Bye honey,
see you later! Have a
great day at work.

Don't forget to
wake the old man up
so he can take his
medicine, Zenny.

Don't worry about Phill,
he's much better now!

Has he gone?

GRAB!

Oh! Life is so lonely since my beloved wife is gone...

Phill...
I don't think this is a good idea...let's put a stop to this for the sake of our family.

And risk dying? No... you have helped me a lot to stay alive, Zenay.

Since we are alone again... this is the best moment! Let's go to my room, we can't waste time.

GRAB!

Once again in the morning, using the same excuse as always, and after my husband had left for work, Phill came to me looking for sex. I was beginning to suspect that this was nothing more than taking advantage of a complex situation.

He squeezed my big tits so hard that I could see the milk gushing out of them. I was starting to get deliriously horny from the whole awkward situation, while Phill was having fun breaking into my poor asshole with his huge cock.

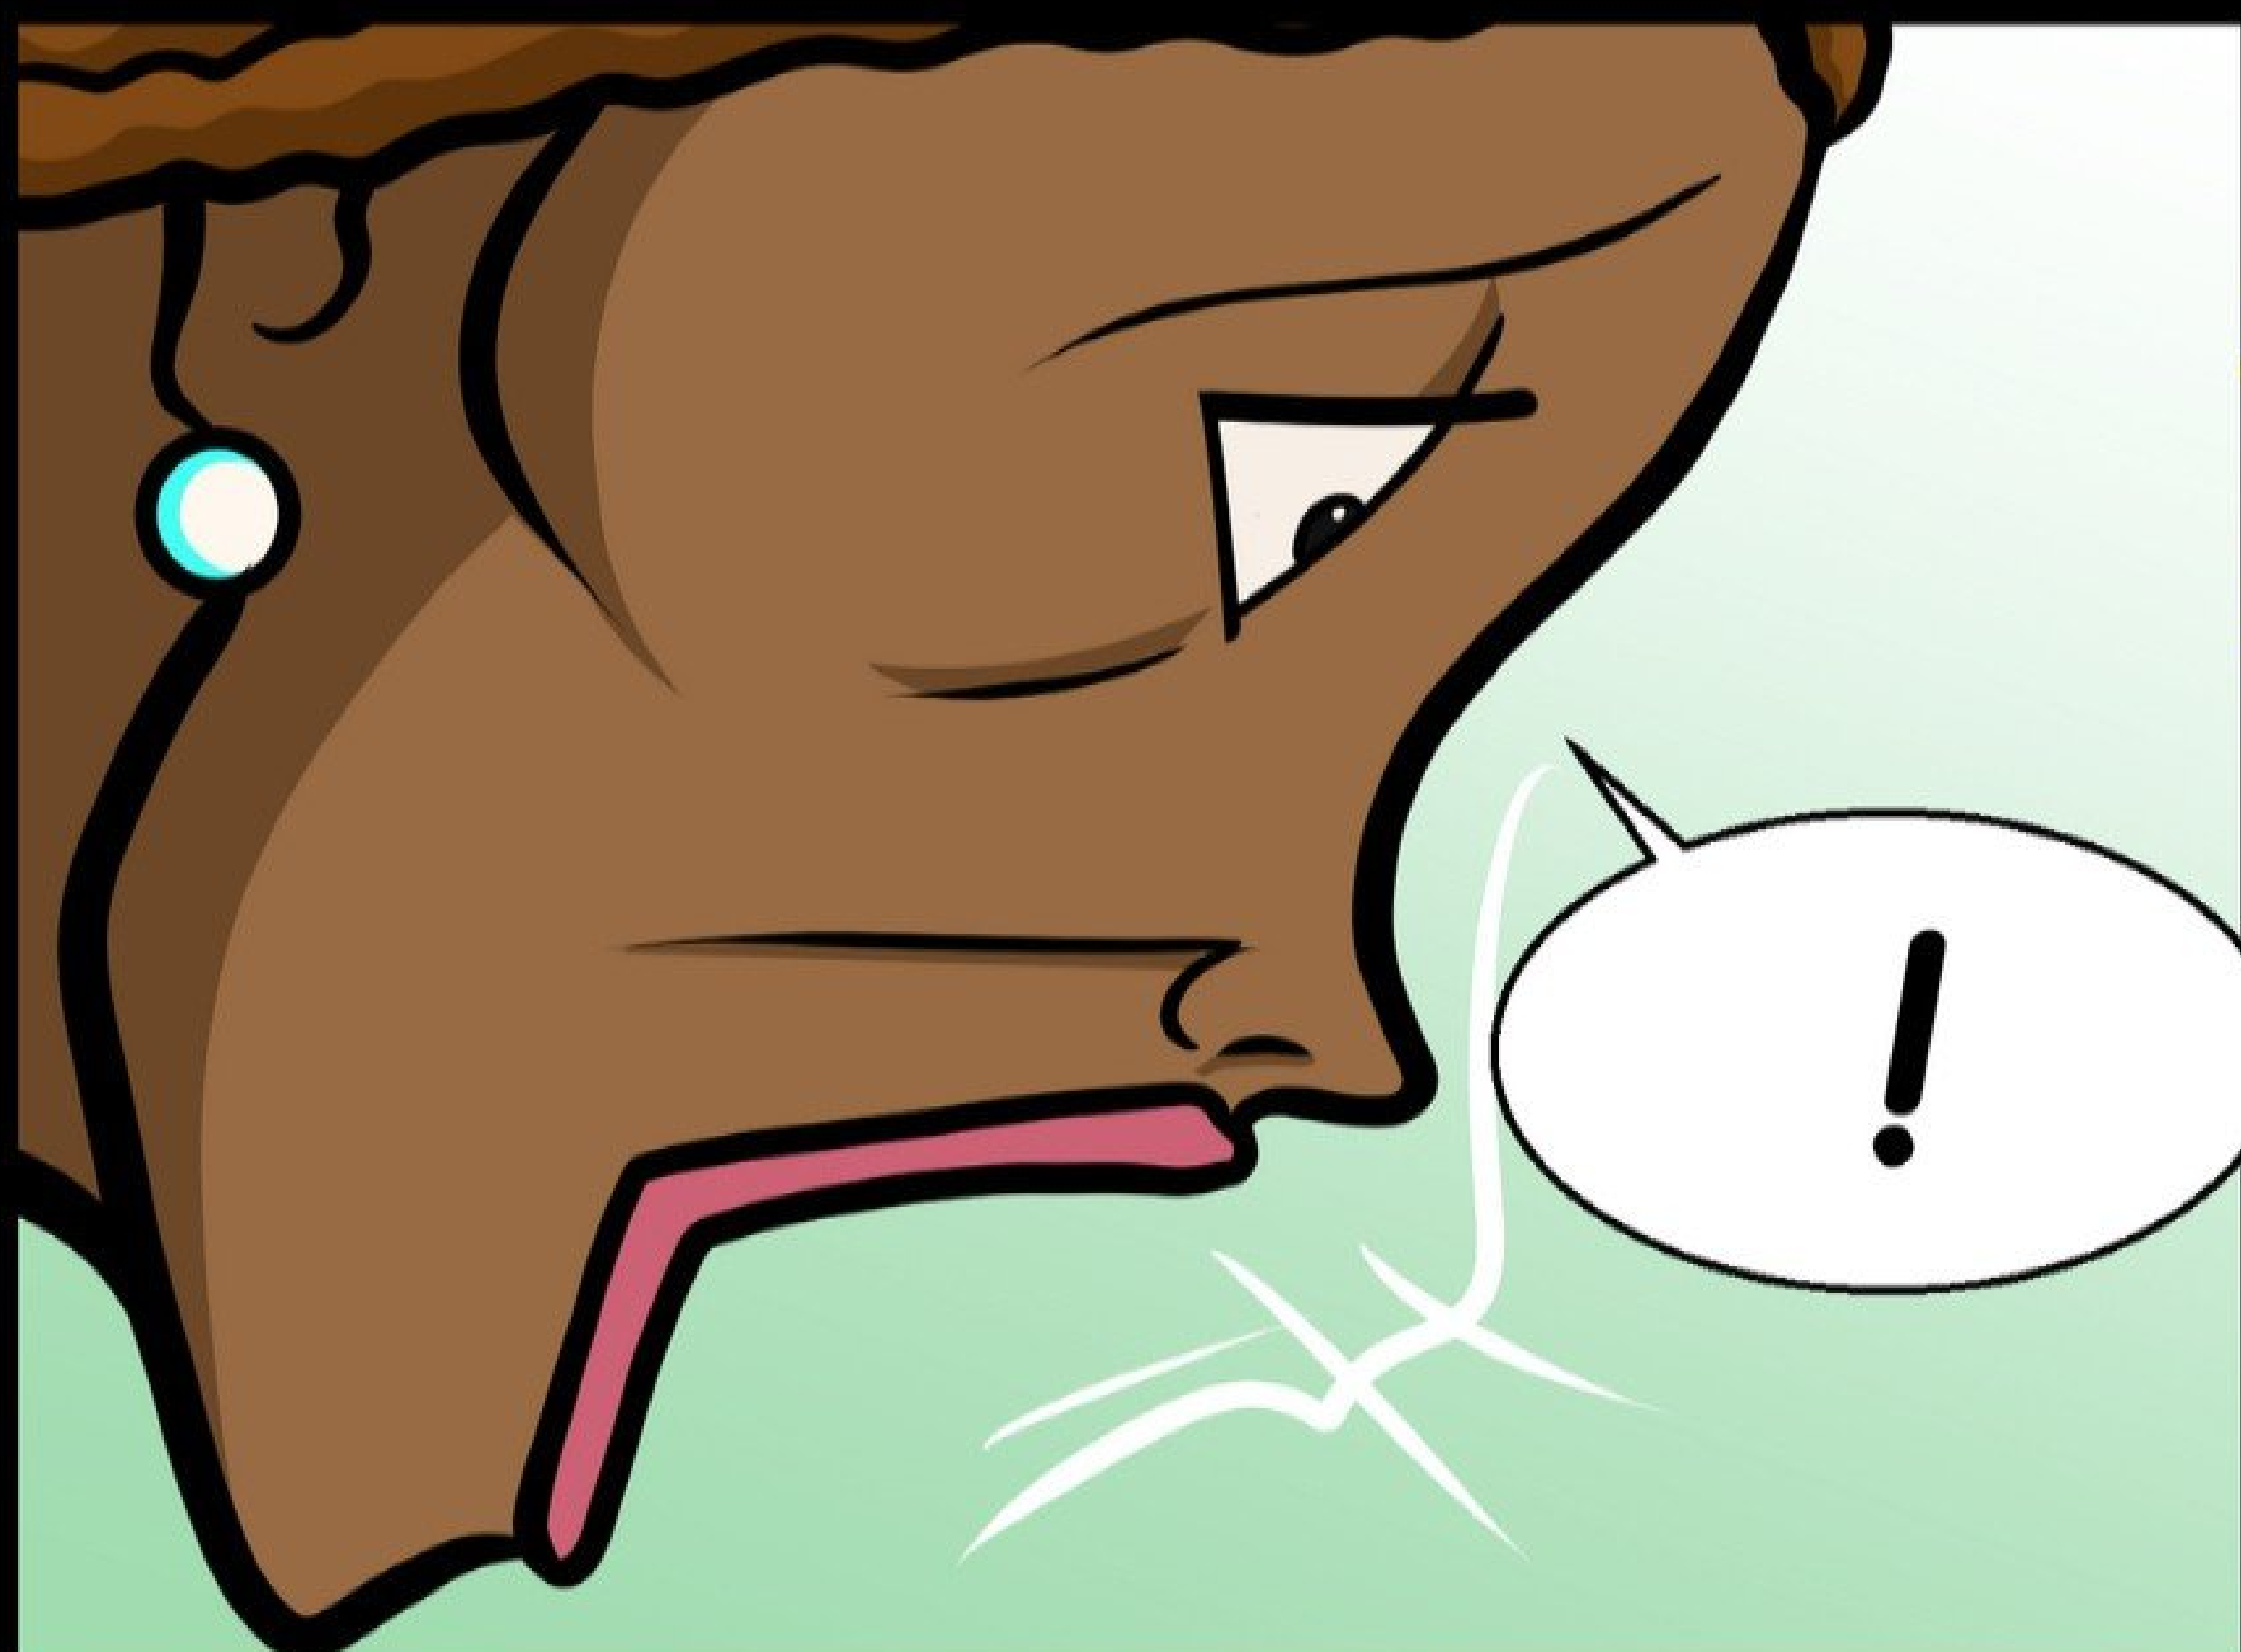

SLAP!
SLAP!

my son's, which one is
bigger? Mine or his?

SLAP!

I... I can't
answer that...

That old pervert was whoring me every day, and I could do nothing but endure his big, thick cock burying inside my big ass. His assault on my ass intensified as he asked me indecent questions. I didn't answer him out of sheer shame.

SLAP!
SLAP!
SLAP!

Uhhhh!!

SPLORRT!!

Ha! Ha!
Look how much cum is coming
out of your ass, Zenay!

POP!

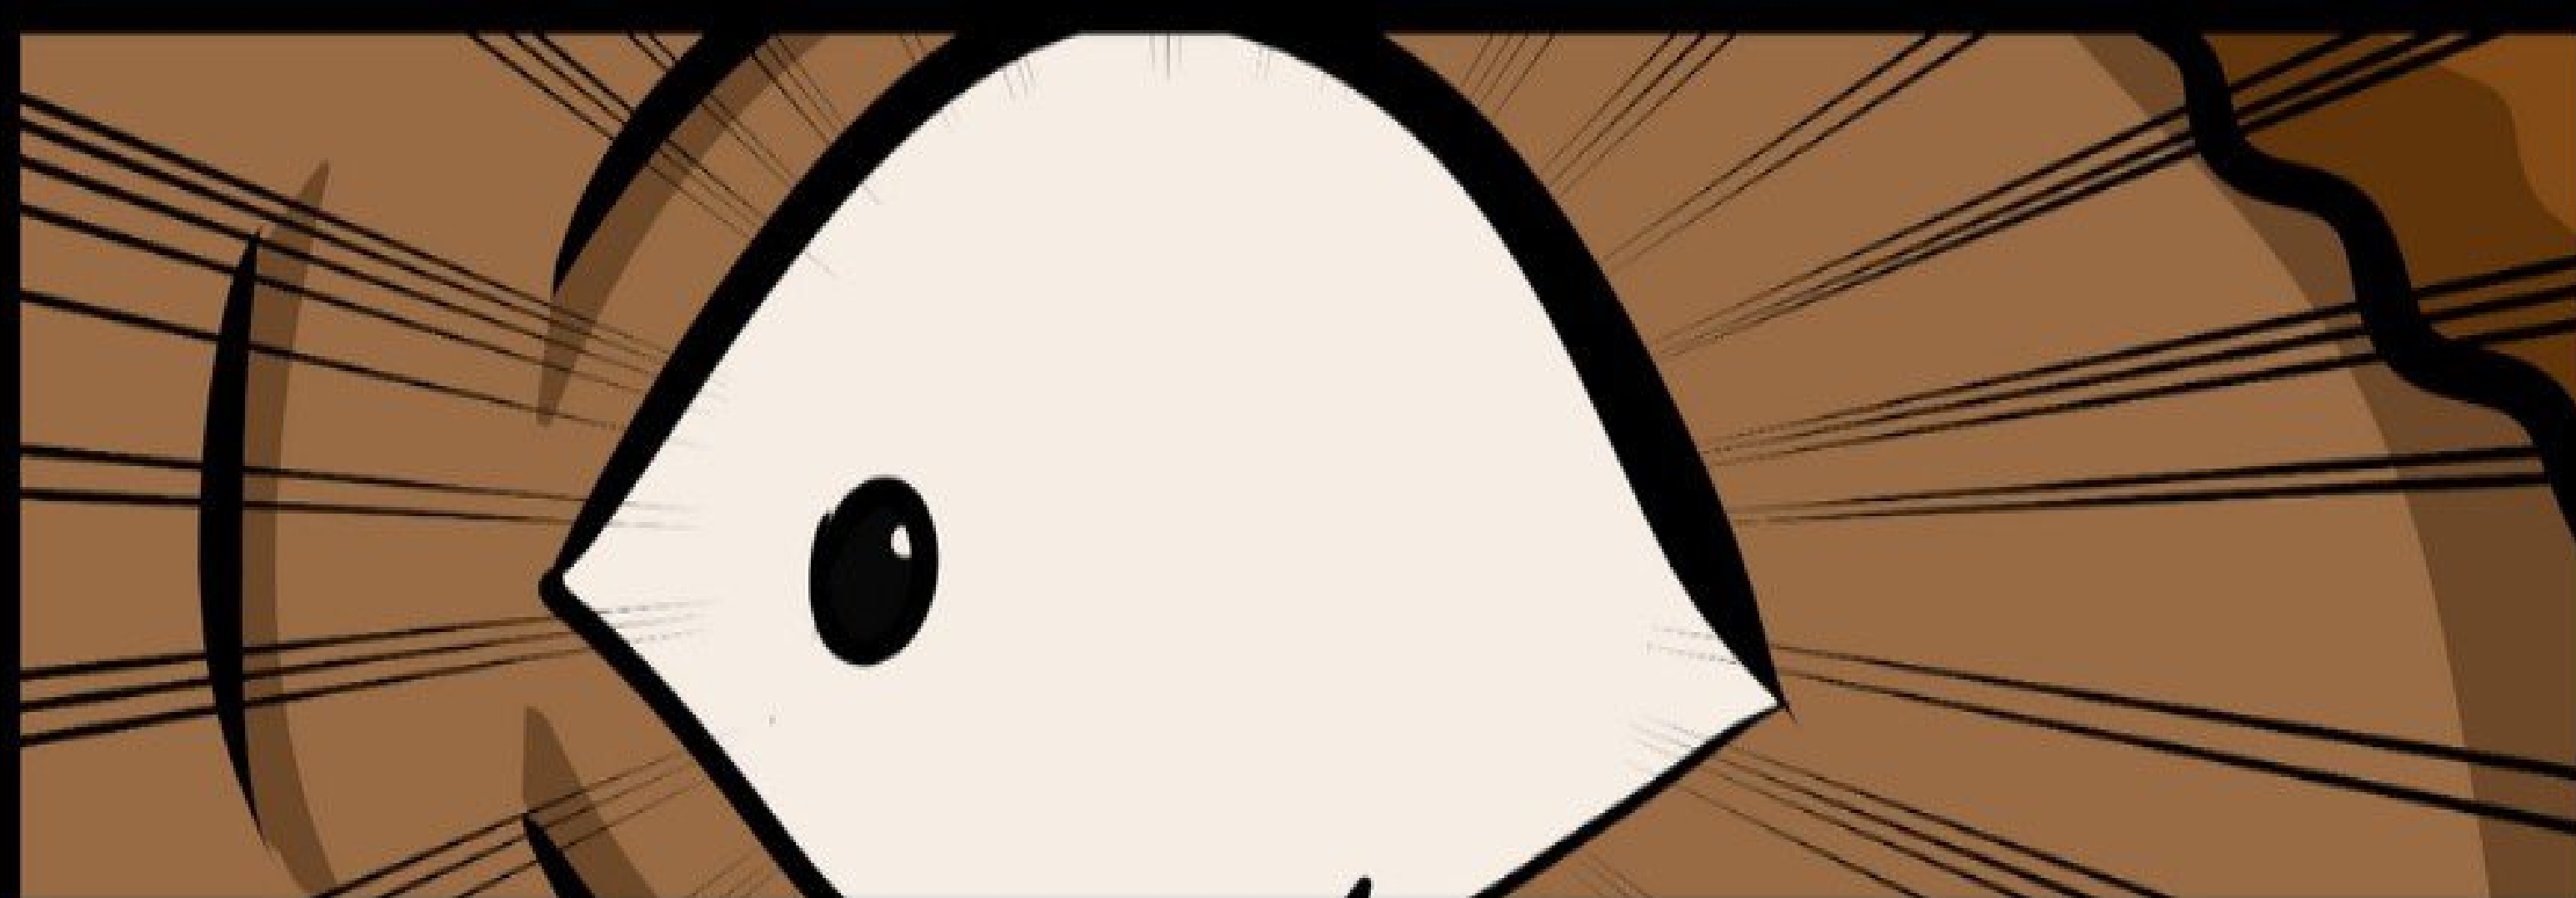

splashing!

