Although his giant dick was very good, this was going too far. I had to stop it as soon as possible, before tragedy struck in this family.

The old man kept up his breakneck pace, and it made me lose my sanity.
I felt his big cock filling my uterus completely, making me moan continuously.

And this went on for days. Whenever there was an opportunity, Phill would take the opportunity to have sex with me. No matter the place, he would always come up with those excuses that I was "saving his life" by agreeing to do this with him.

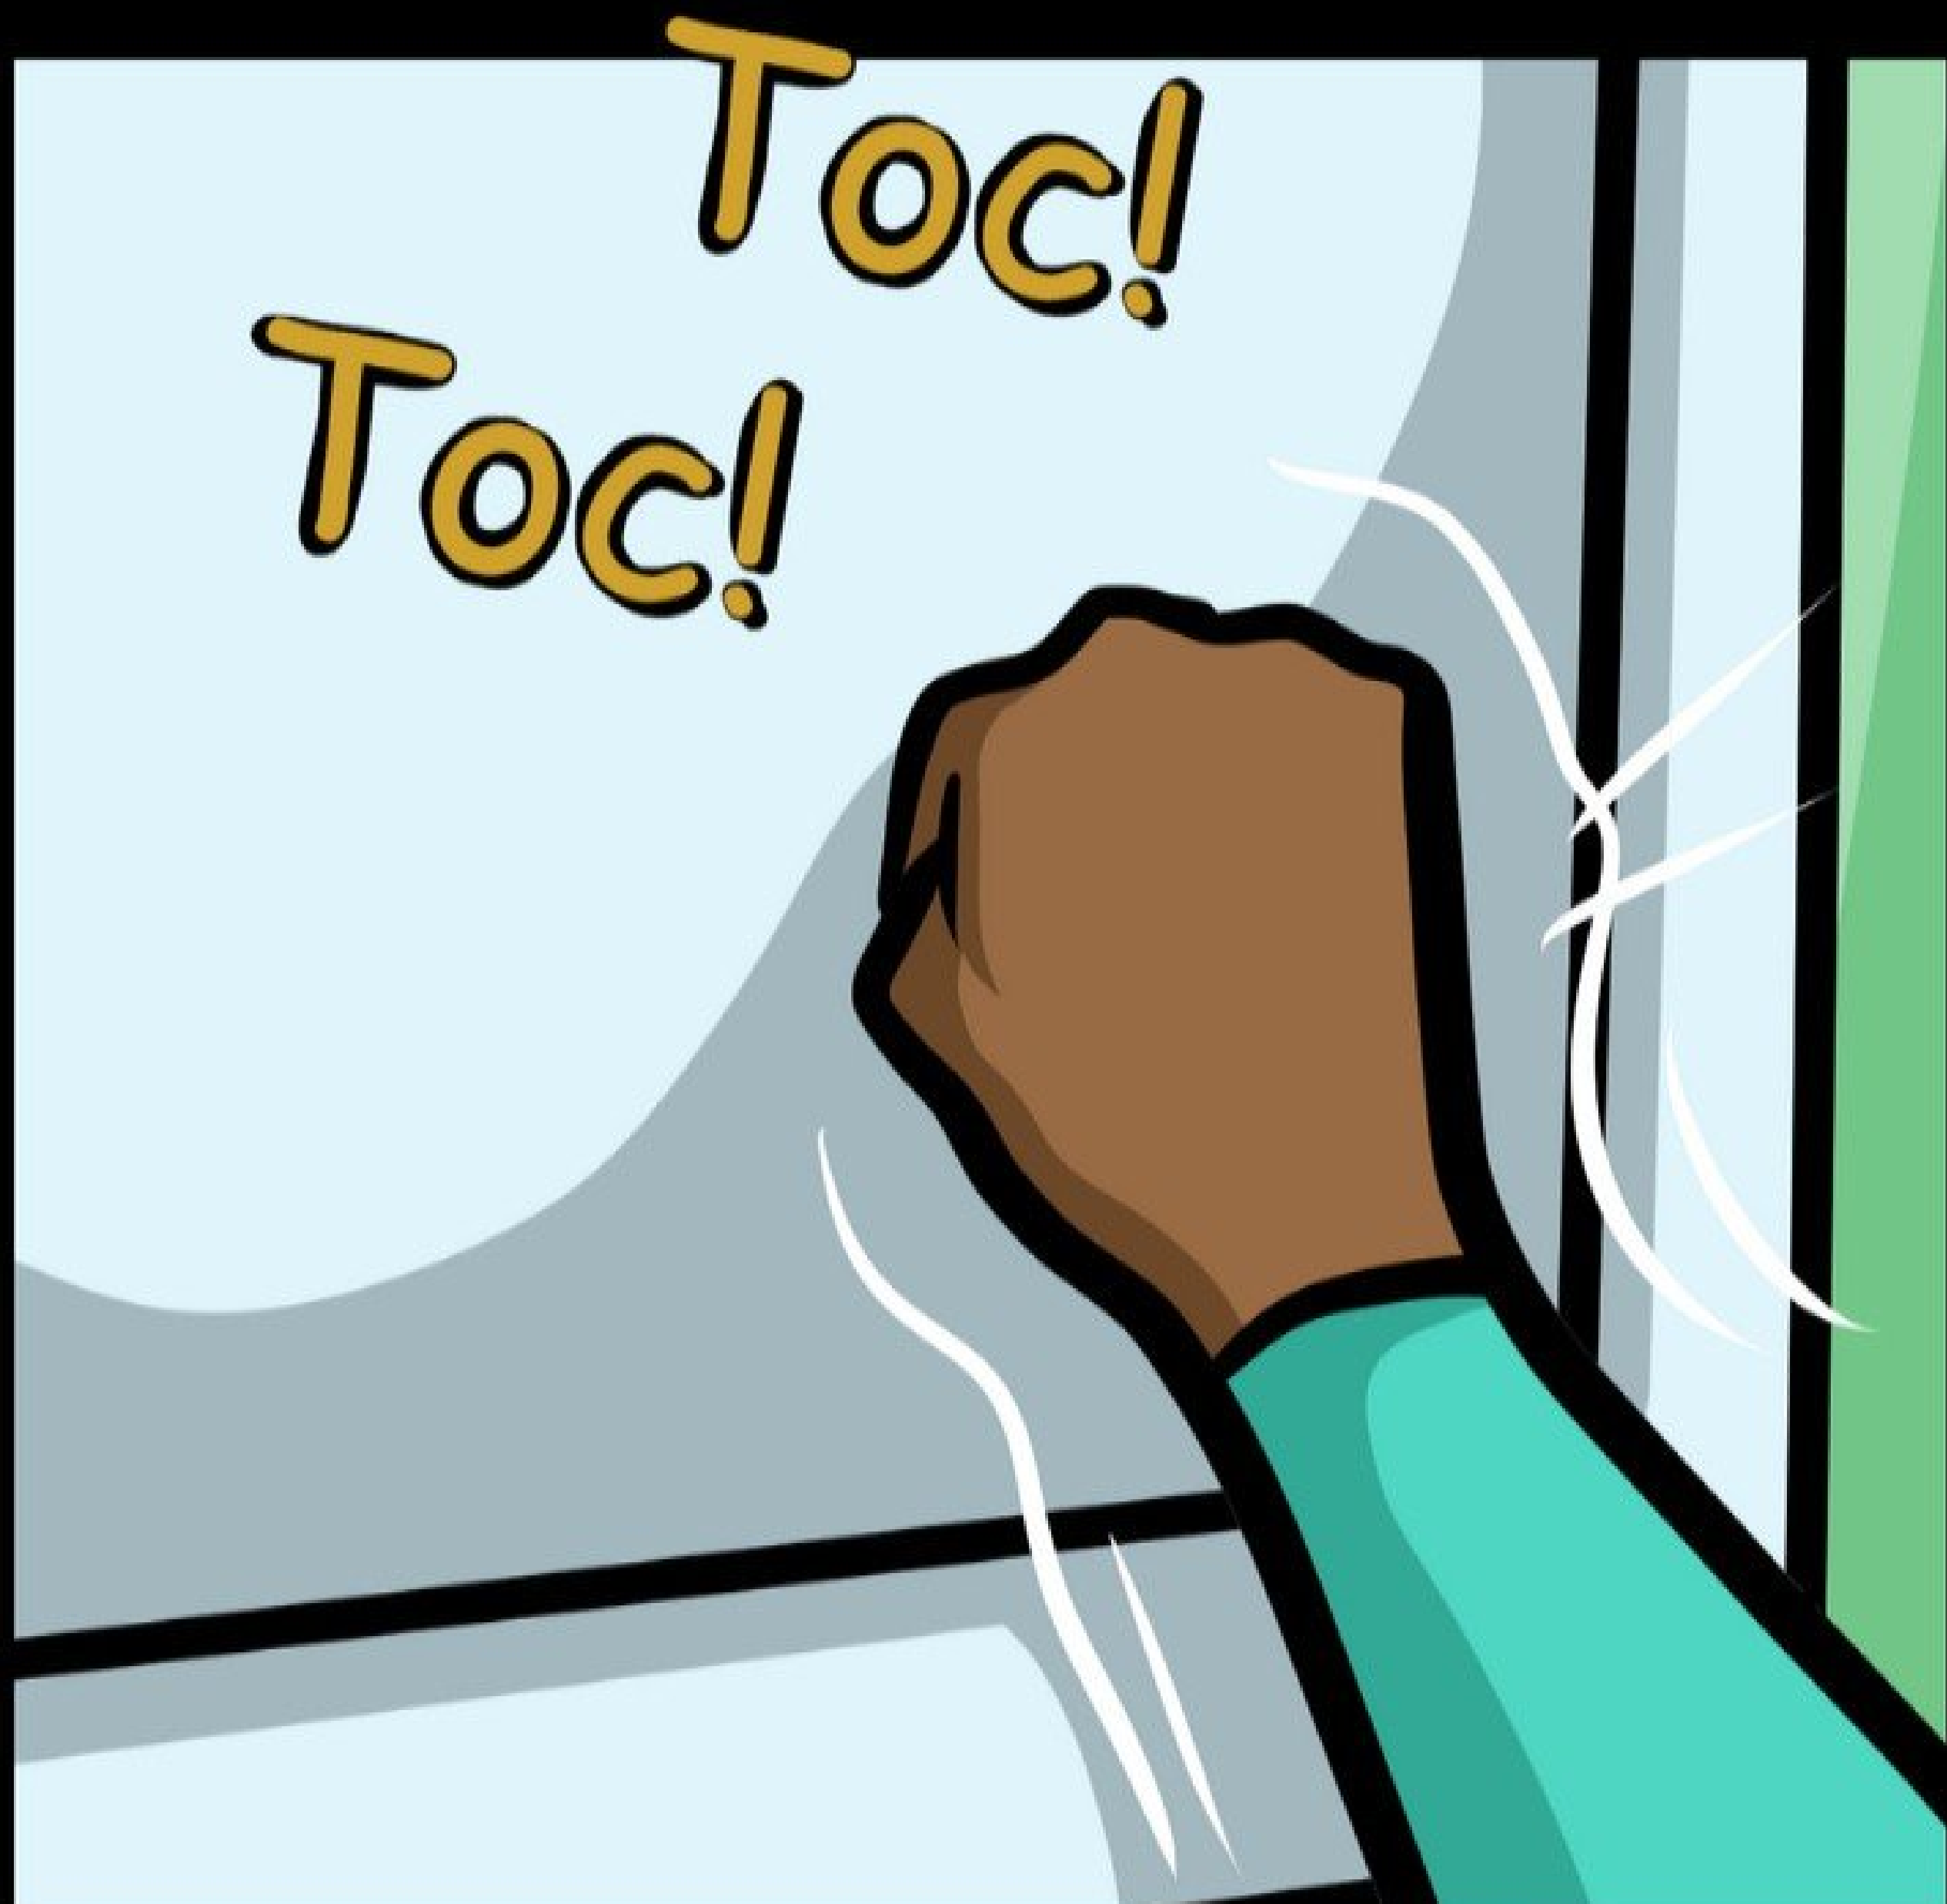

My "support" for my old father-in-law was making the whole situation very dangerous. I was afraid that my compassion for him would be discovered by Pete. I had to try to work around this problem.

Every time it was time to give Phill's medicine, my heart would race and my body would break into a cold sweat, just imagining that we would be doing this one more time.

