DING!
DONG!

they have
arrived...

Philip
now has a
new home...

CLACK!!

... and I will do
everything to help my
husband take care
of him, after all...

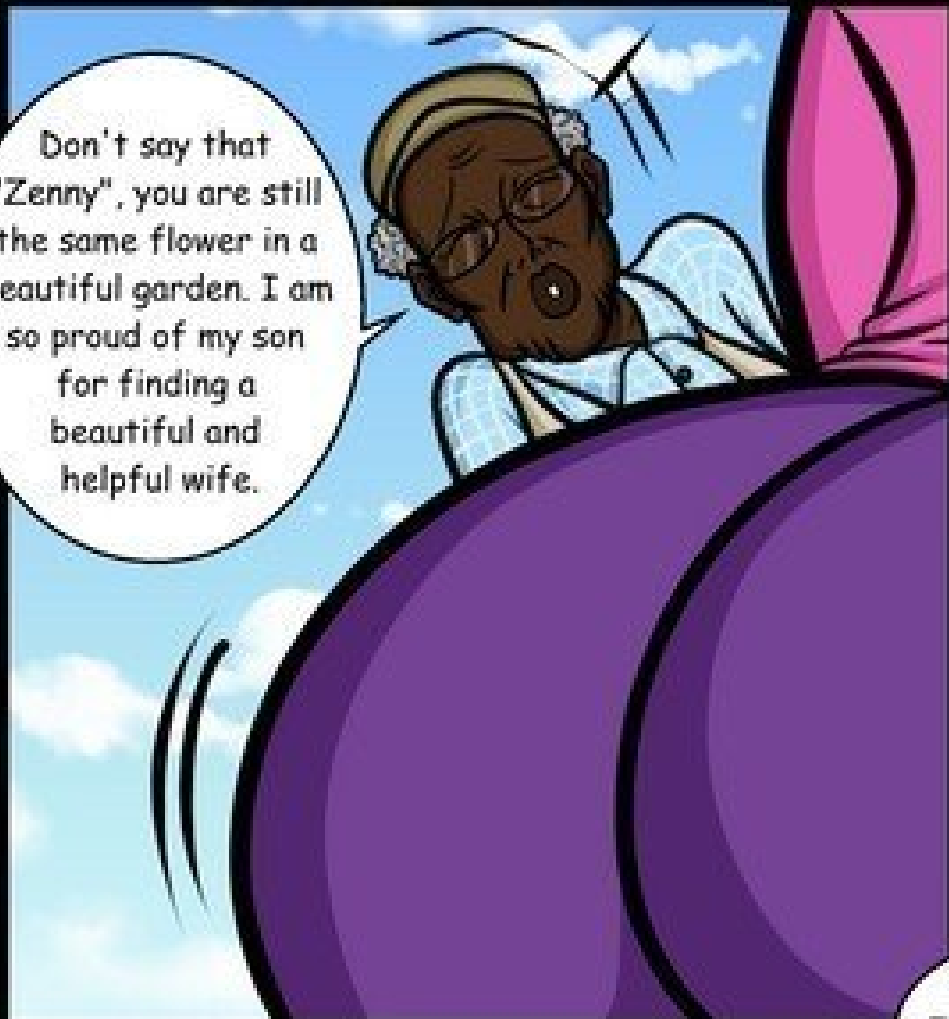

... he is my
husband's
father.

Hello Philip,
Welcome!
Here you will be
very well taken care
of. I promise to do
my best so that
you can always
feel good.

Oh! Zenay!
How nice to see
that you are still
so beautiful.

Oh, stop it, Phill. I'm past
that age of receiving
compliments. I'm old
now! Ha! Ha!

Don't say that "Zenny", you are still the same flower in a beautiful garden. I am so proud of my son for finding a beautiful and helpful wife.

Ha! Ha! And you are still a cutie!

That's obvious daddy, I learned from you how to treat a woman.

Grandpa!!

Oh, if it isn't Grandpa's big boy! You've grown up a lot, Parry!

My name is Zenay Banks, and I am a dedicated married housewife and mother of a little boy. The man next to me is my husband, Pete, and the dying old man is my father-in-law, Philip.

