

The
Shrinking
Succubus

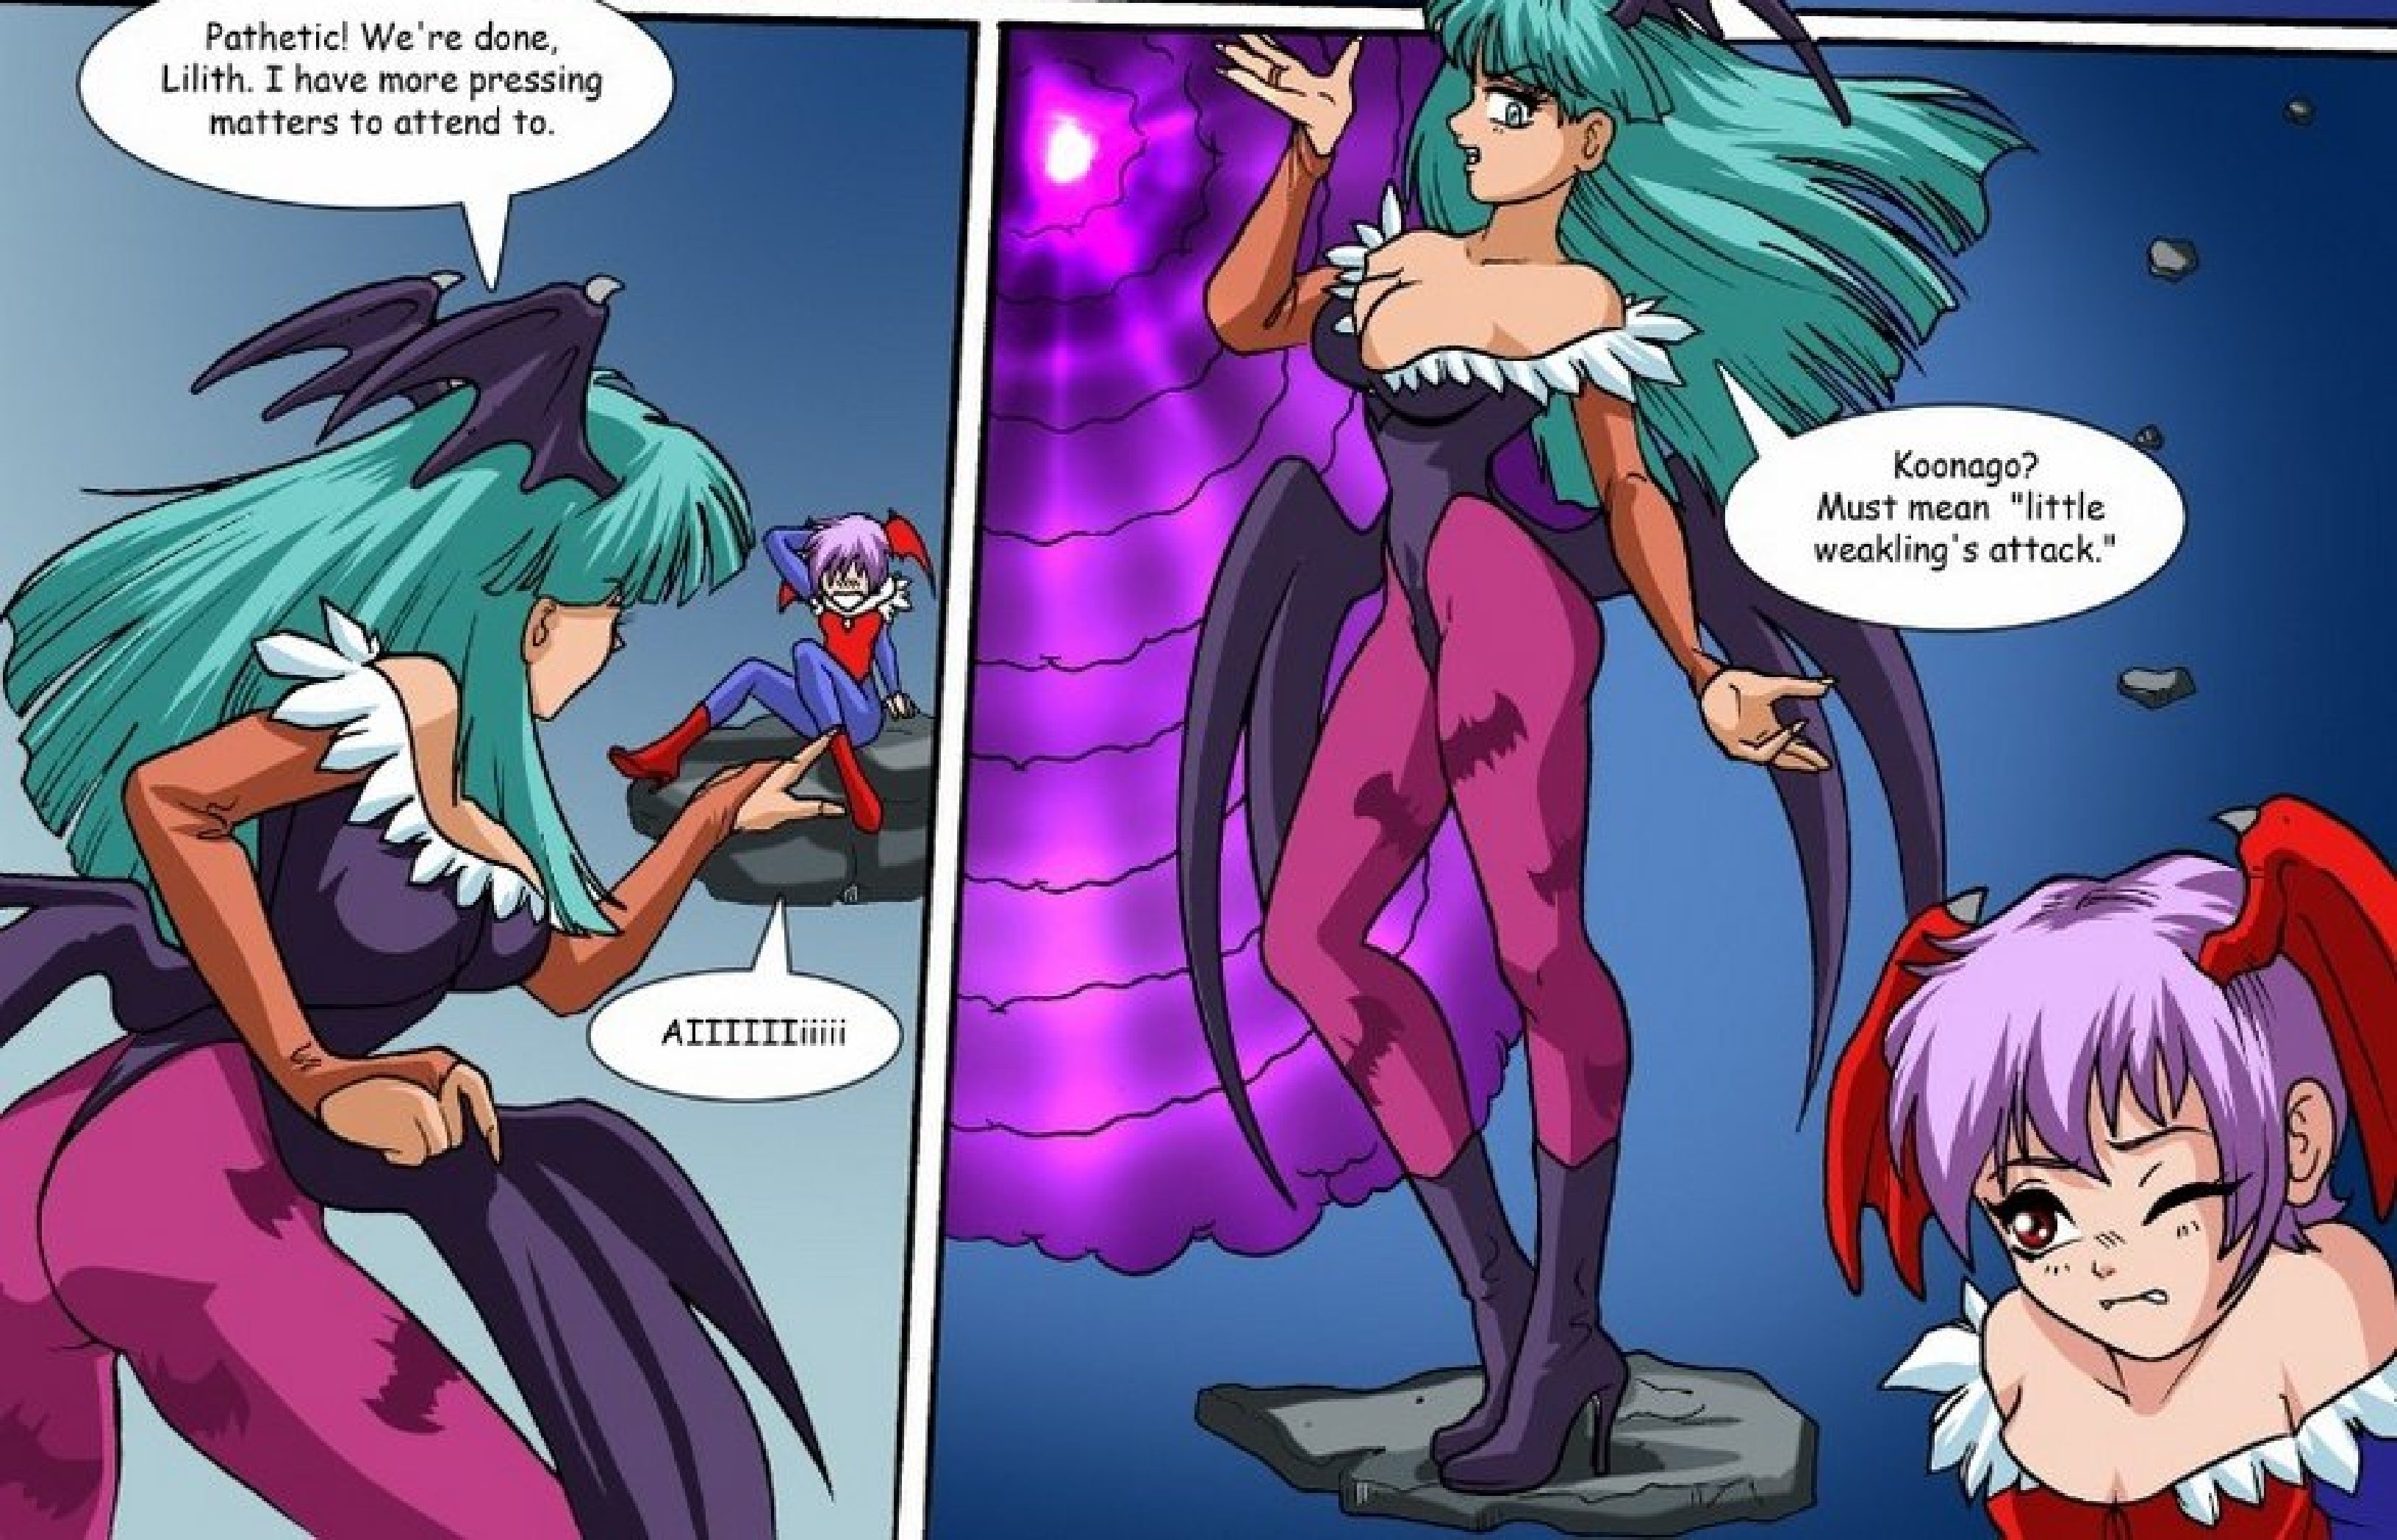

Don't count me out yet! I still have one trick up my sleeve!

You're out of your league, Lilith.

This should be amusing. Go ahead. I'll let you get one strike in.

Arrogance will be your downfall! Take this!

Lady Aensland,
Goran has arrived and
awaits your company.

Ah, yes...well,
let us not keep the
demon waiting.

Sorry for the
delay, Goran. I had
to take care of a
personal matter.

You're worth
the wait, Morrigan
Aensland.

I only hope
we both get
what we desire.

Ohhh... excuse
me, I feel dizzy
all of a sudden.

Are you well?
We can postpone.

No, no,
I should be fine.

What is this feeling of... inferiority? I haven't felt such as this in a hundred years!

I must... rectify this somehow.

That feels... better. Yes.

I hope you're able to satisfy me, lady Aensland. No one yet has.

For the energy you offer in return, I will insure an evening you will never forget.

Take what you need, succubus. I know that you can do no permanent harm to another demon. I seek only the satisfaction that has been denied by other, inferior women.

Amazing! Such a small woman able to take all of Goran's cock!

I'm not as little as you--

Ah, I knew you were something special, Lady Aensland! I feel myself on the brink!

What... what just happened? I can't absorb his energy... can't access my power!

Take my seed, Lady Aensland!

Ahh--! Why am I feeling pain?!

Shrunk... no. Shrinking. Knowing Lilith, this isn't going to stop anytime soon. We must find her.

Forgive me Goran, I do not feel myself.

Nonsense, Lady Aensland. It was amazing. All that I had hoped for.

And nothing I expected...

146cm, milady. Your hypothesis is correct. You have shrunk.

She has also somehow sealed my powers. For all intents and purposes, I am as powerless as a human.

