

Satoshi and Kasumi are traveling again today.

...Are you okay?

But in the Viridian forest, Kasumi has a hard time..

Didn't you come to Pallet Town through the Viridian forest?

How did you get through here?

추욱!

I wore a Repel spray.

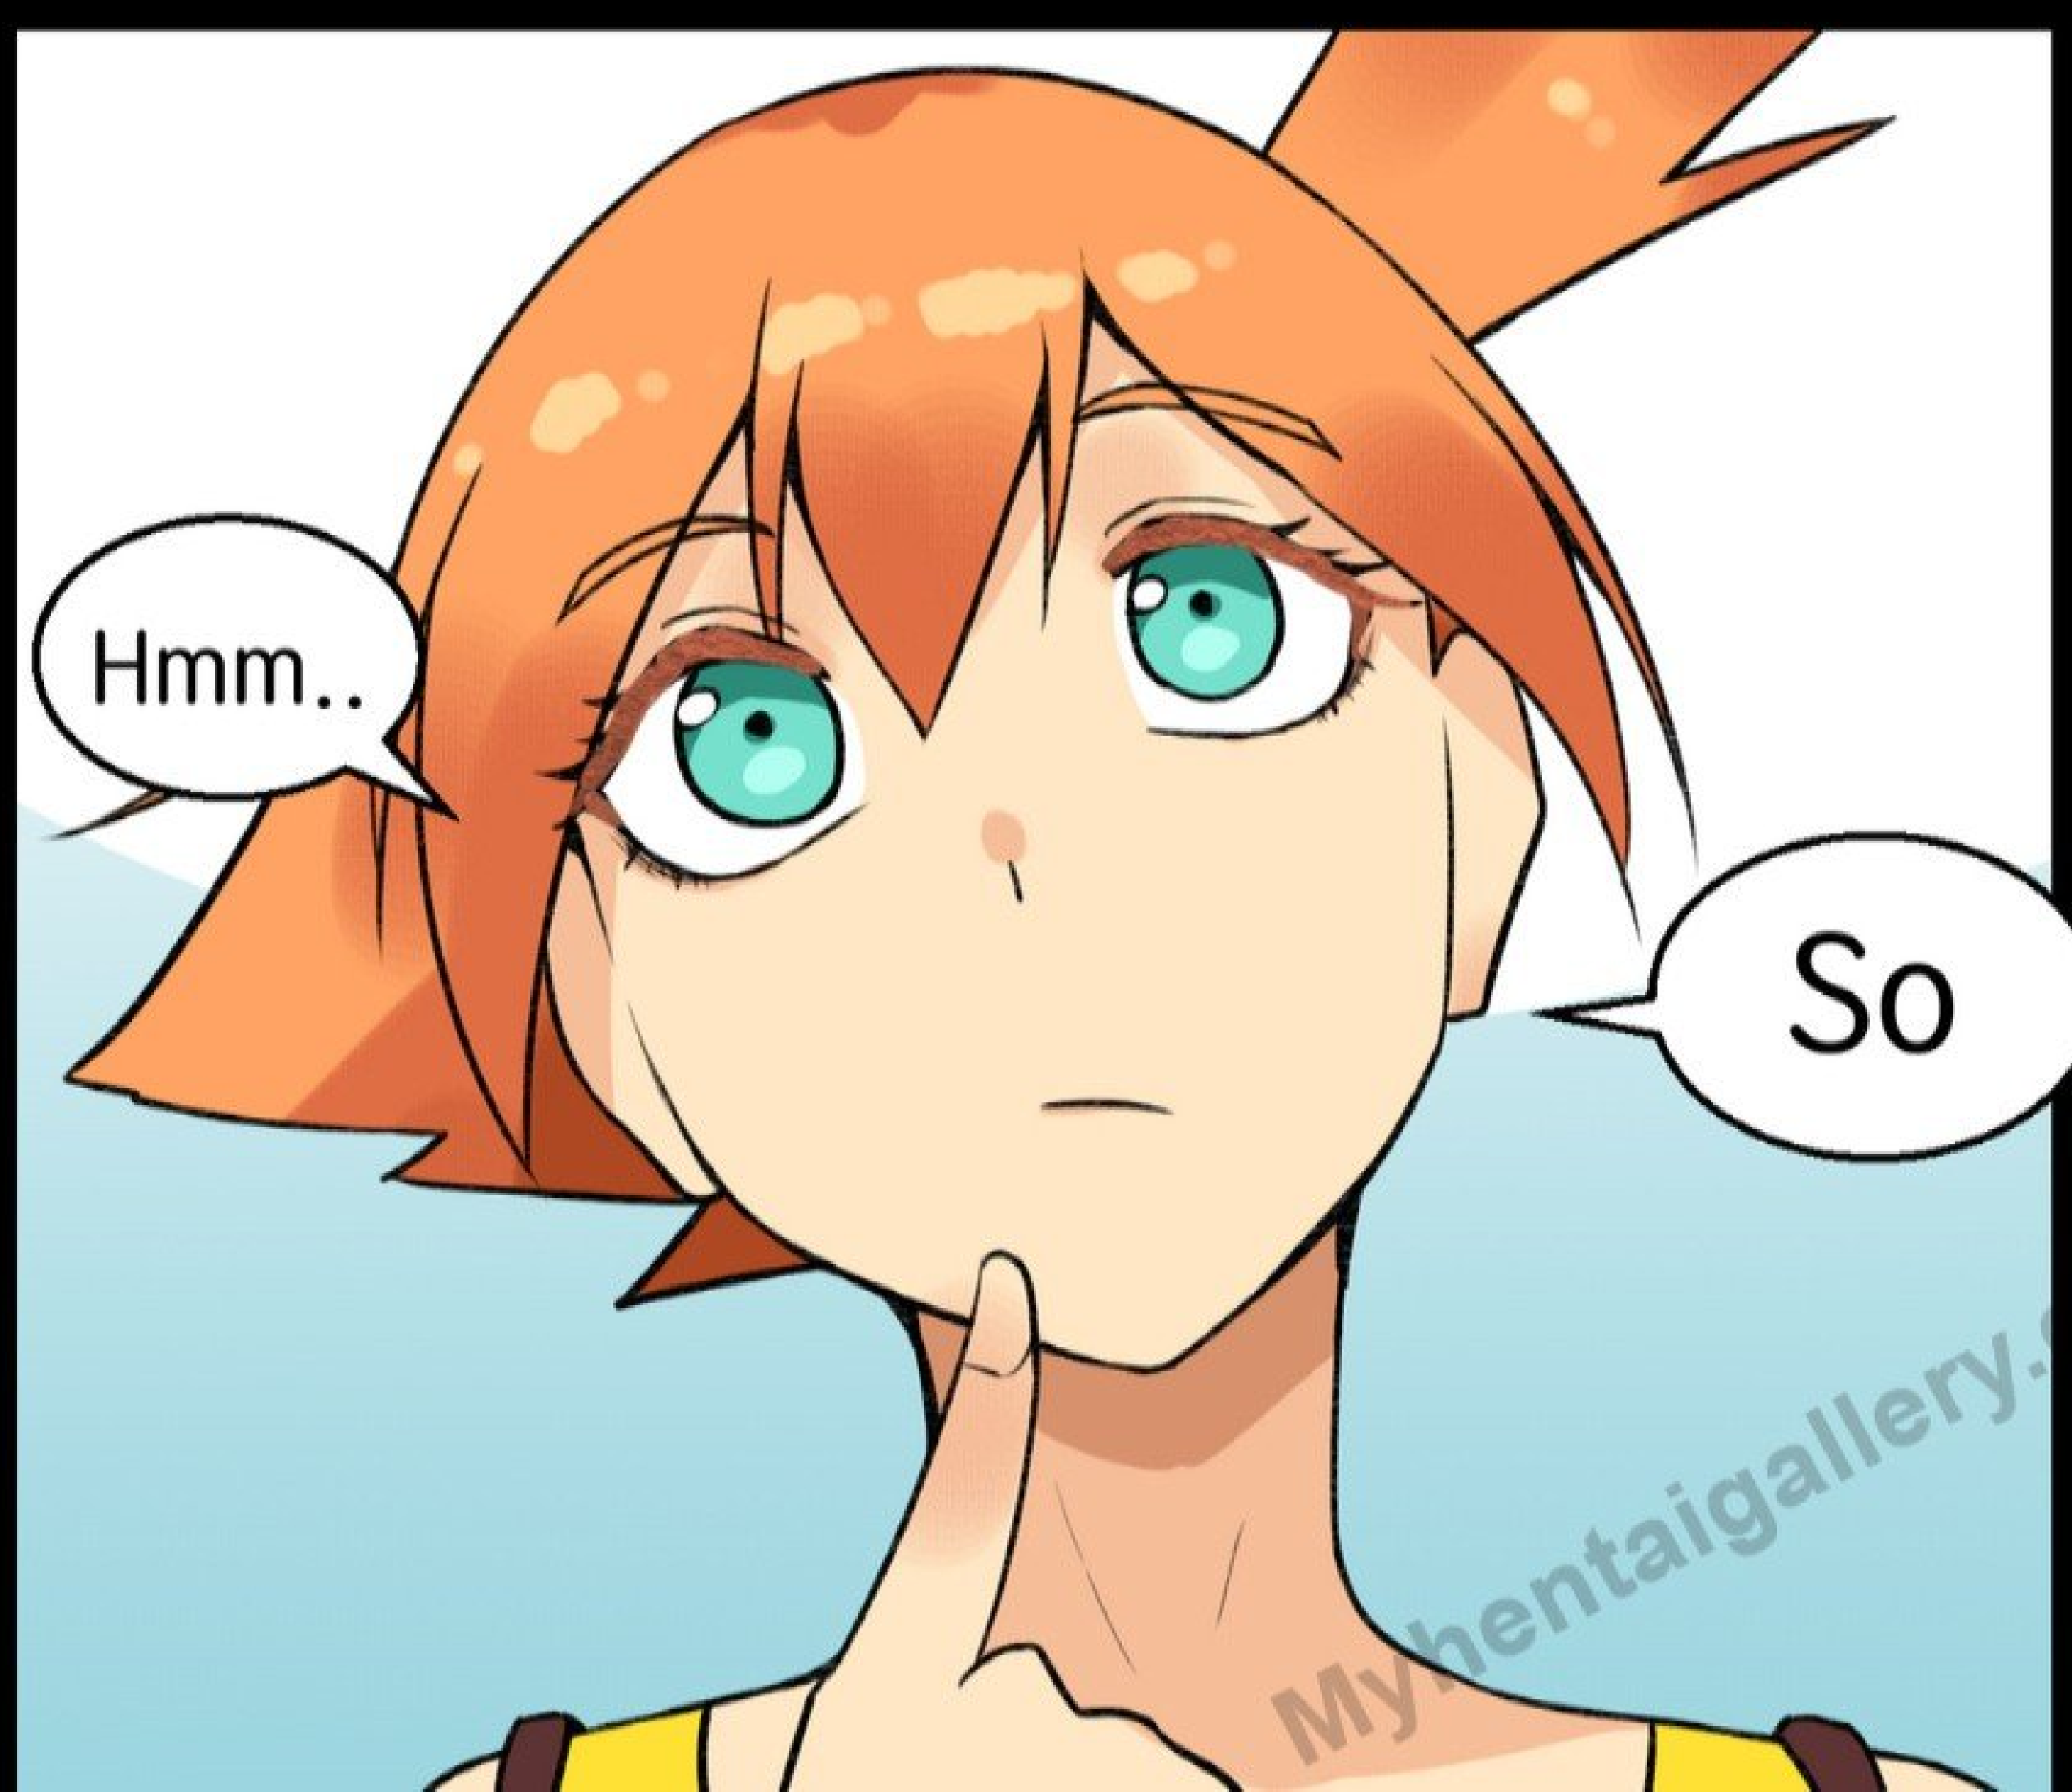

and rode a bicycle.