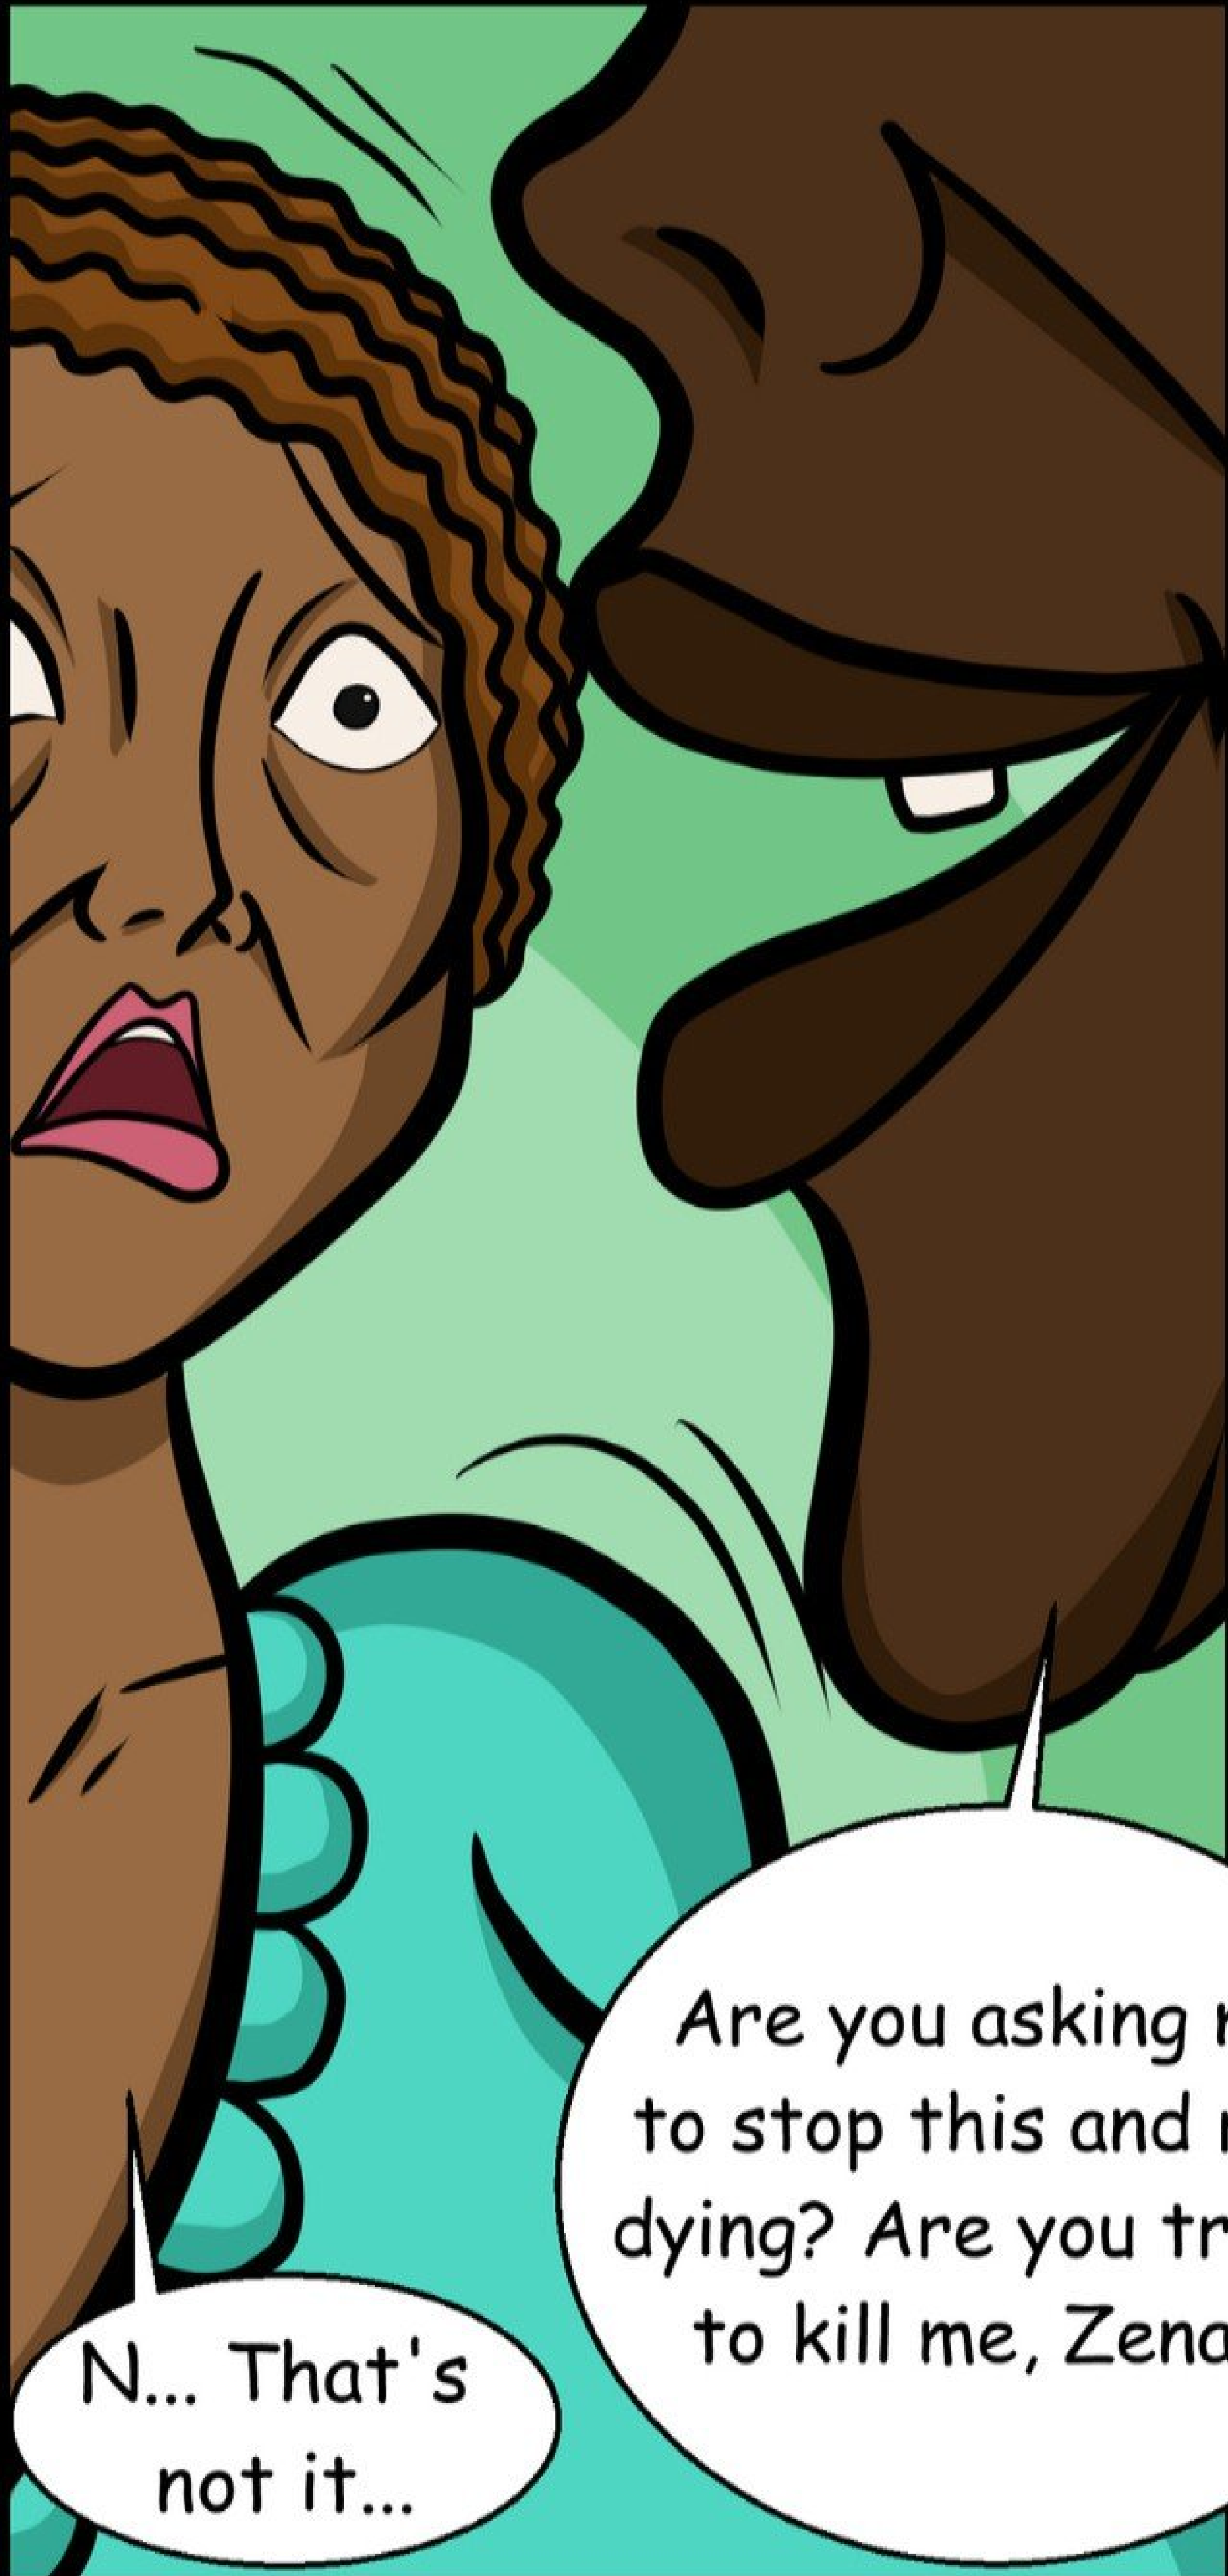

And my fears were right. Phill was waiting for me fully erect, exuding masculinity and showing off the dowry he had inherited from God knows who.

P... Phill?!
Don't you
think we'd
better stop
this?
This has gone
far enough!

N... That's
not it...