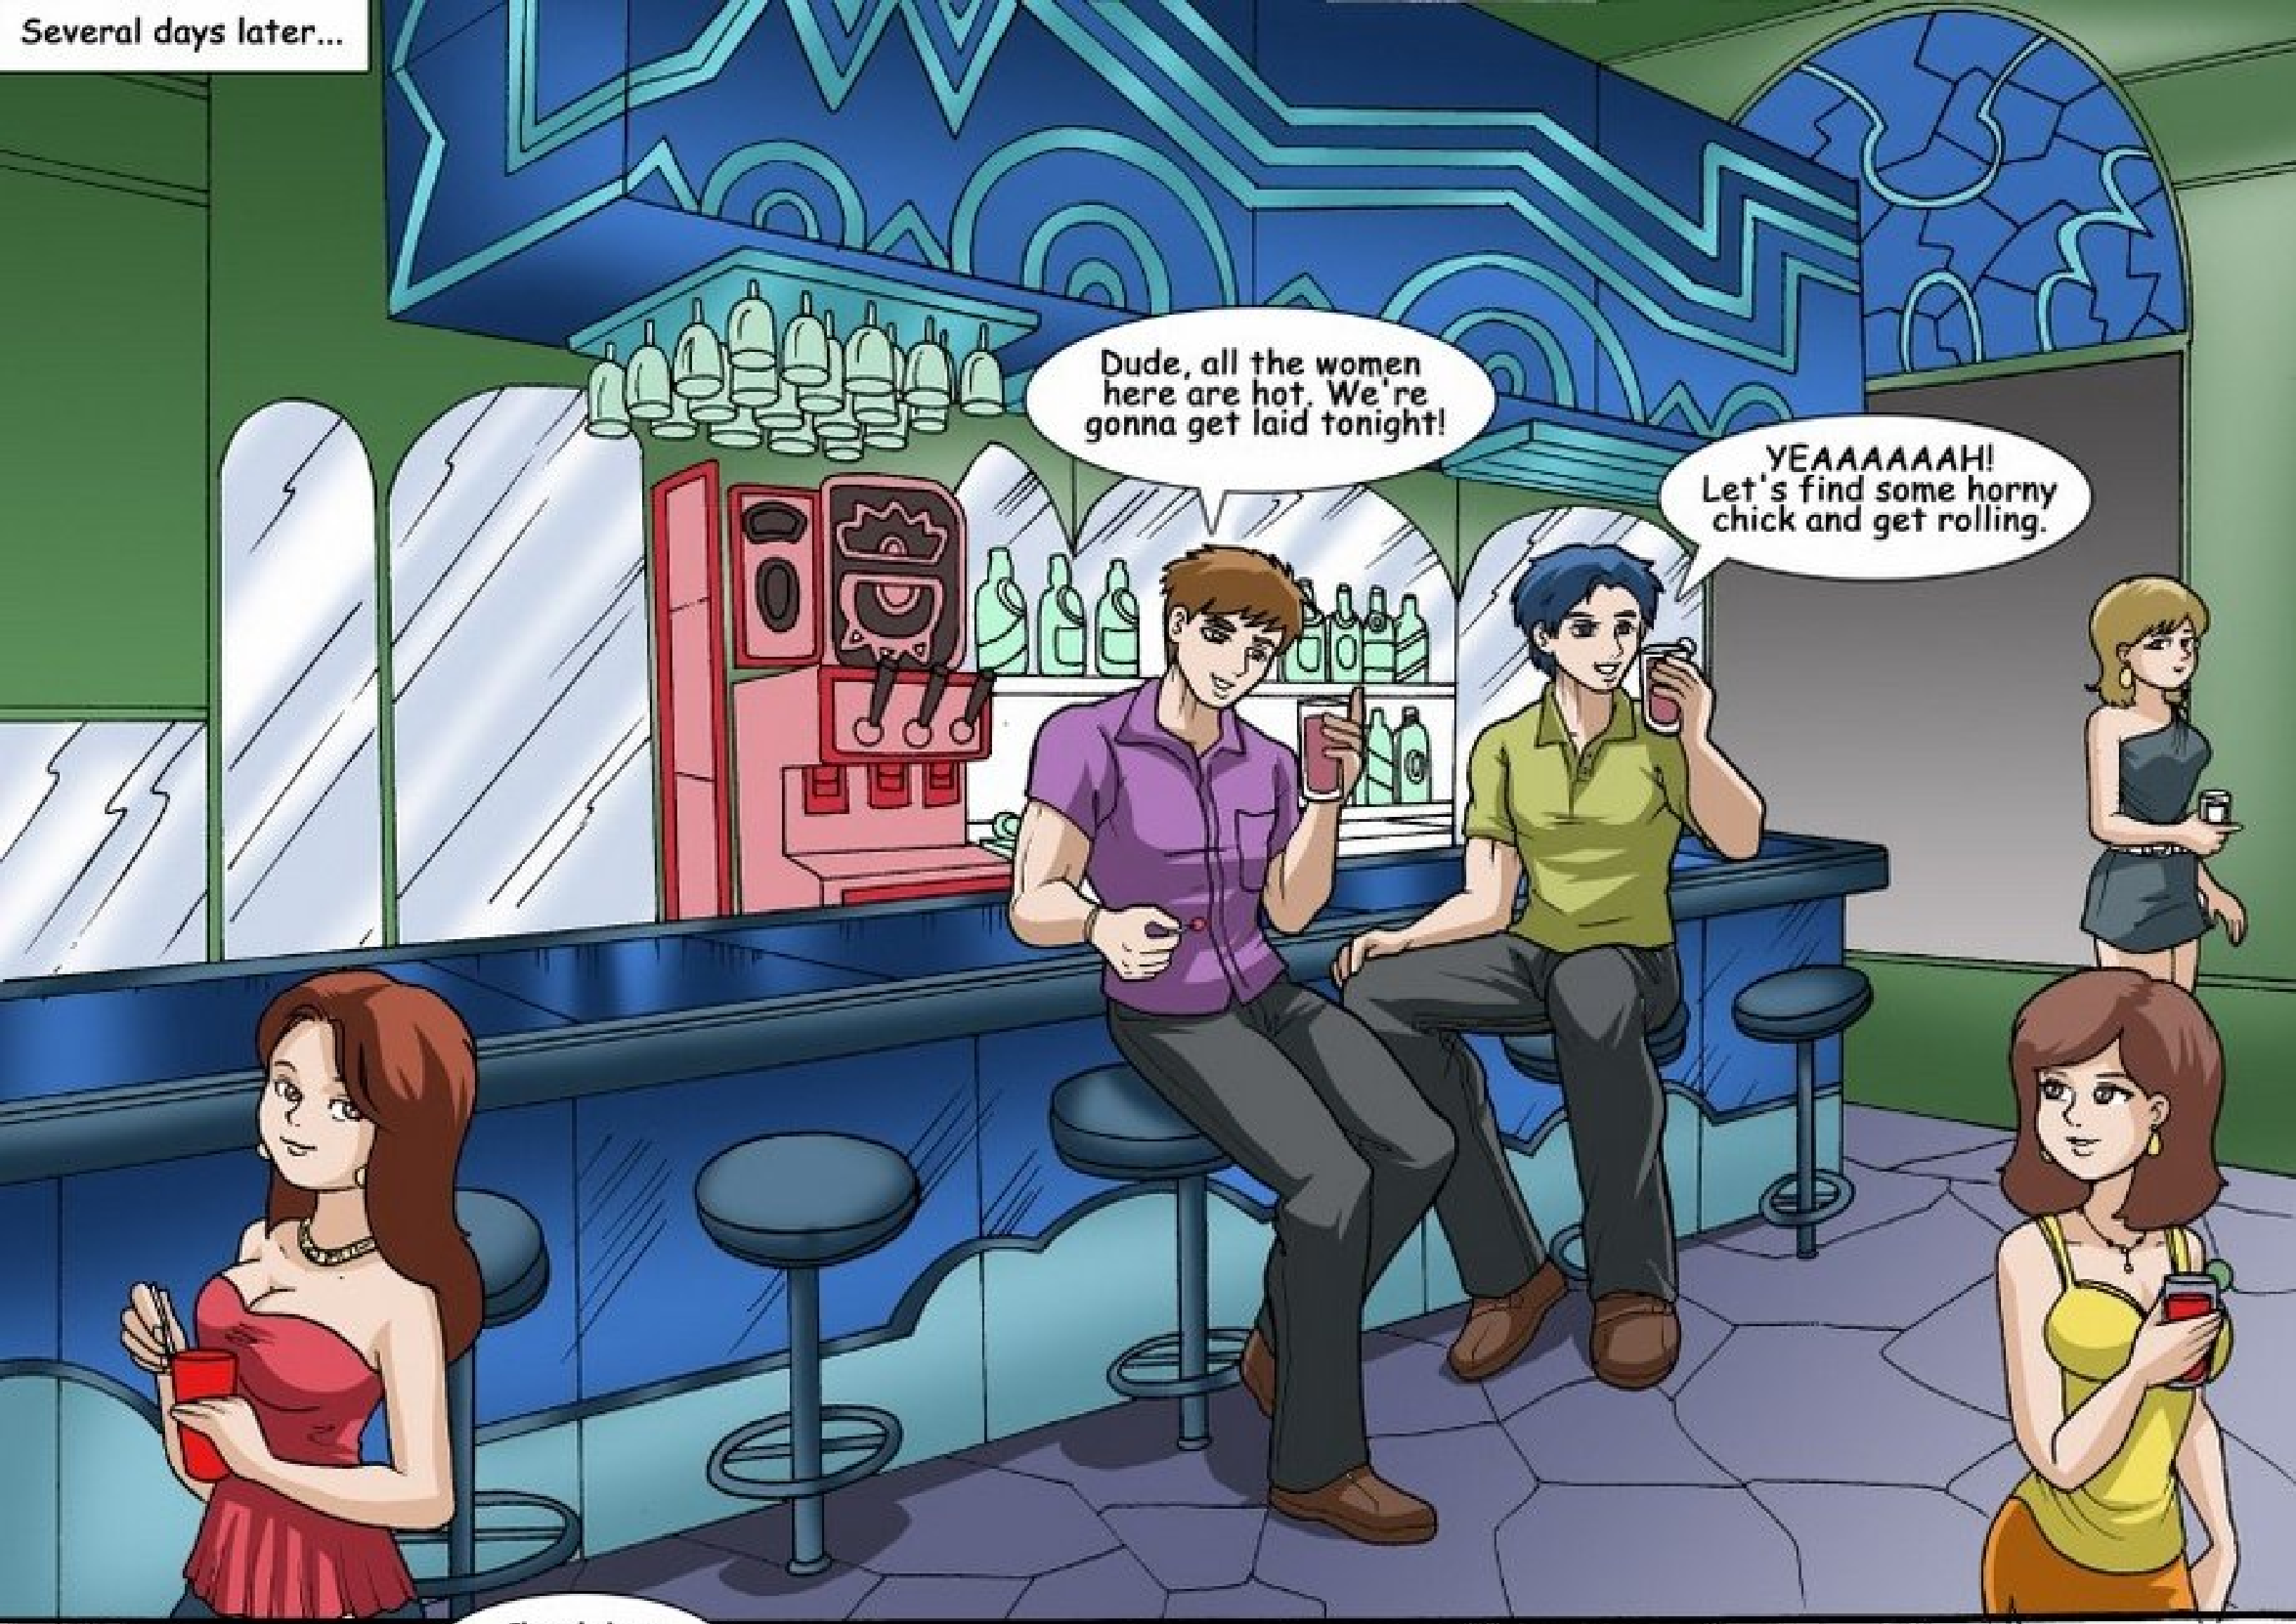

Then perhaps milady is best served to mingle with her ilk, lest your enemies get wind of your situation and take advantage of it.