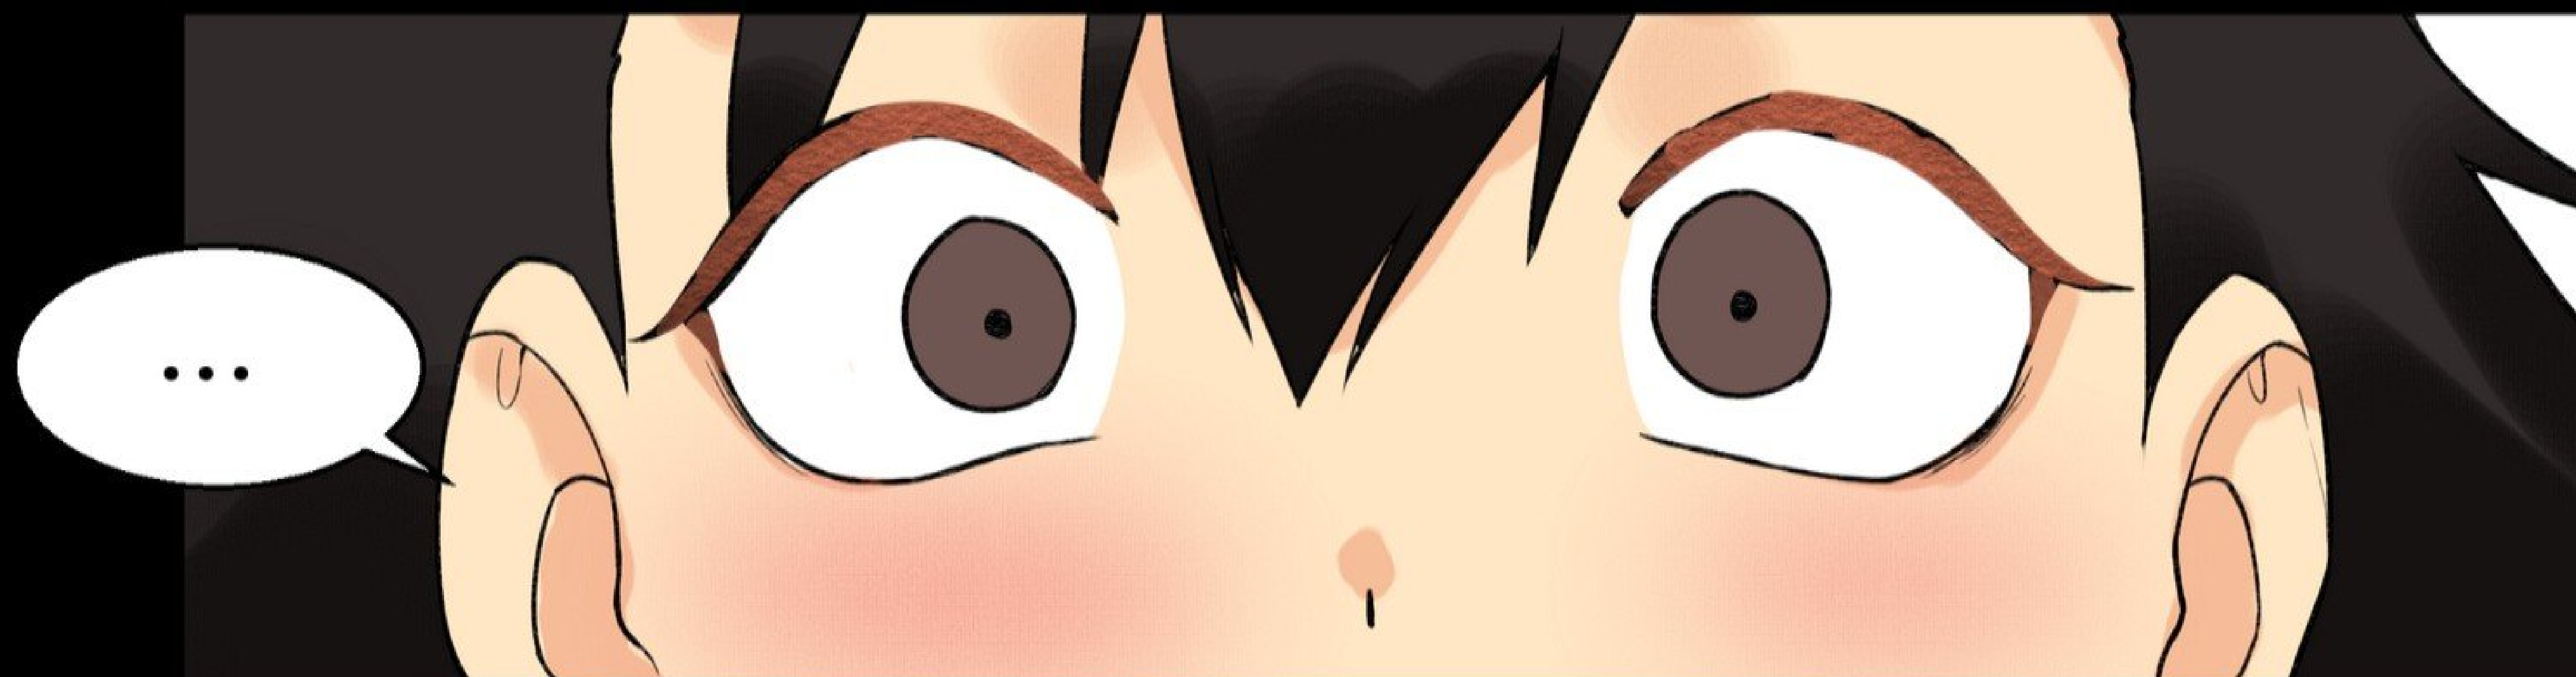

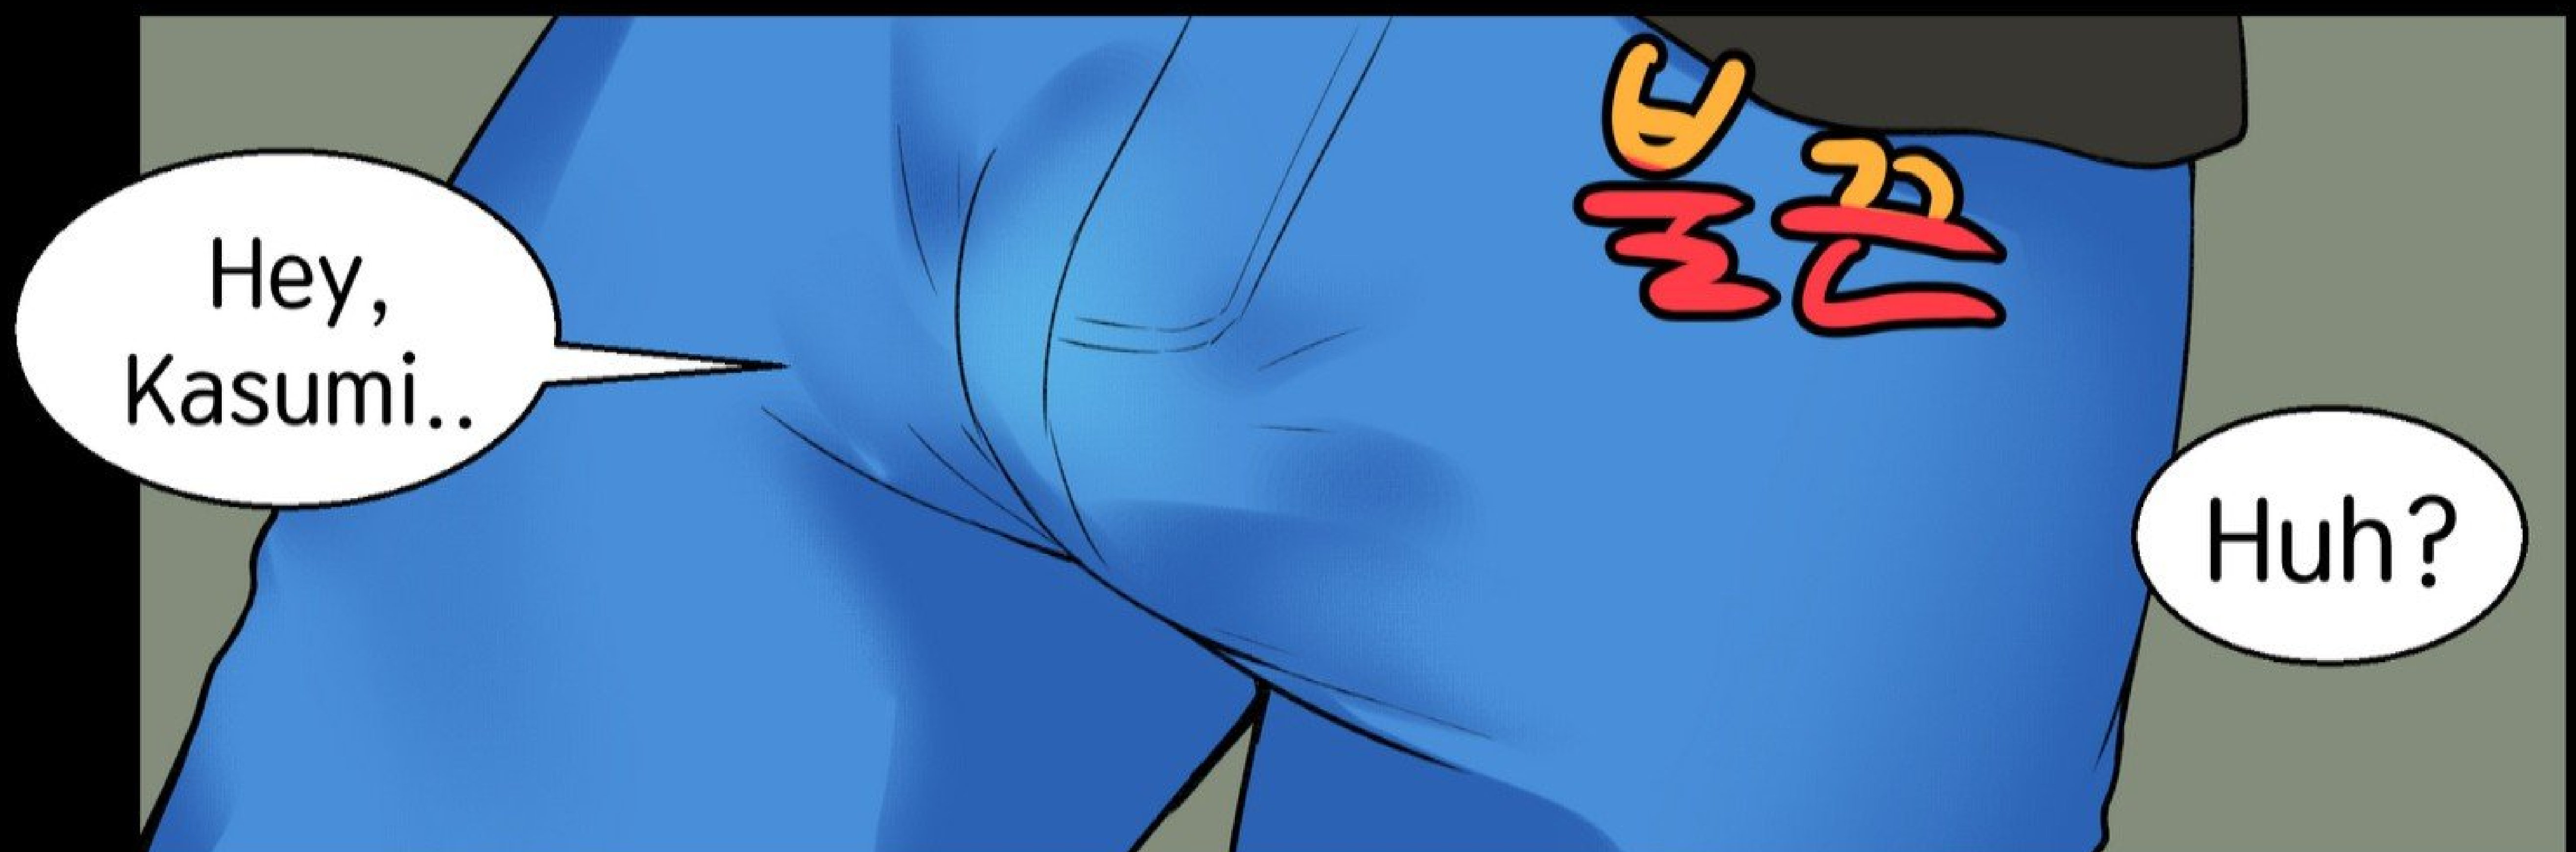

But someone broke my bike.

And it's hard for me to walk now because..

You fucked me like that.

I'll rub it between your thighs.

