

CHAPTER V

THE RULES OF DENIAL

The spikes once again... **penetrate my USELESS COCK!** ♥

I simply couldn't help myself, but try to cum as I saw my GODDESS look down at me as the **pathetic worthless worm** that I am.

Of course, the fact I'm now **PERFECTLY MOTIONLESS... Almost blind, and totally deaf...** Only added to my horniness.

Since I was a child... I always had this dark phantasy of being totally locked away and **entombed in a prison of rubber**. Unable to do anything.

That dream is now very much a reality. I know that the sarcophagus is now locked **PERMANENTLY!** And any hopes of escaping this fate are now.... GONE! I feel so lucky for experiencing what many can only dream of!

So it's no wonder that seeing my **GODDESS** enjoying my demise gave me a **MASSIVE BONER!** And she definitely noticed my failed orgasm with my agonizing screams of pain. Which pleased her greatly.

It is at this moment, that my earring returned.... sort of...

The sarcophagus is perfectly **SOUND PROOF**. So the only way she could communicate with me now is through a set of tiny speakers inside the sarcophagus. The audio quality is pretty bad, but still... listening to her condescending voice only reinforced my boner despite the spikes crushing my **USELESS COCK!** ♥

Arara! So you had an other failed organ!
Huh? You really are the PERFECT loser!

Seriously! You're disgusting!

But I guess now is the right time to explain to you how your Cock cage works! Since I don't intend to bother taking to you for a LONG time after I throw you in your hole!

So enjoy the beautiful voice of your Goddess as she explains the rules of your DENIED ORGASM!

As you may have already noticed! The cage is designed to **CONTRACT** around your excuse of a cock whenever you are about to **CUM!** Pleasure... is not something you are allowed to experience... **EVER!**

So if you even **FUCKING DARE** to hope for a bit of pleasure... **INTENSE PAIN** is all you get! You've experienced that twice already!

I told you earlier: this has different levels or phases. Phase one being basically a WARNING.

The spikes slowly retracting after a minute.

However, the spikes this time or not letting go of
your cock! That's because you reached LEVEL 2!

It will stay like for the next 30 minutes!

I think you get the idea! Each time you have a failed orgasm, the punishment lasts longer.