Sound advice. I believe I will vacation in the city until this dilemma has passed. Make the necessary arrangements.

As you wish.

Several days later...

Check her out! Holy shit!

Damn Lilith! Still no sign of her, and still I shrink. What's worse, I feel so horny all the time. At least I still look like an adult and can mingle with mortals, but no telling how long this will continue. My minions best find Lilith quickly!

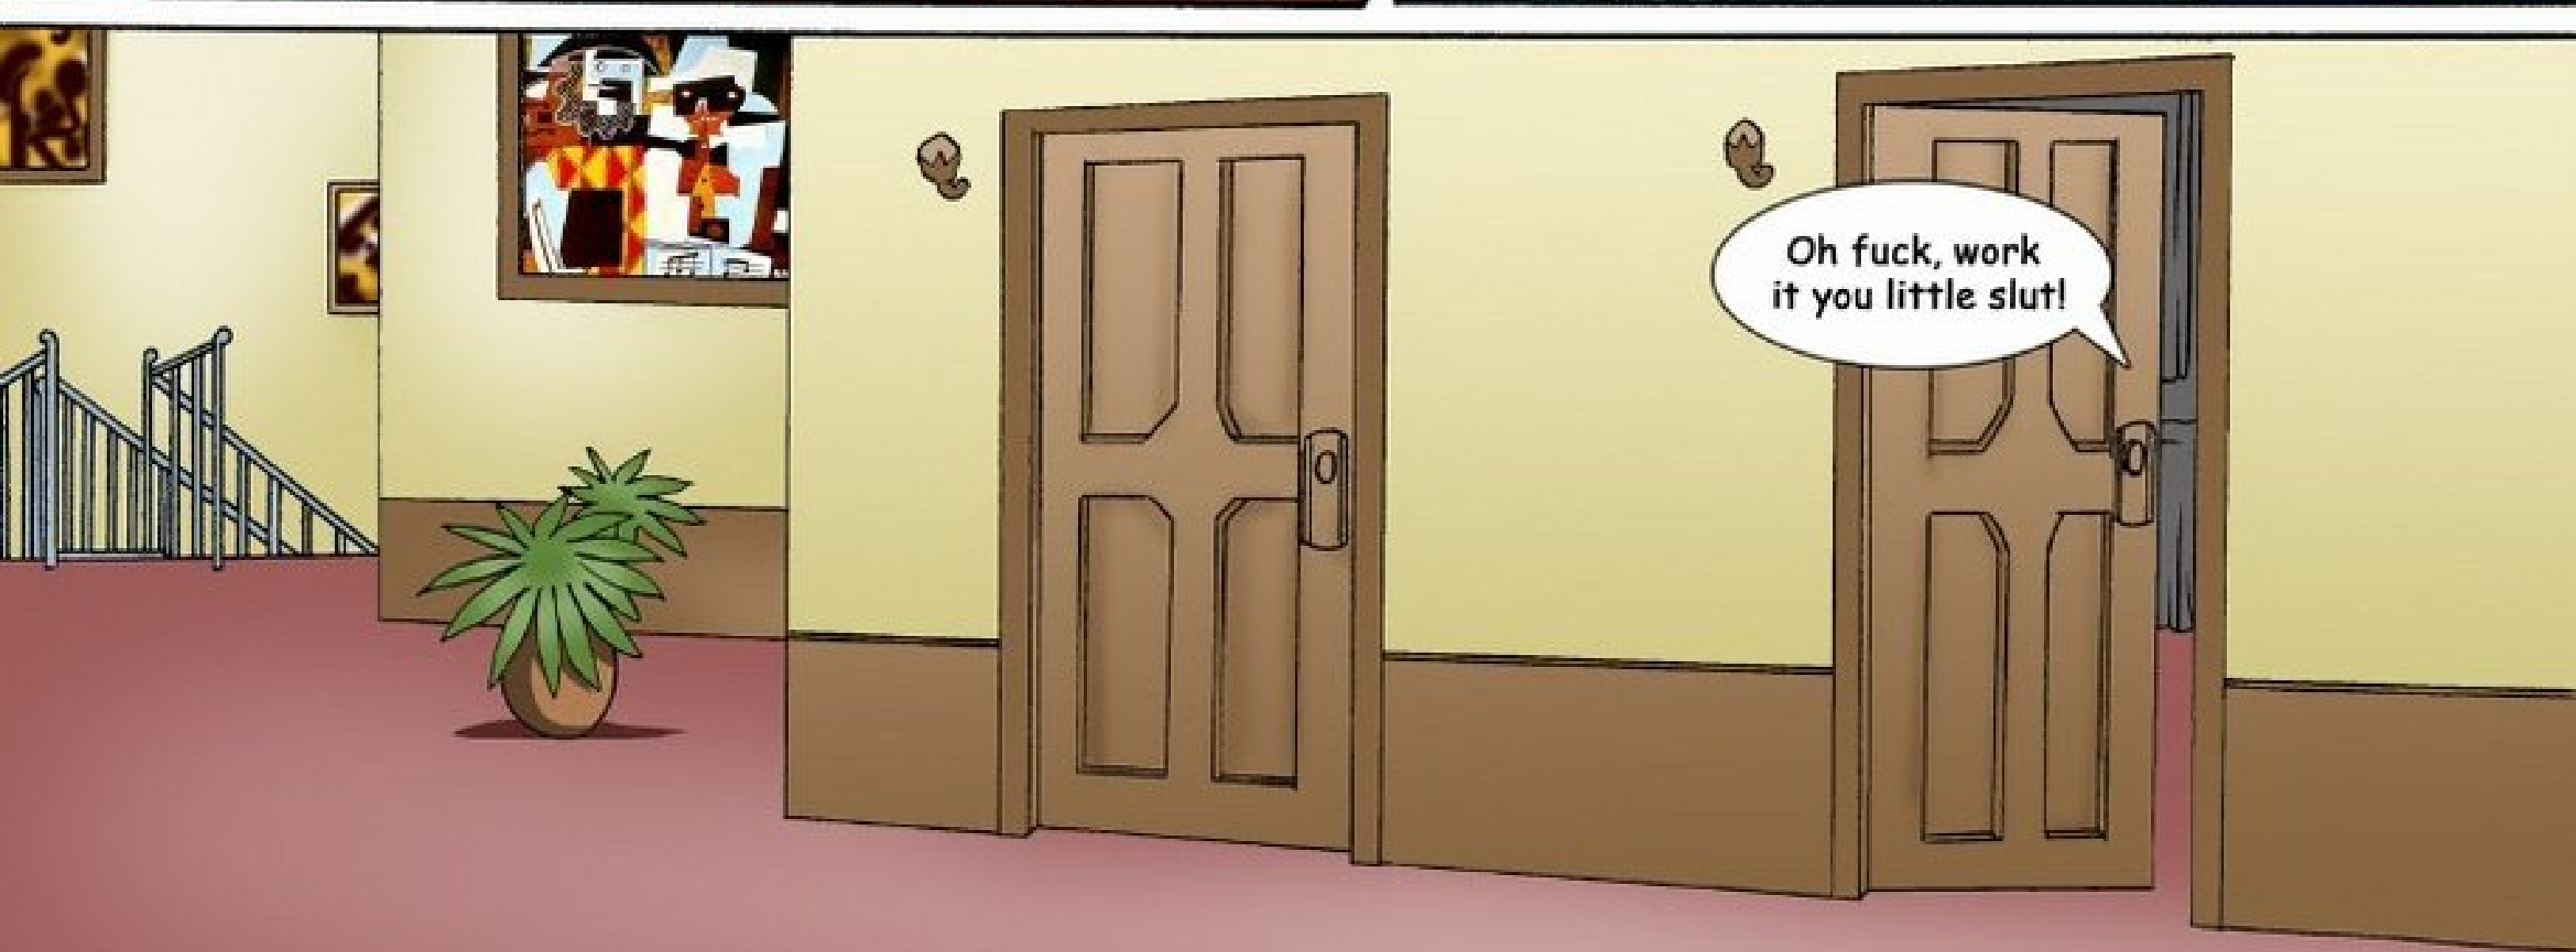

Hey there little lady. Would you like some fun? Maybe back in our hotel room?