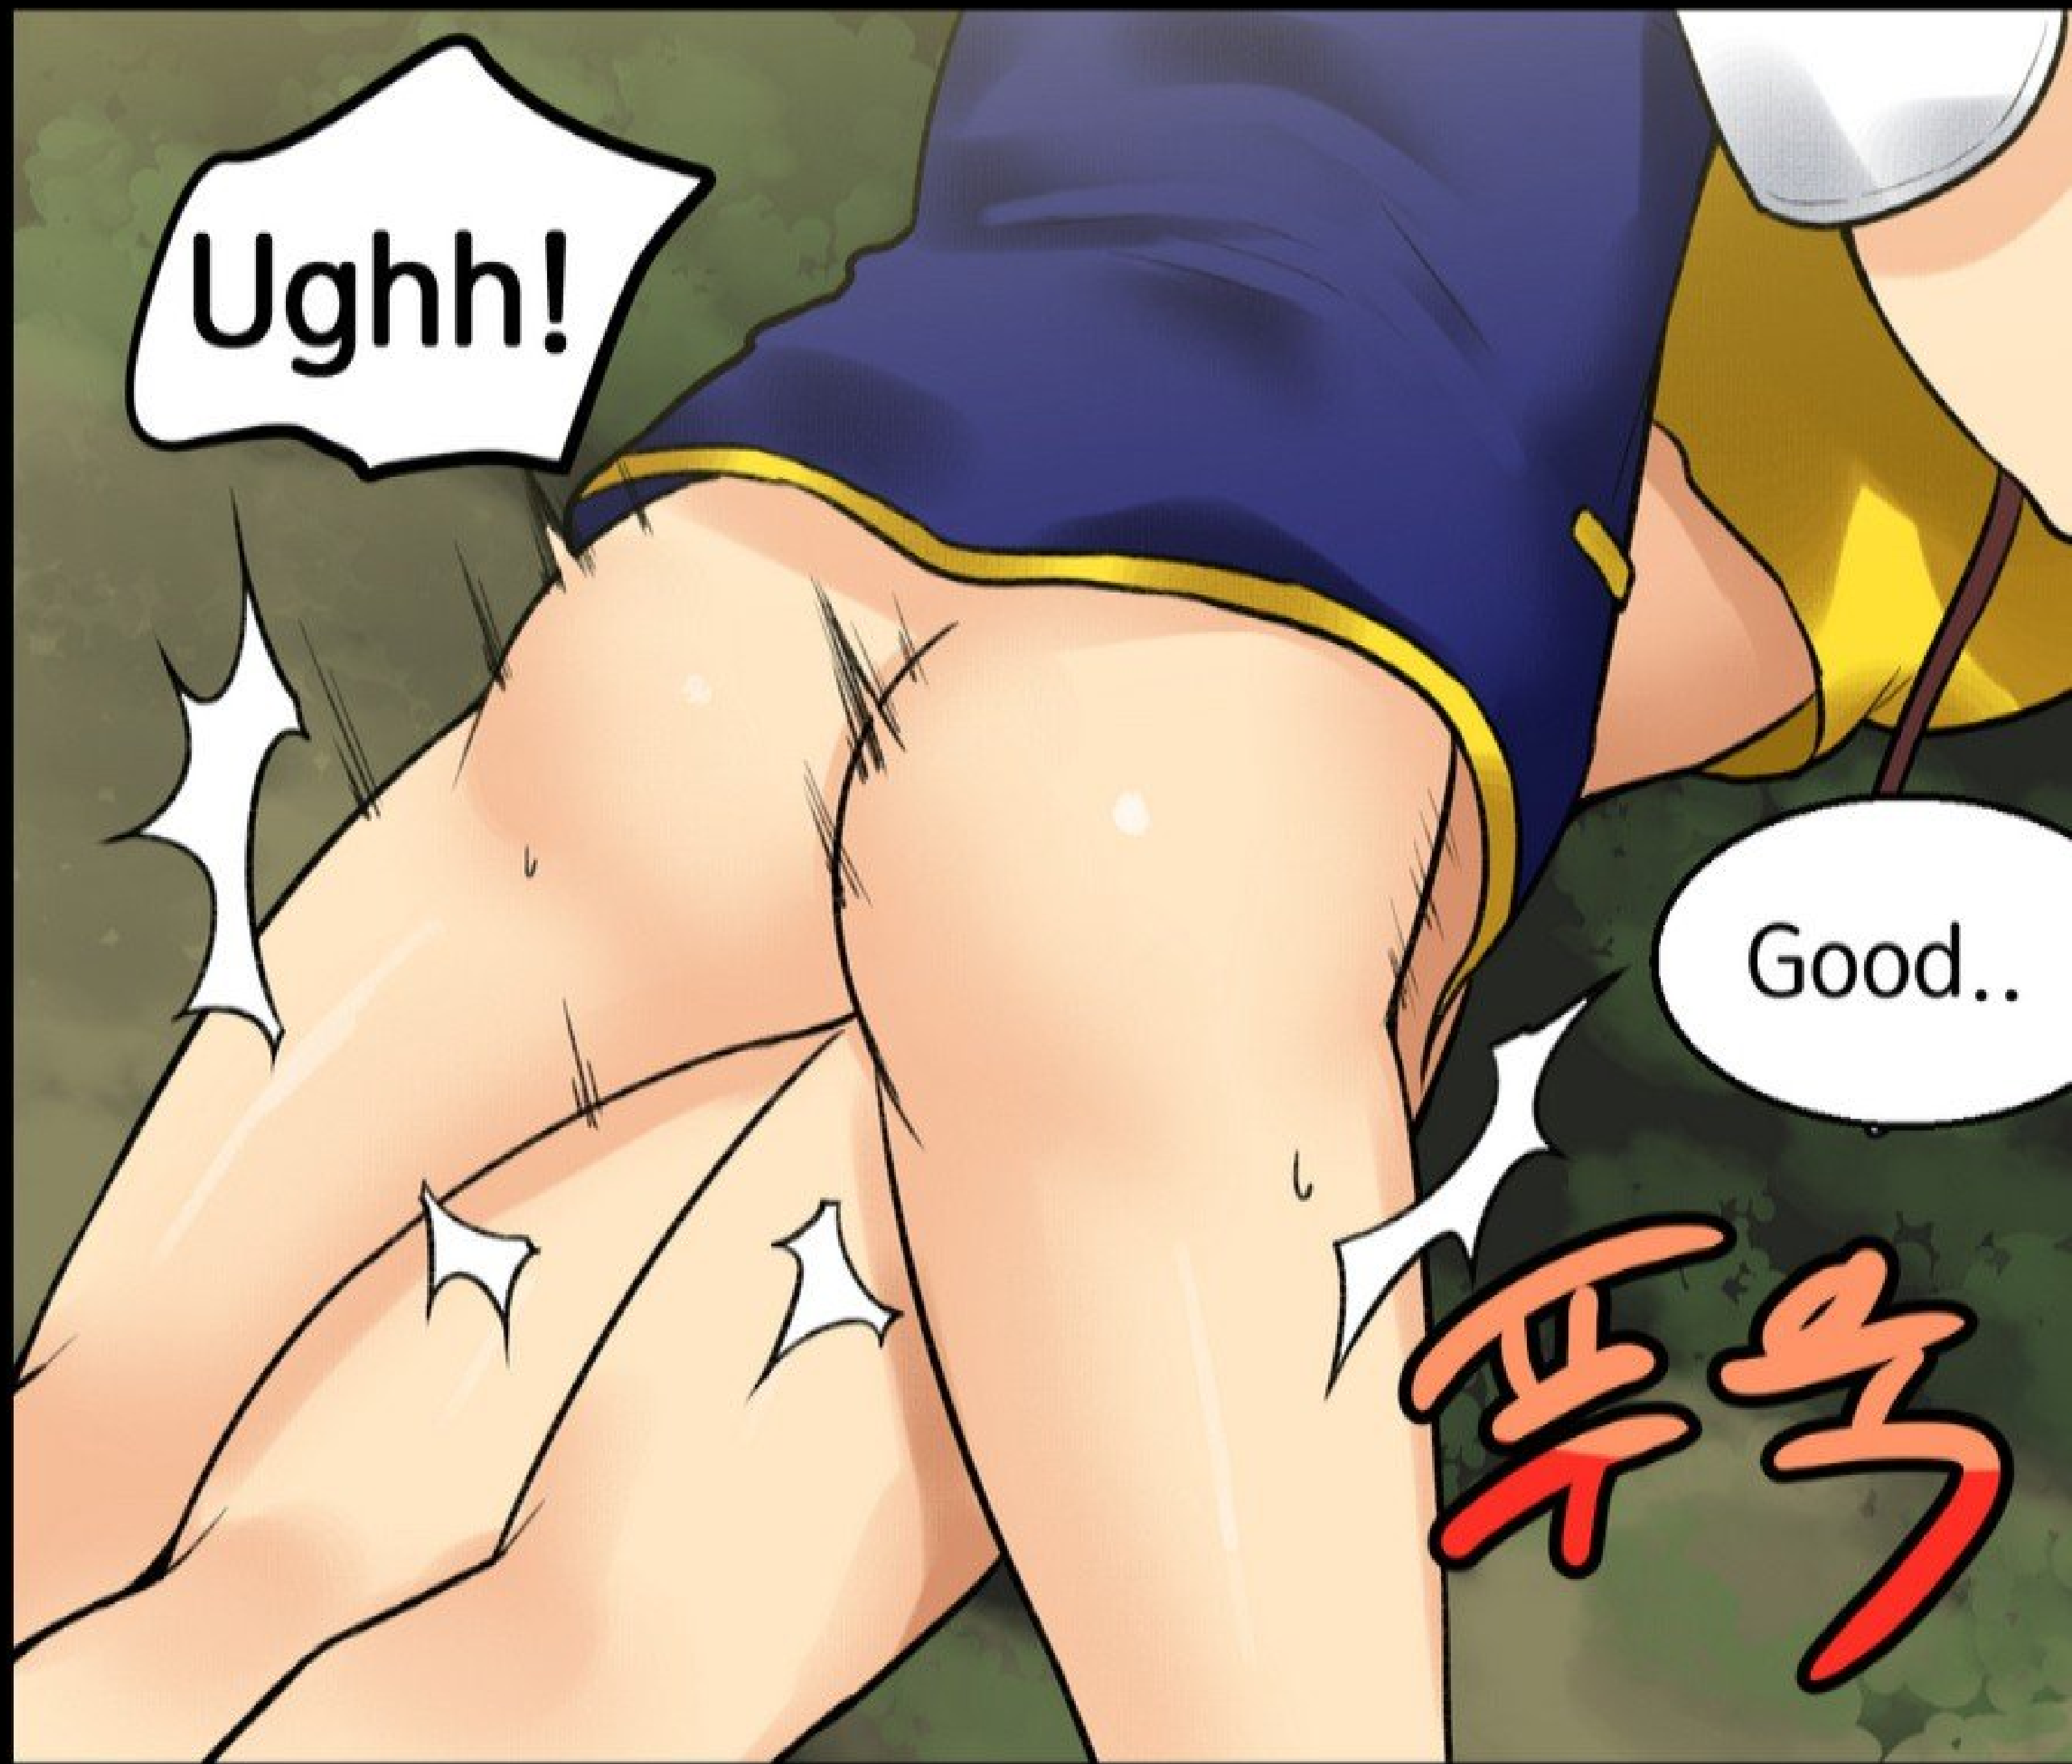

Geez..

You can't put it inside!

Yes..

Ughh!

Good..

I think that is almost in heat..

I showed my body by playing a little bit,

but I didn't know he would react this much..