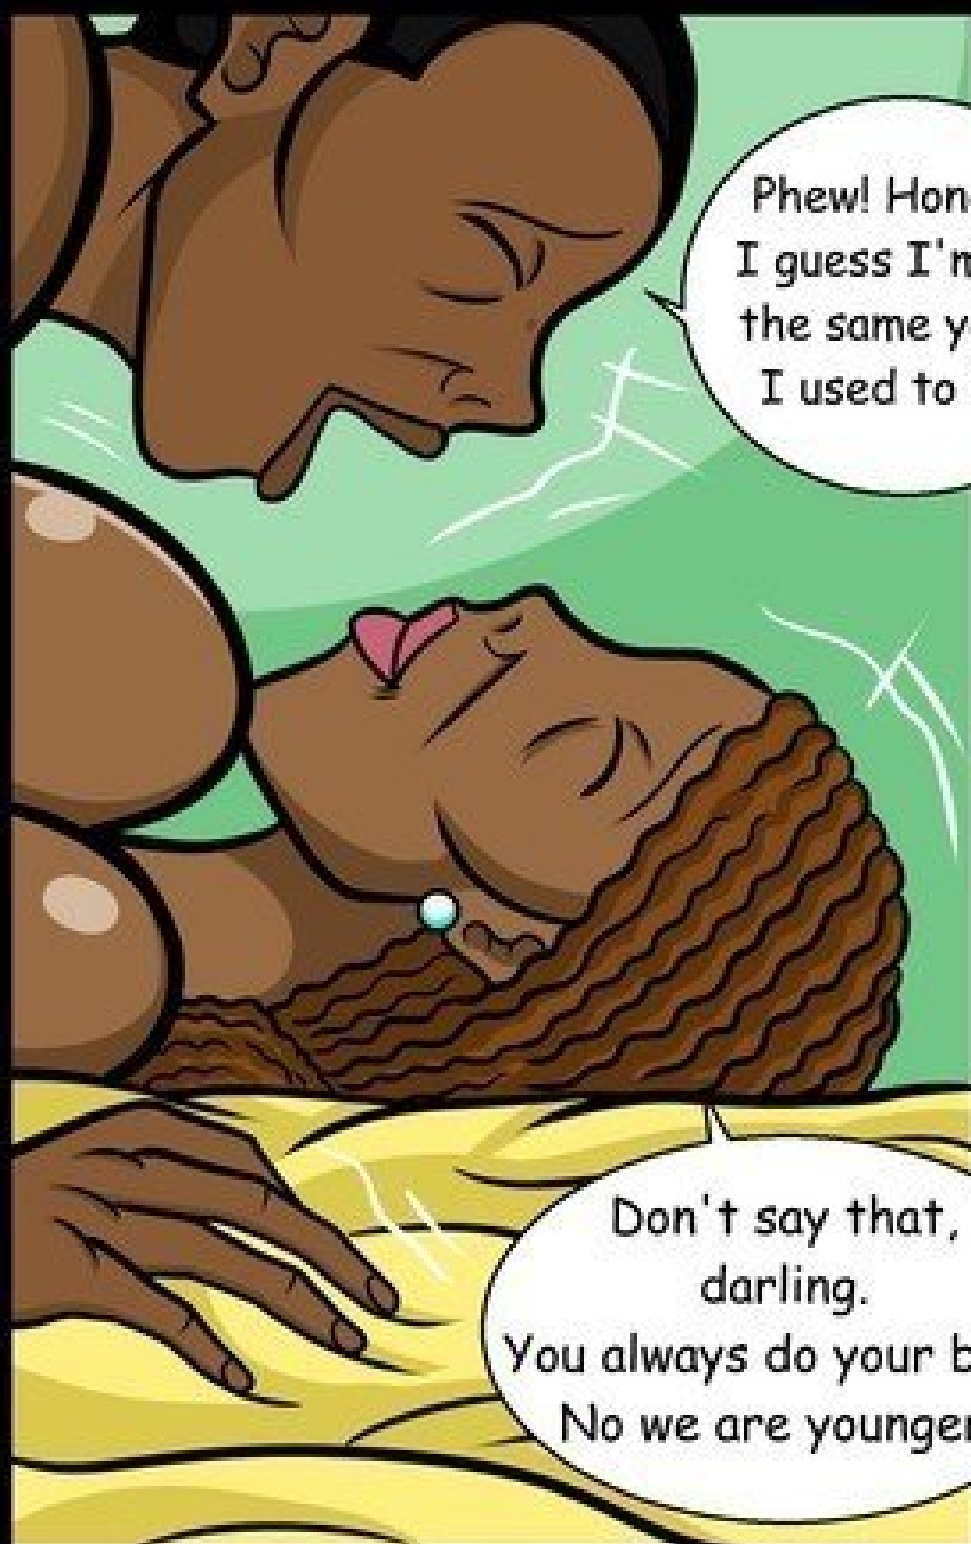

Night came and with it the tiredness of each day. After the meal, we retired to our rooms.