As much as your offer entices, I'm not feeling up to it, gentlemen.

Not up to it? That's alright, we can come down to your level.

Shit, this bitch is a real pro!

Mmmph...

You're so damn tight!

My turn to cum!

Ahhhhh!

So sleepy... without my powers, I am so lethargic. Here is hoping I don't shrink in my sleep.

Playtime!

Wakey wakey,
little succubus...

You've given
a whole new
meaning to petite,
Morrigan.

LILITH!

Surprised to see me?
You know I had to come
and finish the job.

Get
off me!

Not a chance.
I'm going to have a little
fun with you before you
get too small for it.

I always wondered what
those beautiful features
of yours would feel like
against my lips...

This is the
best part... the last,
big shrink!

I know!
I'll crush you flat.

Oooh, still a
"little" fight in you?

That's exactly
where you belong,
Morrigan! Underneath
my boot!

Not for long.

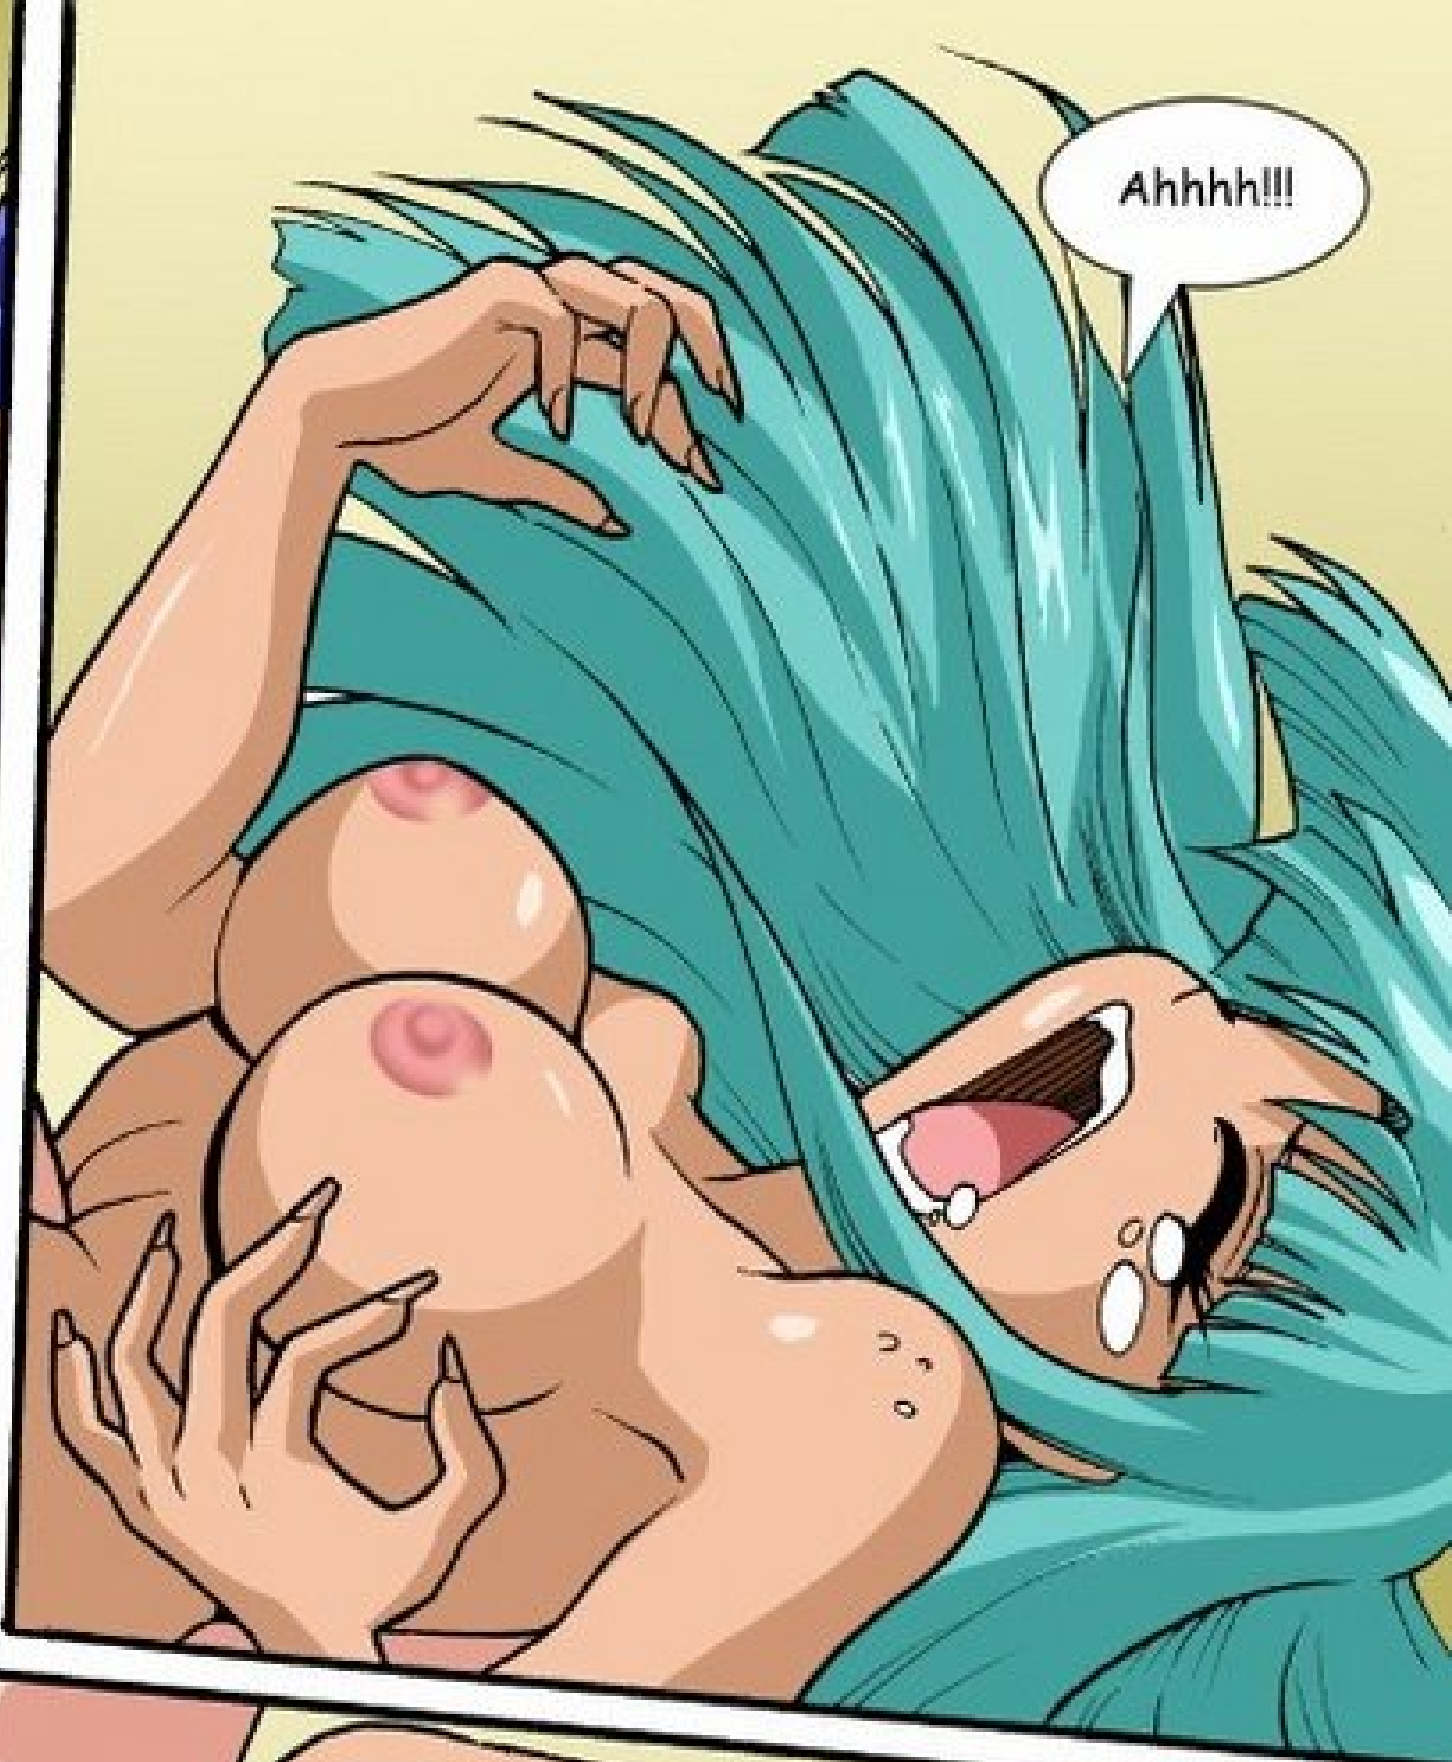

Owww!

Say it!

Ahhhh!!!

SAY IT!