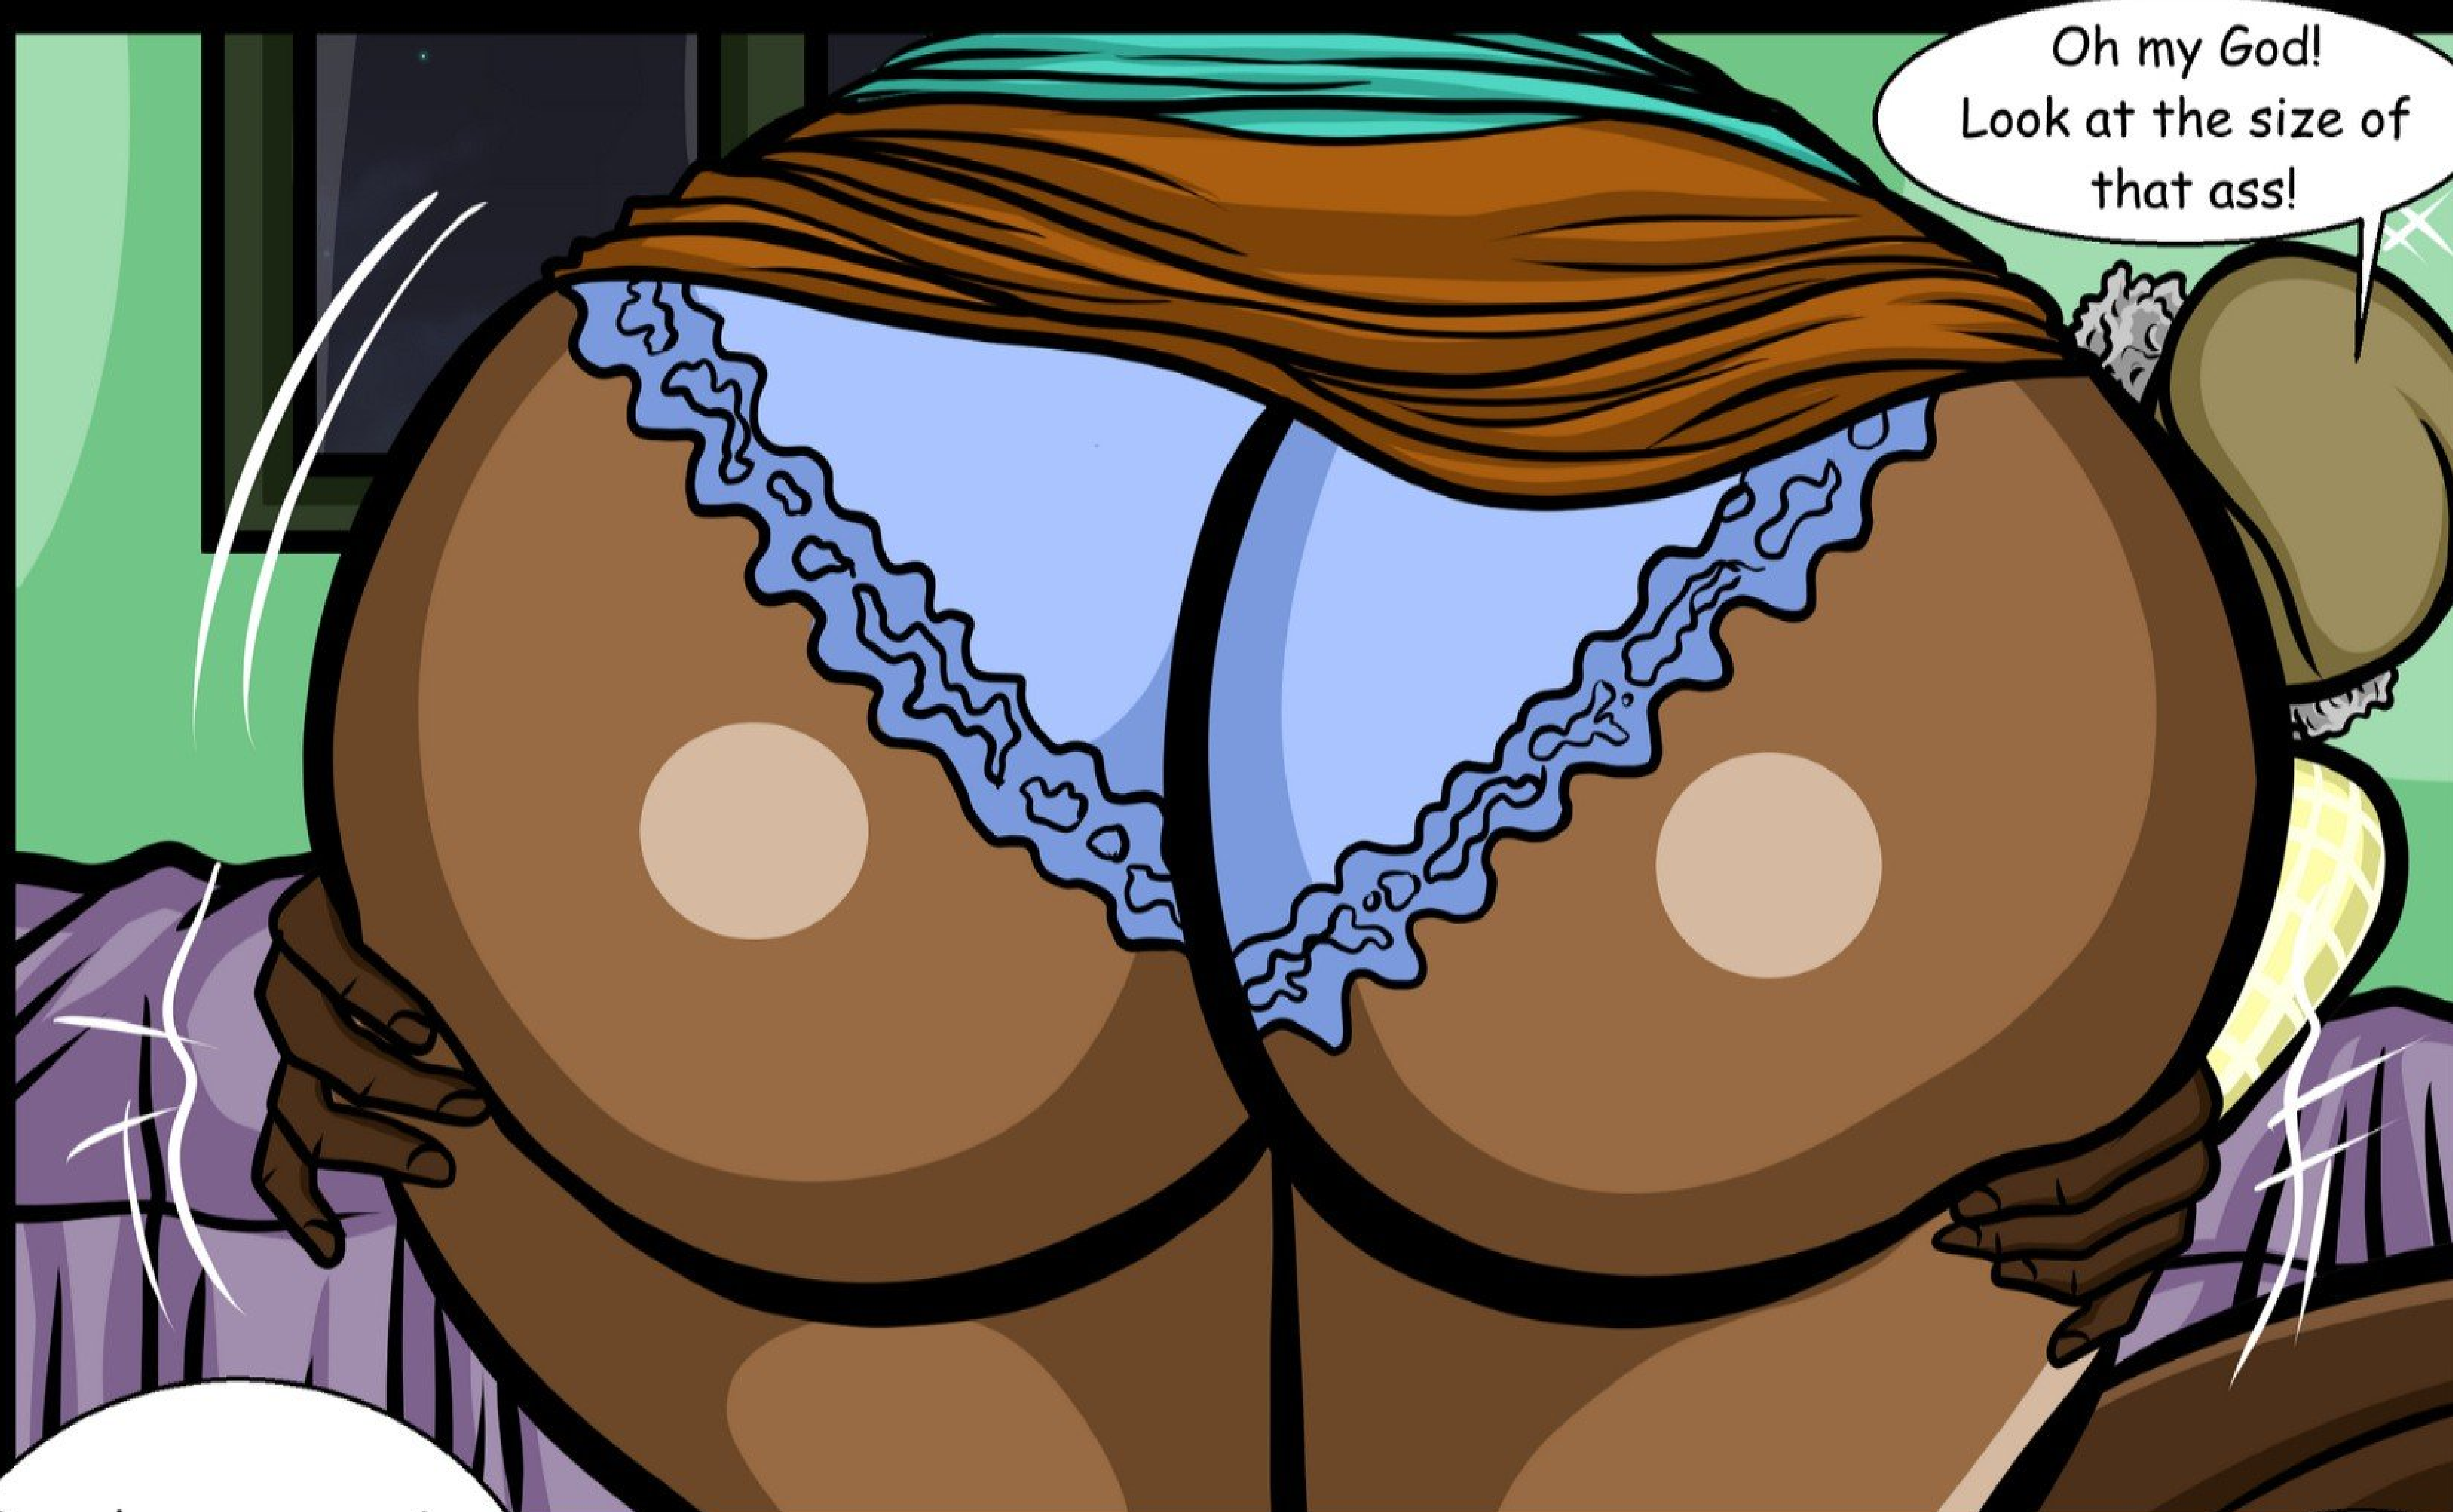

Are you asking me
to stop this and risk
dying? Are you trying
to kill me, Zenay?

GRAB!

Then let me enjoy
every inch of your fleshy
butt!

Even though his hands were small, they were firm as they squeezed my big ass. His adoration for my ass made him gasp, while my heart was racing as I imagined that I was about to be a possibly unfaithful wife once again.

Oh my God!
Look at the size of
that ass!