Ngghh!

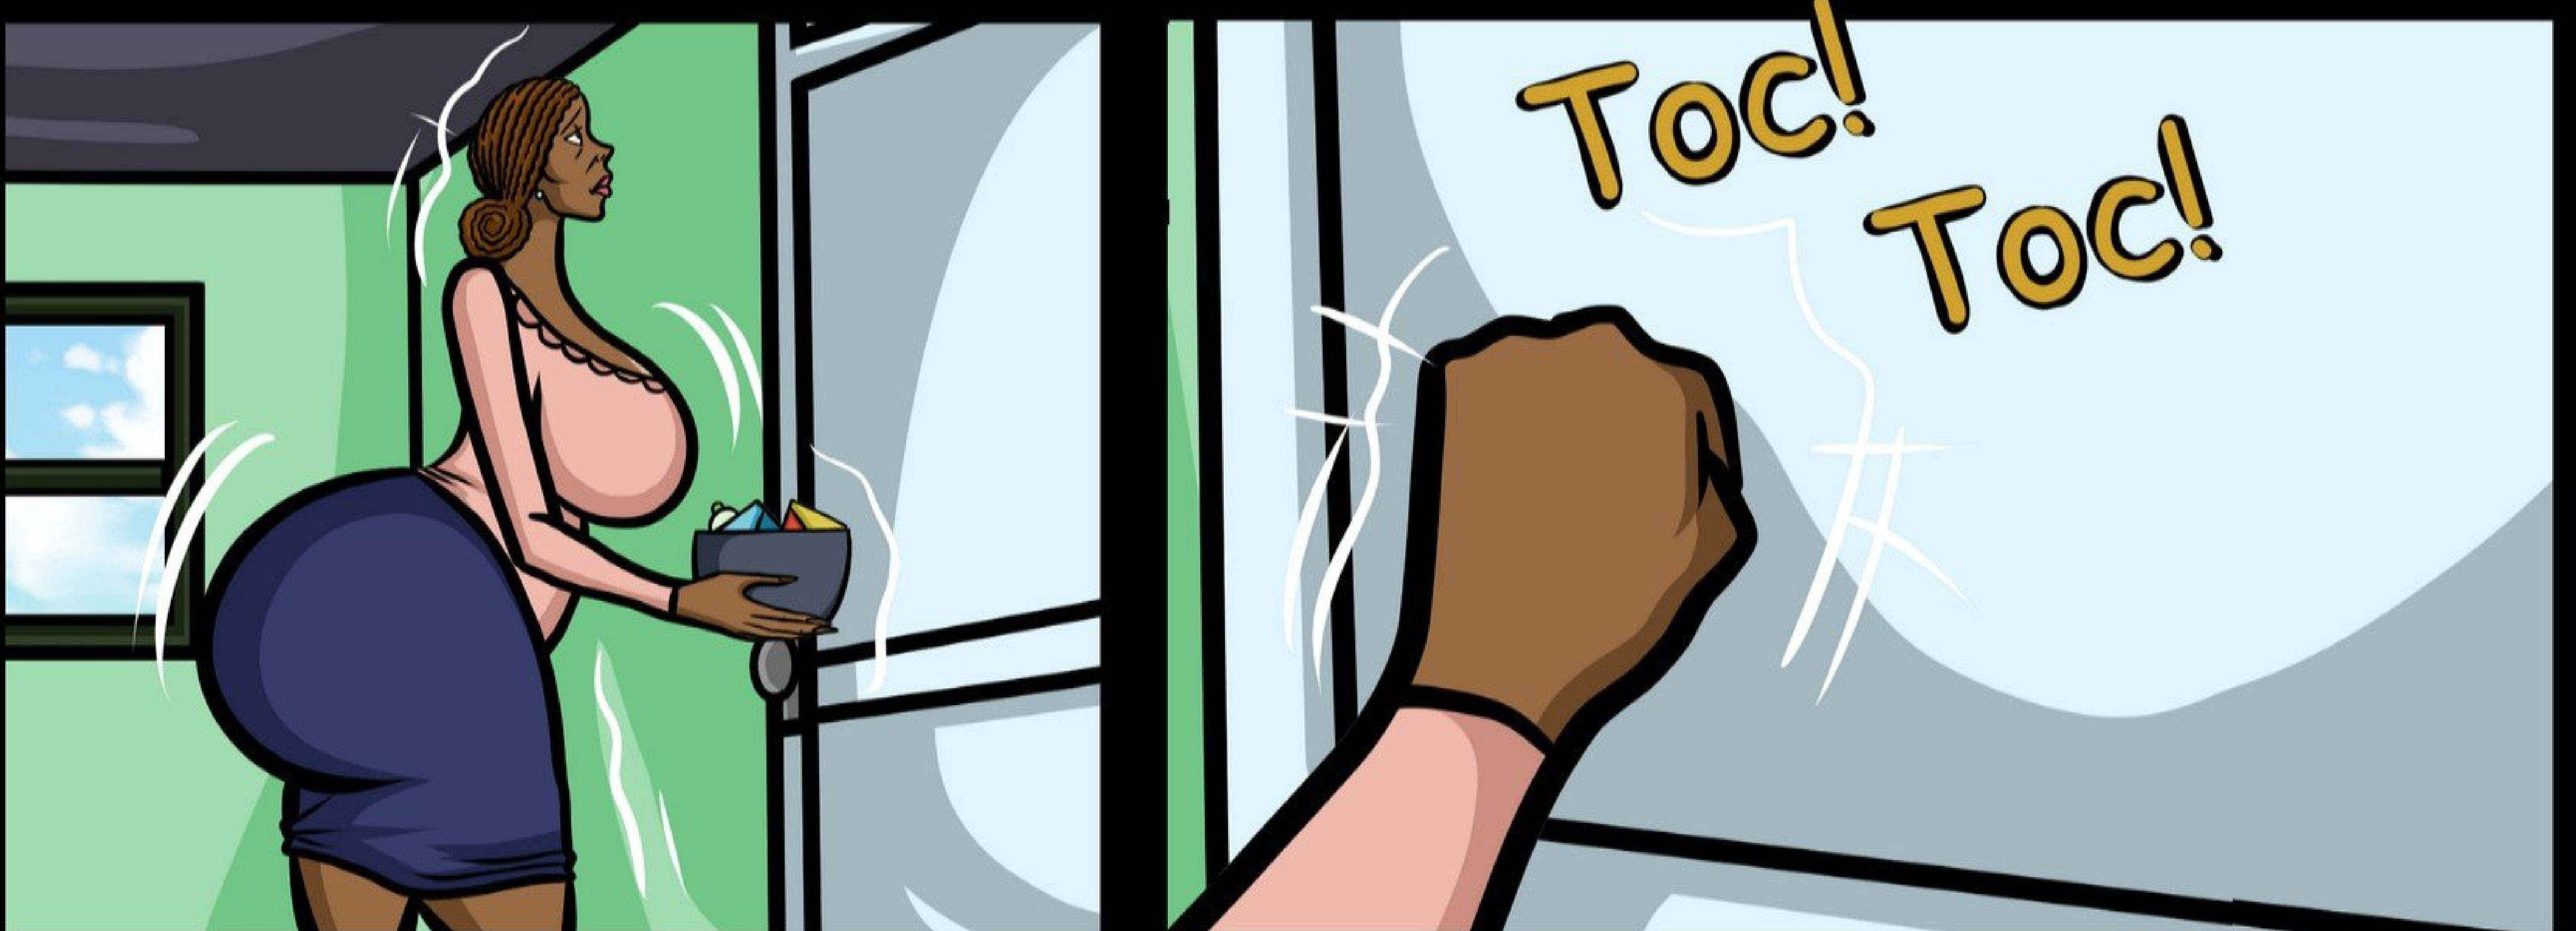

Every day he made a point of watching me whenever there was an opportunity. I felt watched by his malicious glances in every room of my house.

There was not a single moment when that old pervert was not watching me,
not even in my intimate moments with Pete.

Yes, I was in charge of the care of my crazy father-in-law, but I thought my duty was only to make sure he took his medicines on time?

... The meds ... it was just the meds, what I was supposed to give him ...
and not my married butt.

Is it my fault that this is all happening? Is that the answer to all of this?
Is this old man freak being consumed by the desire to be attracted to me?

Mmm
I suppose I should give you
what you came here for,
right?

With a woman like
you around, there's
no getting bored.

I am very grateful
for your generous "care", Zenny.
Your body is responsible for your old
father-in-law here feeling so full of
life. You coming here every day to
take care of me just shows how
much you want to see me
well.

...

Keep being always like that...

... Make your father-in-law happy!