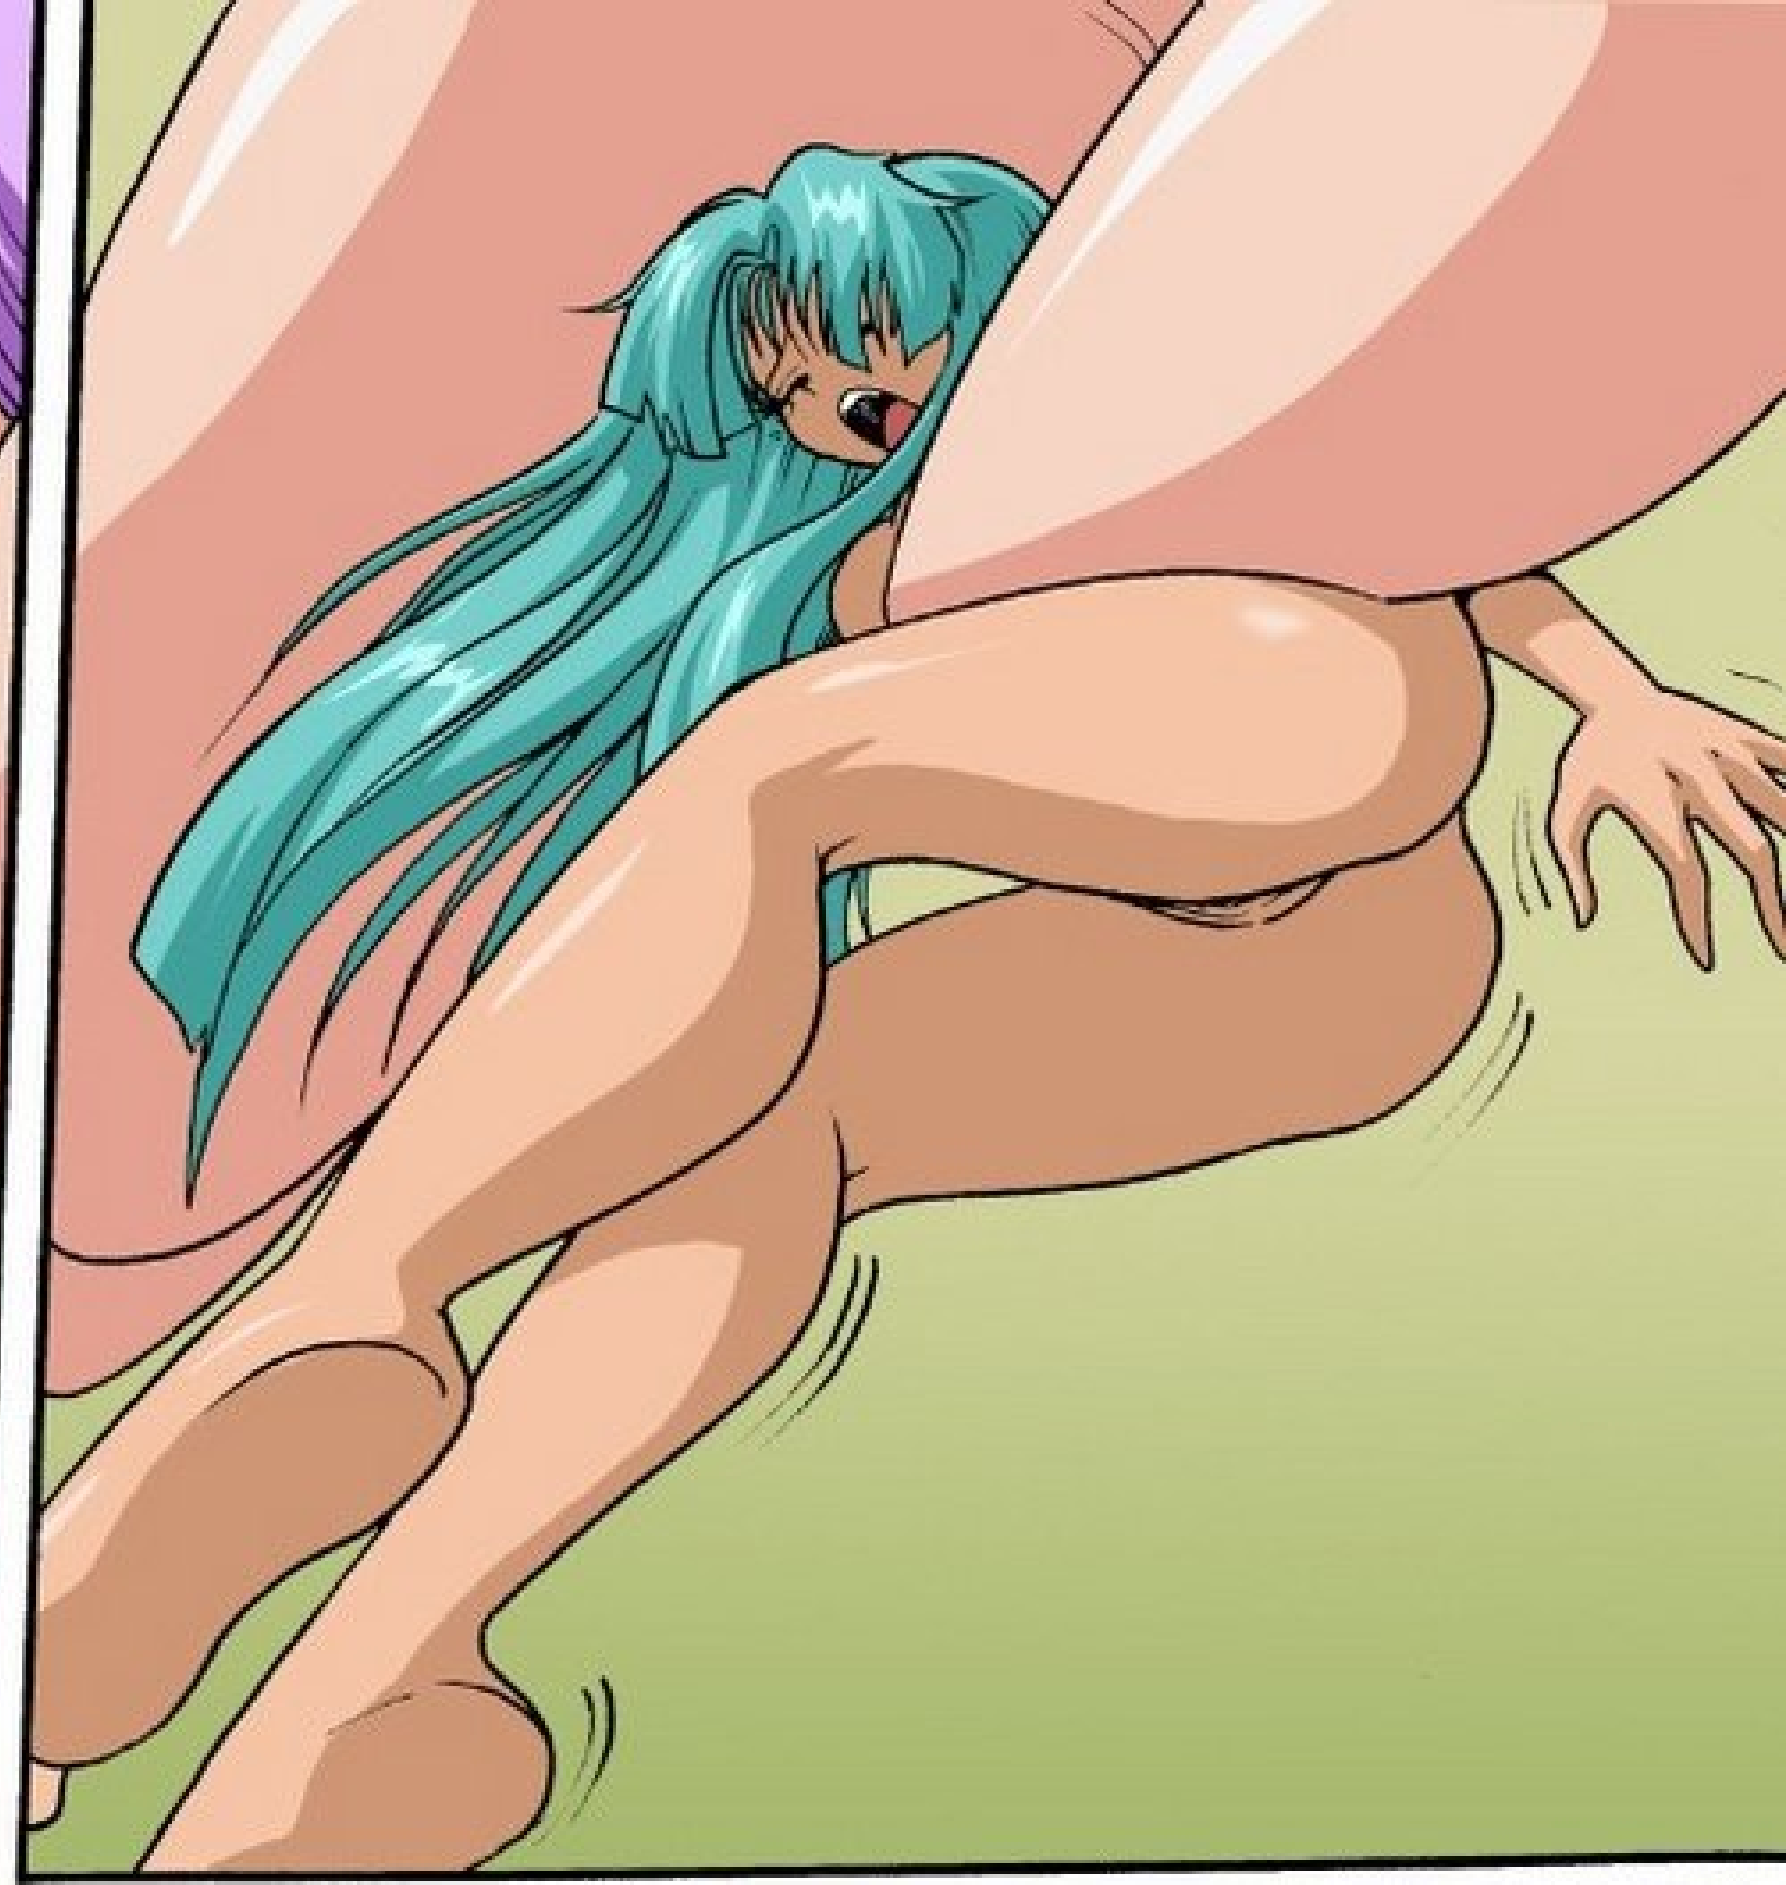

Nnnnng!

OKAY!
Okay!

You...
you win.

Saved...
in the nick
of time.

How dare
you! She's
mine!