From that day on,

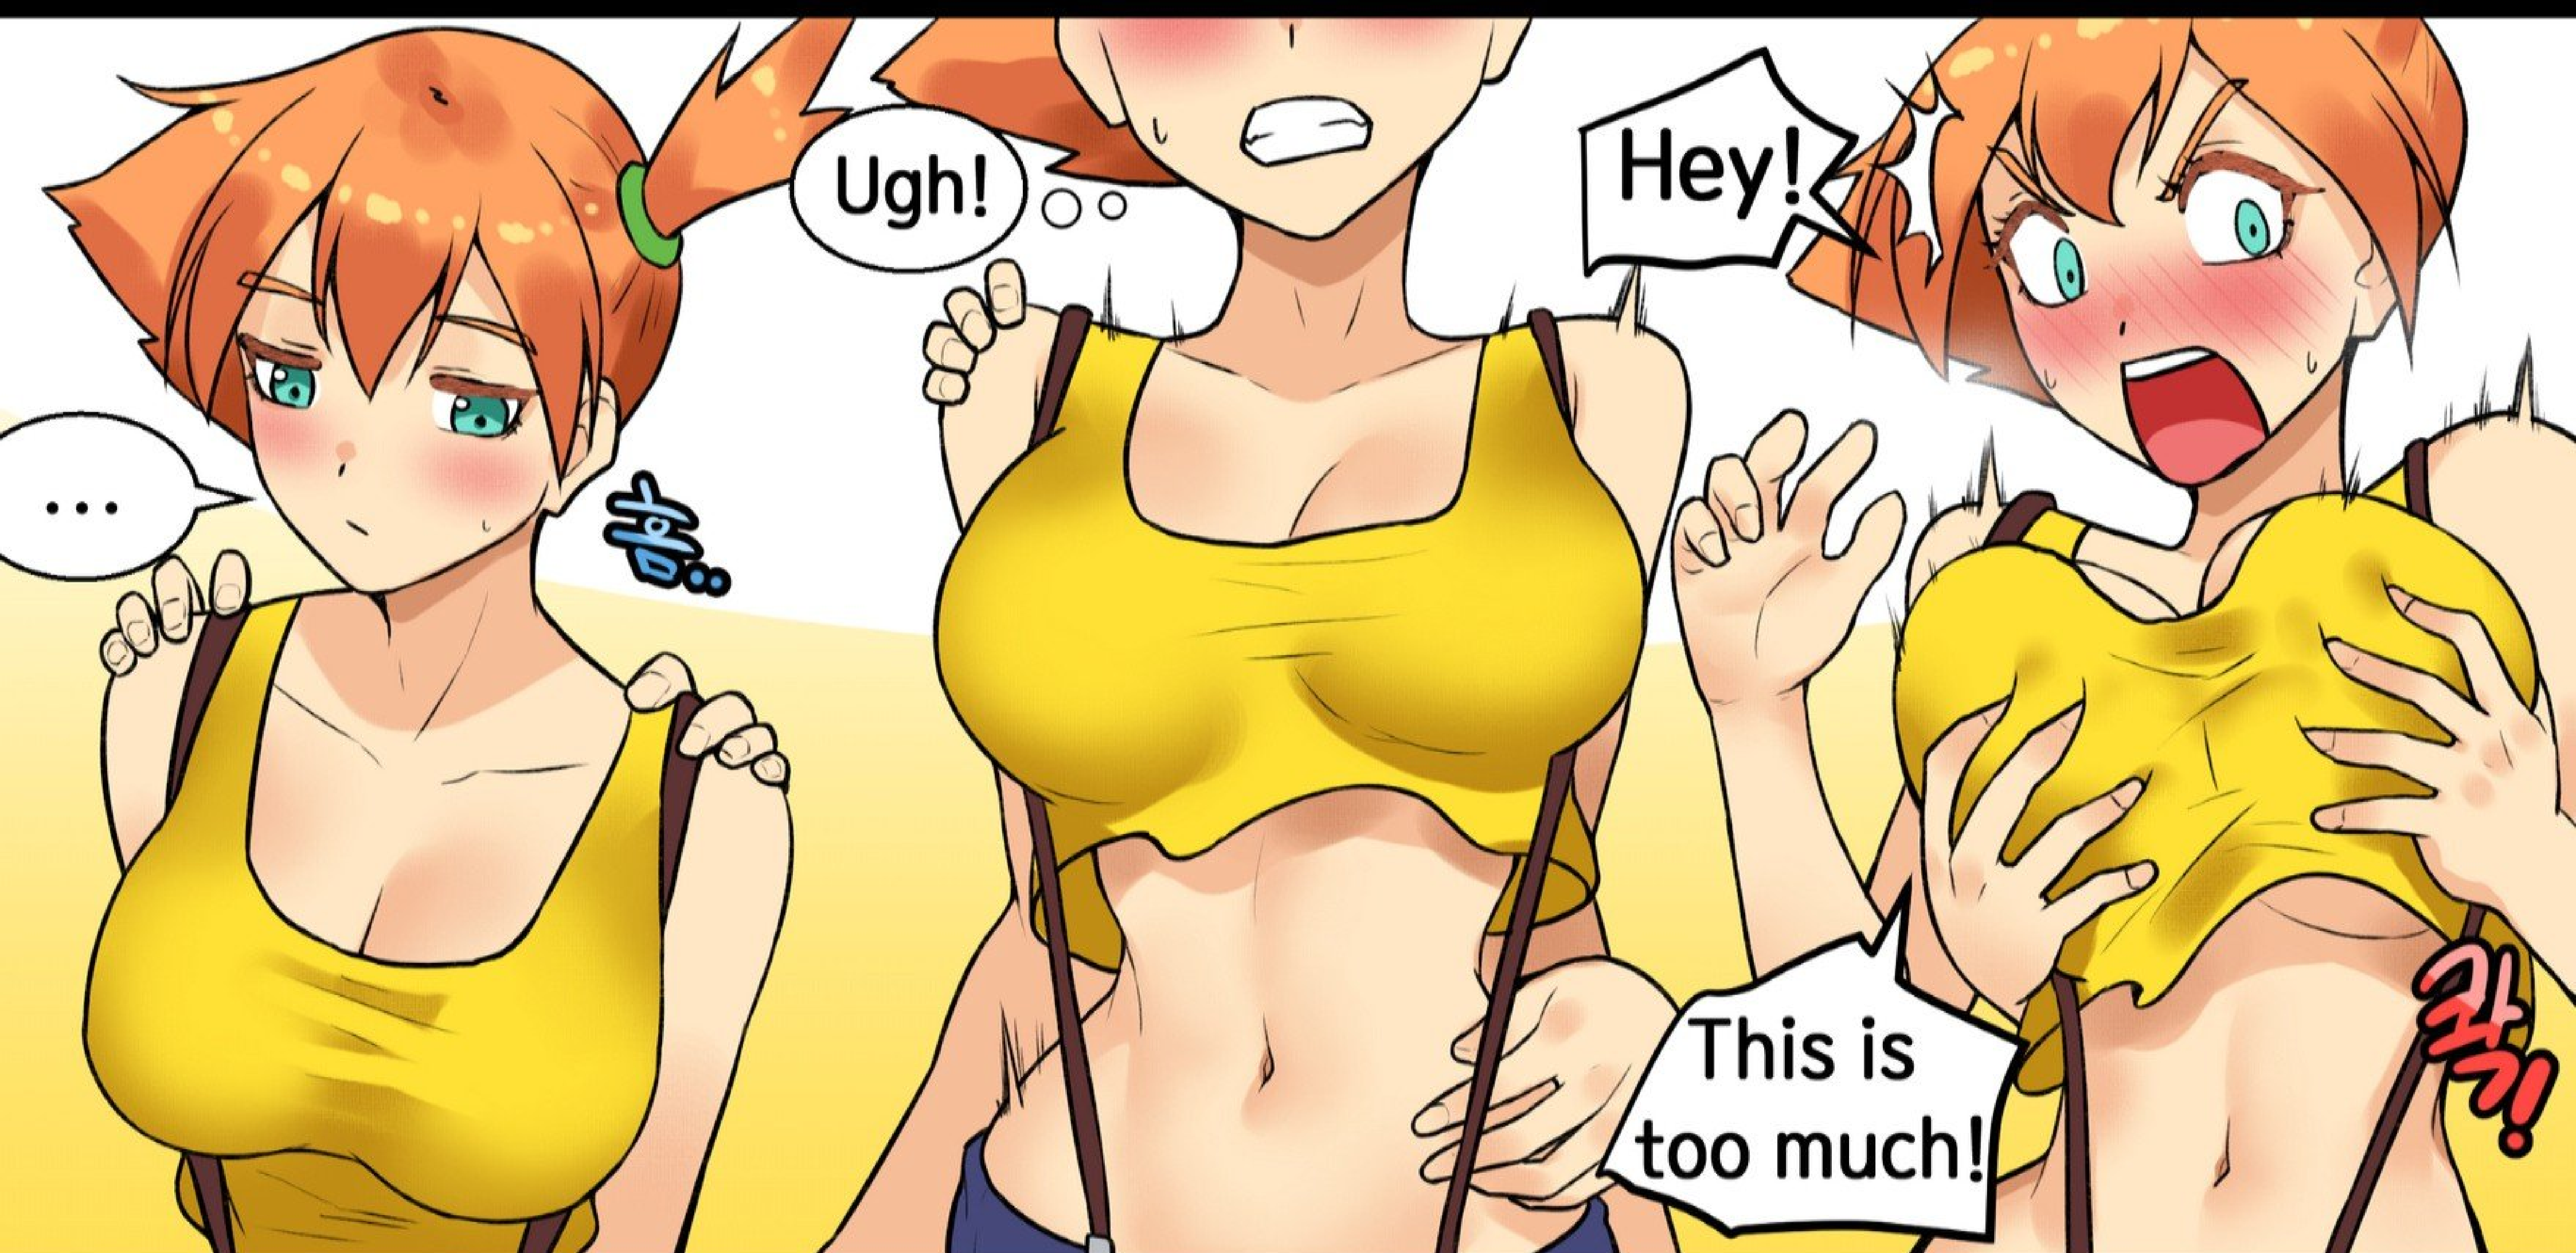

Satoshi's touch has changed actively.

Geez...

It's bothering me...

Ugh!