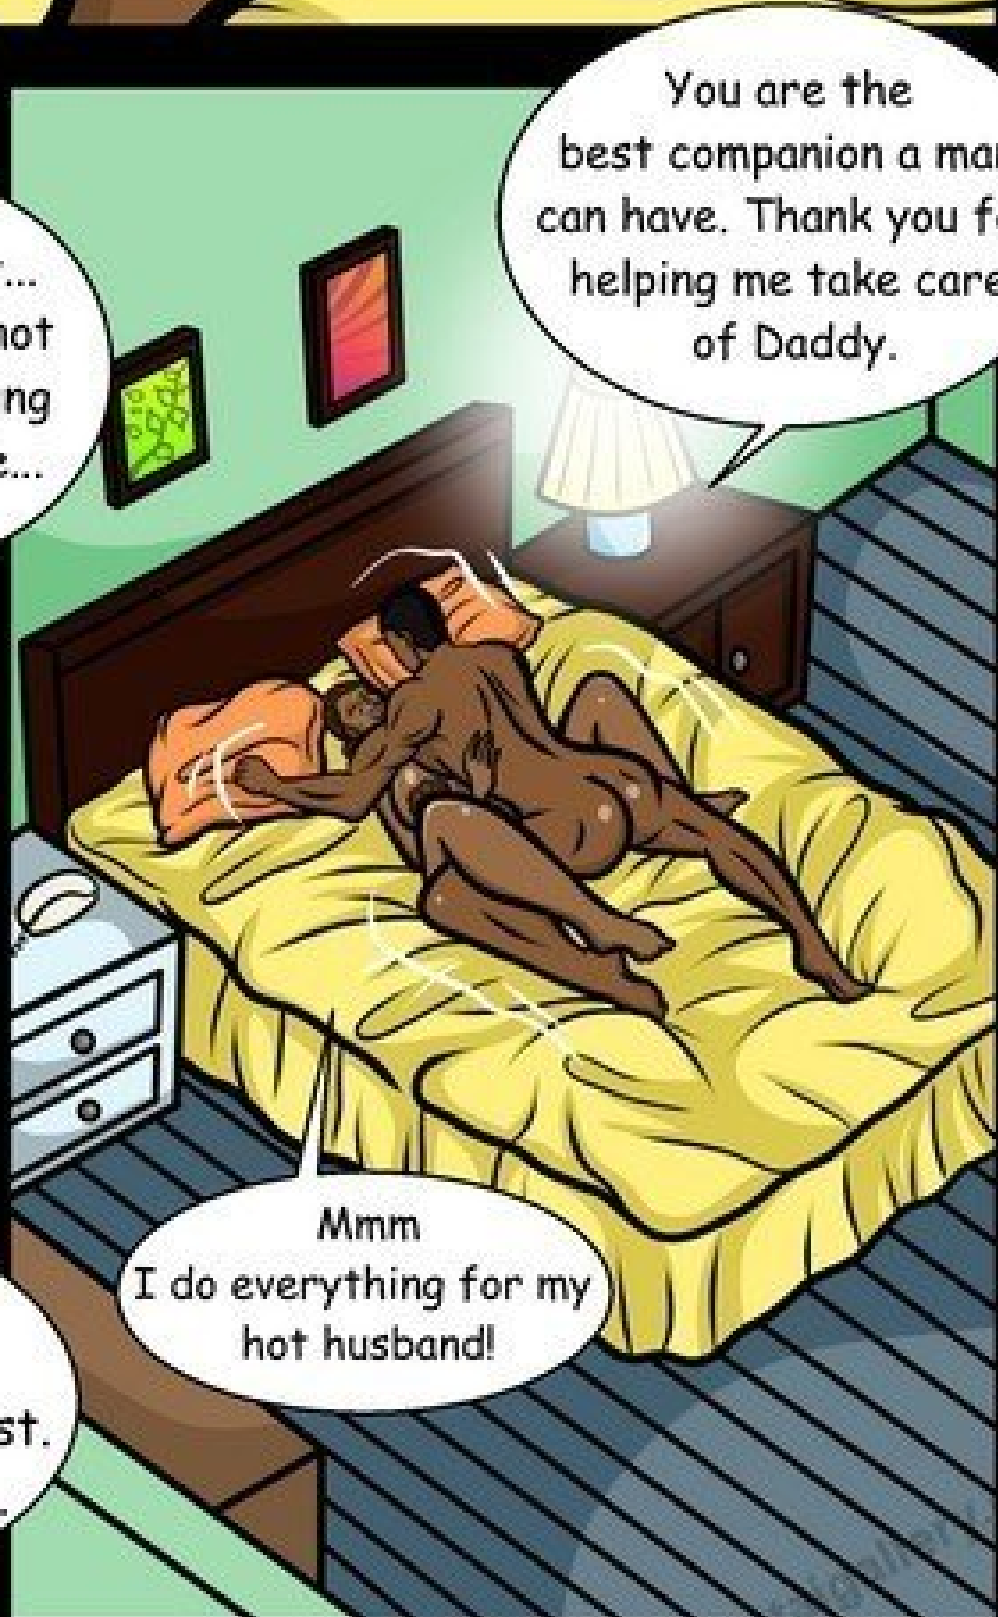

SPLORRT!!
SPLORRT!!