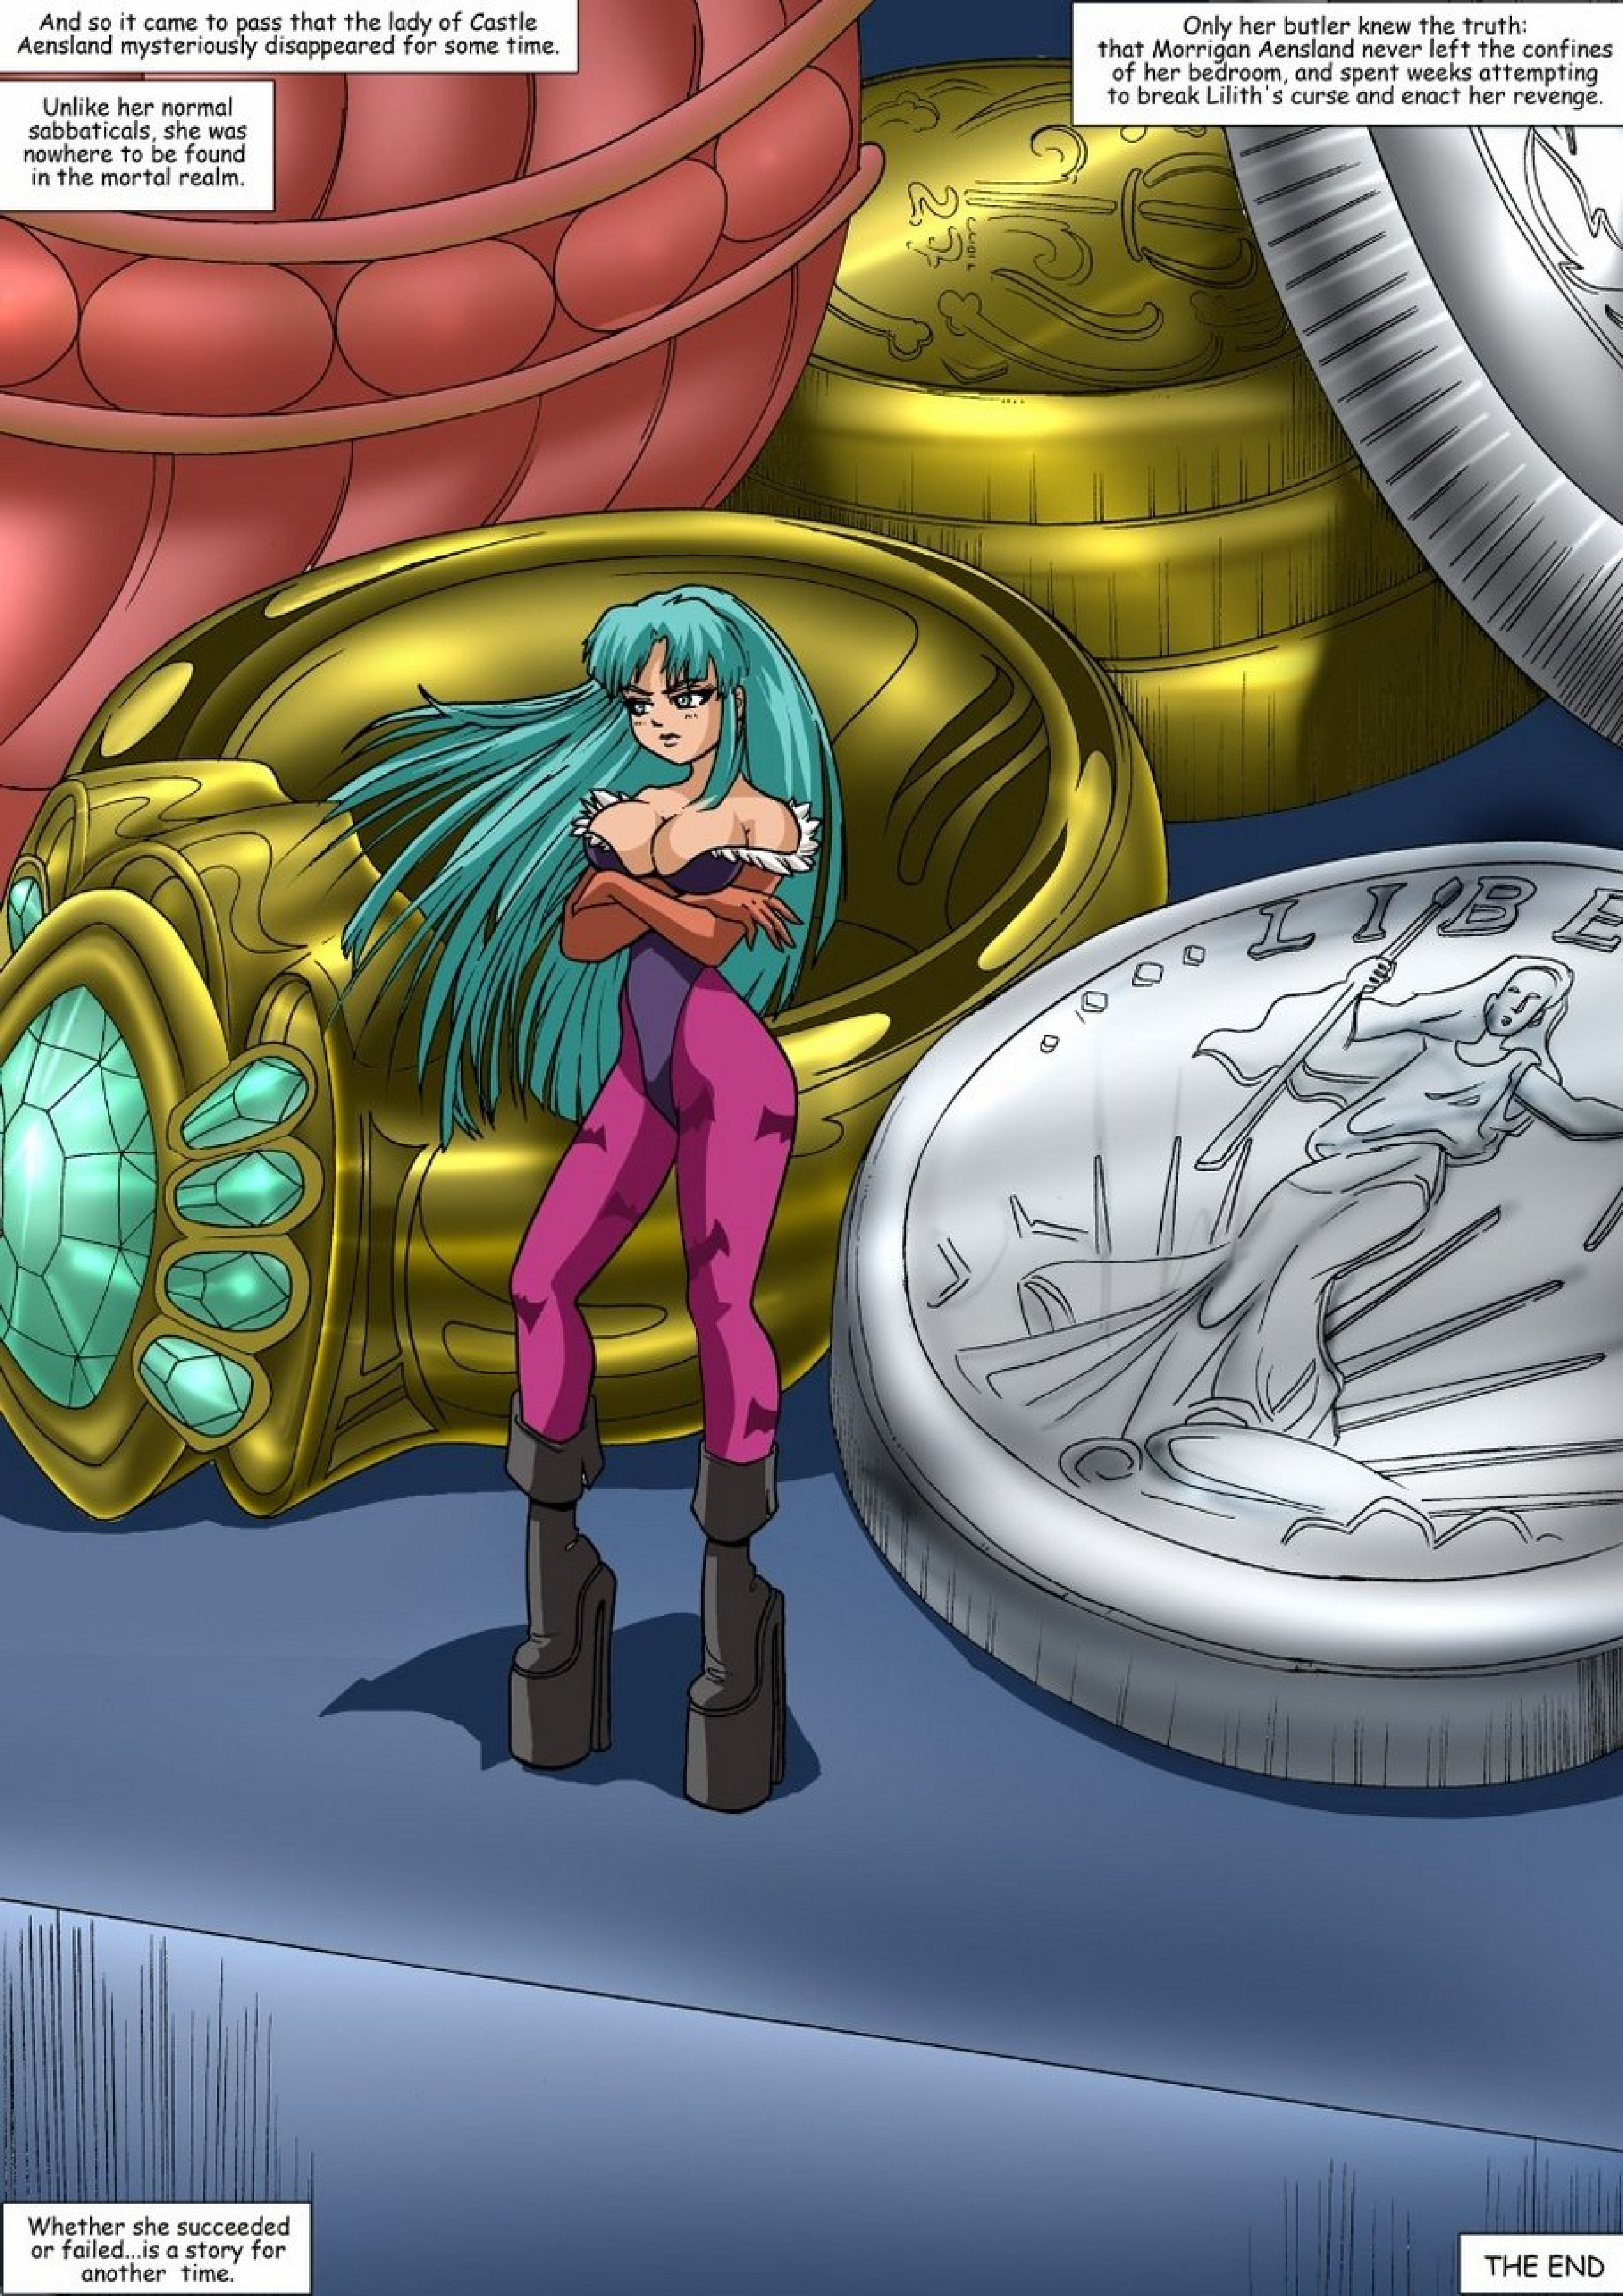

MORRIGAAAAAAN!

And so it came to pass that the lady of Castle Aensland mysteriously disappeared for some time.

Unlike her normal sabbaticals, she was nowhere to be found in the mortal realm.

Only her butler knew the truth: that Morrigan Aensland never left the confines of her bedroom, and spent weeks attempting to break Lilith's curse and enact her revenge.

Whether she succeeded or failed...is a story for another time.
