I need an
adult..?

I AM
an
adult!

I'll spare you the cliché about earning 'extra credit.'
So we can get straight to the action.
But first...

S-so big...♡

Wait for it...

Mind... going blank...

Everything

I wanted...

...prettiest
of all...

You see, young
witch, there is
no need for
those books!

Bwomp! =

Fwoosh!

Lets try these
new puppies
out, shall we?

W-well, I-

To be honest, your compliance
isnt really a factor. Here we go!

Ahhh, you've either done this before
or wanted to for so long that your
desire taught you what to do!
What a good girl, keep licking!

Let's get that skirt off. Good.
Now, bend over~
Mmm. Looking good!

How many times
have I heard that?
Let's get those
panties off.

W-wait!
Not there!
I-it won't fit!

(S-So much tighter than I expected!) ♥

It feels so amazing! Her fat ass
pillowing around my cock as
her tiny hole sucks on it from
all over!

H-her saliva?
Shes making me suck her
saliva covered fingers...
but theyre... sweet?
I... want more....

(I had a tootsie roll pop earlier.
heh heh heh....)

It felt so impossible at first... but with every thrust of her huge cock...

..It feels
better and
better!

Full!

Ungg.., my tummy feels warm.. and sooo full...

Just hold still, I'm almost done cumming!!