LEVEL 3: Lasts 2 hours

LEVEL 4: Lasts 5 hours

LEVEL 5: Lasts 12 hours

LEVEL 6: Lasts 24 hours

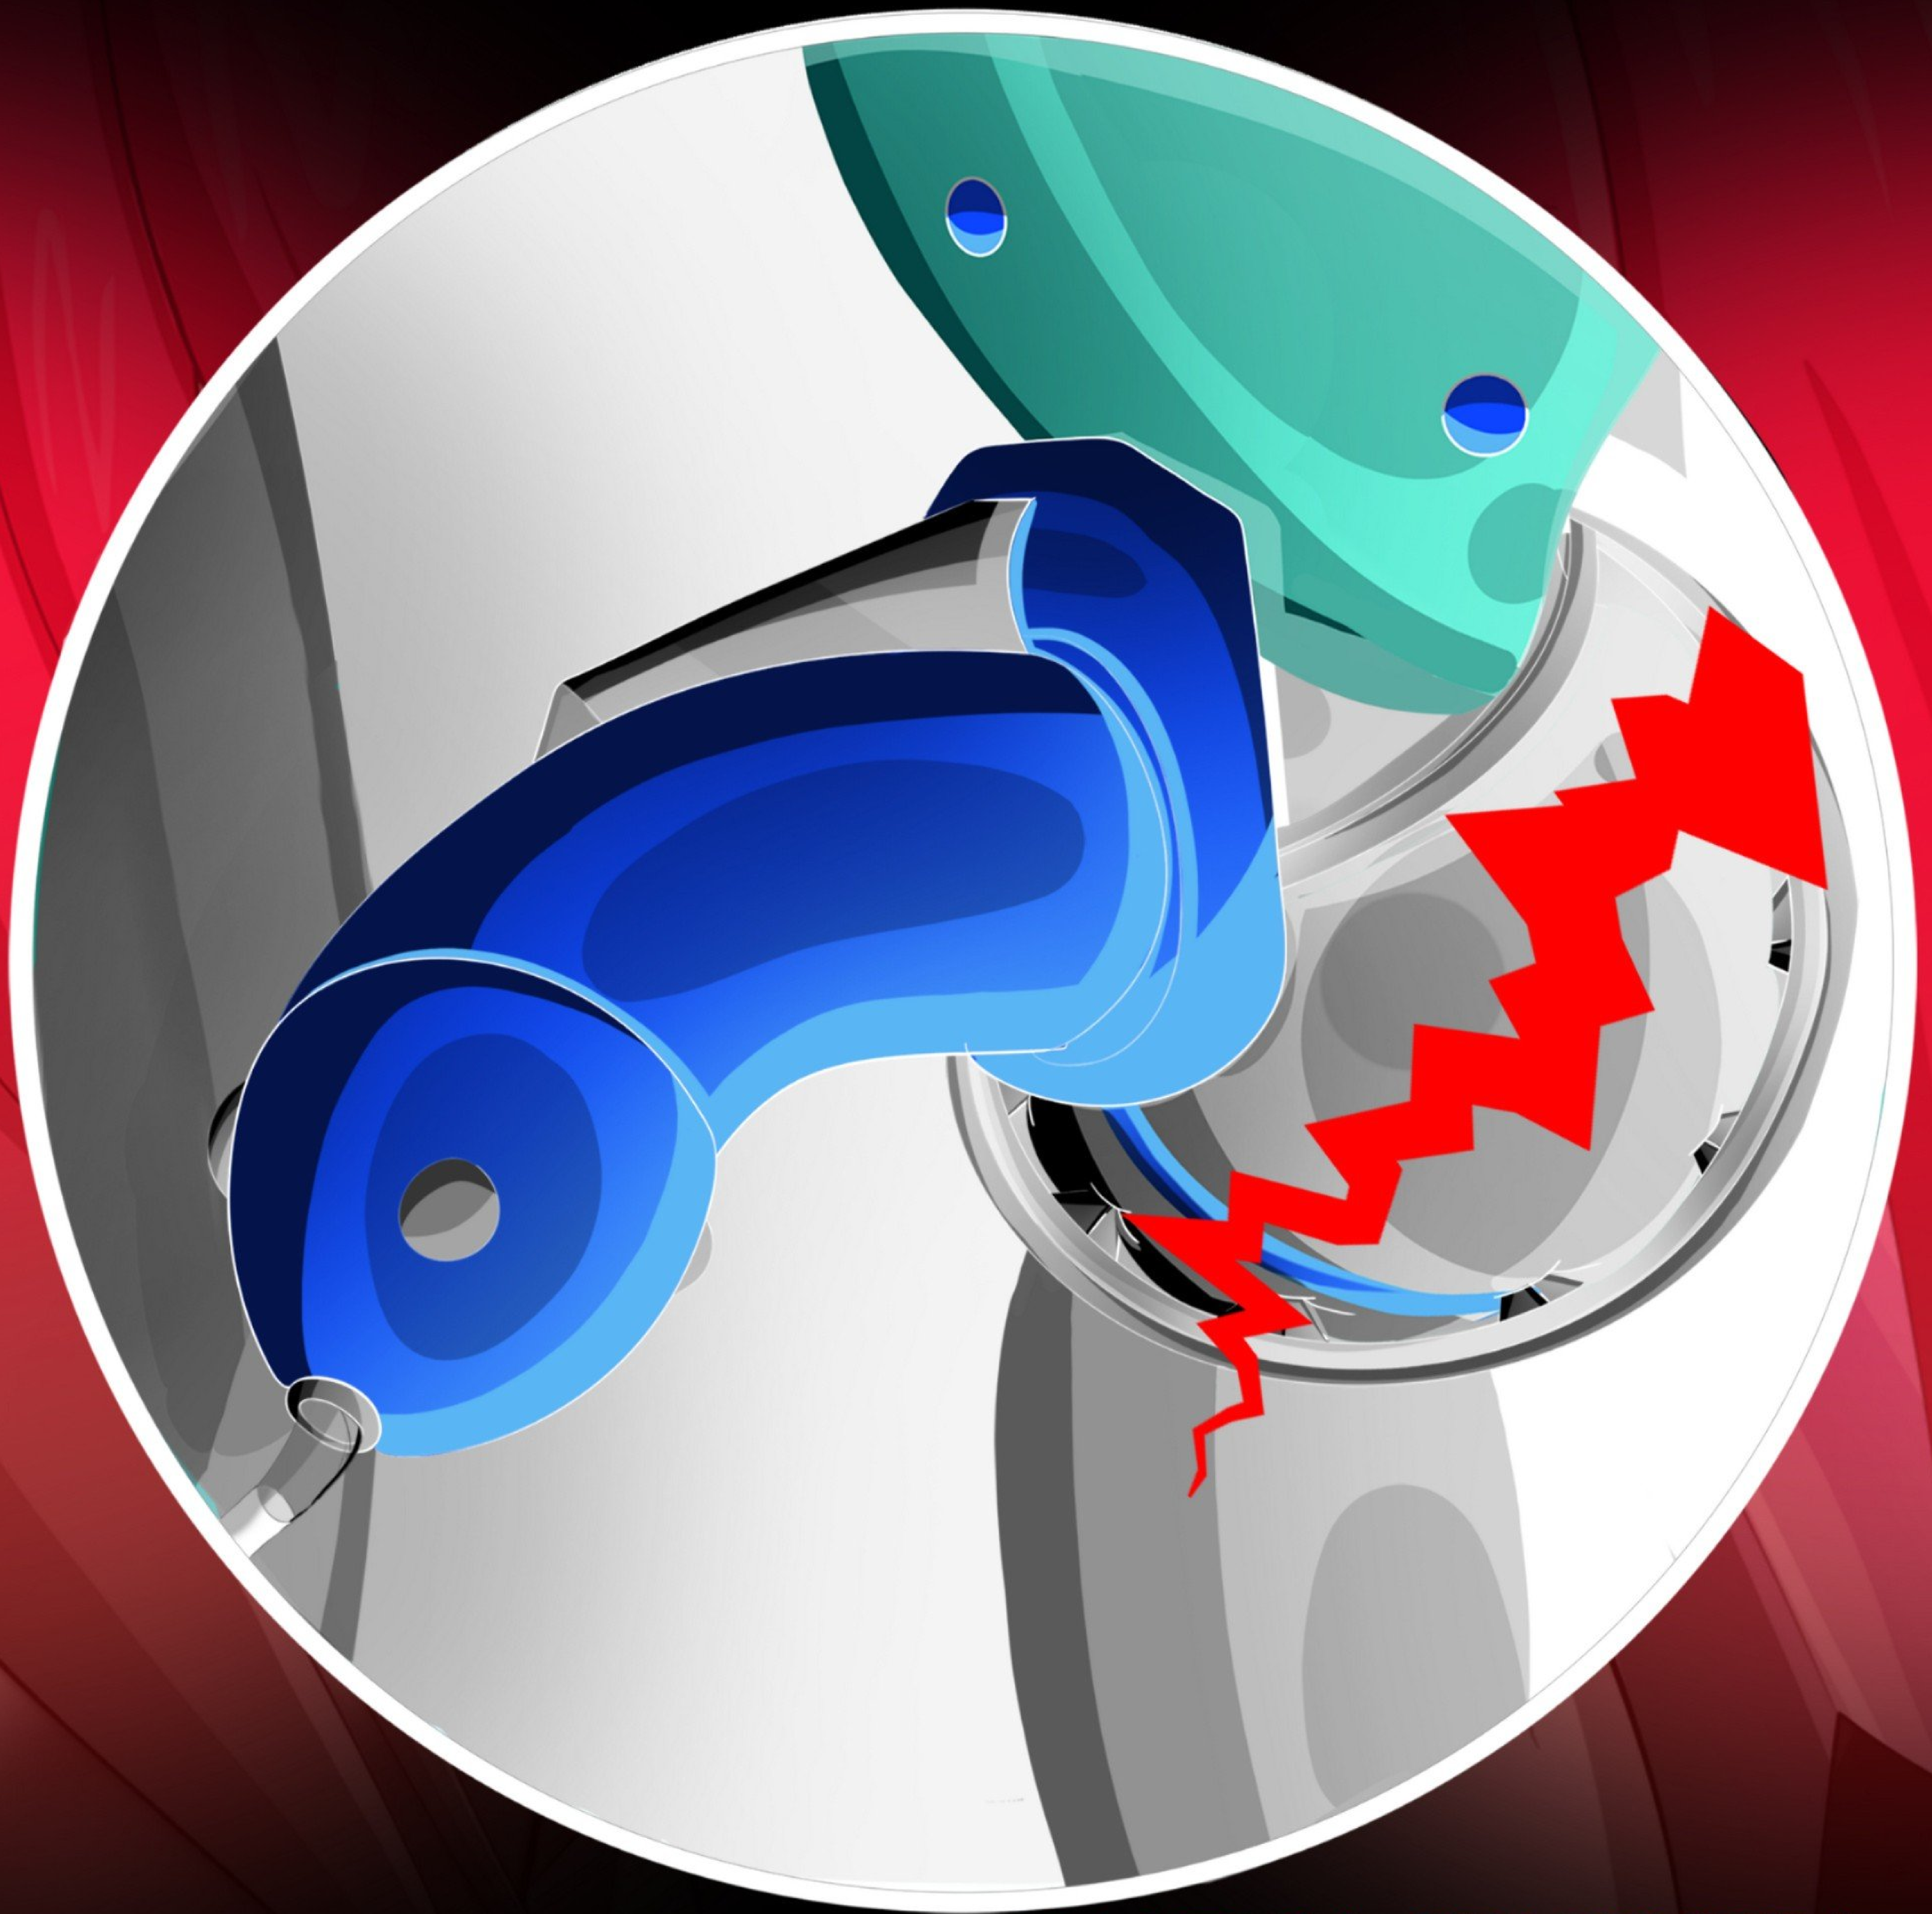

Once you reach LEVEL 6, The cage will RESET to LEVEL 1 once your 24hrs are done! And the cycle can start over! However, there is a catch to this!

The cock cage is not the only part to have a set of spikes. Your NUTS CAGE also has them!

After each RESET, that cage will ~~SHRINK~~ by a couple of inches... PERMANENTLY!

It is very a very slow process! But if you can't
cont. of yourself, eventually you

You will get your balls NICELY CRUSHED!
Which frankly would be a big loss! HUH!

Of course. You can **EASILY** avoid this by...
NOT trying to **CLIM** Simple isn't it?

All you have to do really... is stop being such a
useless **MASO PIG!**

I'm not forcing this on you! This is completely
YOUR choice! **YOU** control this!

But that would be SO boring! Don't you think?
I want you to SUFFER pig! An APP on my phone
let's me know when you have a failed orgasm!
So... I let you in a little secret, I'm not into men,