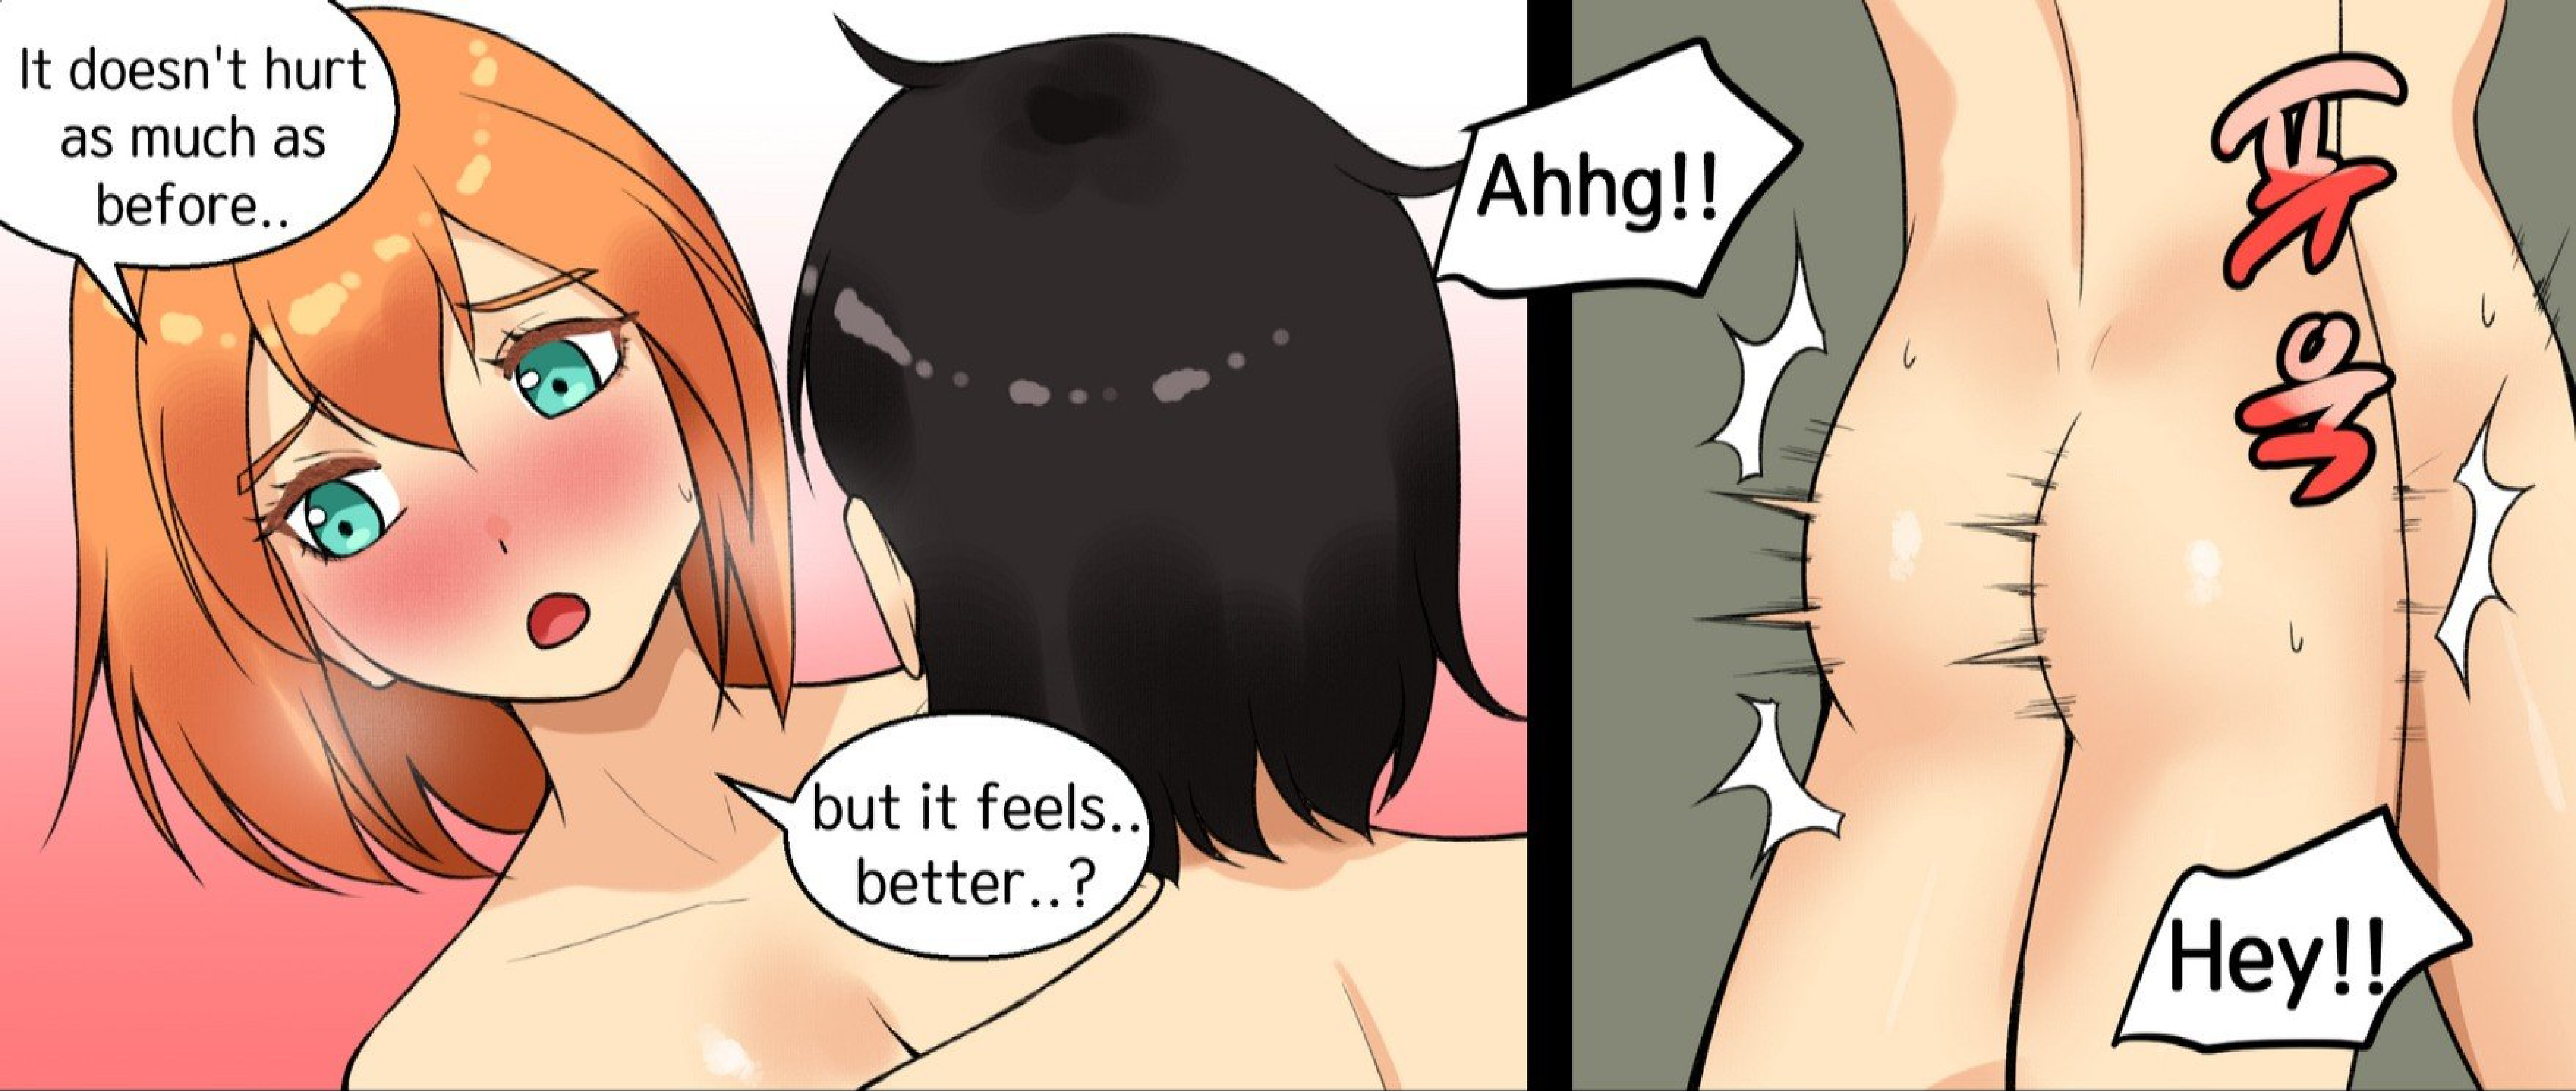

Hey!

This is too much!

