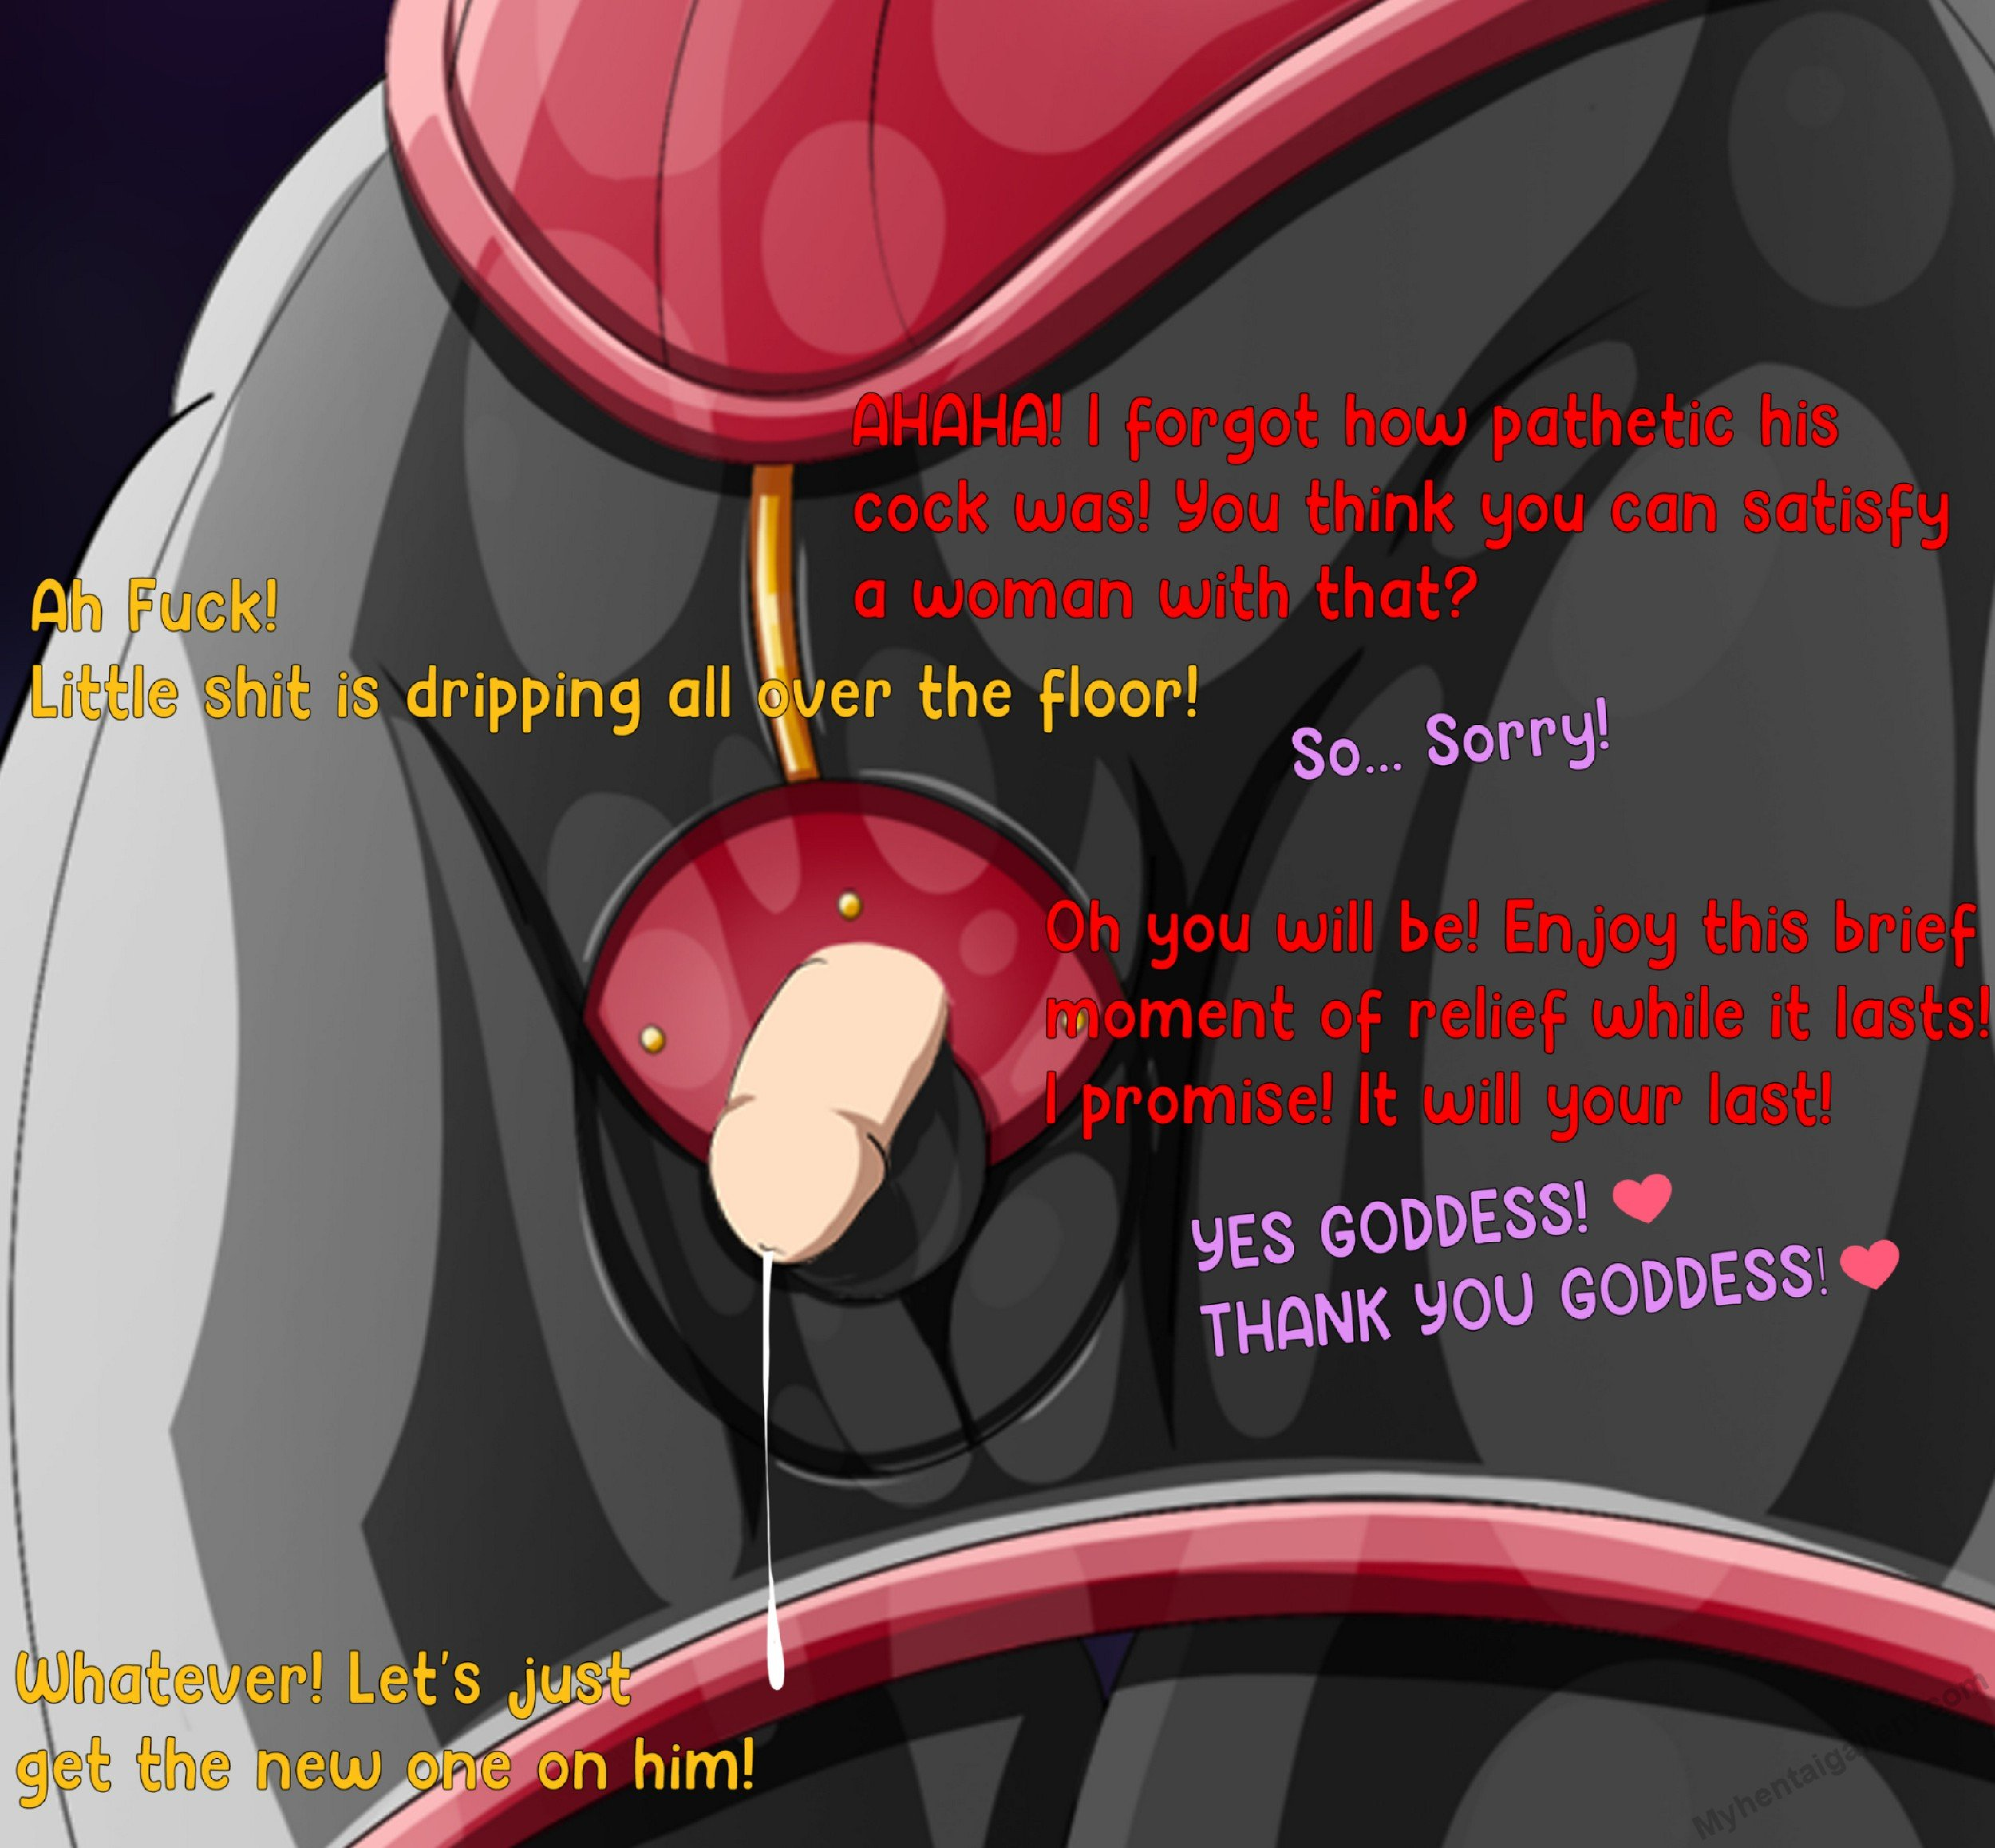

It's been a while since your useless excuse of a cock got some fresh air. Asen't it PIG?