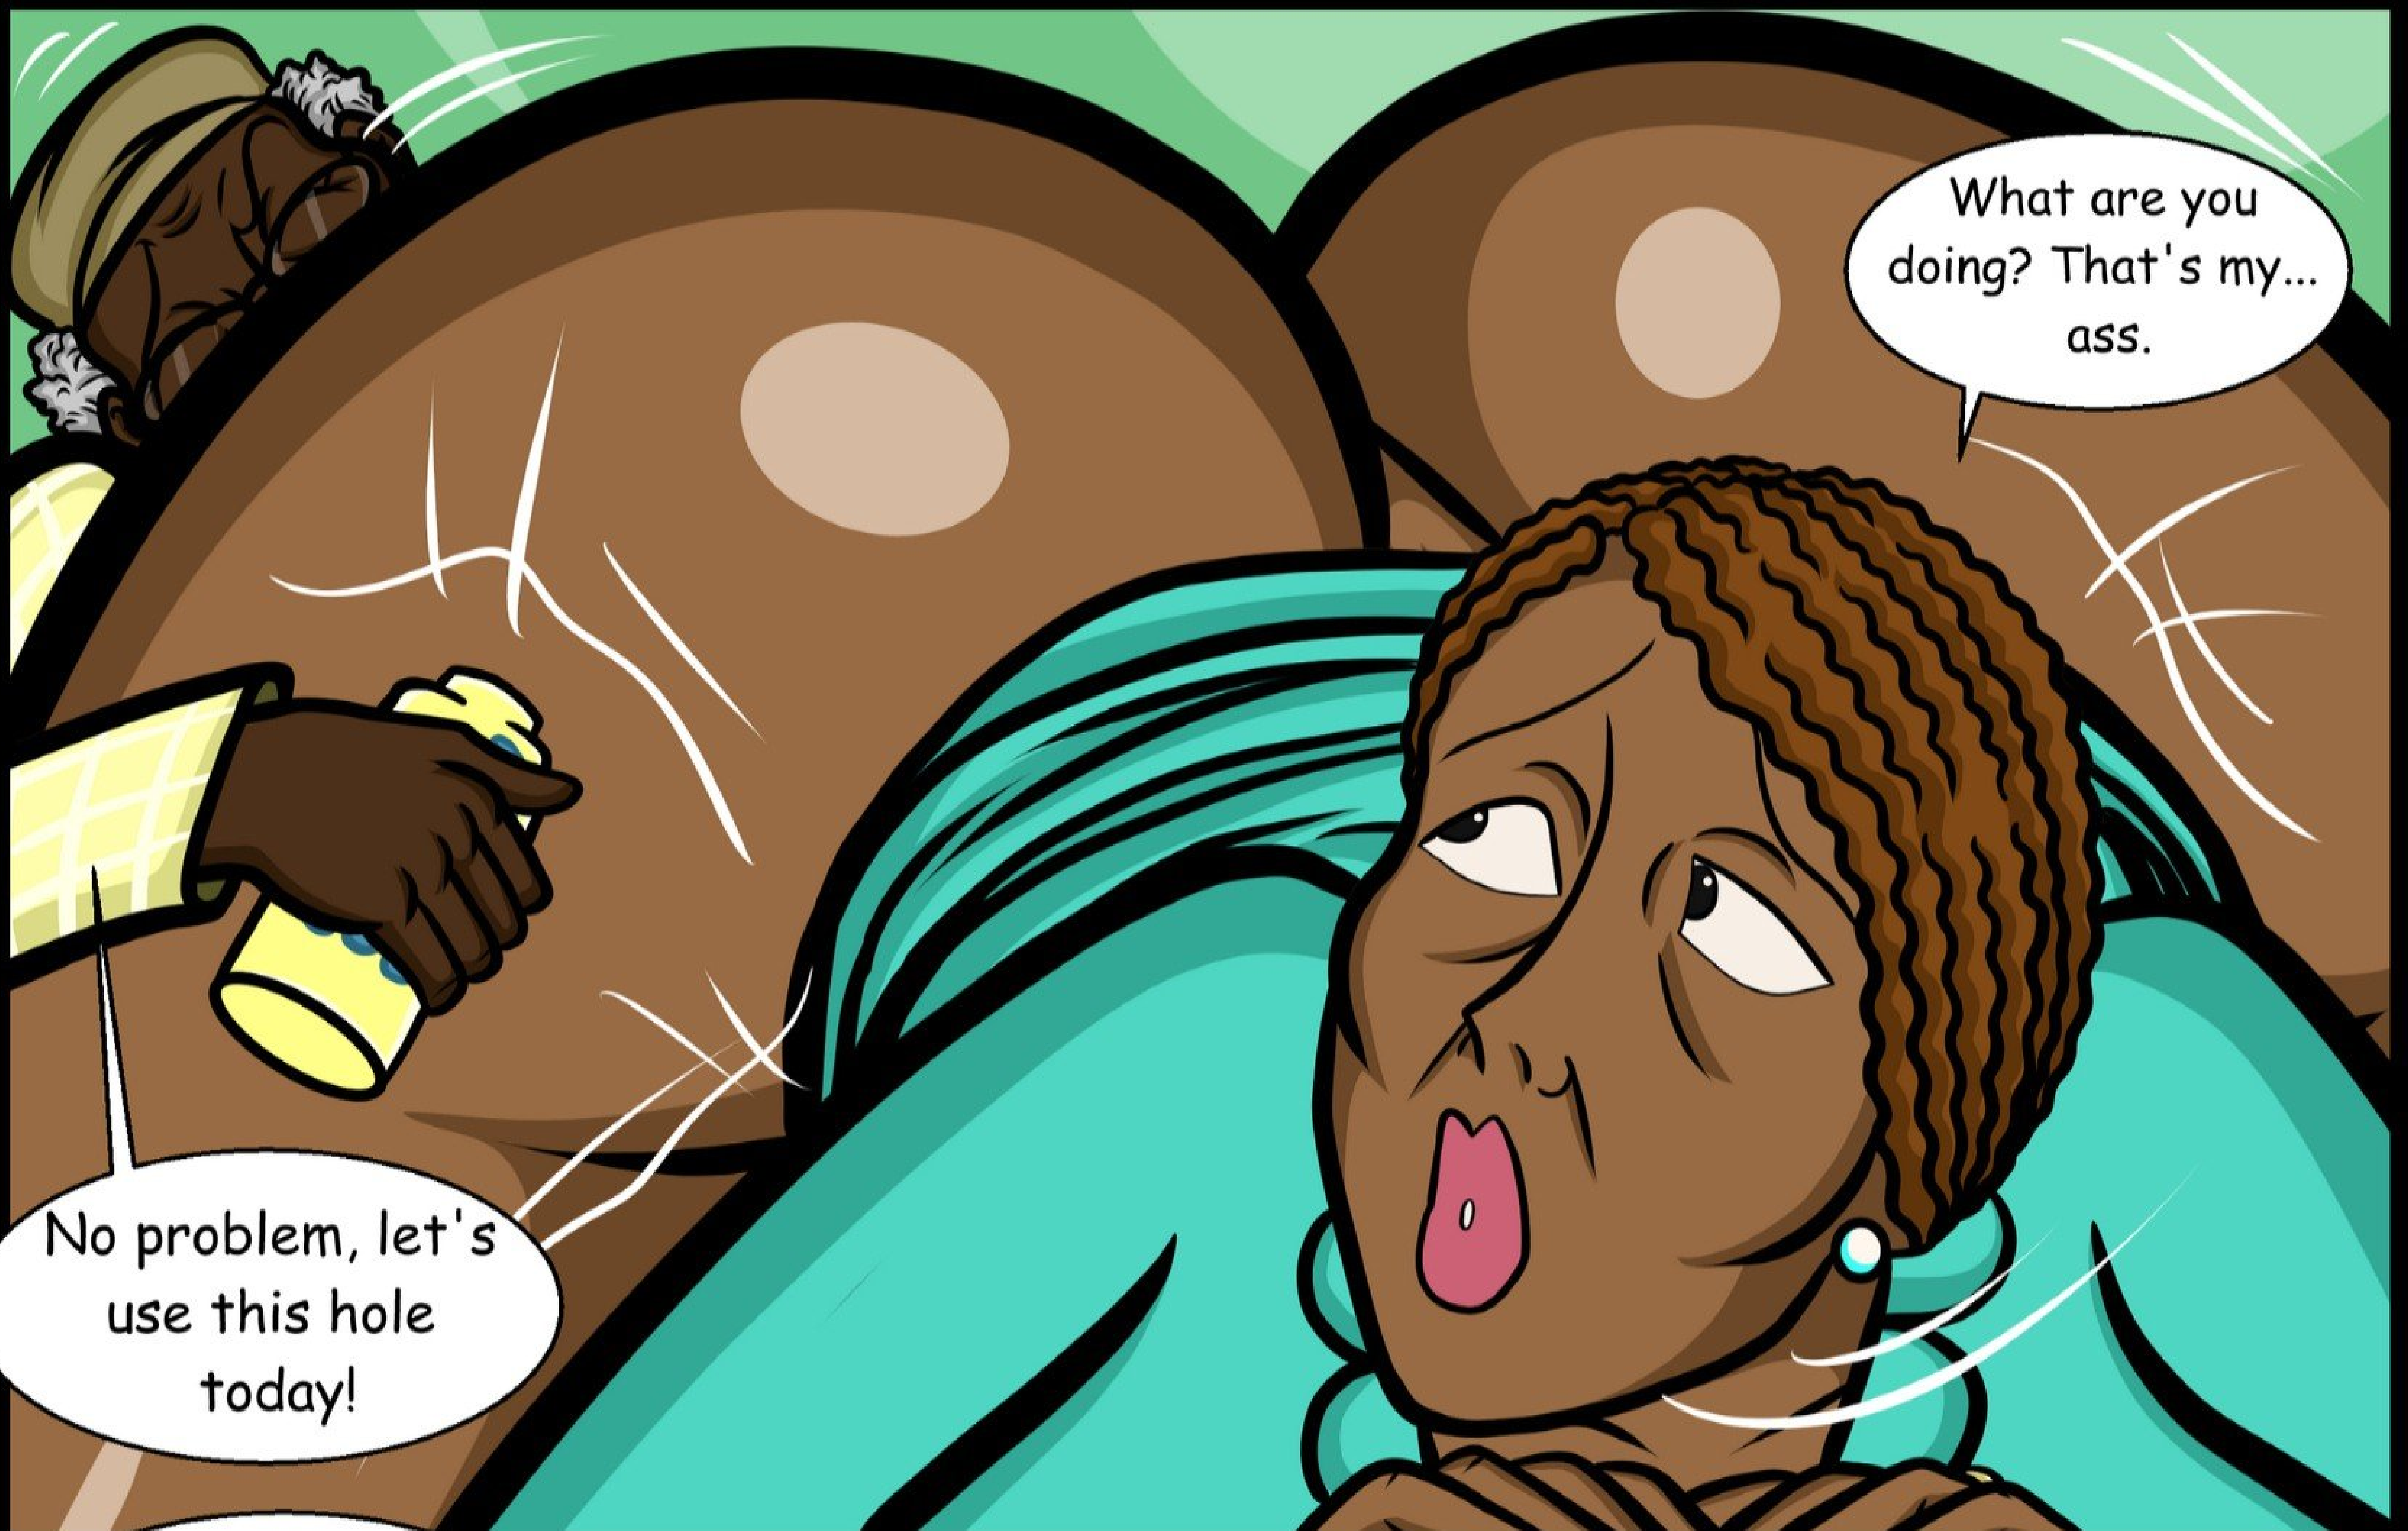

D... do you promise
to be quick this time?
I have to finish the
housework before
Pete gets here.

Mmm...
Get on,
doggstyle
on the bed.

What are you doing? That's my... ass.

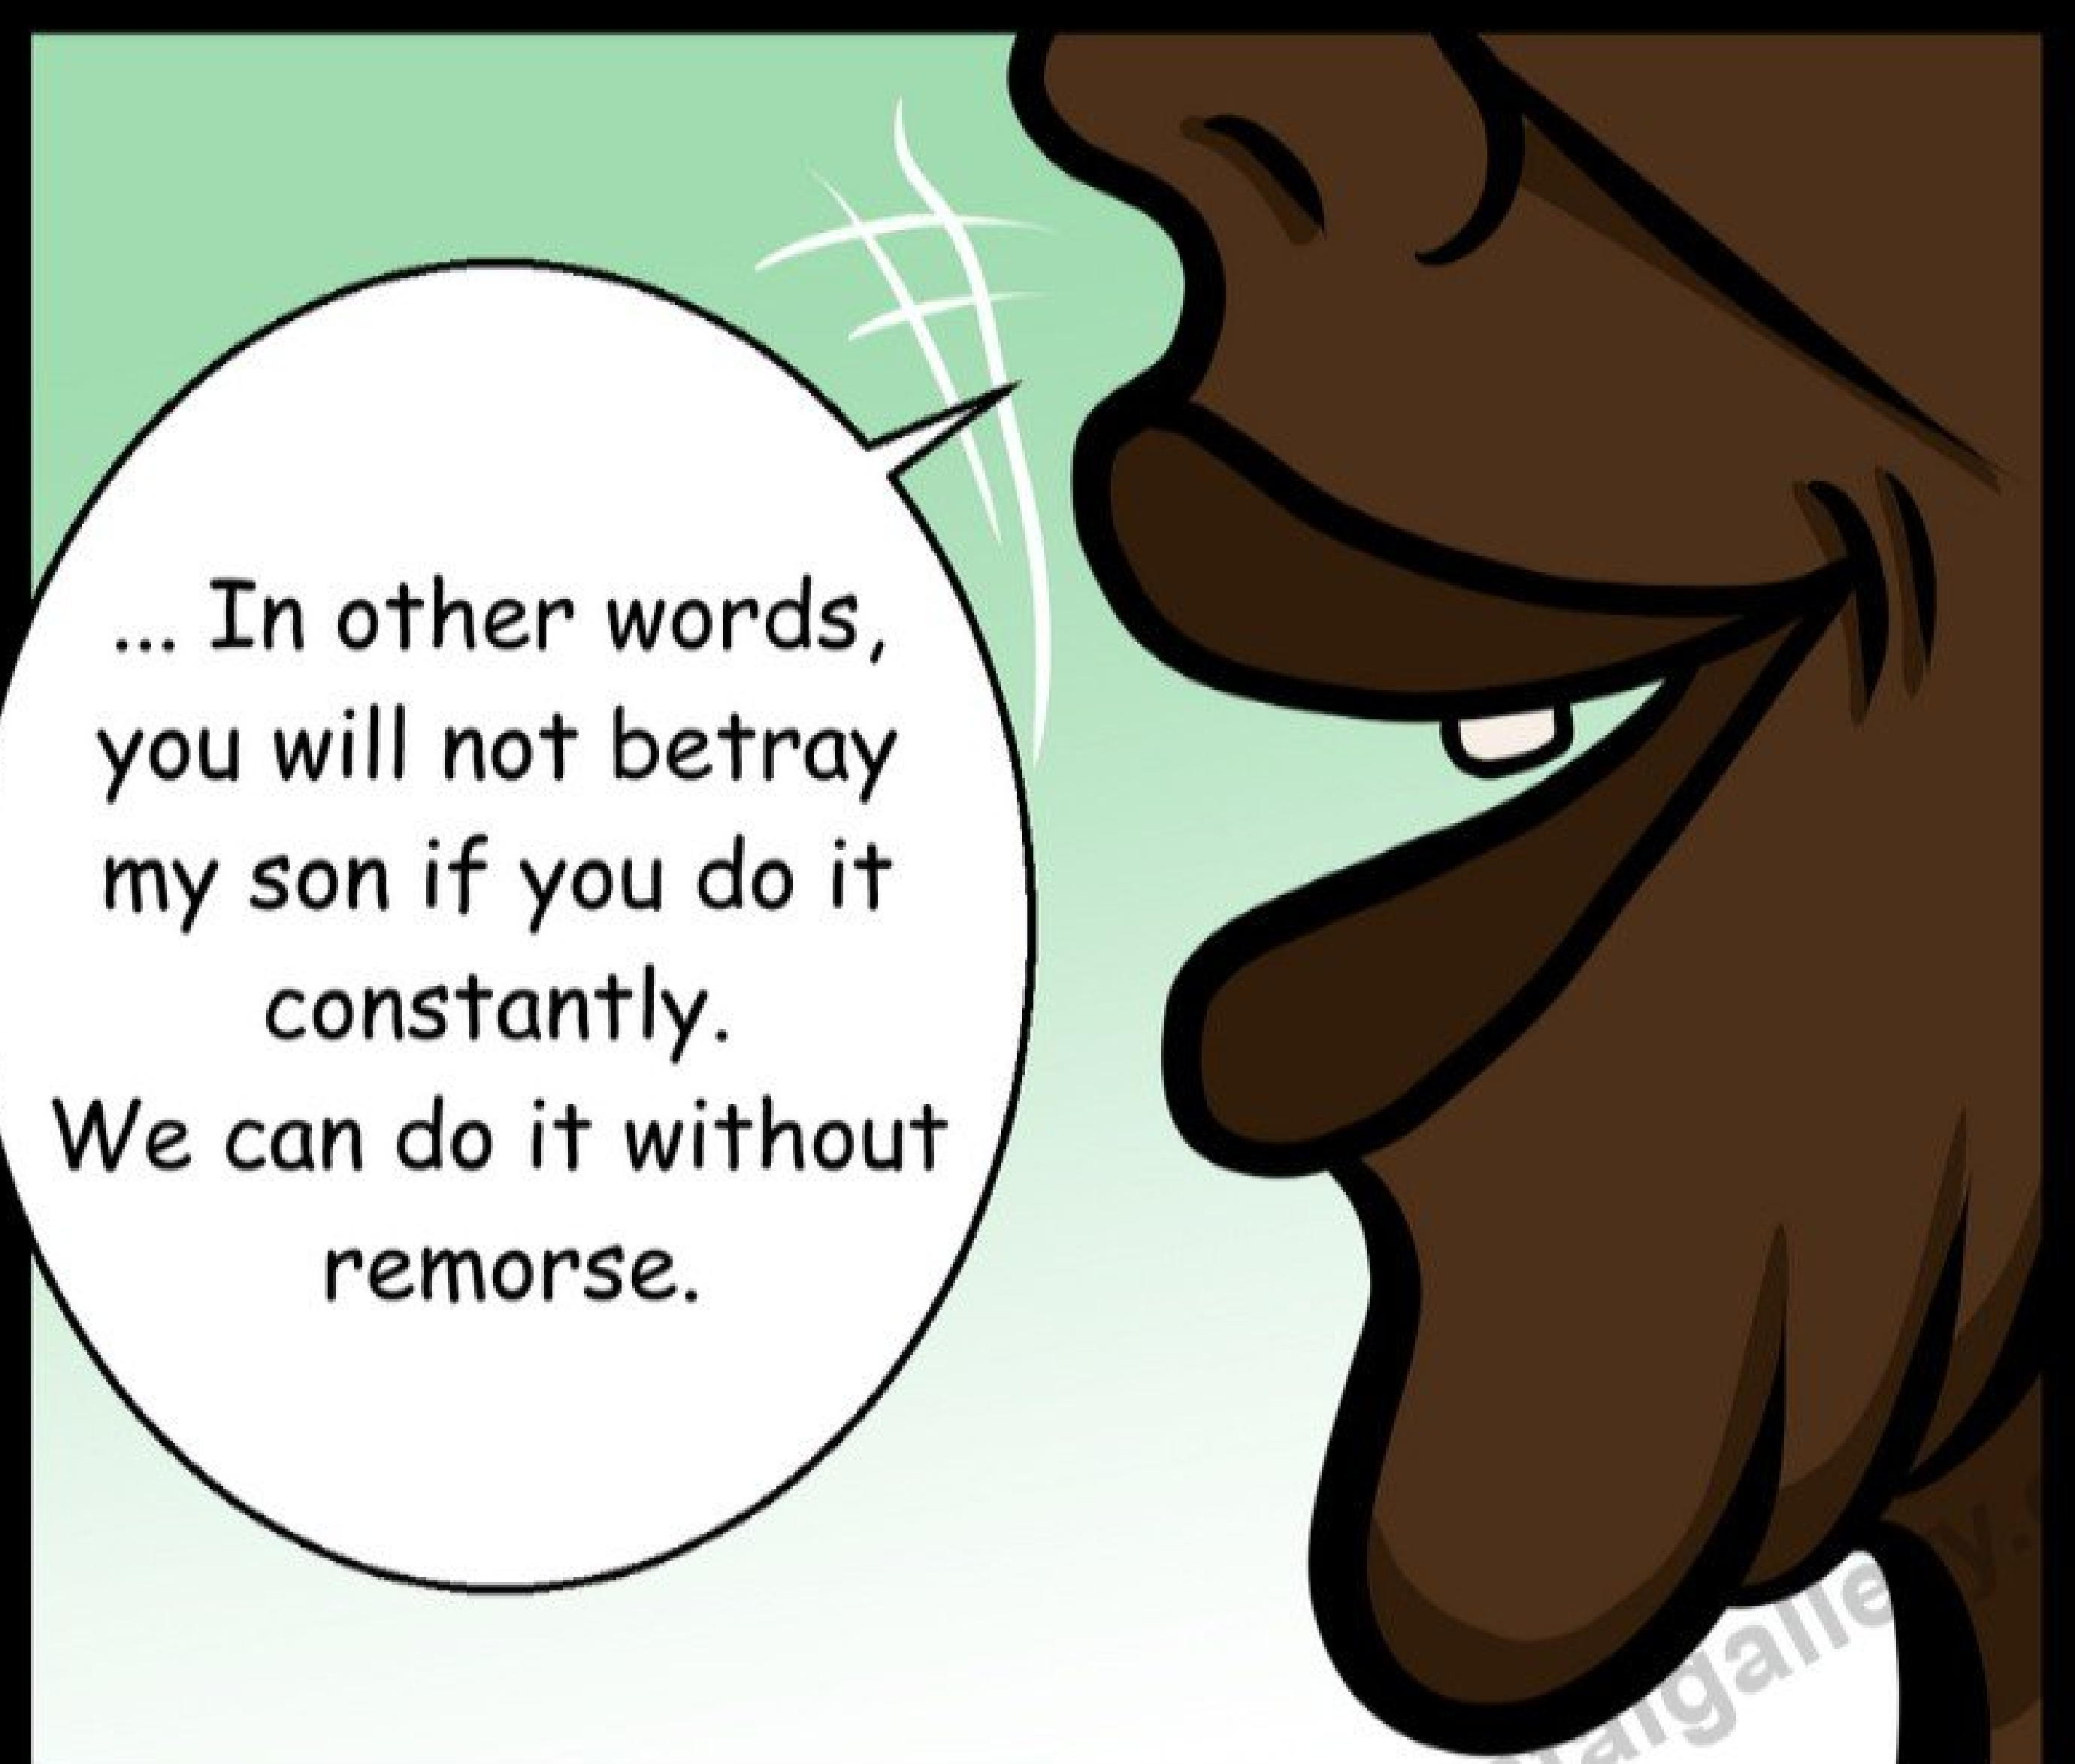

No problem, let's use this hole today!