So,

One day,

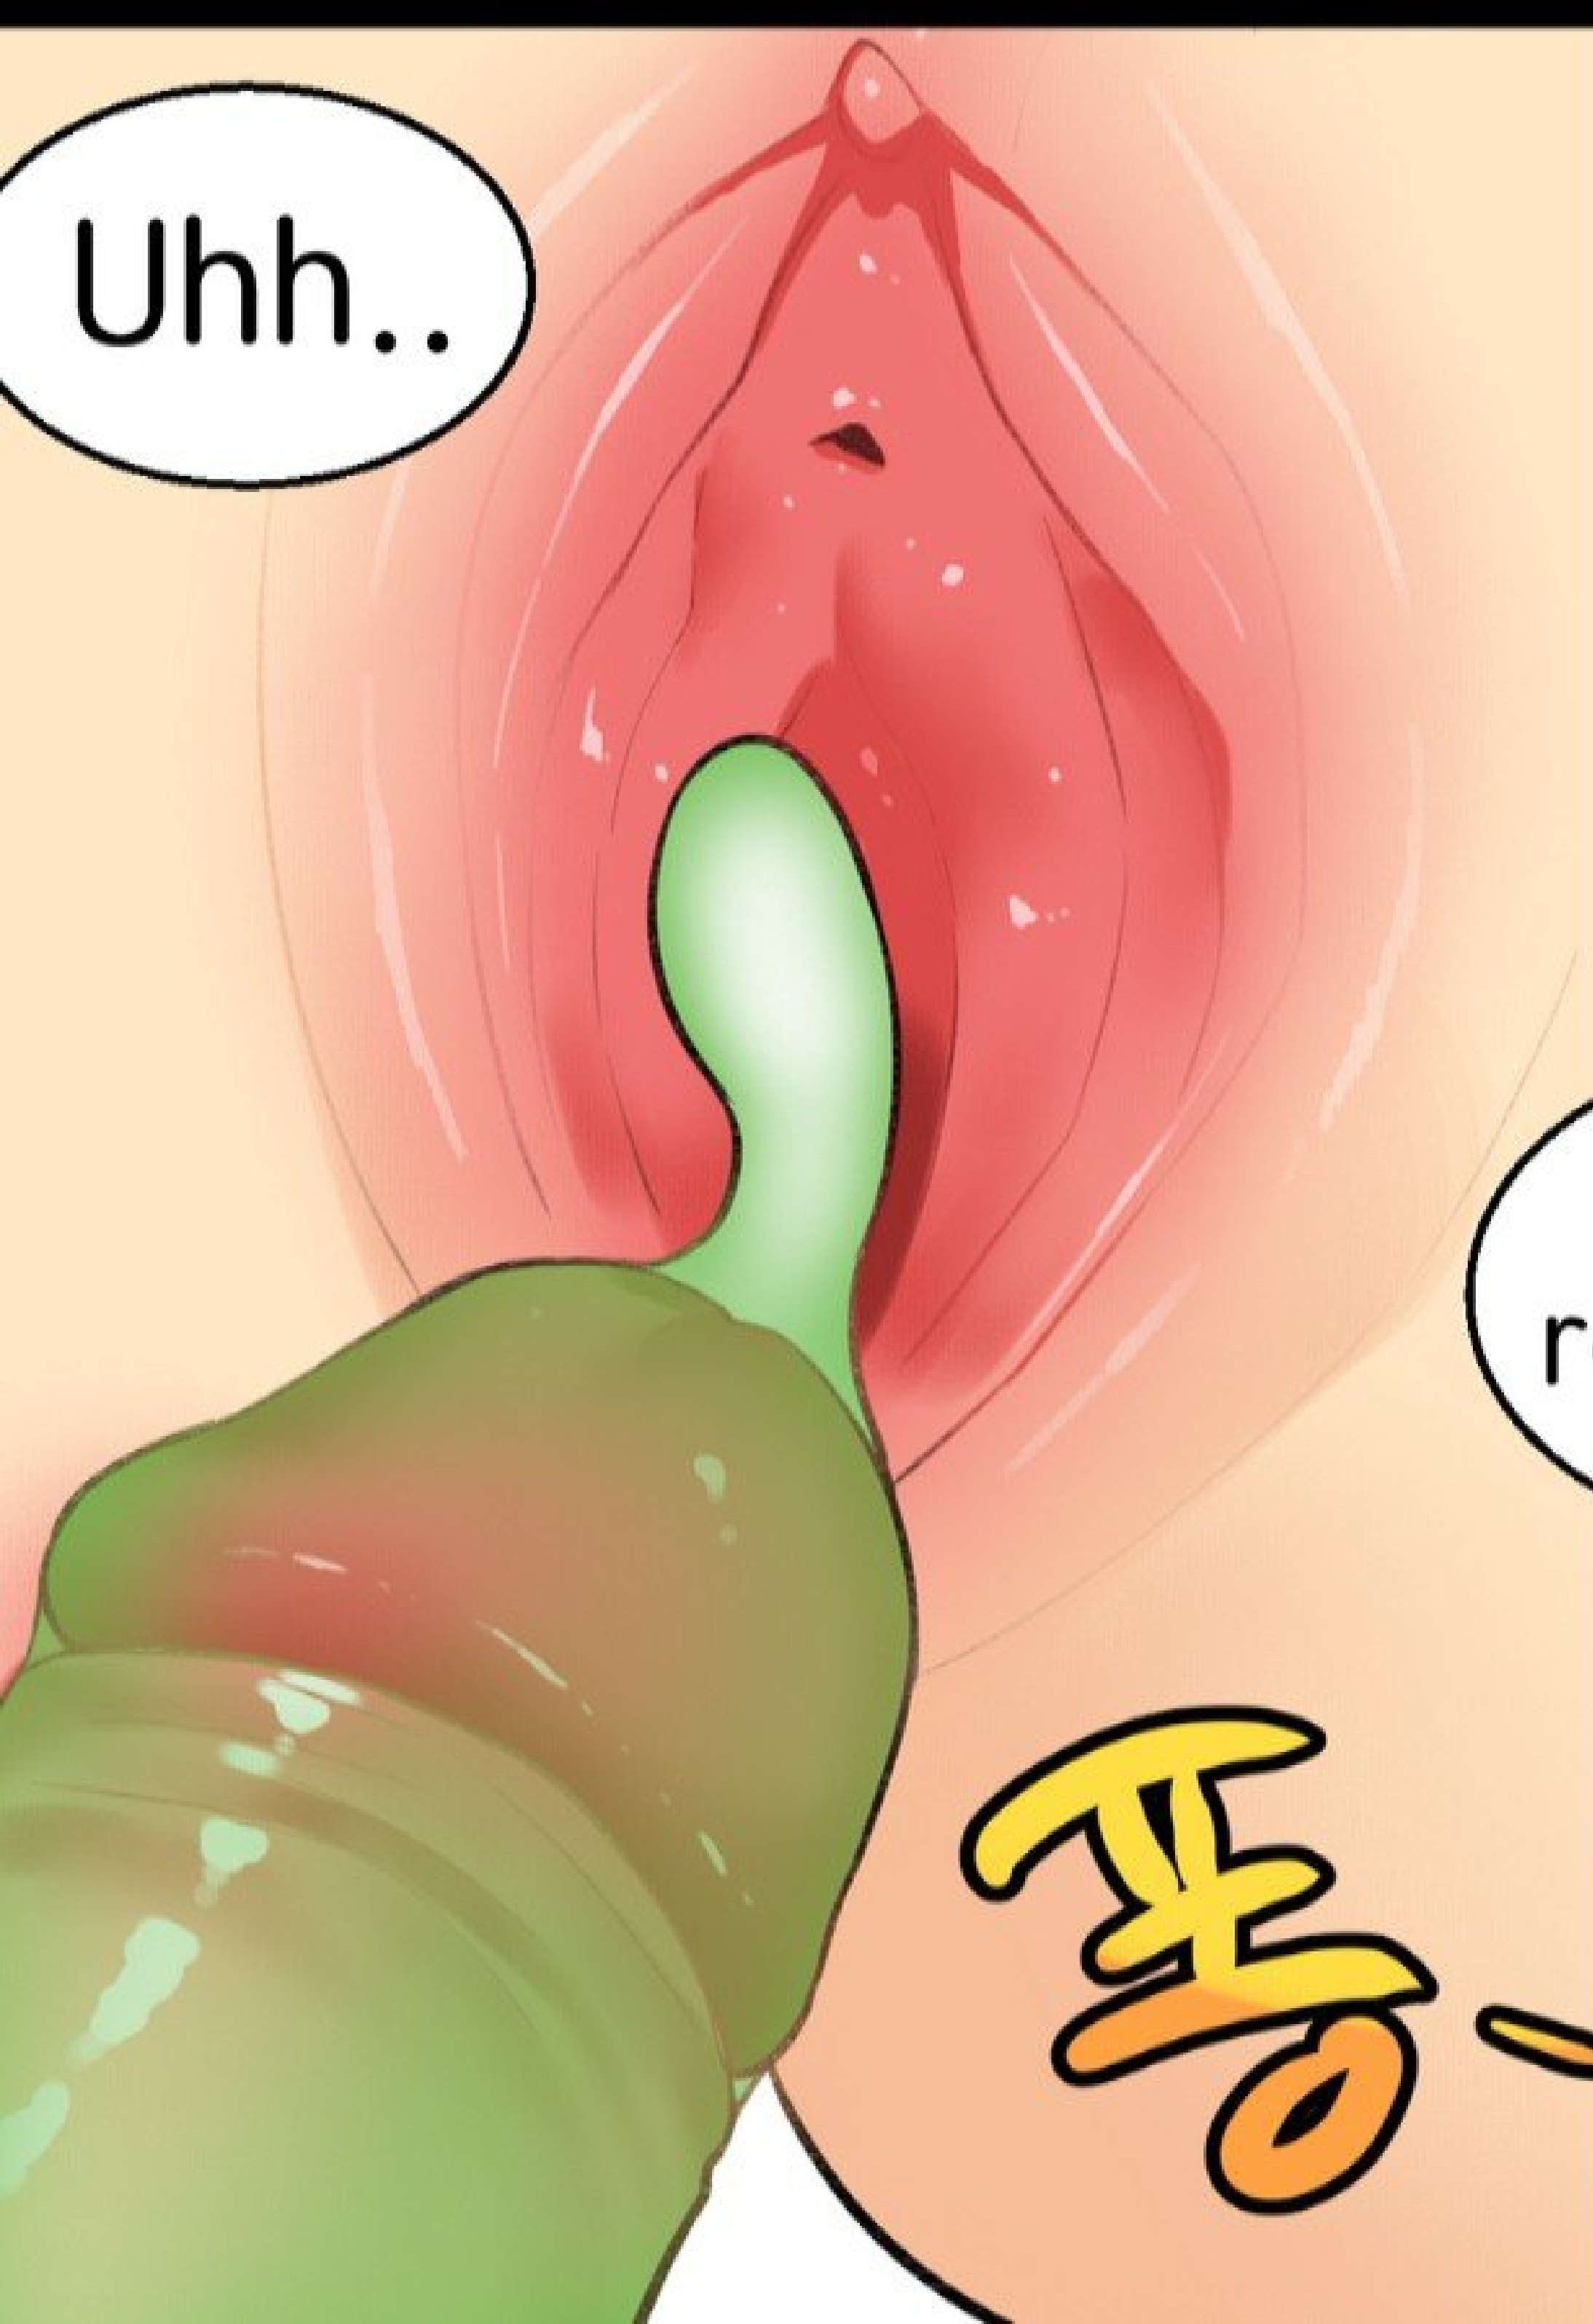

Hauhhng!!
Uhhh...!!

Ahhn...!
Hughh!

アッ!

Mnnmnn...!
Uhnmm...!

Ugh!!

Uhh..

アッ!

It was
really good.

I don't
like it.

As expected,
it's good to do it
without a condom,
right?

Stop talking
nonsense!!

The next day,
Satoshi hung on
to Kasumi.

Hey!

Not here,
but...!!

Whaa?!