Yes Goddess! ❤️

Alright! Hand over the keys of the old cage Babe!

Good thing I didn't trow them
away as I originally intended!

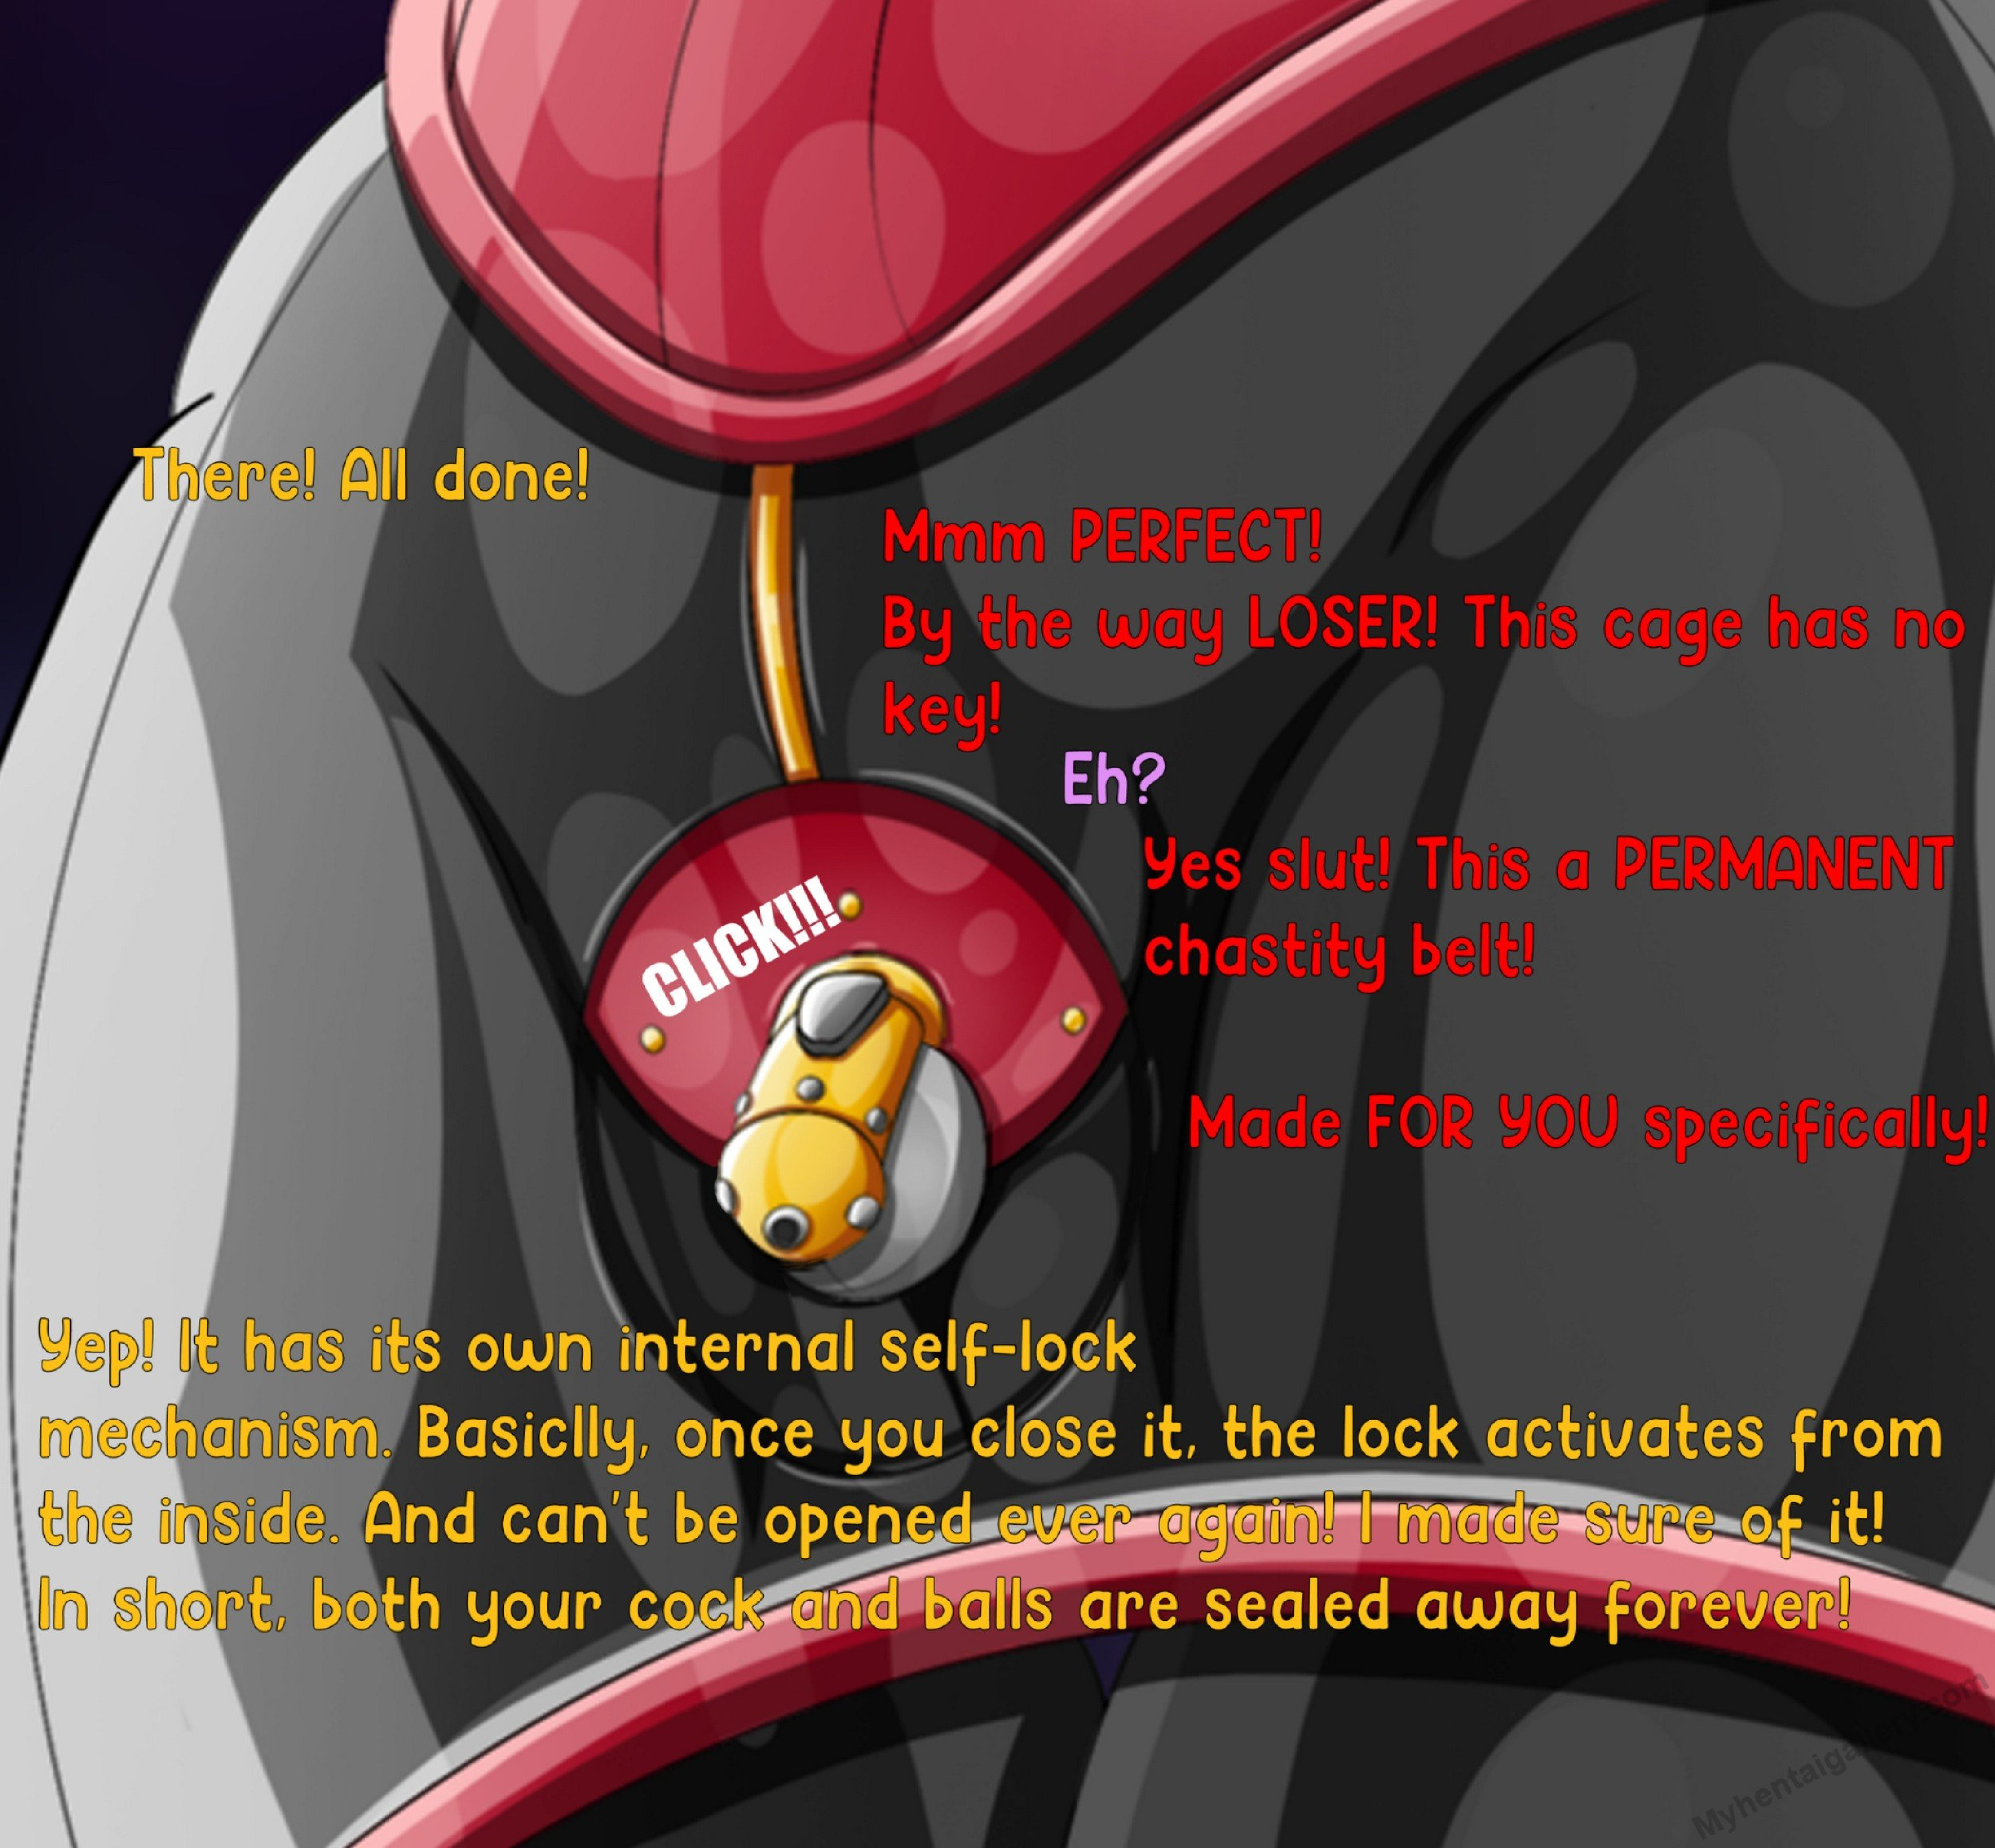

AAAAHA! I forgot how pathetic his
cock was! You think you can satisfy
a woman with that?

So... Sorry!

Oh you will be! Enjoy this brief
moment of relief while it lasts!
I promise! It will your last!

YES GODDESS! ♥
THANK YOU GODDESS! ♥

Whatever! Let's just
get the new one on him!

A close-up illustration of a red, glossy chastity cage. A yellow mechanical lock is attached to the bottom of the cage. The lock has a small lever and a circular dial. The word "CLICK!!!" is written in white, bold, italicized letters across the yellow lock mechanism. The background is dark grey with some lighter grey curved lines.

There! All done!

Mmm PERFECT!

By the way LOSER! This cage has no key!

Eh?