Hey! That's impossible! I've never given my ass to Pete before. There's no way that anaconda of yours can get in here.

Look Zenny, I've been thinking... It's a way to preserve your honor as a married woman. Anal sex doesn't as cheating, because it doesn't involve a loving union...

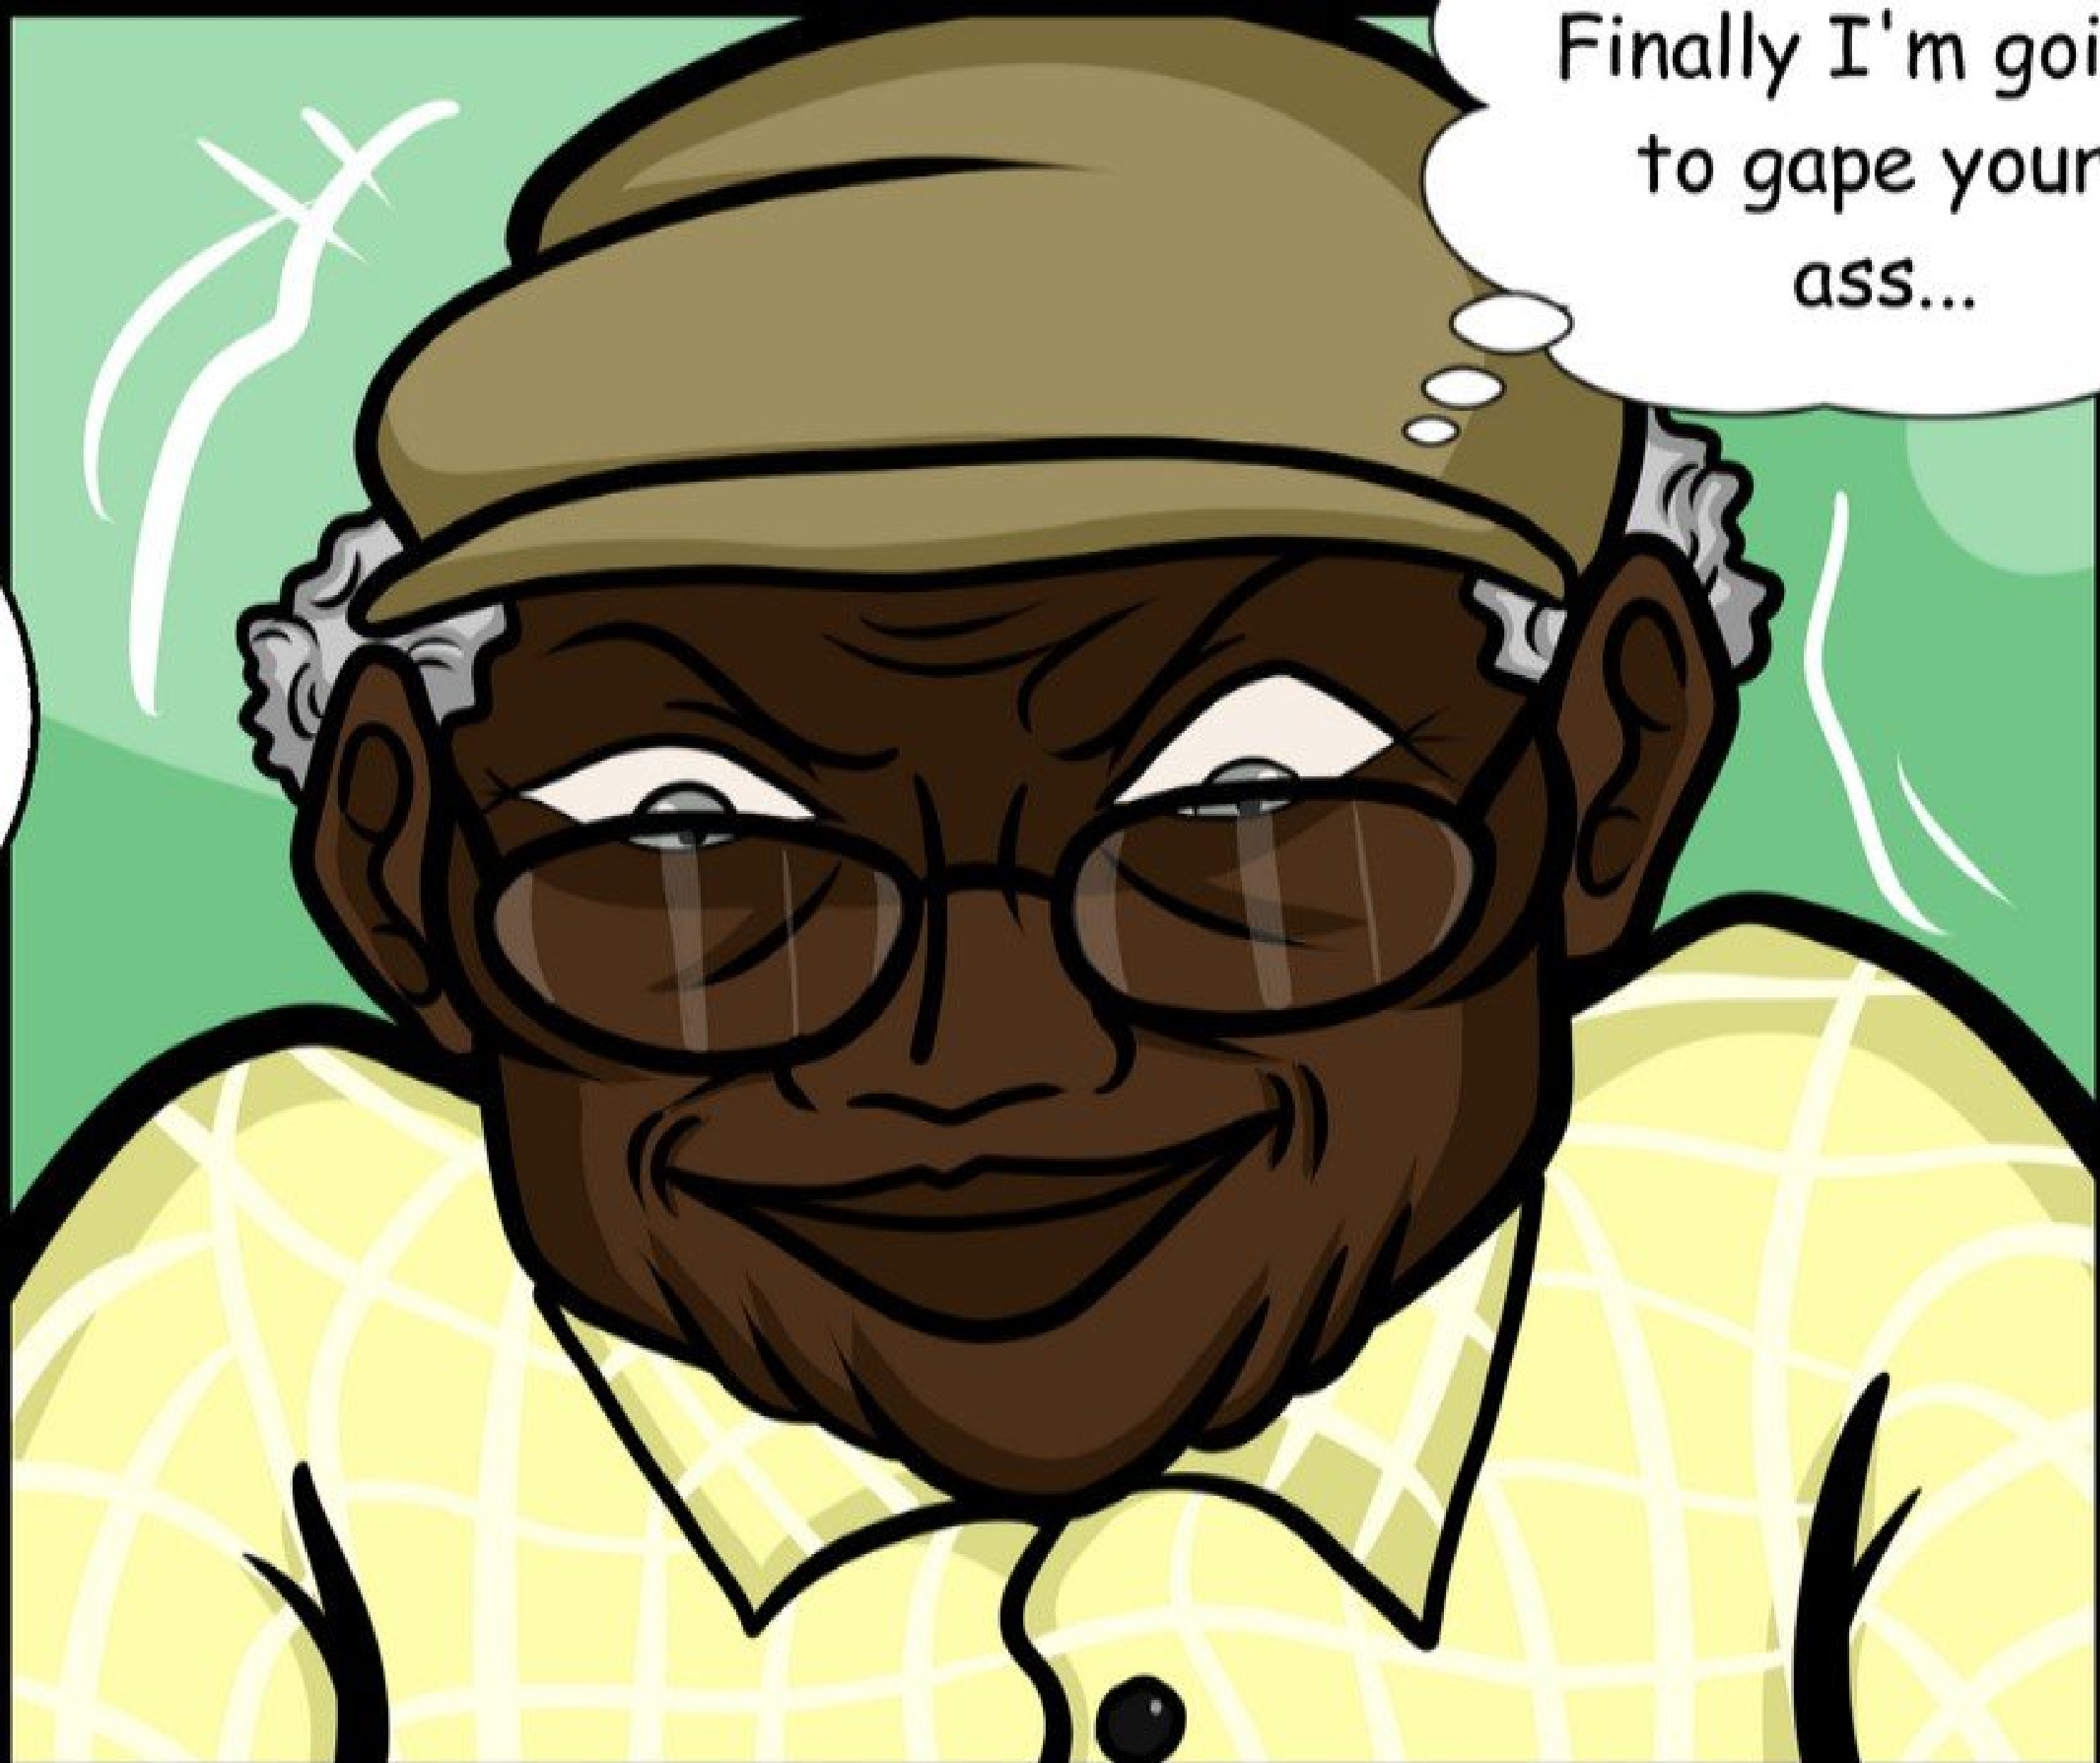

... In other words, you will not betray my son if you do it constantly. We can do it without remorse.