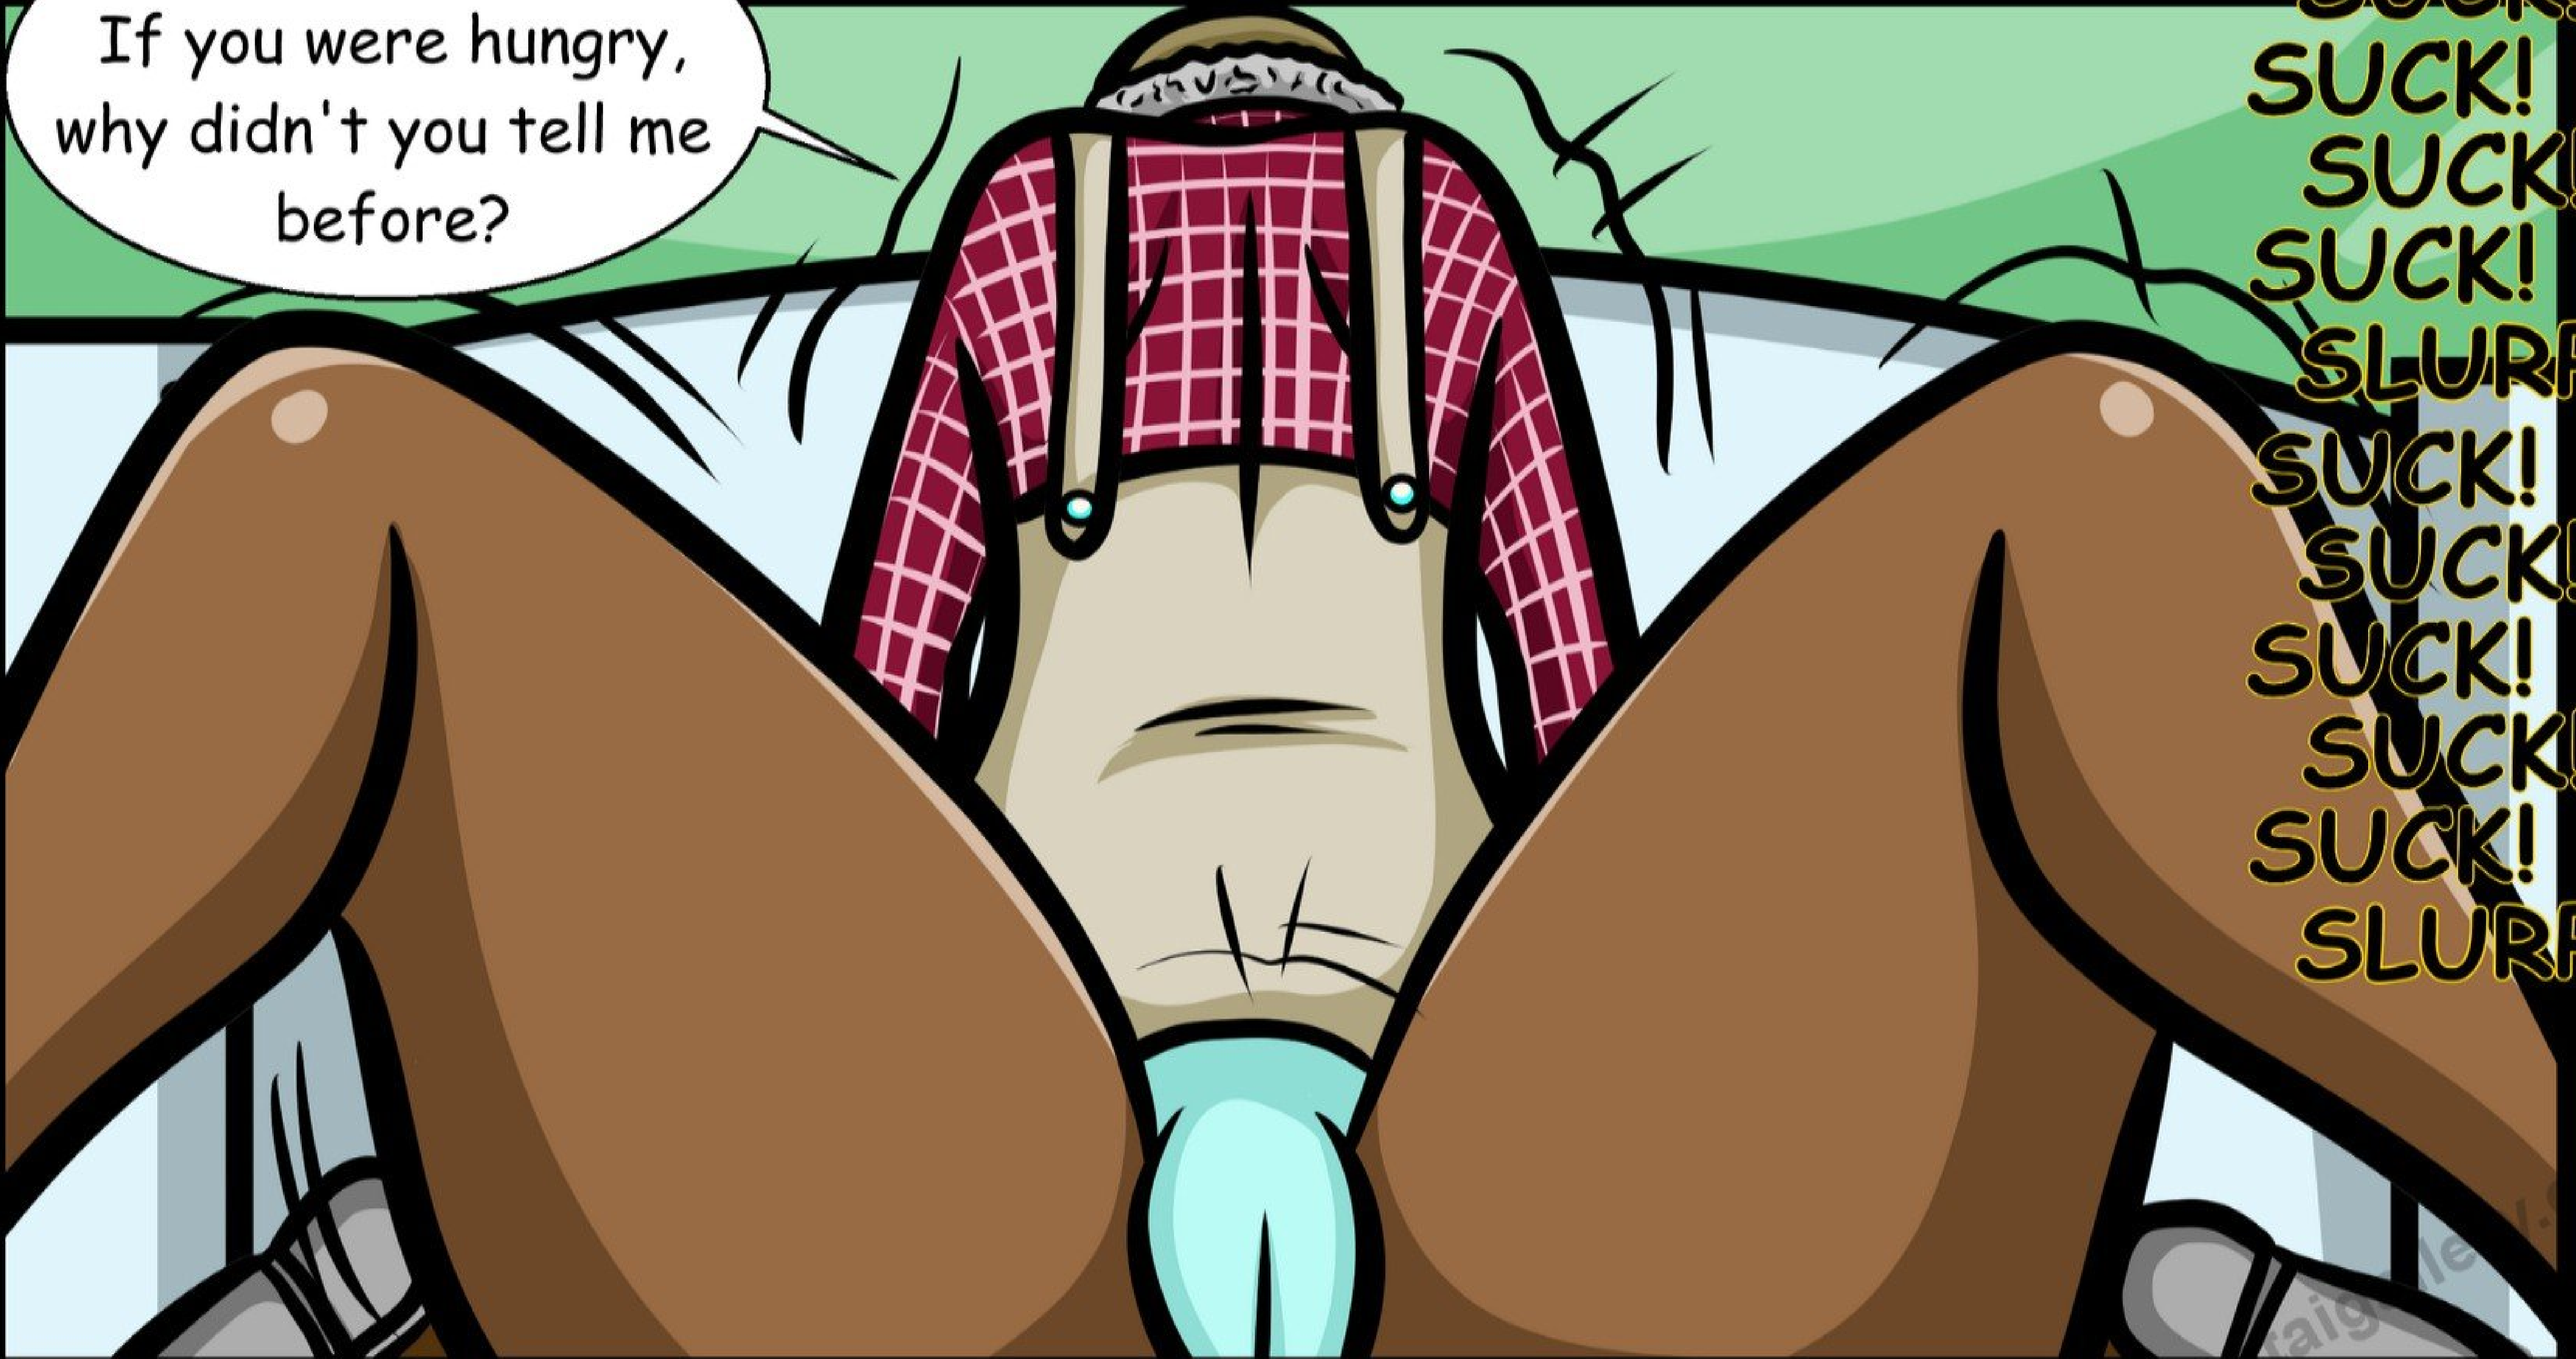

Mmm (Lick)

SUCK!
SUCK!
SUCK!
SUCK!
SLURP!!
SUCK!