Ohhhh!!
I'm cumming!

Phew! Honey...
I guess I'm not
the same young
I used to be...

Don't say that,
darling.
You always do your best.
No we are younger...

You are the
best companion a man
can have. Thank you for
helping me take care
of Daddy.

Mmm
I do everything for my
hot husband!

The day dawned and we were all up and about early in the morning. I prepared a great, hearty breakfast in honor of Philip's stay in our home.

It couldn't be better.

And then Dad, did you sleep well?

Here's your breakfast Phill.

Thanks Zenny, you are a sweet.

Have a good day
at work, honey.

Well, I'm off
to work now.

Daddy,
remember
what the
doctor said.
No stressing
yourself,
right?

I appreciate
the concern son,
but I am feeling
great.

Zenny
will take care
of you. See
you later.

At noon, before I prepared lunch, I took the medicines to Philip. I went to his room taking the medicines that he had to take.

Hours later...

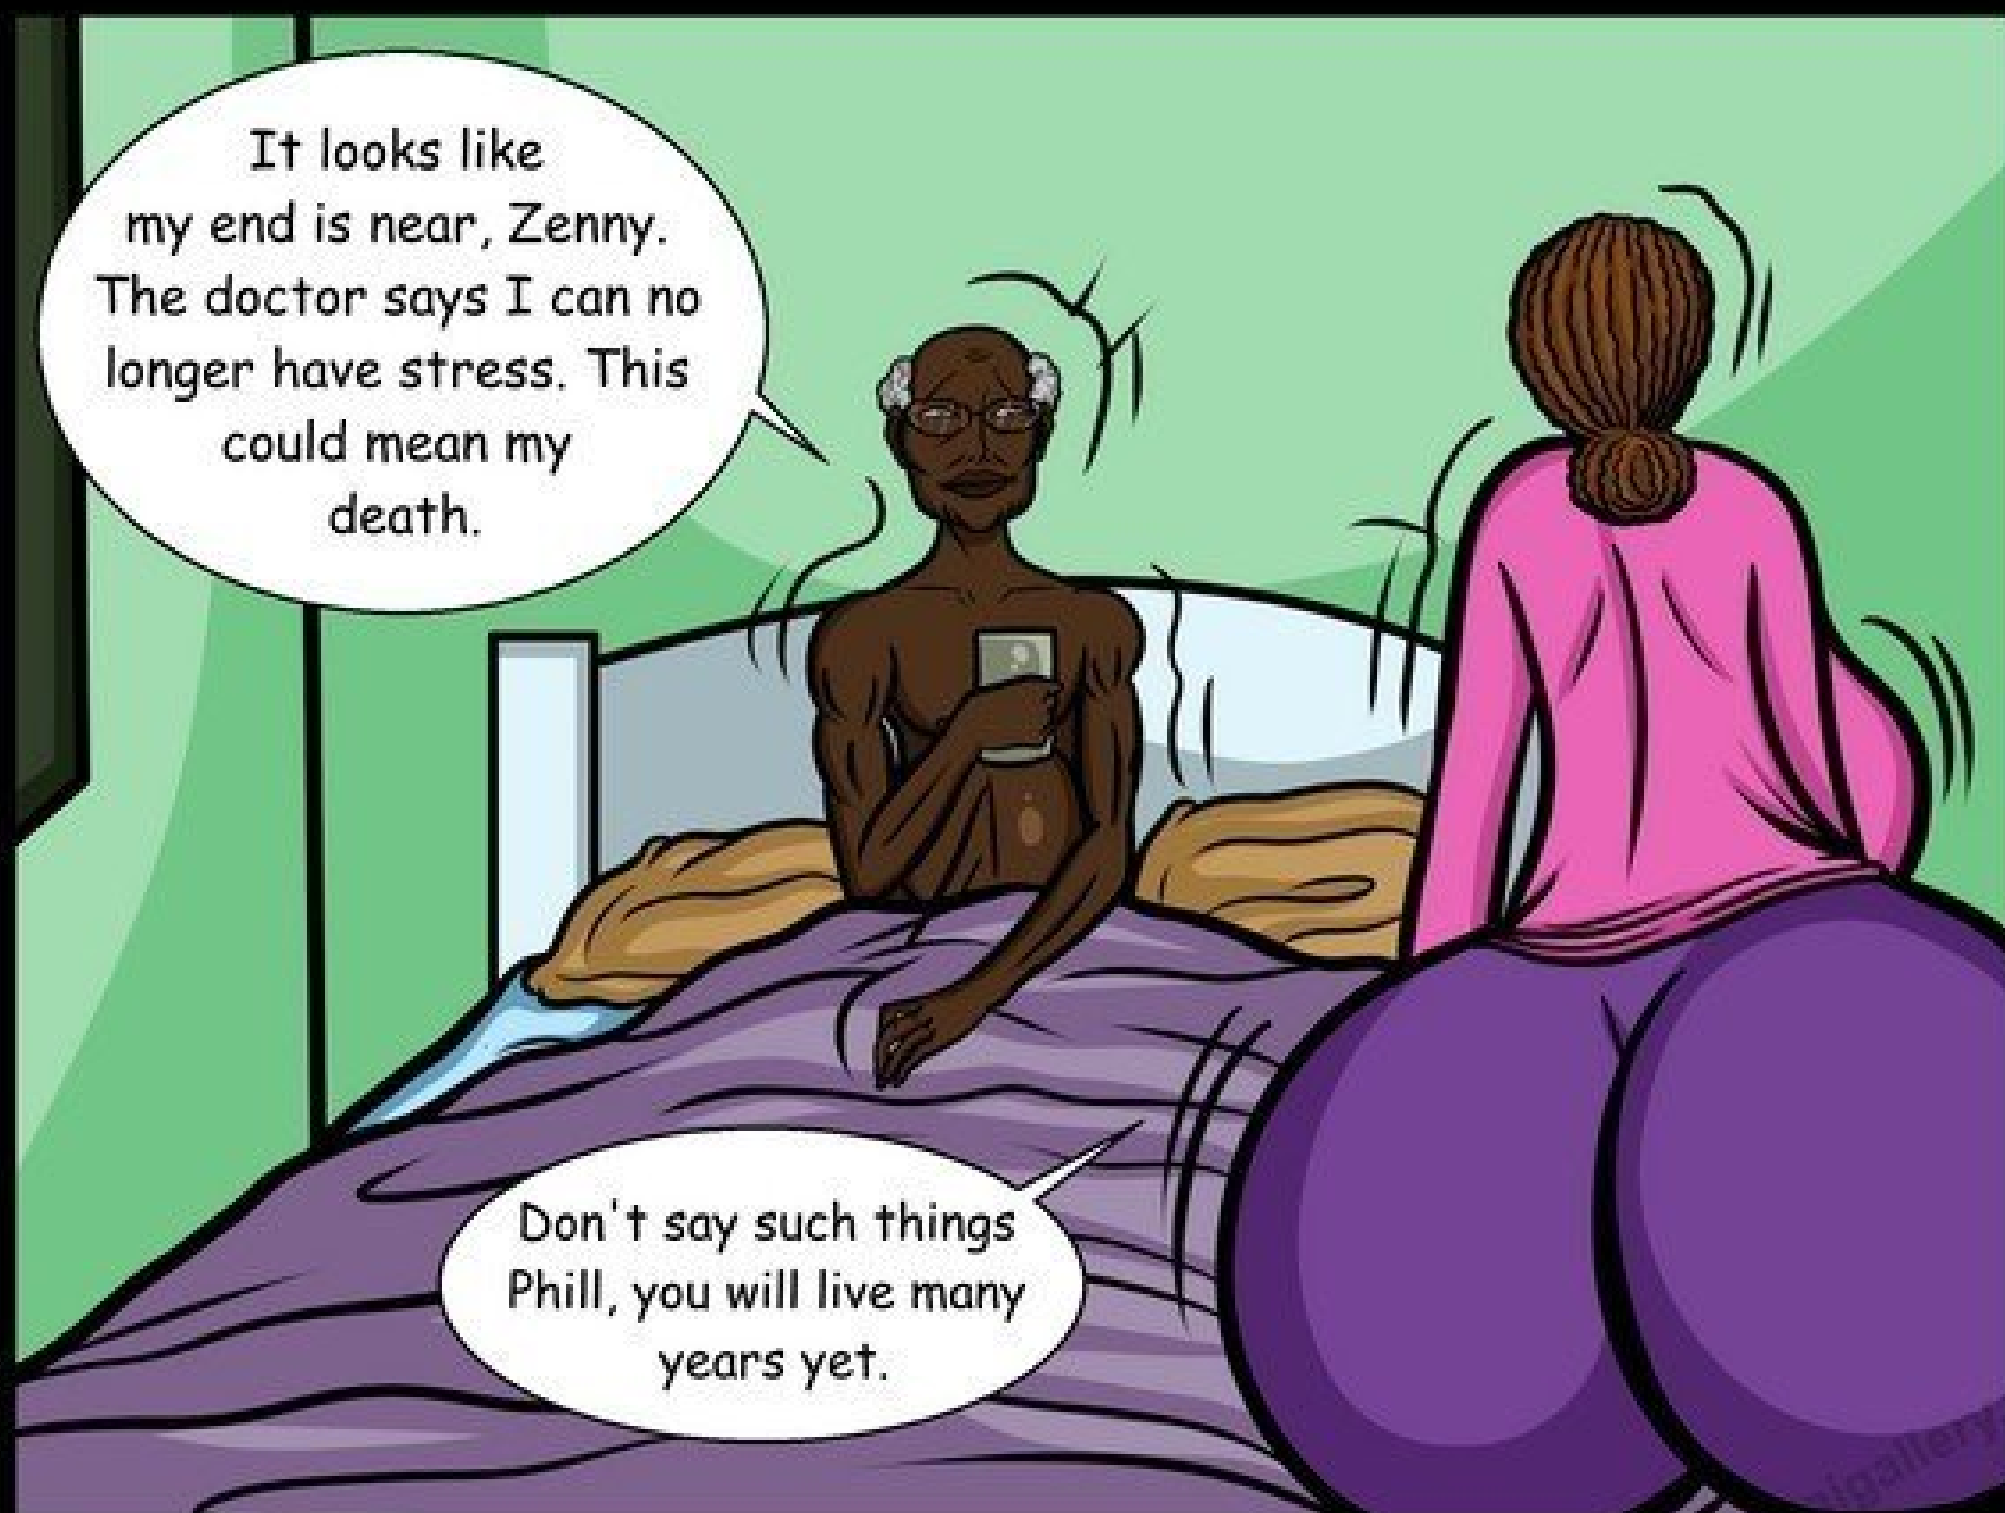

Time to give Phill his medication. I hope he is awake.

Phill?
Are you awake?
I brought the
medicine.

Zenay?
I am awake. You may
come in, and thank you
for your kindness.

While taking his medication, Philip told me of his concerns about his failing health. I listened attentively and tried to cheer him up in some way.

I never imagined in my whole life that Philip would embarrass me like that. I felt sorry for him at first... but then, I became frightened by the size of his cock.

It took me a few minutes to recover from the shock I had just had. I never saw him with malice, nor did I think he saw me that way. Amidst the whirlwind of sensations, I heard Philip's scream coming from the bedroom.

For a second, I thought Philip might be dead. I would never forgive myself for that, but to my relief he opened his eyes. I really started to feel a little guilty that this had happened.

Evening came, Pete and Parry returned home. As I prepared dinner, I couldn't stop thinking about the situation I had experienced earlier in the day. During the meal, Phill apparently felt some discomfort.

Pete took Phill into the bedroom. I felt so guilty about that situation...
I couldn't sleep seeing all my husband's worry.

