1989, COLUMBUS AVENUE.
72ND STREET. LATE AFTERNOON...

What's it like *modeling*, Emjay? Tell me all about it!

Where do you get your pictures? How do I break in? Who do I have to see?

Whoa, Kristy! Slow down and *breathe* a little, will ya?

Sorry, cuz... Guess I got *carried away*, didn't I?

I'm just so *thrilled* you're letting me stay with you and Peter.

Our pleasure... As long as you're really *serious* about becoming a model, we're glad to help.

Yeah, *definitely*! You're like my favorite *grown-up person*! Nothing like *all them stay-at-home moms* back in Indiana.

Well, thanks! But you're an *adult* now, too. And you'll only make a career out of it if you put *hard work* into it.

Fashion is no *part-time nanny job*, like those you're used to.

I know! I just dream of having your kinda *confidence*!

I mean, I'd be *flushing* if I were the one doing groceries in that *revealing gym suit*!

How come Peter doesn't make some *big fuss* about it?

Hah, that'll be the day! Peter knew *exactly* what he was getting into when he married a *cover girl*.

Besides, he kinda likes knowing other men can *only itch for me*, while it was the *big nerd* who got this *hot chick* in his bed.

Heheh! You're so funny, cuz.

Do you mind if I try and see how *I look* in that outfit when we get home?

Maybe tomorrow... I have *other plans* for it tonight.

Oh... you're doing some *workouts*?

Uhm, yeah... something like that!

JUST WEST OF CENTRAL PARK.
BEDFORD TOWERS. MUCH LATER...

Oh, babe! When I saw you dressed like *this* when I left for work in the morning, I didn't think I'd last through the *day*!

I'm serious! This look climbed super fast through the charts and has become my *fourth favorite love-making outfit*.

I'm more curious to know if you'll last the *whole night*!

Is that so? You actually have an *erotic tier list* for what I wear in bed?

Are you bored with my *birthday suit*?

Not at all! *Fully naked redhead* stands in a *solid fifth place* in my ranking.

Alright, *color me intrigued*. What are the others?

Oh...

my...

...gosh!

That naughty **Spidey costume** from a few months ago takes the third place.

That was all kinds of **woo-wee!**

Hey! Keep it down, will ya? You'll wake up Kristy!

But yeah... the **Spider-Belle** suit I got from that sex-shop in Soho. It's a shame we damaged it so badly in just one night.

Next! What's the second in the list?

Wow! Cousin Peter's much **stronger** than I realized.

It's, erm... **Victoria's Secret catalog**. Winter '87, page 53.

Oh! You found it, huh?

Wait! Is it the one you have hidden under the bathroom sink?

Yeah, I've been meaning to ask you about it.

Cousin Emjay is so damn lucky!

I'd give it all to have a husband who loved me so much he'd use a **picture of me** to jerk off to.

Ok, ok... I may have **relieved myself** a few too many times to the picture of you in that **stupidly sexy lingerie**.

I hope you're not **mad** about it, are you?

No, it's just... You're talking about the **sheer, black onesie**? The one with the **long sleeves**?

That's the one! I don't usually need more than a minute with that in sight for a quick, y'know...

But Peter, That picture isn't... **oh fuck, Right there! I'm gonna--**

Ohmigosh! He's really doin' it, He's gonna cum inside her!

I mean, only when you're not around for the **real thing**, of course.

Oh, babe! Just thinking of it... It's gonna make me...

I'd let him fill my pussy like that everyday, if he'd ask me!

Carry a bunch of his babies and all!

Eep! Snap out of it, Kristy. That's more than enough for a good **mental picture**.

Gotta leave before they finish up and notice this **lame girl** at their door watching them fu--

Heh, so...
Didn't mean
to startle you or
anything, but...

It sounded
like you were
having fun
and I just...
y'know?

Cousin Emjay
has been teaching me
everything about being a
supermodel, so maybe
you two could gimme some
pointers on a few **other**
subjects, too.

