Hey!
What the fuck?

Hi there sweetheart!
I sent you this beautiful dress and these fantastic boots that I've got from the Lust district. You won't believe what these babes can do! Trust me! c:
Please don't put these on until I arrive. You'll need help to take them off.

I'll be there with you for this evening. I know I should deliver this personally, but I couldn't resist to send it to you, so you can appreciate it until I get to you tonight ;3

See you at night, Kelly