Hee! Hee! Hee!
If you were hungry,
why didn't you tell me
before?

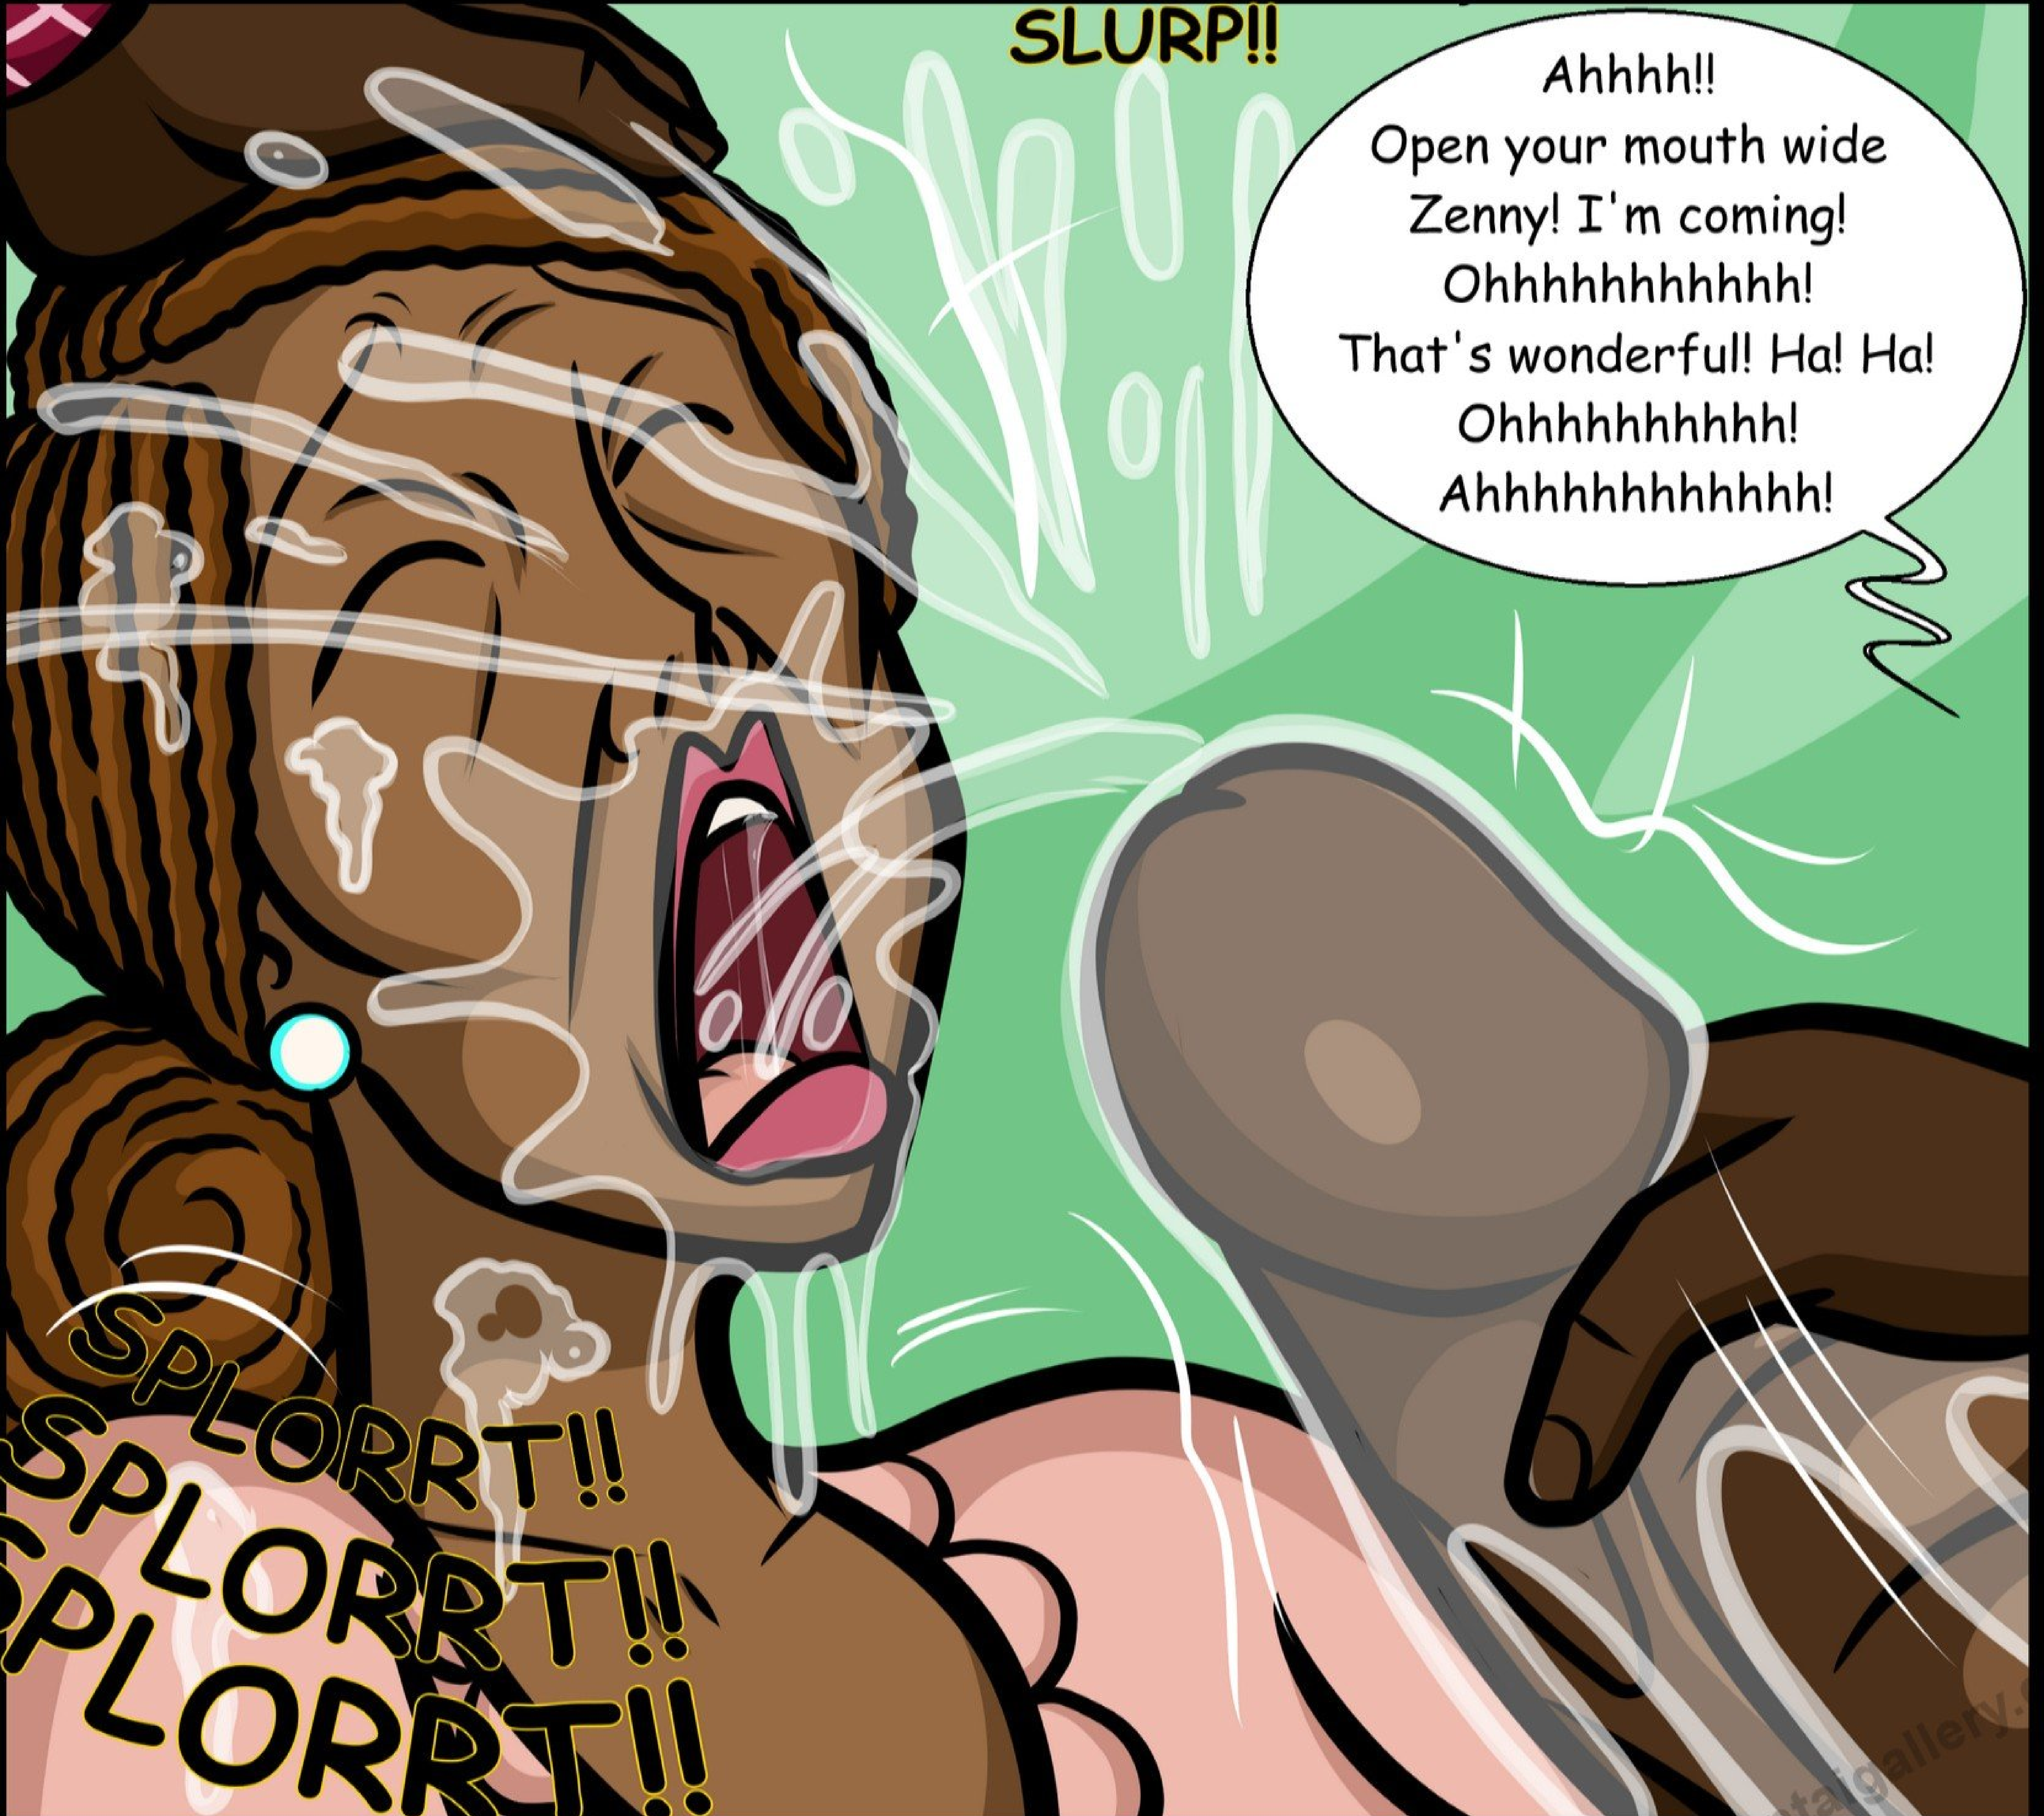

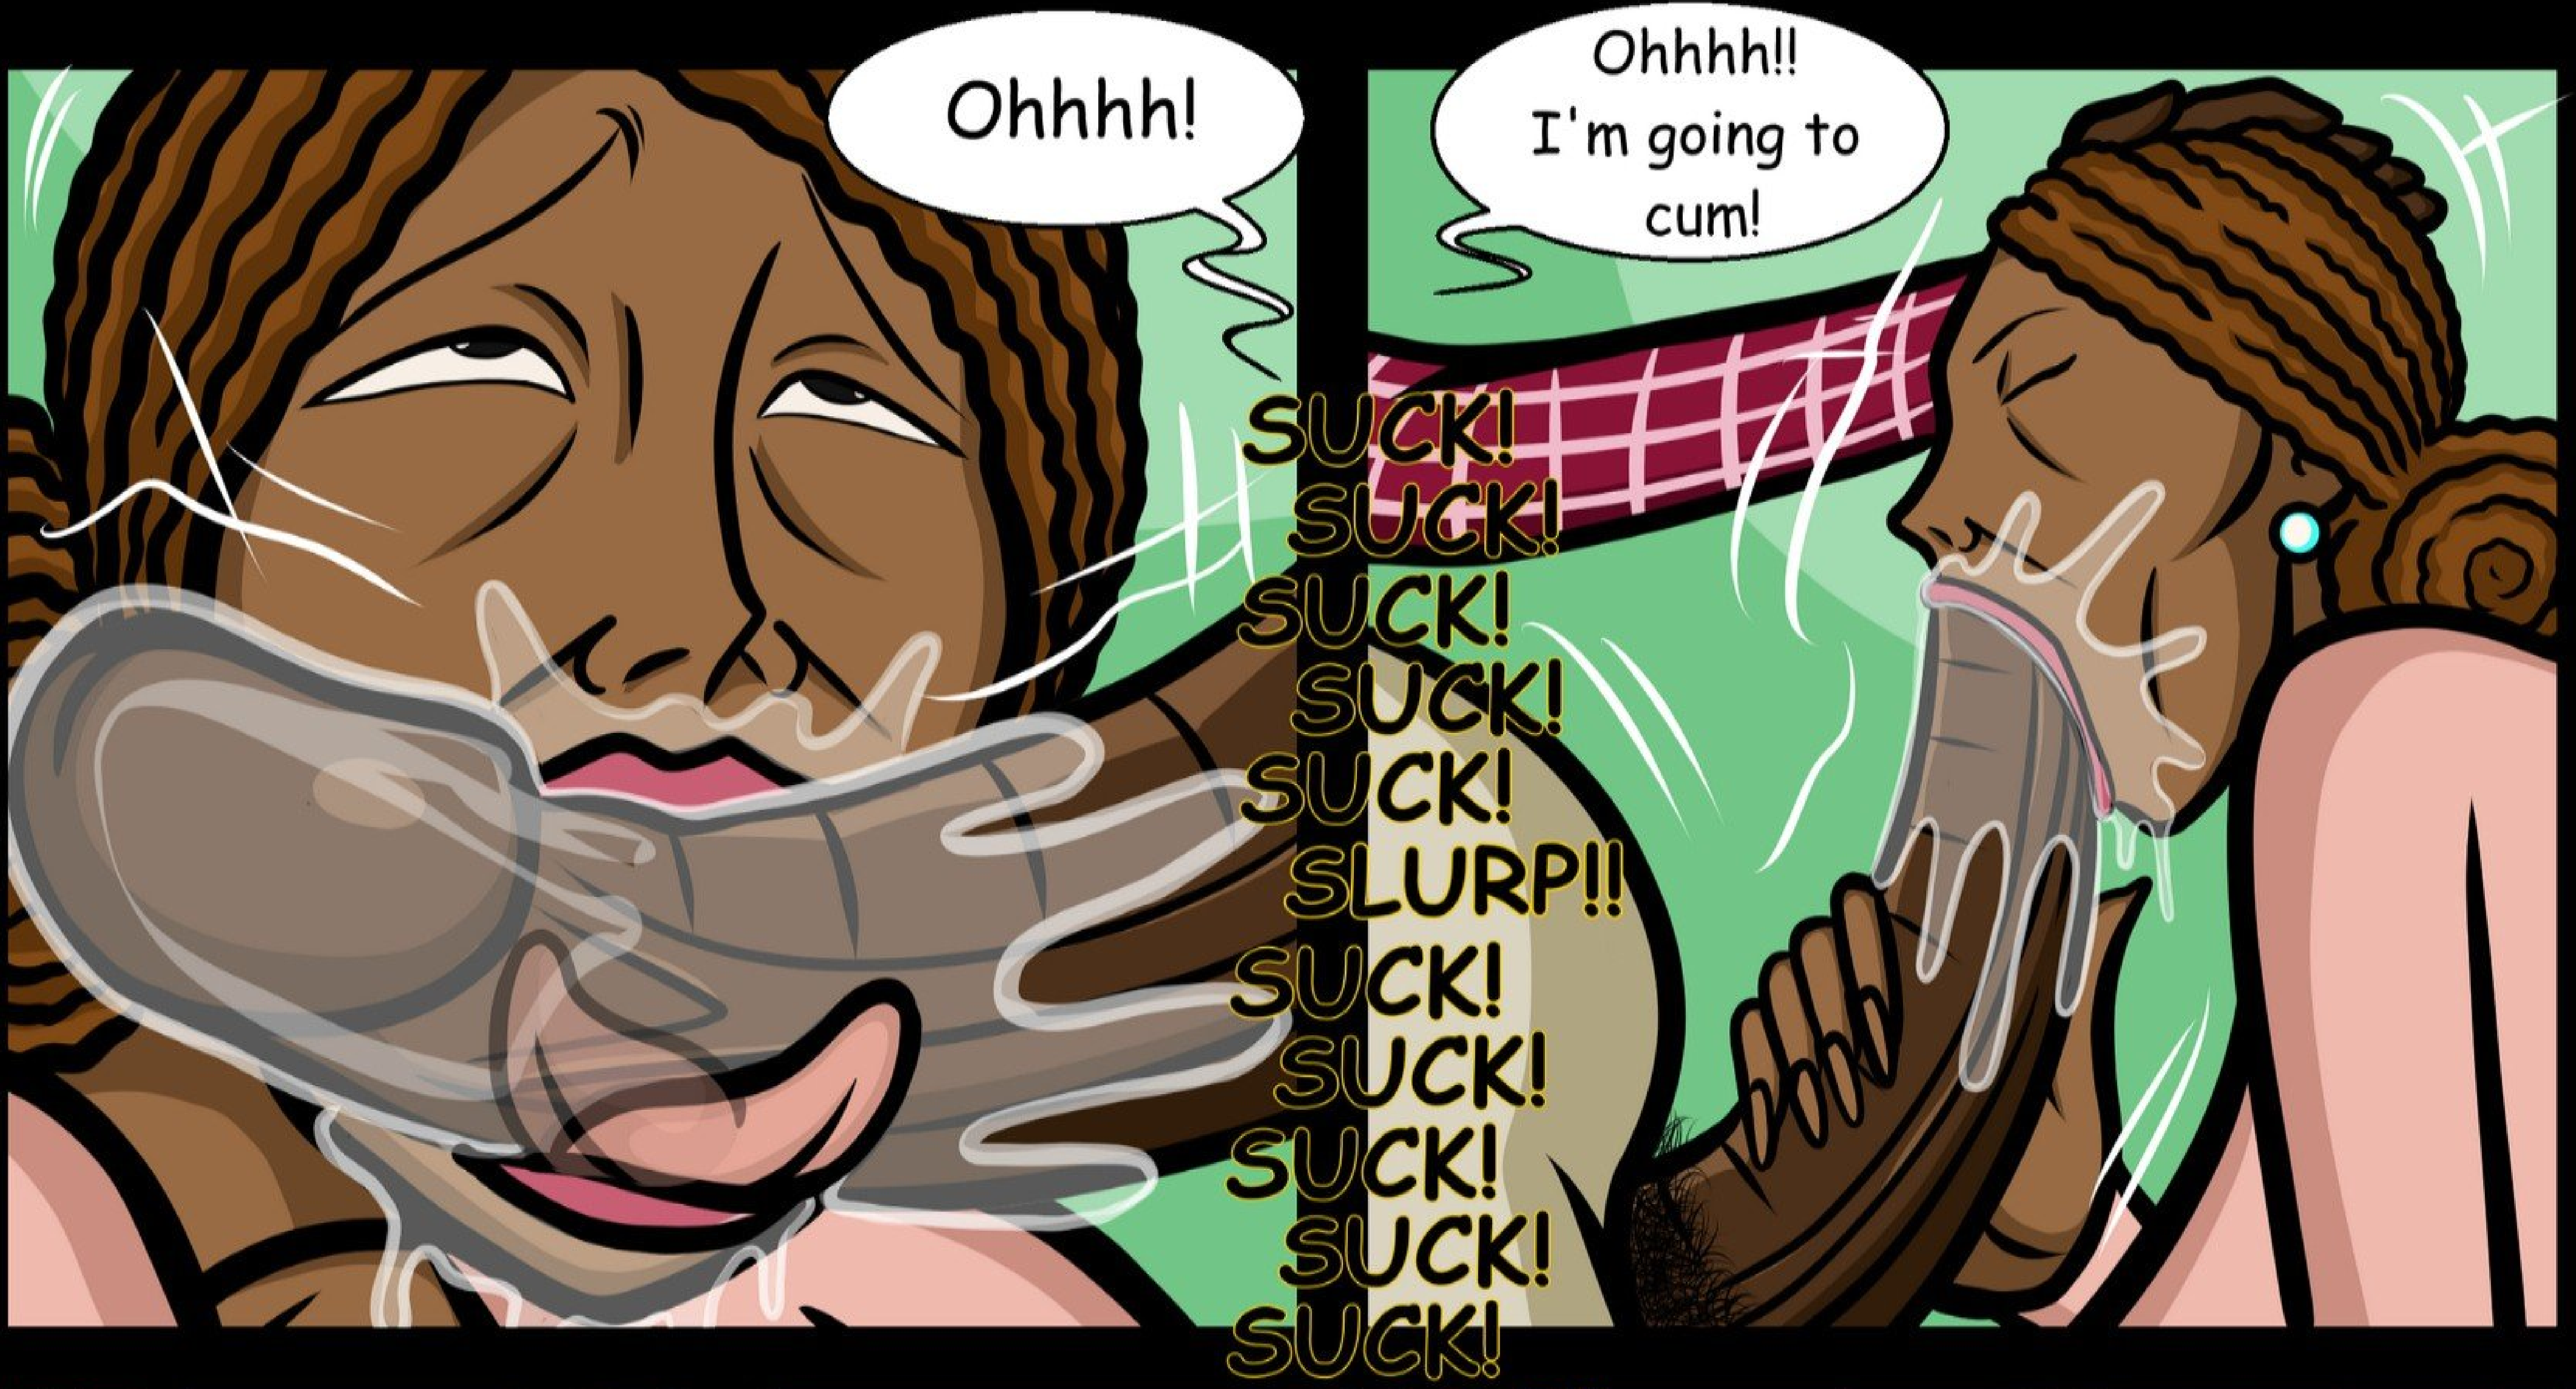

SUCK!

SUCK!
SUCK!
SLURP!!

I don't consider myself a woman restricted from some "taboos" in my marriage when it comes to intimate relations with my husband, but I didn't expect Phil to make me expose this so easily. Suddenly, his big, thick cock seemed so tasty to me....