That's...
I think that
would be a bit
inappropriate,
Kristy.

"A bit"? That
would be **VERY**
inappropriate,
Peter!

Now stop being
silly and just cover
your **boobs**, young
lady! Before you
make my husband
poke a **second**
hole in my butt.

I'm not being silly, I'm very **serious**.

I am **NOT** a kid anymore! I've been **eighteen** for almost a year already!

Come on, Kristine! You're still just a--

But I'm still inexperienced with a lot of things and that's the **main reason** I'm staying with you guys here in New York.

This city is full of **crazy folks** and you could call me nuts, but...

...the **unsafest thing** for a gullible, small-town girl like me would be going out there and trying to hook up with some **stranger dangers** before I learned any better.

That's, uh... It does make some **unexpected sense**, when you lay it all out like that. But we can't just--

Wait, Peter. I might have **overreacted** a little. We do have a **responsibility** to her safety.

What the--? Come on, Red! You're not **seriously** considering that we...

Are you a still a **virgin**, Kristy?

Nah! Not since **last fall**, when me and my friend Molly saw these idiot jocks bullying our friend Anthony at the **Homecoming Dance**.

There was plenty of **bad vodka** involved, which probably clouded our judgment a little, but we figured he could use some **better memories** of that night.

To be honest, it made us feel like **super-heroines**, saving the day like that.

Yeah, I can relate to **that**, y'know?

I mean... **a-hem**? **The being bullied, part!**

But I still think the repercussions could be too **serious** if we decided to get so intimate with you like that.

Listen! Let's just be **logical** about this, okay?

I'm already covered with in your **sex juices**. Whatever those concerns might be, they make no sense. We're **beyond** that, anyways.

So, all I'm asking of you is... **please**, teach me about sex.

It would be fun **AND** educational.

Puh-leaaaaase?

Alright, you flirty rascal... I'm convinced. **Let's do this!**

MJ! Do you really think this is a good--?

Shush, Peter! Just relax and enjoy it, okay?

Wow! I can't believe it, cuz. I never thought you'd **share Peter** with me like this.

I mean, I **hoped** you would, but... Thank you!

It's okay. We do **care** about you, sweetie.

Also, I just discovered that I've been sharing him already with some **other redhead** for a while, so...

Wait, what?

That's **Stephanie Seymour!**

That's not me.

The **catalog**, Peter! That picture you love so much...

You must **really fucking LOVE** that lingerie to the point of not even noticing it isn't me who's wearing it.

Leave it! We'll talk about that later. Let's focus on Kristy now, okay?

It's funny, y'know? Are clothes really **so important** for sex, cuz?

I heard you talking about it **all night**.

I always thought people would simply try and **get each other naked** as fast as possible.

Nuhh... that can't... Can it!? Are you sure?

MJ, I...

Sure... Whatever you say!

Gawd! Stroke it like that while she wraps her lips around me...

Well, as we get older, sex isn't such a novelty anymore. So we start looking for ways to **spice things up**.

And if I know anything about **fashion**... Clothes are quite a big deal for anyone's **sexual expression**.

I guess that makes sense...

Is that why you're dressed like **Madonna** and Peter is pretending to be **Spider-Man** in that costume?

Yipes!

Hahah... Something like that. Let's just say we're all big **Spidey-fans** in this house.

S-some... bigger than others... Mnngh!

Oh! That explains why cousin Peter has that large collection of **spandex costumes** in his closet.

I thought they were **pajamas**, or something.

You've been **snooping** around this house a whole lot, haven't you, young lady?

Uhm, meeh-ybe...

Well, that needs to **stop!** We need to know we can really **trust** you.

You have to promise us you'll start respecting our **boundaries** from now on.

But I'm so **curious** and **excited** about everything here... I'm not sure if I could just--

You either promise us or we'll send you to your room, **right now.**

Ok, ok... Geez!