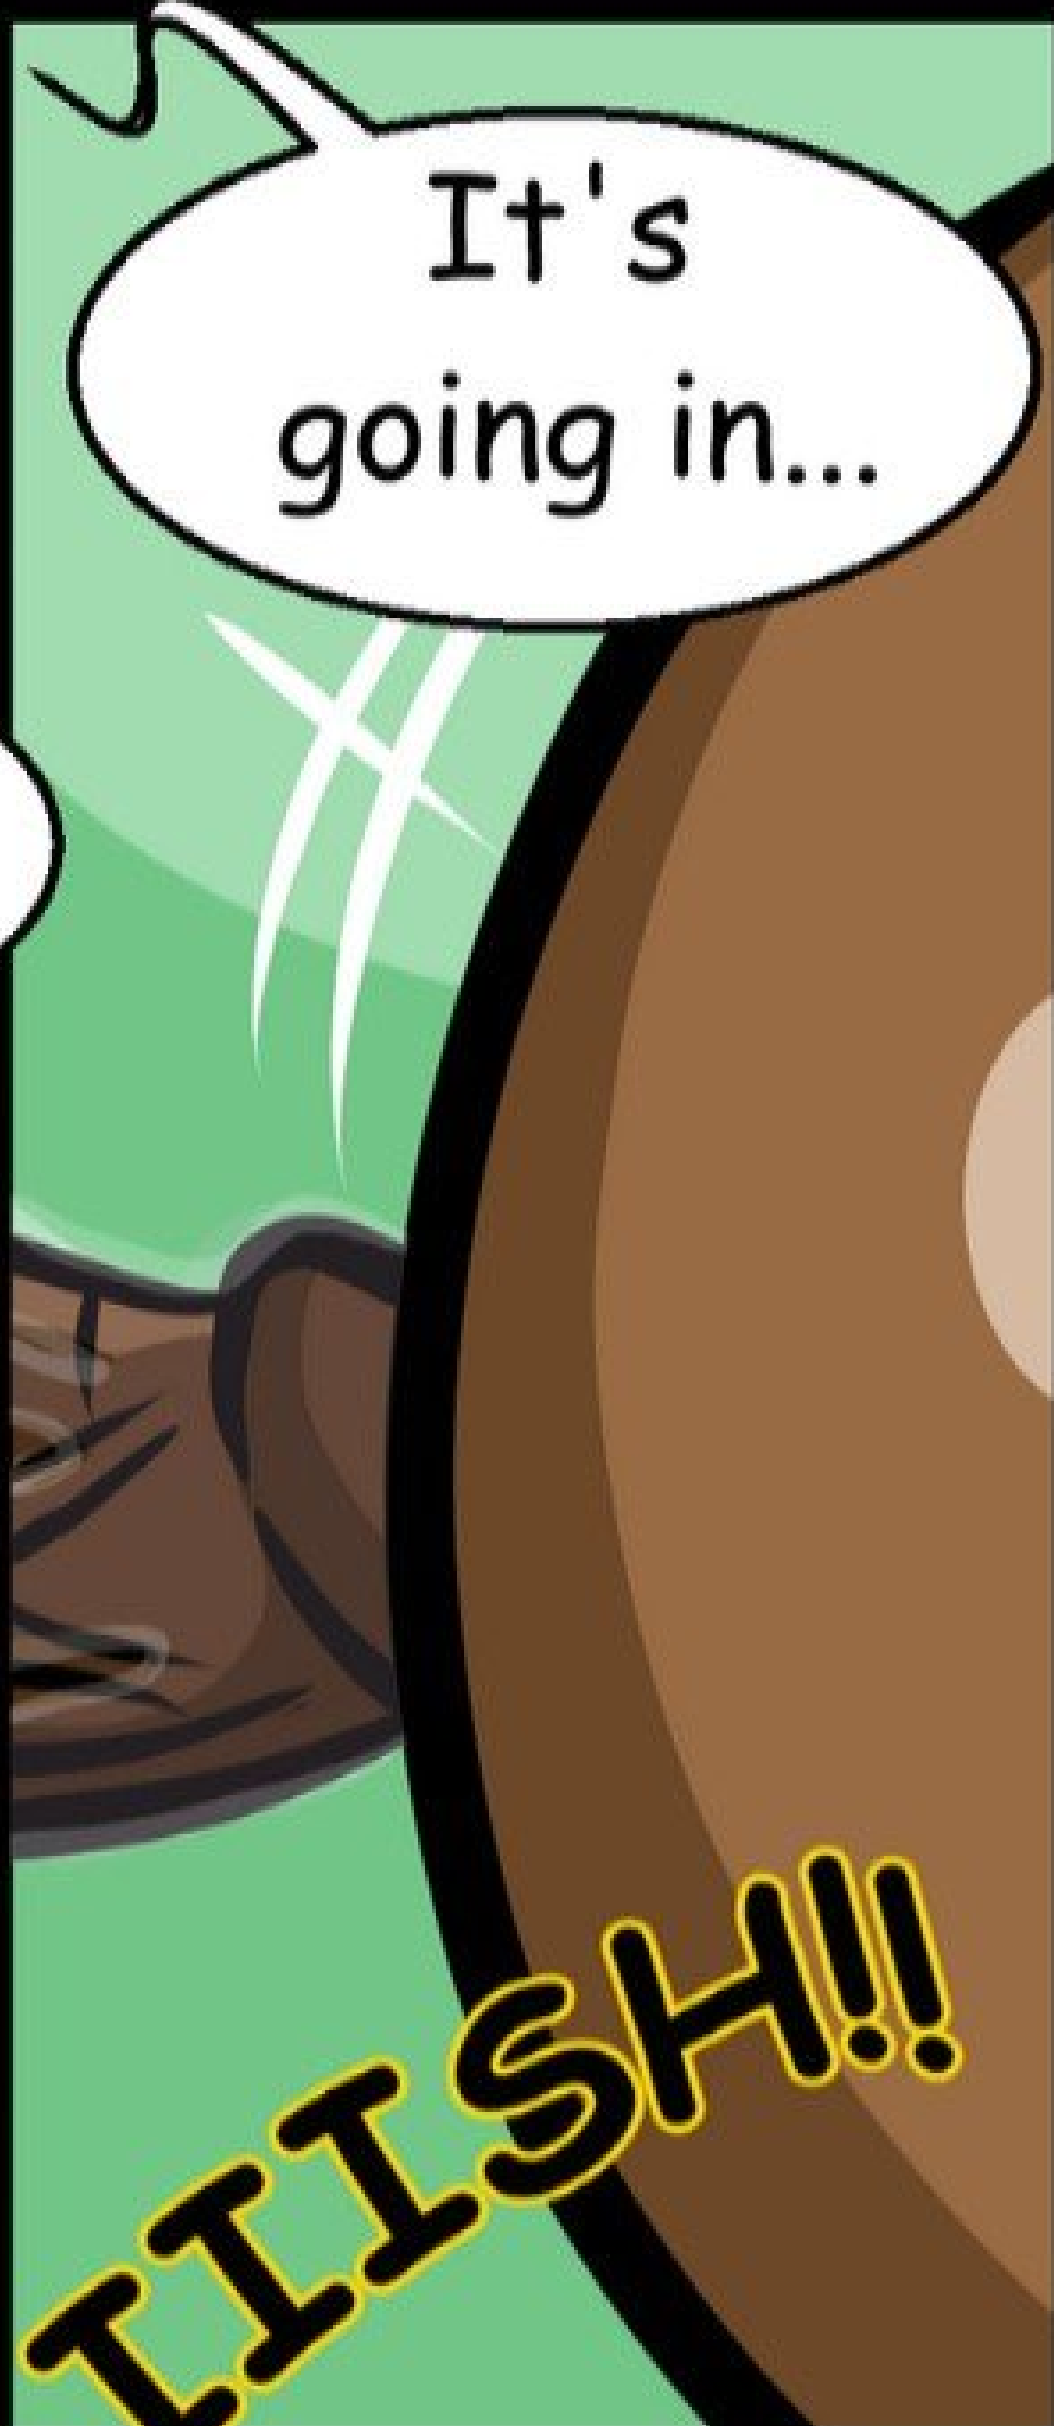

Right...
let's go!
Gently...

Finally I'm going
to gape your
ass...

It's
going in...

Ahhhhhh!!
Y... you promised to go slowly... but... somehow I feel that deep inside you wanted to take advantage of the moment and push this giant thing hard inside me.