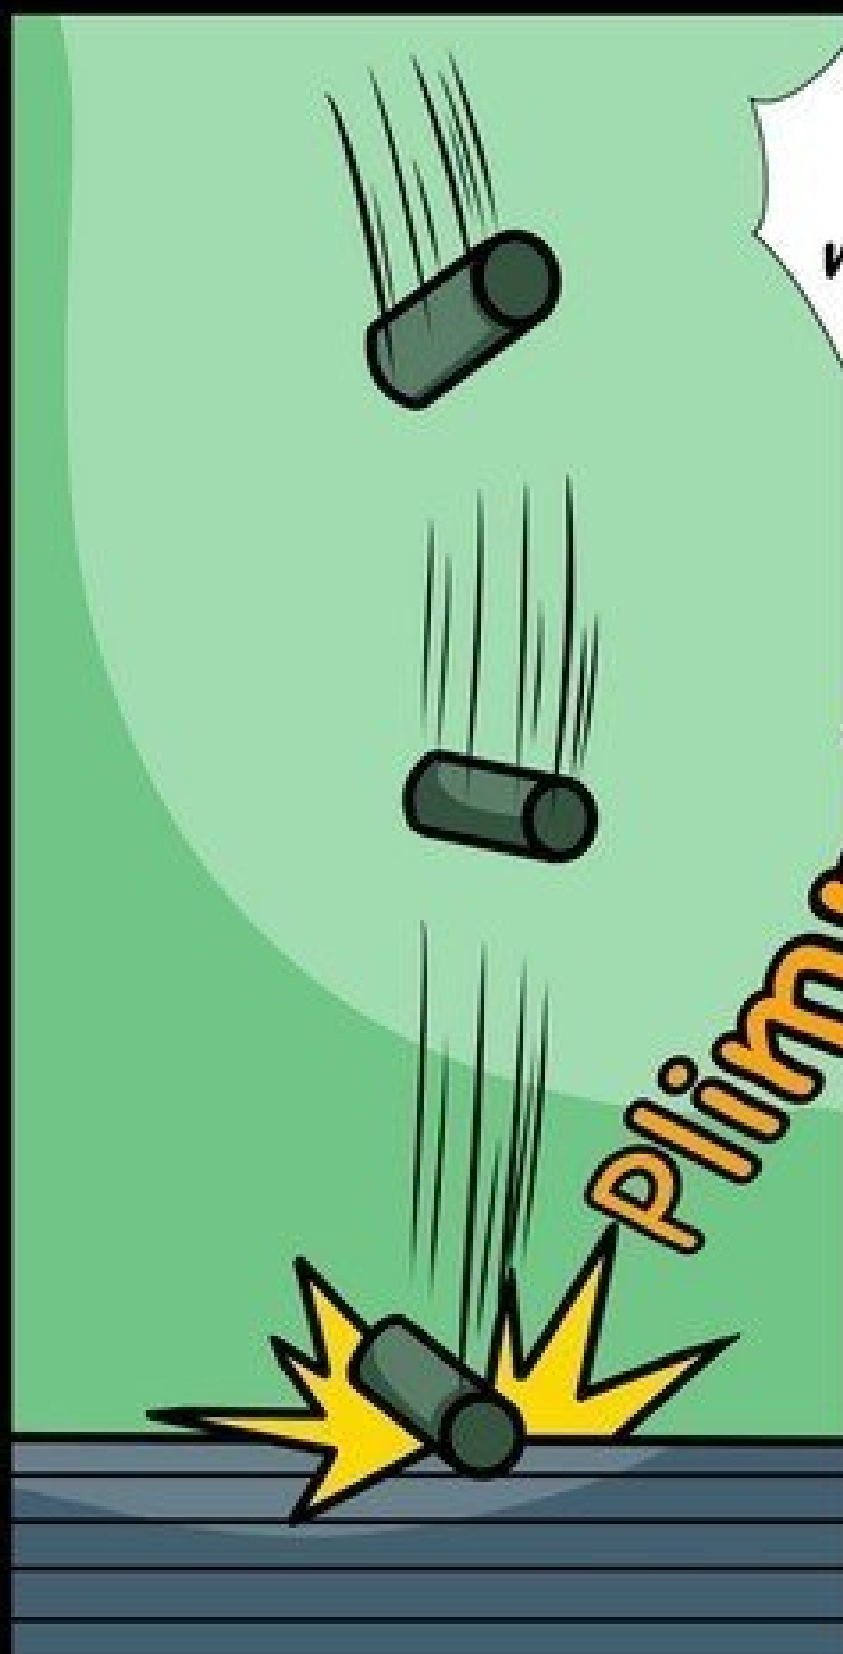

I needed to digest everything that had happened during the day. I decided to go to the kitchen for some water when suddenly I was surprised again by Phill.

I had always heard the wise ones in my family say that we should always heed the wishes of the elders..., but this situation was making me completely confused.

Darling,
where are
you?

I'm already
Coming, honey!

Plimpi!

Next day...

As soon as Pete left for work, it didn't take long for Philip to insist on his desire for my body. I confess that I felt sorry for him... and that somehow I felt very guilty about the situation.

I couldn't let my old father-in-law go through all that suffering. It was my duty to help him.

As I prepared my mind for that situation, Phill looked really excited. His expression had totally changed, he no longer looked like a sick old man.

Err... ho... how do we start this?

Get on the table and spread your legs wide.