let alone a disgusting piece of shit like you...

But...

Be a good... PROPER... PAIN ADDICTED LOSER!
And everytime I see that little notification on my
phone...

It will make me VERY...

...VERY...

...VERY...

(... FUCK!)

(I... can't
stand this
pain anymore.)

(I just want it
to stop. PLEASE
stop!)

(But I want to SUFFER!)

TSHING!!!!

(To give her pleasure!)

Ara! So you got a failed orgasm **ONCE again!**

That makes it **LEVEL 3. Meaning **TWO** hours of agony for you!**

You're kidding right? That it?

(Eh?)

**Just one more failed ORGASM? SERIOUSLY!
Can't you EVEN BE A PROPER PAIN PIG FLICKER!**

Listen TRASH! The only way a loser like
could make me wet, is your total

DESTRUCTION!

Do you get me?

You do want to make me wet don't you?

TSHING!!!!

Now that's much better! You've reached LEVE 4!
That's 6 hours of punishment!

But I'm not **NEARLY** satisfied!
Surely you sink lower!

If you truly adore me...
then you should **SUFFER** more for me!

TSHING!!!!

**LEVEL 51 That's 6 hours of these spikes
biting down your cock TRASH**

Such a nice... **PATHETIC... MASO...**

LOSER! You really want to make my
pussywet that bad? Good boy!

You've almost reached **LEVEL 6!** So go ahead
you disgusting little fuck! Do what you do best!

(YEESSSSSSSSSSSSSSSSSSSSSSSSSSSS!!!)

(FUCK YES!!!!!!!!!!!!!!!!!!!!)

(Eh? What is she...)

(THE FUUUUUUUUUUU....)

ZAP!!!!

That was a 1000 Volts coursing through your
useless cock. For about 2 seconds! And I can
do this through the APP on my phone! Even if
I'm miles away!

You did it really? I would send you into that
hole with no way of causing you pain remotely
now, huh? Yea?

Did you honestly believe I would cum for you
that early? FUCK YOU TRASH!! There ain't no
fucking way this will be enough to make my lovely
pussy wet!

Didn't you listen?

Only way you're going to make me wet is if
today OBLITERATE you!
And you're not destroyed... yet!

Don't worry though! We'll get to that...
EVENTUALLY!

Don't worry though!

we'll get to that...
eventually!

I want you to DISAPPEAR! Into your new...

VERY PERMANENT...

HOME!