Yes slut! This a PERMANENT chastity belt!

Made FOR YOU specifically!

Yep! It has its own internal self-lock mechanism. Basiclly, once you close it, the lock activates from the inside. And can't be opened ever again! I made sure of it! In short, both your cock and balls are sealed away forever!

So I will never cum again?♥

LOL! FUCK NO! Let alone have an erection! But...

Believe me, not being able to erect your loser cock is the last thing you should be worried about!

As I said, this one is made specifically for you!

Eh?

And for a little shit like you?
Only the most EXTREME
cock cage will do!

I'm sure you can tell
the difference already!

Yes Goddess!
I can feel ... spikes?

And... There's...
Something inside
my Pee hole...

This... This feels....

... AMAZING! It Hurts so MUCH!
This is exactly what TRASH
like me deserves! ♥

LOL! Your loser cock is
enjoying this I see?

Have you no fucking
shame?

I'm sorry Goddess!
But this cock cage is...
PERFECT! Mmmm.... ♥

Well! You're a useless.... pathetic... masochist loser, so...
I guess this reaction was to
be expected from you!

Yes! Thank you for giving
this useless pig a proper
send off Goddess! ♥

You Little shit!
Don't celebrate just
yet! We're FAR from
done!

Your cock cage is
still not activated yet.

Activated Goddess?

That's right LOSER!
This is your cock cage
in it's **PASSIVE** mode!

Aka. **EASY** mode!

But we'll get back to that later! There is a more pressing issue we need to fix first!

Yes Goddess! This loser still needs to disappear!

Clever pig!

That's right. We need to erase you...
COMPLETELY!

Don't you worry!
We've made all the arrangements for that months ago!

Speaking of which!
Everything is ready to go love!

Good! Then, let's not delay things any further!

And indeed, my owners waste no time going forward with their plan.

They first bound my legs in a super tight legbinder that matched the rest of my rubber outfit. I'm then told that this would never... **EVER... come off!** ❤️

This of course made me very happy, as I initially believed my Goddess would just throw me out of the mansion, remove all my rubber and abandon me.

It would seem, that I will never be free from her. In fact, she promised that I would not see the sun ever again.

I do not know exactly how they plan to keep me but also make me vanish at the same time. But I don't have to wait long to find out...

As I'm being carried away like a doll, transported to what they said would be my new "permanent home". As we head down to the basement, I know this is the last time I ever get to see what is meant to be my mansion... for now!

Yet... I'm looking forward to what is to come! ❤️