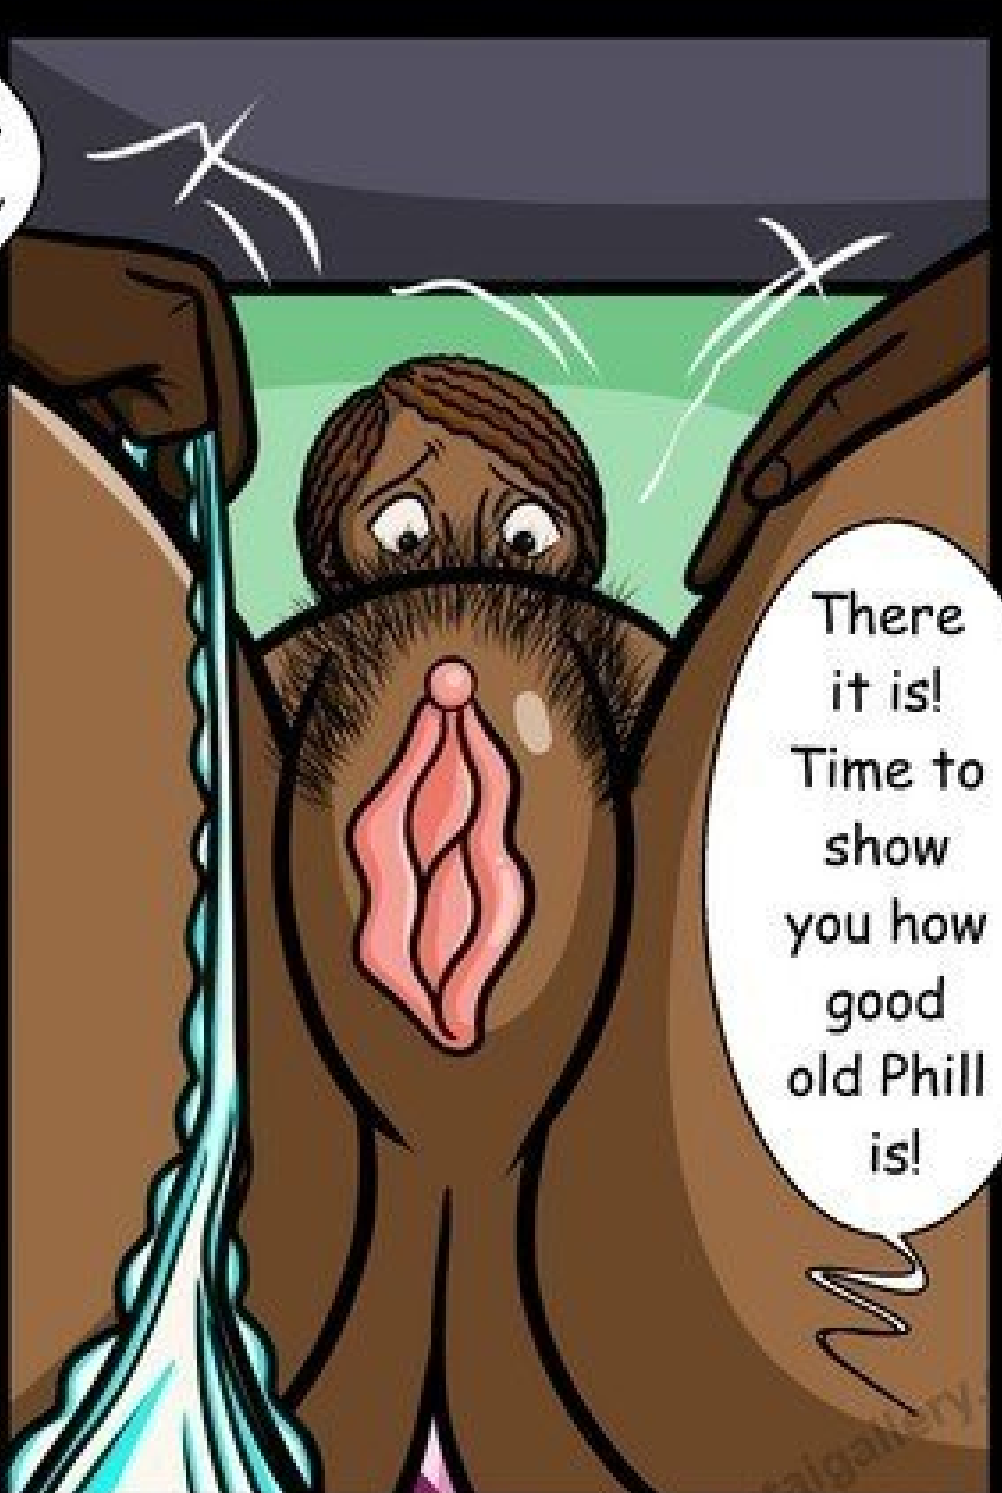

This is embarrassing, Phill...

I know, i know...

Like this?

Holy shit!
You're really going to make me live a few more years of my life, Zenay. You're the best woman in the world.

He looked very horny. I could feel his gasping for breath, I was afraid that the old man might have some health problem at that moment.

Phill buried his tongue deep inside my pussy and at that moment, I felt a flame burning inside my body. I couldn't understand why this had happened, he is just my old father-in-law.

At that moment I began to wonder if I had made the best decision. Everything seemed to have gotten totally out of control, and the old man began to shove his huge cock into my pussy.

The old man kept pushing his huge cock inside my vagina. What made me most embarrassed was that he realized how wet I was at that moment.

Nghh!!
Uhhhh!!

SLAP!
SLAP!

that I can already

of my health
improving.

Please, go easy.
Your dick is too
big!

SLAP!

SLAP!
SLAP!

The old man was fucking me very hard in my pussy. I could feel that big cock touching my uterus. It's not easy to admit this, but it felt like I was submissive to that man.

D... don't say that
Phill. Pete would never
forgive me if anything
happened to you....
Ahhhhhhh!!!

Then
promise me
you'll always
let me do this,
Zenay!
Uhhhhhhh!

Oh, shit, I'm
gonna cum!

Don't
cum inside me!
Ohhhhhh!

Phill intensified his movements until he completely flooded my uterus with his thick cum. For a few minutes, I sat in silence reflecting on how wrong it had just been.