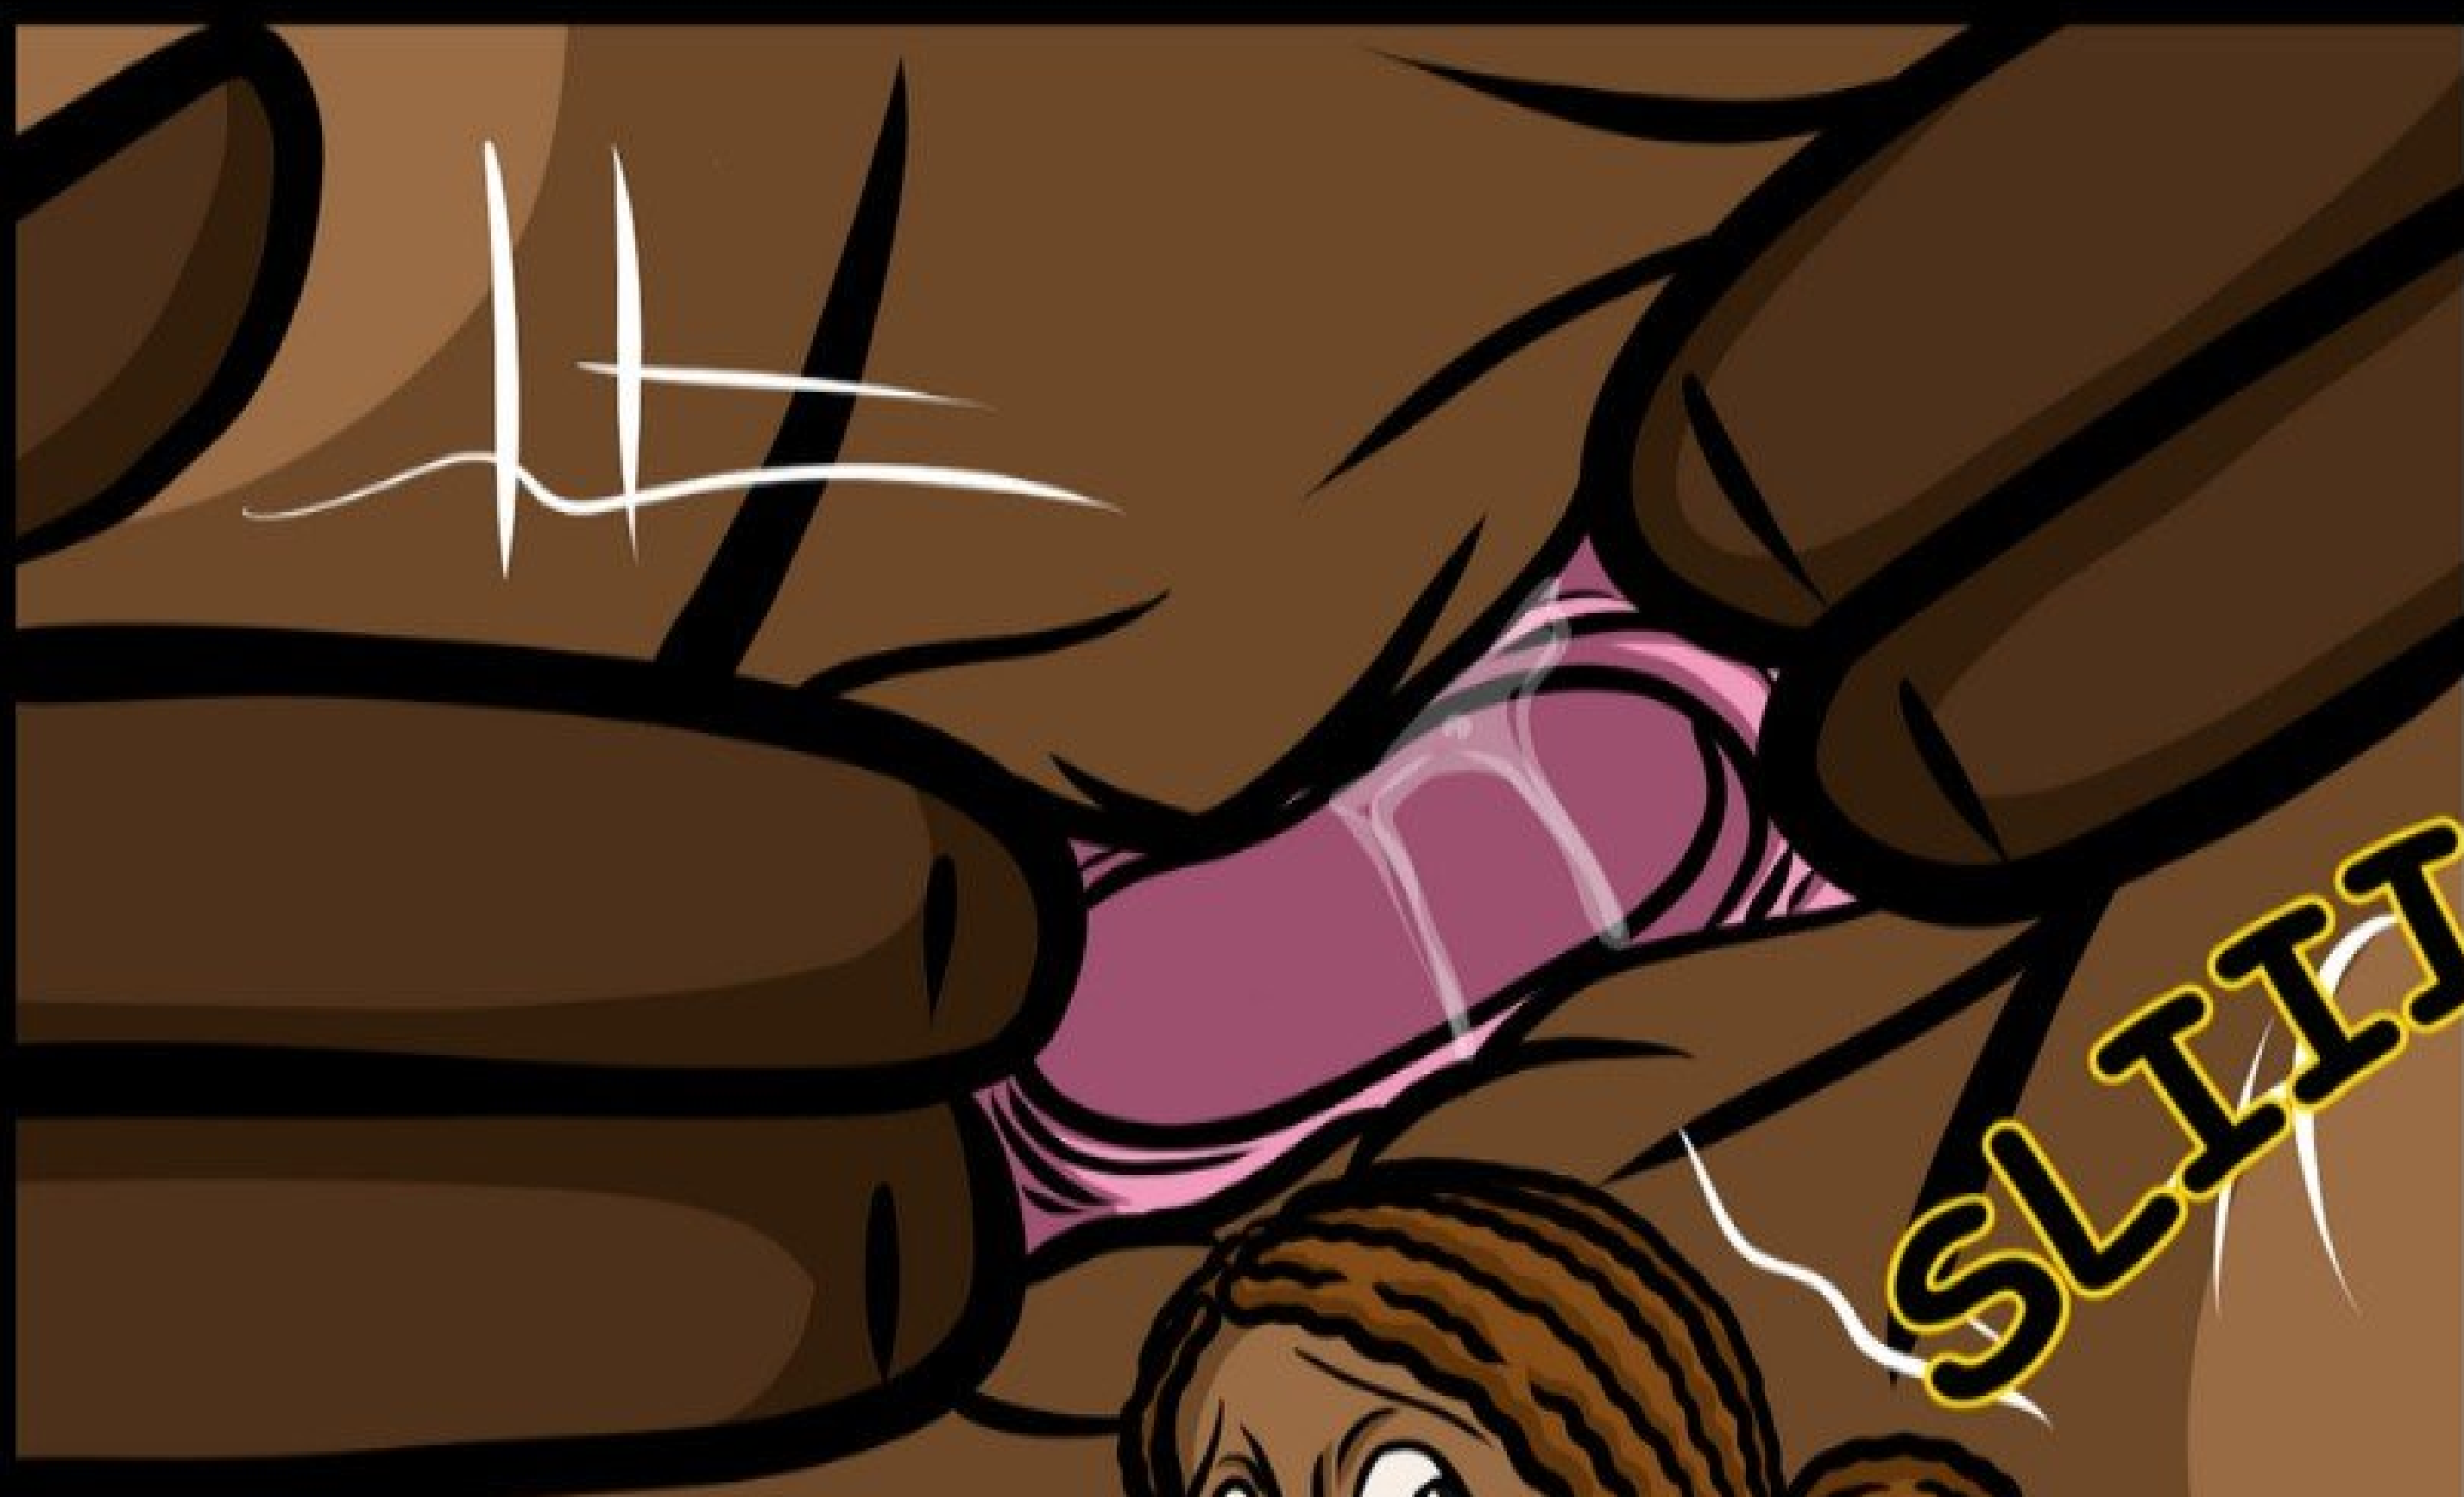

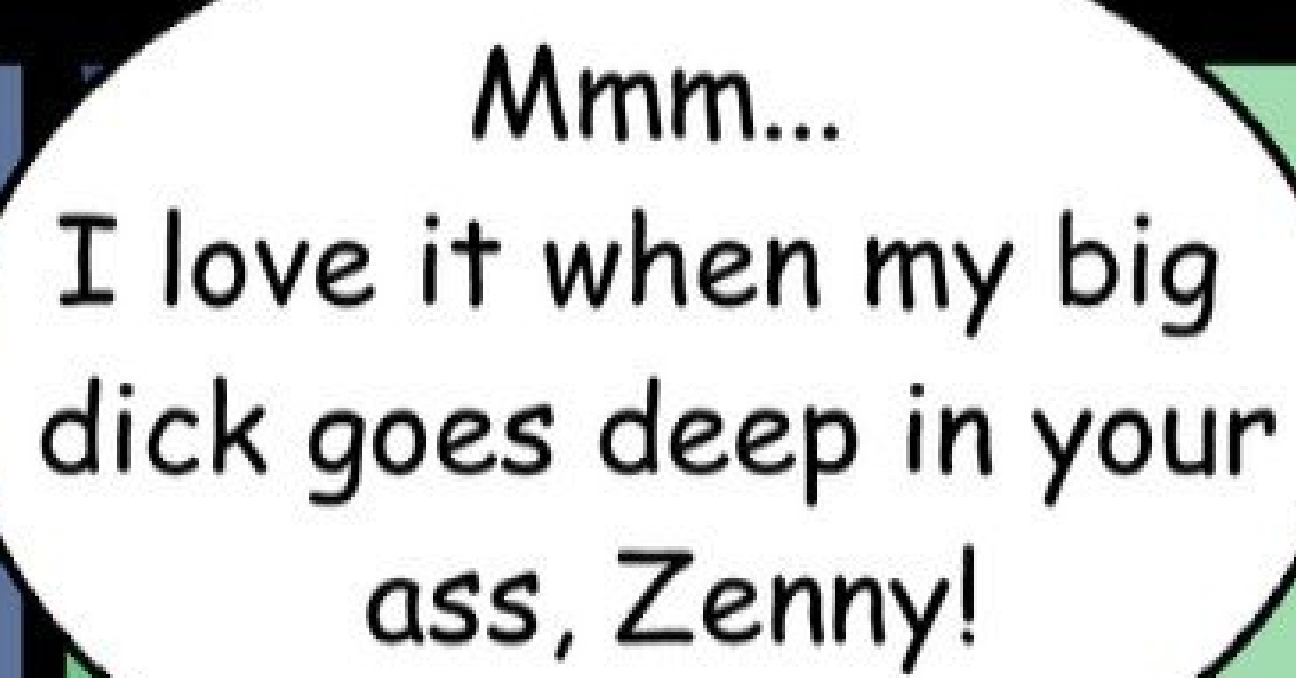

Again and again he had complete control of my body, using the same old arguments. His excuses repeating themselves every day were already engraved in my mind, causing a kind of "hypnosis" that made me give him my ass whenever he wanted.

I could feel all the heat from the body of that old pervert. When his hands touched my buttocks, I felt that they were so hot they felt like they came out of a volcano. He stared for a few seconds at my asshole, admiring that dirty, vulgar place.

[illegible]

Phill began to penetrate deeply into my ass. I knew that this was wrong, and several times I mentally punished myself for everything that was happening between us, but... I could no longer deny how good it felt to give my ass to that old cocksucker. I'm not sure that a possible return to time would make me act any differently. I was really confused.

POP!

Beautiful! Beautiful!
Look at the damage
I do to your buttocks,
Zenay!

SLIISH!!

Sorry to lacerate
your beautiful anus,
but it's just
irresistible!
Hee! Hee!

Phill showed more and more ownership of my whole body every day. Maybe the size of his dick is the reason to conquer a woman? But wasn't I doing this to help him? Damn embarrassing situation that doesn't let me think straight...