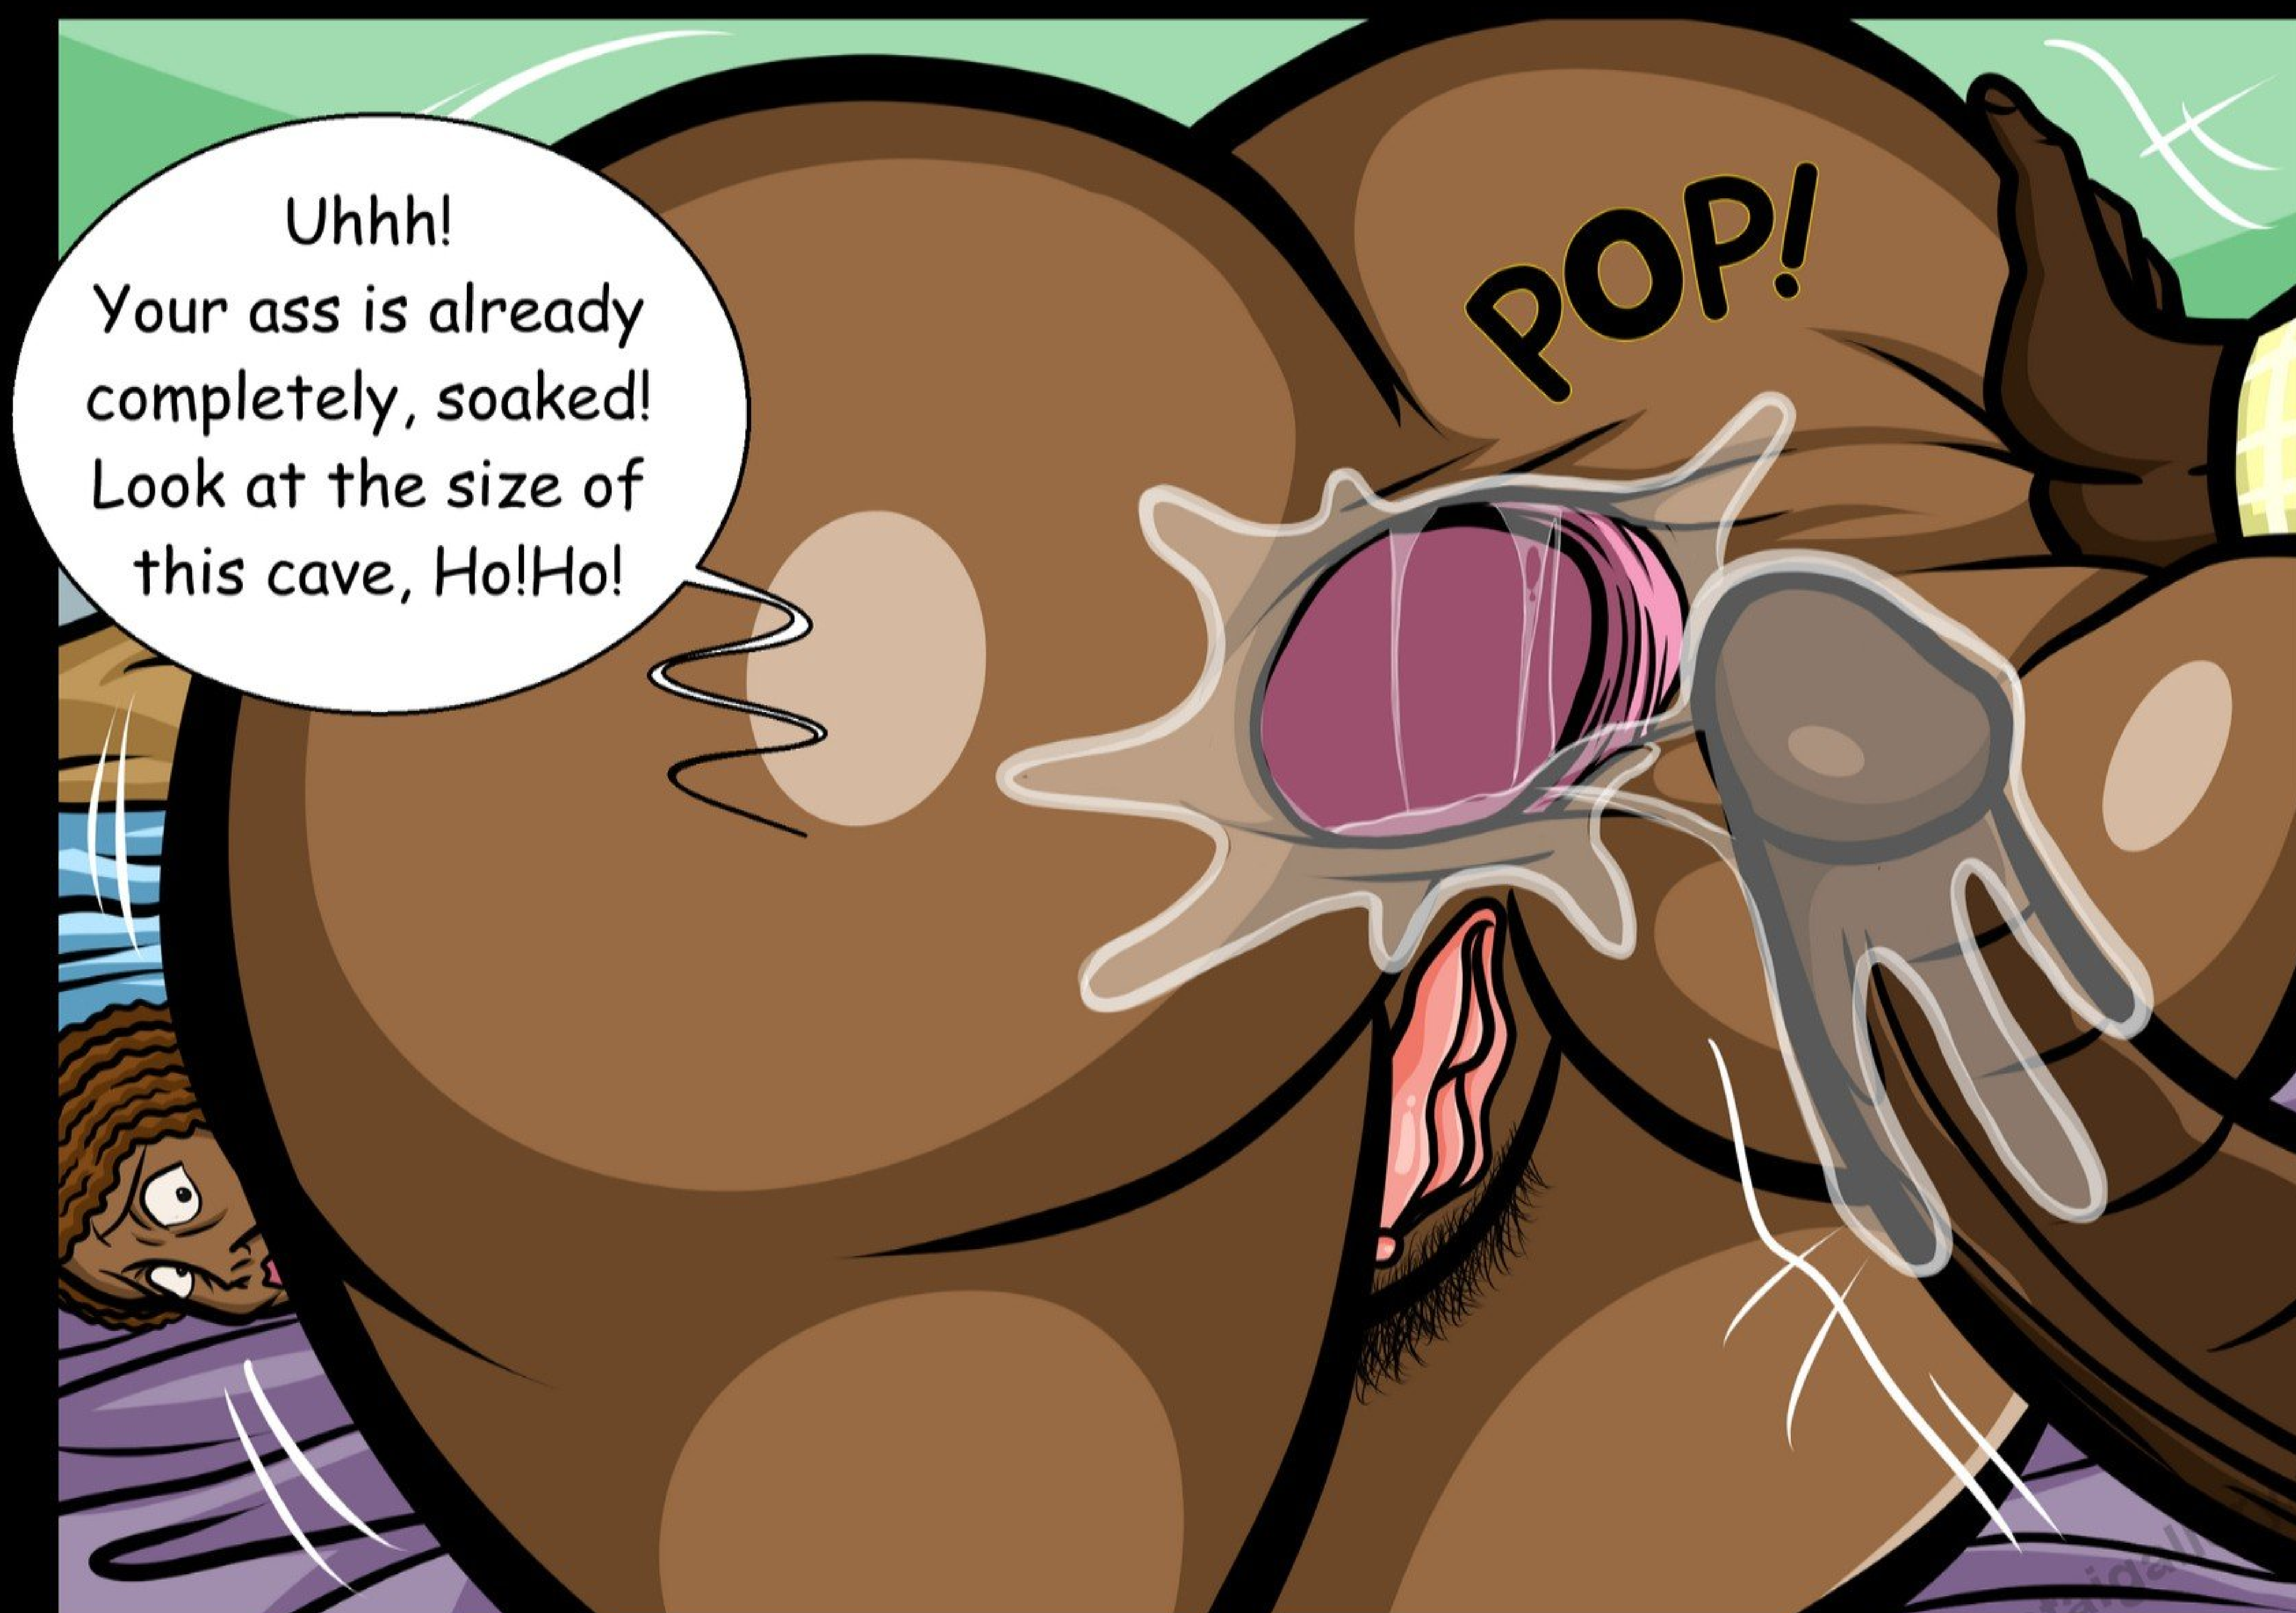

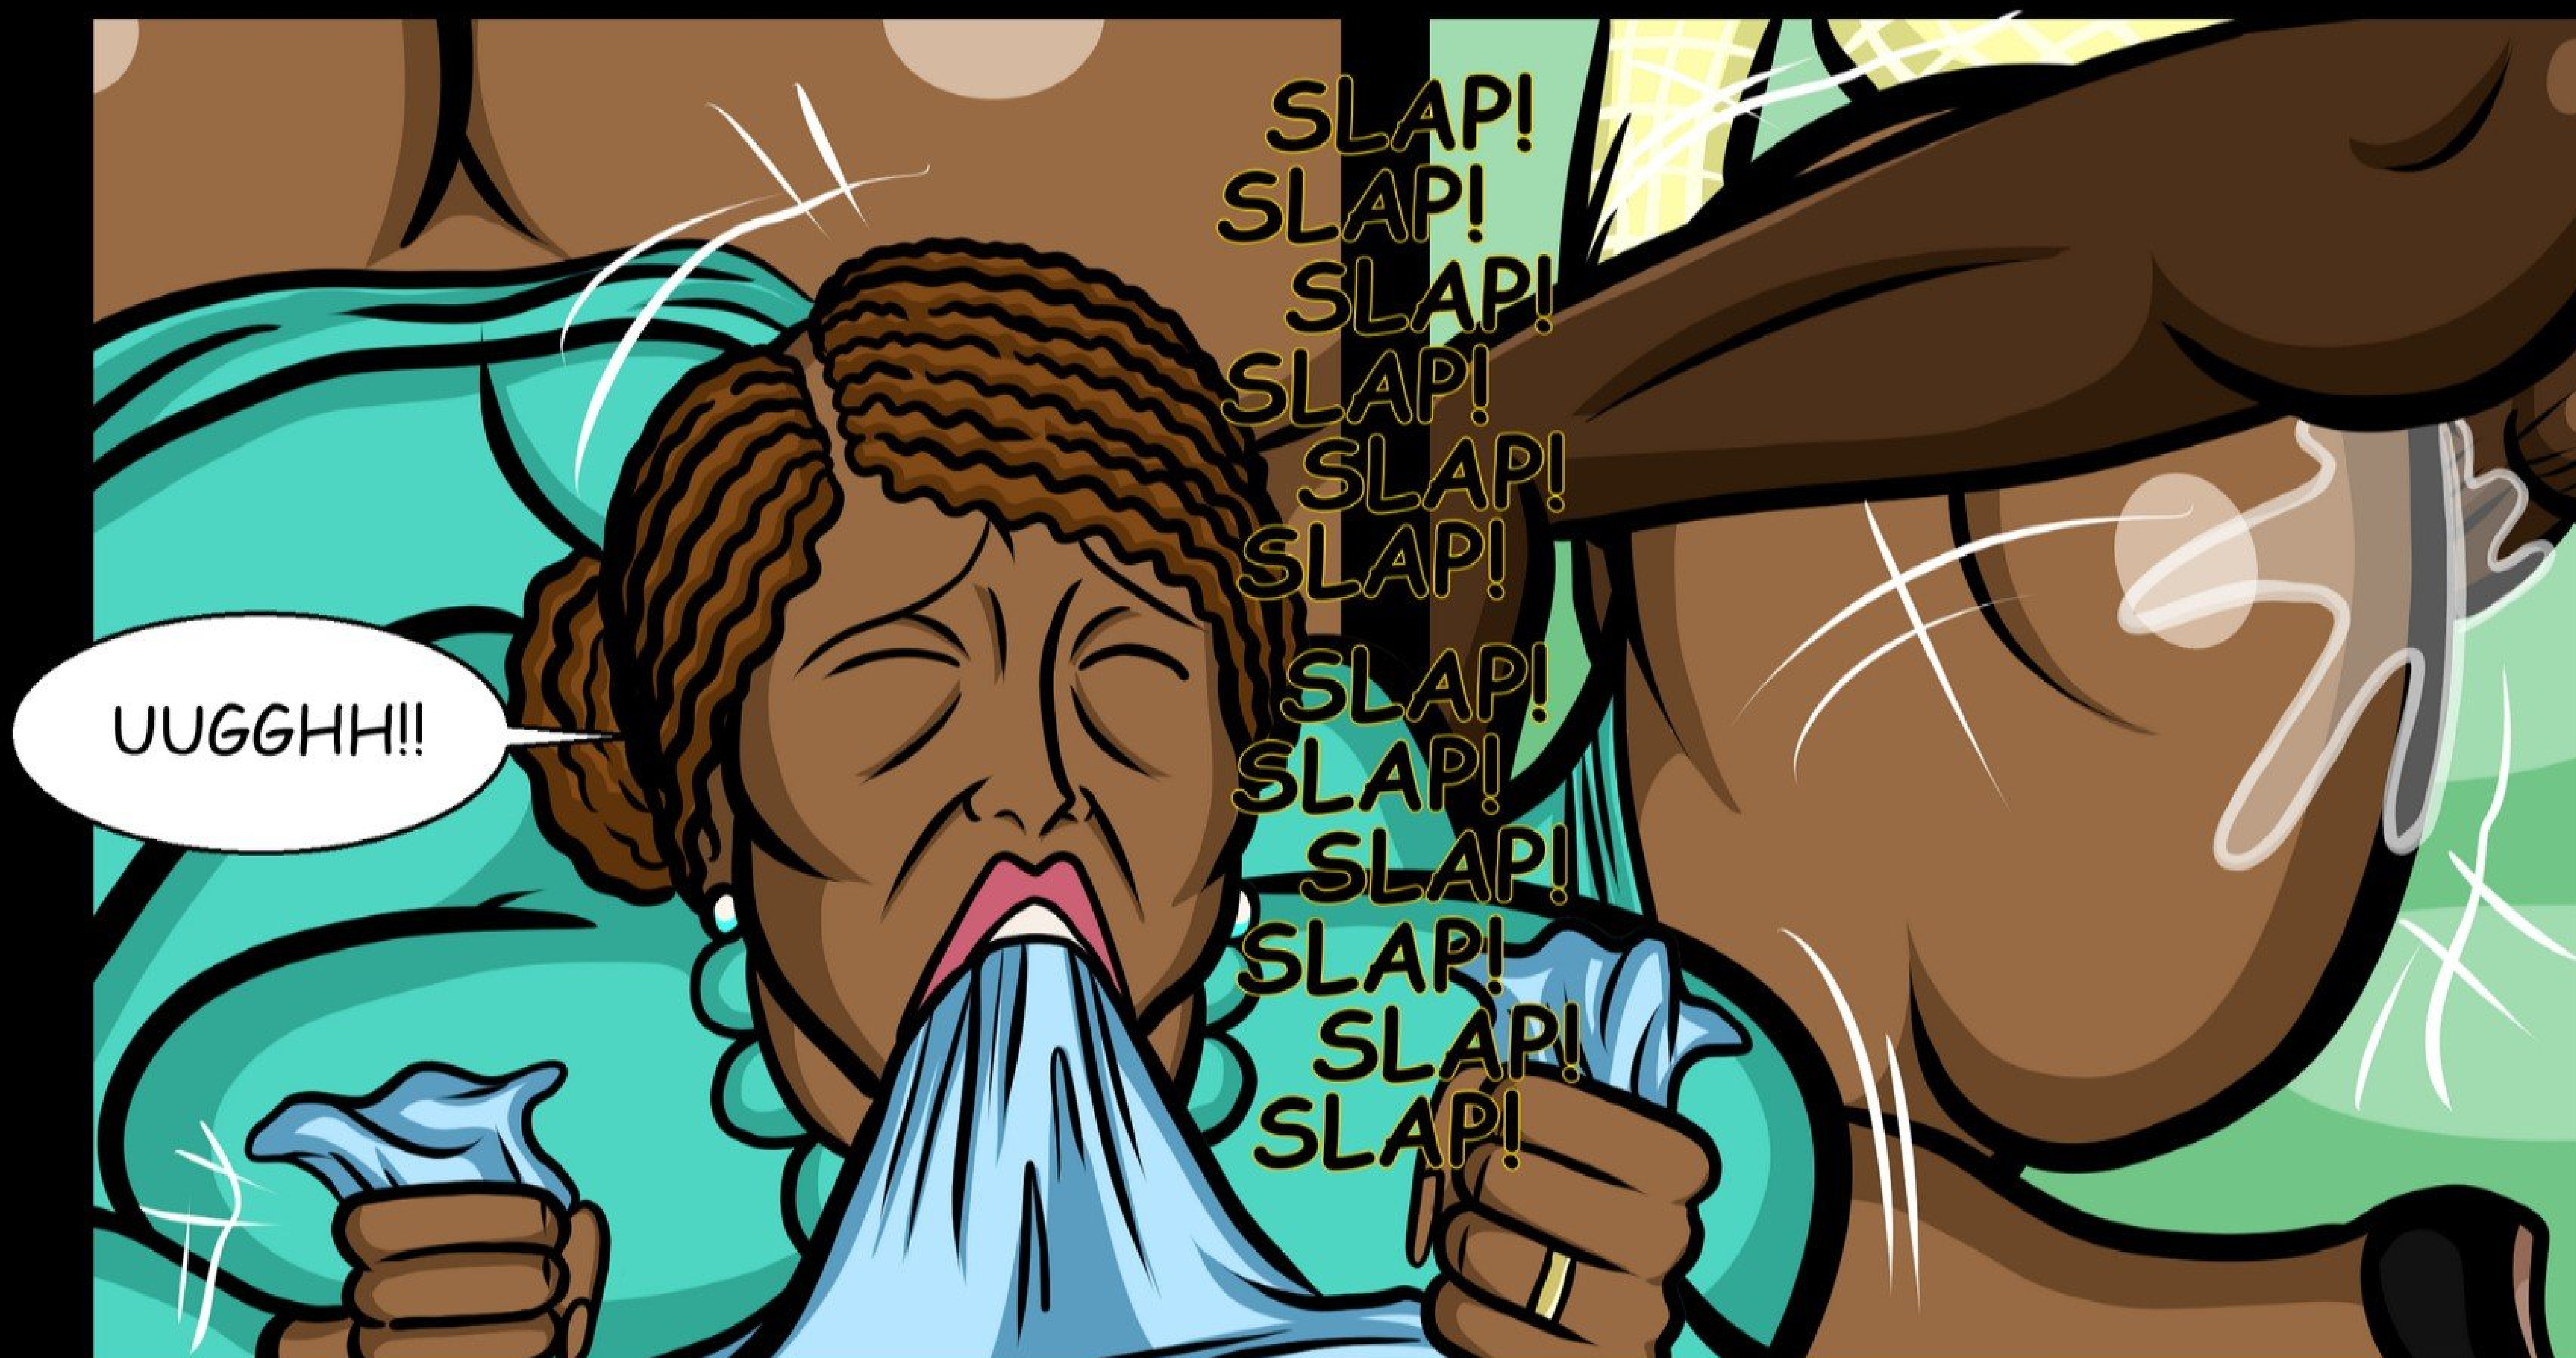

SLAP!
SLAP!
SLAP!
SLAP!
SLAP!