I'll behave, **I promise!** It's not like you two have any **big secrets** to hide, but alright...

Exactly! **No secrets whatsoever!** We're the most **uninteresting New Yorkers** you'll ever meet.

Well... Except MJ's face being on every **billboard** and **newsstand** around town, of course.

Uh, she already got the point, **Tiger.** Let's move on, shall we?

Hey, psst! You're being surprisingly easy-going about this.

We got lucky! Imagine if she caught us doing it **against the ceiling** like last week?

And how the hell did she evade your **spider-sense?**

Beats me! Maybe it became useless against Watson girls?

I'd say it's more likely that redheads are simply your true **weakness.**

Oh, gosh! Mmmmm...! That's what I'm talking about!

Where else I'd be learning anything like that kinda **two-fold** pussy licking?

But hey, what are you **whispering** about over there?

That's, uhm...

Nothing! We're just **testing** you. Didn't you just promise to keep your **curiosity** in check?

Yeah, right! sorry....!

It's a pity you can't stop being *nosey*.

Seems we'll have to cut this short and go on *without you*.

No-no-no, wai-wai-wait! Don't stop! Please?

No more *snoopin'*! I swear!

Cross my heart and hope to die!

Ohmygosh! Thankyouthank youthankyou Thankyou...!

Uhm... okay! One *last* chance, got it?

Whatever you want, Red. Just name it.

I'd take you to Paris *again* for this, even if we just came back from there for our *honeymoon*.

Don't worry, I'll think of a *real good* something!

Alright, Tiger! Consider this an advance *Christmas present*.

You're gonna owe me *big time* for this one!

Alright, miss! Are you sure you're *ready*?

There's no turning back after here!

Sure am! And don't you worry about *pullin' out* when you're close, okay?

I'm on the *pill* and I want to feel *everything!* Make a *real mess* in there, will ya?

Hey! I felt that *twitch* down there, Mr. Parker!

Eager as *fire bunny* here is, we're not taking any extra risks tonight!

Oh gosh, cousin Emjay! My legs are all **shaky** and **trembling**!

My toes and fingertips just went **numb**. Everything is so **tingly**! I think I'm gonna--

NNNGH! WAAHHHHH!

Damn! She's getting even **tighter** around me!

Oh, sweetie! Seems you're having your first **real orgasm**, aren't you?

Mnnhgh!

Uhhmm!

Afff!

Oh, gawd! She's gonna make me--

HEY! No funny business, Tiger! **PULL IT OUT, RIGHT NOW!**

Uhhmmm... Do it... Inside... It's okay!

MNNNGH! UHHH!

Aww, maan... You pulled out! Right when it just started gettin' **real good**!

Never felt anything like it before!

Not even *that* night, with Molly and Anthony!

Be careful with that **flattering**. You might end up making my husband think he's got some kind of **super-powers**.

Heh! Maybe he does!

I knew sex was supposed to feel **nice** and all...

But to be honest, it wasn't anything **especially impressive** until right now.

Even playing with myself down there felt more like a **naughty massage** or something.

I had no clue it could be **ALL THAT!**

It's way more common than you think. There's a lot of women out there, **much older** even, who never got to feel **sexual climax** in their lives.

I'm glad that's not **your case**, anymore!

I guess she did need a **good sex schooling**, after all.

Yeah, yeah. But you don't need to look so **joyful** about it, mister.

And you better wipe that smirk off your face, 'cause tomorrow it'll be only me and Kristy after I take her to that **sex-shop** in Soho.

This girl's gotta learn to be responsible for **her own orgasms** before she gets any more **boy action** going on.

Aww... Can't we let him **watch us**, at least?

≥sigh≤ You're not really helping, you little brat!

...THE END.

My first
sex toy!!!

But I still prefer
the real thing.

My cuz is way
hotter than that...

Cousin Peter's #1
love-making outfit!
(or so he says...)