You don't sound very convincing saying this as you moan louder each time I push deep inside you.

As I felt Phill's huge cock rimming my anal meat, I began to wonder how this was completely different from the casual sex I had with my husband. So, this seemed not to be a betrayal, but a way to save Phill?

Although my huge, soft ass cushioned every impact of the old man's strokes, his strong, deep rhythm made me feel a mixture of pain and pleasure.

Come on Zenny!
Move those
hips!

It was amazing how an old man could have such vigorous sex. With every move I made on top of Phill, he begged for more and more. My giant ass was swallowing his huge cock, and this was making me more and more surrendered at that moment, as the sensation of pain was fading away.

SLAP!

SLAP!

Ahhhhhhh!!!

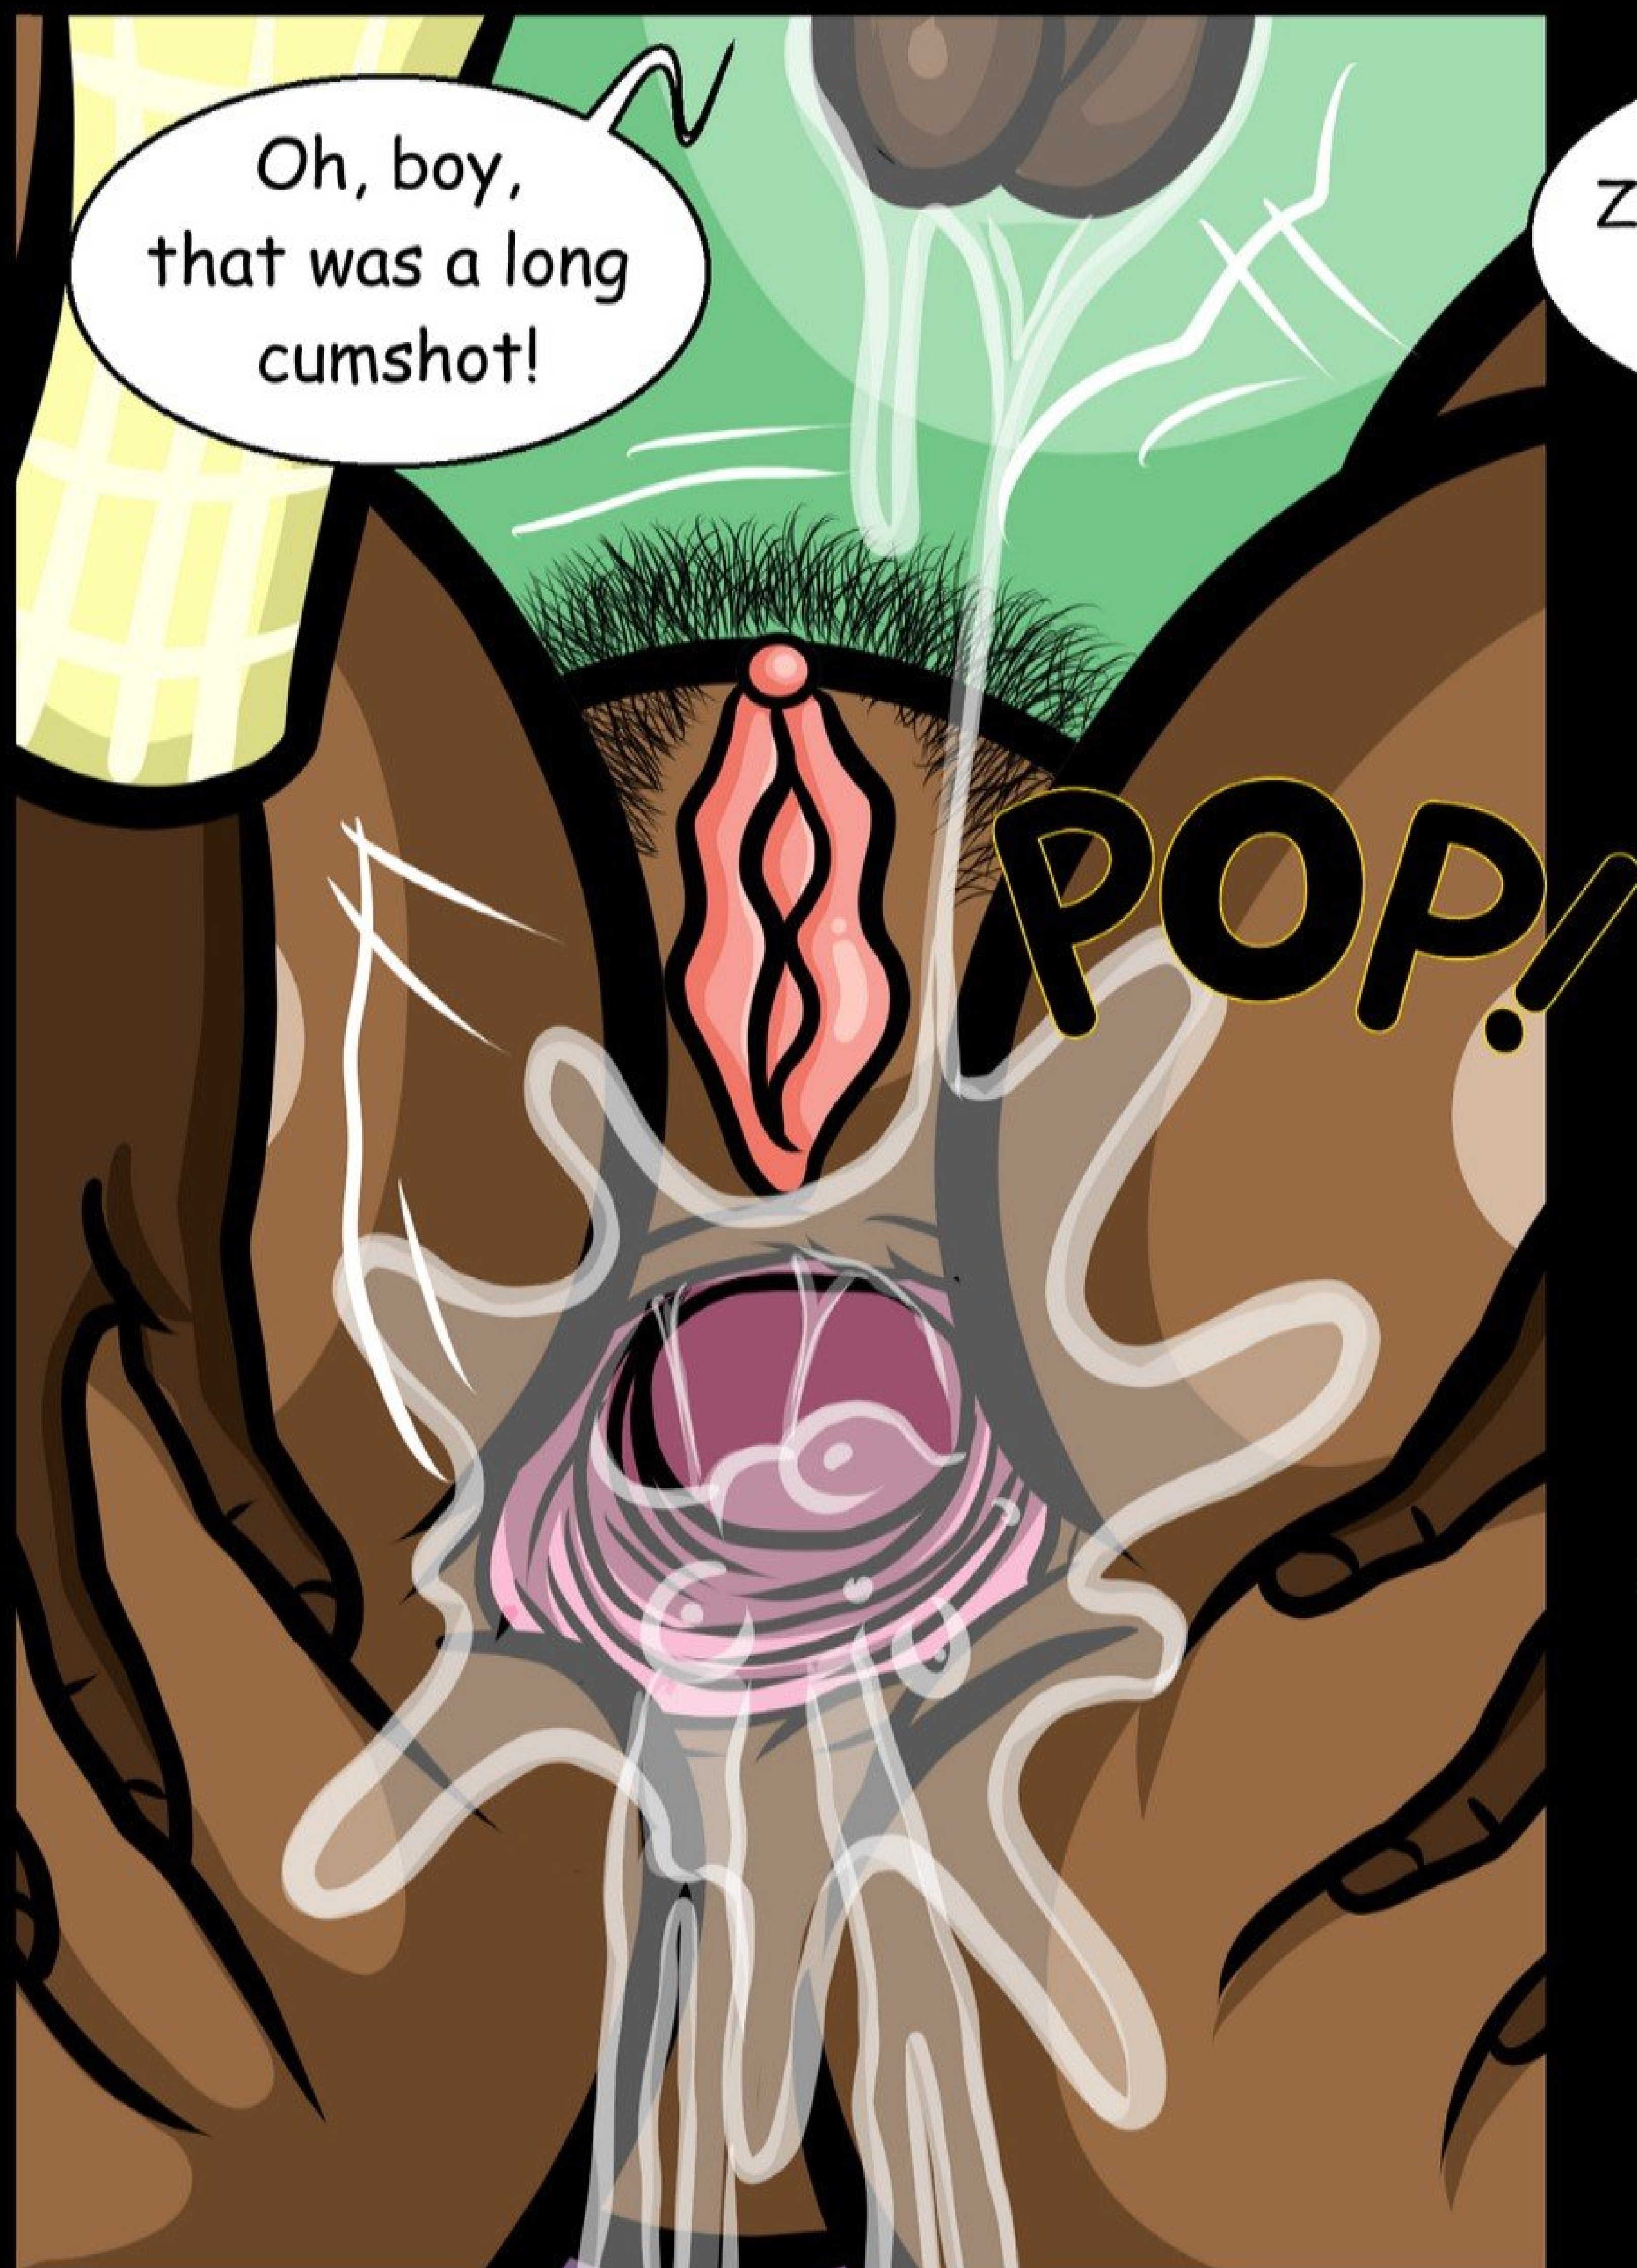

Oh my God Phill,
hurry up or Pete
might catch us coming
home from work!

At that moment, a new door opened in my life. This old man was showing me a new world, where it is possible to feel pleasure in anal sex. I would never have imagined doing this one day.

Welcome back, son!
Zenny is exhausted. She worked
hard today, so she is resting right
now. Don't worry, I prepared
dinner today.
